- (1) Pursuant to Rule 429 under the Securities Act of 1933, as amended (the “Securities Act”), the prospectus contained in this Registration Statement is a combined prospectus relating to (i) \$50,000,000 aggregate maximum offering price of primary offering securities and 5,440,855 shares of common stock to be offered for resale by selling stockholders registered hereunder and (ii) 18,261,544 shares of common stock to be offered for resale by selling stockholders, which are registered and remain unsold under Registration Statement No. 333-165483 filed by Dice Holdings, Inc. (the “Company”) on March 15, 2010, as amended, and declared effective by the Securities and Exchange Commission on May 18, 2010 (the “Prior Registration Statement”).
- (2) With regard to the securities included in the primary offering made hereby, the amount to be registered is not specified as to each class of securities to be registered pursuant to General Instruction II.D. An indeterminate aggregate initial offering price or number of shares of common stock or preferred stock of the Company is being registered as may from time to time be issued at currently indeterminable prices. Securities registered hereunder may be sold separately or together with other securities registered hereunder. With regard to the securities included in the secondary offering made hereby, pursuant to Rule 416 under the Securities Act, this registration statement shall be deemed to cover an indeterminate number of additional securities to be offered as a result of stock splits, stock dividends or similar transactions.

- (4) With regard to the securities included in the primary offering made hereby, estimated solely for purposes of calculating the registration fee pursuant to Rule 457(a) under the Securities Act.

Material Relationships with Selling Stockholders

John Benson, who is a selling stockholder under this prospectus and any accompanying prospectus supplement, is an officer of the Company.

Institutional Shareholder Agreement

The Company, the General Atlantic Stockholders, the Quadrangle Stockholders (and together with the General Atlantic Stockholders, the “Principal Stockholders”) and certain of our directors and officers, including Brian Campbell, Michael P. Durney, Scot W. Melland, Constance Melrose and Kent Thompson, as well as Thomas Silver, who are selling stockholders under this prospectus and any accompanying prospectus supplement (the “Management Stockholders”) are party to the Institutional and Management Shareholder Agreement, dated July 23, 2007 (the “Institutional Shareholder Agreement”). The Institutional Shareholder Agreement contains restrictions on the ability of the Principal Stockholders and the Management Stockholders to transfer shares of our common stock and provisions related to registration rights granted to such stockholders.

In addition, the Institutional Shareholder Agreement contains provisions related to the composition of our board of directors and the committees of our board of directors and our corporate governance. Specifically, the Institutional Shareholder Agreement requires that the board consist of at least eight directors, one of whom must be our Chief Executive Officer. Under the Institutional Shareholder Agreement, each of the Principal Stockholders has the right to designate up to (1) three members of our board of directors if such Principal Stockholder owns 17.5% or more of our common stock, (2) two members of our board of directors if it owns less than 17.5% but at least 10% of our common stock and (3) one member of our board of directors if it owns less than 10% but at least 5% of our common stock. Each Principal Stockholder has agreed to vote its shares in favor of the directors designated by the other Principal Stockholder in accordance with the terms of the Institutional Shareholder Agreement. Initially, the Principal Stockholders each only designated two members to our board of directors. Currently, Peter Ezersky has been designated as a member of our board of directors by the Quadrangle Stockholders and H. Raymond Bingham and David Hodgson have been designated as members of our board of directors by the General Atlantic Stockholders. If both Principal Stockholders hold less than 5% of our common stock, these provisions terminate.

Restrictions on Transfer

Under the Institutional Shareholder Agreement, neither of the Principal Stockholders may sell or transfer shares of our capital stock (except for transfers to certain permitted transferees or certain block sale transfers) without the consent of the other Principal Stockholder. Additionally, the Principal Stockholders and the Management Stockholders have agreed not to sell any shares during the period beginning 14 days prior to the effective date of a registration statement filed in connection with the exercise of demand or piggyback registration rights by any stockholder until the earlier of (1) 90 days after any public offering and (2) the expiration of the underwriters lock-up period for the applicable offering, provided that the Principal Stockholders and Management Stockholders have agreed that notwithstanding this provision, they will remain subject to the terms of any underwriter lock-up agreement for the applicable offering.

Other Provisions

Under the Institutional Shareholder Agreement, we have agreed that the doctrine of “corporate opportunity” will not apply against our Principal Stockholders in a manner that would prohibit them from investing in competing businesses or doing business with our clients and customers.

The Institutional Shareholder Agreement requires us to deliver to each stockholder who is a party to the agreement and owns 5% or more of our common stock in the aggregate certain monthly financial statements as soon as

practicable after they are available, subject to customary confidentiality provisions. Additionally, except to the extent available on the SEC's EDGAR system, we are required to deliver to each stockholder who is a party to the agreement and owns 5% or more of our common stock copies of all financial statements, reports, notices and proxy statements and all regular and periodic reports, and registration statements or prospectuses filed by us with the SEC.

Registration Rights

Under the Institutional Shareholder Agreement, each of the Principal Stockholders is entitled to certain demand registration rights, including the right to require us to effect a shelf registration if we are eligible to file registration statements on Form S-3.

Under the Institutional Shareholder Agreement, in a demand registration, the non-requesting Principal Stockholder and the Management Stockholders are entitled to piggyback registration rights with respect to any registration request made by a Principal Stockholder, subject to limited exceptions. If the registration requested by a Principal Stockholder is in the form of an underwritten offering, and if the managing underwriter of the offering determines that the number of securities proposed to be offered would have an adverse affect on the offering, the number of shares included in the offering will be determined as follows:

- first, shares offered by the Principal Stockholders and the Management Stockholders (but only to the extent such shares were not acquired pursuant to the exercise of options);

Table of Contents

- second, shares offered by any other stockholders (pro rata, based on the number of their respective shares requested to be included in such offering); and
- third, shares offered by us for our own account.

The Institutional Shareholder Agreement also provides that each Principal Stockholder and Management Stockholder is entitled to piggyback registration rights with respect to any registration initiated by us, subject to certain limited exceptions. If we initiate a registration in the form of an underwritten offering, and if the managing underwriter of the offering determines that the number of securities proposed to be offered would have an adverse affect on the offering, then the number of shares included in the offering shall be determined as follows:

- first, shares offered by us for our own account;
- second, shares requested to be included by the Principal Stockholders and the Management Stockholders (pro rata, based on the number of their respective shares requested to be included in such offering); and
- third, shares offered by any other stockholders (pro rata, based on the number of their respective shares requested to be included in such offering).

The Principal Stockholders and certain of the Management Stockholders are exercising registration rights in connection with the resale of the common shares owned by them in this prospectus and accompanying prospectus supplement.

In any registration, including the resale of the common shares owned by them in this prospectus and accompanying prospectus supplement, we have agreed to indemnify the participating Principal Stockholders and Management Stockholders and to pay all registration expenses (other than underwriting discounts and commissions and certain legal expenses of the selling stockholders).

Block Sales

Under the Institutional Shareholder Agreement, a Principal Stockholder may request to sell common stock in a block sale, provided that the Principal Stockholder gives written notice to us and the other Principal Stockholder. The other Principal Stockholder will then have the right to participate in the block sale on a proportional basis with the requesting Principal Stockholder. Each Principal Stockholder may make up to two block sales in any one year period, and each block sale must recognize proceeds of at least \$20 million. These provisions terminate with respect to a Principal Stockholder if it owns less than 10% of our common stock.

DESCRIPTION OF CAPITAL STOCK

General

The following description of our capital stock summarizes certain terms and provisions of our common stock and preferred stock, par value \$0.01 per share, to which any prospectus supplement may relate. This section also summarizes relevant provisions of Delaware law. The following description of our common stock and preferred stock does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the applicable provisions of Delaware law and our Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws, copies of which have been filed with the SEC as exhibits to the registration statement of which this prospectus forms a part.

Capital Stock

As of the date of this prospectus, our authorized capital stock consists of 240,000,000 shares of common stock, par value \$0.01 per share, and 20,000,000 shares of preferred stock, par value \$0.01 per share. As of October 25, 2013, we had 54,586,474 outstanding shares of common stock, excluding 1,742,626 shares of restricted stock, and no shares of preferred stock outstanding.

As of October 25, 2013, there were approximately 37 holders of record of our common stock.

Common Stock

The holders of our common stock are entitled to one vote per share on all matters submitted to a vote of stockholders, including the election of directors. Holders of the common stock do not have any preemptive rights or cumulative voting rights, which means that the holders of a majority of the outstanding common stock voting for the election of directors can elect all directors then being elected. The holders of our common stock are entitled to receive dividends when, as, and if declared by our board out of legally available funds. Upon our liquidation or dissolution, the holders of common stock will be entitled to share ratably in those of our assets that are legally available for distribution to stockholders after payment of liabilities and subject to the prior rights of any holders of preferred stock then outstanding. All of the outstanding shares of common stock are, and the shares of common stock to be sold in this offering when issued and paid for will be, fully paid and nonassessable. The rights, preferences and privileges of holders of common stock are subject to the rights of the holders of shares of any series of preferred stock that may be issued in the future.

Preferred Stock

We are authorized to issue up to 20,000,000 shares of preferred stock. Our board of directors is authorized, subject to limitations prescribed by Delaware law and our Amended and Restated Certificate of Incorporation, to determine the terms and conditions of the preferred stock, including whether the shares of preferred stock will be issued in one or more series, the number of shares to be included in each series and the powers, designations, preferences and rights of the shares. Our board of directors is also authorized to designate any qualifications, limitations or restrictions on the shares without any further vote or action by the stockholders. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of our Company and may adversely affect the voting and other rights of the holders of our common stock, which could have an adverse impact on the market price of our common stock.

Certain Certificate of Incorporation, By-Law and Statutory Provisions

The provisions of our Amended and Restated Certificate of Incorporation and Amended and Restated By-laws and of the Delaware General Corporation Law summarized below may have an anti-takeover effect and may delay, defer or prevent a tender offer or takeover attempt of the Company.

Directors' Liability; Indemnification of Directors and Officers

Our Amended and Restated Certificate of Incorporation provides that a director will not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except:

- for any breach of the duty of loyalty;
- for acts or omissions not in good faith or which involve intentional misconduct or knowing violations of law;
- for liability under Section 174 of the Delaware General Corporation Law (relating to unlawful dividends, stock repurchases, or stock redemptions); or
 - for any transaction from which the director derived any improper personal benefit.

Table of Contents

This provision does not limit or eliminate our rights or those of any stockholder to seek non-monetary relief such as an injunction or rescission in the event of a breach of a director's duty of care. The provisions do not alter the liability of directors under federal securities laws. In addition, our Amended and Restated Certificate of Incorporation and Amended and Restated By-laws provide that we indemnify each director and the officers, employees, and agents determined by our board of directors to the fullest extent provided by the laws of the State of Delaware.

Corporate Opportunity

Our Amended and Restated Certificate of Incorporation also provides that the doctrine of "corporate opportunity" will not apply against our Principal Stockholders in a manner that would prohibit them from investing in competing businesses or doing business with our clients or customers. See "Risk Factors—We are controlled by two groups of principal stockholders, as well as management stockholders, whose interest in our business may be different than yours" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012 incorporated by reference in this prospectus.

Special Meetings of Stockholders

Our Amended and Restated Certificate of Incorporation provides that special meetings of stockholders may be called only by the chairman or by a majority of the members of our board. Stockholders are not permitted to call a special meeting of stockholders, to require that the chairman call such a special meeting, or to require that our board request the calling of a special meeting of stockholders.

Stockholder Action; Advance Notice Requirements for Stockholder Proposals and Director Nominations

Our Amended and Restated Certificate of Incorporation provides that stockholders may not take action by written consent, but may only take action at duly called annual or special meetings, unless the action to be effected by written consent and the taking of such action by written consent have expressly been approved in advance by the board. In addition, our Amended and Restated By-laws establish advance notice procedures for:

- stockholders to nominate candidates for election as a director; and
- stockholders to propose topics for consideration at stockholders' meetings.

Stockholders must notify our corporate secretary in writing prior to the meeting at which the matters are to be acted upon or directors are to be elected. The notice must contain the information specified in our by-laws. To be timely, the notice must be received at our corporate headquarters not less than 90 days nor more than 120 days prior to the first anniversary of the date of the prior year's annual meeting of stockholders. If the annual meeting is advanced by more than 30 days, or delayed by more than 70 days, from the anniversary of the preceding year's annual meeting, or if no annual meeting was held in the preceding year or for the first annual meeting following this offering, notice by the stockholder, to be timely, must be received not earlier than the 120th day prior to the annual meeting and not later than the later of the 90th day prior to the annual meeting or the 10th day following the day on which we notify stockholders of the date of the annual meeting, either by mail or other public disclosure. In the case of a special meeting of stockholders called to elect directors, the stockholder notice must be received not earlier than 120 days prior to the special meeting and not later than the later of the 90th day prior to the special meeting or 10th day following the day on which we notify stockholders of the date of the special meeting, either by mail or other public disclosure. Notwithstanding the above, in the event that the number of directors to be elected to the board at an annual meeting is increased and we do not make any public announcement naming the nominees for the additional directorships at least 100 days before the first anniversary of the preceding year's annual meeting, a stockholder notice of nomination shall also be considered timely, but only with respect to nominees for the additional directorships, if it is delivered not later

than the close of business on the 10th day following the day on which such public announcement is first made. These provisions may preclude some stockholders from bringing matters before the stockholders at an annual or special meeting or from nominating candidates for director at an annual or special meeting.

Election and Removal of Directors

Our board is divided into three classes. The directors in each class serve for a three-year term, one class being elected each year by our stockholders. Our stockholders may only remove directors for cause and with the vote of at least 66 $\frac{2}{3}$ % of the total voting power of our issued and outstanding capital stock entitled to vote in the election of directors. Our board of directors may elect a director to fill a vacancy, including vacancies created by the expansion of the board of directors. This system of electing and removing directors may discourage a third party from making a tender offer or otherwise attempting to obtain control of us, because it generally makes it more difficult for stockholders to replace a majority of our directors.

Our Amended and Restated Certificate of Incorporation and Amended and Restated By-laws do not provide for cumulative voting in the election of directors.

Table of Contents

Amendment of the Certificate of Incorporation and By-Laws

Our Amended and Restated Certificate of Incorporation provides that the affirmative vote of the holders of at least 66 2/3% of the voting power of our issued and outstanding capital stock entitled to vote in the election of directors, is required to amend the following provisions of our Amended and Restated Certificate of Incorporation:

- the provisions relating to our classified board of directors;
- the provisions relating to the number and election of directors, the appointment of directors upon an increase in the number of directors or vacancy, and the provisions relating to the removal of directors;
- the provisions requiring a 66 % stockholder vote for the amendment of certain provisions of our articles of incorporation and for the adoption, amendment or repeal of our by-laws;
 - the provisions relating to the restrictions on stockholder actions by written consent; and
 - the provisions relating to the calling of meetings of stockholders.

In addition, the board of directors is permitted to alter our by-laws without obtaining stockholder approval and the affirmative vote of holders of at least 66 % of the voting power of our issued and outstanding capital stock entitled to vote in the election of directors will be required for any amendment to our by-laws by the stockholders.

Anti-Takeover Provisions of Delaware Law

We are subject to the provisions of Section 203 of the Delaware General Corporation Law. In general, Section 203 prevents an interested stockholder (defined generally as a person owning 15% or more of the corporation's outstanding voting stock) of a Delaware corporation from engaging in a business combination (as defined) for three years following the date that person became an interested stockholder unless various conditions are satisfied.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare Trust Company, N.A.

PLAN OF DISTRIBUTION

We or the selling stockholders may offer and sell the securities in any one or more of the following ways:

- to or through underwriters, brokers or dealers;
- directly to one or more other purchasers;
- through a block trade in which the broker or dealer engaged to handle the block trade will attempt to sell the securities as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- through agents on a best-efforts basis; or
- otherwise through a combination of any of the above methods of sale.

In addition, we or the selling stockholders may enter into option, share lending or other types of transactions that require us or such selling stockholders, as applicable, to deliver shares of common stock to an underwriter, broker or dealer, who will then resell or transfer the shares of common stock under this prospectus. We or the selling stockholders may also enter into hedging transactions with respect to our securities or the securities of such selling stockholders, as applicable. For example, we or the selling stockholders may:

- enter into transactions involving short sales of the shares of common stock by underwriters, brokers or dealers;
 - sell shares of common stock short and deliver the shares to close out short positions;
- enter into option or other types of transactions that require us or the selling stockholders, as applicable, to deliver shares of common stock to an underwriter, broker or dealer, who will then resell or transfer the shares of common stock under this prospectus; or
- loan or pledge the shares of common stock to an underwriter, broker or dealer, who may sell the loaned shares or, in the event of default, sell the pledged shares.

Any selling stockholder will act independently of us in making decisions with respect to the timing, manner and size of each sale of shares of common stock covered by this prospectus.

We or the selling stockholders may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by us or such selling stockholders, as applicable, or borrowed from us, such selling stockholders or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from us or selling stockholders in settlement of those derivatives to close out any related open borrowings of stock. The third party in such sale transactions will be an underwriter and, if not identified in this prospectus, will be identified in the applicable prospectus supplement (or a post-effective amendment). In addition, we or the selling stockholders may otherwise loan or pledge securities to a financial institution or other third party that in turn may sell the securities short using this prospectus. Such financial institution or other third party may transfer its economic short position to investors in our securities or the securities of such selling stockholders, as applicable, or in connection with a concurrent offering of other securities.

Shares of common stock may also be exchanged for satisfaction of the selling stockholders' obligations or other liabilities to their creditors. Such transactions may or may not involve brokers or dealers.

Each time we or the selling stockholders sell securities, we will provide a prospectus supplement that will name any underwriter, dealer or agent involved in the offer and sale of the securities. The prospectus supplement will also set forth the terms of the offering, including:

- the purchase price of the securities and the proceeds we and/or such selling stockholders, as applicable, will receive from the sale of the securities;
 - any underwriting discounts and other items constituting underwriters' compensation;
- any public offering or purchase price and any discounts or commissions allowed or re-allowed or paid to dealers;

Table of Contents

- any commissions allowed or paid to agents;
- any other offering expenses;
- any securities exchanges on which the securities may be listed;
- the method of distribution of the securities;
- the terms of any agreement, arrangement or understanding entered into with the underwriters, brokers or dealers; and
- any other information we think is important.

If underwriters or dealers are used in the sale, the securities will be acquired by the underwriters or dealers for their own account. The securities may be sold from time to time by us or the selling stockholders in one or more transactions:

- at a fixed price or prices, which may be changed;
- at market prices prevailing at the time of sale;
- at prices related to such prevailing market prices;
- at varying prices determined at the time of sale; or
- at negotiated prices.

Such sales may be effected:

- in transactions on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale;
- in transactions in the over-the-counter market;
- in block transactions in which the broker or dealer so engaged will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction, or in crosses, in which the same broker acts as an agent on both sides of the trade;
- through the writing of options; or
- through other types of transactions.

The securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. Unless otherwise set forth in the prospectus supplement, the obligations of underwriters or dealers to purchase the securities offered will be subject to certain conditions precedent and the underwriters or dealers will be obligated to purchase all the offered securities if any are purchased. Any public offering price and any discount or concession allowed or reallocated or paid by underwriters or dealers to other dealers may be changed from time to time.

The selling stockholders might not sell any shares of common stock under this prospectus. In addition, any shares of common stock covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

The securities may be sold directly by us or the selling stockholders or through agents designated by us or such selling stockholders, as applicable, from time to time. Any agent involved in the offer or sale of the securities in respect of which this prospectus is delivered will be named, and any commissions payable by us or such selling stockholders, as applicable, to such agent will be set forth in, the prospectus supplement. Unless otherwise indicated in the prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

Offers to purchase the securities offered by this prospectus may be solicited, and sales of the securities may be made by us or by selling stockholders directly to institutional investors or others, who may be deemed to be underwriters within the meaning of the

Table of Contents

Securities Act with respect to any resale of the securities. The terms of any offer made in this manner will be included in the prospectus supplement relating to the offer.

If indicated in the applicable prospectus supplement, underwriters, dealers or agents will be authorized to solicit offers by certain institutional investors to purchase securities from us pursuant to contracts providing for payment and delivery at a future date. Institutional investors with which these contracts may be made include, among others:

- commercial and savings banks;
- insurance companies;
- pension funds;
- investment companies; and
- educational and charitable institutions.

In all cases, these purchasers must be approved by us or the selling stockholders, as applicable. Unless otherwise set forth in the applicable prospectus supplement, the obligations of any purchaser under any of these contracts will not be subject to any conditions except that (a) the purchase of the securities must not at the time of delivery be prohibited under the laws of any jurisdiction to which that purchaser is subject, and (b) if the securities are also being sold to underwriters, we or the selling stockholders, as applicable, must have sold to these underwriters the securities not subject to delayed delivery. Underwriters and other agents will not have any responsibility in respect of the validity or performance of these contracts.

Some of the underwriters, dealers or agents used by us or the selling stockholders in any offering of securities under this prospectus may be customers of, engage in transactions with, and perform services for us and/or such selling stockholders, as applicable, or affiliates of ours and/or theirs, as applicable, in the ordinary course of business. Underwriters, dealers, agents and other persons may be entitled under agreements which may be entered into with us and/or the selling stockholders to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act, and to be reimbursed by us and/or such selling stockholders for certain expenses.

Any securities initially sold outside the United States may be resold in the United States through underwriters, dealers or otherwise.

Any underwriters to which offered securities are sold by us or the selling stockholders for public offering and sale may make a market in such securities, but those underwriters will not be obligated to do so and may discontinue any market making at any time.

The anticipated date of delivery of the securities offered by this prospectus will be described in the applicable prospectus supplement relating to the offering.

The maximum compensation we will pay to underwriters in connection with any offering of the securities will not exceed 8% of the maximum proceeds of such offering.

To comply with the securities laws of some states, if applicable, the securities may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the securities may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

Item 15. Indemnification of Directors and Officers.

Section 145(a) of the Delaware General Corporation Law (the “DGCL”) provides, in general, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, because the person is or was a director or officer of the corporation. Such indemnity may be against expenses, including attorneys’ fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and if, with respect to any criminal action or proceeding, the person did not have reasonable cause to believe the person’s conduct was unlawful.

Section 145(b) of the DGCL provides, in general, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director or officer of the corporation, against any expenses (including attorneys’ fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to be indemnified for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145(g) of the DGCL provides, in general, that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation against any liability asserted against the person in any such capacity, or arising out of the person’s status as such, whether or not the corporation would have the power to indemnify the person against such liability under the provisions of the law. Our Amended and Restated Certificate of Incorporation provides that, to the fullest extent permitted by applicable law, a director will not be liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. In addition, our Amended and Restated By-laws provide that we will indemnify each director and officer and may indemnify

employees and agents, as determined by our board, to the fullest extent provided by the laws of the State of Delaware.

The foregoing statements are subject to the detailed provisions of section 145 of the DGCL and our Amended and Restated Certificate of Incorporation and Amended and Restated By-laws.

Section 102 of the DGCL permits the limitation of directors' personal liability to the corporation or its stockholders for monetary damages for breach of fiduciary duties as a director except for (i) any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law, (iii) breaches under section 174 of the DGCL, which relates to unlawful payments of dividends or unlawful stock repurchase or redemptions, and (iv) any transaction from which the director derived an improper personal benefit.

The undersigned registrant hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of

any of the following communications, the registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the registrant or used or referred to by the registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the registrant or its securities provided by or on behalf of the registrant; and

(iv) Any other communication that is an offer in the offering made by the registrant to the purchaser.

(b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 15 or otherwise, the registrant has been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
