Item 1.01. Entry into a Material Definitive Agreement.

Reincorporation Merger Agreement

On September 22, 2005, Valley Forge Scientific Corp., a Pennsylvania corporation (the term "Valley Forge Pennsylvania" will be used throughout this Current Report to refer to Valley Forge Scientific Corp. and Synergetics, Inc., the combined company, post merger; references to "Valley Forge Scientific Corp." shall mean Valley Forge Scientific Corp., pre-merger) and VFSC Delaware, Inc., a Delaware corporation and a wholly-owned subsidiary of Valley Forge Pennsylvania, entered into an Agreement and Plan of Reincorporation Merger (the "Reincorporation Merger Agreement"). Under the terms of the Reincorporation Merger Agreement, Valley Forge Pennsylvania merged with and into VFSC Delaware, Inc., with VFSC Delaware, Inc. succeeding to all of the rights, properties, assets and liabilities of Valley Forge Pennsylvania (the "Reincorporation Merger").

In accordance with Pennsylvania law, the affirmative vote of the holders of a majority of Valley Forge Scientific Corp. common stock represented and voting at the Annual Meeting of Shareholders of Valley Forge Scientific Corp. (the "Valley Forge Annual Meeting") was required to approve the Reincorporation Merger. The requisite shareholder vote was received at the Valley Forge Annual Meeting held on September 19, 2005, and the Reincorporation Merger was completed on September 22, 2005. Upon consummation of the Reincorporation Merger, and pursuant to the terms of the Reincorporation Merger Agreement, VFSC Delaware, Inc. changed its name to Synergetics USA, Inc. (the "Registrant"). The Registrant's common stock will continue to trade on The Nasdaq SmallCap Market under the symbol SURG.

Pursuant to the Reincorporation Merger Agreement, the Amended and Restated Certificate of Incorporation and Bylaws of VFSC Delaware, Inc. in effect immediately before the consummation of the Reincorporation Merger became the Amended and Restated Certificate of Incorporation and Bylaws of the Registrant immediately upon consummation of the Reincorporation Merger. Valley Forge Pennsylvania's officers and directors immediately before consummation of the Reincorporation Merger became the officers and directors of the Registrant immediately upon consummation of the Reincorporation Merger, until their successors are duly elected and qualified, or until their earlier death, resignation or removal. Each outstanding share of Valley Forge Pennsylvania common stock, no par value per share, was automatically converted into one share of the Registrant's common stock, \$0.001 par value per share. Each stock certificate representing issued and outstanding shares of Valley Forge Pennsylvania's common stock will continue to represent the same number of shares of common stock of the Registrant. While former holders of Synergetics, Inc. (see discussion under Item 2.01 below) common stock are required to exchange their stock certificates for stock certificates of the Registrant, former holders of Valley Forge Pennsylvania common stock are not required to exchange their stock certificates for stock certificates of the Registrant.

A copy of the Reincorporation Merger Agreement is filed as Exhibit 2.1 to this Current Report and is incorporated herein by reference. The foregoing summary of the terms of the Reincorporation Merger Agreement is qualified in its entirety by reference to Exhibit 2.1.

Amendment to 2001 Stock Plan

At the Valley Forge Annual Meeting, the Valley Forge Scientific Corp. shareholders approved an amendment to the 2001 Stock Plan (the "2001 Plan") by the requisite affirmative vote of the holders of a majority of shares of Valley Forge Scientific Corp. common stock represented and voting at the Valley Forge Annual Meeting. The 2001 Plan authorizes the grant of options to employees, officers and

Table of Contents

executives of, and consultants and advisors to, Valley Forge Scientific Corp. and any of its subsidiaries. Pursuant to the Merger (as defined in Item 2.01 below), employees, officers and executives of, and consultants and advisors to, the Registrant and any of its subsidiaries will be eligible to participate in the 2001 Plan.

Prior to the approval of the amendment, the 2001 Plan had an aggregate of 345,000 shares of Valley Forge Scientific Corp. common stock available for issuance pursuant to awards granted under the plan. As of the record date of the Valley Forge Annual Meeting, 195,000 shares of Valley Forge Scientific Corp. common stock remained available for issuance under the plan. In connection with the Merger, Valley Forge Scientific Corp. agreed to assume 37,500 options to acquire Synergetics, Inc. common stock granted under the Synergetics Incentive Stock Option Plan and grant 172,125 options to the former holders of Synergetics, Inc. stock options in exchange therefor. Accordingly, the amendment to the 2001 Plan increases the number of shares authorized for issuance upon exercise of options granted under the 2001 Plan to 1,345,000 shares. In addition, the amendment increases the maximum number of shares of Valley Forge Scientific Corp. s common stock that may be issued to such participants in a calendar year to 100,000 shares.

The Registrant intends to file a post-effective amendment to the Registration Statement on Form S-8 filed on October 26, 2001 to register the additional shares approved for issuance by the amendment to the 2001 Plan and, in accordance with Rule 414(d) of the Securities Act of 1933, to adopt such Registration Statement as its own. Thus, shares issued to participants upon exercise of options granted under the 2001 Plan will be shares of the Registrant s common stock.

A copy of the 2001 Plan is attached as Annex C to the Registrant s Registration Statement on Form S-4/A filed on August 12, 2005. The foregoing summary of the terms of the 2001 Plan is qualified in its entirety by reference to such Annex C and the more complete description of the 2001 Plan beginning on page 168 of such Registration Statement. Such description is incorporated herein by reference.

2005 Non-Employee Directors Stock Option Plan

At the Valley Forge Annual Meeting, the Valley Forge Scientific Corp. shareholders also approved the adoption of the 2005 Non-Employee Directors Stock Option Plan (the 2005 Plan) by the requisite affirmative vote of the holders of a majority of shares of Valley Forge Scientific Corp. common stock represented and voting at the Valley Forge Annual Meeting.

The 2005 Plan authorizes the grant of options to non-employee directors of Valley Forge Scientific Corp. and authorizes automatic grants and discretionary grants of nonstatutory stock options to non-employee directors of Valley Forge Scientific Corp. who are not members of the immediate family of an employee or director of Valley Forge Scientific Corp. Pursuant to the Merger, the Registrant s non-employee directors meeting the eligibility requirements will be eligible to participate in the 2005 Plan. The total number of shares authorized for issuance under the 2005 Plan is 200,000 shares.

The Registrant intends to file a Registration Statement on Form S-8 registering 200,000 shares for issuance under the 2005 Plan. Thus, shares issued to participants upon exercise of options granted under the 2005 Plan will be shares of the Registrant s common stock.

A copy of the 2005 Plan is attached as Annex D to the Registrant s Registration Statement on Form S-4/A filed on August 12, 2005. The foregoing summary of the terms of the 2005 Plan is qualified in its entirety by reference to such Annex D and the more complete description of the 2001 Plan

Item 2.01. Completion of Acquisition or Disposition of Assets.

Completion of the Merger with Synergetics, Inc.

On September 21, 2005, Valley Forge Scientific Corp., a Pennsylvania corporation, and Synergetics, Inc., a privately-held Missouri corporation, completed their merger (the Merger) pursuant to the terms and conditions of the Agreement and Plan of Merger, dated May 2, 2005, as subsequently amended (the Merger Agreement). The Merger Agreement is described in the Registrant's Current Report on Form 8-K filed May 4, 2005. Amendments to the Merger Agreement are described in the Registrant's Current Reports on Form 8-K filed June 3, 2005 and July 15, 2005. Such descriptions are incorporated herein by reference. The combined company, post-merger, is referred to throughout this Current Report as Valley Forge Pennsylvania.

At the Valley Forge Annual Meeting on September 19, 2005, the Valley Forge Scientific Corp. shareholders, among other things, approved an amendment to the Articles of Incorporation of Valley Forge Scientific Corp. and a proposal to approve the issuance of shares of Valley Forge Scientific Corp.'s common stock in connection with the Merger Agreement. For a more complete discussion, please see Item 5.03 below.

The Valley Forge Scientific Corp. shareholders did not receive consideration directly from the Merger. Each share of Valley Forge Scientific Corp. common stock and each option, warrant and other right to acquire Valley Forge Scientific Corp. common stock remained outstanding.

Pursuant to the terms of the Merger Agreement, shareholders of Synergetics, Inc. common stock received, in the aggregate, 15,973,912 shares of Valley Forge Scientific Corp. common stock, or 4.59 Valley Forge Scientific Corp. shares for each share of Synergetics, Inc. Following consummation of the Merger, Synergetics Inc.'s former shareholders own approximately 66% of Valley Forge Pennsylvania's outstanding common stock. In lieu of receiving fractional shares of Valley Forge Scientific Corp. common stock, Synergetics Inc. shareholders will receive cash in an amount equal to such fraction multiplied by the closing price reported on The Nasdaq SmallCap Market for Valley Forge Scientific Corp. common stock on the trading day immediately preceding the effective date of the Merger. Each option, warrant or other right to acquire Synergetics, Inc. capital stock outstanding immediately prior to the Merger automatically became an option, warrant or other right to acquire shares of Valley Forge Scientific Corp. common stock. The number of shares of the Registrant's common stock that may be acquired under such options will be appropriately adjusted to give effect to the exchange ratio in the Merger.

Completion of Reincorporation Into Delaware

On September 22, 2005, the Registrant consummated its reincorporation into the State of Delaware through a merger of Valley Forge Pennsylvania with and into VFSC Delaware, Inc. pursuant to the terms of the Reincorporation Merger Agreement (as described in Item 1.01 above). Each outstanding share of Valley Forge Pennsylvania common stock was automatically converted into one share of common stock of VFSC Delaware, Inc. Each stock certificate representing issued and outstanding shares of Valley Forge Pennsylvania common stock (unless otherwise exchanged in connection with the Merger) will continue to represent the same number of shares of common stock of VFSC Delaware, Inc. The

Table of Contents

foregoing summary is qualified in its entirety by reference to the text of the Reincorporation Merger Agreement, which is incorporated herein by reference to Exhibit 2.1 to this Current Report.

Item 3.03. Material Modification to Rights of Security Holders.

In connection with the Reincorporation Merger completed on September 22, 2005, the rights of the Registrant's shareholders, which prior to the Reincorporation Merger were governed by Pennsylvania law and by the Articles of Incorporation and Bylaws of Valley Forge Pennsylvania, are now governed by Delaware law and by the Amended and Restated Certificate of Incorporation and Bylaws of the Registrant. Certain differences in the rights of shareholders arise from distinctions between Pennsylvania and Delaware law, as well as from differences between the charter instruments of Valley Forge Pennsylvania and the Registrant. These differences are more fully described in the section entitled "Comparison of Rights of Holders and Corporate Governance Matters" beginning on page 143 of the Registrant's Registration Statement on Form S-4/A filed on August 12, 2005, which section is incorporated herein by reference.

Also in connection with the Merger and the Reincorporation Merger, shares of the Registrant's common stock are now represented by the Registrant's stock certificate, a form of which is filed as Exhibit 4.1 with this Current Report. While former Valley Forge Pennsylvania shareholders are not required to exchange their stock certificates for the new stock certificates of the Registrant, former shareholders of Synergetics, Inc. common stock must exchange their stock certificates representing shares of Synergetics, Inc. common stock for the new stock certificates of the Registrant.

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

Prior to the Merger, on September 14, 2005, Valley Forge Scientific Corp. announced the death of former director Dr. Leonard I. Malis, more fully described in the Registrant's Current Report filed on September 14, 2005 and the press release filed as Exhibit 99.1 thereto; such description and press release are incorporated herein by reference.

Press Releases

On September 22, 2005, Valley Forge Pennsylvania issued a press release announcing the completion of the Reincorporation Merger and the change in the surviving corporation's name to Synergetics USA, Inc., as described in Item 1.01 above.

On September 23, 2005, the Registrant issued a press release announcing that Innovatech Surgical, Inc. voluntarily dismissed its lawsuit against Synergetics, Inc. and Gregg D. Scheller on September 22, 2005. This suit was originally filed by Innovatech on July 14, 2005 in the United States District Court, District of New Jersey. Innovatech, a company formed by Charles Richard Hurst, Jr. and Michael McGowan, two ex-employees of Synergetics, is a competitor of Synergetics and a strategic partner and supplier to Iridex, also a competitor to Synergetics.

Innovatech's claims of false advertising, commercial disparagement, trade libel, injurious falsehood and unfair competition related primarily to a lawsuit filed in February, 2004 by Synergetics against Hurst and McGowan (Synergetics, Inc. v. Charles Richard Hurst, Jr. and Michael McGowan, Case No. 4:04-CV-318DDN) in which Synergetics alleged that Hurst and McGowan misappropriated trade secrets, intentionally interfered with Synergetics business relationships, breached confidentiality agreements and breached fiduciary duties, including the duty of loyalty. This press release also announced that on September 20, 2005, a federal jury found unanimously that Hurst and McGowan were liable and awarded Synergetics \$1,759,165 in actual damages and \$586,388 in punitive damages.
