SCHEDULE 13D

Page 4 of 7

Item 1. Security and Issuer.

This Schedule 13D relates to the shares of Common Stock, par value \$0.01 per share (the “Shares”), of Independence Contract Drilling, Inc. (the “Issuer”). The principal executive offices of the Issuer are located at 11601 North Galayda Street, Houston, Texas 77086.

Item 2. Identity and Background.

This Schedule 13D is being filed by Sprott Resource Corp., a corporation existing under the laws of Canada (“SRC”), and Sprott Resource Partnership, a general partnership existing under the laws of Ontario, Canada (“Sprott Partnership” and, together with SRC, the “Reporting Persons”). The Shares reported in this Schedule 13D are owned directly by Sprott Partnership, which is controlled by SRC. SRC is an indirect beneficial owner of the reported securities. Each of the Reporting Persons specifically disclaims beneficial ownership in the Shares reported herein except to the extent of its pecuniary interest therein.

The principal business address of each of the Reporting Persons is, and each of their head offices are located at, Royal Bank Plaza, South Tower, 200 Bay Street, Suite 2750, P.O. Box 90, Toronto, Ontario M5J 2J2.

SRC principally invests and operates, through Sprott Partnership, in the natural resource sector. SRC holds all voting partnership units of Sprott Partnership.

The name, citizenship, present principal occupation or employment and business address of each director and executive officer of the Reporting Persons are set forth in Schedule A attached hereto, which is incorporated by reference herein.

Item 3. Source or Amount of Funds or Other Consideration.

The funds used for the purchase of 600,000 Shares in the Issuer’s initial public offering (the “IPO Shares”) were derived from general working capital. A total of approximately \$6.6 million was paid to acquire the IPO Shares. The funds used to acquire the Shares held prior to the Issuer’s initial public offering were derived from general working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business). A total of approximately \$50.0 million was paid to acquire such Shares.

Item 4. Purpose of Transaction.

The Reporting Persons acquired the Shares based on their belief that the Shares represented an attractive investment opportunity. SRC was entitled to appoint a nominee to the Issuer’s board of directors until it became subject to the reporting requirements under the Securities Exchange Act of 1934, as amended (the “1934 Act”). Arthur Einav, an executive officer of SRC, currently serves as such director nominee. Mr. Einav expressly disclaims beneficial ownership over the Shares, except to the extent of his pecuniary interest therein.

Edgar Filing: Independence Contract Drilling, Inc. - Form SC 13D

The Reporting Persons may, from time to time and at any time: (i) acquire additional Shares and/or other equity, debt, notes, instruments or other securities (collectively, "Securities") of the Issuer (or its affiliates) in the open market or otherwise; (ii) dispose

of any or all of their Securities in the open market or otherwise; or (iii) engage in any hedging or similar transactions with respect to the Securities.

Item 5. Interest in Securities of the Issuer.

(a) References to percentage ownerships of Shares in this Schedule 13D are based upon the 22,855,155 Shares issued and outstanding upon the closing of the Issuer's initial public offering on August 13, 2014. The Shares reported in this Schedule 13D are owned directly by Sprott Partnership, which is controlled by SRC. SRC is an indirect beneficial owner of the reported securities. Each of the Reporting Persons specifically disclaims beneficial ownership in the Shares reported herein except to the extent of its pecuniary interest therein. As of the date hereof, each of the Reporting Persons may be deemed to be the beneficial owner of 4,525,000 Shares, constituting approximately 19.8% of the outstanding Shares.

(b) Sprott Partnership has the sole voting power and sole dispositive power with regard to 4,525,000 Shares, and has the shared voting power and shared dispositive power with regard to no additional Shares. SRC, by virtue of holding all voting partnership units of Sprott Partnership (as disclosed in Item 2), has the sole voting power and sole dispositive power with regard to the 4,525,000 Shares, and has the shared voting power and shared dispositive power with regard to no additional Shares.

(c) On August 13, 2014, Sprott Partnership purchased 600,000 Shares in the Issuer's initial public offering at a price of \$11.00 per share.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

On March 2, 2012, the Issuer entered into a registration rights agreement with Global Energy Services Operating, LLC ("GES") and Independence Contract Drilling LLC ("RigAssetCo"), which provides registration rights to GES and RigAssetCo as well as to purchasers of the Issuer's common stock in the private placement that occurred as a condition precedent to the Issuer's acquisition of assets from GES and RigAssetCo. Under this agreement, the Issuer may also be required to file a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), upon written request with respect to shares of the Issuer's common stock owned by GES and RigAssetCo to register such shares, subject to certain limitations. GES and RigAssetCo (and their permitted assigns) may request one and two demand registrations, respectively, and Sprott Partnership may request one demand registration, until their respective shares of common stock are freely tradable without restriction under Rule 144 and these stockholders own less than 5% of the Issuer's common stock. In addition, if the Issuer proposes to register securities under the Securities Act, then GES, RigAssetCo and Sprott Partnership (and their permitted assigns) will have piggy-back rights, subject to quantity limitations determined by underwriters if the offering involves an underwriting, to request that the Issuer register their registrable securities. There is no limit to the number of these piggy-back registrations in which these holders may request their shares be included.

The Issuer generally will bear the registration expenses incurred in connection with registrations, other than underwriting discounts, commissions and certain expenses that will be paid by the selling stockholder. The Issuer has agreed to indemnify these

stockholders against certain liabilities, including liabilities under the Securities Act, in connection with any registration effected under the registration rights agreement. These registration rights will terminate at the earlier of (a) seven years from the closing date of the Issuer's initial public offering or (b) with respect to any holder other than GES, RigAssetCo and Sprott Partnership, the date that all registrable securities held by that holder may be sold in a three-month period without registration under Rule 144 of the Securities Act.

This registration rights agreement provides that, in connection with the Issuer's initial public offering, each current stockholder subject to the registration rights agreement, to the extent requested by the Issuer or the underwriters, will not directly or indirectly sell, offer to sell, grant any option or otherwise transfer or dispose of any registerable securities or other shares of the Issuer's common stock or any securities convertible into or exchangeable or exercisable for shares of the Issuer's common stock then owned by such holder for a period of 180 days following the effective date of this registration statement in the case of the Issuer and each of its officers, directors, managers or employees.

On March 1, 2012, the Issuer entered into a letter agreement with Sprott Partnership and agreed to provide Sprott Partnership with certain financial information reasonably required by Sprott Partnership to fulfill its financial reporting obligations. The Issuer also agreed with GES and RigAssetCo, for so long as Sprott beneficially owns at least 10% of the Issuer's issued and outstanding common stock or until it becomes subject to the reporting requirements under the 1934 Act, to appoint a Sprott nominee to the Issuer's board of directors. Arthur Einav, an executive officer of SRC, currently serves as such director nominee. Mr. Einav expressly disclaims beneficial ownership over the Shares, except to the extent of his pecuniary interest therein.
