PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
SEPTEMBER 26, 2002

INTRODUCTION

This proxy statement is furnished to the shareholders of Value City Department Stores, Inc., an Ohio corporation (the "Company"), in connection with

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

the solicitation of proxies by the Board of Directors of the Company (the "Board"), for the use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on September 26, 2002, at 9:30 a.m., local time, at the Radison Airport Hotel, 1375 Cassady Avenue, Columbus, Ohio. The Notice of the Annual Meeting, this proxy statement and the accompanying proxy are being mailed to shareholders on or about August 26, 2002. The Company's Annual Report on Form 10-K/A for the fiscal year ended February 2, 2002 was previously mailed to shareholders.

Shareholders of record at the close of business on August 9, 2002 are entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof. At August 9, 2002, the Company had 33,980,723 outstanding shares common stock, net of treasury shares, without par value (the "Common Stock"). Each outstanding share of Common Stock entitles the holder thereof to one vote upon each matter to be voted upon by shareholders at the Annual Meeting.

All shares represented by properly executed proxies received by the Company prior to the meeting will be voted in accordance with the shareholder's directions. In the absence of instructions to the contrary, proxies will be voted FOR each of the proposals herein. A proxy may be revoked, without affecting any vote previously taken, by:

- a written notice mailed to the Company (attention James A. McGrady, Secretary);
- by filing a duly executed later dated proxy; or
- delivery in person at the meeting and voting in person.

The presence, in person or by proxy, of a majority of the outstanding Common Stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. This would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which include the election of directors, but not on non-routine matters such as approval of the warrants and the Common Stock issuable upon exercise thereof, approval of the issuance of Common Stock under the Amended and Restated Senior Convertible Loan Agreement, approval of the amendment to the Company's 2000 Stock Incentive Plan, or approval of the Merger.

The election of each director nominee requires the favorable vote of a plurality of all votes cast by the holders of Common Stock at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect.

1

The affirmative vote of the holders of a majority of the shares of outstanding Common Stock is required to approve the Merger. For purposes of determining the number of shares of Common Stock voting on the matter, abstentions will be counted and will have the effect of a negative vote; broker non-votes will be counted and thus will have the effect of a negative vote.

Each other matter to be submitted to the shareholders for approval or ratification at the Annual Meeting requires the affirmative vote of the holders

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

of a majority of the Common Stock voting on the matter. For purposes of determining the number of shares of Common Stock voting on a matter, abstentions will be counted and will have the effect of a negative vote; broker non-votes will not be counted and thus will have no effect.

The entire Board has made the only grants of restricted stock by the Company. The Stock Option Committee of the Board grants options under the Company's 2000 Stock Incentive Plan.

In fiscal 2002, the Company engaged Hewitt Associates to perform an analysis and make a recommendation to the Board regarding the appropriate compensation to be paid to the Company's key executives. Hewitt reviewed the Company's compensation goals and the compensation packages awarded to executives of other comparable companies. The analysis covered both short-term and long-term incentives and attempted to tie compensation to Company performance.

Hewitt Associates made a presentation to the Company's Compensation Committee and Stock Option Committee in July 2002. Based upon the analysis, the Company entered into a new employment agreement with Mr. Rossler, effective February 3, 2002. For a description of this new employment agreement, see "Agreements with Key Executives" in this proxy statement.

Chairman's Compensation. The Chairman's annual base salary was fixed by action of the Board at the time he was appointed Chairman during fiscal 1992. The Chairman does not receive an annual bonus. The Board did not consider or take any action to change the Chairman's annual base salary during fiscal 2001.

Chief Executive Officer. The compensation of the Chief Executive Officer, Mr. Rossler, is fixed pursuant to the terms of his employment agreement, which was negotiated by the Chairman, with input from a number of the Directors.

Executive Officers' Compensation. The remaining executive officers' base salaries were based on negotiated employment agreements. No bonuses for fiscal 2001 were paid pursuant to the Company's Incentive Compensation Plan, which combines individual and company-wide objectives and performance goals to provide a clear vehicle linking the interests of the executive officers with the financial performance of the Company. A bonus was paid to Mr. Rossler, Mr. Blanton and Mr. Kozlowski pursuant to employment contracts with Shonac Corporation and to Mr. Schlesinger pursuant to an employment contract with Filene's Basement.

Stock Awards. The Company's 1991 Stock Option Plan was adopted at the time the Company went public in 1991 and the Board adopted the Company's 2000 Stock Incentive Plan on December 4, 2000. Both plans were adopted for the purpose of providing long-term incentives to key employees and motivating key employees to improve performance of the Company's stock. Stock options granted under the Company's 1991 Stock Option Plan and the Company's 2000 Stock Incentive Plan are determined and administered by the Stock Option Committee,

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

none of the members of which are officers or employees of the Company. In determining the size of a stock option award, the Stock Option Committee considers the total number of shares subject to previously granted stock options held by the individual and, based principally on the recommendation of senior executive officers, the anticipated value of an individual's contribution to the Company's future performance. The options granted during fiscal year 2001 were granted to employees as a long-term incentive designed to encourage them to remain with the Company.

The Budget Reconciliation Act of 1993 amended the Internal Revenue Code of 1986, as amended (the "Code") to add Section 162(m) which bars a deduction to any publicly held corporation for compensation paid to a "covered employee" in excess of \$1,000,000 per year. Generally, the Board intends that compensation paid to covered employees shall be deductible to the fullest extent permitted by law. The Company's 1991 Stock Option Plan, the 2000 Stock Incentive Plan and Incentive Compensation Plan are intended to qualify under Section 162(m).

PERFORMANCE GRAPH

The following graph compares the performance of the Company with that of the Standard & Poor's General Merchandise Chains Index and the Russell 2000 Index, both of which are published indexes. This comparison includes the period beginning August 2, 1997 through February 2, 2002.

The Standard & Poor's General Merchandise Chains Index is published weekly in the Standard & Poor's Statistical Service and the index value preceding each fiscal year end has been selected for purposes of this comparison. The Russell 2000 Index is a capitalization-weighted index of domestic equity securities traded on the New York and American Stock Exchanges and the Nasdaq that measures the performance of the 2,000 smallest companies in the Russell 3000 Index. The Common Stock is traded on the NYSE.

The comparison of the cumulative total returns for each investment assumes that \$100 was invested on August 2, 1997 and that all dividends were reinvested.

RELATIONSHIP WITH SSC AND ITS AFFILIATES

Prior to the completion of its initial public offering on June 18, 1991, the Company was operated as the Department Store Division of SSC. On that date, SSC transferred substantially all of the net assets of the Division to the Company in exchange for 22,500,000 shares of Common Stock. At July 31, 2002, SSC beneficially owned 58.7% of the Company's outstanding Common Stock. So long as SSC owns more than 50% of the Company's voting shares, it will continue to have the power acting alone to approve any action requiring a vote of the majority of the voting shares of the Company and to elect all of the Company's directors. For information with respect to the beneficial ownership of the voting stock of SSC by nominees for election to the Board of the Company and beneficial ownership of Common Stock by such persons and officers of the Company, see "Security Ownership of Certain Beneficial Owners and Management."

REAL ESTATE LEASES AND SUBLEASES

The Company leases or subleases from SSC or affiliates of SSC twenty-eight store locations, seven warehouses and a parcel of land. Generally, the agreements require the Company to pay for insurance, taxes, common area maintenance and other costs associated with the properties on a "triple net" basis for freestanding locations, and on a pro rata share basis for locations that are part of a larger parcel.

SSC leases to the Company five store locations under the terms of a Master Store Lease Agreement. The Master Store Lease, as amended, provides for certain base rentals, including a guaranteed amount, which approximate to \$3.46 per square foot. The Master Store Lease also provides for the payment of percentage rent equal to 2% of gross total sales in excess of the base rent. For fiscal 2001, the Company recorded rent expense to SSC, including contingent rent, of \$1,684,560 pursuant to the Master Store Lease.

SSC subleases to the Company two store locations that are owned by affiliates of SSC under a Master Sublease. The Master Sublease provides for an annual base rent of the greater of 2% of gross sales or minimum rent of \$2.39 and \$2.29 per square foot. For fiscal 2001, the Company recorded rent expense to SSC, including contingent rent, of \$688,794 pursuant to the Master Sublease.

Both the Master Lease and the Master Sublease have a term of five years that began in June 2001, and are renewable thereafter, by individual location, at the option of the Company, for four additional renewal terms of five years

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

each. Each renewal term in the aforementioned leases and subleases will be on the same terms as the initial term, except for rent. The Master Store Lease and Master Sublease provide for an increase in minimum percentage rent of \$0.50 per square foot in each succeeding five-year renewal term. In no event, commencing fiscal 1997, shall total rent be less than 2% of total sales.

The Company also leases or subleases seven warehouse facilities and a trailer yard from SSC or affiliates of SSC. The warehouse facilities consist of approximately 1,998,000 square feet for base rentals of \$1.75 to \$3.11 per square foot with lease terms ranging from 2004 through 2037. Generally, the lease renewal terms are at the same terms and conditions as the original term except rent, which increases by \$0.25 to \$0.50 per square foot for each renewal term. The Company also leases, from an affiliate of SSC, a trailer yard of approximately 19 acres with lease control through April 2009 having rents that range from \$25,000 to \$30,000 per year during the period of lease control. During fiscal 2001, the Company recorded net rent expenses to SSC and affiliates of SSC of \$4,077,850 pursuant to these leases and assignments.

Additionally, the Company leases nineteen store locations from SSC or affiliates of SSC. Generally, the leases provide for percentage rent equal to 2% of total sales in excess of a specified sales level or base rent with base rents ranging from \$2.36 to \$20.00 per square foot for the initial term and provide lease terms ranging from 2007 through 2040. Generally, the renewal terms are at the same terms and conditions as the original term except rent, which may increase for the renewal terms. During fiscal 2001, the Company recorded rent expenses in the aggregate to SSC and affiliates of SSC of \$10,346,478 pursuant to these leases.

In addition to the foregoing, SSC subleases one store location to the Company under an agreement that provides for the payment of additional rent to SSC in order for SSC to recover the costs of the initial acquisition of the leasehold interest. The sublease has a term expiring in fiscal 2004 and provides for rent in the amount of 2% of total sales, with a minimum rent equal to \$2.00 per square foot and provides four additional five-year renewal terms. During fiscal 2001, the Company recorded rent expenses in the aggregate to SSC of \$196,560 pursuant to this sublease.

20

The Company also subleases from SSC a store location. The sublease expires December 31, 2007 and provides for percentage rent equal to 2% of total sales in excess of a minimum base rent of \$4.69 per square foot with three additional renewal terms of five years each. During fiscal 2001, the Company recorded rent expenses to SSC of \$496,966 for this sublease.

SSC operates a chain of furniture stores, five of which operate in separate space subleased from the Company at five of its store locations. Three of these furniture store subleases (the "Furniture Subleases") are for a term concurrent with the respective lease between the Company and a third party landlord. These Furniture Subleases provide for the payment by SSC of base rent and other charges in amounts at least equal to its pro rata share based on square footage and its pro rata share of any percentage rent based on its gross sales. Two additional furniture store subleases are for periods shorter than the Company's lease. For fiscal 2001, SSC paid to the Company an aggregate of \$1,308,671 pursuant to these subleases.

LICENSE AGREEMENTS WITH AFFILIATES

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

In July 1997, the Company entered into agreements to form a 50/50 joint venture with Mazel Stores, Inc. to create VCM, Ltd. ("VCM") to operate the Company's health and beauty care and toys and sporting goods departments as licensed departments. Beginning in fiscal 2000, VCM also operated the food department. Pursuant to operating agreements between VCM and the Company, VCM paid annual license fees to the Company based on 5% and 11% of net sales and reimbursed the Company 2% and 4% of its sales for advertising and 2.9% and 1% of its sales for administrative expenses for the health and beauty care and the toys and sporting goods departments, respectively. The Company also provided certain personnel, administrative and service functions for which it received a monthly fee from VCM to cover the related costs. The aggregate license fees paid by VCM to the Company for fiscal 2001 were \$9,698,000. Effective with the close of business on February 2, 2002, by acquisition of Mazel Stores, Inc.'s interest in VCM for \$8,375,000, the Company now owns 100% of VCM and operates the health and beauty care, toy, sporting goods and food departments in the Value City stores.

MERCHANDISE TRANSACTIONS WITH AFFILIATES

The Company from time to time purchases merchandise from affiliates of SSC. Some of such affiliates manufacture, import and wholesale apparel as their principal business. The members of the Company's merchandising staff use these sources and make their purchasing decisions in the same manner as with unaffiliated sources. Any merchandise purchased from such sources is on terms at least as favorable to the Company as could be obtained in an arm's-length transaction with an unaffiliated third party, and in certain instances, the Company is given terms preferential to those available to unaffiliated customers. Total purchases by the Company from SSC and affiliates for fiscal 2001 were \$16,396,000, representing 1.3% of the Company's total purchases during the fiscal year.

VCM and certain affiliates of SSC from time to time purchase merchandise from the Company, in some instances, on a regular basis. Such purchases are generally made from merchandise in the Company's warehouse inventory at prices equal to the Company's cost plus a handling fee of up to 15.0%.

The Company will from time to time purchase merchandise on behalf of and ship it directly to affiliates, at cost plus delivery charges. Most transactions of this nature are done with VCM. No such purchases were made during fiscal 2001.

In May 2001, SSC and the Company entered into a deferred purchase arrangement for the sale of Bugle Boy products that SSC purchased for approximately \$11.9 million. As part of the agreement, the Company agreed to purchase at SSC's cost plus a handling fee any unsold Bugle Boy merchandise owned by SSC on February 2, 2002. On February 6, 2002, the final payment was made to SSC.

In October 2001, SSC and Filene's Basement, Inc. entered into a deferred purchase arrangement for the sale of products that SSC purchased for approximately \$2.9 million. As part of the agreement, Filene's agreed to purchase the products at SSC's cost plus a handling fee. On May 13, 2002, the final payment was made to SSC.

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

The Company shares with SSC and its affiliates certain incidental support personnel and services for the purpose of achieving economies of scale and cost savings. These shared services include certain architectural, legal, advertising and administrative services. The Company and SSC have entered into a Corporate Services Agreement, which was amended and restated in June 2002, that sets forth the terms for payment of the costs of these shared services. The Company believes that it is able to obtain such services at a cost, which is equal to or below the cost of providing such services by itself or obtaining such services from unaffiliated third parties. For fiscal 2001, the Company paid SSC or its affiliates \$1,444,392 for such services.

The Corporate Services Agreement also provides for participation by the Company in the self-insurance program maintained by SSC. Under that program, the Company is self-insured for purposes of personal injury and property damage, motor vehicle and Ohio workers' compensation claims up to various specified amounts, and for casualty losses up to \$100,000. Claims and losses in excess of the specified amounts are covered by stop-loss or excess liability policies maintained by SSC, which include the Company as a named insured. SSC maintains reserves and pays claims for self-insured amounts under the program and will continue to do so with respect to the Company's participation in the program. SSC charges its affiliates, divisions and the Company premiums based, among other factors, on loss experience and its actual payroll and related costs for administering the program. For fiscal 2001, the Company paid SSC \$12,326,000 for participation in the program.

The Company also provided certain administrative and service functions for VCM. These functions included accounting, MIS and merchandise delivery. For fiscal 2001, the Company charged VCM \$2,148,341 for these services.

DEBT AGREEMENTS

To supplement operating cash requirements, the Company entered into a \$100.0 million subordinated secured credit facility with SSC (the "Old Term Loan"). Outstanding advances under the Old Term Loan were subordinated to the Company's then existing bank credit agreement and were subject to a junior lien on assets securing the Company's then existing bank credit agreement. The interest rate and terms of the Old Term Loan were generally the same as the Company's then existing bank credit agreement. The Old Term Loan was paid off as part of the \$525.0 million refinancing completed June 12, 2002.

DESCRIPTION OF FEES PAID TO LENDERS UNDER NEW TERM LOANS AND CONVERTIBLE FACILITY

On June 11, 2002, the Company and its principal subsidiaries entered into a new three-year \$100.0 million term loan facility of which \$50.0 million is designated Term Loan B and \$50.0 million is designated Term C (the "Term Loans") each of which were provided equally by Cerberus and SSC (the "Lenders"). All obligations under the Term Loans are senior debt, ranking pari passu with the Company's \$350.0 million revolving credit facility agented by National City Commercial Finance, Inc., Fleet Retail Finance Inc., Wells Fargo Retail Finance, LLC, The CIT Group/Business Credit, Inc., and General Electric Capital Corporation (the "Revolving Credit Agreement"). The Term Loans stated rate of interest per annum during the initial two years of the agreement is 14% if paid in cash, and 15% if the paid in kind ("PIK") option is elected by the Company. During the first two years of the Term Loans, the Company may pay all of the interest by PIK. During the final year of the Term Loans, the stated rate of interest is 15% if paid in cash or 15.5% by PIK, and the PIK option is limited to 50% of the interest due. The Company has agreed to issue to the Term Loan C lenders warrants ("Warrants") to purchase shares of common stock initially exercisable for 2,957,793 of the shares of Common Stock, at an initial exercise price of \$4.50 per share. One half of the Warrants will be issued to SSC. The

number of shares issuable upon the exercise of the Warrants and the per share exercise price are subject to adjustment upon the occurrence of specified events. The Warrants are exercisable at any time prior to the tenth anniversary of the date of issuance at the then Warrant exercise price. The Company has granted the Term Loan C lenders registration rights with respect to the shares issuable upon the exercise of the Warrants. The issuance of the Warrants and Common Stock issuable upon exercise of the Warrants is subject to shareholder approval. SSC has agreed to vote its shares of Company common stock in favor of the approval of the issuance of the Warrants and the Common Stock issuable upon exercise of the Warrants.

DISCLOSURE OF THE TERM OF THE CONVERTIBLE FACILITY

The Company previously entered into a \$75.0 million Senior Subordinated Convertible Loan Agreement ("Senior Facility"), dated as of March 15, 2000. The Senior Facility bore interest at various rates. The interest rate increased an additional 50 basis points every 90 days following the first anniversary date. The Senior Facility was due in September 2003. In December 2000, pursuant to the terms of the Senior Facility, SSC purchased the outstanding balance under the same continuing terms. On June 11, 2002, the Company entered into an Amended and Restated Senior Convertible Loan Agreement, which was further amended by Amendment No. 1 to the Amended and Restated Senior Convertible Loan Agreement ("Amended Senior Facility") pursuant to which Cerberus, purchased half of SSC's interest in the Amended Senior Facility and became successor agent for itself and SSC (the "Lenders") under the Amended Senior Facility. The aggregate principal amount advanced under the Amended Senior Facility, all of which is outstanding, is \$75.0 million. Borrowings under the Amended Senior Facility will bear interest at 10% per annum. At the Company's option, interest may be PIK from the closing date to the second anniversary thereof, and thereafter, at the option of the Company, up to 50% of the interest due may be PIK until maturity. The Amended Senior Facility is guaranteed by all of the Company's principal subsidiaries and is secured by a lien on assets junior to liens granted in favor of Revolving Credit Agreement and the Term Loans. The Amended Senior Facility is not prepayable for five years from the closing date. The agent has the right to designate two observers to the Board for so long as the agent is the beneficial owner of at least 50% of the advances initially made by it and has the right to designate two individuals to the board of directors for so long as the agent is the beneficial owner of at least 50% of the conversion shares issued upon conversion of advances initially made by it. Subject to shareholder approval, amounts outstanding under the Amended Senior Facility are convertible at the option of the Lenders into shares of Common Stock at a initial conversion price of \$4.50. The conversion price is subject to adjustment upon the occurrence of specified events. The Company has granted the Lenders registration rights with respect to the shares issuable as interest on and upon conversion of amounts outstanding under the Amended Senior Facility. SSC, as Lender of one-half of the amounts under the Amended Senior Facility, is entitled to one-half of such Common Stock and has registration rights with respect thereto. The conversion of amounts outstanding under the Amended Senior Facility into shares representing in excess of 19.9% of the shares of the Common Stock currently outstanding on June 11, 2002, is subject to shareholder approval. SSC has agreed to vote its Common Stock in favor of approval of such conversion rights.

The Company recorded \$7,109,480 in interest expense for the Old Term Loan and the Senior Facility, of which \$4,736,720 was paid during fiscal 2001.

PROPOSAL TWO: APPROVAL OF THE ISSUANCE OF WARRANTS TO PURCHASE SHARES OF COMMON STOCK INITIALLY EXERCISABLE FOR UP TO 2,954,793 SHARES OF COMMON STOCK AND THE ISSUANCE OF SHARES OF COMMON STOCK ISSUABLE UPON EXERCISE THEREOF, AS WELL AS ANY ADDITIONAL SHARES OF COMMON STOCK ISSUABLE PURSUANT TO THE ANTI-DILUTION AND OTHER PROVISIONS OF THE WARRANTS

On June 11, 2002, the Company entered into a new three-year \$100.0 million term loan facility (the "Term Loans") provided equally by the Lenders. Pursuant to the Term Loans the Company agreed, subject to shareholder approval, to issue warrants (the "Warrants") initially exercisable for up to 2,954,793 shares of Common Stock. The Common Stock is listed on the NYSE, and, therefore, shareholder approval is required for the issuance of the Warrants and the shares issuable upon exercise of the Warrants because SSC is an affiliate of the Company and will receive one half of the Warrants.

The following is a summary of the material terms of the form of Warrant, a copy of which is attached as Appendix A. We urge you to read the form of Warrant carefully.

PRINCIPAL TERMS OF THE WARRANTS

UNDERLYING SECURITIES

As of July 31, 2002, there were 2,954,793 shares of common stock, without par value per share, underlying the Warrants.

EXERCISE PERIOD AND PRICE

The Warrants may be exercised by the holders thereof, in whole or in part, at any time prior to the expiration date. The Warrants expire ten years from the date of issuance. The exercise price shall initially be \$4.50 per share, subject to adjustment and readjustment from time to time.

ADJUSTMENT TO EXERCISE PRICE

The exercise price may be adjusted under the following circumstances:

- if the Company issues or sells additional shares of Common Stock without consideration, or for a consideration per share less than the exercise price in effect immediately prior to such issuance or sale (additional shares of Common Stock shall be deemed issued if the Company issues, sells, grants, assumes, or fixes the record for the determination of holders of, any class of securities of the Company entitled to receive options or convertible securities), then the exercise price shall be decreased to the consideration per share for which such additional shares of Common Stock are issued or sold;
- if the Company declares or pays any dividend on the Common Stock payable in common stock, effects a subdivision of the outstanding shares of Common Stock into a greater number of shares of Common Stock, or effects any combination or consolidation of the outstanding shares of Common Stock into a lesser number of shares of Common Stock, then adequate provision must be made so that the holder shall receive upon exercise of the Warrant a pro rata share of such dividend or other distribution;

- if the Company sells additional shares of Common Stock for a consideration per share less than the current market price, but greater than the exercise price in effect immediately prior to such issue or sale, then the exercise price shall be decreased based on a weighted average anti-dilution formula; or
- if the consolidated EBITDA of the Company and its subsidiaries for the fiscal year ending February 1, 2003, is less than \$90,000,000 or the combined, unconsolidated EBITDA of each of the Company (excluding subsidiaries), Value City Limited Partnership, Value City of Michigan, Inc., GB Retailers, Inc., Gramex Retail Stores, Inc., VCM, Ltd., and any person acquired after the date of the Warrants that operates Value City department stores is less than \$35,000,000 in the aggregate, then the exercise price shall be decreased to \$4.00 per share.

24

For purposes of adjusting the exercise price due to the issuance of additional shares of common stock, "additional shares of common stock" shall mean all shares of common stock issued or sold by the Company other than the following:

- shares issued upon the exercise of the Warrants;
- additional shares that become issuable upon the exercise of the Warrants by reason of adjustments required pursuant to the anti-dilution provisions applicable to the Warrants;
- up to 7,153,000 shares of common stock (and, following June 11, 2007, up to an additional 5,000,000 shares of common stock) that are issued to persons other than affiliates of the Company; and
- shares of common stock issued upon conversion of the Amended Senior Facility and such additional number of shares as may become issuable upon the exercise of any such securities by reason of adjustments required pursuant to anti-dilution provisions.

ADJUSTMENT OF NUMBER OF SHARES

Upon the adjustment of the exercise price as described above, except to the extent that the exercise price is adjusted based on EBITDA, a Warrant shall thereafter evidence the right to receive that number of shares of common stock obtained by dividing (i) the product of the aggregate number of shares covered by the warrant immediately prior to such adjustment and the exercise price in effect immediately prior to such adjustment of the exercise price by (ii) the exercise price in effect immediately after such adjustment of the exercise price.

In the event that the Company issues any share of common stock upon the conversion of convertible securities outstanding on the effective date of the Warrants, the number of shares of Common Stock issuable upon the exercise of a Warrant shall automatically be increased by an amount equal to 8.75% of the shares of Common Stock issued upon such conversion, and the exercise price shall not be adjusted in connection with such increase.

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

FAILURE TO APPROVE ISSUANCE OF THE WARRANTS

If shareholder approval of the issuance of the Warrants is not obtained on or prior to October 31, 2002 (or December 31, 2002 in the event that the meeting of shareholders is delayed as a result of a unilateral action taken by SSC or a shareholder of SSC), the Term Loans shall bear interest on the principal amount thereof, until the date such requisite approval is obtained, at an interest rate per annum equal to the interest rate otherwise in effect pursuant to the terms of the Term Loans plus five percent (5%).

SSC, who beneficially owns more than 50% of the Company's outstanding shares of Common Stock, has provided an irrevocable proxy to vote in favor of this proposal. Thus, the passage of the proposal is assured.

IMPACT ON CAPITALIZATION

As a result of the issuance of Common Stock upon conversion of the Warrants, the holders of Common Stock will experience dilution. As of the date of this proxy statement, the exercise all of the Warrants would result in the issuance of an aggregate of approximately 2,954,793 shares of Common Stock, equal to approximately 8.7% of the Company's outstanding equity. The number of shares of Common Stock issuable to the Lenders is subject to adjustment and readjustment from time to time as described above.

REGISTRATION RIGHTS

Each holder of the Warrants shall have the right to request in writing that the Company register all or part of such holder's registrable securities by filing with the SEC a demand registration statement up to three times. The registration statement shall include (i) the registrable securities intended to be disposed of and (ii) the registrable securities intended to be disposed of by any other holder thereof which shall have made a written request for inclusion in such registration within 30 days after the receipt of written notice. Following a request, the Company shall use its reasonable best efforts to cause to be filed with the SEC a registration statement providing for the registration under the Securities Act of the registrable securities which the Company has been so requested to register by all such holders. The

25

Company shall use its reasonable best efforts to have such registration statement declared effective by the SEC as soon as practicable thereafter and to keep such registration statement continuously effective until such time as all of such registrable securities have been disposed of in accordance with the intended methods of disposition by the seller(s) thereof set forth in such registration statement. Additionally, the holders of the Warrants have the right to register shares held by them in connection with other registrations made by the Company, subject to specific limitations.

EFFECT OF THE MERGER

If the Merger proposed in proposal five of this proxy statement is consummated, pursuant to the terms of the Warrants, each Warrant will be exchanged for a warrant to purchase an equal number of shares of common stock of the new holding company on the same terms and conditions set forth in the form of Warrant.

REQUIRED VOTE

The affirmative vote of the holders of a majority of shares of Common Stock present and entitled to vote at the shareholder meeting is required to approve this proposal.

SSC, who beneficially owns more than 50% of the Company's outstanding shares of Common Stock, has provided an irrevocable proxy to vote in favor of this proposal. Thus, the passage of the proposal is assured.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE ISSUANCE OF WARRANTS TO PURCHASE SHARES OF COMMON STOCK INITIALLY EXERCISABLE FOR UP TO 2,954,793 SHARES OF COMMON STOCK AND THE ISSUANCE OF SHARES OF COMMON STOCK UPON EXERCISE THEREOF, AS WELL AS ANY ADDITIONAL SHARES OF COMMON STOCK ISSUABLE PURSUANT TO THE ANTI-DILUTION AND OTHER PROVISIONS OF THE WARRANTS.

26

PROPOSAL THREE: APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK AS INTEREST ON AND UPON CONVERSION OF AMOUNTS OUTSTANDING UNDER THE AMENDED AND RESTATED SENIOR CONVERTIBLE LOAN AGREEMENT, AS WELL AS ANY ADDITIONAL SHARES OF COMMON STOCK ISSUABLE PURSUANT TO THE TERMS OF THE AMENDED AND RESTATED SENIOR CONVERTIBLE LOAN

The Company is asking you to approve the issuance of shares of Common Stock as interest and upon the conversion of amounts outstanding under the Amended and Restated Senior Convertible Loan Agreement dated June 11, 2002, as amended.

On June 11, 2002, the Company entered into the Amended and Restated Senior Convertible Loan Agreement with SSC which amended and restated and the original Senior Convertible Loan Agreement, as amended, entered into with Prudential Securities Credit Corp., LLC, on March 15, 2000, and subsequently purchased by SSC (the "Senior Facility"). The Amended and Restated Senior Convertible Loan Agreement was further amended by Amendment No. 1 to the Amended and Restated Senior Convertible Loan Agreement (the "Amended Senior Facility") pursuant to which Cerberus purchased one half of SSC's interest in the Amended Senior Facility and became successor agent for itself and SSC (the "Lenders") under the Amended Senior Facility. The aggregate principal amount advanced under the Amended Senior Facility, all of which is outstanding, is \$75 million.

The Amended Senior Facility permits the Lenders to convert principal and interest advanced to the Company under the Amended Senior Facility into shares of Common Stock. As of July 31, 2002, the conversion price was \$4.50 per share, subject to adjustment as described below. If the Company issues shares of Common Stock upon conversion of amounts due under the Amended Senior Facility, the amount due under the Amended Senior Facility will be reduced by an amount equal to the aggregate conversion price.

Because the Common Stock is listed on the NYSE, shareholder approval must be obtained prior to issuing Common Stock or securities that are convertible into, or exercisable for, Common Stock in one transaction or a series of related transactions if:

- the Common Stock has, or will have upon issuance, voting power equal to or in excess of 20% of the voting power outstanding before the issuance of such stock or securities convertible into or exercisable for Common Stock; or

- the number of shares of Common Stock to be issued, is or will be upon issuance, equal to or in excess of 20% of the number of shares of Common Stock outstanding before the issuance of the Common Stock or of securities convertible into or exercisable for Common Stock.

Due to the limited time available to consummate the Amended Senior Facility described above, the Company did not have sufficient time to hold a special meeting of shareholders to obtain prior approval of the terms and issuance of Common Stock upon the conversion of amounts outstanding under the Amended Senior Facility. As a result, the Company entered into the Amended Senior Facility and limited its conversion to an aggregate of 19.9% of the Common Stock outstanding prior to such issuance, until shareholder approval is obtained for the issuance of more than 19.9% of the Common Stock outstanding prior to such issuance. Therefore, the Company may only issue up to 6,720,042 shares of Common Stock pursuant to the terms of the Amended Senior Facility at this time.

The Company agreed with the agent for the Lenders under the Amended Senior Facility to seek shareholder approval of the issuance of Common Stock upon the conversion of amounts outstanding under the Amended Senior Facility. Accordingly, this matter is being submitted for approval at the upcoming Annual Meeting. Under the terms of the Amended Senior Facility, the Company cannot issue shares of Common Stock upon conversion of amounts outstanding under the Amended Senior Facility in excess of the 19.9% threshold until the shareholder approval contemplated by this proposal is received.

The following is a summary of the material terms of the Amended Senior Facility, a copy of which is attached as Appendix B. We urge you to read the Amended Senior Facility closely.

27

PRINCIPAL TERMS OF THE AMENDED SENIOR FACILITY

CONVERSION

To the extent any portion of the Amended Senior Facility remains outstanding, any Lender may, at its option, convert all or any portion of its pro rata share of the loan into fully paid and nonassessable shares of Common Stock at the conversion price in effect at such time. The number of shares of Common Stock into which Lenders may convert amounts outstanding under the Amended Senior Facility is calculated by dividing the principal amount of the portion of the Lenders pro rata share of the loan to be converted plus all accrued and unpaid interest thereon by the conversion price. The conversion price is initially equal to \$4.50 per share, subject to certain adjustments described below.

ADJUSTMENTS TO THE CONVERSION PRICE AND NUMBER OF SHARES

The conversion price may be adjusted under the following circumstances:

- if the consolidated EBITDA of the Company and its subsidiaries for the fiscal year ending February 1, 2003, is less than \$90,000,000 or the combined, unconsolidated EBITDA of each of the Company (excluding subsidiaries), Value City Limited Partnership, Value City of Michigan, Inc., GB Retailers, Inc., Gramex Retail Stores, Inc., VCM, Ltd., and any person acquired after the date

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

of the Amended Senior Facility that operates Value City department stores is less than \$35,000,000 in the aggregate, then effective as of the close of business on February 1, 2003, the conversion price shall be reduced to \$4.00 per share;

- in the event the outstanding shares of common stock are combined or consolidated into a lesser number of shares of common stock; or
- in the event that the Company issues additional shares of common stock without consideration or for a consideration per share less than the conversion price in effect on the date of and immediately prior to such issuance.

For purposes of adjustments to the conversion price the following events shall be deemed the issuance of additional shares of Common Stock:

- the issuance of any options or convertible securities, or the fixing of a record date for the determination of holders of any class of securities entitled to receive any such options or convertible securities; and
- the payment of any dividend or any other distribution on the common stock payable in common stock, or the subdivision of the outstanding shares of Common Stock.

For purposes of adjusting the conversion price due to the issuance of additional shares of common stock, "additional shares of common stock" shall mean any or all shares of common stock issued by the Company after the effective date of the Amended Senior Facility, other than the following:

- shares issued upon the conversion of the amounts outstanding under the Amended Senior Facility;
- additional shares that become issuable upon the conversion of amounts outstanding under the Amended Senior Facility by reason of adjustments required pursuant to the anti-dilution provisions then in effect;
- up to 7,153,000 shares of common stock (and following the fifth anniversary of the effective date of the Amended Senior Facility, up to an additional 5,000,000 shares of common stock) that are issued to persons other than affiliates of the Company; and
- shares of common stock issued upon the exercise of the Warrants.

No adjustment in the number of shares of common stock into which amounts outstanding under the Amended Senior Facility are convertible shall be made unless the consideration per share for an additional share of Common Stock issued is less than the greater of the current market price and the fair market value on the date of issue of such additional share of Common Stock.

INTEREST

Borrowings under the Amended Senior Facility will bear interest at 10% per annum. At the Company's option, interest may be PIK from the closing date to

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

the second anniversary thereof, and thereafter, at the option of the Company, up to 50% of the interest due may be PIK until maturity.

IMPACT ON CAPITALIZATION

In considering the dilutive effect of the issuance of Common Stock as interest on and upon the conversion of amounts outstanding under the Amended Senior Facility and otherwise pursuant to the terms of the Amended Senior Facility, you should keep in mind that the actual number of shares of common stock that the Lenders under the Amended Senior Facility are entitled to receive is currently limited by the listing requirements of the NYSE to 6,720,042, or 19.9% of the number of shares of Common Stock outstanding on June 11, 2002 (the effective date of the Amended Senior Facility).

As a result of the issuance of Common Stock upon conversion of amounts outstanding under the Amended Senior Facility, the holders of Common Stock will experience dilution. As of the date of this proxy statement, the conversion at \$4.00 per share of the entire amount due under the Amended Senior Facility would result in the issuance of an aggregate of approximately 18,750,000 shares of Common Stock, equal to approximately 35.7% of the Company's outstanding equity. The conversion at \$4.50 per share of the entire amount due under the Amended Senior Facility would result in the issuance of approximately 16,666,666.7 shares of Common Stock, equal to approximately 33% of the Company's outstanding equity. The number of shares of Common Stock into which Lenders may convert amounts outstanding under the Amended Senior Facility is calculated by dividing the principal amount of the portion of the Lenders' pro rata share of the loan to be converted plus all accrued and unpaid interest thereon by the conversion price. The conversion price is initially equal to \$4.50 per share, subject to adjustment and readjustment from time to time as provided in Section 13 of the Amended Senior Facility as described above.

FAILURE TO OBTAIN SHAREHOLDER APPROVAL

If shareholder approval for the issuance of shares of Common Stock is not obtained and all of the conversion shares are not approved for listing on the NYSE on or prior to October 31, 2002 (or December 31, 2002 in the event that the meeting of shareholders is delayed as a result of a unilateral action taken by SSC or a shareholder of SSC), the Amended Senior Facility shall bear interest on the principal amount thereof, from June 11, 2002 until the date such requisite approval is obtained, at an interest rate per annum equal to the interest rate otherwise in effect pursuant to the terms of the Amended Senior Facility plus five percent (5%).

In the event that shareholder approval of the issuance of the Common Stock is not approved, the Company may still issue up to 6,720,042 shares of Common Stock, representing 19.9% of the Company's outstanding Common Stock on the effective date of the Amended Senior Facility, to the Lenders.

SSC, who beneficially owns more than 50% of the Company's outstanding shares of Common Stock, has provided an irrevocable proxy to vote in favor of this proposal. Thus, the passage of the proposal is assured.

REGISTRATION RIGHTS

Each of the Lenders has the right to request in writing that the Company register all or part of its registrable securities by filing with the SEC a demand registration statement up to three times. The Company shall include in the registration statement: (i) the registrable securities intended to be disposed of and (ii) the registrable securities intended to be disposed of by any other holder thereof which shall have made a written request for inclusion thereof in such registration within 30 days after the receipt of written notice. Following a request, the Company shall use its reasonable best efforts to cause

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

to be filed with the SEC a registration statement providing for the registration under the Securities Act of the registrable securities which the Company has been so requested to register by all such holders. The Company shall use its reasonable best efforts to have such registration statement declared effective by the SEC as soon as practicable thereafter and to keep such registration statement continuously effective until such time as all of such registrable securities have been disposed of in accordance with the intended methods of disposition by the seller(s)

29

thereof set forth in such registration statement. Additionally, the Lenders have the right to register shares held by them in connection with other registrations made by the Company, subject to specified limitations.

LIMITATIONS ON THE RIGHTS OF THE LENDERS TO CONVERT

Until shareholder approval of this proposal is obtained and so long as the Common Stock is listed on the NYSE, the Lenders under the Amended Senior Facility may not convert amounts outstanding under the Amended Senior Facility into more than an aggregate of 19.9% of the Common Stock outstanding as of June 11, 2002 (the effective date of the Amended Senior Facility), or 6,720,042 shares of Common Stock (adjusted for stock splits and similar transactions).

EFFECT OF THE MERGER

If the Merger proposed in proposal five of this proxy statement is consummated, pursuant to the terms of the Amended Senior Facility, the Lenders will have the right to receive shares of common stock of the new holding company upon conversion of amounts due under the Amended Senior Facility on the same terms and conditions set forth in the Amended Senior Facility.

REQUIRED VOTE

The affirmative vote of the holders of a majority of shares of the Common Stock present and entitled to vote at the shareholder meeting is required to approve this proposal.

SSC, who beneficially owns more than 50% of the Company's outstanding shares of Common Stock, has provided an irrevocable proxy to vote in favor of this proposal. Thus, the passage of the proposal is assured.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK AS INTEREST ON AND UPON CONVERSION OF AMOUNTS OUTSTANDING THEREUNDER, AS WELL AS PURSUANT TO THE TERMS OF THE AMENDED SENIOR FACILITY.

PROPOSAL FOUR: APPROVAL OF AMENDMENT TO THE 2000 STOCK INCENTIVE PLAN

The Board of has unanimously approved an amendment to the Value City Department Stores, Inc. 2000 Stock Incentive Plan (the "2000 Plan"), subject to

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

approval of the amendment by the shareholders, to increase the number of shares that may be issued under the 2000 Plan from 3,000,000 to 13,000,000 and to increase the number of shares that may be awarded to an individual in any performance period from 2,500,000 to 3,000,000. At the Annual Meeting, there will be submitted to shareholders a proposal to approve the amendment to the 2000 Plan.

The following summary of the principal features of the 2000 Plan is qualified in its entirety by the full text of the 2000 Plan, as amended, which is attached hereto as Appendix C and incorporated herein by reference. A vote in favor of approving the amendment to the 2000 Plan will constitute approval of all terms of the 2000 Plan, including those applicable to covered officers designated from time to time by the Stock Option Committee.

PURPOSE

The 2000 Plan is intended to further the growth and profitability of the Company by providing increased incentives to, and encourage share ownership on the part of:

- certain employees of the Company and its affiliates ("Employees");
- consultants who provide significant services to the Company and its affiliates ("Consultants"); and
- directors of the Company who are employees of neither the Company nor any affiliate ("Non-employee Directors").

GENERAL

The 2000 Plan permits the granting of stock options, stock appreciation rights, restricted stock awards, performance units and performance shares (collectively, "Awards") to eligible participants. The total number of shares of the Company's common stock available for Awards to be granted under the 2000 Plan prior to the amendment was 3,000,000 shares, and is 13,000,000 shares as amended. If an Award expires or is canceled without having been fully exercised or vested, the unvested or cancelled shares will be available again for grants of Awards.

ADMINISTRATION OF THE 2000 PLAN

The 2000 Plan is administered by the Stock Option Committee appointed by the Company's Board. The members of the Stock Option Committee must qualify as "non-employee directors" under Rule 16b-3 under the Securities Exchange Act of 1934 ("Rule 16b-3"), and as "outside directors" under section 162(m) of the Code. Subject to the terms of the 2000 Plan, the Stock Option Committee has the sole discretion to determine the Employees and Consultants who shall be granted Awards, the terms and conditions of such Awards, and to construe and interpret the 2000 Plan. The Stock Option Committee also is responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect any transactions such as stock splits or stock dividends. The Stock Option Committee may delegate its authority to one or more directors or officers; provided, however, that the Stock Option Committee may not delegate its authority and powers (a) with respect to Section 16 persons, or (b) in any way which would jeopardize the 2000 Plan's qualification under Section 162(m) of the Code or Rule 16b-3. The Board may amend or terminate the 2000 Plan at any time and for any reason, but to the extent required under Rule 16b-3, material amendments to the 2000 Plan must be approved by shareholders.

ELIGIBILITY TO RECEIVE AWARDS

Management, Employees and Consultants of the Company and its affiliates

(i.e., any corporation or other entity controlling, controlled by, or under common control with the Company) are eligible to be selected to receive one or more Awards. The actual number of Employees and Consultants who will receive Awards under the 2000 Plan cannot be determined because eligibility for participation in the 2000 Plan is at the discretion of the Stock Option Committee. No participant may receive Awards covering more than 2,500,000 shares during any performance period under the 2000 Plan. If the amendment is approved by the shareholders, no participant will be able to receive Awards covering more than 3,000,000 shares during any performance period. The 2000 Plan also permits Non-employee Directors to elect to receive all or part of their annual retainer in shares of Common Stock, and provides for the automatic grant of options to

31

purchase 1,000 shares each fiscal quarter to Non-employee Directors. Non-employee Directors are not eligible for any of the other Awards available under the 2000 Plan.

AWARDS TO COVERED OFFICERS

For each performance period, the Stock Option Committee will designate, prior to the completion of 25% of the period (or such earlier or later date as is permitted or required by Section 162(m) of the Code), which executive officers are deemed to be "Covered Officers," the deductibility of whose compensation may be limited by Section 162(m) of the Code. All Awards to Covered Officers must be made in a manner that allows for the full deductibility of the Award by the Company. In general, options granted at fair market value will qualify. All other Awards must be contingent on the achievement of one or more "performance goals," based on the business criteria of the type defined in the 2000 Plan, in amounts determined by the Stock Option Committee prior to the completion of 25% of the performance period (or such earlier or later date as is permitted or required by Section 162(m) of the Code). Extraordinary events, as defined in the 2000 Plan will either be excluded or included in determining whether performance goals are achieved, whichever will produce the higher Award. The Stock Option Committee does, however, have the discretion to reduce or eliminate the amount of any Award, taking into consideration extraordinary events or other factors. In no event can an Award under the 2000 Plan to a Covered Officer be increased. Awards may be paid to Covered Officers only after the Stock Option Committee has certified in writing that the performance goals have been achieved.

OPTIONS

The Stock Option Committee may grant incentive stock options, which entitle the holder to favorable tax treatment, and/or nonqualified stock options. The number of shares covered by each option is determined by the Stock Option Committee. The price of the shares of Common Stock subject to each option is set by the Stock Option Committee but cannot be less than 25% of the fair market value of the shares on the date of grant. In addition, the exercise price of an incentive stock option must be at least 100% of fair market value on the grant date or 110% of fair market value if the participant owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company.

The exercise price of each option must be paid in full at the time of exercise. The Stock Option Committee also may permit payment through the tender of shares of Common Stock already owned by the participant, or by any other means which the Stock Option Committee determines to be consistent with the

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

Plan's purpose. Any taxes required to be withheld must be paid by the participant at the time of exercise. If the exercise price of an option is paid in shares, the Stock Option Committee may provide that the participant will receive a new option covering a number of shares equal to the number of shares tendered to exercise the previously granted option, including shares used for tax withholding. The terms and conditions of the new option generally will be similar to the terms and conditions applicable to the exercised option, except that the new option will have an exercise price determined on the date of its grant.

Options become exercisable and terminate at the times and on the terms established by the Stock Option Committee, but options generally may not expire later than 10 years after the date of grant.

STOCK APPRECIATION RIGHTS

Stock appreciation rights ("SARs") may be granted as a separate Award or together with an option. Upon exercise of an SAR, the participant will receive a payment from the Company equal to: (1) the excess of the fair market value of a share on the date of exercise over the exercise price, times (2) the number of shares with respect to which the SAR is exercised. SARs may be paid in cash or shares of Common Stock, as determined by the Stock Option Committee. The number of shares covered by each SAR is determined by the Stock Option Committee. The Stock Option Committee also determines the other terms and conditions of each SAR. SARs expire at the times established by the Stock Option Committee, but subject to the same maximum time limits as are applicable to employee options granted under the 2000 Plan.

RESTRICTED STOCK AWARDS

Restricted stock awards are shares of the Common Stock which vest in accordance with terms established by the Stock Option Committee in its discretion. For example, the Stock Option Committee may provide that restricted stock will vest only if one or more performance goals are satisfied and/or only if the participant remains employed with

32

the Company for a specified period of time. Any performance measures may be applied on a Company-wide or an individual business unit basis, as deemed appropriate in light of the participant's specific responsibilities.

PERFORMANCE UNITS AND PERFORMANCE SHARES

Performance units and performance shares are amounts credited to a bookkeeping account established for the participant. A performance unit has an initial value that is established by the Stock Option Committee at the time of its grant. A performance share has an initial value equal to the fair market value of a share of Common Stock on the date of grant. Whether a performance unit or share actually will result in a payment to a participant will depend upon the extent to which performance goals established by the Stock Option Committee are satisfied. The applicable performance goals and all other terms and conditions of the Award are determined by the Stock Option Committee. After a performance unit or share has vested, that is, after the applicable performance goal or goals have been achieved, the participant will be entitled to a payment of cash and/or common stock, as determined by the Stock Option Committee. The Stock Option Committee also may waive the achievement of any performance goals for any performance units or shares, but not for executive

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

officers.

NON-EMPLOYEE DIRECTOR OPTIONS AND STOCK

The 2000 Plan also provides for the automatic grant of stock options to Non-employee Directors. Each Non-employee Director automatically will receive, as of the first trading day in each fiscal quarter, an option to purchase 1,000 shares. The exercise price of each Non-employee Director option is 100% of the fair market value of the shares on the date of grant. Each such option becomes exercisable one year after the date of grant, assuming continuous service as a Non-employee Director.

All options granted to Non-employee Directors will expire ten years after the date of grant. If a director terminates service on the Board prior to an option's normal expiration date, the option will terminate three months after termination of service for any reason other than death, disability or retirement, but not later than the original maximum term of the option. Options will expire one year after termination on account of retirement, disability or death. The Non-employee Director provisions of the 2000 Plan are administered by the Board rather than the Stock Option Committee.

The 2000 Plan also permits each Non-employee Director to elect to forego receipt of all or a portion of the director's meeting fees in exchange for shares of Common Stock having a fair market value equal to the amount of foregone compensation. The number of shares received is determined by dividing the amount of foregone compensation by the fair market value of a share on the date that the compensation otherwise would have been paid.

FORFEITURE

If a participant or former participant engages in a breach of conduct, including conduct prejudicial to or in conflict with the Company or an affiliate or competes with the Company, all outstanding and unexercised Awards may be cancelled and terminated. In addition, participants may have to reimburse the Company for any gain realized or payment received upon the exercise or payment of an Award within one year of the harmful behavior.

AWARDS TO BE GRANTED TO CERTAIN INDIVIDUALS AND GROUPS

As described above, the Stock Option Committee has discretion to determine the number and type of Awards to be granted to any employee or consultant. Accordingly, the actual number and type of Awards to be granted in the future is not determinable, other than the automatic grant of options to Non-employee Directors. The following table sets forth the aggregate number of stock options and shares of restricted stock granted under the 2000 Plan as of July 31, 2002, subject to approval of the amendment to the 2000 Plan by shareholders.

NAME OF INDIVIDUAL OR GROUP -----	OPTION SHARES -----

All executive officers, as a group	4,774,000
All directors who are not executive Officers, as a group	54,000
All employees who are not executive Officers, as a group	2,731,317

NONTRANSFERABILITY OF OPTIONS

Except for nonqualified stock options, Awards granted under the 2000 Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution. Nonqualified stock options may be transferred for no consideration to family members or to trusts or other entities for their benefit, or to other persons, if approved by the Stock Option Committee.

TAX ASPECTS

Based on management's understanding of current federal income tax laws, the tax consequences of the grant of Awards under the 2000 Plan are, generally, as follows:

A recipient of an option or SAR granted under the 2000 Plan will not have regular taxable income at the time of grant.

Upon exercise of a nonqualified stock option or SAR, the optionee generally must recognize taxable income in an amount equal to the fair market value on the date of exercise of the shares received, minus the exercise price. If an SAR is paid in cash, the recipient must recognize taxable income in an amount equal to the cash payment. Any gain or loss recognized upon any later sale or other disposition of the acquired shares generally will be capital gain or loss.

Upon exercise of an incentive stock option, the optionee generally will not be required to recognize any regular taxable income on account of such exercise, provided the optionee does not dispose of the shares that he or she acquires within two years after the date the incentive stock option was granted, nor within one year after the exercise date. The optionee will have alternative minimum taxable income. Upon a later sale or other disposition of the shares, the optionee must recognize long-term capital gain and/or ordinary taxable income, depending upon whether the optionee holds the shares for the specified holding periods.

A participant who receives restricted stock or performance units or shares will not recognize taxable income upon receipt, but instead will recognize ordinary income when the shares or units vest. Alternatively, with respect to restricted stock, a participant may elect under section 83(b) of the Code to be taxed at the time of receipt. In all cases, the amount of ordinary income recognized by the participant will be equal to the fair market value of the shares at the time income is recognized, less the amount of any price paid for the shares. In general, any gain recognized thereafter will be capital gain.

At the discretion of the Stock Option Committee, a participant may satisfy tax withholding requirements under federal and state tax laws in connection with the exercise or receipt of an Award by electing to have shares withheld, or by delivering to the Company already-owned shares, having a value equal to the amount required to be withheld.

The Company generally will be entitled to a tax deduction in connection with an Award made under the 2000 Plan only to the extent that the participant recognizes ordinary income from the Award. Section 162(m) of the Code contains special rules regarding the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and to each of the other four most highly compensated executive officers. The general rule is that annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000 or qualifies as "performance-based" compensation under section 162(m) of the Code. The 2000 Plan has been designed so that Awards to Covered Officers should qualify as performance-based compensation under section 162(m) of the Code.

REQUIRED VOTE

Approval of the amendment to the 2000 Plan requires the affirmative vote of a majority of the shares represented and voting, in person or by proxy, at the Annual Meeting. No Awards granted subject to such approval will be paid pursuant to the 2000 Plan if shareholder approval is not obtained.

SSC, who beneficially owns more than 50% of the Company's outstanding shares of Common Stock, has provided an irrevocable proxy to vote in favor of this proposal. Thus, the passage of the proposal is assured.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE AMENDMENT TO THE 2000 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES THAT MAY BE ISSUED THEREUNDER FROM 3,000,000 TO 13,000,000 AND TO INCREASE THE NUMBER OF SHARES THAT MAY BE AWARDED TO AN INDIVIDUAL IN ANY PERFORMANCE PERIOD FROM 2,500,000 TO 3,000,000.

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

PROPOSAL FIVE: APPROVAL OF THE MERGER

The Board has unanimously approved a proposal to reorganize the Company whereby a subsidiary of the Company would merge with and into the Company thereby creating a holding company (the "Merger"). For the reasons set forth below, the Board unanimously recommends that you approve the Merger. The Company will cause a new Ohio corporation ("Holdings") to be incorporated as a direct wholly-owned subsidiary of the Company and Value City Merger Sub ("Merger Sub") to be incorporated as an Ohio corporation and as a wholly-owned subsidiary of Holdings. Merger Sub will then be merged with and into the Company.

SUMMARY OF THE EFFECTS OF THE MERGER

The following is a summary of the Merger and the merger agreement. A copy of the merger agreement is attached to this proxy statement as Appendix D (the "Merger Agreement"). This summary is qualified in its entirety by reference to the Merger Agreement. We urge you to read the agreement closely.

Upon approval by the Company's shareholders, the Merger will not change the law applicable to our corporate affairs and will not result in differences in your rights. Because the Merger involves a merger into the Company and a simultaneous share exchange, shareholders who do not vote in favor of the reorganization are entitled to appraisal rights.

MANNER OF EFFECTING THE MERGER

The Merger will be effected by merging Merger Sub with and into the Company in accordance with the terms of the Merger Agreement. At the effective time of the Merger, Holdings will receive newly-issued Common Stock of the Company as the surviving corporation of the Merger in exchange for the common stock of Merger Sub. Each share of Common Stock issued and outstanding immediately prior to the Merger will be converted into and exchanged for a share of common stock of Holdings (on a share-for-share basis) having the same designations, rights, powers, preferences, qualifications, limitations and restrictions, as the share of the Company being converted. As a result of the Merger, Holdings will become the sole shareholder of the Company.

Former shareholders of the Company will be required to surrender their certificates representing shares of Common Stock to the transfer agent and will receive a certificate representing shares of Holdings common stock in the same number as were represented by the Company certificate surrendered.

As a result of the Merger, Holdings will have substantially the same articles of incorporation, code of regulations, executive officers and directors that the Company had prior to the reorganization. The Merger will not result in the recognition of income or gain for federal income tax purposes by the shareholders of the Company. Holdings will also assume all of the Company's obligations under the various employee benefit plans. Each outstanding option to purchase Common Stock granted pursuant to the Company's stock option plans will be converted into an option to purchase the same number of shares of common stock of Holdings, with the same terms and conditions as the corresponding Company option. Each outstanding share of the Company's restricted Common Stock will be converted into restricted common stock of Holdings, with the same terms, conditions and restrictions as the corresponding Company restricted stock.

APPRAISAL RIGHTS

The following is a summary of the appraisal rights afforded to Company shareholders as a result of the Merger. A copy of the appraisal rights statute is attached to this proxy statement as Appendix E. This summary is qualified in its entirety by reference to the statute. We urge you to read the statute

closely.

The shareholder seeking to qualify as a dissenting shareholder must be a record holder of the shares as of the date fixed for the determination of shareholders entitled to receive notice of the meeting called for the purpose of voting upon the proposal. Additionally, the shareholder must not vote in favor of the proposal.

No later than ten (10) days after the date on which the vote on the Merger is approved by the shareholders, the shareholder must deliver to the Company a written demand for payment to the shareholder of the fair cash value of the shares as to which the shareholder seeks relief. The demand must include the shareholder's address, the number and

36

class of such shares held by the shareholder for which the shareholder is seeking relief, and the amount claimed by the shareholder as the fair cash value of the shares.

The Company, upon receipt of the demand notice, may then request the share certificates, representing the shares for which the shareholder seeks relief, be sent to the Company. The shareholder will have fifteen (15) days from the date of such request by the Company to deliver the certificates to the Company. Upon receipt of the certificates, the Company may attach a legend to the certificates indicating that a demand for fair value has been made and then promptly return such certificates to the shareholder. If the shareholder fails to deliver the certificates, then the Company may, at its option, terminate such shareholder's right to dissent by providing written notice to the shareholder of such shareholder's failure to deliver the certificates within twenty (20) days after the expiration of the fifteen (15) day period in which the shareholder had to deliver the certificate. However, a court, for good cause shown, may direct that such failure does not terminate the shareholder's right. In the event the dissenting shareholder holds uncertificated shares, then the Company shall make an appropriate notation of the demand for payment on its shareholder records. Any subsequent issuance of a certificate or certificates derived from a certificate or uncertificated shares for which a demand has been made for fair cash value shall also bear the legend described above.

If no agreement can be reached by the Company and the dissenting shareholder as to the fair cash value per share of the shares for which the dissenting shareholder seeks relief, either the dissenting shareholder or the Company may file, within three (3) months after the service of the demand by the dissenting shareholder, a complaint in the court of common pleas of the county where the principal offices of the Company is currently located or was located at the time the proposal was adopted. Other dissenting shareholders may join as plaintiffs or be joined as defendants in any such proceeding during this three month period. Also, two or more such actions may be consolidated.

The complaint itself must contain a brief statement of facts, including the vote taken and the results of that vote, and the facts entitling the dissenting shareholder to the relief demanded. No answer to the complaint is required. After the complaint is filed, regular court actions with respect to the filing of a complaint and the provision of notice thereof would be followed.

At the hearing on the complaint, the court will determine based upon the complaint and other evidence provided whether the dissenting shareholder is entitled to be paid the fair cash value of any shares and, if so, the number and

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

class of such shares. The court may appoint one or more appraisers to determine what the fair cash value is for those shares. The court would then make a finding as to the fair cash value of a share and render judgement against the Company to pay such amount within thirty (30) days of such decision or the consummation of the corporate action involved, whichever occurs last, along with such interest as the court deems equitable. The costs of the action shall also be assessed and apportioned as the court deems equitable.

A determination of fair cash value shall be determined as of the day prior to the day on which the vote by the shareholders was taken. The fair cash value is defined as "the amount that a willing seller who is under no compulsion to sell would be willing to accept and that a willing buyer who is under no compulsion to purchase would be willing to pay, but in no event shall the amount exceed the amount specified in the demand of the dissenting shareholder."

In the event that more than 10% of the Company's existing shareholders exercise their appraisal rights, the Company will not consummate the Merger.

OUR REASONS FOR SEEKING THE PROPOSED MERGER

The major reasons we are seeking to create a holding company structure is that it will give us more flexibility in future transactions with strategic partners, investors and the like, to facilitate, as appropriate, limitation of operational liabilities to individual operating units, and to simplify our day-to-day business operations. By implementing the holding company structure, only the assets of each operating company would be subject to the operating liabilities of such operating company. The reorganization would provide the greatest flexibility for structuring strategic relationships with third parties that are most advantageous to our shareholders.

FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The Merger will constitute a tax-free reorganization under Section 368 of the Code and the holders of Common Stock will not recognize any gain or loss as a result of the Merger of Merger Sub and exchange of shares of Common

37

Stock for shares of common stock of Holdings. For federal income tax purposes, each shareholder of the Company will retain the same tax basis in his or her common shares of Holdings as they had in the corresponding Common Stock held by the shareholder immediately prior to the effective time of the Merger, and the holding period for the common shares of Holdings will include the period during which the shareholder held the corresponding Common Stock.

Although the Company does not anticipate that state or local tax consequence will vary from the federal income tax consequences described above, shareholders should consult their own tax advisors as to the effect of the Merger under state, local or foreign income tax laws.

The affirmative vote of a majority of shares outstanding and entitled to vote is necessary to approve and adopt Proposal for the Merger. A vote FOR the Merger will constitute approval of the Merger Agreement and the transactions contemplated thereby and hereby.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE MERGER.

PROPOSAL SIX: APPROVAL OF THE VALUE CITY
2003 INCENTIVE COMPENSATION PLAN

The Value City 2003 Incentive Compensation Plan (the "Incentive Plan") has been adopted by the Company, subject to shareholder approval. The Incentive Plan is designed to (i) optimize the growth and profitability of the Company by providing to certain key executive officers incentives that encourage, recognize, and reward exceptional levels of corporate, business unit, or individual performance, (ii) use award dollars as a clear communication vehicle linking the interests of eligible key executive officers with the interests of the Company by establishing a direct link between performance and incentive payments, and (iii) qualify compensation paid to "Covered Officers" as defined in the Incentive Plan as "other performance-based compensation" within the meaning of section 162 (m) of the Internal Revenue Code of 1986 as amended (the "Code"), or any similar successor provision. The Incentive Plan is in addition to other incentive compensation plans that apply to associates of the Company that are not Covered Officers. The following is a summary of the Incentive Plan, which is qualified in its entirety by reference to the Incentive Plan, a copy of which is attached as Appendix F to this Proxy Statement.

All Executive Officers are eligible to be chosen to participate in the Incentive Plan. The Compensation Committee designates those executive officers of the Company as Covered Officers whose compensation for the year is anticipated to be affected by the Code Section 162 (m) limitation on the deductibility of compensation. Each executive officer of the Company who is approved for participation in the Incentive Plan by the Compensation Committee shall be a Covered Officer as of the date designated. The Compensation Committee may withdraw its approval for participation for a Covered Officer at any time. In the event of such withdrawal, the covered officer concerned shall cease to be an active Participant as of the date selected by the Compensation Committee.

Each Award to a Covered Officer must contain one or more performance goals, the material terms of which must conform to one or any combination of the goals enumerated in Section 5.1 of the Incentive Plan, attached hereto. For each Covered Officer, the Compensation Committee must establish written performance goals and potential Awards expressed as a percentage of base salary within than 90 days after the commencement of the fiscal year to which the goal relates.

Three Covered Officers participated in the Incentive Plan in Fiscal 2001. For Fiscal 2001 no bonuses were paid pursuant to the Company's Incentive Compensation Plan.

After the end of each Performance Period or such earlier date if the respective performance goals are achieved, the Compensation Committee shall certify to that effect in writing, prior to the unconditional payment of any Award. The Compensation Committee shall then determine the actual Award for each Participant relative to the level of achievement of the respective performance goals. The Compensation Committee, in its discretion, may cancel or decrease an Award, but may not under any circumstances increase such Award with respect to any "Covered Officer". Any other provision of the Incentive Plan notwithstanding, the maximum aggregate Award a Participant may earn for a particular Fiscal Year is \$4,000,000.

The Board of Directors may modify, amend, or terminate in whole or in part, any or all of the provisions of the Incentive Plan, except as to those terms or provisions that are required by Section 162(m) of the Code to be

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

approved by the Company's shareholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE VALUE CITY 2003 INCENTIVE COMPENSATION PLAN.

(b) In the event that, prior to the exercise in full of this Warrant, the Company issues any shares of Common Stock upon the conversion of Convertible Securities outstanding

on the date hereof (including, without limitation, the Convertible Facility) (a "Conversion"), the number of Warrant Shares issuable upon the exercise of this Warrant (whether or not this Warrant has been partially exercised) shall be automatically increased by the number of shares equal to 4.375% of the shares of Common Stock issued upon such Conversion, and the Purchase Price shall not be adjusted in connection with such increase. Any adjustments made to the Purchase Price or the number of Warrant Shares issuable upon exercise of the Warrant prior to such Conversion shall be made as if the Warrant were initially exercisable for such increased number of shares. Upon each such Conversion, the Company shall promptly deliver to the Holder the report required by Section 7 hereof.

3.2. ADJUSTMENT OF PURCHASE PRICE FOR NEW ISSUANCES.

(b) TREATMENT OF OPTIONS AND CONVERTIBLE SECURITIES. Shares of Additional Shares of Common Stock shall be deemed issued if the Company at any time or from time to time after the date hereof shall issue, sell, grant or assume, or shall fix a record date for the determination of holders of any class of securities of the Company entitled to receive, any Options or Convertible Securities (whether or not the rights thereunder are immediately exercisable) for a consideration per share (determined pursuant to Section 3.6) that is less than the Purchase Price in effect on the date of and immediately prior to such issue, sale, grant or assumption or immediately prior to the close of business on such record date (or, if the Common Stock trades on an ex-dividend basis, on the date prior to the commencement of ex-dividend trading). Such issuance shall be deemed to occur (i) as of the time of such issue, sale, grant or assumption of the Convertible Securities or Options or (ii) in case such a record date shall have been fixed, as of the close of business on such record date (or, if the Common Stock trades on an ex-dividend basis, on the date prior to the commencement of ex-dividend trading). No further adjustment of the Purchase Price shall be made upon the subsequent issuance of shares of Common Stock upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

3.3. EXTRAORDINARY DIVIDENDS AND DISTRIBUTIONS. If the Company at any time or from time to time after the date hereof shall declare, order, pay or make a dividend or other distribution (including, without limitation, any distribution of other or additional stock or other securities or property or Options by way of dividend or spin-off, reclassification, recapitalization or similar corporate rearrangement) on the Common Stock other than (a) a dividend payable in shares of Common Stock subject to Section 3.4, or (b) a regularly scheduled cash dividend payable out of consolidated earnings or earned surplus, determined in accordance with generally accepted accounting principles or (c) a deemed issuance of Additional Shares of Common Stock pursuant to Section 3.2(b), in each such case, subject to Section 3.8, adequate provision shall be made so that the Holder shall receive, upon Warrant exercise, a pro rata share of such dividend

or other distribution based upon the maximum number of shares of Common Stock at the time issuable to the Holder (determined without regard to whether the Warrant is exercisable at such time); PROVIDED, however, that if pursuant to Section 2.1(c) the Allocated Warrants are assigned to SSC, then that portion of the Holder's pro rata share of such dividend or other distribution attributable to the Allocated Warrants shall be deemed assigned to SSC along with the Allocated Warrants.

3.4. TREATMENT OF STOCK DIVIDENDS, STOCK SPLITS, ETC. In case the Company at any time or from time to time after the date hereof shall declare or pay any dividend on the Common Stock payable in Common Stock, or shall effect a subdivision of the outstanding shares of Common Stock into a greater number of shares of Common Stock (by reclassification or otherwise than by payment of a dividend in Common Stock), then, and in each such case, the number of shares of Common Stock obtainable upon exercise of this Warrant shall be proportionately increased and the Purchase Price shall be proportionately decreased. In case the Company at any time or from time to time after the date hereof shall effect any combination or consolidation of the outstanding shares of Common Stock into a lesser number of shares of Common Stock, then, and in each such case, the number of shares of Common Stock obtainable upon exercise of this Warrant shall be proportionately decreased and the Purchase Price shall be proportionately increased. Any adjustment made under this Section shall become effective (a) in the case of any such dividend, immediately after the close of business on the record date for the determination of holders of any class of securities entitled to receive such dividend, or (b) in the case of any such subdivision, at the close of business on the day immediately prior to the day upon which such corporate action becomes effective.

3.5. ADJUSTMENT OF PURCHASE PRICE FOR OTHER ISSUANCES.

(a) ISSUANCE OF ADDITIONAL SHARES OF COMMON STOCK. In case the Company at any time or from time to time after the date hereof shall issue or sell Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Section 3.5(b)) for a consideration per share less than the Current Market Price but greater than the Purchase Price in effect immediately prior to such issue or sale, then, and in each such case, subject to Section 3.8, the Purchase Price shall be reduced concurrently with such issue or sale, to a price (calculated to the nearest .01 of a cent) determined by multiplying such Purchase Price by a fraction

(x) The numerator of which shall be the sum of (i) the number of shares of Common Stock outstanding immediately prior to such issue or sale and (ii) the number of shares of Common Stock which the aggregate consideration received by the Company for the total number of such Additional Shares of Common Stock so issued or sold would purchase at such Current Market Price, and

(y) The denominator of which shall be the number of shares of Common Stock outstanding immediately after such issue or sale, PROVIDED that, for the purposes of this Section 3.5, (x) immediately after any Additional Shares of Common Stock are deemed to have been issued pursuant to Section 3.5(b), such Additional Shares shall be deemed to be outstanding, and (y) treasury shares shall not be deemed to be outstanding.

(b) TREATMENT OF OPTIONS AND CONVERTIBLE SECURITIES. In case the Company at any time or from time to time after the date hereof shall issue, sell, grant or assume, or shall fix a record date for the determination of holders of any class of securities of the Company entitled to receive, any Options or Convertible Securities (whether or not the rights thereunder are immediately exercisable) and the consideration per share (determined pursuant to Section 3.6) of the shares issuable upon the exercise of such Options or, in the case of Convertible Securities and the Options therefor, the conversion or exchange of such Convertible Securities would be less than the Current Market Price but greater than Purchase Price in effect on the date of and immediately prior to such issue, sale, grant or assumption or immediately prior to the close of business on such record date (or, if the Common Stock trades on an ex-dividend basis, on the date prior to the commencement of ex-dividend trading), then, and in each such case, the maximum number of Additional Shares of Common Stock (as set forth in the instrument relating thereto, without regard to any provisions contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued for the purposes of Section 3.5 as of the time of such issue, sale, grant or assumption or, in case such a record date shall have been fixed, as of the close of business on such record date (or, if the Common Stock trades on an ex-dividend basis, on the date prior to the commencement of ex-dividend trading, PROVIDED, that in any such case in which Additional Shares of Common Stock are deemed to be issued:

(i) whether or not the Additional Shares of Common Stock underlying such Options or Convertible Securities are deemed to be issued, no further adjustment of the Purchase Price shall be made upon the subsequent issue or sale of Convertible Securities or shares of Common Stock upon the exercise of such Options or the conversion or exchange of such Convertible Securities, except in the case of any such Options or Convertible Securities which contain provisions requiring an adjustment, subsequent to the date of the issue or sale thereof, of the number of Additional Shares of Common Stock issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities by reason of (x) a change of control of the Company, (y) the acquisition by any Person or group of Persons of any specified number or percentage of the voting securities of the Company or (z) any similar event or occurrence, each such case to be deemed hereunder to involve a separate issuance of Additional Shares of Common Stock, Options or Convertible Securities, as the case may be;

(ii) if such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any increase in the consideration payable to the Company, or decrease in the number of Additional Shares of Common Stock issuable, upon the exercise, conversion or exchange thereof (by change of rate or otherwise), the Purchase Price computed upon the original issue, sale, grant or assumption thereof (or upon the occurrence of the record date, or date prior to the commencement of ex-dividend trading, as the case may be, with respect thereto), and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be recomputed to reflect such increase or decrease insofar as it affects such Options, or the rights of conversion or exchange under such Convertible Securities, which are outstanding at such time;

(iii) upon the expiration (or purchase by the Company and cancellation or retirement) of any such Options which shall not have been exercised or the expiration of any rights of conversion or exchange under any such Convertible Securities which (or purchase by the Company and cancellation or retirement of any such Convertible Securities the rights of conversion or exchange under which) shall not have been exercised, the Purchase Price computed upon the original issue, sale, grant or assumption thereof (or upon the occurrence of the record date, or date prior to the commencement of ex-dividend trading, as the case may be, with respect thereto), and any subsequent adjustments based thereon, shall, upon such expiration (or such cancellation or retirement, as the case may be), be recomputed as if:

(x) in the case of Options for Common Stock or Convertible Securities, the only Additional Shares of Common Stock issued or sold were the Additional Shares of Common Stock, if any, actually issued or sold upon the exercise of such Options or the conversion or exchange of such Convertible Securities and the consideration received therefor was the consideration actually received by the Company for the issue, sale, grant or assumption of all such Options, whether or not exercised, plus the consideration actually received by the Company upon such exercise, or for the issue or sale of all such Convertible Securities which were actually converted or exchanged, plus the additional consideration, if any, actually received by the Company upon such conversion or exchange, and

(y) in the case of Options for Convertible Securities, only the Convertible Securities, if any, actually issued or sold upon the exercise of such Options were issued at the time of the issue or sale, grant or assumption of such Options, and the consideration received by the Company for the Additional Shares of Common Stock deemed to have then been issued was the consideration actually received by the Company for the issue, sale, grant or assumption of all such Options, whether or not exercised, plus the consideration deemed to have been received by the Company (pursuant to Section 3.6) upon the issue or sale of such Convertible Securities with respect to which such Options were actually exercised; and

(iv) no readjustment pursuant to subdivision (ii) or (iii) above shall have the effect of decreasing the Purchase Price by an amount in excess of the amount of the adjustment thereof originally made in respect of the issue, sale, grant or assumption of such Options or Convertible Securities.

3.6. COMPUTATION OF CONSIDERATION. For the purposes of this Section 3,

(a) the consideration for the issue or sale of any Additional Shares of Common Stock shall, irrespective of the accounting treatment of such consideration,

(i) insofar as it consists of cash, be computed at the gross cash proceeds to the Company, without deducting any expenses paid or incurred by the Company or any

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

underwriters, dealers or others performing similar services in connection with such issue or sale,

(ii) insofar as it consists of property (including securities) other than cash, be computed at the Fair Value thereof at the time of such issue or sale, and

(iii) in case Additional Shares of Common Stock are issued or sold together with other stock or securities or other assets of the Company for a consideration which covers both, be the portion of such consideration so received, computed as provided in clauses (i) and (ii) above, allocable to such Additional Shares of Common Stock, such allocation to be determined in the same manner that the Fair Value of property not consisting of cash or securities is to be determined as provided in the definition of 'Fair Value' herein; and

(b) Additional Shares of Common Stock deemed to have been issued pursuant to Sections 3.2(b) and 3.5(b), relating to Options and Convertible Securities, shall be deemed to have been issued for a consideration per share determined by dividing

(i) the total amount, if any, received and receivable by the Company as consideration for the issue, sale, grant or assumption of the Options or Convertible Securities in question, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration to protect against dilution) payable to the Company upon the exercise in full of such Options or the conversion or exchange of such Convertible Securities or, in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, in each case computing such consideration as provided in the foregoing subdivision (a),

by

(ii) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number to protect against dilution) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

3.7. DILUTION IN CASE OF OTHER SECURITIES. In case any Other Securities shall be issued or sold or shall become subject to issue or sale upon the conversion or exchange of any stock (or Other Securities) of the Company (or any issuer of Other Securities or any other Person referred to in Section 4) or to subscription, purchase or other acquisition pursuant to any Options issued or granted by the Company (or any such other issuer or Person) for a consideration such as to dilute, on a basis consistent with the standards established in the other provisions of this Section 3, the purchase rights, if any, with respect to such Other Securities, granted by this Warrant, then, and in each such case, the computations, adjustments and readjustments provided for in this Section 3 with respect to the Purchase Price shall be made as nearly as possible in the manner so provided and applied to determine the amount of Other Securities from time to time

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

receivable upon the exercise of the Warrants, so as to protect the holders of the Warrants against the effect of such dilution.

3.8. DE MINIMIS ADJUSTMENTS. If the amount of any adjustment of the Purchase Price required pursuant to Section 3.5 would be less than one tenth (1/10) of one percent (1%) of the Purchase Price in effect at the time such adjustment is otherwise so required to be made, such amount shall be carried forward and adjustment with respect thereto made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate a change in the Purchase Price of at least one tenth (1/10) of one percent (1%) of such Purchase Price. All calculations under this Warrant shall be made to the nearest one-hundredth of a share.

3.9. ABANDONED DIVIDEND OR DISTRIBUTION. If the Company shall take a record of the holders of its Common Stock for the purpose of entitling them to receive a dividend or other distribution (which results in an adjustment to the Purchase Price under the terms of this Warrant) and shall, thereafter, and before such dividend or distribution is paid or delivered to shareholders entitled thereto, legally abandon its plan to pay or deliver such dividend or distribution, then any adjustment made to the Purchase Price by reason of the taking of such record shall be reversed, and any subsequent adjustments, based thereon, shall be recomputed; PROVIDED, however, that no additional Purchase Price or any other adjustment shall be required with regard to Warrant Shares that have been issued upon exercise of the Warrant prior to such abandonment.

3.10. PURCHASE PRICE RESET. If the consolidated EBITDA of the Company and its subsidiaries for the fiscal year ending February 1, 2003, is less than \$90,000,000 or the combined, unconsolidated EBITDA of each of the Company (excluding Subsidiaries), Value City Limited Partnership, Value City of Michigan, Inc. GB Retailers, Inc., Gramex Retail Stores, Inc., VCD, Ltd. and any Person acquired after the date hereof that operates Value City department stores is less than \$35,000,000 in the aggregate, then effective as of the close of business on February 1, 2003, the Purchase Price shall be reduced to \$4.00 per share and the number of shares issuable upon exercise of this Warrant shall be increased to give effect to all adjustments as provided in this Section 3 which were made prior to February 3, 2003, as if the Purchase Price on the date hereof had been \$4.00 per share.

4. CONSOLIDATION, MERGER, ETC.

4.1. ADJUSTMENTS FOR CONSOLIDATION, MERGER, SALE OF ASSETS, REORGANIZATION, ETC. In case the Company after the date hereof (a) shall consolidate with or merge into any other Person and shall not be the continuing or surviving corporation of such consolidation or merger, or (b) shall permit any other Person to consolidate with or merge into the Company and the Company shall be the continuing or surviving Person but, in connection with such consolidation or merger, the Common Stock or Other Securities shall be changed into or exchanged for stock or other securities of any other Person or cash or any other property, or (c) shall transfer all or substantially all of its properties or assets to any other Person, or (d) shall effect a capital reorganization or reclassification of the Common Stock or Other Securities (other than a capital reorganization or reclassification for which adjustment in the Purchase Price and the number of shares of Common Stock obtainable upon exercise of this Warrant is provided in Section 3.4),

then, and in the case of each such transaction, proper provision shall be made so that, upon the basis and the terms and in the manner provided in this Warrant, the Holder of this Warrant, upon the exercise hereof at any time after the consummation of such transaction, shall be entitled to receive (at the aggregate Purchase Price in effect at the time of such consummation for all Common Stock or Other Securities issuable upon such exercise immediately prior to such consummation), in lieu of the Common Stock or Other Securities issuable upon such exercise prior to such consummation, the highest amount of securities, cash or other property to which such Holder would actually have been entitled as a shareholder upon such consummation if such Holder had exercised this Warrant immediately prior thereto, subject to adjustments (subsequent to such consummation) as nearly equivalent as possible to the adjustments provided for in Sections 3 through 5, PROVIDED that if a purchase, tender or exchange offer shall have been made to and accepted by the holders of more than 50% of the outstanding shares of Common Stock, and if the Holder so designates in a notice given to the Company on or before the date immediately preceding the date of the consummation of such transaction, the Holder of this Warrant shall be entitled to receive the highest amount of securities, cash or other property to which it would actually have been entitled as a shareholder if the Holder of this Warrant had exercised this Warrant, including the payment of the Purchase Price in accordance with Section 2.1(b) hereof, prior to the expiration of such purchase, tender or exchange offer and accepted such offer, subject to adjustments (from and after the consummation of such purchase, tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in Section 3 through 5.

4.2. ASSUMPTION OF OBLIGATIONS. Notwithstanding anything contained in this Warrant or in the Financing Agreement to the contrary, the Company shall not effect any of the transactions described in clauses (a) through (d) of Section 4.1 unless, prior to the consummation thereof, each Person (other than the Company) which may be required to deliver any stock, securities, cash or property upon the exercise of this Warrant as provided herein shall assume, by written instrument delivered to, and reasonably satisfactory to, the Holder of this Warrant, (a) the obligations of the Company under this Warrant (and if the Company shall survive the consummation of such transaction, such assumption shall be in addition to, and shall not release the Company from, any continuing obligations of the Company under this Warrant), (b) the obligations of the Company under the Registration Rights Agreement and (c) the obligation to deliver to the Holder such shares of stock, securities, cash or property as, in accordance with the foregoing provisions of this Section 4, the Holder may be entitled to receive. Nothing in this Section 4 shall be deemed to authorize the Company to enter into any transaction not otherwise permitted by the Financing Agreement.

5. OTHER DILUTIVE EVENTS. In case any event shall occur as to which the provisions of Section 3 or Section 4 hereof are not strictly applicable or if strictly applicable would not fairly protect the purchase rights of the Holder in accordance with the essential intent and principles of such Sections, then in each such case, the Board of Directors of the Company shall make an adjustment in the application of such provisions, in accordance with such essential intent and principles, so as to preserve, without dilution, the purchase rights represented by this Warrant.

A-14

6. NO DILUTION OR IMPAIRMENT. The Company shall not, by amendment of its articles of incorporation or through any consolidation, merger, reorganization, transfer of assets, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance

of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Holder of this Warrant against dilution or other impairment. Without limiting the generality of the foregoing, the Company (a) shall not permit the par value of any shares of stock receivable upon the exercise of this Warrant to exceed the amount payable therefor upon such exercise, (b) shall take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of stock, free from all liens, security interests, encumbrances (in each of the foregoing cases, other than those imposed by the Holder), taxes, preemptive rights and charges on the exercise of the Warrants from time to time outstanding, and (c) shall not take any action which results in any adjustment of the Purchase Price if the total number of shares of Common Stock (or Other Securities) issuable after the action upon the exercise of all of the Warrants would exceed the total number of shares of Common Stock (or Other Securities) then authorized by the Company's articles of organization and available for the purpose of issue upon such exercise.

7. ACCOUNTANTS' REPORT. In each case of any adjustment or readjustment in the number of shares of Common Stock (or Other Securities) issuable upon the exercise of this Warrant or in the Purchase Price, including, without limitation, pursuant to Section 3.1, 3.2, 3.4, 3.5 or 3.10, the Company at its sole expense shall promptly compute such adjustment or readjustment in accordance with the terms of this Warrant and prepare a report setting forth such adjustment or readjustment and showing in reasonable detail the method of calculation thereof and the facts upon which such adjustment or readjustment is based, including a statement of (a) the consideration received or to be received by the Company for any Additional Shares of Common Stock issued or sold or deemed to have been issued under Section 3, (b) the number of shares of Common Stock outstanding or deemed to be outstanding, and (c) the Purchase Price in effect immediately prior to such issue or sale and as adjusted and readjusted (if required by Section 3) on account thereof. The Company shall forthwith mail a copy of each such report to each holder of a Warrant. In the event that a holder of a Warrant disagrees with such report, the Company shall cause independent certified public accountants of recognized national standing (which may be the regular auditors of the Company) selected by the Company to review and verify or revise such computation (other than any computation of the Fair Value of property) and report. The Company shall also keep copies of all such reports at its principal office and shall cause the same to be available for inspection at such office during normal business hours by any holder of a Warrant or any prospective purchaser of a Warrant designated by the holder thereof.

8. NOTICES OF CORPORATE ACTION. In the event of:

(a) any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, or

(b) any capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company, any consolidation or merger involving the Company and any other Person, any transaction or series of transactions in which more than 50% of the voting securities of the Company are transferred to another Person, or any transfer, sale or other disposition of all

or substantially all the assets of the Company to any other Person, or

(c) any voluntary or involuntary dissolution, liquidation or winding-up of the Company,

the Company shall mail to each holder of a Warrant a notice specifying (i) the date or expected date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right, and (ii) the date or expected date on which any such reorganization, reclassification, recapitalization, consolidation, merger, transfer, sale, disposition, dissolution, liquidation or winding-up is to take place and the time, if any such time is to be fixed, as of which the holders of record of Common Stock (or Other Securities) shall be entitled to exchange their shares of Common Stock (or Other Securities) for the securities or other property deliverable upon such reorganization, reclassification, recapitalization, consolidation, merger, transfer, dissolution, liquidation or winding-up. Such notice shall be mailed at least 20 days prior to the date therein specified.

9. REGISTRATION OF COMMON STOCK. If any shares of Common Stock required to be reserved for purposes of exercise of this Warrant require registration with or approval of any governmental authority under any federal or state law (other than the Securities Act) before such shares may be issued upon exercise, the Company shall, at its expense and as expeditiously as possible, use its best efforts to cause such shares to be duly registered or approved, as the case may be. At any such time as Common Stock is listed on any national securities exchange, the Company shall, at its expense, obtain promptly and maintain the approval for listing on each such exchange, upon official notice of issuance, the shares of Common Stock issuable upon exercise of the then outstanding Warrants and maintain the listing of such shares after their issuance; and the Company shall also list on such national securities exchange, shall register under the Exchange Act and shall maintain such listing of, any Other Securities that at any time are issuable upon exercise of the Warrants, if and at the time that any securities of the same class shall be listed on such national securities exchange by the Company.

10. RESTRICTIONS ON TRANSFER.

10.1. RESTRICTIVE LEGENDS. Except as otherwise permitted by this Section 10, each Warrant (including each Warrant issued upon the transfer of any Warrant) shall be stamped or otherwise imprinted with a legend in substantially the following form:

"THIS WARRANT AND ANY SECURITIES ACQUIRED UPON THE EXERCISE OF THIS WARRANT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAW OF ANY STATE, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE

EXEMPTION TO THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS. THIS WARRANT AND SUCH SECURITIES MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT IN COMPLIANCE WITH THE TERMS AND CONDITIONS SPECIFIED IN THIS WARRANT.

Except as otherwise permitted by this Section 10, each certificate for Common

Stock (or Other Securities) issued upon the exercise of any Warrant, and each certificate issued upon the transfer of any such Common Stock (or Other Securities), shall be stamped or otherwise imprinted with a legend in substantially the following form:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAW OF ANY STATE, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION TO THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS."

10.2. TRANSFER TO COMPLY WITH THE SECURITIES ACT. Restricted Securities may not be sold, assigned, pledged, hypothecated, encumbered or in any manner transferred or disposed of (a "Transfer"), in whole or in part, except in compliance with the provisions of the Securities Act and state securities or Blue Sky laws and the terms and conditions hereof.

10.3. NOTICE OF TRANSFER. Each Holder shall, prior to any Transfer of any Warrants, give written notice to the Company of such Holder's intention to Transfer.

10.4. TERMINATION OF RESTRICTIONS. The restrictions imposed by this Section 10 on the transferability of Restricted Securities shall cease and terminate as to any particular Restricted Securities (a) when a registration statement with respect to the sale of such securities shall have been declared effective under the Securities Act and such securities shall have been disposed of in accordance with such registration statement, (b) when such securities are sold pursuant to Rule 144 (or any similar provision then in force) under the Securities Act, or (c) when, in the reasonable opinion of both counsel for the Holder and counsel for the Company, such restrictions are no longer required or necessary in order to protect the Company against a violation of the Securities Act upon any sale or other disposition of such securities without registration thereunder. Whenever such restrictions shall cease and terminate as to any Restricted Securities, the Holder shall be entitled to receive from the Company, without expense, new securities of like tenor not bearing the applicable legends required by Section 10.1.

10.5. EXEMPT TRANSFERS. The restrictions on the transfer of this Warrant or the Warrant Shares set forth in this Section 10 shall not apply to any transfer to an affiliate of the Holder or to any transfer to any other Person, PROVIDED that such transfer is made in compliance with the provisions of the Securities Act and state securities laws.

A-17

11. RESERVATION OF STOCK, ETC. The Company shall at all times reserve and keep available, solely for issuance and delivery upon exercise of this Warrant, the number of shares of Common Stock (or Other Securities) from time to time issuable upon exercise of this Warrant. All shares of Common Stock (or Other Securities) issuable upon exercise of any Warrants shall be duly authorized and, when issued upon such exercise, shall be validly issued and, in the case of shares, fully paid and nonassessable, with no liability on the part of the holders thereof, and, in the case of all securities, shall be free from all liens, security interests, encumbrances (in each of the foregoing cases, other than those imposed by the Holder), taxes, preemptive rights and charges. The transfer agent for the Common Stock, and every subsequent transfer agent for any shares of the Company's capital stock issuable upon the exercise of any of

the purchase rights represented by this Warrant, are hereby irrevocably authorized and directed at all times until the Expiration Date to reserve such number of authorized and unissued shares as shall be requisite for such purpose. The Company shall keep copies of this Warrant on file with the transfer agent for the Common Stock and with every subsequent transfer agent for any shares of the Company's capital stock issuable upon the exercise of the rights of purchase represented by this Warrant. The Company shall supply such transfer agent with duly executed stock certificates for such purpose. All Warrants surrendered upon the exercise of the rights thereby evidenced shall be canceled, and such canceled Warrants shall constitute sufficient evidence of the number of shares of stock which have been issued upon the exercise of such Warrants. Subsequent to the Expiration Date, no shares of stock need be reserved in respect of any unexercised Warrant.

12. REGISTRATION AND TRANSFER OF WARRANTS, ETC.

12.1. WARRANT REGISTER; OWNERSHIP OF WARRANTS. Each Warrant issued by the Company shall be numbered and shall be registered in a warrant register (the "Warrant Register") as it is issued and transferred, which Warrant Register shall be maintained by the Company at its principal office or, at the Company's election and expense, by a Warrant agent or the transfer agent. The Company shall be entitled to treat the registered Holder of any Warrant on the Warrant Register as the owner in fact thereof for all purposes and shall not be bound to recognize any equitable or other claim to or interest in such Warrant on the part of any other Person, and shall not be affected by any notice to the contrary, except that, if and when any Warrant is properly assigned in blank, the Company may (but shall not be obligated to) treat the bearer thereof as the owner of such Warrant for all purposes. Subject to Section 10, a Warrant, if properly assigned, may be exercised by a new holder without a new Warrant first having been issued.

12.2. TRANSFER OF WARRANTS. Subject to compliance with Section 10, if applicable, this Warrant and all rights hereunder are transferable in whole or in part, without charge to the Holder hereof, upon surrender of this Warrant with a properly executed Form of Assignment attached hereto as Exhibit B at the principal office of the Company. Upon any partial transfer, the Company shall at its expense issue and deliver to the Holder a new Warrant of like tenor, in the name of the Holder, which shall be exercisable for such number of shares of Common Stock with respect to which rights under this Warrant were not so transferred.

12.3. REPLACEMENT OF WARRANTS. On receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this

A-18

Warrant and, in the case of any such loss, theft or destruction of this Warrant, on delivery of an indemnity agreement reasonably satisfactory in form and amount to the Company or, in the case of any such mutilation, on surrender of such Warrant to the Company at its principal office and cancellation thereof, the Company at its expense shall execute and deliver, in lieu thereof, a new Warrant of like tenor.

12.4. ADJUSTMENTS TO PURCHASE PRICE AND NUMBER OF SHARES. Notwithstanding any adjustment in the Purchase Price or in the number or kind of shares of Common Stock purchasable upon exercise of this Warrant, any Warrant theretofore or thereafter issued may continue to express the same number and

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

kind of shares of Common Stock as are stated in this Warrant, as initially issued.

12.5. FRACTIONAL SHARES. Notwithstanding any adjustment pursuant to Section 3 in the number of shares of Common Stock covered by this Warrant or any other provision of this Warrant, the Company shall not be required to issue fractions of shares upon exercise of this Warrant or to distribute certificates which evidence fractional shares. In lieu of fractional shares, the Company shall make payment to the Holder, at the time of exercise of this Warrant as herein provided, in an amount in cash equal to such fraction multiplied by the Current Market Price of a share of Common Stock on the date of Warrant exercise.

13. REMEDIES; SPECIFIC PERFORMANCE. The Company stipulates that there would be no adequate remedy at law to any Holder in the event of any default or threatened default by the Company in the performance of or compliance with any of the terms of this Warrant and accordingly, the Company agrees that, in addition to any other remedy to which the Holder may be entitled at law or in equity, the Holder shall be entitled to seek to compel specific performance of the obligations of the Company under this Warrant, without the posting of any bond, in accordance with the terms and conditions of this Warrant in any court of the United States or any State thereof having jurisdiction, and if any action should be brought in equity to enforce any of the provisions of this Warrant, the Company shall not raise the defense that there is an adequate remedy at law. Except as otherwise provided by law, a delay or omission by the Holder hereto in exercising any right or remedy accruing upon any such breach shall not impair the right or remedy or constitute a waiver of or acquiescence in any such breach. No remedy shall be exclusive of any other remedy. All available remedies shall be cumulative.

14. NO RIGHTS OR LIABILITIES AS SHAREHOLDER. Nothing contained in this Warrant shall be construed as conferring upon the Holder hereof any rights as a shareholder of the Company or as imposing any obligation on the Holder to purchase any securities or as imposing any liabilities on the Holder as a shareholder of the Company, whether such obligation or liabilities are asserted by the Company or by creditors of the Company.

The Borrower acknowledges and agrees that upon the effectiveness of this Agreement, the aggregate principal amount of such Advances shall automatically and immediately be deemed to constitute the "Loan" to the Borrower by the Lenders under this Agreement. It is the intention of the parties hereto that this Agreement and the consolidation and substitution of the Note for the existing "Notes" referred to in the Original Loan Agreement (the "OLD NOTE") shall not in any way constitute (i) a forgiveness of the indebtedness of the Borrower under the Old Note, (ii) a release of the Borrower from such obligations, or (iii) a novation of the Old Note.

(b) Any principal amount of the Loan which is prepaid or repaid may not be reborrowed.

Section 2.02 NOTES; REPAYMENT OF LOAN.

(b) INTEREST AND FEES. Any prepayment made pursuant to this Section 2.04 shall be accompanied by accrued interest on the principal amount being prepaid to the date of prepayment, and if such prepayment would reduce the amount of the outstanding Loan to zero, such prepayment shall be accompanied by

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

the payment of all fees accrued to such date pursuant to the terms of this Agreement.

(c) CUMULATIVE PREPAYMENTS. Except as otherwise expressly provided in this Section 2.04, payments with respect to any subsection of this Section 2.04 are in addition to payments made or required to be made under any other provision of this Agreement.

All such payments shall be made free and clear of and without deduction for any present or future income, franchise, sales, use, excise, stamp or other taxes, levies, imposts, deductions, charges, fees, withholdings, restrictions or conditions of any nature now or hereafter imposed, levied, collected, withheld or assessed by any jurisdiction (whether pursuant to Federal, state, local or foreign law) or by any political subdivision or taxing authority thereof or therein, and all interest, penalties or additional amounts, excluding taxes on the net income of any Lender or the Agent imposed by the jurisdiction in which such Lender or such Agent is organized or any political subdivision thereof or taxing authority thereof or any jurisdiction in which such Person's principal office is located or any political subdivision thereof or taxing authority thereof (such nonexcluded taxes, levies, imposts, deductions, charges, fees, withholdings, restrictions, conditions, interest, penalties and additional amounts being hereinafter collectively referred to as "TAXES"). If any Loan Party shall be required to deduct or to withhold any Taxes from or in respect of any amount payable hereunder or under any other Loan Document:

(i) the amount so payable shall be increased so that after making all required deductions and withholdings (including Taxes on amounts payable pursuant to this sentence) the Lenders or the Agent, as the case may be, receive an amount equal to the sum they would have received had no such deduction or withholding been made;

(ii) such Loan Party shall make such deduction or withholding;

(iii) such Loan Party shall pay the full amount deducted or withheld to the relevant taxation authority in accordance with Applicable Law; and

(iv) whenever any Taxes are payable by any Loan Party, as promptly as possible thereafter, such Loan Party shall send the Lenders and the Agent an official receipt (or, if an official receipt is not available, such other documentation as shall be satisfactory to the Lenders or the Agent, as the case may be) evidencing payment of the amount or amounts so deducted or withheld. In addition, each Loan Party agrees to pay any present or future taxes, charges or similar levies which arise from any payment made hereunder or from the execution, delivery, performance, recordation or filing of, or otherwise with respect to, this Agreement or any other Loan Document other than the foregoing excluded taxes (hereinafter referred to as "OTHER TAXES").

(b) The Loan Parties hereby jointly and severally agree to indemnify and hold the Lenders and the Agent harmless from and against Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.05) paid by any Lender or the Agent and any liability (including penalties, interest and expenses for nonpayment, late payment or otherwise) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. All payments received after 12:00 noon (New York City time) on any Business Day will be credited on the next succeeding Business Day. All payments shall be made by the Borrower without set-off, counterclaim, deduction or other defense to the Agent and the Lenders. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. All computations of fees shall be made by the Agent on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such fees are payable. Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

the Borrower shall make each payment relating to the payment of principal and interest in respect of the Loan directly to the Lender's Account of each Lender to whom payment is required to be made, in like funds and in accordance with each Lender's Pro Rata Share of such payment. The Borrower shall make all other payments under this Agreement to the Agent's Account for distribution to the Lenders in accordance with clause (iii) below.

(iii) Upon the receipt of any payment under this Agreement, the Agent will promptly (and in any case, not later than five (5) Business Days) thereafter, cause to be distributed to the Lenders to whom payment is required to be made, (A) in the case of payments relating to principal and interest, in like funds in accordance with their Pro Rata Shares, and (B) in the case of the payment of any other amount payable to any Lender, in like funds; PROVIDED, HOWEVER, that this clause shall not apply to any payment made under this Agreement that is solely for the account of the Agent.

All entries on any such statement shall be presumed to be correct and, thirty (30) days after the same is sent, shall be rebuttably presumed to be accurate, absent manifest error. For purposes of such statement, the Agent shall have the right to conclude, absent evidence to the contrary (i) that no payments have been made by the Borrower and no requests for payments have been made to the Borrower by any Lender other than in accordance with this Agreement, and (ii) all payments of principal and interest required to be made directly to any Lender's Account have been made pursuant to the terms of this Agreement.

Section 3.03 SHARING OF PAYMENTS, ETC. Except as provided in Sections 2.02 and 3.02(b) hereof, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; PROVIDED, HOWEVER, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered). The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 3.03 may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

(a) All payments of principal, interest and PIK Interest in respect of the outstanding portion of the Loan, all payments of fees and all other payments in respect of any other Obligations, shall be allocated by the Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of the Loan, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Agent may apply all payments in respect of any Obligations, subject to the provisions of this Agreement, (i) FIRST, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due to the Agent until paid in full; (ii) SECOND, ratably to pay the Obligations in respect of any fees and indemnities then due to the Lenders until paid in full; (iii) THIRD, ratably to pay interest due in respect of the Loan until paid in full; (iv) FOURTH, ratably to pay PIK Interest due in respect of the Loan until paid in full; (v) FIFTH, ratably to pay the principal of the Loan until paid in full; and (viii) SIXTH, to the ratable payment of all other Obligations then due and payable.

(c) In each instance, so long as no Event of Default has occurred and is continuing, Section 3.04(b) shall not be deemed to apply to any payment by the Borrower specified by the Borrower to the Agent to be for the prepayment of all or part of the principal of the Loan in accordance with the terms and conditions of Section 2.04.

(d) For purposes of Section 3.04(b), "paid in full" with respect to interest shall include interest accrued after the commencement of any Insolvency Proceeding irrespective of whether a claim for such interest is allowable in such Insolvency Proceeding.

(e) In the event of a direct conflict between the priority provisions of this Section 3.04 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such

B-24

priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 3.04 shall control and govern.

Section 3.05 INCREASED COSTS AND REDUCED RETURN. (a) If any Lender or the Agent shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty or regulation, or any policy, guideline or directive of, or any change in, the interpretation or administration thereof by, any court, central bank or other administrative or Governmental Authority, or compliance by any Lender or the Agent or any Person controlling any such Lender or the Agent with any directive of, or guideline from, any central bank or other Governmental Authority or the introduction of, or change in, any accounting principles applicable to any Lender or the Agent or any Person controlling any such Lender or the Agent (in each case, whether or not having the force of law), shall (i) subject any Lender or the Agent, or any Person controlling any such Lender or the Agent to any tax, duty or other charge with respect to this Agreement or any Loan made by such Lender or the Agent, or change the basis of

taxation of payments to any Lender or the Agent or any Person controlling any such Lender or the Agent of any amounts payable hereunder (except for taxes on the overall net income of any Lender or the Agent or any Person controlling any such Lender or the Agent), (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan, or against assets of or held by, or deposits with or for the account of, or credit extended by, any Lender or the Agent or any Person controlling any such Lender or the Agent or (iii) impose on any Lender or the Agent or any Person controlling any such Lender or the Agent or any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to any Lender or the Agent of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by any Lender or the Agent hereunder, then, within ten (10) days after demand and receipt of a detailed calculation and statement of cause by the Agent, on behalf of the affected Lenders, the Borrower shall pay to the Agent, for the benefit of the affected Lenders, such additional amounts as will compensate such Lenders for such increased costs or reductions in amount.

(b) If any Lender or the Agent shall have determined that any Capital Guideline or the adoption or implementation of, or any change in, any Capital Guideline by the Governmental Authority charged with the interpretation or administration thereof, or compliance by any Lender or the Agent or any Person controlling such Lender or the Agent with any Capital Guideline or with any request or directive of any such Governmental Authority with respect to any Capital Guideline, or the implementation of, or any change in, any applicable accounting principles (in each case, whether or not having the force of law), either (i) affects or would affect the amount of capital required or expected to be maintained by any Lender or the Agent or any Person controlling such Lender or the Agent, and any Lender or the Agent determines that the amount of such capital is increased as a direct or indirect consequence of any Loan made or maintained, or any guaranty or participation with respect thereto, any Lender's or the Agent's or any such other controlling Person's other obligations hereunder; or (ii) has or would have the effect of reducing the rate of return on any Lender's or the Agent's any such other controlling Person's capital to a level below that which such Lender or the Agent or such controlling Person could have achieved but for such circumstances as a consequence of any Loan made or maintained, or any guaranty or participation with respect thereto or any agreement to make Loan, or such Lender's or the Agent's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Lender's, Agent's or other controlling Person's policies with respect to capital adequacy), then, within ten (10) days after demand and receipt of a detailed calculation and statement of cause by the Agent, on behalf of the affected Lenders, the Borrower shall pay to the Agent, for the benefit of such affected Lenders, from time to time such additional amounts as will compensate such Lenders for such cost of maintaining such increased capital or such reduction in the rate of return on such Lender's or the Agent's or such other controlling Person's capital.

(c) All amounts payable under this Section 3.05 shall bear interest from the date that is ten (10) days after the date of demand by any Lender or the Agent until payment in full to such Lender or the Agent at the Reference Rate. A certificate of the Agent, on behalf of the affected Lenders, claiming compensation under this Section 3.05, specifying the event herein above described and the nature of such event shall be submitted by the Agent, on behalf of the affected Lenders, to the Borrower, setting forth the additional amount due and an explanation of the calculation thereof, and the Agent's reasons for invoking the provisions of this Section 3.05, and shall be rebuttably presumed to be correct, absent manifest error.

(d) If any Lender incurs increased costs and requests compensation under this Section 3.05, then the Borrower may (i) request such Lender use reasonable efforts to designate a different lending office for booking its loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches, or Affiliates, if in the judgment of such Lender, such designation or assignment (A) would eliminate or reduce amounts payable pursuant to Section 3.05 hereof, and (B) would not subject such Lender to any unreimbursed cost or expense, and would not otherwise be disadvantageous to such Lender. The Borrower shall pay all reasonable costs and expenses incurred by such Lender in connection with any such designation of assignment; and (ii) at its sole expense and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.07), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (A) if such assignee is not an existing Lender, the Borrower shall have received the prior written consent of the Agent, which consent shall not unreasonably be withheld, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Pro Rata Share of the Loan, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts, which shall be paid to the Agent for distribution to such Lender) and (C) such assignment will result in a reduction in such compensation, payments or costs. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 3.06 ADDITIONAL FEES. Notwithstanding anything to the contrary contained herein, in the event that the Requisite Approval is not obtained and all of the Conversion Shares are not approved for listing on the NYSE (i) on or prior to the Listing Deadline Date, the Borrower shall pay a fee at a rate per annum equal to 3% of the principal amount of the Loan outstanding on the Effective Date until the date such Requisite Approval is obtained and such Conversion Shares are listed on the NYSE and (ii) prior to the Final Maturity Date (whether upon demand, by acceleration, by prepayment in full or otherwise), the Borrower shall pay a closing fee in an amount equal to 5% of the principal amount of the Loan outstanding on the Effective Date.

for any apportionment or distribution of payments made in good faith pursuant to Section 3.04. The Agent may at any time (but shall not be required to) request instructions from the Required Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agent is permitted or required to take or to grant, and if such instructions are promptly requested, the Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until it shall have received such instructions from the Required Lenders. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Agent as a result of the Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders, or against the Required Lenders on the same basis for which a right of action could be brought against the Agent in connection with such acting or refraining from acting, except to the extent such action, lack of action or instruction is determined by a court of competent jurisdiction, pursuant to a final judgment, to have constituted gross negligence or willful misconduct.

Section 10.04 RELIANCE. The Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in reasonable good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 INDEMNIFICATION. To the extent that the Agent is not reimbursed and indemnified by any Loan Party, the Lenders will reimburse and indemnify the Agent from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent in any way relating to or arising out of this Agreement or any of the other Loan Documents (it being understood that the foregoing shall not be deemed to include principal, interest or fees owed by a Loan Party to the Agent) or any action taken or omitted by the Agent under this Agreement or any of the other Loan Documents, in proportion to each Lender's Pro Rata Share, including, without limitation, advances and disbursements made pursuant to Section 10.08; PROVIDED, HOWEVER, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final judicial determination that such liability resulted from the Agent's gross negligence or willful misconduct. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loan and the termination of this Agreement.

Section 10.06 AGENT INDIVIDUALLY. With respect to its Pro Rata Share of the Loan made by it, the Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or maker of a Loan. The term "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include the Agent in its individual capacity as a Lender. The Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with any Key Loan Party as if it were not acting as the Agent pursuant hereto without any duty to account to the other Lenders.

performance of all its functions and duties hereunder and under the other Loan Documents at any time by giving at least thirty (30) Business Days' prior written notice to the Borrower and each Lender. Such resignation shall take effect upon the acceptance by a successor Agent of appointment pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation, the Borrower shall appoint a successor Agent acceptable to SSC. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the Agent, and the Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. After the Agent's resignation hereunder as the Agent, the provisions of this Article X shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Agent under this Agreement and the other Loan Documents.

(c) If a successor Agent shall not have been so appointed within said thirty (30) Business Day period, the Agent shall then appoint a successor Agent who shall serve as the Agent until such time, if any, as the Borrower (with the consent of SSC) appoints a successor Agent as provided above.

Section 10.08 [Intentionally Omitted].

Section 10.09 [Intentionally Omitted].

ARTICLE XI

GUARANTY

Section 11.01 GUARANTY. Each Guarantor hereby unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrower now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of the Borrower), fees, commissions, indemnifications or otherwise (such obligations, to the extent not paid by the Borrower, being THE "GUARANTEED OBLIGATIONS"), and agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Agent and the Lenders in enforcing any rights under the Guaranty set forth in this Article XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrower to the Agent and the Lenders under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving the Borrower.

Section 11.02 GUARANTY ABSOLUTE. Each Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agent or the Lenders with respect thereto. The Obligations of each Guarantor under this Article XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such Obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this Article XI shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) Any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

(b) Any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

B-52

(c) Any taking, release or amendment or waiver of or consent to departure from any other Guaranty, for all or any of the Guaranteed Obligations;

(d) Any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(e) Any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agent or the Lenders that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other Guarantor or surety.

This Article XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Agent, the Lenders or any other person upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though such payment had not been made.

Section 11.03 WAIVER. Each Guarantor hereby waives promptness, diligence, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Article XI and any requirement that the Agent or the Lenders exhaust any right or take any action against any Loan Party or any other Person. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this Article XI, and acknowledges that this Article XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 CONTINUING GUARANTY; ASSIGNMENTS. This Article XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the cash payment in full of the Guaranteed Obligations (other than indemnification obligations as to which no claim has been made) and all other amounts payable under this Article XI and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agent and the Lenders and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Pro Rata Share of the Loan owing to it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 SUBROGATION. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other Guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Article XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agent

and the Lenders against any Loan Party or any other Guarantor, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other Guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Article XI shall have been paid in full in cash and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Article XI and the Final Maturity Date, such amount shall be held in trust for the benefit of the Agent and the Lenders and shall forthwith be paid to the Agent and the Lenders to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Article XI, whether matured or unmatured, in accordance with the terms of this Agreement. If (i) any Guarantor shall make payment to the Agent and the Lenders of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Article XI shall be paid in full in cash and (iii) the Final Maturity Date shall have occurred, the Agent and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Subject to Section 6.02(1), no amendment or waiver of any provision of any Loan Document, including this Agreement, and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed by the Agent, the Required

Lender, the Borrower and the Guarantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, PROVIDED, HOWEVER, that no amendment, waiver or consent shall (i) reduce the principal of, or interest on, the Loan, reduce the amount of any fee payable for the account of any Lender, or postpone or extend any date fixed for any payment of principal of, or interest or fees on the Loan payable to any Lender, in each case without the written consent of any Lender affected thereby, (ii) amend the definition of "Pro Rata Share", (iii) release the Borrower or any Guarantor or (iv) amend, modify or waive Section 3.04, Article XIII or this Section 12.02 of this Agreement in each case, without the written consent of each Lender. Notwithstanding the foregoing, no amendment, waiver or consent shall, unless in writing and signed by the Agent, affect the rights or duties of the Agent (but not in its capacity as a Lender) under this Agreement or the other Loan Documents.

Section 12.03 NO WAIVER; REMEDIES, ETC. No failure on the part of the Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agent and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agent and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agent and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 EXPENSES; TAXES; ATTORNEYS' FEES. The Borrower will pay within ten (10) days after demand therefor (which demand shall include a statement of the nature thereof), all costs and expenses incurred by or on behalf of the Agent (and, in the case of clauses (b) through (m) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable fees, costs, client charges and expenses of counsel for the Agent (and, in the case of clauses (b) through (m) below, each Lender), accounting, due diligence, periodic field audits, physical counts, valuations, investigations, searches and filings, monitoring of assets, title searches and reviewing environmental assessments, miscellaneous disbursements, examination, travel, lodging and meals, arising from or relating to the following: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 6.01(b) or the review of any of the agreements, instruments and documents referred to in Section 6.01(f)); (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given; (c) the preservation and protection of any of the Lenders' rights under this Agreement or the other Loan Documents; (d) the defense of any claim or action asserted or brought against the Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agent's or the Lenders' claims against any Loan Party, or any and all matters in connection therewith; (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document; (f) the filing of any petition, complaint, answer, motion or other pleading by the Agent or any Lender; (g) [Intentionally Omitted]; (h) [Intentionally Omitted]; (i) any attempt to collect from any Loan Party; (j) all liabilities and costs arising from or in connection with the past, present or future operations of any Loan Party involving any damage to real or personal property or natural resources or harm or injury alleged to have resulted from any Release of Hazardous Materials on, upon or into such property; (k) any Environmental Liabilities and Costs incurred in connection with the investigation, removal, cleanup and/or remediation of any Hazardous Materials present or arising out of the operations of any facility of any Loan Party; (l) any Environmental Liabilities and Costs incurred in connection with any Environmental Lien; or (m) the receipt by the Agent or any Lender of any advice from professionals with respect to any of the foregoing; PROVIDED THAT with respect to clauses (d), (e) and (f) above, such costs and expenses shall not include those costs and expenses that have been determined by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Lender or Agent, as the case may be. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrower agree to pay all stamp, document, transfer, recording or filing taxes or fees and similar impositions now or hereafter determined by the Agent or any Lender to be payable in connection with this Agreement or any other Loan Document, and the Borrower agrees to save the Agent and each Lender harmless from and against any and all present or future claims, liabilities or losses with respect to or resulting from any omission to pay or delay in paying any such taxes, fees or impositions unless such omission is the result of the gross negligence or willful misconduct of any Lender; (y) the Borrower agrees to pay all broker and investment banking fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents (the Agent and the

B-55

Lenders represent and warrant that no brokers have been engaged or retained by any of them in connection with the transactions evidenced by the Loan Documents); and (z) if the Borrower fails to perform any covenant or agreement

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

contained herein or in any other Loan Document, the Agent may itself perform or cause performance of such covenant or agreement, and the expenses of the Agent incurred in connection therewith shall be reimbursed on demand by the Borrower.

Section 12.05 RIGHT OF SET-OFF. Upon the occurrence and during the continuance of any Event of Default, the Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by the Agent or such Lender to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not the Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. The Agent and each Lender agree to notify such Loan Party promptly after any such set-off and application made by the Agent or such Lender provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agent and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agent and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 SEVERABILITY. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 ASSIGNMENTS AND PARTICIPATIONS. (a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and the Agent and each Lender and their respective successors and assigns; PROVIDED, HOWEVER, that none of the Loan Parties may assign or transfer any of its rights hereunder without the prior written consent of each Lender and any such assignment without the Lenders' prior written consent shall be null and void.

(b) Each Lender may, with the written consent (which consent shall not be unreasonably withheld) of SSC (so long as SSC is the Agent or a Lender under this Agreement) and the Borrower (so long as no Event of Default has occurred and is continuing), assign to one or more other Lenders or other entities all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of the Loan made by it); PROVIDED, HOWEVER, that (i) such assignment is in an amount which is at least \$5,000,000 or a multiple of \$1,000,000 in excess thereof (or the remainder of such Lender's Pro Rata Share of the Loan) (except such minimum amount shall not apply to an assignment by a Lender to an Affiliate of such Lender or a fund or account managed by such Lender or an Affiliate of such Lender or, in the case of SSC, a shareholder of such Lender), (ii) the parties to each such assignment shall execute and deliver to the Agent, for its acceptance, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Agent a processing and recordation fee of \$5,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to an Affiliate of such Lender or a fund or account managed by such Lender or an Affiliate of such Lender, or, in the case of SSC, a shareholder of such Lender) and (iii) no written consent of the SSC and the Borrower shall be required in connection with any assignment by a Lender to an Affiliate of such Lender or a fund or account managed by such Lender or an Affiliate of such Lender, or in the case of SSC, a shareholder of such Lender. Upon such execution, delivery and acceptance, from and after the effective date specified in each Assignment and Acceptance, which effective date shall be at least three (3) Business Days after the delivery thereof to the Agent (or such

shorter period as shall be agreed to by the Agent and the parties to such assignment), (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

B-56

(i) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (A) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto provided that such assigning Lender's obligations and responsibilities under the confidentiality provisions of this Agreement shall continue despite any assignment by such assigning Lender; (B) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (C) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (D) such assignee will, independently and without reliance upon the assigning Lender, the Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (E) such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agent by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (F) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(ii) The Borrower authorizes the Agent, and the Agent agrees, to maintain, or cause to be maintained at the Payment Office, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (THE "REGISTER") for the recordation of the names and addresses of the Lenders, and the principal amount of the Loan (the "REGISTERED LOANS") owing to each Lender from time to time. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agent and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(iii) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee, together with any promissory

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

notes subject to such assignment, the Agent shall, if the Agent consents to such assignment and if such Assignment and Acceptance has been completed (A) accept such Assignment and Acceptance and (B) record the information contained therein in the Register.

(iv) In addition to the other requirements contained in this Section 12.07, a Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each registered note shall expressly so provide). Any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any, evidencing the same), the Agent shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary.

(v) In the event that any Lender sells participations in a Registered Loan, such Lender shall maintain a register on which it enters the name of all participants in the Registered Loans held by it (the "PARTICIPANT REGISTER"). A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if

B-57

any, evidencing the same) may be effected only by the registration of such participation on the Participant Register.

(vi) Any foreign Person who purchases or is assigned or participates in any portion of such Registered Loan shall provide the Agent and the assigning or selling Lender with a completed Internal Revenue Service Form W-8BEN (Certificate of Foreign Status) or a substantially similar form for such purchaser, participant or any other affiliate who is a holder of beneficial interests in the Registered Loan.

(c) Each Lender may, with the written consent (which consent shall not be unreasonably withheld) of SSC (so long as SSC is the Agent or a Lender under this Agreement) and the Borrower (so long as no Event of Default has occurred and is continuing), sell participations to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Pro Rata Share of the Loan made by it); PROVIDED, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; (iii) a participant shall not be entitled to require

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loan, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loan or the fees payable under this Agreement, or (C) actions directly effecting a release of any Loan Party (except as provided otherwise by this Agreement or any other Loan Document); and (iv) no consent of SSC or the Borrower will be required for the sale by a Lender to an Affiliate of such Lender or a fund or account managed by such Lender or an Affiliate of such Lender.

Section 12.08 COUNTERPARTS. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by telecopier shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telecopier also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document mutatis mutandis.

SECTION 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

SECTION 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENT AND THE LENDERS TO SERVICE OF PROCESS IN ANY MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR

B-58

TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

SECTION 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, THE AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF THE AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENT AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 CONSENT BY THE AGENT AND LENDERS. Except as otherwise expressly set forth herein to the contrary, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "ACTION") of the Agent shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which the Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by the Agent, in its sole good faith discretion.

Section 12.13 NO PARTY DEEMED DRAFTER. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 REINSTATEMENT; CERTAIN PAYMENTS. If any claim is ever made upon the Agent or any Lender for repayment or recovery of any amount or amounts received by the Agent or such Lender in payment or on account of any of the Obligations, the Agent or such Lender shall give prompt notice of such claim to each other Lender and the Borrower, and if the Agent or such Lender repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Agent or such Lender or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by the Agent or such Lender with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to the Agent or such Lender hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by the Agent or such Lender.

Section 12.15 INDEMNIFICATION.

(a) GENERAL INDEMNITY. In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless the Agent and each Lender and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "INDEMNITEES") from and against any and all losses, damages, liabilities, obligations, penalties, reasonable fees, costs and expenses (including, without limitation, reasonable attorneys' fees, costs and expenses) incurred by such Indemnitees, whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document or of any other document executed in connection with the transactions contemplated by this Agreement; (ii) the Agent's or any Lender's furnishing of funds to the Borrower under this Agreement or the other Loan Documents, including, without limitation, the management of the Loan; (iii) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents; or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto

B-59

(collectively, the "INDEMNIFIED MATTERS"); PROVIDED, HOWEVER, that the Loan Parties shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final judgment of a court of competent jurisdiction.

(b) ENVIRONMENTAL INDEMNITY. Without limiting Section 12.15(a) hereof, each Loan Party agrees to, jointly and severally, defend, indemnify, and hold harmless the Indemnitees against any and all Environmental Liabilities and Costs and all other claims, demands, penalties, fines, liability (including strict liability), losses, damages, costs and expenses (including without limitation, reasonable legal fees and expenses, consultant fees and laboratory fees), arising out of (i) any Releases or threatened Releases (A) at any property presently or formerly owned or operated by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest, or (B) of any Hazardous Materials generated and disposed of by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (ii) any violations of Environmental Laws; (iii) any Environmental Action relating to any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (iv) any personal injury (including wrongful death) or property damage (real or personal) arising out of exposure to Hazardous Materials used, handled, generated, transported or disposed by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; and (v) any breach of any warranty or representation regarding environmental matters made by the Loan Parties in Section 6.01(g) or the breach of any covenant made by the Loan Parties in Section 5.01(r). Notwithstanding the foregoing, the Loan Parties shall not have any obligation to any Indemnitee under this subsection (b) regarding any potential environmental matter covered hereunder which is caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final judgment of a court of competent jurisdiction.

(c) To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under Applicable Law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees. The indemnities set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.16 [Intentionally Omitted.]

Section 12.17 RECORDS. The unpaid principal of and interest on the Loan, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, and the accrued and unpaid fees shall at all times be ascertained from the records of the Agent, which shall be rebuttably presumed to be correct, absent manifest error.

Section 12.18 BINDING EFFECT. This Agreement shall become effective when it shall have been executed by each Loan Party, the Agent and each Lender and when the conditions precedent set forth in Section 4.01 hereof have been satisfied or waived in writing by the Agent, and thereafter shall be binding upon and inure to the benefit of each Loan Party, the Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

Section 12.19 MAXIMUM INTEREST. It is the intention of the parties hereto that the Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to the Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to the Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to the Agent or any Lender that is contracted for, taken, reserved, charged or received by the Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by the Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by the Agent or

B-60

such Lender, as applicable, to the Borrower); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to the Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by the Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by the Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by the Agent or such Lender to the Borrower). All sums paid or agreed to be paid to the Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to the Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loan until payment in full so that the rate or amount of interest on account of the Loan hereunder does not exceed the maximum amount allowed by such applicable law. If at an time and from time to time (x) the amount of interest payable to the Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to the Agent or such Lender pursuant to this Section 12.19 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to the Agent or such Lender would be less than the amount of interest payable to the Agent or such Lender computed at the Highest Lawful Rate applicable to the Agent or such Lender, then the amount of interest payable to the Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to the Agent or such Lender until the total amount of interest payable to the Agent or such Lender shall equal the total amount of interest which would have been payable to the Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.19.

For purposes of this Section 12.19, the term "applicable law" shall mean that law in effect from time to time and applicable to the loan transaction between the Borrower, on the one hand, and the Agent and the Lenders, on the other, that lawfully permits the charging and collection of the

highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.20 CONFIDENTIALITY. The Agent and each Lender agrees (on behalf of itself and each of its affiliates, directors, officers, employees and representatives) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (or consists of information (such as business plans and financial information) which is customarily confidential information) (and which at the time is not, and does not thereafter become, publicly available or legally available to such Person from another source (other than the Loan Parties) on a nonconfidential basis), PROVIDED, that nothing herein shall limit the disclosure of any such information (i) to the extent required by statute, rule, regulation or judicial process, (ii) to counsel for the Agent or any Lender, (iii) to examiners, auditors, accountants or Securitization Parties, so long as such Person first agrees, in writing, to be bound by confidentiality provisions similar in substance to this Section 12.20, (iv) in connection with any litigation to which the Agent or any Lender is a party or (v) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant (or prospective assignee or participant) first agrees, in writing, to be bound by confidentiality provisions similar in substance to this Section 12.20. The Agent and each Lender agrees that, upon receipt of a request or identification of the requirement for disclosure pursuant to clause (iv) hereof, it will make reasonable efforts to keep the Loan Parties informed of such request or identification; PROVIDED, that the each Loan Party acknowledges that the Agent and each Lender may make disclosure as required or requested by any Governmental Authority or representative thereof and that the Agent and each Lender may be subject to review by Securitization Parties or other regulatory agencies and may be required to provide to, or otherwise make available for review by, the representatives of such parties or agencies any such non-public information.

B-61

Section 12.21 INTEGRATION. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

ARTICLE XIII
CONVERSION OF LOAN

Section 13.01 CONVERSION PRIVILEGE AND CONVERSION PRICE.

(a) Subject to and upon compliance with the provisions of this Article, at any time and from time to time, to the extent any portion of the Loan remains outstanding, any Lender may at its option convert all or any portion of its Pro Rata Share of the Loan into fully paid and nonassessable shares of Common Stock ("CONVERSION SHARES") at the Conversion Price, determined as hereinafter provided, in effect at the time of receipt of a Conversion Notice

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

by the Borrower. Such conversion right shall expire at the close of business on the Maturity Date.

(b) Each Lender that elects to convert all or any portion of its Pro Rata Share of the Loan in accordance with the terms of this Article (a "CONVERTING LENDER") shall convert such portion of its Pro Rata Share of the Loan into the number of Conversion Shares obtained by dividing the principal amount of the portion of its Pro Rata Share of the Loan to be converted plus all accrued and unpaid interest thereon by the Conversion Price. The "CONVERSION PRICE" shall initially be equal to \$4.50 per share, subject to adjustment and readjustment from time to time as provided in Section 13.03, and, as so adjusted, shall remain in effect until a further readjustment is required by Section 13.03.

Section 13.02 EXERCISE OF CONVERSION PRIVILEGE.

(a) In order to exercise the Conversion with respect to the Loan or portion thereof, a Converting Lender shall deliver to the Borrower written notice (the "CONVERSION NOTICE") by telecopier, or any other method described in Section 12.01 hereof, not less than two (2) Business Days nor more than ten (10) Business Days prior to the date of such Conversion (the "CONVERSION DATE"). The Conversion Notice shall set forth (i) the Conversion Date, (ii) the amount of the Lender's Pro Rata Share of the Loan and accrued interest to be converted, (iii) any portion of the Pro Rata Share of the Loan held by such Converting Lender that is not to be Converted, (iv) the current Conversion Price, (v) the number Conversion Shares to be issued and (vi) the amount of cash, if any, to be paid by the Borrower to the Converting Lender in lieu of fractional shares.

(b) Conversion Shares issued on a Conversion Date shall be deemed to have been issued immediately prior to the close of business on such Conversion Date, and a Converting Lender shall be treated for all purposes as the record holder of such Conversion Shares at such time. On the Conversion Date, the Borrower shall issue and deliver to the Converting Lender, (i) a certificate or certificates for the Conversion Shares issuable on such Conversion Date, (ii) payment in lieu of any fraction of a share, as provided in Section 13.11 hereof.

(c) All Conversion Shares delivered upon such conversion shall bear the following restrictive legend:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAW OF ANY STATE, AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION TO THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS OR UNLESS THE BORROWER RECEIVES AN OPINION OF COUNSEL TO THE EFFECT THAT REGISTRATION UNDER SUCH ACT AND SUCH APPLICABLE STATE SECURITIES LAWS IS NOT REQUIRED OR UNLESS SOLD PURSUANT TO RULE 144 UNDER SUCH ACT.

B-62

If Conversion Shares to be issued upon conversion are to be registered in a name other than that of the Converting Lender, the security registrar shall, prior to such conversion, record in the security register the name of the Person in whose name such Conversion Shares are to be registered.

Section 13.03 ADJUSTMENTS TO CONVERSION PRICE FOR DILUTING ISSUES.

(a) SPECIAL DEFINITION. For purposes of this Section 13.03, "ADDITIONAL SHARES OF COMMON STOCK" shall mean any or all shares of Common Stock issued (or, pursuant to Section 13.03(c), deemed to be issued) by the Borrower after the Effective Date, other than shares of Common Stock issued or issuable:

(i) shares issued upon the conversion of the Loan,

(ii) such number of additional shares as may become issuable upon the conversion of the Loan by reason of adjustments required pursuant to the applicable anti-dilution provisions as in effect on the date hereof,

(iii) up to 5,000,000 shares of Common Stock (and following the fifth anniversary of the Effective Date, up to an additional 5,000,000 shares of Common Stock) that are issued to Persons other than Affiliates of the Borrower, including (A) shares of Common Stock or options exercisable therefor, issued or to be issued under the Borrower's 2000 Stock Option Plan as in effect on the date hereof or under any other employee stock option or purchase plan or plans, or pursuant to compensatory or incentive agreements, for officers, employees or consultants of the Borrower or any of its Subsidiaries, in each case adopted or assumed after such date by the Borrower's Board of Directors; PROVIDED in each case that the exercise or purchase price for any such share shall not be less than 95% of the fair market value (determined in good faith by the Borrower's Board of Directors) of the Common Stock on the date of the grant, and such additional number of shares as may become issuable pursuant to the terms of any such plans by reason of adjustments required pursuant to antidilution provisions applicable to such securities in order to reflect any subdivision or combination of Common Stock, by reclassification or otherwise, or any dividend on Common Stock payable in Common Stock, (B) shares of restricted stock issued by the Borrower to executive officers of the Borrower, and (C) shares of Common Stock issued by the Borrower as charitable gifts; PROVIDED; HOWEVER, that all options exercisable for shares of Common Stock granted to executive officers of the Borrower or its Subsidiaries during the six months following the date hereof shall have an exercise price of no less than \$4.50 per share, and

(iv) [Intentionally Omitted.]

(b) NO ADJUSTMENT OF CONVERSION PRICE. Subject to the provisions of Section 13.03(c)(ii) and Section 13.03(f) below, no adjustment in the number of shares of Common Stock into which the Loan is convertible shall be made, by adjustment in the Conversion Price in respect of the issuance of Additional Shares of Common Stock or otherwise, unless the consideration per share for an Additional Share of Common Stock issued or deemed to be issued by the Borrower is less than the greater of the Current Market Price and the Fair Market Value on the date of, and immediately prior to, the issue of such Additional Share of Common Stock.

(c) ISSUE OF SECURITIES DEEMED AN ISSUE OF ADDITIONAL SHARES OF COMMON STOCK.

(i) OPTIONS AND CONVERTIBLE SECURITIES. In the event the Borrower at any time or from time to time after the Effective Date shall issue any Options or Convertible Securities or shall fix a record date for the determination of holders of any class of securities entitled to receive any such Options or Convertible Securities, then the maximum number of shares (as set forth in the instrument relating thereto without regard to any provisions contained therein for a subsequent adjustment of such number) of Common Stock issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be Additional Shares of Common Stock issued as of

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

the time of such issue or, in case such a record date shall have been fixed, as of the close of business on such record date; PROVIDED, that such Additional Shares of Common Stock shall not be deemed to have been issued unless the consideration per share (determined pursuant to Section 13.03(e) hereof) of such Additional Shares of Common Stock would be less than the Conversion Price in effect on the date of and immediately prior to such issue, or such

B-63

record date, as the case may be, and PROVIDED, FURTHER, that in any such case in which Additional Shares of Common Stock are deemed to be issued:

(A) no further adjustment in the Conversion Price shall be made upon the subsequent issue of Convertible Securities or shares of Common Stock upon the exercise of such Options or conversion or exchange of such Convertible Securities;

(B) if such Options or Convertible Securities by their terms provide, with the passage of time, pursuant to any provisions designed to protect against dilution, or otherwise, for any increase or decrease in the consideration payable to the Borrower, or increase or decrease in the number of shares of Common Stock issuable, upon the exercise, conversion or exchange thereof, the applicable Conversion Price computed upon the original issue thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be recomputed to reflect such increase or decrease insofar as it affects such Options or the rights of conversion or exchange under such Convertible Securities;

(C) upon the expiration of any such Options or any rights of conversion or exchange under such Convertible Securities which shall not have been exercised, the Conversion Price computed upon the original issue thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon such expiration, be recomputed as if such Options or Convertible Securities, as the case may be, were never issued;

(D) no readjustment pursuant to clause (B) or (C) above shall have the effect of increasing the Conversion Price to an amount which exceeds the lower of (i) the Conversion Price on the original date on which an adjustment was made pursuant to this Section 13.03(c) (i), or (ii) the Conversion Price that would have resulted from any issuance of Additional Shares of Common Stock between such original adjustment date and the date on which a readjustment is made pursuant to clause (B) or (C) above; and

(E) if such record date shall have been fixed and such Options or Convertible Securities are not issued on the date fixed therefor, the adjustment previously made in the Conversion Price which became effective on such record date shall be cancelled as of the close of business on such record date, and thereafter the Conversion Price shall be adjusted pursuant to this Section 13.03(c) as of the actual date of their issuance.

(ii) STOCK DIVIDENDS, STOCK DISTRIBUTIONS AND SUBDIVISIONS. In the event the Borrower at any time or from time to time after the Effective Date shall declare or pay any dividend or make any other distribution on the Common Stock payable in Common Stock, or effect a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in Common Stock), then and in any such event, Additional Shares of Common Stock shall be deemed to have been issued:

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

(A) in the case of any such dividend or distribution, immediately after the close of business on the record date for the determination of holders of any class of securities entitled to receive such dividend or distribution, or

(B) in the case of any such subdivision, at the close of business on the date immediately prior to the date upon which such corporate action becomes effective.

If such record date shall have been fixed and such dividend shall not have been fully paid on the date fixed for the payment thereof, the adjustment previously made in the Conversion Price which became effective on such record date shall be cancelled as of the close of business on such record date, and thereafter the Conversion Price shall be adjusted pursuant to this Section 13.03(c) as of the time of actual payment of such dividend.

(d) Adjustment of Conversion Price.

B-64

(i) UPON ISSUANCE OF ADDITIONAL SHARES OF COMMON STOCK. In the event the Borrower shall issue Additional Shares of Common Stock (including Additional Shares of Common Stock deemed to be issued pursuant to Section 13.03(c) (i), but excluding Additional Shares of Common Stock deemed to be issued pursuant to Section 13.03(c) (ii), which event is dealt with in Section 13.03(f) hereof) without consideration or for a consideration per share less than the Conversion Price in effect on the date of and immediately prior to such issue, then such Conversion Price shall be reduced, concurrently with such issue, to the price determined by dividing (i) an amount equal to the sum of (a) the number of shares of Common Stock outstanding immediately prior to such issue or sale and the number of shares of Common Stock issuable upon conversion of the aggregate principal amount of the Loan and any Convertible Securities and upon exercise of any Options multiplied by the then existing Conversion Price and (b) the consideration, if any, received by the Borrower upon such issue or sale, by (ii) the total number of shares of Common Stock outstanding immediately after such issue or sale and the number of shares of Common Stock issuable upon conversion of the aggregate principal amount of the Loan and any Convertible Securities and upon exercise of any Options.

(ii) CONVERSION PRICE RESET. If the consolidated EBITDA of the Borrower and its subsidiaries for the fiscal year ending February 1, 2003, is less than \$90,000,000 or the combined, unconsolidated EBITDA of each of the Borrower (excluding Subsidiaries), Value City Limited Partnership, Value City of Michigan, Inc., GB Retailers, Inc., Gramex Retail Stores, Inc., VCM, Ltd. and any Person acquired after the date hereof that operates Value City department stores is less than \$35,000,000 in the aggregate, then effective as of the close of business on February 1, 2003, the Conversion Price shall be reduced to \$4.00 per share and the number of Conversion Shares shall be increased to give effect to all other adjustments as provided in this Section 13.03 as if the Conversion Price on the Effective Date had been \$4.00 per share.

(e) DETERMINATION OF CONSIDERATION. For purposes of this Article XIII, the consideration received by the Borrower for the issue of any Additional Shares of Common Stock shall be computed as follows:

(i) CASH AND PROPERTY: Such consideration shall:

(A) insofar as it consists of cash, be the aggregate

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

amount of cash received by the Borrower excluding amounts paid or payable for accrued interest or accrued dividends;

(B) insofar as it consists of property other than cash, be computed at the fair value thereof at the time of such issue, as determined in good faith by a committee of the Borrower's Board of Directors consisting of directors who are not Affiliates of the Borrower or SSC; PROVIDED, HOWEVER, that at the request of any Lender, the fair value shall be determined in good faith by an independent investment banking firm selected jointly by the Borrower and such Lender or, if that selection cannot be made within ten days, by an independent investment banking firm selected by the American Arbitration Association in accordance with its rules, and PROVIDED, further, that the Borrower shall pay all of the reasonable fees and expenses of any third parties incurred in connection with determining the fair value; and

(C) in the event Additional Shares of Common Stock are issued together with other shares of securities or other assets of the Borrower for a single undivided consideration, be the proportion of such consideration so received allocable to such Additional Shares of Common Stock, computed as provided in clauses (A) and (B) above, as determined in good faith by a committee of the Borrower's Board of Directors consisting of directors who are not Affiliates of the Borrower, a Lender or SSC, or at the request of any Lender, the proportion of such consideration so received allocable to such Additional Shares of Common Stock value shall be determined in good faith by an independent investment banking firm selected jointly by the Borrower and the Lenders or, if that selection cannot be made within ten days, by an independent investment banking firm selected by the American Arbitration Association in accordance with its rules, and PROVIDED, further, that the Borrower shall pay all of the reasonable fees and expenses of any third parties incurred in connection with determining the proportion of such consideration so received allocable to such Additional Shares of Common Stock.

(ii) OPTIONS AND CONVERTIBLE SECURITIES. The consideration per share received by the Borrower for Additional Shares of Common Stock deemed to have been issued pursuant to Section 13.03(c)(i) shall be determined by dividing:

B-65

(x) the total amount, if any, received or receivable by the Borrower as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Borrower upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities, by

(y) the maximum number of shares of Common Stock (as set forth in the instruments relating thereto, without regard

to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(f) ADJUSTMENT FOR STOCK DIVIDENDS, STOCK DISTRIBUTIONS, SUBDIVISIONS, COMBINATIONS OR CONSOLIDATIONS OF COMMON STOCK.

(i) STOCK DIVIDENDS, STOCK DISTRIBUTIONS OR SUBDIVISIONS. In the event the Borrower shall issue Additional Shares of Common Stock pursuant to Section 13.03(c)(ii) in a stock dividend, other stock distribution or subdivision, the Conversion Price in effect immediately prior to such stock dividend, stock distribution or subdivision shall, concurrently with the effectiveness of such stock dividend, stock distribution or subdivision, be proportionately decreased to adjust equitably for such dividend, distribution or subdivision.

(ii) COMBINATIONS OR CONSOLIDATIONS. In the event the outstanding shares of Common Stock shall be combined or consolidated, by reclassification or otherwise, into a lesser number of shares of Common Stock, the Conversion Price in effect immediately prior to such combination or consolidation shall, concurrently with the effectiveness of such combination or consolidation, be proportionately increased to adjust equitably for such combination or consolidation.

(g) ADJUSTMENT FOR MERGER OR REORGANIZATION, ETC. In case of any consolidation or merger of the Borrower with or into another corporation or the conveyance of all or substantially all of the assets of the Borrower to another corporation, or any proposed reorganization or reclassification of the Borrower (except a transaction for which provision for adjustment is otherwise made in this Article XIII), the Loan shall thereafter be convertible into the number of shares of stock or other securities or property to which a holder of the number of shares of Common Stock deliverable upon conversion of such portion of the Loan would have been entitled upon such consolidation, merger, conveyance, reorganization or reclassification; and, in any such case, appropriate adjustment (as determined by the Board of Directors) shall be made in the application of the provisions herein set forth with respect to the rights and interest thereafter of the Lenders, to the end that the provisions set forth herein (including provisions with respect to changes in and other adjustments of the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other property thereafter deliverable upon the conversion of the Loan. The Borrower shall not effect any such consolidation, merger or sale unless prior to or simultaneously with the consummation thereof the successor corporation or purchaser, as the case may be, shall assume by written instrument the obligation to deliver to each Lender such shares of stock, securities or assets as, in accordance with the foregoing provisions, such Lender is entitled to receive. Nothing in this Section 13.03 shall be deemed to authorize the Borrower to enter into any transaction not otherwise permitted by this Agreement.

(h) EXTRAORDINARY DIVIDENDS AND DISTRIBUTIONS. If the Borrower at any time or from time to time after the date hereof shall declare, order, pay or make a dividend or other distribution (including, without limitation, any distribution of other or additional stock or other securities or property or Options by way of dividend or spin-off, reclassification, recapitalization or similar corporate rearrangement) on the Common Stock other than (a) a dividend payable in Additional Shares of Common Stock or (b) a regularly scheduled cash dividend payable out of consolidated earnings or earned surplus, determined in accordance with generally accepted accounting principles, adequate provision shall be made so that the Lender shall receive, upon conversion of its portion of the

B-66

Loan, a pro rata share of such dividend based upon the maximum number of shares of Common Stock at the time issuable to the Lender (determined without regard to whether the Loan is convertible at such time).

Section 13.04 NO IMPAIRMENT. The Borrower will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Borrower but will at all times in good faith assist in the carrying out of all the provisions of this Article XIII and in the taking of all such action as may be necessary or appropriate in order to protect the conversion rights and other rights of the Lenders against impairment.

Section 13.05 ACCOUNTANTS' REPORT. In each case of any adjustment or readjustment of the Conversion Price pursuant to this Article XIII, the Borrower at its sole expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare a report setting forth such adjustment or readjustment and showing in reasonable detail the method of calculation thereof and the facts upon which such adjustment or readjustment is based, including a statement of (a) the consideration received or to be received by the Borrower for any Additional Shares of Common Stock issued or sold or deemed to have been issued, (b) the number of shares of Common Stock outstanding or deemed to be outstanding, and (c) the Conversion Price in effect immediately prior to such issue or sale and as adjusted and readjusted (if required by Article XIII) on account thereof. The Borrower shall forthwith mail a copy of each such report to each Lender. In the event that a Lender disagrees with such report, the Borrower shall cause independent certified public accountants of recognized national standing (which may be the regular auditors of the Borrower) selected by the Borrower to review and verify or revise such computation (other than any computation of the fair value of property) and report. The Borrower shall also keep copies of all such reports at its principal office and shall cause the same to be available for inspection at such office during normal business hours by any Lender.

Section 13.06 COMMON STOCK RESERVED. The Borrower shall reserve and at all times keep available out of its authorized but unissued Common Stock, free from preemptive or other preferential rights, restrictions, reservations, dedications, allocations, options, other warrants and other rights under any stock option, conversion option or similar agreement, such number of shares of Common Stock as shall from time to time be sufficient to effect conversion of the Loan.

Section 13.07 NO REISSUANCE OF LOAN. Any portion of the principal amount of the Loan which is converted into shares of Common Stock as provided herein shall not be reissued.

Section 13.08 ISSUE TAX. The issuance of certificates for shares of Common Stock upon conversion of the Loan shall be made without charge to each Lender for any issuance tax in respect thereof; PROVIDED, that the Borrower shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than that of a Lender.

Section 13.09 CLOSING OF BOOKS. The Borrower will at no time close its transfer books against the transfer of any shares of Common Stock

issued or issuable upon the conversion of the Loan in any manner which interferes with the timely conversion of the Loan, except as may otherwise be required to comply with applicable securities laws.

Section 13.10 DEFINITION OF COMMON STOCK. As used in this Article XIII, the term "Common Stock" shall mean and include the Borrower's authorized Common Stock, no par value per share, as constituted on the date hereof, and shall also include any capital stock of any class of the Borrower thereafter authorized which shall neither be limited to a fixed sum or percentage of par value in respect of the rights of the holders thereof to participate in dividends nor entitled to a preference in the distribution of assets upon the voluntary or involuntary liquidation, dissolution or winding up of the Borrower; PROVIDED, that the shares of Common Stock receivable upon conversion of shares of the Loan shall include only shares designated as Common Stock on the Effective Date.

Section 13.11 FRACTIONS OF SHARES OF COMMON STOCK. No fractional shares of Common Stock or scrip certificates in respect thereof shall be issued upon Conversion. The number of full shares which shall be issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of the Loan to be Converted plus accrued and unpaid interest thereon in accordance with the terms of Section 13.01(b) hereof.

B-67

Instead of any fractional shares of Common Stock which would otherwise be issuable upon conversion of any portion of the Loan, the Borrower shall pay a cash adjustment in respect of such fraction (calculated to the nearest 1/100 of a share) in an amount in Dollars equal to the such fraction multiplied by the then effective Conversion Price.

Section 13.12 COVENANT AS TO COMMON STOCK. The Borrower covenants that all shares of Common Stock which may be delivered upon Conversion of the Loan will be newly issued shares, upon such delivery will have been duly authorized and validly issued, will be fully paid and nonassessable and the Borrower will pay all taxes, liens and charges with respect to the issue thereof. The Borrower further covenants that all governmental, corporate, shareholder and third-party approvals (including those of any exchange on which such Conversion Securities are, or are proposed to be listed) will have been duly obtained and will be in full force and effect on or before any Conversion Securities are or are required to be issued pursuant to this Article.

An "APPROVED EXISTING TRANSACTION" means a transaction, agreement, arrangement, lease, guaranty, loan or advance of money (including, without limitation, the purchase, sale, lease or exchange of any property or the rendering of any service) described in the confidential side letter between the Borrower and the Agent of even date herewith on the terms in effect as of the date hereof and excluding any material modification or amendment thereto.

Section 14.02 BUYOUT OPTION. (a) In the event that CPLP delivers an Objection Notice, SSC shall have the right exercisable by delivering a written notice, not more than five (5) Business Days after the Objection Date, to CPLP stating that it elects to exercise its Buyout Option (a "BUYOUT EXERCISE NOTICE") to purchase all but not less than all of the Buyout Securities (as defined below) for a cash purchase price equal to all principal and interest due to CPLP pursuant to the Term Loan Agreement, all principal and interest due to CPLP with respect to the Loan and CPLP's pro rata portion of any fees payable to it under the Term Loan Agreement or this Agreement (the "BUYOUT OPTION"); PROVIDED, HOWEVER, that if CPLP has exercised a portion of the Warrants that would otherwise be deemed Allocated Warrants (the shares of Common Stock issued upon exercise of the Allocated Warrants shall be referred to as the "ALLOCATED SHARES"), then the purchase price paid by SSC for the Buyout Option shall be reduced (by an amount not less than zero) (i) if CPLP then owns all or a portion of the Allocated Shares, by the product of (a) the number of Allocated Shares then owned and (b) the difference between the Current Market Price on the date of the Buyout Exercise Notice and the exercise price paid by CPLP for such Allocated Shares or (ii) if CPLP has sold all or a portion of the Allocated Shares, by the product of (x) the number of Allocated Shares so sold and (y) the difference between the consideration received by CPLP upon the sale of the Allocated Shares so sold and the exercise price paid by CPLP for such Allocated Shares; PROVIDED, FURTHER, that if CPLP has acquired the Allocated Shares via cashless exercise, the foregoing computation shall be made as if such exercise had been a cash exercise. If SSC does not deliver a Buyout Exercise Notice in accordance with the terms of this Section 14.02, then SSC shall be deemed to have waived its Buyout Option as to the transactions stated in the Buyout Exercise Notice, and the parties may not proceed with the SSC Transaction that is the subject of such Objection Notice.

(b) If a Buyout Exercise Notice is delivered, CPLP, within five (5) Business Days of delivery of such Buyout Exercise Notice, may request by written notice to Borrower and SSC (a "REFERRAL NOTICE") that a committee comprised of all of the independent directors of the Borrower not affiliated with SSC, CPLP or the Borrower's management (the "FAIRNESS COMMITTEE") review and approve the SSC Transaction that is the subject of the Buyout Exercise Notice (a "REFERRED SSC TRANSACTION") as to its fairness to the Borrower and its unaffiliated shareholders. The Borrower shall cause a Fairness Committee to be appointed within five (5) Business Days of its receipt of a Referral Notice. In the event that the Fairness Committee reviews and approves as fair to Borrower and its unaffiliated shareholders the Referred SSC Transaction as proposed by SSC or if the Fairness Committee modifies the Referred SSC Transaction, and as modified approves the Referred SSC Transaction as fair to Borrower and its unaffiliated shareholders, CPLP shall be deemed to have consented to the SSC Transaction as so approved. In the event that CPLP requests that an SSC Transaction be reviewed by a Fairness Committee, such request shall be irrevocable, SSC shall not have any rights to exercise a Buyout Option in connection with such Referred SSC Transaction, and Section 14.03 shall not apply to such Referred SSC Transaction.

(c) If SSC elects to exercise the Buyout Option and CPLP does not timely deliver a Referral Notice pursuant to Section 14.02(b), then the closing of the Buyout Option regarding the amounts payable under the Term Loan Agreement shall occur on the 30th day following the delivery of the Buyout Exercise Notice. CPLP shall have the right to convert or elect not to convert any portion of the Loan payable to CPLP for a period of up to 30 days following the delivery of the Buyout Exercise Notice. The closing of the Buyout Option regarding the portion of the Loan payable to CPLP shall occur on the earlier to occur of (i) the 30th day following the delivery by

B-100

CPLP to the Borrower and SSC of a notice that it does not elect to convert the outstanding portion of the Loan payable to it or specifying which portion of the Loan it does elect to convert (the "CPLP NON-CONVERSION NOTICE") and (ii) the 60th day following the delivery of a Buyout Exercise Notice.

"BUYOUT SECURITIES" means (i) amounts payable to CPLP under the Term Loan Agreement, (ii) the portion of the Loan payable to CPLP and (iii) the Allocated Warrants (as defined below) but shall in no event include (a) Conversion Shares, (b) shares issued upon exercise of the Warrant previously issued to CPLP (subject to the provisions of Section 14.02(a)) and (c) the portion of the Warrant not constituting the Allocated Warrants. To the extent that CPLP has partially exercised the Warrant prior to the delivery of a Buyout Exercise Notice, the Warrant shall be deemed first exercised as to the portion of the Warrant that is not deemed Allocated Warrants. The "ALLOCATED WARRANTS" shall be (x) 75% of the Warrant until the first anniversary of the Effective Date, (y) 50% of the Warrant from the first anniversary of the Effective Date until the second anniversary of the Effective Date, (z) 25% of the Warrant from the second anniversary of the Effective Date until the third anniversary of the Effective Date, and (iv) zero from and after the third anniversary of the Effective Date.

Section 14.03 EXERCISABILITY. The Allocated Warrants shall not be exercisable by CPLP from the date on which CPLP receives the Buyout Exercise Notice until the date which is thirty-one (31) days after the receipt by CPLP of the Buyout Exercise Notice. The Loan shall not be convertible by CPLP from the date of delivery of the Non-Conversion Notice until the date which is thirty-one (31) days following the date of delivery of the Non-Conversion Notice.

Section 14.04 CPLP TRANSACTION. Neither the Borrower nor its Subsidiaries will enter into any transaction with CPLP or its Affiliates, other than the transactions contemplated by the Term Loan Agreement and this Agreement, without the prior written consent of the Borrower's Board of Directors and SSC unless the transaction, or series of related transactions, is valued at less than \$500,000.

15. RESIGNATION/APPOINTMENT OF AGENT. The Committee shall be comprised solely of Directors who both are (a) "non-employee directors" under Rule 16b-3, and (b) "outside directors" under section 162(m) of the Code.

3.2 Authority of the Committee. It shall be the duty of the Committee to administer the Plan in accordance with the Plan's provisions. The Committee shall have all powers and discretion necessary or appropriate to administer the Plan and to control its operation, including, but not limited to, the power to (a) determine which Employees and Consultants shall be granted Awards, (b) prescribe the terms and conditions of the Awards (other than the Options granted to Nonemployee Directors pursuant to Section 9), (c) interpret the Plan and the Awards, (d) adopt such procedures and subplans as are necessary or appropriate to permit participation in the Plan by Employees, Consultants and Directors who are foreign nationals or employed outside of the United States, (e) adopt rules for the administration, interpretation and application of the Plan as are consistent therewith, and (f) interpret, amend or revoke any such rules.

3.3 Delegation by the Committee. The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or any part of its authority and powers under the Plan to one or more directors or officers of the Company; provided, however, that the Committee may not delegate its authority and powers (a) with respect to Section 16 Persons, or (b) in any way which would jeopardize the Plan's qualification under Section 162(m) of the Code or Rule 16b-3.

3.4 Nonemployee Directors. Notwithstanding any contrary provision of this Section 3, the Board shall administer Section 9 of the Plan, and the Committee shall exercise no discretion with respect to Section 9. In the Board's administration of Section 9 and the Options and any Shares granted to Nonemployee Directors, the Board shall have all of the authority and discretion otherwise granted to the Committee with respect to the administration of the Plan.

3.5 Decisions Binding. All determinations and decisions made by the Committee, the Board, and any delegate of the Committee pursuant to the provisions of the Plan shall be final, conclusive, and binding on all Persons, and shall be given the maximum deference permitted by law.

4. SHARES SUBJECT TO THE PLAN

4.1 Number of Shares. Subject to adjustment as provided in Section 4.3, the total number of Shares available for grant under the Plan shall not exceed 13,000,000. Shares granted under the Plan may be either authorized but unissued Shares or treasury Shares.

4.2 Lapsed Awards. If an Award terminates, expires, or lapses for any reason, any Shares subject to such Award again shall be available to be the subject of an Award.

C-5

4.3 Adjustments in Awards and Authorized Shares. In the event of any merger, reorganization, consolidation, recapitalization, separation, liquidation, stock dividend, split-up, Share combination, or other change in the corporate structure of the Company affecting the Shares, the Committee shall adjust the number and class of Shares which may be delivered under the Plan, the number, class, and price of Shares subject to outstanding Awards, and the numerical limit of Section 10.5 in such manner as the Committee (in its sole discretion) shall determine to be appropriate to prevent the dilution or diminution of such Awards. In the case of Options granted to Nonemployee Directors pursuant to Section 9, no adjustments by stock dividends or split up will be made to the number of Shares in original grants (i.e., 1,000 per quarter), but the foregoing adjustments to outstanding Options may be made by the Board in its sole discretion to prevent the dilution or diminution of such Awards. Notwithstanding the preceding, the number of Shares subject to any Award always shall be a whole number.

5. STOCK OPTIONS

5.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Employees and Consultants at any time and from time to time as determined by the Committee in its sole discretion. The Committee, in its sole discretion, shall determine the number of Shares subject to each Option. The Committee may grant Incentive Stock Options, Nonqualified Stock Options, or a combination thereof.

5.2 Award Agreement. Each Option shall be evidenced by an Award

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

Agreement that shall specify the Exercise Price, the expiration date of the Option, the number of Shares to which the Option pertains, any conditions to exercise of the Option, and such other terms and conditions as the Committee, in its discretion, shall determine. The Award Agreement shall specify whether the Option is intended to be an Incentive Stock Option or a Nonqualified Stock Option.

5.3 Exercise Price. Subject to the provisions of this Section 5.3, the Exercise Price for each Option shall be determined by the Committee in its sole discretion.

5.3.1 Nonqualified Stock Options. In the case of a Nonqualified Stock Option, the Exercise Price shall be not less than twenty five percent (25%) of the Fair Market Value of a Share on the Grant Date.

5.3.2 Incentive Stock Options. In the case of an Incentive Stock Option, the Exercise Price shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date; provided, however, that if on the Grant Date, the Employee (together with persons whose stock ownership is attributed to the Employee pursuant to section 424(d) of the Code) owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, the Exercise Price shall be not less than one hundred and ten percent (110%) of the Fair Market Value of a Share on the Grant Date.

5.3.3 Substitute Options. Notwithstanding the provisions of Sections 5.3.1 and 5.3.2, in the event that the Company or an Affiliate consummates a transaction described in section 424(a) of the Code (e.g., the acquisition of property or stock from an unrelated corporation), persons who become Employees or Consultants on account of such transaction may be granted Options in substitution for options granted by their former employer. If such substitute Options are granted, the Committee, in its sole discretion and consistent with section 424(a) of the Code, shall determine the exercise price of such substitute Options.

5.4 Expiration of Options.

5.4.1 Expiration Dates. Each Option shall terminate no later than the first to occur of the following events:

(a) The date for termination of the Option set forth in the written Award Agreement; or

(b) The expiration of ten (10) years from the Grant Date (except as provided in Section 5.8.4 regarding Incentive Stock Options; or

C-6

(c) Immediately upon the date and time of the Participant's Termination of Service for a reason other than the Participant's death, Disability or Retirement, unless the Committee in its sole discretion elects to extend the exercisability of an Option to not more than three (3) months from Termination of Service; or

(d) The expiration of one (1) year from the date of the Participant's Termination of Service by reason of death, Disability or Retirement (except as provided in Section 5.8.2 regarding Incentive Stock Options).

5.4.2 Committee Discretion. Subject to the limits of Sections 5.4.1, the Committee, in its sole discretion, (a) shall provide in each Award Agreement

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

when each Option expires and becomes unexercisable, and (b) may, after an Option is granted, extend the maximum term of the Option (subject to Section 5.8.4 regarding Incentive Stock Options).

5.5 Exercisability of Options. Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall determine in its sole discretion. After an Option is granted, the Committee, in its sole discretion, may accelerate the exercisability of the Option. However, in no event may any Option granted to a Section 16 Person be exercisable until at least six (6) months following the Grant Date.

5.6 Payment. Options shall be exercised by the Participant's delivery of a written notice of exercise to the Secretary of the Company (or the Company's designee), setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

Upon the exercise of any Option, the Exercise Price shall be payable to the Company in full in cash or its equivalent. The Committee, in its sole discretion, also may permit exercise (a) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Exercise Price, or (b) by any other means which the Committee, in its sole discretion, determines to both provide legal consideration for the Shares, and to be consistent with the purposes of the Plan.

As soon as practicable after receipt of a written notification of exercise and full payment for the Shares purchased, the Company shall deliver to the Participant (or the Participant's designated broker), Share certificates (which may be in book entry form) representing such Shares.

5.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option as it may deem advisable, including, but not limited to, restrictions related to applicable Federal securities laws, the requirements of any national securities exchange or system upon which Shares are then listed or traded, or any blue sky or state securities laws.

5.8 Certain Additional Provisions for Incentive Stock Options. Notwithstanding anything to the contrary contained in this Section 5, the following provisions shall apply to any Incentive Stock Option granted pursuant to the Plan.

5.8.1 Exercisability. The aggregate Fair Market Value (determined on the Grant Date(s)) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any Employee during any calendar year (under all plans of the Company and its Subsidiaries) shall not exceed \$100,000.

5.8.2 Termination of Service. No Incentive Stock Option may be exercised more than three (3) months after the Participant's Termination of Service for any reason other than Disability or death, unless (a) the Participant dies during such three-month period, and (b) the Award Agreement or the Committee permits later exercise.

5.8.3 Company and Subsidiaries Only. Incentive Stock Options may be granted only to persons who are Employees of the Company or a Subsidiary on the Grant Date.

5.8.4 Expiration. No Incentive Stock Option may be exercised after the expiration of ten (10) years from the Grant Date; provided, however, that if the Option is granted to an Employee who, together with persons whose stock ownership is attributed to the Employee pursuant to section 424(d) of the Code, owns stock possessing

more than 10% of the total combined voting power of all classes of the stock of the Company or any of its Subsidiaries, the Option may not be exercised after the expiration of five (5) years from the Grant Date.

5.9 Grant of Reload Options. The Committee may provide in an Award Agreement that a Participant who exercises all or part of an Option by payment of the Exercise Price with already owned Shares, shall be granted an additional option (a "Reload Option") for a number of shares equal to the number of Shares tendered to exercise the previously granted Option plus, if the Committee so determines, any Shares withheld or delivered in satisfaction of any tax withholding requirements. As determined by the Committee, each Reload Option shall: (a) have a Grant Date which is the date as of which the previously granted Option is exercised, and (b) be exercisable on the same terms and conditions as the previously granted Option, except that the Exercise Price shall be determined as of the Grant Date.

5.10 Acceleration on Change of Control. Unless provided otherwise in the Award Agreement, if a Change of Control occurs, all outstanding Options granted under the Plan will become immediately exercisable to the extent of 100% of the Shares subject thereto notwithstanding any contrary exercise or vesting periods specified in this Plan.

6. STOCK APPRECIATION RIGHTS.

6.1 Grant of SARs. Subject to the terms and conditions of the Plan, a SAR may be granted to Employees and Consultants at any time and from time to time as shall be determined by the Committee, in its sole discretion. The Committee may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof. The Committee shall have complete discretion to determine the number of SARs granted to any Participant.

6.1.1 Exercise Price and Other Terms. The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan. However, the exercise price of a Freestanding SAR shall be not less than twenty five percent (25%) of the Fair Market Value of a Share on the Grant Date. The exercise price of Tandem or Affiliated SARs shall equal the Exercise Price of the related Option. In no event shall a SAR granted to a Section 16 Person become exercisable until at least six (6) months after the Grant Date (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3).

6.2 Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (a) the Tandem SAR shall expire no later than the expiration of the underlying Incentive Stock Option; (b) the value of the payout with respect to the Tandem SAR shall be for no more than one hundred percent (100%) of the difference between the Exercise Price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (c) the Tandem SAR shall be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

6.3 Exercise of Freestanding SARs. Freestanding SARs shall be exercisable on such terms and conditions as the Committee, in its sole

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

discretion, shall determine. However, no SAR granted to a Section 16 Person shall be exercisable until at least six (6) months after the Grant Date (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3).

6.4 SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

6.5 Expiration of SARs. A SAR granted under the Plan shall expire upon the date determined by the Committee, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 5.4 also shall apply to SARs.

C-8

6.6 Payment of SAR Amount. Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(a) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times

(b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, payment for a SAR may be in cash, Shares or a combination thereof.

7. RESTRICTED STOCK

7.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Employees and Consultants in such amounts as the Committee, in its sole discretion, shall determine. The Committee, in its sole discretion, shall determine the number of Shares to be granted to each Participant.

7.2 Restricted Stock Agreement. Each Award of Restricted Stock shall be evidenced by an Award Agreement that shall specify the Period of Restriction, the number of Shares granted, any price to be paid for the Shares, and such other terms and conditions as the Committee, in its sole discretion, shall determine. Unless the Committee determines otherwise, Shares of Restricted Stock shall be held by the Company as escrow agent until the restrictions on such Shares have lapsed.

7.3 Transferability. Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction. In no event may the restrictions on Restricted Stock granted to a Section 16 Person lapse prior to six (6) months following the Grant Date.

7.4 Other Restrictions. The Committee, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate, in accordance with this Section 7.4. For example, the Committee may set restrictions based upon the achievement of specific performance objectives (Company-wide, divisional, or individual), applicable Federal or state securities laws, or any other basis determined by the Committee in its discretion. The Committee, in its discretion, may legend the certificates representing Restricted Stock to give appropriate notice of the restrictions applicable to such Shares.

7.5 Removal of Restrictions. Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall be released from escrow as soon as practicable after the last day of the Period of Restriction. The Committee, in its discretion, may accelerate the time at which any restrictions shall lapse, and remove any restrictions; provided, however, that the Period of Restriction on Shares granted to a Section 16 Person may not lapse until at least six (6) months after the Grant Date. After the restrictions have lapsed, the Participant shall be entitled to have any legend or legends under Section 7.4 removed from his or her Share certificate, and the Shares shall be freely transferable by the Participant.

7.6 Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless otherwise provided in the Award Agreement.

7.7 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares shall be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid. With respect to Restricted Stock granted to a Section 16 Person, any dividend or distribution that constitutes a "derivative security" or an "equity security" under Section 16 of the 1934 Act shall be subject to a Period of Restriction equal to the longer of: (a) the remaining Period of Restriction on the Shares of Restricted Stock with respect to which the dividend or distribution is paid; or (b) six (6) months.

C-9

7.8 Return of Restricted Stock to Company. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed shall revert to the Company and again shall become available for grant under the Plan.

8. PERFORMANCE UNITS AND PERFORMANCE SHARES

8.1 Grant of Performance Units/Shares. Performance Units and Performance Shares may be granted to Employees and Consultants at any time and from time to time, as shall be determined by the Committee, in its sole discretion. The Committee shall have complete discretion in determining the number of Performance Units and Performance Shares granted to any Participant.

8.2 Initial Value. Each Performance Unit shall have an initial value that is established by the Committee on or before the Grant Date. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the Grant Date.

8.3 Performance Objectives and Other Terms. The Committee shall set performance objectives in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Shares that will be paid out to the Participants. The Committee may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals, or any other basis determined by the Committee in its discretion. The time period during which the performance objectives must be met shall be called the "Performance Period". Performance Periods of Awards granted to Section 16 Persons shall exceed six (6) months in length (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3). Each Award of

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

Performance Units/Shares shall be evidenced by an Award Agreement that shall specify the Performance Period, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

8.4 Earning of Performance Units and Performance Shares. After the applicable Performance Period has ended, the Participant shall be entitled to receive a payout of the number of Performance Units or Shares earned during the Performance Period, depending upon the extent to which the applicable performance objectives have been achieved. After the grant of a Performance Unit or Share, the Committee, in its sole discretion, may reduce or waive any performance objectives for Award; provided that Performance Periods of Awards granted to Section 16 Persons shall not be less than six (6) months (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3).

8.5 Form and Timing of Payment. Payment of earned Performance Units or Performance Shares shall be made as soon as practicable after the expiration of the applicable Performance Period. The Committee, in its sole discretion, may pay earned Performance Units or Performance Shares in cash, Shares or a combination thereof

8.6 Cancellation. On the date set forth in the Award Agreement, all unearned or unvested Performance Units or Performance Shares shall be forfeited to the Company, and again shall be available for grant under the Plan.

9. NONEMPLOYEE DIRECTORS

9.1 Granting of Options. If any class of equity securities of the Company is registered under Section 12 of the 1934 Act, on the first trading day of each fiscal quarter of the Company, each Nonemployee Director will automatically receive under the Plan a Nonqualified Stock Option to purchase 1,000 Shares. Future automatic grants will cease and be suspended at any time that there are not sufficient Shares available under the Plan.

9.2 Terms of Options.

9.2.1 Option Agreement. Each Option granted pursuant to this Section 9 shall be evidenced by a written stock option agreement which shall be executed by the Participant and the Company.

9.2.2 Exercise Price. The Exercise Price for the Shares subject to each Option granted pursuant to this Section 9 shall be 100% of the Fair Market Value of such Shares on the Grant Date.

C-10

9.2.3 Exercisability. Each Option granted pursuant to this Section 9 shall become exercisable in full one year after the date the Option is granted. If a Nonemployee Director incurs a Termination of Service for a reason other than Retirement, death or Disability, his or her Options which are not exercisable on the date of such Termination shall never become exercisable. If the Termination of Service is on account of Retirement, death or Disability, the Option shall become exercisable in full on the date of the Termination of Service.

9.2.4 Expiration of Options. Each Option shall terminate upon the first to occur of the following events:

- (a) The expiration of ten (10) years from the Grant Date; or

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

(b) The expiration of three (3) months from the date of the Participant's Termination of Service for a reason other than death, Disability or Retirement; or

(c) The expiration of one (1) year from the date of the Participant's Termination of Service by reason of Disability or Retirement.

9.2.5 Death of Director. Notwithstanding Section 9.2.4, if a Director dies prior to the expiration of his or her options in accordance with Section 9.2.4, his or her options shall terminate one (1) year after the date of his or her death.

9.2.6 Special Rule for Retirement. Notwithstanding the provisions of Section 9.2.4, if the exercisability of an Option is accelerated under Section 9.2.3 on account of the Participant's Retirement, such Option shall terminate upon the first to occur of: (a) The expiration of ten (10) years from the date the Option was granted; or (b) the expiration of one year from the date of the Participant's death.

9.2.7 Not Incentive Stock Options. Options granted pursuant to this Section 9 shall not be designated as Incentive Stock Options.

9.2.8 Other Terms. All provisions of the Plan not inconsistent with this Section 9, including, but not limited to, Section 5.10, shall apply to Options granted to Nonemployee Directors; provided, however, that Section 5.2 (relating to the Committee's discretion to set the terms and conditions of Options) shall be inapplicable with respect to Nonemployee Directors.

9.3 Elections by Nonemployee Directors. Pursuant to such procedures as the Board (in its discretion) may adopt from time to time, each Nonemployee Director may elect to forego receipt of all or a portion of committee fees and meeting fees otherwise due to the Nonemployee Director in exchange for Shares. The number of Shares received by any Nonemployee Director shall equal the amount of foregone compensation divided by the Fair Market Value of a Share on the date that the compensation otherwise would have been paid to the Nonemployee Director, rounded up to the nearest whole number of Shares. The procedures adopted by the Board for elections under this Section 9.3 shall be designed to ensure that any such election by a Nonemployee Director will not disqualify him or her as a "non-employee director" under Rule 16b-3.

10. SECTION 162(m) DEDUCTION QUALIFICATION. Except as otherwise provided in Section 10.5, the provisions of this Section 10 shall apply only to Awards of Covered Officers.

10.1 Awards for Covered Officers. Any other provision of the Plan notwithstanding, all Awards to Covered Officers shall be made in a manner that allows for the full deductibility of the Award by the Company or its Subsidiaries under Section 162(m) of the Code. All Awards for Covered Officers shall comply with the provisions of this Section 10.

10.2 Designation of Covered Officers. For each Performance Period, the Committee will designate which Participants are Covered Officers prior to the completion of 25% of the Performance Period (or such earlier or later date as is permitted or required by Section 162(m) of the Code).

C-11

10.3 Establishment of Performance Goals and Awards for Covered Officers. Prior to the completion of 25% of a Performance Period (or such earlier or later date as is permitted or required by Section 162(m) of the

Code), the Committee shall in its sole discretion, for each such Performance Period: (a) determine and establish in writing one or more Performance Goals applicable to the Performance Period for each Covered Officer; and (b) either (i) assign each Covered Officer a target Award expressed as a fixed number of Shares or a whole dollar amount or (ii) establish a payout table or formula for purposes of determining the Award payable to each Covered Officer. Each payout table or formula: (a) shall be in writing; (b) shall be based on a comparison of actual performance to the Performance Goals; (c) may include a "floor" which is the level of achievement of the Performance Goal in which payout begins; and (d) shall provide for an actual Award equal to or less than the Covered Officer's target Award, depending on the extent to which actual performance approached or reached the Performance Goal. Such preestablished Performance Goals and Awards must state, in terms of an objective formula or standard, the method for computing the amount of the Award payable to each Covered Officer if the Performance Goal is met. A formula or standard is objective if a third party having knowledge of the relevant performance results could calculate the amount to be paid to the Covered Officer. The Committee may establish any number of Performance Periods, Performance Goals and Awards for any Covered Officer running concurrently, in whole or in part, provided, that in so doing the Committee does not jeopardize the Company's deduction for such Awards under Section 162(m) of the Code. The Committee may select different Performance Goals and Awards for different Covered Officers.

10.4 Certification of Achievement of Performance Goals and Amount of Awards. After the end of each Performance Period, or such earlier date if the Performance Goals are achieved, the Committee shall certify in writing, prior to the unconditional payment of any Award, that the Performance Goals for the Performance Period and all other material terms of the Plan were satisfied and to what extent they were satisfied. The Committee shall determine the actual Award for each Covered Officer based on the payout table/formula established in Section 10.3, as the case may be. Extraordinary Events shall either be excluded or included in determining the extent to which the corresponding Performance Goal has been achieved, whichever will produce the higher Award, provided, however, notwithstanding the attainment of specified Performance Goals, the Committee has the discretion to reduce or eliminate an Award that would otherwise be paid to any Participant, including any Covered Officer, based on the Committee's evaluation of Extraordinary Events or other factors. Without limiting the manner of computing Awards set forth in the preceding sentence, with respect to Covered Officers, the Committee may not under any circumstances increase the amount of an Award.

10.5 Maximum Award. Any other provision of the Plan notwithstanding, the maximum aggregate Awards payable to any Participant under the Plan for any Performance Period shall not exceed three million (3,000,000) Shares, which maximum number of Shares shall be adjusted pursuant to Section 4.3.

11. MISCELLANEOUS

11.1 Forfeiture. Notwithstanding anything in the Plan or in any Award Agreement to the contrary, in the event of a breach of conduct by a Participant or former Participant (including, without limitation, any conduct prejudicial to or in conflict with the Company or an Affiliate), or any activity of a Participant or former Participant in competition with any of the businesses of the Company or an Affiliate, the Committee may (a) cancel any outstanding Award granted to the Participant, in whole or in part, whether or not vested, and/or (b) if such conduct or activity occurs within one year following the exercise or payment of an Award, require the former Participant to repay to the Company any gain realized or payment received upon the exercise or payment of such Award (with such gain or repayment valued as of the date of exercise or payment). Such cancellation or repayment obligation shall be effective as of the date specified by the Committee. Any repayment obligation may be satisfied in Shares or cash or a combination thereof (based upon the Fair Market Value of the Shares on the day

prior to the date of payment), and the Committee may provide for an offset to any future payments owed by the Company or Affiliate to such individual if necessary to satisfy the repayment obligation. The determination of whether any Participant or former Participant has engaged in a breach of conduct or any activity in competition with any of the businesses of the Company or an Affiliate shall be determined by the Committee in good faith and in its sole discretion.

11.2 No Effect on Employment or Service. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or service at any time, with or without cause. For purposes of the Plan, transfer of employment of a Participant between the Company and any one of its Affiliates

C-12

(or between Affiliates) shall not be deemed a Termination of Service. Unless there is a written agreement between the Employee and the Company or an Affiliate to the contrary, employment of an Employee with the Company and its Affiliates is on an at-will basis only.

11.3 Participation. No Employee or Consultant shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

11.4 Indemnification. Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation or Code of Regulations, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

11.5 Successors. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

11.6 Beneficiary Designations. If permitted by the Committee, a Participant under the Plan may name a beneficiary or beneficiaries to whom any vested but unpaid Award shall be paid in the event of the Participant's death. Each such designation shall revoke all prior designations by the Participant and shall be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate and, subject to the terms of the Plan and of the applicable Award Agreement, any unexercised vested Award may be exercised by the administrator or executor of the Participant's estate.

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

11.7 Nontransferability of Awards; Unfunded Plan. No Award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, by the laws of descent and distribution, or to the limited extent provided in Section 11.5. All rights with respect to an Award granted to a Participant shall be available during his or her lifetime only to the Participant. Notwithstanding the foregoing, to the extent provided in the applicable Award Agreement, a Participant may transfer a Nonqualified Stock Option either (a) to members of his or her immediate family (as defined in Rule 16a-1 promulgated under the 1934 Act), to one or more trusts for the benefit of such family members, or to partnerships or other entities in which such family members are the only partners or owners, provided that the Participant does not receive any consideration for the transfer, or (b) if such transfer is approved by the Committee. If such transfer is permitted under the Award Agreement, any Nonqualified Stock Option held by such transferees are subject to the same terms and conditions that applied to such Nonqualified Stock Options immediately prior to transfer based on the transferor Participant's continuing relationship with the Company. It is intended that the Plan be an "unfunded" plan for incentive compensation. The Plan does not give a Participant any interest, lien or claim against any specific asset of the Company. No Participant or beneficiary shall have any rights under this Plan other than as a general unsecured creditor of the Company.

11.8 No Rights as Shareholder. Except to the limited extent provided in Sections 7.6 and 7.7, no Participant (nor any beneficiary) shall have any of the rights or privileges of a shareholder of the Company with respect to any Shares issuable pursuant to an Award (or exercise thereof), unless and until certificates representing such Shares shall have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the Participant (or beneficiary).

C-13

11.9 Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or exercise thereof).

11.10 Withholding Arrangements. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit or require a Participant to satisfy all or part of the tax withholding obligations in connection with an Award by (a) having the Company withhold otherwise deliverable Shares, or (b) delivering to the Company already-owned Shares having a Fair Market Value equal to the amount required to be withheld. The amount of the withholding requirement shall be deemed to include any amount which the Committee determines, not to exceed the amount determined by using the minimum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered shall be determined as of the date that the taxes are required to be withheld.

11.11 Deferrals. The Committee, in its sole discretion, may permit a Participant to defer receipt of the payment of cash or the delivery of Shares that would otherwise be delivered to a Participant under the Plan. Any such deferral elections shall be subject to such rules and procedures as shall be determined by the Committee in its sole discretion.

12. AMENDMENT, TERMINATION AND DURATION

12.1 Amendment, Suspension, or Termination. The Board, in its sole discretion, may amend or terminate the Plan, or any part thereof, at any time and for any reason. However, if and to the extent required to maintain the Plan's qualification under applicable law or stock exchange regulation, any such amendment shall be subject to shareholder approval. In addition, as required by Rule 16b-3, the provisions of Section 9 regarding the formula for determining the amount, exercise price, and timing of Nonemployee Director Options shall in no event be amended more than once every six (6) months, other than to comport with changes in the Code. The amendment, suspension, or termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations under any Award previously granted to such Participant. No Award may be granted during any period of suspension or after termination of the Plan.

12.2 Duration of the Plan. The Plan shall commence on the date specified herein, and subject to Section 12.1 (regarding the Board's right to amend or terminate the Plan), shall remain in effect thereafter. However, without further shareholder approval, no Incentive Stock Option may be granted under the Plan after December 4, 2010.

13.3 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

OHIO REVISED CODE
TITLE XVII. CORPORATIONS--PARTNERSHIPS
CHAPTER 1701. GENERAL CORPORATION LAW
MERGER AND CONSOLIDATION

Section 1701.85. Relief For Dissenting Shareholders; Qualifications; Procedures.--(A) (1) A shareholder of a domestic corporation is entitled to relief as a dissenting shareholder in respect of the proposals described in sections 1701.74, 1701.76, and 1701.84 of the Revised Code, only in compliance with this section.

(2) If the proposal must be submitted to the shareholders of the corporation involved, the dissenting shareholder shall be a record holder of the shares of the corporation as to which he seeks relief as of the date fixed for the determination of shareholders entitled to notice of a meeting of the shareholders at which the proposal is to be submitted, and such shares shall not have been voted in favor of the proposal. Not later than ten days after the date on which the vote on the proposal was taken at the meeting of the shareholders, the dissenting shareholder shall deliver to the corporation a written demand for payment to him of the fair cash value of the shares as to which he seeks relief, which demand shall state his address, the number and class of such shares, and the amount claimed by him as the fair cash value of the shares.

(3) The dissenting shareholder entitled to relief under division (C) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.80 of the Revised Code and a dissenting shareholder entitled to relief under division (E) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.801 of the Revised Code shall be a record holder of the shares of the corporation as to which he seeks relief as of the date on which the agreement of merger was adopted by the directors of that corporation. Within twenty days after he has been sent the notice provided in section 1701.80 or 1701.801 of the Revised Code, the dissenting shareholder shall deliver to the corporation a written demand for payment with the same information as that provided for in division (A) (2) of this section.

(4) In the case of a merger or consolidation, a demand served on the constituent corporation involved constitutes service on the surviving or the new entity, whether the demand is served before, on, or after the effective date of the merger or consolidation.

(5) If the corporation sends to the dissenting shareholder, at the address specified in his demand, a request for the certificates representing the shares as to which he seeks relief, the dissenting shareholder, within fifteen days from the date of the sending of such request, shall deliver to the corporation the certificates requested so that the corporation may forthwith endorse on them a legend to the effect that demand for the fair cash value of such shares has been made. The corporation promptly shall return such endorsed certificates to the dissenting shareholder. A dissenting shareholder's failure to deliver such certificates terminates his rights as a dissenting shareholder, at the option of the corporation, exercised by written notice sent to the dissenting shareholder within twenty days after the lapse of the fifteen-day period, unless a court for good cause shown otherwise directs. If shares represented by a certificate on which such a legend has been endorsed are transferred, each new certificate issued for them shall bear a similar legend, together with the name of the original dissenting holder of such shares. Upon receiving a demand for payment from a dissenting shareholder who is the record holder of uncertificated securities, the corporation shall make an appropriate notation of the demand for

payment in its shareholder records. If uncertificated shares for which payment has been demanded are to be transferred, any new certificate issued for the shares shall bear the legend required for certificated securities as provided in this paragraph. A transferee of the shares so endorsed, or of uncertificated securities where such notation has been made, acquires only such rights in the corporation as the original dissenting holder of such shares had immediately after the service of a demand for payment of the fair cash value of the shares. A request under this paragraph by the corporation is not an admission by the corporation that the shareholder is entitled to relief under this section.

(B) Unless the corporation and the dissenting shareholder have come to an agreement on the fair cash value per share of the shares as to which the dissenting shareholder seeks relief, the dissenting shareholder or the corporation,

E-1

which in case of a merger or consolidation may be the surviving or new entity, within three months after the service of the demand by the dissenting shareholder, may file a complaint in the court of common pleas of the county in which the principal office of the corporation that issued the shares is located or was located when the proposal was adopted by the shareholders of the corporation, or, if the proposal was not required to be submitted to the shareholders, was approved by the directors. Other dissenting shareholders, within that three-month period, may join as plaintiffs or may be joined as defendants in any such proceeding, and any two or more such proceedings may be consolidated. The complaint shall contain a brief statement of the facts, including the vote and the facts entitling the dissenting shareholder to the relief demanded. No answer to such a complaint is required. Upon the filing of such a complaint, the court, on motion of the petitioner, shall enter an order fixing a date for a hearing on the complaint and requiring that a copy of the complaint and a notice of the filing and of the date for hearing be given to the respondent or defendant in the manner in which summons is required to be served or substituted service is required to be made in other cases. On the day fixed for the hearing on the complaint or any adjournment of it, the court shall determine from the complaint and from such evidence as is submitted by either party whether the dissenting shareholder is entitled to be paid the fair cash value of any shares and, if so, the number and class of such shares. If the court finds that the dissenting shareholder is so entitled, the court may appoint one or more persons as appraisers to receive evidence and to recommend a decision on the amount of the fair cash value. The appraisers have such power and authority as is specified in the order of their appointment. The court thereupon shall make a finding as to the fair cash value of a share and shall render judgment against the corporation for the payment of it, with interest at such rate and from such date as the court considers equitable. The costs of the proceeding, including reasonable compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable. The proceeding is a special proceeding and final orders in it may be vacated, modified, or reversed on appeal pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505. of the Revised Code. If, during the pendency of any proceeding instituted under this section, a suit or proceeding is or has been instituted to enjoin or otherwise to prevent the carrying out of the action as to which the shareholder has dissented, the proceeding instituted under this section shall be stayed until the final determination of the other suit or proceeding. Unless any provision in division (D) of this section is applicable, the fair cash value of the shares that is agreed upon by the parties or fixed under this section shall be paid within thirty days after the date of final determination of such value under this division, the effective date of the amendment to the articles, or the

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

consummation of the other action involved, whichever occurs last. Upon the occurrence of the last such event, payment shall be made immediately to a holder of uncertificated securities entitled to such payment. In the case of holders of shares represented by certificates, payment shall be made only upon and simultaneously with the surrender to the corporation of the certificates representing the shares for which the payment is made.

(C) If the proposal was required to be submitted to the shareholders of the corporation, fair cash value as to those shareholders shall be determined as of the day prior to the day on which the vote by the shareholders was taken and, in the case of a merger pursuant to section 1701.80 or 1701.801 of the Revised Code, fair cash value as to shareholders of a constituent subsidiary corporation shall be determined as of the day before the adoption of the agreement of merger by the directors of the particular subsidiary corporation. The fair cash value of a share for the purposes of this section is the amount that a willing seller who is under no compulsion to sell would be willing to accept and that a willing buyer who is under no compulsion to purchase would be willing to pay, but in no event shall the fair cash value of a share exceed the amount specified in the demand of the particular shareholder. In computing such fair cash value, any appreciation or depreciation in market value resulting from the proposal submitted to the directors or to the shareholders shall be excluded.

(D) (1) The right and obligation of a dissenting shareholder to receive such fair cash value and to sell such shares as to which he seeks relief, and the right and obligation of the corporation to purchase such shares and to pay the fair cash value of them terminates if any of the following applies:

(a) The dissenting shareholder has not complied with this section, unless the corporation by its directors waives such failure;

(b) The corporation abandons the action involved or is finally enjoined or prevented from carrying it out, or the shareholders rescind their adoption of the action involved;

(c) The dissenting shareholder withdraws his demand, with the consent of the corporation by its directors;

E-2

(d) The corporation and the dissenting shareholder have not come to an agreement as to the fair cash value per share, and neither the shareholder nor the corporation has filed or joined in a complaint under division (B) of this section within the period provided in that division.

(2) For purposes of division (D) (1) of this section, if the merger or consolidation has become effective and the surviving or new entity is not a corporation, action required to be taken by the directors of the corporation shall be taken by the general partners of a surviving or new partnership or the comparable representatives of any other surviving or new entity.

(E) From the time of the dissenting shareholder's giving of the demand until either the termination of the rights and obligations arising from it or the purchase of the shares by the corporation, all other rights accruing from such shares, including voting and dividend or distribution rights, are suspended. If during the suspension, any dividend or distribution is paid in

money upon shares of such class or any dividend, distribution, or interest is paid in money upon any securities issued in extinguishment of or in substitution for such shares, an amount equal to the dividend, distribution, or interest which, except for the suspension, would have been payable upon such shares or securities, shall be paid to the holder of record as a credit upon the fair cash value of the shares. If the right to receive fair cash value is terminated other than by the purchase of the shares by the corporation, all rights of the holder shall be restored and all distributions which, except for the suspension, would have been made shall be made to the holder of record of the shares at the time of termination.

APPENDIX F

VALUE CITY DEPARTMENT STORES, INC.
2003 INCENTIVE COMPENSATION PLAN

1.1 Plan Adoption. Value City Department Stores, Inc., an Ohio Corporation ("Corporation"), hereby adopts the Value City 2003 Incentive Compensation Plan ("Plan"), subject to the approval of the Corporation's shareholders. The Plan shall become effective upon the approval of the shareholders of the Corporation (the "Effective Date") and shall remain in effect through fiscal 2007, subject to the right of the Board of Directors to amend or terminate the Plan.

1.2 Purpose. The purpose of the Plan is to optimize the growth and profitability of the Corporation by providing to key executive officers incentives that encourage, recognize, and reward exceptional levels of corporate, business unit, or individual performance. The Plan's intent is to use award dollars as a clear communication vehicle linking the interests of eligible key executive officers with the interests of the Corporation by establishing a direct link between performance and incentive payments. The Plan is designed to qualify compensation paid under the Plan as performance based compensation that is fully deductible by the Corporation.

3.2 Authority. The Committee shall have the full power to select Covered Officers who shall participate in the Plan; determine the size, terms and conditions of Awards in a manner consistent with the Plan; interpret and construe the Plan; and adopt such rules, regulations, and procedures for the administration of the Plan as the Committee deems necessary or advisable. The Plan may be in addition to one or more other incentive compensation plans of the Corporation that cover Associates that are not Covered Officers and which are not administered by the Committee. The Plan may be designed to be consistent with such other plan or plans, but must comply with the requirements set forth in this Plan.

3.3 Decisions Binding. The Committee's interpretations of the Plan, and all decisions and determinations made by the Committee, shall be conclusive and binding on all parties, including the Corporation and any Participant or other person claiming a right to payment with respect to an Award under the Plan.

ELIGIBILITY

4.1 Covered Officers. All Executive Officers are eligible to be chosen to participate in the Plan. Not later than 90 days after the beginning of each fiscal year of the Corporation, the Committee will identify those Officers, referred to herein as "Covered Officers," whose compensation for that year is anticipated to be affected by the Code Section 162(m) limitation on the deductibility of compensation and assign each such Covered Officer to a Participant group for the purposes of defining their Awards under the Plan. The Committee may withdraw its approval for participation for a Participant at any time. In the event of such withdrawal, the Covered Officer concerned shall cease to be an active Participant as of the date selected by the Committee.

4.2 Partial Year Participation. Persons who become Covered Officers after the date of the Committee's initial grant of Awards but prior to the end of the fiscal year, whether due to promotion, transfer or initial commencement of employment with the Corporation, may be granted Awards by the Committee on a partial year basis. In each such case, the Committee shall specify the terms and conditions of such Award, including any pro rata allocations of the performance measures to such partial year Participants.

F-2

AWARDS

5.1 Performance Measures. For each fiscal year, the Committee shall first establish written annual performance goals based on any one or more of the following objective performance measures:

- (a) sales;
- (b) operating profit (loss);
- (c) income (loss) before provision for income taxes;

- (d) net income (loss);
- (e) net income (loss) per common share;
- (f) earnings (loss) before interest and taxes;
- (g) earnings (loss) before interest, taxes, amortization and depreciation;
- (h) price of the Corporation's common stock;
- (i) return on shareholders' equity;
- (j) gross margin;
- (k) inventory levels or inventory turnover;
- (l) controllable selling, general and administrative expenses or separate categories thereof;
- (m) merchandise inventory shrinkage;
- (n) new store openings and/or related start-up and capital expenditures; or
- (o) any one or more of the foregoing (a) through (i) may be adjusted by the Committee to include or exclude (A) extraordinary charges, and/or (B) any accruals for restructuring programs, merger integration costs, or merger transaction costs, and/or (C) adjustments for changes in accounting principles and/or (D) other unusual or infrequent items (whether gains or losses) as defined by generally accepted accounting principles (GAAP) which are disclosed as a separate component of income or loss on the face of the income statement or as may be disclosed in the notes to the financial statements.

Subject to the terms of the Plan, each of the performance goals may be defined by the Committee on a corporate, affiliate, business unit or individual basis. Each performance goal shall have a minimum performance standard below which no payments will be made. The performance goals and determination of results shall be based entirely on objective measures for all Covered Officers.

5.2 Grant of Performance Awards. Performance goals based on the preestablished performance measures and the potential Awards that will be payable upon attainment of those performance goals, expressed as a percentage of base salary as of the end of each fiscal year, will be established in writing by the Committee within 90 days after the commencement of the fiscal year to which the goals relate. The target incentive compensation percentage for each selected Participant will be based on the level and functional responsibility of his or her position, size of the business for which the Participant is responsible, and competitive practices. Performance goals may differ for Awards granted to any one Participant or to different Participants. The Committee may determine that any Award shall be based on more than one performance measure.

F-3

5.3 Award Agreements. The Committee may require that any Award be evidenced by a written agreement which may contain such terms and conditions as the Committee may require. In the event of any conflict between such Award agreements and the Plan, however, the terms of the Plan shall control.

5.4 Payment of Awards. Unless payment is deferred as provided in Section 5.6,

Edgar Filing: VALUE CITY DEPARTMENT STORES INC /OH - Form DEF 14A

Awards will be payable in cash annually after the date the Corporation's audited financial statements have been certified by the Corporation's auditor for the relevant fiscal year of computation; provided that awards will be paid to Covered Officers only after the Committee has certified in writing in the minutes of a committee meeting or otherwise that the performance goals applicable to Covered Officers have been satisfied. No Award will be paid to any Participant who is not employed by the Corporation on the last day of the fiscal year to which the Award relates; provided, however, in the event of a Participant's death or a termination of a Participant's employment by the Corporation prior to the last day of the fiscal year by reason of Disability, the Participant or his estate shall be paid, at the same time that other Awards are paid, an amount based upon the actual achievement of the relevant performance objectives for that fiscal year, pro rated for the number of days that elapsed within the fiscal year prior to such termination of employment. Awards are subject to income and other payroll tax withholding by the Corporation.

5.5 Maximum Award. The annual Award payable to any Participant under the Plan will not exceed \$4 million.

5.6 Deferrals. The Committee may permit a Participant to defer such Participant's receipt of payment of an Award that would otherwise be due to the Participant. In any such case, the Committee shall, in its sole discretion, determine the rules and procedures for such deferral.

5.7 Adjustment of Awards Upon the Occurrence of Certain Unusual or Non-Recurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or non-recurring events (including, without limitation, acquisitions or dispositions of assets or businesses) affecting the Corporation or the financial statements of the Corporation or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan; provided, however, the Committee may not use any discretion to modify award results if such modification would affect the deductibility of the Award under Code Section 162(m).

MISCELLANEOUS

6.1 Guidelines. From time to time the Committee may adopt written guidelines for implementation and administration of the Plan.

6.2 No Right to Awards. No Officer or other person shall have the right to be selected to receive an Award under the Plan or, if so selected, to be selected to receive a future Award.

6.3 Non-Funded Plan. The Corporation will not be required to establish any special or separate fund or make any other segregation of assets to assure the payment of any award under the Plan, and all Participants shall be general creditors with respect to any Awards payable to them.

6.4 Non-Transferability of Awards. No Award granted under the Plan may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

borne by the Corporation.

6.6 No Contract of Employment. Nothing in the Plan, in any Award, or in any action taken under the Plan shall confer on the Participant any right to continue in the service of the Corporation or interfere with the right of the Corporation to terminate at will such Participant's employment or other services at any time. This Agreement shall in no way, now or hereafter, reduce, enlarge or modify the employment relationship between the Corporation and the Participant.

6.7 Governing Law. The validity, construction and effect of the Plan, any rules and regulations under the Plan, and any awards made under the Plan shall be determined in accordance with the laws of the state of Ohio without giving effect to principles of conflicts of laws, and any applicable federal law.

All obligations under the Plan shall be binding upon and inure to the benefit of any successor of the Corporation, whether such successor is the result of a direct or indirect purchase of all or substantially all of the business and assets of the Corporation or a merger, consolidation, or reorganization, or otherwise.

6.9 Severability. In the event that any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

EFFECTIVE DATE; AMENDMENT; TERMINATION

7.1 Effective Date. The Plan will become effective upon approval by a majority of the votes cast by the shareholders of the Corporation, and will relate to performance beginning with the fiscal year of the Corporation commencing February 2, 2003.

7.2 Amendment; Termination. The Corporation may at any time terminate or, from time to time, amend the Plan by action of the Board of Directors or by action of the Committee without shareholder approval unless such approval is required to satisfy the applicable provisions of Code Section 162(m) or other relevant laws. The Corporation and the Committee may amend the Plan and take such other action as they may deem necessary or appropriate to comply with Code Section 162(m) and regulations issued thereunder.

7.3 Code Section 162(m) Compliance. In the event that changes are made to Code Section 162(m) to permit greater flexibility with respect to any Award available under the Plan, the Committee may, subject to Section 7.2, make any adjustments it deems appropriate. If the applicable tax or securities laws change to permit the Committee discretion to alter the governing performance goal measures set forth in Section 5.1 without obtaining shareholder approval of such change, the Committee shall have sole discretion to make such changes without obtaining shareholder approval.
