Edgar Filing: CABOT MICROELECTRONICS CORP - Form 8-K

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

(b) On January 29, 2005, Juan Enriquez-Cabot notified Cabot Microelectronics Corporation's Board of Directors (the "Board") of his intention to resign from the Board if, and as of the date that, he is elected to the board of directors of Cabot Corporation, to which he has been nominated for election at Cabot Corporation's upcoming annual meeting of stockholders scheduled for March 10, 2005. Mr. Enriquez-Cabot told the Board that in accordance with the principles of good corporate governance and maintaining the independent status of Cabot Microelectronics' non-employee directors, he believes it is appropriate to resign from the Board at such time as he is elected to Cabot Corporation's board of directors, given that Cabot Corporation is a material supplier of key raw materials to Cabot Microelectronics.

Item 1.01 Entry into a Material Definitive Agreement

Due to Mr. Enriquez-Cabot's decision, if he is elected to Cabot Corporation's board of directors, his termination of service date will be March 10, 2005, which is to occur one, two, and three days, respectively, ahead of the dates upon which a total of 5,625 options of Mr. Enriquez-Cabot's options would otherwise vest. As a result, on January 29, 2005, Cabot Microelectronics, pursuant to approval of the Board and the Nominating and Corporate Governance Committee of the Board, amended three option grant agreements between Mr. Enriquez-Cabot and Cabot Microelectronics to accelerate the vesting of these 5,625 options to March 10, 2005 that would otherwise have vested on March 11, March 12 and March 13, 2005, in the event of his resignation as of such date. At the time of the amendment, all accelerated options had an option price greater than the fair market value of the shares of the Corporation. All other unvested options will terminate upon his termination of service.
