**SUNAIR SERVICES CORPORATION AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)**

1. Basis of Consolidated Financial Statement Presentation

The accompanying unaudited condensed consolidated financial statements include the accounts of Sunair Services Corporation and its subsidiaries (the Company), required to be consolidated in accordance with U.S. generally accepted accounting principles (GAAP). The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with the accounting policies described in the September 30, 2008 Annual Report on Form 10-K and should be read in conjunction with the consolidated financial statements and notes thereto.

The unaudited condensed consolidated financial statements for the six and three months ended March 31, 2009 and 2008 included herein have been prepared in accordance with the instructions for Form 10-Q under the Securities Exchange Act of 1934, as amended, and Article 8 of Regulation S-X under the Securities Act of 1933, as amended. Certain information and footnote disclosures normally included in financial statements prepared in conformity with accounting principles generally accepted in the United States of America have been condensed or omitted pursuant to such rules and regulations relating to interim financial statements.

In the opinion of management, the accompanying unaudited condensed consolidated financial statements contain only normal recurring adjustments necessary to present fairly the Company's financial position as of March 31, 2009, and the results of its operations and cash flows for the six and three months ended March 31, 2009 and 2008. Operating results for the six months ended March 31, 2009 are not necessarily indicative of the results that may be expected for the fiscal year ending September 30, 2009.

2. Summary of Significant Accounting Policies

Revenue Recognition

The Company's revenue recognition policies are designed to recognize revenues at the time services are rendered or when goods change hands.

Lawn and ornamental services are primarily recurring in nature on a bi-monthly basis. In general, lawn and ornamental customers sign an initial one year contract, and revenues are recognized when services are rendered. The Company offers a discount to those customers who prepay a full year of services. The Company defers recognition of these advance payments and the related discounts until the underlying services have been rendered.

Pest control services primarily are billed annually with services being rendered on a semi-annual basis. In general, pest control customers sign an initial one year contract. The Company recognizes revenue over the life of these contracts in proportion to the direct costs incurred. These costs have a direct relationship to the fulfillment of the Company's obligations under the contracts and are representative of the value provided to the customer.

Termite baiting is primarily billed annually with revenues recognized as services are rendered. At the inception of a new baiting services contract, the system is installed. The Company recognizes revenue for the installation of the monitoring stations, initial directed liquid termiticide treatment and rendering of the initial monitoring services. The remaining portion of the annual fees billed are deferred and recognized as the remaining inspection and monitoring services are rendered over the annual period. Baiting renewal revenue is deferred and recognized over the annual period when the inspection and monitoring services are actually rendered. Liquid and drywood termite application revenues, both initial and renewal, are recognized when the services are rendered.

Reclassification

Certain reclassifications of amounts previously reported have been made to the accompanying consolidated financial statements in order to maintain consistency and comparability between periods presented.

In September 2008, the Company sold Telecom FM Ltd. (Telecom FM). For purposes of comparability, the results of the operations have been reclassified from continuing operations to discontinued operations for the six and three months ended March 31, 2008 presented in the accompanying condensed consolidated statements of operations. See Note 9 Discontinued Operations.

Recently Adopted Accounting Pronouncements

In September 2006, the FASB issued Statement of Financial Accounting Standards No. 157, *Fair Value Measurements* (FASB No. 157). FASB No. 157 provides guidance for measuring the fair value of assets and liabilities and expands related disclosures. FASB No. 157 defines fair value as the price that would be received to sell an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. FASB No. 157 establishes market or observable inputs as the preferred source of values, followed by assumptions based on hypothetical transactions in the absence of market inputs. Effective October 1, 2008, the Company adopted FASB No. 157 for all financial instruments accounted for at fair value on a recurring basis. The adoption of FASB No. 157 did not have a material effect on the Company's financial condition or operating results. FASB No. 157 established a three level fair value hierarchy to classify the inputs used in measuring fair value as follows:

Level 1: Quoted prices for identical instruments in active markets.

Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-driven valuations whose inputs are observable or whose significant value drivers are observable.

Level 3: Significant inputs to the valuation model are unobservable.

In October 2008, the FASB issued FASB Staff Position No. FAS 157-3, *Determining the Fair Value of a Financial Asset in a Market That Is Not Active* (FSP 157-3), which clarifies the application of FASB No. 157 when the market for a financial asset is inactive.

Specifically, FSP 157-3 clarifies how (1) management's internal assumptions should be considered in measuring fair value when observable data are not present, (2) observable market information from an inactive market should be taken into account, and (3) the use of broker quotes or pricing services should be considered in assessing the relevance of observable and unobservable data to measure fair value. The guidance in FSP 157-3 is effective immediately.

As of March 31, 2009, the Company did not have any financial liabilities or assets that are measured at fair value as defined under FASB No. 157.

In February 2008, the FASB issued FASB Staff Position (FSP) FAS 157-2 deferring the effective date of FASB No. 157 for nonfinancial assets and liabilities to fiscal years beginning after November 15, 2008 (fiscal year ending September 30, 2010 for the Company). FSP 157-2 delays the effective date of FASB No. 157 to fiscal years beginning after November 15, 2008 for all non-financial assets and non-financial liabilities, except for items that are recognized or disclosed at fair value in the financial statements on a recurring basis (at least annually) and will be adopted by the Company beginning in the first quarter of fiscal 2010. Although the Company will continue to evaluate the application of FSP 157-2, management does not currently believe adoption will have a material impact on the Company's financial condition or operating results.

The Company also adopted FASB No. 159, *The Fair Value Option for Financial Assets and Financial Liabilities including an amendment of FASB Statement No. 115* (FASB No. 159), during the first quarter of fiscal 2009. FASB No. 159 allows companies to choose to measure eligible financial instruments and certain other items at fair value that are not required to be measured at fair value. FASB No. 159 requires that unrealized gains and losses on items for which the fair value option has been elected be reported in earnings at each reporting date. The Company adopted FASB No. 159 but has not elected the fair value option for any eligible financial instruments.

Recent Accounting Pronouncements

In June 2008, the FASB issued FSP No. EITF 03-6-1, *Determining Whether Instruments Granted in Share-Based Payment Transactions are Participating Securities*. This FSP provides that unvested share-based payment awards that contain nonforfeitable rights to dividends are participating securities and shall be included in the computation of earnings per share pursuant to the two class method. This FSP is effective for financial statements issued for fiscal years beginning after December 15, 2008 and interim periods within those years. Upon adoption, a company is required to retrospectively adjust its earnings per share data to conform to the provisions in this FSP. The provisions of FSP No. EITF 03-6-1 are effective for the Company retroactively in the first quarter ending December 31, 2009. The Company is in the process of evaluating the impact of FSP No. EITF 03-6-1 on the calculation and presentation of earnings per share in its consolidated financial statements.

Table of Contents

In April 2008, the FASB issued FASB Staff Position (FSP) No. FAS 142-3, *Determination of the Useful Life of Intangible Assets*. FSP No. FAS 142-3 amends the factors that should be considered in developing renewal or extension assumptions used to determine the useful life of a recognized intangible asset under FASB No. 142, *Goodwill and Other Intangible Assets*. This FSP is effective for fiscal years beginning after December 31, 2008 (fiscal year ending September 30, 2010 for the Company), and interim periods within those fiscal years (interim period December 31, 2009 for the Company). Early adoption is prohibited. The Company is currently assessing the impact that FSP No. FAS 142-3 will have on its financial position, cash flows, and results of operations.

In December 2007, the FASB issued SFAS No. 141 (revised 2007) *Business Combinations* (FASB No. 141(R)). FASB No. 141(R) retains the fundamental requirements of the original pronouncement requiring that the purchase method be used for all business combinations. FASB No. 141(R) defines the acquirer as the entity that obtains control of one or more businesses in the business combination, establishes the acquisition date as the date that the acquirer achieves control and requires the acquirer to recognize the assets acquired, liabilities assumed and any non-controlling interest at their fair values as of the acquisition date. FASB No. 141(R) also requires that acquisition-related costs be recognized separately from the acquisition. FASB No. 141(R) is effective for the Company for fiscal year ending September 30, 2010. The Company is currently assessing the impact of FASB No. 141(R) on its consolidated financial position and results of operations.

In December 2007, the FASB issued Statement No. 160, *Noncontrolling Interests in Consolidated Financial Statements – an amendment of ARB No. 51* (FASB No. 160). The objective of FASB No. 160 is to improve the relevance, comparability, and transparency of the financial information that a reporting entity provides in its consolidated financial statements by establishing accounting and reporting standards for the noncontrolling interest in a subsidiary and for the deconsolidation of a subsidiary. This Statement applies to all entities that prepare consolidated financial statements, except not-for-profit organizations. FASB No. 160 amends ARB 51 to establish accounting and reporting standards for the noncontrolling interest in a subsidiary and for the deconsolidation of a subsidiary. It also amends certain of ARB 51 s consolidation procedures for consistency with the requirements of FASB No. 141 (R). This Statement is effective for fiscal years, and interim periods within those fiscal years, beginning on or after December 15, 2008 (that is, January 1, 2009, for entities with calendar year-ends). Earlier adoption is prohibited. The effective date of this Statement is the same as that of the related Statement 141(R). FASB No. 160 will be effective for the Company s fiscal year ending September 30, 2010. This Statement shall be applied prospectively as of the beginning of the fiscal year in which this Statement is initially applied, except for the presentation and disclosure requirements. The presentation and disclosure requirements shall be applied retrospectively for all periods presented. The Company is currently assessing the impact of FASB No. 160 on its consolidated financial statements.

3. Acquisition

On October 2, 2007, Middleton Pest Control, Inc. (Middleton) acquired substantially all the assets of Marshall Pest Control of SW FL, Inc. (Marshall), a lawn and pest control services company located in Naples, Florida for \$1.6 million, consisting of \$1.0 million in cash and \$0.6 million in the form of a promissory note. In addition, the Company incurred working capital adjustments and transaction costs of approximately \$0.3 million.

Expected dividend yield		
Expected price volatility	64.87-65.13%	63.76-64.36%

Expected life of options	4.5-5.25 years	4.5-5.25 years

The Company's computation of the expected volatility for the three months ended March 31, 2009 and 2008 is based primarily upon historical volatility and the expected term of the option. The Company continues to use the simplified method of determining the expected term provided under SAB 110 as sufficient historical data is not available. The interest rate is based on the U.S. Treasury yield in effect at the time of grant for a period commensurate with the estimated expected life.

As of March 31, 2009, approximately \$302,360 of total unrecognized compensation costs related to non-vested stock options is expected to be recognized over a weighted average period of 1.67 years.

Lawsuit filed by the Dissident Group against the Company

On February 19, 2009, Michael Brauser, Dru Schmitt and Michael Herman (the Dissident Group) filed a complaint in the Fifteenth Judicial Circuit Court (Court or the Palm Beach Court) in Palm Beach County, Florida against the Company, Coconut Palm Capital Investors II, Ltd. (Coconut Palm) and Coconut Palm Capital Investors II, Inc. (Coconut Palm Inc.). The claims relate to the Dissident Group's action to take control of the Company by replacing the Company's current Board and replacing it with their six nominees and a claim that certain proxies granted to Coconut Palm Inc. by Mr. Brauser and Mr. Schmitt are not valid.

In the complaint, the Dissident Group demanded that (i) the Company provide it with a copy of the Company's shareholder list as of January 28, 2009, the record date for the Annual Meeting of Shareholders, and pre-addressed mailing labels for the Company's shareholders as of the record date, (ii) the Court issue a declaratory judgment relating to the validity of proxies granted to Coconut Palm Inc. by Mr. Brauser and Mr. Schmitt and (iii) that the Court enjoin the Company's Annual Meeting to be held on March 18, 2009 because the Company's proxy materials contain misrepresentations and omissions of material facts. On March 17, 2009, the Company, Coconut Palm and Coconut Palm Inc. filed a motion to remove the lawsuit to the United States District Court, the Southern District of Florida (Federal Court), which the Palm Beach Court granted two days later. On April 16, 2009, the Dissident Group filed a motion to remand the lawsuit to the state court, the Palm Beach Court, and no hearing date has been set for this motion yet. On March 24, 2009, the Company, Coconut Palm and Coconut Palm Inc. filed a motion to dismiss the lawsuit and the Dissident Group's deadline for responding to this motion is May 18, 2009. The Company believes this lawsuit is without merit and intends to vigorously defend itself.

Complaint filed by the Company against the Dissident Group

On March 12, 2009, the Company filed a complaint in the Federal Court against the Dissident Group and certain other co-defendants for violations of federal securities laws. The complaint relates to actions that have arisen in connection

with the information statement that the Dissident Group filed with the SEC on January 28, 2009, as amended on February 25th, March 6th and March 9, 2009 (collectively, the Information Statement), in which the Dissident Group sought to remove the Company's current Board of Directors and replace it with their nominees.

The complaint alleges that the Dissident Group and certain other co-defendants unlawfully solicited proxies from the Company's shareholders in violation of Section 14(a) and 14(c) of the Exchange Act in connection with their actions to take control of the Company and replace the Company's current Board of Directors with their six nominees. It also alleges that the Information Statement filed by the Dissident Group omits material information relating to Mr. Brauser's background, including civil fraud litigation and a bankruptcy proceeding involving a company owned by Mr. Brauser.

With its lawsuit, the Company is seeking injunctive relief against the Dissident Group to prevent them from voting any proxies obtained in the unlawful proxy solicitation, requiring corrective disclosure in the Information Statement and establishing a 90-day cooling off period before the Dissident Group can commence any further activity relating to a change of control. On April 1, 2009 and April 29, 2009, the Dissident Group filed motions for an extension of time to respond to the complaint. The Federal Court entered orders granting an extension of time to the Dissident Group and its response is due by June 1, 2009.

Sunair Services Corporation (the Company we or us) is a Florida corporation organized in 1956. We changed our corporate name from Sunair Electronics, Inc. to Sunair Services Corporation in November of 2005. The acquisitions and divestitures that have taken place since September 30, 2007 are as follows:

Acquisitions:

In October 2007 we acquired substantially all the assets of Marshall Pest Control of SW FL, Inc.

Dispositions:

In September 2008 we sold all the issued and outstanding stock of Telecom FM Limited, (Telecom FM), a wholly-owned subsidiary operating in our Telephone Communications business segment.

Revenue decreased by \$1.7 million or 12.1% for the three months ended March 31, 2009 as compared to the three months ended March 31, 2008. Table of Contents**Cost of Sales**

Cost of sales decreased by \$1.1 million or 18.9 % to \$4.6 million or 36.1% of revenue for the three months ended March 31, 2009 as compared to \$5.6 million or 39.2% of revenue for the three months ended March 31, 2008 due to the following factors:

Payroll costs decreased \$0.3 million for the three months ended March 31, 2009 as compared to the three months ended March 31, 2008. The reduction in payroll costs was due to a decrease in sales activity and a change in the compensation program for pest control technicians.

Due to the reduction in new sales and the expected decline in the economic outlook for 2009, we made a concerted effort to further reduce our operating expenses.

Selling expenses decreased by \$0.1 million or 9.2% to \$1.3 million or 10.6% of revenue for the three months ended March 31, 2009 as compared to \$1.5 million or 10.2% of revenue for three months ended March 31, 2008.

Other expenses decreased by \$0.1 million or 27.9% for the three months ended March 31, 2009 as compared to the three months ended March 31, 2008 primarily related to a decrease in interest expense. Lower interest rates on the revolving line of credit and note payable related party resulted in lower interest expense for the three months ended March 31, 2009 as compared to the three months ended March 31, 2008. The interest rate on the revolving line of credit was 5.50% at March 31, 2009 compared to 7.49% at March 31, 2008. In addition, we have paid down the outstanding balance on the revolving line of credit by approximately \$5.0 million since March 31, 2008.

Our significant divestitures have been recorded as discontinued operations:

On September 30, 2008 we completed the sale of all the issued and outstanding stock of Telecom FM, a wholly owned subsidiary operating in our Telephone Communications business segment. The effective date of the sale was September 1, 2008. The aggregate purchase price paid to the Company for Telecom FM was \$3.6 million, which included the payment of outstanding inter-company debt in the amount of \$1.2 million. The gain on the sale of Telecom FM amounted to \$0.4 million. The activity for the three months ended March 31, 2008 represents the operations of Telecom FM for that period.

As of September 30, 2008 a reserve was set up for the entire amount of a \$2.0 million note receivable due from Sunair Electronics LLC, relating to the sale of our legacy high frequency radio business, as collection of this note is doubtful due to recent adverse developments at Sunair Electronics LLC. In February 2009 a payment of \$275,000 was received from Sunair Electronics LLC as settlement of the note receivable. This amount was recorded as income from discontinued operations in the accompanying condensed consolidated statements of operations for the three months ended March 31, 2009.

Revenue

Revenue from lawn and pest control services is comprised of lawn, pest control and termite services. Revenue decreased by \$2.5 million or 9.0% for the six months ended March 31, 2009 as compared to the six months ended March 31, 2008. The decrease was the result of a decline in new sales and renewals, which was expected considering the overall economic downturn experienced in the latter part of our fiscal 2008 and has continued into our fiscal 2009.

Cost of Sales

Cost of sales decreased by \$1.3 million or 11.5 % to \$9.6 million or 37.9% of revenue for the six months ended March 31, 2009 as compared to \$10.9 million or 39.0% of revenue for the six months ended March 31, 2008 due to the following factors:

Payroll costs decreased \$0.4 million for the six months ended March 31, 2009 as compared to the six months ended March 31, 2008. The reduction in payroll costs was due to a decrease in sales activity and a change in the compensation program for pest control technicians.

Chemical costs decreased \$0.2 million for the six months ended March 31, 2009 as compared to the six months ended March 31, 2008, due to the decrease in sales.

Vehicle costs decreased \$0.6 million for the six months ended March 31, 2009 as compared to the six months ended March 31, 2008. Vehicle lease costs decreased \$0.1 million due to a reduction in the size of the vehicle fleet. Fuel decreased \$0.3 million due to a decrease in oil prices. Vehicle repairs and maintenance decreased \$0.2 million due to a reduction in the size of the fleet and a discontinuation of our third party vehicle maintenance program.

Table of Contents**Gross Profit**

The gross profit of the lawn and pest control services decreased by \$1.2 million or 7.3% to \$15.7 million or 62.1% of revenue for six months ended March 31, 2009 as compared to \$17.0 million or 61.0% of revenue for the six months ended March 31, 2008.

Total operating expenses decreased by \$2.7 million or 13.5% to \$17.1 million or 67.7% of revenue for the six months ended March 31, 2009 as compared to \$19.8 million or 71.3% of revenue for the three months ended March 31, 2008. Due to the reduction in new sales and the expected decline in the economic outlook for 2009, we made a concerted effort to further reduce our operating expenses.

Selling expenses decreased by \$0.8 million or 27.1% to \$2.2 million or 8.7% of revenue for the six months ended March 31, 2009 as compared to \$3.0 million or 10.9% of revenue for six months ended March 31, 2008.

Advertising costs decreased by \$0.1 million for the six months ended March 31, 2009 as compared to the same time period in 2008 mainly due to reduced use of television advertising.

Sales payroll costs decreased by \$0.7 million for the six months ended March 31, 2009 as compared to the same time period in 2008. The reduction in sales payroll costs was due to a decrease in sales commissions paid as a result of a decrease in new sales activity.

General and administrative expenses decreased by \$1.9 million or 12.7% to \$12.7 million or 50.2% of revenue for six months ended March 31, 2009 as compared to \$14.6 million or 52.3% of revenue for the six months ended March 31, 2008.

Middleton's general and administrative expenses decreased by \$1.9 million for the six months ended March 31, 2009 as compared to the six months ended March 31, 2008. Payroll expenses decreased by \$0.5 million primarily due to a reduction in headcount. Vehicle expenses decreased \$0.3 million due to lower fuel costs and reduced fleet size. Office and printing expenses decreased by \$0.2 million primarily due to lower costs for printed materials and the closing of branch offices. Health insurance decreased \$0.2 million due to a reduction in headcount. Bad debt expense decreased \$0.1 million due to improved collections. Outsourcing costs decreased by \$0.3 million, primarily due to a decrease in professional fees. Facility costs decreased by \$0.1 million and customer damage costs decreased by \$0.1 million.

Corporate general and administrative expenses were flat for the six months ended March 31, 2009 as compared to the six months ended March 31, 2008. An increase of \$0.4 million in legal and professional fees, primarily due to a shareholders' dispute was offset by a decrease in management fees of \$0.4 million, a result of the Amended Management Services Agreement between the Company and RPC Financial Advisors, LLC, (a related party), that commenced on February 8, 2008, which resulted in lower management fees.

Depreciation and amortization expenses remained flat for the six months ended March 31, 2009 as compared to the six months ended March 31, 2008.

The primary uses of cash for the six months ended March 31, 2009 were an decrease in accounts payable and accrued expenses of \$0.4 million, a decrease in unearned revenue of \$0.2 million and a decrease in customer deposits of \$0.3 million. Item 1. Legal Proceedings

We are involved in litigation from time to time in the ordinary course of our business. We do not believe that any litigation in which we are currently involved, individually or in the aggregate, is material to our financial condition or results of operations.

Lawsuit filed by the Dissident Group against the Company

On February 19, 2009, Michael Brauser, Dru Schmitt and Michael Herman (the Dissident Group) filed a complaint in the Fifteenth Judicial Circuit Court (Court or the Palm Beach Court) in Palm Beach County, Florida against us, Coconut Palm Capital Investors II, Ltd. (Coconut Palm) and Coconut Palm Capital Investors II, Inc. (Coconut Palm Inc.). The claims relate to the Dissident Group's action to take control of the Company by replacing our current Board and replacing it with their six nominees and a claim that certain proxies granted to Coconut Palm Inc. by Mr. Brauser and Mr. Schmitt are not valid.

In the complaint, the Dissident Group demanded that (i) we provide it with a copy of our shareholder list as of January 28, 2009, the record date for the Annual Meeting of Shareholders, and pre-addressed mailing labels for our shareholders as of the record date, (ii) the Court issue a declaratory judgment relating to the validity of proxies granted to Coconut Palm Inc. by Mr. Brauser and Mr. Schmitt and (iii) that the Court enjoin our Annual Meeting to be held on March 18, 2009 because our proxy materials contain misrepresentations and omissions of material facts. On March 17, 2009, we, Coconut Palm and Coconut Palm Inc. filed a motion to remove the lawsuit to the United States District Court, the Southern District of Florida (Federal Court), which the Palm Beach Court granted two days later. On April 16, 2009, the Dissident Group filed a motion to remand the lawsuit to the state court, the Palm Beach Court, and no hearing date has been set for this motion yet. On March 24, 2009, we, Coconut Palm and Coconut Palm Inc. filed a motion to dismiss the lawsuit and the Dissident Group's deadline for responding to this motion is May 18, 2009. We believe this lawsuit is without merit and it is our intention to vigorously defend itself.

Complaint filed by the Company against the Dissident Group

On March 12, 2009, we filed a complaint in the Federal Court against the Dissident Group and certain other co-defendants for violations of federal securities laws. The complaint relates to actions that have arisen in connection with the information statement that the Dissident Group filed with the SEC on January 28, 2009, as amended on February 25, March 6 and March 9, 2009 (collectively, the Information Statement), in which the Dissident Group sought to remove our current Board of Directors and replace it with their nominees.

The complaint alleges that the Dissident Group and certain other co-defendants unlawfully solicited proxies from our shareholders in violation of Section 14(a) and 14(c) of the Exchange Act in connection with their actions to take control of the Company and replace our current Board of Directors with their six nominees. It also alleges that the Information Statement filed by the Dissident Group omits material information relating to Mr. Brauser's background, including civil fraud litigation and a bankruptcy proceeding involving a company owned by Mr. Brauser.

With its lawsuit, we are seeking injunctive relief against the Dissident Group to prevent them from voting any proxies obtained in the unlawful proxy solicitation, requiring corrective disclosure in the Information Statement and establishing a 90-day cooling off period before the Dissident Group can commence any further activity relating to a change of control. On April 1 and 29, 2009, the Dissident Group filed motions for an extension of time to respond to the complaint. The Federal Court entered orders granting an extension of time to the Dissident Group and its response is due by June 1, 2009.
