PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On January 4, 2008, the registrant completed the sale of a business unit, its Mobility Software Group (MSG), to Smith Micro Software, Inc. In the transaction documents for the sale of the unit, the registrant agreed to undertake the preparation and delivery to the buyer of financial statements for the unit as an autonomous business to enable the buyer to satisfy its public disclosure reporting requirements. In addition, the registrant is required to present its financial results for MSG in its financial statements as discontinued operations for the three fiscal years 2005, 2006 and 2007. The level of activity required to accomplish these requirements and the time required for the attendant audit of the registrant's financial statements have resulted in the need to delay the filing of the registrant's annual report on Form 10-K for the year ended December 31, 2007 beyond the prescribed filing date. The registrant anticipates that it will be able to file its completed annual report on Form 10-K not later than March 30, 2008.
