In addition, at the closing Interlott and On-Point entered into a separate agreement to market a patented design for an on-line activated instant lottery ticket.

Prior to the closing, to finance the cash payment paid at closing, Interlott increased its existing credit facility with Fifth Third Bank, Cincinnati, Ohio (who participated portions of the credit facility to Huntington Bank and National Bank of Canada) from \$25 million to \$30 million, and completed a mezzanine financing of junior debt in the principal amount of \$5 million with Fifth Third Bank, Cincinnati, Ohio.
