Press Release for Third Quarter Fiscal 2003 Earnings

Edgar Filing: PERRIGO CO - Form 8-K

ITEM 9. Regulation FD Disclosure

This information is being provided under Item 12, Disclosure of Results of Operations and Financial Condition.

On April 23, 2003, the Perrigo Company released earnings for third quarter fiscal 2003.

The earnings release contains a non-GAAP measure which is defined as a financial measure of the Company's performance that excludes or includes amounts thereby differentiating it from the most directly comparable measure presented in the financial statements that are calculated and presented in accordance with Generally Accepted Accounting Principles (GAAP). Pursuant to the requirements of Regulation G, the Company has provided a reconciliation within its earnings release to the most directly comparable GAAP measure for this non-GAAP measure.

The Company excludes unusual litigation income when monitoring and evaluating the on-going financial results and trends of its business due to its non-recurring nature. The Company believes this information is also useful for investors since excluding this non-recurring item provides important insight into the Company's ongoing operations.

The press release related to Perrigo's earnings is attached as Exhibit 99.
