Item 5. Interests of Named Experts and Counsel

Item 6. Indemnification.

Under the Company's Certificate of Incorporation, and in accordance with Section 145 of the Delaware General Corporation Law (the Delaware Law), the Company will indemnify any person made or threatened to be made a party to an action or proceeding, whether civil, criminal, administrative or investigative (other than a derivative action by or in the right of the Company to procure a judgment in its favor) by reason of the fact that such person is or was a director or officer of the Company, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorney's fees actually and necessarily incurred as a result of such action or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in (or not opposed to) the best interests of the Company, and, in criminal actions or proceedings, had no reasonable cause to believe was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to amounts paid in settlement and reasonable expenses (including attorneys' fees) incurred in connection with the defense or settlement of such an action and then, where the action is settled or other-wise disposed of or the person is adjudged to be liable to the Company, only if and to the extent the court in which such action was brought or, if none, a court of competent jurisdiction determines that such person is fairly and reasonably entitled to such indemnity and then only for such expenses as the court deems proper.

The Certificate of Incorporation provides that the Company may indemnify a director or officer for the expenses incurred in defending the proceedings specified above, at the conclusion of or in advance of their final disposition or settlement, and on such terms, to such extent, and subject to such conditions as the Board of Directors shall determine. The Certificate of Incorporation also provides that the Company may, in its sole discretion, indemnify any person who is or was one of its employees or agents or any person who is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise to the same degree as the foregoing indemnification of directors and officers. The Certificate of Incorporation also provides that such persons are presumed to be entitled to indemnification, and that the burden of proving that such person is not entitled to indemnification is on the Company. Finally, the Certificate of

Incorporation provides that if a written claim by such person for indemnification is not paid within 30 days, the claimant may bring suit to recover the unpaid amount, and if successful, may recover attorneys' fees and expenses.

In addition, the Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company or another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against and incurred by such person in such capacity, or arising out of the person's status as such whether or not the Company would have the power or obligation to indemnify such person against such liability under the provisions of the Delaware Law. The Company maintains insurance for the benefit of the Company's officers and directors insuring such persons against certain liabilities, including liabilities under the securities laws.

Item 7. Exemption From Registration Claimed

Not applicable.

Item 8. Exhibits.

The Exhibits to this Registration Statement are listed in the Index to Exhibits on Page E-1 of this Registration Statement, which Index is incorporated herein by reference.

Item 9. Undertakings.

The Company hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Table of Contents

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to partners, directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a partner, director, officer or controlling person of the Company in the successful defense of any action suit or proceeding) is asserted by such partner, director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
