THE SPECIAL MEETING (PAGES AND)

TIME, DATE, AND PLACE

The special meeting of Royal shareholders will be held at 9:00 a.m., Cleveland time, on April , 2003 at:

FORUM CONFERENCE CENTER
ONE CLEVELAND CENTER
1375 EAST NINTH STREET
CLEVELAND, OHIO

MATTERS TO BE CONSIDERED AT THE SPECIAL MEETING? (PAGE)

At the special meeting, you will consider whether to adopt the Agreement and Plan of Merger, dated December 16, 2002, by and among the Company, TechTronic, Acquiror and Merger Sub, which is attached to this proxy statement as ANNEX A. Adopting the merger agreement at the special meeting would result in the merger of Merger Sub into the Company, with the Company becoming an indirectly wholly owned subsidiary of TechTronic. In addition, each Royal share would be converted into the right to receive \$7.37 per share when the merger closed.

If any other matters are properly brought before the special meeting, including adjourning the meeting in order to solicit more votes, you may also authorize the persons named on the enclosed proxy card to vote according to their discretion.

2

RECORD DATE, SHARES ENTITLED TO VOTE, AND VOTING METHODS (PAGES AND)

You have one vote for each Royal share that you owned on the close of business on February 28, 2003, the record date for the special meeting. On that date, 12,861,052 Royal shares were outstanding and entitled to vote, of which a total of 4,594,842 shares were held by the Company's directors and executive officers. Two shareholders who beneficially own approximately 31% of the outstanding shares have executed a voting agreement requiring them to vote in

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

favor of adopting the merger agreement as long as the Board of Directors of the Company (the "Royal Board") continues to support the merger.

You may choose one of the following ways to cast your vote:

- by completing the accompanying proxy card and returning it in the enclosed envelope; or
- by appearing and voting in person at the special meeting.

If your shares are held in "street name," which means that your shares are held in the name of a bank, broker or other financial institution instead of in your own name, you must either direct the financial institution as to how to vote your shares or obtain a proxy from the financial institution to vote at the special meeting.

If you plan to attend the special meeting and wish to vote in person, we will give you a ballot when you arrive. If your shares are held in "street name," you must bring an account statement or letter from the brokerage firm or bank showing that you were the beneficial owner of the shares on the record date in order to be admitted to the meeting. If you want to vote shares that are not in your name at the special meeting, you must present a "legal proxy" from the holder of record.

Approximately 135,000 Royal shares are held for the benefit of plan participants of the Company's 401(k) plan. This plan contains pass-through voting provisions for its participants, so the trustees of the plan vote Royal shares that are allocated to each participant's account according to the instructions of that participant. Information relating to voting by participants in this plan is set forth in the section entitled "The Special Meeting -- Plan Voting" beginning on page .

QUORUM AT THE SPECIAL MEETING (PAGES AND)

A quorum must be present in order to transact business at the special meeting, so a majority of the outstanding Royal shares must be present in person or represented by proxy. If you submit a properly executed proxy card, you shares will be counted for purposes of calculating whether a quorum is present, even if you abstain from voting.

EFFECT OF ABSTENTIONS AND BROKER NON-VOTES (PAGES AND)

Both abstentions and "broker non-votes" will be counted in determining whether a quorum is present at the special meeting. Since adoption of the merger agreement requires the affirmative vote of the holders of two-thirds of the outstanding Royal shares, abstentions and "broker non-votes" are effectively counted as votes against the merger agreement.

IT IS VERY IMPORTANT THAT ALL ROYAL SHAREHOLDERS VOTE THEIR SHARES, SO PLEASE COMPLETE AND RETURN THE ENCLOSED PROXY CARD TODAY!

VOTE REQUIRED TO ADOPT THE MERGER AGREEMENT (PAGE)

For the merger to be approved, the holders of two-thirds of the outstanding Royal shares must affirmatively vote to adopt the merger agreement.

CHANGING A VOTE AFTER SENDING IN PROXY CARD (PAGE)

You may change your vote at any time before your proxy is voted. If you are a shareholder "of record," meaning your shares are registered in your name, you may revoke a proxy by:

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

- sending another signed proxy card with a later date to the address indicated on the proxy card; or
- sending a letter revoking your proxy to the Company's corporate secretary; or

3

- attending the special meeting, notifying the inspector of elections that your proxy is revoked, and voting in person.

A "beneficial holder" whose shares are registered in another name (for example, in "street name") must follow the procedures required by the holder of record, which is usually a brokerage firm or bank, to revoke a proxy. If you are a beneficial holder, contact the holder of record of your shares directly for more information on these procedures.

SHARE CERTIFICATES (PAGES AND)

At this time, please do not send your share certificates to the Company or anyone else with regard to the merger. If the merger is completed, you will receive written instructions explaining how to exchange your Royal share certificates for cash.

CONTACTS TO ANSWER YOUR QUESTIONS (PAGES AND)

If you have any questions about the Special Meeting or your ownership of Royal shares, please contact our proxy solicitor, Morrow & Co., by telephone at (212) 754-8000.

If you have any questions about the Merger and the related transactions, please write to:

BOARD OF DIRECTORS' RECOMMENDATION (PAGE)

The Royal Board evaluated the fairness and advisability of the merger agreement and the merger. The Royal Board unanimously approved the merger agreement and recommends that you vote for its adoption based on all the factors it considered.

THE ROYAL BOARD BELIEVES THAT THE TERMS OF THE MERGER AGREEMENT ARE FAIR TO AND IN THE BEST INTERESTS OF ROYAL SHAREHOLDERS. THE ROYAL BOARD RECOMMENDS THAT ROYAL SHAREHOLDERS VOTE FOR ADOPTING THE MERGER AGREEMENT AND APPROVING THE MERGER.

PRINCIPAL SHAREHOLDERS' VOTING AGREEMENT

John P. Rochon and E. Patrick Nalley, the two largest beneficial owners of Royal shares, are currently members of the Royal Board and beneficially own approximately 31% of Royal's outstanding stock. As directors, they voted to approve the merger agreement. Mr. Rochon, on behalf of Richmond Capital Partners I, L.P. ("Richmont Capital"), and Mr. Nalley have entered into voting agreements with TechTronic. Under the voting agreements, Richmond Capital and Mr. Nalley agreed to vote their shares in favor of adopting the merger agreement. They also agreed to vote against any action that would cause a breach of the merger agreement. The voting agreement terminates if the merger agreement terminates in

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

accordance with its terms or on April 15, 2003 if the merger has not occurred by that date.

OPINION OF THE FINANCIAL ADVISER (PAGE)

The Royal Board considered the opinion of NatCity Investments, Inc. ("NatCity Investments") dated December 9, 2002, which was that as of that date the consideration to be received by Royal shareholders pursuant to the merger agreement was fair to Royal shareholders from a financial point of view. The written opinion is attached as ANNEX B to this proxy statement and is based on and subject to the assumptions, qualifications, and limitations described in the opinion. You are urged to, and should, read the NatCity Investments opinion in its entirety. The opinion is not a recommendation regarding how any Royal shareholder should vote at the special meeting or any other action any Royal shareholder should take regarding the merger.

4

INTERESTS OF ROYAL DIRECTORS AND OFFICERS IN THE TRANSACTION (PAGE)

In considering the recommendation of the Royal Board in favor of the merger, you should be aware that certain directors and executive officers of the Company may have interests in the merger that are different from, or are in addition to, the interests of Royal shareholders generally, including those listed below:

- Fourteen officers of the Company, including the four executive officers, are party to severance and employment agreements that are designed to retain the executives and provide for continuity of management in the event of any actual or threatened change in the control of the Company. In exchange for the officers' agreement to terminate their existing agreements and enter into new agreements with the Company, these fourteen officers will receive payments totaling \$2.4 million upon consummation of the merger and, based on achieving certain levels of profitability in 2003, could earn an additional \$3.5 million.
- Options to purchase Royal shares and phantom stock awards that are outstanding but unvested before the merger will accelerate and vest when the merger becomes effective. As of February 28, 2003 the current directors and executive officers of the Company held options and awards whose vesting will accelerate and that had a value of \$3,136,325 (based on \$7.37 per share less the applicable exercise price, in the case of options) before deducting withholding for taxes.

TAX CONSEQUENCES (PAGE)

The receipt of cash by Royal shareholders in exchange for their shares will be a taxable event for U.S. income tax purposes under the Internal Revenue Code and may be a taxable event for foreign, state and local income tax purposes as well. Shareholders will recognize gain or loss for U.S. income tax purposes that is measured by the difference between the amount of cash they receive and their tax basis in the Royal shares exchanged. You should consult your own tax advisors regarding the tax consequences of the merger particular to you.

THE MERGER AGREEMENT (PAGES TO AND ANNEX A)

CONDITIONS TO THE CLOSING OF THE MERGER (PAGE)

Before we can complete the merger, a number of conditions must be satisfied or waived. These conditions include, but are not limited to:

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

- the adoption of the merger agreement by Royal shareholders and approval of the merger by TechTronic shareholders;
- since the date of the merger agreement, the absence of any change, effect, event, occurrence or state of facts that is, has had or is reasonably likely to have a material and adverse effect on the business, financial condition, results of operations, or prospects of the Company and its subsidiaries taken as a whole, other than any change, effect, event, or occurrence (i) relating to the economy or capital or securities markets of the United States or any other region in general, (ii) resulting from entering into, the consummation of the transactions contemplated by, or the announcement of the merger agreement, or (iii) relating to its business, financial condition or results of operations that has been disclosed in writing to the other party prior to the date of the merger agreement (which are referred to in the merger agreement as a "Material Adverse Change" or "Material Adverse Effect").
- the accuracy in all material respects, as of the date the merger closes, of the representations and warranties made by each party, and each party's compliance with its covenants in the merger agreement;
- the absence of any effective judgment, order, decree, statute, law, ordinance, rule or regulation entered, enacted, promulgated, enforced, or issued by any court or other governmental entity of competent jurisdiction or other legal restraint or prohibition (collectively referred to in the merger agreement as "Restraints") affecting or seeking to prohibit the transactions contemplated by the merger agreement;
- the deposit with the Escrow Agent of funds equal to the aggregate sum due all holders of options for Royal shares and phantom stock awards and payment of an aggregate amount of \$2.4 million to officers of the Company whose existing employment and severance agreements will be replaced with new agreements; and

5

- the holders of fewer than 10% of the outstanding Royal shares elect to exercise their dissenters' rights.

We expect to consummate the merger as promptly as practicable after all of the conditions to the merger have been satisfied or waived.

TERMINATING THE MERGER AGREEMENT (PAGE)

The merger agreement may be terminated at any time before the merger closes, whether before or after Royal shareholders have adopted it, in any of the following cases:

- (1) by mutual written consent of TechTronic and the Company;
- (2) by TechTronic, if the Company has materially breached any representation, warranty or covenant contained in the merger agreement that would have a material adverse effect on the Company and the breach cannot be timely cured;
- (3) by the Company, if TechTronic has materially breached any representation, warranty or covenant contained in the merger agreement and the breach cannot be timely cured;
- (4) by either the Company or TechTronic if (i) the merger is not consummated by April 15, 2003, (ii) Royal shareholders do not adopt the

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

merger agreement, (iii) TechTronic shareholders do not adopt the merger agreement at their meeting, or (iv) any Restraint is in effect and final;

- (5) by the Company upon entering into a binding agreement concerning a Superior Proposal, as defined in the merger agreement (see "The Merger Agreement -- Non-Solicitation" on page of this proxy statement), provided that the Company complied with the applicable provisions of the merger agreement, including providing notice of the proposal to TechTronic and paying TechTronic a termination fee of \$5,300,000 plus reimbursing up to \$700,000 of TechTronic's reasonable out-of-pocket fees and expenses incurred in connection with the merger;
- (6) by the Company, if anything occurs or exists that would, or would be reasonably likely to, cause or give rise to the failure of any of the conditions to the obligations of TechTronic and that cannot be timely cured;
- (7) by TechTronic if anything occurs or exists that would, or would be reasonably likely to, cause or give rise to the failure of any of the conditions to the obligations of the Company and that cannot be timely cured; and
- (8) By TechTronic if (i) a third party commences an exchange offer or tender offer for ownership or control of 50% or more of the Royal shares, and the Royal Board fails to recommend against accepting this offer, (ii) the Company or any of its subsidiaries authorizes, recommends, proposes or publicly announces an agreement with a third party regarding either a merger or the disposal of 20% or more of the consolidated assets or 10% or more of the voting power of the Company, (iii) a third party acquires beneficial ownership or the right to acquire beneficial ownership of 15% or more of the Royal shares, under certain conditions, or (iv) the Royal Board withdraws or adversely modifies its approval of the merger.

TERMINATION FEES AND EXPENSES IF THE MERGER IS NOT COMPLETED (PAGE)

TechTronic will be entitled to receive a termination fee in an amount equal to \$5,300,000 plus reimbursement of up to \$700,000 of all reasonable out-of-pocket fees and expenses incurred by TechTronic, if the merger agreement is terminated for any of the reasons stated in items 5 or 8 above.

NO SOLICITATION (PAGE)

Non-solicitation provisions in the merger agreement prohibit the Company from soliciting a competing proposal to acquire all or a substantial part of the Company, but the Company may respond under certain circumstances set forth in the merger agreement if it receives a proposal for a transaction from a third party (see "The Merger Agreement -- Non-Solicitation" on page of this proxy statement).

DISSENTERS' RIGHTS (PAGE)

If the merger is consummated, Royal shareholders will have certain rights under the Ohio Revised Code to dissent and demand dissenters' rights and to receive payment of the fair cash value of their Royal shares. Dissenting shareholders may not vote in favor of adopting the merger agreement and the transactions

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

contemplated by the merger agreement, including the merger, as part of perfecting dissenters' rights under Ohio law. Royal shareholders who perfect dissenters' rights by complying with the procedures set forth in Sections 1701.84 and 1701.85 of the Ohio Revised Code will have the fair cash value of their Royal shares determined by an Ohio court and will be entitled to receive a payment equal to the fair cash value of those shares from the corporation surviving the merger. In addition, any dissenting Royal shareholders would be entitled to receive payment of a fair rate of interest determined by the trial court on what the court determines to be the fair cash value of their Royal shares. In determining the fair cash value of Royal shares, the court is required to take into account all relevant factors, excluding any appreciation or depreciation in market value resulting from the merger. Accordingly, the court's determination could be based upon considerations other than, or in addition to, the market value of Royal shares, including, among other things, asset values and earning capacity. Royal shares held by any person who wants to dissent but fails to perfect or who effectively withdraws or loses the right to dissent under Section 1701.85 of the Ohio Revised Code will be converted into, as of the effective time (as defined in the merger agreement), the right to receive the consideration offered to Royal shareholders according to the terms of the merger agreement. Copies of Sections 1701.84 and 1701.85 of the Ohio Revised Code are attached as ANNEX C to this proxy statement.

PRICE RANGE OF SHARES; DIVIDENDS

As of February 28, 2003, there were approximately 820 shareholders of record and approximately 3400 beneficial owners of Royal shares. The following table sets forth the closing high and low prices for Royal shares for the periods indicated and is derived from data prepared by the New York Stock Exchange.

	2002		2001	
	HIGH	LOW	HIGH	LOW
First Quarter.....	5.70	4.65	4.60	4.00
Second Quarter.....	7.13	5.40	6.08	3.20
Third Quarter.....	6.40	3.90	6.55	3.75
Fourth Quarter.....	7.27	3.55	5.55	4.05

On December 16, 2002, the last full trading day prior to the announcement of the Merger the last sale price per Royal share reported by the New York Stock Exchange was \$5.98.

The Company has historically not paid dividends on its shares.

Shareholders should obtain current market quotations for Royal shares before making any decision regarding the Merger or the other matters described in this proxy statement.

In April 2001, the Royal Board authorized a Royal share repurchase program that provided for the Company to purchase up to 3,400,000 of its outstanding common shares in the open market and through negotiated transactions. The Company repurchased a total of approximately 1,322,000 shares for an aggregate purchase price of approximately \$6,900,000 under the program. The last shares purchased under this program were acquired on August 6, 2002. In the Merger

Agreement, the Company agreed to suspend the program, and the program expired on December 31, 2002.

THE SPECIAL MEETING

This proxy statement is being furnished in connection with the solicitation of proxies from the holders of Royal shares by the Royal Board. The Royal Board is soliciting your proxy with respect to the Merger Agreement and the transactions contemplated thereby, including the Merger, and any other matters to be voted upon at the special meeting, including the right to postpone or adjourn the special meeting to solicit additional votes. We mailed this proxy statement to holders of Royal shares beginning March , 2003. You should read this proxy statement carefully before voting your shares.

WHERE AND WHEN THE SPECIAL MEETING WILL BE HELD

The Special Meeting will be held at The Forum Conference Center, One Cleveland Center, 1375 East Ninth Street, Cleveland, Ohio, on April , 2003, starting at 9:00 a.m. local time.

WHAT WILL BE VOTED UPON

At the Special Meeting, you will be asked to consider and vote upon the following items:

- to adopt the Merger Agreement and the transactions contemplated thereby, including the Merger;
- other business as may properly come before the Special Meeting.

REQUIRED VOTES

The Royal Board has fixed the close of business on February 28, 2003 as the record date (the "Record Date") for the determination of shareholders who are entitled to notice of, and to vote at, the Special Meeting of shareholders or any adjournment thereof. On the Record Date, there were issued and outstanding 12,861,052 Royal shares.

The presence at the Special Meeting, in person or by proxy, of a majority of Royal shares outstanding on the Record Date will constitute a quorum for the conduct of business. Each Royal share entitles the holder thereof to cast one vote on the matters to be voted upon at the Special Meeting.

8

For the Merger to occur, the Merger Agreement must receive the affirmative vote of the holders of two-thirds of Royal shares outstanding on the Record Date.

Messrs. Rochon and Nalley, the two largest beneficial owners of Royal shares, are currently members of the Royal Board and beneficially own approximately 31% of Royal's outstanding stock. They have approved the Merger Agreement and the transactions contemplated thereby, including the Merger. Mr. Rochon, on behalf of Richmond Capital, and Mr. Nalley have entered into voting agreements with TechTronic. Under the voting agreements, Richmond Capital and Mr. Nalley agreed to vote their shares in favor of adopting the Merger Agreement. They also agreed to vote against any action that would cause a breach of the Merger Agreement. The voting agreement terminates upon termination of the Merger Agreement in accordance with its terms or on April 15, 2003 if the Merger has not occurred by that date.

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

VOTING SHARES BY PROXY

When you return your proxy card you are giving your "proxy" to the individuals we have designated in the proxy to vote your shares as you direct at the meeting. If you sign the proxy card but do not make specific choices, these individuals will vote your shares for adopting the Merger Agreement, as recommended by the Royal Board. If any matter not specifically listed in the notice of Special Meeting is presented at the Special Meeting, they will vote your shares in accordance with their best judgment. On the date this proxy statement was mailed to Royal shareholders, we knew of no matters that needed to be acted on at the meeting other than those discussed in this proxy statement. When a shareholder has specified a choice on his or her proxy with respect to the Merger Agreement or other proposals or matters, that direction will be followed. If no direction is given, all Royal shares represented by the proxy will be voted for adopting the Merger Agreement or at the discretion of the proxy holder in respect of other proposals or matters.

A proxy may be revoked at any time before it is exercised. For a shareholder "of record" (meaning one whose shares are registered in his or her own name) to revoke a proxy, the shareholder may either:

- send in another signed proxy card with a later date; or
- send a letter revoking the shareholder's proxy to our corporate secretary at the Company's address: Royal Appliance Mfg. Co., 7005 Cochran Road, Glenwillow, Ohio 44139; or
- attend the Special Meeting, notify us that the shareholder is revoking his, her, or its proxy, and vote in person.

A "beneficial holder" whose shares are registered in another name (for example in "street name") must follow the procedures required by the holder of record, which is usually a brokerage firm or bank, to revoke a proxy. A beneficial holder should contact the holder of record directly for more information on these procedures.

If you do not provide your broker with instructions on how to vote your "street name" shares, your broker will not be able to vote them on the Merger Agreement, which will have the effect of voting against the Merger. You should therefore instruct your broker how to vote your shares, following the directions provided by your broker.

Shareholders who attend the Special Meeting and wish to vote in person will be given a ballot at the meeting. If your shares are held in street name or are otherwise not registered in name, and you want to attend the meeting, you must either direct the financial institution as to how to vote your shares or obtain a proxy from the financial institution to vote at the Special Meeting.

DISSENTING HOLDERS

Ohio law entitles shareholders who do not vote in favor of adopting the Merger Agreement to demand a judicial appraisal of the fair value of their shares. If you do not vote in favor of adopting the Merger Agreement and if you follow the procedures set forth in ANNEX C, you may become a dissenting holder. Failure to follow these procedures precisely will result in a loss of dissenters' rights.

EXCHANGING SHARE CERTIFICATES

Holders of Royal shares should not send in their share certificates with the proxy cards. If the Merger is completed, you will receive written instructions for exchanging your share certificates for cash.

PLAN VOTING

Approximately 135,000 Royal shares are held for the benefit of plan participants of the Company's 401(k) plan for employees (the "Plan"). The Plan provides pass-through voting for its participants, so the trustees of the Plan will vote Royal shares allocated to a plan participant's account in accordance with the instructions of the plan participant.

Plan participants can vote Royal shares held in the Plan on their behalf only by instructing the trustee on a trustee's voting instruction card provided to participants for that purpose.

Any voting instructions given by a plan participant may be revoked at any time prior to the deadline described below by which the Plan's voting instructions must be received, by either:

- delivering a written notice bearing a date later than the date of the first voting instruction card to the Plan trustee at the indicated address; or
- signing and delivering a voting instruction card relating to the same shares and bearing a later date than the date of the previous voting instruction card.

In order to permit sufficient time to tabulate voting instruction cards, a Plan participant's instructions must be received no later than April , 2003.

PROXY SOLICITATION; SOLICITATION COSTS

In addition to this mailing, directors and employees of the Company may solicit proxies personally, electronically or by telephone, none of whom will receive additional compensation for this solicitation.

The Company has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward the Company's proxy solicitation materials to the beneficial owners of Royal shares they hold of record. The Company will reimburse these record holders for customary clerical and mailing expenses incurred in forwarding these materials to their customers.

The Company has retained Morrow & Co., for proxy solicitation and information agent services in connection with the Special Meeting. Morrow & Co. will receive a fee of approximately \$6,500 for its services and reimbursement of out-of-pocket expenses in connection therewith. The Company also has agreed to indemnify Morrow & Co. against certain liabilities arising out of or in connection with the engagement. Morrow & Co. will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders.

SPECIAL FACTORS

BACKGROUND OF THE MERGER

The Royal Board has periodically explored and assessed strategic options, in response to outside inquiries and in light of the increasingly competitive floor care industry, with the objective of enhancing shareholder value. In that regard, the Company, in March 1999, hired an investment advisor for the purposes of (i) responding to outside inquiries and conducting a limited solicitation of other potential foreign and domestic, financial and strategic purchasers; (ii) conducting a preliminary valuation of the Company; and, if necessary, (iii)

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

providing a fairness opinion with respect to possible offers.

It was during this 1999 process that TechTronic, one of the Company's largest suppliers, as well as numerous other parties, including another supplier, were initially contacted with respect to a possible transaction with the Company. At that time, TechTronic elected not to participate in discussions with respect to the purchase of the Company. In July 1999, the Company terminated its exploration process, having failed to obtain a firm, fully-financed offer that the Board believed reflected the full value of the Company.

In the fall of 1999, management of Royal met with TechTronic representatives in Hong Kong to discuss current and future product supply projects. Management of the Company also met with other Asian suppliers.

In June 2000, John Rochon, a Company director and President of J.R. Investment Corp., the General Partner of Richmond Capital, the owner at that time of 19.8% of Royal, met with Horst Pudwill, Chief Executive Officer of TechTronic, and Henry Sweetbaum, a TechTronic consultant, with respect to Richmond's long-term intention

10

for its investment in Royal. On August 8, 2000, Richmond amended its Schedule 13D filing to note that "based on current market conditions and the position of the Company, it would not consider selling its shares of the Company's Common Stock at a price less than "low double digits."

In November 2000, management of Royal again traveled to Hong Kong and met with several suppliers, including TechTronic, regarding product supply projects.

Subsequent to the extensive review of strategic options in 1999, the Company has periodically been approached by, or initiated contact with, several outside parties who expressed, or which the Company believed had, varying degrees of interest in acquiring Royal or a significant stock position in Royal. Some of these discussions included due diligence sessions. None of these discussions, however, progressed to the submission of an offer, due to internal business issues at the prospective bidders, their respective financing capacity, a tight credit market, especially in the high yield debt market after 1999, and the Company's desire for an "all cash" deal with no financing contingencies.

In late November 2001, one of Royal's global suppliers contacted Mr. Merriman about seeking more business and a desire for a closer working relationship that might lead to a possible combination down the road. Mr. Merriman responded that the supplier's costs and quality had to improve and be more competitive and that Royal was always willing to discuss possible combinations that would bring premium value to Royal's shareholders. In order to keep the same competitive pressure on TechTronic, Messrs. Michael Merriman, Richard Farone, Richard Vasek and David Brickner, the Company's executive officers, met in Cleveland on December 13, 2001 with Horst Pudwill, David Butts, Vice President -- Marketing and Business Development of TechTronic, and Robert Freitag, Vice President of Sales of Ryobi North America, a subsidiary of TechTronic. Royal's management made it known that another global supplier was offering more competitive pricing in order to win more business and had a desire for a closer working relationship that might lead to a possible combination down the road. Mr. Pudwill expressed that TechTronic would be more competitive on pricing and had the same long-term desire for a possible combination, but was currently digesting its recent acquisitions of Homelite and Ryobi and he did not believe that TechTronic had the financial capability to do another acquisition at that time. He suggested that since TechTronic's Chief Financial Officer, Frank Chan, was visiting Ryobi in South Carolina that week, that Royal management should meet with him to discuss the then current financial markets.

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

On December 18, 2001, Messrs. Merriman and Vasek met with Mr. Chan and Philippe Buisson, Ryobi North America's Chief Financial Officer, to discuss the current financing capability of TechTronic and Ryobi. It was concluded that TechTronic did not have sufficient borrowing capacity to make an acquisition the size of Royal at such time. No further discussions were held with TechTronic until August 2002.

As a follow-up to the November 2001 call, Mr. Merriman and some of Royal senior management met in March 2002 with the senior management of the other global supplier. It was determined that this global supplier was in the midst of restructuring its operations from a prior acquisition, did not have the financial capacity for a significant acquisition in 2002, and needed to continue to improve its quality in floorcare. There have been no further discussions, due diligence or offer from this global supplier.

On July 30, 2002, Mr. Merriman received an unsolicited overture from another consumer products' company relating to its interest in sourcing products to Royal and a possible combination. In order to keep competitive pressure on TechTronic, Messrs. Merriman, Vasek, Farone and Brickner met with Messrs. Pudwill and Butts on August 15, 2002, at which meeting Mr. Merriman advised Mr. Pudwill of the recent inquiry. Mr. Pudwill indicated that TechTronic would be more competitive in supplying Royal and, as a result of a recent public offering, had the financial strength and borrowing ability to explore an acquisition of Royal. He suggested that TechTronic would be better prepared to discuss the issue when Mr. Merriman visited Hong Kong in mid-October to discuss current product sourcing projects. Mr. Merriman stated that he would discuss the matter with the Royal Board prior to his October trip.

At the beginning of September 2002, the consumer product company that had contacted the Company in July indicated that it was not interested in having more detailed discussions about a potential acquisition, but was still interested in exploring product sourcing opportunities.

About the same time, a representative of NatCity Investments received an inquiry from a potential financial buyer as to whether NatCity Investments would present to Royal its interest in pursuing a possible transaction with Royal. Management of the Company, after consulting with several directors of the Company, authorized NatCity Investments to continue contacts with the potential buyer and also to advise TechTronic of the inquiry.

11

The representative of NatCity Investments who received the inquiry was previously associated with the investment bank hired by the Company in 1999 and had personally conducted the prior evaluation process on behalf of such firm.

Additionally, NatCity Investments contacted a consumer products company that had earlier expressed an interest to determine whether it had any interest at this time. Such entity expressed no current interest.

A confidentiality agreement was signed by the potential financial buyer on September 10, 2002; a second confidentiality agreement was signed by David Butts, on behalf of TechTronic, on October 2, 2002.

In light of these inquiries and the current discussions, at the regularly scheduled October 14, 2002 Royal Board meeting the Company engaged NatCity Investments to assist the Company in exploring a potential combination with TechTronic, the financial buyer who had expressed an interest in September 2002, and other possible buyers. At this meeting, Mr. Merriman advised the Royal Board that he served on the board of National City Bank, an affiliate of NatCity Investments. As a consequence, he abstained from voting on the engagement of

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

NatCity Investments. Also at this meeting, a representative of Kahn Kleinman, the Company's legal counsel, reviewed a memorandum previously distributed to the directors outlining the authority of directors, the duty of care and the duty of loyalty expected of directors, the ability of the board to rely on appropriate third parties, the application and basis of the business judgment rule, and the directors' fiduciary obligation to the corporation, its shareholders, and other constituencies.

The Royal Board discussed alternative processes ranging from a full auction process to a more selective, limited process. The Board concluded that because the Company and its investment banker had explored a range of buyers extensively in 1999, and informally and selectively, over the prior three years, a full auction process was both unnecessary and potentially detrimental to the Company, due in part to the creation of uncertainty for the Company's employees, customers, and suppliers. Because of the need for certainty in any transaction, the Royal Board concluded that the Company's objectives of confidentiality and certainty could be met if a potential buyer executed a definitive merger agreement that (i) had no financial or other contingencies, other than routine closing conditions, and (ii) contained a "fiduciary-out" provision with an acceptable break-up fee. Such an approach would provide a "market check," allowing any other person to make an offer during the several months that would naturally occur between the public announcement of a definitive agreement and the shareholder vote.

On October 17, 2002, Mr. Merriman met in Hong Kong with Mr. Pudwill to discuss TechTronic's interest in Royal. Mr. Merriman discussed Royal's current financial projections for 2002 and 2003 that had been given to NatCity Investments and the other potential financial buyer, and discussed possible operating synergies, including utilizing available manufacturing capacity, utilizing available engineering and product development resources of TechTronic, and seeking economies in shipping and logistics with other TechTronic product lines. The Company's actual results for 2002 as reported on February 13, 2003, approximated the 2002 projections provided to TechTronic and the other financial buyer. Management projected that 2003 net sales would increase to \$421 million, as compared to 2002 net sales of \$390 million, gross margin percentages would increase to 24.9%, earnings before interest and taxes would increase to \$29.7 million or approximately 7% of net sales, and net income would increase to \$18 million.

The forecasts provided to NatCity Investments and Techtronic were prepared by Royal's management in October 2002 in connection with the proposed sale of the Company. In general, management's internal financial forecasts are prepared for internal use and not with a view towards public disclosure. The forecasts were not prepared with a view towards compliance with published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. PricewaterhouseCoopers LLP neither examined nor compiled the forecasts and, accordingly, PricewaterhouseCoopers LLP did not and does not express an opinion or any other form of assurance with respect thereto. The PricewaterhouseCoopers LLP report incorporated by reference into this Proxy Statement relates to the Company's historical financial information; such report does not extend to the forecasts and should not be read to do so. The forecasts are subjective in many respects, based on assumptions made by management with respect to both Company and industry performance, and general business, market and financial conditions, many of which are beyond Royal's control. Accordingly, Royal can not offer any assurance that the assumptions made in preparing the forecasts will prove accurate, and actual results may be materially greater or less than those contained in the forecasts. Therefore, this information should not be relied upon as being necessarily indicative of future results, and you are cautioned not to place undue reliance on the prospective financial information. Except to the extent required under federal securities laws, Royal does not intend to make publicly available any update

or other revisions to the forecasts to reflect circumstances existing after the date of the preparation of the forecasts. See "Cautionary Statement Regarding Forward Looking Statements" on page of this Proxy Statement.

On October 18, 2002, the Royal Board held a special telephonic meeting at which Mr. Merriman updated the Royal Board on his discussions with Mr. Pudwill. At this meeting, NatCity Investments furnished the Royal Board with a preliminary financial presentation regarding the Company. NatCity Investments also advised the Royal Board of recent communications with potential bidders, including TechTronic.

On October 19, 2002, Messrs. Merriman and Brickner met with Messrs. Pudwill and Butts. Mr. Pudwill advised Messrs. Merriman and Brickner that at the previous day's TechTronic's board meeting, the TechTronic board had authorized him to proceed with legal, accounting and other necessary due diligence in order to make a cash offer for Royal. Mr. Merriman requested Mr. Pudwill to instruct his negotiating team to work through NatCity Investments.

At the October 28, 2002 special meeting of the Royal Board, NatCity Investments advised the Royal Board of the status of negotiations with TechTronic and the financial buyer. NatCity Investments also advised the Board that a third potential bidder was interested in taking a larger equity stake in the Company but was not interested in making an offer to all of the Company's shareholders. The Royal Board appointed a negotiating committee of Messrs. Jack Kahl, E. Patrick Nalley and R. Louis Schneeberger to oversee the negotiation process and minimize potential conflicts of interests that management may have had. The Royal Board further authorized Royal's counsel to distribute an initial draft of a merger agreement to TechTronic and to the financial buyer.

During the period October 31, 2002 through November 2, 2002, TechTronic's legal advisors and accounting consultants reviewed confidential materials in an off-site data room established by Royal. On November 1, 2002, Royal's senior management met with TechTronic's representatives and responded to various due diligence questions.

During the period from October 30, 2002 through December 12, 2002, Royal and TechTronic, working together with their respective legal and financial advisors, negotiated the terms of the definitive merger agreement, other than the price terms, the amount of any "break-up fee" and reimbursement of buyer's expenses, and the circumstances under which such fees and expenses would be payable. During the negotiations, it was agreed that Royal's two principal shareholders, Richmond Capital and E. Patrick Nally, which in the aggregate held approximately 31% of the outstanding shares of the Company, would agree to vote in favor of the transaction if it were recommended by the Royal Board. Accordingly, drafts of a proposed voting agreement with these parties were circulated to TechTronic and these two principal shareholders and terms finalized.

During November, one of the corporations that had participated in the 1999 process called NatCity Investments to express renewed interest in acquiring the Company. NatCity Investments responded that Royal would furnish confidential information to such entity, upon its receipt of evidence that the potential bidder could finance an acquisition the size of Royal. The potential bidder failed to provide such assurance, and no further discussion occurred with such party.

On November 18, 2002, Mr. Sweetbaum called Mr. Merriman and advised him that TechTronic was prepared to bid \$92.8 million for the equity of Royal. TechTronic conditioned its bid on the conditions that all severance agreements

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

relating to Royal employees be reduced to six months. Taking into account shares issuable for outstanding stock options and phantom stock awards, the per share bid was approximately \$6.56 per share. Mr. Merriman advised Mr. Sweetbaum to communicate the offer to NatCity Investments, which he did.

On November 19, 2002, Mr. Sweetbaum spoke to a representative of NatCity Investments, who advised Mr. Sweetbaum that TechTronic's offer was inadequate. After further conversations, Mr. Sweetbaum increased the offer by \$8 million, to an aggregate of \$100.8 million, or effectively \$7.07 per share. NatCity Investments indicated it would take the offer to the Board's negotiating committee.

A conference call was held on November 21, 2002 among NatCity Investments, the Royal Board's negotiating committee and legal counsel. NatCity Investments advised the Committee that the previously discussed financial buyer had elected to suspend its negotiations pending a review of Royal's year-end results. NatCity Investments also reviewed TechTronic's proposal. The Committee authorized Mr. Merriman to call TechTronic's Chairman directly and determine whether a higher bid was possible, as the current proposal of approximately \$7.07 per share was inadequate. The Committee also advised Mr. Merriman and the officers to

13

obtain their own independent counsel to negotiate any new employment agreements or changes to their existing severance agreements, so as to avoid any conflict of interest.

On November 21, 2002, Mr. Merriman called Mr. Pudwill to discuss a higher offer so that negotiations could proceed. Mr. Pudwill indicated that TechTronic was willing to increase its offer, but only if Royal management would agree to new employment agreements with a negotiated lump sum payment up front and a reduced severance period of six months. Mr. Pudwill advised Mr. Merriman that TechTronic's Board would decide on a final offer at its board meeting on November 26-27, 2002.

On November 23-24, 2002, Mr. Merriman held discussions with Mr. Sweetbaum and advised him that, were TechTronic to increase its offer to a level acceptable to Royal's Board, (i) senior management was prepared to accept new employment agreements providing six months severance in exchange for lump-sum payments at closing equal to one-half of the three years of severance payment due under the current contracts, (ii) he was prepared to recommend similar terms to the other Royal employees with severance agreements, but (iii) the Company's Change in Control Severance Compensation Plan covering the rank and file employees would not be changed to reduce employee benefits post-merger.

On November 29, 2002, Mr. Sweetbaum advised Mr. Merriman that TechTronic's board of directors had approved a proposal of (i) \$7.37 for each outstanding share, including shares issuable upon exercise of outstanding stock options and pursuant to phantom stock awards (an aggregate purchase price of \$105.5 million for Royal's equity), (ii) an aggregate payment of \$2.4 million to be divided among the Royal's fourteen senior management employees with severance agreements, provided that they agree to new employment agreements that included only six months severance, (iii) up to an additional \$3.5 million to such senior management employees if Royal's 2003 earnings before income taxes, depreciation and amortization ("EBITDA") exceeded \$30 million from sales of products other than Telezapper and \$35 million overall, and (iv) no change was necessary to the Company's Change in Control Severance Compensation Plan other than to ensure that the plan terminated three years after the Closing of the Merger. Mr. Sweetbaum also indicated that TechTronic stock options would be made available to Royal's management, the amount and terms of which would be finalized during

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

Mr. Pudwill's trip to Ryobi's facility in South Carolina scheduled for December 10-12, 2002.

A conference call was held on December 2, 2002, among TechTronic, Royal and their respective counsel to discuss the open items in the proposed Merger Agreement. During the course of this call, TechTronic requested a "break-up fee" of \$10 million.

On December 2, 2002, the Royal Board met to consider the revised proposal. Representatives of NatCity Investments summarized the negotiations that had occurred to date with TechTronic, as well as conversations they had with potential other bidders. Mr. Jack Kahl, a Royal Board member, indicated that he had telephone conversations with the chief executive officer of another consumer products company to determine whether that company had any interest in acquiring Royal. NatCity Investments made a preliminary financial presentation setting forth its financial analyses relating to the proposed transaction, which was similar to its final presentation made at the December 9, 2002 meeting of the Royal Board. Representatives of Kahn Kleinman reviewed the proposed terms of the merger agreement and the voting agreement. The Royal Board discussed the proposal and advised the committee on its position with respect to the open issues, including the break-up fee and conditions to its payment, a definition of "Material Adverse Change" that would permit TechTronic to terminate the Agreement, and the terms of the voting agreement. The Board was also advised of two additional open matters not requiring Board action: TechTronic's completion of its due diligence regarding the physical condition of Royal's facilities and TechTronic's negotiation of amendments to management's employment agreements. Legal counsel furnished its advice on the appropriateness of break-up fees in transactions similar to the Merger. In authorizing a break-up fee of \$5.3 million, plus a maximum of \$700,000 in expenses payable only if a competing offer was received and, in general, not rejected by the Company, the Royal Board relied on a presentation of NatCity Investments that reviewed all public company transactions in 2001 and 2002 for which data was available, with an emphasis of transactions with an enterprise value (included funded debt) of between \$100-\$200 million. Including funded indebtedness, the estimated enterprise value of the proposed transaction was \$150 million. NatCity Investments confirmed that the statistical average break-up fee for transactions of such size was 3.5% of enterprise value. With respect to the definition of "Material Adverse Change," Royal's position was that general economic conditions and events arising as a result of the announcement of the transaction were risks properly borne by TechTronic. The Royal Board also insisted that the voting agreement with the principal shareholders would terminate if the Company elected to terminate the Merger Agreement.

14

The Royal Board's position on the open matters was communicated to TechTronic on the evening of December 2, 2002. On December 3, 2002, TechTronic indicated that it was prepared to accept Royal's proposals on the open contract issues, provided that TechTronic was able to negotiate acceptable employment agreements with Royal management and that its final due diligence items were resolved.

On the evening of December 9, 2002, the Royal Board held a special meeting to discuss the proposed business combination with TechTronic. Members of senior management and representatives of the Company's advisors reviewed the activities and discussions of the past weeks, and presented a summary of the proposed transaction terms as reflected in the draft definitive agreements and the strategic rationale that supported it. NatCity Investments updated the Royal Board on their recent discussions with other potential third party bidders; Mr. Merriman noted that further discussions with the consumer products company identified by Mr. Kahl on December 2 had not materialized. The Board reviewed

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

Royal's performance and prospects and strategic alternatives, which included remaining an independent public company, searching for other consumer products companies to acquire, raising financing and "going private" by buying back all of the Company's outstanding shares held by the public shareholders, or selling the Company for cash at a premium to market to TechTronic. The Board determined that due to a tight credit market, the Company's limited financing capacity, and the volatile retail environment, a sale to TechTronic for cash, at a premium to Royal's market price, was the best strategic alternative to maximize shareholder value. Representatives of Kahn Kleinman reviewed in more detail the terms of the proposed transaction, including the terms of the merger agreement and the necessary changes required in the Company's Shareholder's Rights Agreement, Change In Control Severance Compensation Plan, existing employment agreements and other instruments, and described the Board's fiduciary duties under the circumstances. NatCity Investments provided the Royal Board a detailed analysis of the financial terms of the proposed combination and an oral opinion, which was subsequently confirmed by delivery of a written opinion, dated December 9, 2002, that, as of that date and subject to the factors and assumptions set forth in the opinion, the merger consideration was fair, from a financial point of view, to the holders of Royal shares. Mr. Merriman then advised the Royal Board of the contemplated terms of the employment arrangements that would be effective upon completion of the merger. The Royal Board then discussed the proposal. At the conclusion of this meeting, after consideration of the factors described under "Recommendation of the Board and Reasons for the Merger" on page , the Royal Board determined by a unanimous vote, that the merger agreement and the transactions contemplated thereby are fair to and in the best interests of Royal and its shareholders, and approved the merger agreement, the amendment to the Royal Shareholder Rights Plan, an amendment to the Change in Control Severance Compensation Plan, the amendments to the existing executive employment agreements, and the acceleration of the vesting of all unvested stock options and phantom stock awards effective immediately prior to the Merger. The Royal Board noted that its approval was still conditioned on agreement by TechTronic and management of the final terms of the employment agreements.

On December 10, 2002, Messrs. Merriman, Farone, Vasek and Brickner met with Mr. Pudwill and other TechTronic management in South Carolina to discuss the employment agreements. During the period December 10-13, 2002, the final terms of the employment agreements were negotiated.

The Royal Board held a brief telephonic meeting on December 11, 2002 at which time it was advised of the current status of the open matters. Although an agreement was not yet a certainty, the Royal Board requested that Mr. Rochon, on behalf of Richmond Capital, and Mr. Nalley execute the voting agreement and forward it to Royal's counsel to be held in escrow pending execution of the definitive agreement.

On the morning of December 13, 2002, at a special meeting of the Royal Board, management reported that all open issues had been resolved, that Messrs. Merriman, Farone, Vasek and Brickner would be meeting with the other Royal management personnel to advise them about the transaction and the need to modify their existing agreements. Assuming that such individuals accepted the revised terms, Royal sought to obtain signatures on both the amendments to the existing agreements and the new employment agreements. The Royal Board was advised that execution of the Merger Agreement would be scheduled for December 16th or 17th following TechTronic's compliance with the regulations of the Hong Kong Stock Exchange. NatCity Investments confirmed for the Royal Board that the increase in the market price of Royal's common stock that had occurred over the prior week did not materially change NatCity Investments' analysis or the basis for its fairness opinion provided on December 9, 2002. Kahn Kleinman advised the Royal Board of the projected timetable from execution of the definitive agreement to closing. The Royal Board reviewed the draft of the press release.

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

On December 16, 2002, the definitive merger agreement was signed; execution pages were exchanged and the press release issued the morning of December 17, 2002, following the close of the trading day for the Hong Kong Stock Exchange and prior to the opening of the New York Stock Exchange.

RECOMMENDATION OF THE BOARD

On December 9, 2002, the Royal Board unanimously approved the Merger and the merger agreement and determined that the Merger is fair to, and in the best interests of, Royal and its shareholders and recommended that all shareholders adopt the Merger Agreement and the transactions contemplated thereby at the Special Meeting.

The following is a summary of the factors considered material by the Board when making its determination: (i) the Royal Board's knowledge of the business, operations, assets, financial condition and results of operations of Royal; (ii) the opinion of NatCity Investments to the effect that, as of December 9, 2002, and based on the assumptions made, matters considered and limits of the review undertaken, as described in that opinion, the \$7.37 per share consideration to be received by holders of shares pursuant to the merger was fair, from a financial point of view, to those holders; (iii) the lack of liquidity and float of Royal's stock and the price of Royal's stock not being reflective of the Royal Board's belief as to its value; (iv) the increasing legal, accounting, insurance and other costs to a small cap company, such as Royal, of remaining a publicly traded enterprise; and (v) that the terms of the merger agreement permit the Royal Board properly to discharge its fiduciary duties, including responding to inquiries and proposals from third parties interested in the possible acquisition of Royal and providing information to, and entering into discussions and negotiations with, such parties. Since the Special Meeting will not occur until several months after the execution of the Merger Agreement, the Royal Board believed that such period would be adequate to receive offers from other parties, if any, having an interest in acquiring Royal. The Royal Board further believes that the provisions of the merger agreement providing for a termination fee to be paid to TechTronic in the event of, among other things, a termination of the merger agreement due to a change in the Royal Board's recommendation of the Merger, and the terms of the voting agreement requiring the participating shareholders to vote their shares in favor of the merger if it were recommended by the Royal Board, would not unreasonably discourage offers from third parties. Other factors included the prospects of remaining independent and the Royal Directors' belief that there was not another company with whom Royal could effect a transaction with greater value to the shareholders in the immediate future.

REASONS FOR THE ROYAL BOARD'S FAVORABLE RECOMMENDATION

MATERIAL FACTORS

In reaching its decision to approve, and in making its recommendation that Royal shareholders adopt, the Merger Agreement and the transactions contemplated thereby, including the Merger, the Royal Board considered a number of factors, both positive and negative, including the following material factors:

- the Royal Board's familiarity with, and presentations by NatCity Investments regarding, the business, operations, properties and assets, financial condition, competitive position, business strategy, and prospects of the Company (as well as the risks involved in achieving those prospects), the current environment for the consumer appliance industry in which the Company competes, and current industry, economic, and market conditions, both on an historical and on an on-going basis;

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

- the fact that the offer price of \$7.37 per Royal share represented an approximate 52% premium over the \$4.85 per share closing price of Royal shares on the last trading day prior to the December 9, 2002 Royal Board meeting;
- the advice that the Royal Board received from legal counsel and NatCity Investments in negotiating and evaluating the terms of the Merger Agreement;
- the financial presentation made by NatCity Investments at the December 9, 2002 meeting of the Royal Board;
- the opinion of NatCity Investments dated December 9, 2002 and attached to this proxy statement as ANNEX B, that, as of that date, the consideration to be received by Royal shareholders pursuant to the Merger Agreement was fair from a financial point of view to the holder of Royal shares;

16

- the current and historical market prices of Royal shares during the past five years has not exceeded the offer price of \$7.37 per share.
- the Royal Board's judgment that the current stock price does not reflect the Company's value, in part due to the lack of liquidity and small public float of Royal shares potentially limiting institutional investor interest.
- the fact that the consideration offered to Royal shareholders is all cash, which provides certainty of value to Royal shareholders. The Company believes that the financing necessary to complete the proposed transaction is assured due to the fact that TechTronic has cash reserves greater than the purchase consideration.
- the increasing legal, accounting, insurance and other costs of remaining a publicly traded company;
- the Royal Board's judgment, in view of the Company's prospects, competitive industry trends and tight financing market, as well as discussions with certain possible acquirers, that it is unlikely that one or more strategic or financial acquirers would be willing and able to pay, at the present time, a price for the Company or its assets that would be as high as the consideration offered to Royal shareholders pursuant to the Merger Agreement;
- the provisions of the Merger Agreement that allow the Company, under certain circumstances, to furnish information to and conduct negotiations with a third party, and terminate the Merger Agreement in connection with a superior proposal for a business combination or acquisition of the Company upon payment of a termination fee \$5.3 million, which amount represents approximately 3.5% of the Company's enterprise value, plus expenses of up to \$700,000; and
- the alternatives available to the Company, including the range of potential values of the Company, and the Royal Board's perception that the risk associated with consummating the sale to TechTronic at a known cash premium to market was lower than the risks associated with achieving a competitive value through the implementation of the Company's growth strategy and remaining an independent corporation that would be subject to significant uncertainties and risks beyond the Company's control, including negative general business and economic conditions, a consolidating retail environment, and tight financing markets.

PROCESS

The Royal Board's favorable recommendation followed an extensive process of seeking business combination proposals conducted by the Company and NatCity Investments, pursuant to which interested parties signed confidentiality agreements, met with Company management, reviewed confidential information about the Company and its business, and reviewed public disclosures by and about the business, financial condition and current business strategy of Royal.

In considering TechTronic's proposal, the Royal Board took into account discussions with other interested parties regarding the value and form of consideration, expected tax treatment, termination fees payable in the event that a more favorable transaction was presented to the Company following the execution of a definitive agreement, and transaction risks related to timing and the certainty that a transaction would be consummated considering regulatory risks and closing conditions. Based on these considerations, the Royal Board believed that acceptance of the TechTronic's proposal was in the best interest of Royal shareholders.

The Board also considered the structure of the Merger and the terms and conditions of the Merger Agreement, including:

- the ability of the Company, prior to the consummation of the Merger, to consider and negotiate unsolicited third party business combination proposals, subject to certain conditions;
- the right of the Royal Board, prior to the consummation of the Merger, to terminate the Merger Agreement and accept a superior proposal, subject to the satisfaction of certain conditions and the payment of a termination fee to TechTronic; and
- the ability to consummate the Merger within a reasonable period of time, including the likelihood of receiving necessary regulatory approvals.

17

NEGATIVE FACTORS

The Royal Board also identified and considered the following potentially negative factors in its deliberations:

- The possible disruption to the Company's businesses that may result from the announcement of the transaction and the resulting distraction of management attention from the day-to-day operations of the Company's businesses;
- The restrictions contained in the Merger Agreement on the operation of the Company's businesses during the period between the signing of the Merger Agreement and the completion of the Merger;
- The \$5.3 million termination fee plus up to \$700,000 of expenses to be paid to TechTronic if the Merger Agreement is terminated under circumstances specified in the Merger Agreement. See "The Merger Agreement -- Termination of the Merger Agreement; Termination Fee" on page ;
- The possibility that the Merger might not be completed, which could cause the Company's stock price to decline to its pre-merger announcement level;
- The possibility that the Merger might not be completed, and the cost of

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

the failed transaction on the Company's operating results.

- The Company's ability to attract and retain key personnel could be impaired due to the uncertainty involved with the proposed transaction and employees' concerns regarding job security;
- The possibility of significant costs, delays and non-consummation of the Merger Agreement resulting from seeking regulatory approvals necessary for the consummation of the Merger Agreement; and
- Gains, if any, arising from receipt of the cash paid in the Merger would be taxable to Royal shareholders for United States federal income tax purposes.

The foregoing discussion of the factors considered by the Royal Board is not intended to be exhaustive. In view of the variety of factors considered in connection with their evaluation of the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, the Royal Board did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching their respective determinations. The Royal Board considered all the factors as a whole in reaching their respective determinations. In addition, individual members of the Royal Board may have given different weights to different factors.

THE ROYAL BOARD HAS UNANIMOUSLY DETERMINED THAT THE MERGER AGREEMENT WITH TECHTRONIC IS FAIR TO AND IN THE BEST INTERESTS OF ROYAL SHAREHOLDERS AND BELIEVES THAT THE MERGER AGREEMENT REPRESENTS AN OPPORTUNITY TO ENHANCE VALUE FOR ROYAL SHAREHOLDERS.

ACCORDINGLY, THE ROYAL BOARD UNANIMOUSLY RECOMMENDS THAT ROYAL SHAREHOLDERS VOTE FOR ADOPTION OF THE MERGER AGREEMENT.

In considering the recommendation of the Royal Board with respect to the Merger Agreement, Royal shareholders should be aware that certain directors and officers of the Company have arrangements that cause them to have interests in the transaction that are different from, or are in addition to, the interests of Royal shareholders generally. See "Interests of Certain Persons in the Merger" beginning on page .

OPINION OF NATCITY INVESTMENTS

The Royal Board asked NatCity Investments to render an opinion to the Royal Board as to the fairness, from a financial point of view, of the consideration to be paid to the holders of Royal shares pursuant to the Merger Agreement. On December 9, 2002, NatCity Investments delivered an oral opinion, subsequently confirmed in writing, to the effect that, as of the date of its opinion, and based upon and subject to the assumptions, limitations and qualifications contained in its opinion, the consideration to be received by Royal shareholders pursuant to the Merger Agreement was fair, from a financial point of view, to the holders of Royal shares.

The full text of the written opinion of NatCity Investments is attached to this document as ANNEX B and incorporated into this proxy statement by reference. We urge you to read that opinion carefully and in its entirety for the assumptions made, procedures followed, other matters considered and limits of the review undertaken in arriving at that opinion.

NatCity Investments was retained to serve as an advisor to the Royal Board and not as an advisor to or agent of any shareholder of the Company. NatCity

Investments' opinion was prepared for the Royal Board and is directed only to the fairness, from a financial point of view, of the consideration to be paid to Royal shareholders pursuant to the Merger and does not address the merits of the decision by the Company to engage in the Merger or other business strategies considered by the Company, nor does it address the Company's decision to proceed with the Merger. NatCity Investments' opinion does not constitute a recommendation to any of the Company's shareholder as to how that shareholder should vote at the Special Meeting.

NatCity Investments did not determine the amount of the consideration to be paid to Royal shareholders pursuant to the Merger. The amount of consideration was determined in negotiations between the Company and Parent, in which NatCity Investments advised the Royal Board. No restrictions or limitations were imposed by the Royal Board on NatCity Investments with respect to the investigations made or the procedures followed by NatCity Investments in rendering its opinion.

In rendering its opinion, NatCity Investments reviewed, among other things:

- A draft of the Merger Agreement, dated December 6, 2002, which NatCity Investments understood to be in substantially final form;
- A draft of the form of voting agreement, dated December 6, 2002, for certain Royal shareholders, which NatCity Investments understood to be in substantially final form;
- A draft of the form of employment agreement, dated December 7, 2002, for certain executive officers of the Company, which NatCity Investments understood to be in substantially final form;
- The Company's Annual Reports on Form 10-K for each of the fiscal years ended December 31, 1997, 1998, 1999, 2000, and 2001, its Quarterly Report on Form 10-Q for the quarters ended March 31, June 30 and September 30, 2002, and other publicly available information about the Company;
- Unaudited internal information, primarily financial in nature and including projections, prepared and furnished to NatCity Investments by the Company's management;
- Publicly available information concerning the trading of, and the trading market for, Royal shares, as discussed in more detail in "-- Historical Stock Trading Analyses" below;
- Publicly available information with respect to certain other companies that NatCity Investments believed to be comparable to the Company and the trading markets for those other companies' securities, as discussed in more detail in "-- Comparable Public Company Analysis" below; and
- Publicly available information concerning the nature and terms of other transactions that NatCity Investments considered relevant to its analysis of this Merger, as discussed in more detail in "-- Comparable Merger & Acquisition Analysis" below.

NatCity Investments also discussed past and current operations and the financial condition and prospects of the Company, as well as other matters NatCity Investments believed to be relevant to its analysis of the Merger, with certain officers and employees of the Company, and conducted such other financial studies, analyses and investigations, and considered such other information, as NatCity Investments deemed necessary or appropriate.

You should note that in rendering its opinion, NatCity Investments relied upon the accuracy and completeness of all of the financial and other information provided to it or publicly available. NatCity Investments also assumed and

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

relied upon the representations and warranties of the Company and TechTronic contained in the Merger Agreement. NatCity Investments was not engaged to, and did not independently attempt to, verify any of that information. NatCity Investments also relied upon the management of the Company as to the reasonableness and achievability of the financial and operating projections provided to it, and the assumptions underlying those projections. Management represented to NatCity Investments that these projections and assumptions reflected their best currently available estimates and judgments. NatCity Investments was not engaged to assess the reasonableness or achievability of those projections or the assumptions underlying them and expresses no view on those matters. NatCity Investments did not conduct a physical inspection or appraisal of any of the assets, properties or facilities of the Company, nor was it furnished with any evaluation or appraisal.

19

NatCity Investments also assumed that the conditions to the Merger as set forth in the Merger Agreement would be satisfied and that the Merger would be completed on a timely basis in the manner contemplated by the Merger Agreement.

NatCity Investments' opinion is based on economic and market conditions and other circumstances existing on, and information made available as of, the date of its opinion. NatCity Investments' opinion does not address any matters after the date of its opinion. Although subsequent developments may affect its opinion, NatCity Investments does not have the obligation to update, revise or reaffirm its opinion.

The following is a brief summary of the financial and comparative analyses performed by NatCity Investments to arrive at its opinion. This summary is not intended to be an exhaustive description of the analyses performed by NatCity Investments but includes all material factors considered by NatCity Investments in rendering its opinion. NatCity Investments drew no specific conclusions from any of these analyses, but subjectively factored its observations from these analyses into its qualitative assessment of the relevant facts and circumstances.

Each analysis performed by NatCity Investments is a common methodology utilized in determining valuations. Although other valuation techniques may exist, NatCity Investments believes that the analyses described below, when taken as a whole, provide the most appropriate analyses for NatCity Investments to arrive at its opinion.

HISTORICAL STOCK TRADING ANALYSES

NatCity Investments reviewed the historical performance of the Royal shares based on an historical analysis of closing prices and trading volumes for the one month, three month, six month, twelve month, two year and five year periods ended December 6, 2002. NatCity Investments noted that the average closing price for the Royal shares over these periods ranged from \$4.37 to \$5.30, with the lowest average closing price being the three month average and the highest average closing price being the twelve month average.

The following chart summarizes these prices and volume of trading of the Royal shares.

DISCOUNTED CASH FLOW ANALYSES

NatCity Investments analyzed various financial projections prepared by the management of the Company for the five year period 2003 through 2007 and performed a discounted cash flow analysis of the Company, as if the Company were to continue on a stand-alone basis, based on these projections. A discounted cash flow analysis is a methodology used to derive an implied equity value for a corporate entity by discounting to the present its future, unlevered, after-tax free cash flows and an estimated terminal value of the entity. NatCity Investments calculated an implied equity value per share reference range for the Company by discounting to the present the unlevered, after-tax free cash flows that the Company is projected to generate over the five-year period 2003 through 2007 and the terminal value of the Company based on a range of multiples applied to projected 2007

20

EBITDA. NatCity Investments then compared the implied equity value reference range to the proposed offer price in the Merger. This analysis was repeated in a similar fashion applying a discount to the financial projections as prepared by the management of the Company.

NatCity Investments believed that a discount to management's projections was appropriate due to several factors that have affected the Company's profitability historically, and that are expected to affect its profitability in the future. These factors include, among others, the continued need by the Company to invest in new product development for both its core upright floor care market as well as ancillary products it sells from time to time. Management's projections assumed that the Company would continually be able to introduce innovative, high margin products to replace maturing products. Because there can be no assurance that the Company will be able to continue to develop new products that can be sold at historical revenue and profitability levels, NatCity Investments focused on the core business and did not assume continual innovation.

Furthermore, even after new products have been developed and successfully introduced to consumers, the Company faces stiff competition in all of the

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

markets it serves. Its competitors often compete on price and through the incorporation of additional features and benefits into competitive products. This competition negatively impacts profits within the industry. This dynamic is compounded by the fact that the Company relies on large retailers for much of its business and these retailers are focused on providing its customers with low prices. While the Company may be able to expand margins in the short term given the introduction of new products, the Company has been challenged to maintain these margins given this competitive response. NatCity Investments sees no reason for these industry dynamics to change. To the contrary, these dynamics may become more negative given the growing presence in the U.S. market of low cost consumer goods manufactured in Asia and Mexico. While management's projections account for these dynamics, NatCity Investments believed they would have more of an impact on future results than assumed by management based on NatCity Investments' experience with the Company and its industry, discussions with other industry participants and parties interested in acquiring the Company, management's difficulty in meeting past projections for the Company's core business of floor care products, and NatCity Investments' generally conservative approach in analyzing management projections. Taking these company and industry dynamics into consideration, NatCity Investments concluded that a 30% discount to the free cash flows generated by the Company was appropriate in the discounted analysis. With this discount, management's projections are more in line with the historical performance of the Company's core floor care business, which Nat City Investments considered to be the Company's principal sustainable business.

For purposes of these analyses, NatCity Investments used discount rates of 11.7% to 13.7%, based on the projected weighted average cost of capital, including funded debt, of the Company and terminal 2007 EBITDA multiples of 4.5x to 5.5x, which were derived by reference to the implied public market trading multiples of enterprise value to EBITDA of the selected companies in the Comparable Public Company Analysis as discussed below.

These analyses indicated an implied equity value per share reference range for the Company of approximately \$9.84 to \$10.89 and \$6.20 to \$6.93 in the undiscounted and discounted analysis, respectively. NatCity Investments noted that the proposed offer price of \$7.37 per share was below the implied equity value reference range for the Company in the undiscounted scenario, and above the implied equity value reference range for the Company in the discounted scenario.

COMPARABLE PUBLIC COMPANY ANALYSIS

NatCity Investments reviewed and compared selected financial data of the Company to financial data of eight publicly traded companies that NatCity Investments considered reasonably similar to the Company in that these companies operate in the household appliances industry. NatCity Investments believed that the companies it selected were comparable, in the aggregate, to the Company. More direct comparisons to competitors in the floorcare industry was not possible because such competitors were divisions or subsidiaries of larger corporations, including some of those listed above, or were privately owned. No single selected comparable company is exactly the same as the Company. For example, any particular comparable company may differ from the Company based on, among other things, the size of the company, the geographic coverage of the company's

operations, and the particular markets on which the company focuses. The selected comparable companies included:

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

- | | |
|--------------------------|------------------------------------|
| - applica Incorporated | - National Presto Industries, Inc. |
| - Electrolux AB | - Salton, Inc. |
| - Helen of Troy, Limited | - Water Pik Technologies, Inc. |
| - Maytag Corporation | - Whirlpool Corporation |

NatCity Investments reviewed, among other things, enterprise values as a multiple of actual latest twelve month sales, earnings before interest, taxes, depreciation and amortization, commonly referred to as EBITDA, and earnings before interest and taxes, commonly referred to as EBIT. NatCity Investments calculated enterprise values as the market value of equity securities plus indebtedness and minority interests less cash and cash equivalents, as of December 5, 2002. Indebtedness includes any off-balance sheet securitizations. NatCity Investments also reviewed equity values as a multiple of projected 2002 EPS and projected 2003 EPS. EPS projections for the selected companies were based on publicly available median consensus research analyst estimates. Projected financial data for the Company were based on projections provided by the Company's management. Latest twelve month sales, EBITDA and EBIT data for the Company were based on year-end 2002 projected financial statements provided by the Company's management. NatCity Investments then compared the implied multiples derived for the selected companies with the multiples implied in the Merger based on the estimated transaction value of the Merger. For purposes of determining the estimated transaction value of the Merger, NatCity assumed consideration of \$7.37 per Royal share to be paid pursuant to the Merger and approximately \$45.2 million net in funded debt, including a \$22.0 million off-balance sheet securitization, to be assumed by TechTronic. The following table sets forth the implied multiples for the selected companies, as compared to the implied multiples based on the estimated transaction value of the Merger:

COMPARABLE PUBLIC COMPANIES	MEDIAN COMPARABLE MULTIPLE	IMPLIED TRANSACTION MULTIPLE
-----	-----	-----
Multiple of Sales.....	0.5x	0.4x
Multiple of EBITDA.....	5.2x	5.6x
Multiple of EBIT.....	6.9x	13.6x
Multiple of 2002 Projected EPS.....	9.2x	18.6x
Multiple of 2003 Projected EPS.....	8.8x	5.9x

NatCity Investments noted that the implied multiples of the Company, based on the transaction value of the Merger, were generally above the median transaction multiples of the selected transactions, with the exception of the Multiples of Sales and 2003 Projected EPS.

No company utilized in the comparable public company analysis is identical to the Company. NatCity Investments made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of either the Company or Parent. Mathematical analysis (such as determining the mean or median) is not itself a meaningful method of using publicly traded comparable company data.

COMPARABLE MERGER & ACQUISITION ANALYSIS

Using publicly available information, NatCity Investments reviewed certain transactions in the household appliances industry completed since November 1999 that had targets with comparable EBITDA margins and enterprise values ranging

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

from approximately \$50 million to approximately \$500 million. These transactions were chosen because they were business combination transactions that, for purposes of the analysis, NatCity Investments considered reasonably similar to the Merger in that these transactions involved companies in the household appliances industry, were transactions of a comparable size and that occurred in a recent period. NatCity Investments believed that the transactions it selected were comparable, in the aggregate, to the Merger. However, no single selected comparable transaction is exactly the same as the Merger. For example, any particular selected comparable transaction may differ from the Merger based on, among other things, the size of

22

the transaction, the form of consideration paid in the transaction, the structure of the transaction, and the date on which the transaction was consummated. The selected comparable transactions included:

TARGET -----	ACQUIROR -----
Allegheny Teledyne Consumer.....	Shareholders
Moulinex SA.....	Elfi SA
Kenwood Appliances PLC.....	De Longhi Pinguino SA
Pifco Holdings PLC.....	Salton, Inc.
Fisher & Paykel Appliances.....	Shareholders

For each of these transactions, NatCity Investments calculated the ratio of the enterprise value of the transaction to the target company's actual latest twelve month sales, EBITDA and EBIT. NatCity Investments then compared the implied multiples derived for the selected transactions with the multiples implied in the Merger for the Company based on the estimated transaction value of the Merger. All multiples for the selected transactions were based on publicly available information at the time of the announcement of the particular selected transaction. Latest twelve month sales, EBITDA and EBIT data for the Company were based on year-end 2002 projected financial statements provided by the Company's management. The following table sets forth the implied multiples for the selected transactions, as compared to the implied multiples based on the estimated transaction value of the Merger:

COMPARABLE M&A TRANSACTIONS -----	MEDIAN TRANSACTION MULTIPLE -----	IMPLIED TRANSACTION MULTIPLE -----
Multiple of Sales.....	0.5x	0.4x
Multiple of EBITDA.....	5.5x	5.6x
Multiple of EBIT.....	10.6x	13.6x

NatCity Investments noted that the implied multiples of the Company, based on the transaction value of the Merger, were generally above the median transaction multiples of the selected transactions, with the exception of the multiple of Sales.

LEVERAGED BUYOUT ANALYSES

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

NatCity Investments performed leveraged buyout analyses of the Company as a means of establishing the value of the Company assuming its sale to a typical financial buyer. A leveraged buyout involves the acquisition or recapitalization of a company financed primarily by incurring indebtedness that is serviced by the operating cash flow of the company after the leveraged buyout. NatCity Investments analyzed two scenarios, one using management's projections and the second using a 30% discount to management's EBITDA projections for the reasons discussed above in "-- Discounted Cash Flow Analyses." Both scenarios assumed that the Royal shares would be purchased by a financial buyer at a price resulting in a rate of return in excess of 30% for equity investors, 20% for subordinated debt investors, including warrants, and 6-7% for senior debt investors. In both scenarios, NatCity Investments used terminal 2007 EBITDA multiples of 4.5x to 5.5x, which were derived by reference to the implied public market trading multiples of enterprise value to EBITDA of the selected companies in the Comparable Public Company Analysis as discussed above. The first scenario assumed that senior debt and total debt of the company after the leveraged buyout would not exceed 2.28 times and 3.04 times EBITDA, respectively. The second scenario assumed that senior debt and total debt of the company after the leveraged buyout would not exceed 1.83 times and 2.44 times EBITDA, respectively.

NatCity Investments determined that these rates of return and leverage multiples were consistent with publicly-disclosed multiples of 38 recent leveraged buyout transactions that occurred year-to-date as described in the November 2002 issue of Standard & Poor's Leveraged Commentary & Data. In Standard & Poor's statistical analysis, the average equity contribution to a leveraged buyout was approximately 40%, with the remainder borrowed from senior and subordinated lenders. Based on NatCity Investments' frequent interaction with equity sponsors, subordinated lenders, and commercial bankers, NatCity Investments determined that the expected rates of return on the various capital sources were consistent with the then current market. These analyses implied an equity value per share range of \$6.31 to \$6.67 in the first scenario, and \$4.63 to \$4.91 in the second scenario. NatCity Investments noted that the proposed offer price of \$7.37 per share was above the implied equity value reference range for the Company in both scenarios.

23

PREMIUMS PAID ANALYSIS

Using publicly available information, NatCity Investments reviewed 37 publicly-disclosed control acquisitions where consideration was cash or cash equivalents that were completed since January 1, 2001, and had equity values above \$50 million and below \$200 million. These transactions were chosen based on the comparable size of the transactions and the recent period in which the transactions were completed. NatCity Investments believed that the transactions selected were comparable, in the aggregate, to the Merger. However, no single selected transaction is exactly the same as the Merger. For example, any particular selected transaction may differ from the Merger based on, among other things, the size of the transaction, the form of consideration paid in the transaction, the structure of the transaction, the date on which the transaction was consummated, and the industry in which the transaction occurred. NatCity Investments excluded transactions that occurred in the technology and software and financial services industries, which both exhibit industry dynamics that are materially different from the Company's industry. Many technology and software companies are, on average, not profitable or only marginally profitable, and many are in an early or start-up phase of their lifespan relative to a manufacturing company. These relatively young companies most often trade based upon perceived value of their technology. Financial services companies are highly regulated enterprises that often trade as a multiple of book value. In addition, financial service companies are not in the business of manufacturing a

tangible product and, as a result, respond differently to changes in economic conditions.

For each of the target companies involved in the transactions, NatCity Investments examined the closing stock price one day, one week and one month prior to announcement of the transaction. In addition, NatCity Investments calculated the premium of the \$7.37 per share that Royal shareholders would receive to the closing prices for Royal shares for the periods one day, one week and one month prior to an assumed announcement date of December 5, 2002, when the Company's closing price per share was \$4.84. The following table sets forth the implied premiums for the selected control acquisitions, as compared to the implied premiums based on the price per share offered pursuant to the Merger Agreement:

PREMIUMS PAID -----	CASH CONSIDERATION TRANSACTIONS MEDIAN -----	IMPLIED MERGER PREMIUM -----
One Day.....	35.9%	52.3%
One Week.....	45.1%	51.3%
One Month.....	49.3%	51.0%

NatCity Investments noted that the implied premiums for the Merger are greater than the premiums paid in the selected control acquisitions.

CONCLUSION

The summary set forth above describes the principal elements of the presentation made by NatCity Investments to the Royal Board on December 9, 2002. The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of these methods to the particular circumstances and, therefore, the opinion is not readily susceptible to summary description. Each of the analyses conducted by NatCity Investments was carried out in order to provide a different perspective on the Merger and add to the total mix of information available. NatCity Investments did not form a conclusion as to whether any individual analysis, considered in isolation, supported or failed to support an opinion as to fairness from a financial point of view. Rather, in reaching its conclusion, NatCity Investments considered the results of the analyses in light of each other and ultimately reached its opinion based upon the results of all analyses taken as a whole. Except as indicated above, NatCity Investments did not place particular reliance or weight on any individual analysis, but instead concluded that its analyses, taken as a whole, support its determination. Accordingly, notwithstanding the separate factors summarized above, NatCity Investments believes that its analyses must be considered as a whole and that selecting portions of its analysis and the factors considered by it, without considering all analyses and factors, could create an incomplete or misleading view of the evaluation process underlying its opinion. In performing its analyses, NatCity Investments made numerous assumptions with respect to industry performance, business and economic conditions and other matters. The analyses performed by NatCity Investments are not necessarily indicative of actual value or future results, which may be significantly more or less favorable than suggested by the analyses.

Pursuant to the terms of an engagement letter dated October 16, 2002, the Company has paid to NatCity Investments a fixed fee for the fairness opinion described herein. In addition, the Royal Board agreed to cause the Company to pay NatCity Investments a fee of \$1,250,000 for providing financial advisory services to the Royal Board of directors that is customary in transactions of this nature, which is contingent upon consummation of the Merger, against which will be credited the fixed fee of \$250,000 for the fairness opinion described herein. The Royal Board also agreed to cause the Company to reimburse NatCity Investments for its reasonable out-of-pocket expenses, and to indemnify NatCity Investments and related persons against liabilities in connection with its engagement, including liabilities under federal securities laws. The terms of the fee arrangement with NatCity Investments were negotiated at arm's-length between the Royal Board and NatCity Investments.

NatCity Investments has, in the past, provided investment-banking services to the Company for which NatCity Investments received customary compensation. In the ordinary course of business, NatCity Investments may actively trade the securities of the Company for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in those securities.

NatCity Investments, as part of its investment banking services, is regularly engaged in the valuation of businesses and securities in connection with mergers, acquisitions, underwritings, sales and distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. The Royal Board selected NatCity Investments based on its experience in transactions similar to the Merger and its reputation in the brokerage and investment communities.

INTERESTS OF CERTAIN PERSONS IN THE MERGER

In considering the recommendations of the Royal Board, you should be aware that certain members of the Royal Board and management have interests that are different from, or in addition to, your interests as a holder of Royal shares generally. Each of the members of the Royal Board was aware of these interests and considered them, among other matters, in approving the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger.

We refer you to the information under the headings "Beneficial Ownership of Royal Shares -- Security Ownership of the Company Management" for information regarding our current officers and directors and their share ownership in the Company. The Company's officers and directors who own Royal shares at the Effective Time of the Merger will be entitled, as will all Royal shareholders, to receive \$7.37 per share as consideration for their Royal shares.

In addition, the rights of holders, including participants in compensation plans, of all unexercised options to purchase Royal shares and phantom stock rights will be converted into a right to receive cash for each Royal share issuable or in respect of which payment is due upon the exercise of these options and rights, respectively, in the amount of \$7.37 less the applicable exercise price of these options and rights. All unvested options and phantom stock rights outstanding at the Effective Time of the Merger will vest and become immediately exercisable as a result of the transactions contemplated by the Merger Agreement. The following table shows the dollar value of the payments before taxes to be received by the directors and executive officers of the Company with respect to their options and rights that would otherwise be unvested as of March 31, 2003, and which would become vested as a result of the Merger:

Michael J. Merriman, President and Chief Executive Officer of the Company, and the Company are parties to an Employment Agreement dated March 14, 2002, pursuant to which Mr. Merriman is entitled to a base salary of \$400,000 per year, and participates in the Company's annual management incentive plan ("MIP"). The term of Mr. Merriman's employment agreement is for one year, with automatic renewals unless one party gives notice of its intent not to renew the agreement. In the event of Mr. Merriman's termination without cause, termination due to death or disability, termination for "good reason" (as defined in the agreement), or if the Company gives notice of its intention not to renew the agreement (collectively, a "Triggering Termination"), Mr. Merriman is entitled to severance payments equal to: (a) three times the sum of his then current annual base salary and the average annual bonus based on the prior three years (paid in six semi-annual installments); (b) a prorated portion of his MIP award for the year in which the termination occurs, if applicable; (c) a lump sum severance payment determined annually by the Royal Board (currently \$1.5 million); (d) forgiveness of all amounts due on his April 2001 \$542,750 note payable to the Company; and (e) continuation of his insurance and other employee benefits for 36 months. If any of these payments or any other payment made by the Company would precipitate an excise tax as a "parachute payment" under the Internal Revenue Code, Mr. Merriman is entitled to receive an amount equal to the amount of those excise taxes plus a tax "gross-up" payment. If a Triggering Termination occurred following a change-in-control (as defined in the agreement), Mr. Merriman's severance payments would be paid in a lump sum. The agreement also contained a covenant by Mr. Merriman not to compete with the Company for up to 36 months following the termination of his employment. In the event of a Triggering Termination, any and all unvested stock options and phantom stock rights held by Mr. Merriman would fully vest.

In connection with execution of the Merger Agreement and assuming the Merger is consummated, Mr. Merriman's employment agreement is amended whereby, Mr. Merriman has agreed to repay all amounts due on his \$542,750 note payable to the Company and forego the other benefits provided in clauses (a) through (e) above in exchange for a lump-sum payment of \$742,000, plus the contingent payment described below. Moreover, in the event Mr. Merriman is terminated without "cause", as defined in his new employment agreement, after the Merger, or terminates his employment for "good reason", as defined in his new employment agreement, his severance shall be one-half the sum of his then-current base salary and the average of his annual bonus for the prior three years. The contingent payment equals 34% of the 2003 EBITDA bonus pool, payable on or

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

before April 1, 2004. The 2003 EBITDA bonus pool shall be equal to 50% of the amount by which the Company's EBITDA exceeds \$35 million, up to \$42 million for fiscal year 2003, excluding bonuses and costs related to the Merger (including, but not limited to, legal and professional fees related to the Merger, non-cash write-offs, and severance costs related to 2003 terminations); provided, however, that the EBITDA bonus pool shall not exceed \$3.5 million; provided, further, that, if the EBITDA attributable to the Company's business, excluding EBITDA attributable to the Telezapper product for 2003, does not equal or exceed \$30 million, then no 2003 EBITDA bonus pool shall be created. All determinations of EBITDA for purposes of determining the amount of the EBITDA bonus pool and any entitlement to a contingent payment shall be made in accordance with generally accepted accounting principles applied in the United States and consistent with the Company's recent historical practices. Under Mr. Merriman's amended employment agreement, he is entitled to receive a stock option for 2,000,000 shares of TechTronic in May 2003, following release of TechTronic's earnings for fiscal 2002.

The Company has entered into severance agreements with Messrs. Farone, Vasek and Brickner that are designed to retain these executives and provide for continuity of management in the event of any actual or threatened change in the control of the Company. Each agreement only becomes operative upon a "change in control" as defined in the agreements. For three years after a change in control, if an executive's employment were terminated for reasons other than "cause" (as defined in the agreements), the executive would be entitled to receive a severance amount equal to three times of his then base salary. The Company could make an additional payment to reimburse the executives for excise tax payments, if any, triggered by the foregoing severance payments. All options and stock rights held by the executives with respect to the Company's common stock became immediately exercisable upon the date of termination of employment and remain exercisable for a period of up to three years.

In connection with the execution of the Merger Agreement, Messrs. Farone, Vasek and Brickner agreed to amend their severance agreements. In exchange for lump sum payments of \$311,000, \$289,000 and \$251,000, respectively, and the contingent payments described below, Messrs. Farone, Vasek and Brickner each agreed to

26

new one-year employment contracts that provide for severance payments in the event of their termination of employment for reasons other than "cause" or for "good reason", as defined in their new agreements. The severance payments equal one-half the sum of the then current salary of the executive plus the average of the annual bonus for the prior three years. The contingent payment for each officer equals 12% of the 2003 EBITDA bonus pool, payable on or before April 1, 2004. Under their new employment agreements, Messrs. Farone, Vasek and Brickner each are entitled to receive stock options for 1,000,000 shares of TechTronic in May 2003, following release of TechTronic's earnings for fiscal 2002.

The Company has change-in-control agreements with several other officers of the Company that provided severance payments to each such person equal to two or three times his or her then base salary. These individuals have also entered into new agreements that provide an aggregate lump sum payment of \$1,349,000, plus an aggregate contingent payment equal to 30% of the 2003 EBITDA bonus pool. Payment of any monies from the 2003 EBITDA bonus pool is contingent on the Company's 2003 EBITDA exceeding \$35 million. The Company has not achieved \$35 million in EBITDA in any of the last three years, and no contingent payments would be made if these results were replicated. The 2003 projections provided to TechTronic and utilized by NatCity Investments, which assume the Company no longer has the cost of being a public company, estimated 2003 EBITDA at \$42 million before the 2003 EBITDA bonus pool payments and merger-related costs. Were the Company to achieve these results, the aggregate contingent payments

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

would be \$3.5 million.

GOVERNMENTAL AND REGULATORY MATTERS

Under the Hart-Scott Rodino Antitrust Improvements Act of 1976 (the "HSR Act") and rules promulgated by the Federal Trade Commission (the "FTC"), certain acquisitions may not be consummated unless certain information has been furnished to the Antitrust Division of the United States Department of Justice and the FTC and the applicable waiting period requirements have been satisfied. The Merger is subject to these requirements.

Pursuant to the requirements of the HSR Act, TechTronic filed the required Notification and Report Forms (the "Forms") with the Antitrust Division and the FTC on February 6, 2003. Neither governmental agency requested additional information and TechTronic and the company received notice that their request for early termination of the statutory waiting period applicable to the Merger was granted on February 20, 2003.

The Antitrust Division and the FTC frequently scrutinize the legality of transactions under the antitrust laws. At any time before or after the consummation of any such transactions, the Antitrust Division or the FTC could, notwithstanding termination of the waiting period, take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the Merger or divestiture of assets of the Company or TechTronic. Private parties and State Attorneys General may also bring legal actions under the antitrust laws.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following discussion summarizes the material U.S. Federal income tax consequences of the Merger. This discussion is based upon the provisions of the Internal Revenue Code of 1986, as amended (referred to as the "Code" in this proxy statement), the regulations promulgated under the Code, Internal Revenue Service rulings, and judicial and administrative rulings in effect as of the date of this proxy statement, all of which are subject to change, possibly with retroactive effect. This discussion does not address all aspects of federal income taxation that may be relevant to a holder of Royal shares in light of the shareholder's particular circumstances or to those holders of Royal shares subject to special rules, such as shareholders who are not citizens or residents of the United States, shareholders who are financial institutions or broker-dealers, tax-exempt organizations, insurance companies, dealers in securities, foreign corporations, shareholders who acquired their Royal shares through the exercise of options or similar derivative securities or shareholders who hold their shares as part of a straddle or conversion transaction. This discussion also does not address the U.S. federal income tax consequences to holders of options to purchase Royal shares or phantom stock rights in respect of Royal shares. This discussion assumes that holders of Royal shares hold their respective shares as capital assets within the meaning of Section 1221 of the Code. No ruling from the Internal Revenue Service will be applied for with respect to the federal income tax consequences discussed herein and accordingly there can be no assurance that the Internal Revenue Service will agree with the positions described in this proxy statement.

Cash payments received by Royal shareholders upon redemption of their Royal shares will be treated as received in exchange for their shares, and gain or loss will be recognized for federal income tax purposes on

receipt of the cash payment, measured by the difference between the amount of cash received and the basis of Royal shares redeemed. The gain or loss will be

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

long term capital gain or loss if Royal shares are considered to have been held for more than one year at the time of the Merger.

If a Royal shareholder perfects dissenter's rights with respect to its Royal shares, this holder should generally recognize capital gain or loss at the Effective Time of the Merger in an amount equal to the difference between the "amount realized" and the adjusted tax basis of its Royal shares. For this purpose, although there is no authority directly on point, the amount realized generally should equal the trading price of Royal shares at the Effective Time of the Merger. This holder should also recognize capital gain or loss at the time the appraised fair cash value is received, to the extent the payment exceeds or is less than the amount realized at the Effective Time of the Merger. In addition, a portion of the payment may be characterized as interest income.

Certain non-corporate holders of Royal shares may be subject to backup withholding at a rate of 31% on cash payments received pursuant to the Merger. Backup withholding will not apply, however, to a holder of Royal shares who furnishes a taxpayer identification number and certifies that he or she is not subject to backup withholding on the substitute Form W-9 included in the transmittal letter, who provides a certificate of foreign status on Form W-8, or who is otherwise exempt from backup withholding. A holder of Royal shares who fails to provide the correct tax identification number on Form W-9 may be subject to a \$50.00 penalty imposed by the Internal Revenue Service.

THE ABOVE DISCUSSION OF POTENTIAL TAX CONSEQUENCES MAY NOT APPLY TO CERTAIN CATEGORIES OF SHAREHOLDERS SUBJECT TO SPECIAL TREATMENT UNDER THE INTERNAL REVENUE CODE. THE COMPANY SHAREHOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISERS TO DETERMINE THE SPECIFIC TAX CONSEQUENCES OF THE MERGER, INCLUDING ANY FEDERAL, STATE, LOCAL, FOREIGN OR OTHER TAX CONSEQUENCES OF THE MERGER.

RECENT LITIGATION AND OTHER DEVELOPMENTS

Since November 13, 2002, when the Company filed its report on Form 10-Q for the period ended September 30, 2002, the following developments, which shareholders may deem important, have occurred:

The Company filed a lawsuit in federal court, in the Northern District of Ohio against Euro-Pro Corporation and Sanyo North America Corporation (together referred to as "Defendants") on November 15, 2002, under the patent, trademark and unfair competition laws of the United States. The complaint asserts that Defendants infringe certain patents relating to bagless technology held by the Company. The Company seeks damages, injunction on future production and legal fees.

On December 11, 2002, the Company announced that it had entered into a cross license agreement with Matsushita Home Appliances ("Panasonic") with respect to certain patents and related intellectual property rights. Panasonic has received a license to continue to manufacture and market bagless upright vacuum cleaner products under the Royal bagless upright patent portfolio. Royal received a license to continue to manufacture and market vacuum cleansers under patents for certain Panasonic technology. The agreement will result in ongoing positive cash payments to Royal beginning in the fourth quarter of 2002.

Phone Zap, LLC ("Phone Zap") filed a lawsuit in United States District Court, District of Columbia, against the Company and its subsidiary, Privacy Technologies, Inc. on January 6, 2003, under the patent, trademark and unfair competition laws of the United States. The complaint asserts trademark infringement by the Company through the use of the Company's Telezapper(R) trademark. The Company is vigorously defending the suit and believes it is without merit. If Phone Zap were to prevail on all its claims, it could have a material adverse effect on the consolidated financial position, results of operations, or cash flows of the Company.

DISSENTERS' RIGHTS OF ROYAL SHAREHOLDERS

In the Merger, Merger Sub will be merged with and into the Company, with the Company as the corporation surviving the Merger. Each Royal share outstanding on the Record Date (except for treasury shares of the Company and shares, if any, for which the holders perfect their dissenters' rights under Ohio law) will be converted into the right to receive \$7.37 per share.

If the Merger is completed, holders of Royal shares outstanding on the Record Date will have certain rights under the Ohio Revised Code to dissent and demand dissenters' rights and to receive payment in cash of the fair cash value of their Royal shares. Royal shareholders who vote in favor of the Merger will not be entitled to relief

28

as dissenting shareholders. Holders of shares not voted or voted against adopting the Merger Agreement will retain their dissenters' rights. To perfect rights as a dissenting shareholder, a Royal shareholder must deliver to the Company a written demand for payment of the fair cash value of the shares for which relief is sought. This demand for payment must be delivered no later than 10 days after the Royal shareholders vote to adopt the Merger Agreement. If the Company then sends a dissenting shareholder a request for the certificates representing Royal shares for which relief is sought, the dissenting shareholder must return the certificates requested to the Company so that they may be endorsed with a legend stating that a demand for the fair cash value of the holder's Royal shares has been made. Failure to deliver the certificates within 15 days from the date Company's sends its request for them may, at the Company's option, result in a loss of all dissenters' rights under Ohio law. Unless the Company and the dissenting shareholder come to an agreement as to the fair cash value per Royal share for which the dissenting shareholder seeks relief within three months after the service of the demand for payment by the dissenting shareholder, either the dissenting shareholder or the Company may file a complaint in court. Other dissenting shareholders may join as plaintiffs or defendants in the resulting proceeding at that time.

If the shareholder complies with the statutory procedures for exercising or perfecting dissenters' rights in accordance with Sections 1701.84 and 1701.85 of the Ohio Revised Code, then a judicial determination will be made as to the fair cash value required to be paid to the objecting shareholder for the holder's Royal shares. Any judicial determination of the fair cash value will be based on the amount that a willing seller, under no compulsion to sell, would be willing to accept, and a willing buyer, under no compulsion to purchase, would be willing to pay. In determining the fair cash value of Royal shares, a court is required to take into account all relevant factors, excluding any appreciation or depreciation in market value resulting from the proposal of the Merger. Accordingly, a determination could be based upon considerations other than, or in addition to, the market value of Royal shares, including, among other things, asset values and earning capacity. The value so determined may be more or less than the price per Royal share to be paid in the Merger but in no event can the value so determined exceed the amount specified in the demand of a particular shareholder.

From the time written demand for payment of the fair cash value is given until either the termination of the rights and obligations arising from the demand or the purchase of the shares related thereto, all rights accruing to the dissenting shareholder, including voting and dividend or distribution rights, will be suspended. If any dividend or distribution is paid in money on Royal shares during the suspension or if any dividend, distribution or interest is paid in money upon any securities issued in extinguishment of or in substitution

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

for the shares, an amount equal to the dividend, distribution or interest that would have been payable on the shares, but for the suspension, shall be paid to the holder of record of the shares as a credit against the fair cash value of the shares. If the right to receive the fair cash value is terminated other than by the purchase of the shares, all rights will be restored to the objecting shareholder and any distribution that would have been made to the holder of record of the shares, but for the suspension, will be made at the time of termination.

The foregoing summary of the rights of dissenting shareholders under Ohio law does not purport to be a complete statement of the procedures to be followed by shareholders desiring to exercise any available dissenters' rights and is qualified in its entirety by reference to the full text of Section 1701.84 and Section 1701.85 of the Ohio Revised Code attached as ANNEX C and incorporated herein by this reference. The preservation and exercise of dissenters' rights are conditioned on strict adherence to the applicable provisions of the Ohio Revised Code.

CERTAIN RELATIONSHIPS WITH TECHTRONIC OR THE COMPANY

Except as set forth in this proxy statement, neither TechTronic nor the Company, nor to their respective knowledge, any of their respective directors, executive officers or other affiliates has any contract, arrangement, understanding or relationship with any other person with respect to any securities of the Company, including, but not limited to, any contract, arrangement, understanding or relationship concerning the transfer or the voting of any securities, joint ventures, loan or option arrangements, puts or calls, guaranties of loans, guaranties against loss or the giving or withholding of proxies.

TechTronic manufactures finished products bearing the Dirt Devil name for the Company. During 2000, 2001 and 2002, the Company has purchased approximately \$30 million, \$45 million and \$54 million, respectively, of TechTronic products. Further, in late 2002, TechTronic purchased a trade name of another line of floor care products from a third party. Royal has agreed to handle customer service for all existing products previously sold utilizing the trade name on a cost plus 10% basis.

29

As of the date of this proxy statement, neither TechTronic nor any of its subsidiaries own any Royal shares. To the best of TechTronic's knowledge, no officers or directors of TechTronic own shares or have interests in the Company.

FEES AND EXPENSES

Except in the event the Merger Agreement is terminated under the circumstances described in "The Merger Agreement -- Termination; Termination Fee" beginning on page , all costs and expenses incurred in connection with the Merger Agreement and the transaction it contemplates will be paid by the party incurring these costs or expenses, whether or not the Merger is consummated.

DELISTING AND DEREGISTRATION OF SHARES

Royal shares currently are listed on the New York Stock Exchange under the symbol "RAM". Upon the consummation of the Merger, Royal shares will be delisted from the New York Stock Exchange and deregistered under the Securities Exchange Act of 1934, as amended.

TECHTRONIC SHAREHOLDERS' APPROVAL

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

The Merger constitutes a major transaction for TechTronic under the Listing Rules of The Stock Exchange of Hong Kong Limited (the "Hong Kong Exchange") and requires the approval of the holders of a majority of the outstanding shares of TechTronic at an extraordinary general meeting ("EGM"). A circular, prepared in accordance with the rules of the Hong Kong Exchange, containing details of the Merger and notice convening the EGM on or about March 24, 2003 is expected to be dispatched to TechTronic shareholders on or about March 5, 2003. The Board of Directors of TechTronic has resolved to recommend the Merger to its shareholders, and the executive members of the Board of Directors who are TechTronic shareholders eligible to vote at the EGM have expressed their respective intentions to vote their shares in favor of the Merger. Inasmuch as such executive members hold approximately 31% of the outstanding shares, approval of the Merger by the TechTronic shareholders is expected.

SELECTED HISTORICAL FINANCIAL DATA

The following table sets forth selected consolidated financial data for the Company for each of the five years in the period ended December 31, 2001, and for the nine month period ended September 30, 2002. The results for the nine months ended September 30, 2002 are not necessarily indicative of results for the full year. Certain prior year amounts have been reclassified to conform to the presentation used in 2002. The data for the five years ended December 31, 2001, should be read in conjunction with the Company's consolidated financial statements reported on Form 10-K, as amended, for the year ended December 31, 2001, and the data for the period ended September 30, 2002 should be read in conjunction with the Company's unaudited consolidated financial statements reported on Form 10-Q for the quarter ended September 30, 2002.

No pro forma data giving effect to the Merger is provided because the Company does not believe pro forma information is material to shareholders in evaluating the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, since (1) the consideration offered to Royal Shareholders is all cash and (2) if the Merger is completed, the Company's public shareholders will no longer have any equity interest in the Company. The Company's consolidated financial statements for the year ended December 31, 2001, which have been audited by PricewaterhouseCoopers LLP, independent accountants, are incorporated by reference in this proxy statement from the Company's Annual Report on Form 10-K for the period ended December 31, 2001, and the Company's unaudited consolidated financial statements for the quarter ended September 30, 2002 are incorporated in this proxy statement by reference to the Company's Quarterly Report on Form 10-Q for the

THE MERGER AGREEMENT

The following is a summary of the material terms of the Merger Agreement. The summary is qualified in its entirety by reference to the Merger Agreement, a copy of which is attached to this proxy statement as ANNEX A and is incorporated herein by reference. You are urged to read the entire Merger Agreement as it is the legal document that governs the Merger.

THE MERGER

The Merger Agreement provides that subject to the conditions summarized below, Merger Sub will merge with and into the Company. Following the completion of the Merger, Merger Sub will cease to exist as a separate entity, and the Company will continue as the surviving corporation.

EFFECTIVE TIME

The Merger will become effective upon the filing of a certificate of Merger with the Secretary of State of the State of Ohio in accordance with the Ohio Revised Code, or at another time as is agreed upon by the Company, TechTronic and Merger Sub and specified in the certificate of Merger. The time at which the Merger becomes effective is referred to as the "Effective Time" in this proxy statement.

MERGER CONSIDERATION

At the Effective Time, each Royal share outstanding immediately before the Effective Time will be cancelled and automatically converted into the right to receive \$7.37 in cash, without any other payment thereon, with the following exceptions:

- treasury shares owned by the Company subsidiaries will be cancelled without any payment thereon; and
- shareholders who have perfected their dissenters' rights will receive payment in cash of the fair value of their shares in accordance with Ohio law.

PAYMENT PROCEDURES

Before the Effective Time, Merger Sub will deposit the consideration to be paid in the Merger with an exchange agent acceptable to the Company and TechTronic. As soon as practicable after the Effective Time, TechTronic or the exchange agent will send to each holder of Royal shares a letter of transmittal and instructions to effect the surrender of the share certificates or other documentation that represent Royal shares or options, phantom stock rights or any other security entitled to receive payment under the Merger Agreement, if any, in exchange for payment of the consideration offered in respect of these shares or options, phantom stock rights or other security entitled to receive

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

payment under the Merger Agreement. You should not forward share certificates or other documentation with the enclosed proxy card. You should surrender certificates representing Royal shares only after receiving instructions from the exchange agent or TechTronic.

Each Royal shareholder will be entitled to receive the consideration offered Royal shareholders, after giving effect to any required tax withholdings, only upon surrender to the exchange agent of the relevant share certificates, together with a properly completed letter of transmittal. TechTronic will not pay interest on the consideration offered to Royal shareholders. The exchange agent will not make payments to any person who is not the registered holder of the certificates surrendered unless the certificate is properly endorsed or otherwise in proper form for transfer. Further, the person requesting this payment will be required to pay any transfer or other taxes required as a result of this payment to a person other than the registered holder of the certificate surrendered, or establish to the satisfaction of the exchange agent that the tax has been paid or is not payable.

STOCK OPTIONS AND PHANTOM STOCK RIGHTS

The Merger Agreement provides that the Company will take such actions as are required to adjust the terms of all outstanding options to purchase Royal shares and all outstanding phantom stock awards in respect of Royal shares, so that, at the Effective Time, (i) each outstanding option (whether or not then exercisable or vested) will become fully exercisable and vested and each outstanding right (whether or not then exercisable) will become fully exercisable and vested, (ii) each option and right will be cancelled and (iii) in consideration of such cancellation, each holder of options will receive, for each Royal share issuable upon the exercise of such options,

33

cash in the amount of \$7.37 less the applicable exercise price and each holder of phantom stock awards will receive for each Royal share issuable in payment for such award cash in the amount of \$7.37. The Merger Agreement further provides that the Company has agreed not to grant any new options to purchase Royal shares or phantom stock awards.

NO FURTHER OWNERSHIP RIGHTS IN THE COMPANY

After the Effective Time, the holders of Royal shares will no longer have any rights as a shareholder, except for the right to either exercise dissenters' rights as permitted under the Ohio Revised Code or surrender his, her or its certificates representing the Royal shares in exchange for the right to receive the consideration offered to Royal shareholders represented by the delivered certificates at the time of surrender. After the Effective Time, no transfer of shares shall be made on the share transfer books of the Company except as contemplated by the Merger Agreement. Any certificates representing Royal shares presented after the Effective Time for transfer will be cancelled and exchanged for the right to receive the consideration offered to Royal shareholders.

DIRECTORS AND OFFICERS

The Merger Agreement provides that the directors and officers of Merger Sub immediately before the Effective Time will be the directors and officers of the Company after the Merger.

These restrictions do not apply to any transaction between the Company and any wholly owned subsidiary of the Company. In addition, the Company, TechTronic, and Acquiror have agreed not to take any action that would reasonably be expected to result in the failure of any of the conditions to the Merger set forth in the Merger Agreement. The Company and Acquiror will give prompt oral and written notice to the other party of (i) any event likely to cause a Material Adverse Change or any representation or warranty to be untrue or inaccurate or (ii) any failure of the Company, Acquiror, or TechTronic to comply with the Merger Agreement.

PREPARATION OF PROXY STATEMENT

The Company and TechTronic have agreed that the information provided by each of them for use in this proxy statement related to the Merger will be true and correct in all material respects and will not omit any material fact required to be stated therein or necessary in order to make this information not misleading on the date this proxy is first mailed to Royal shareholders and on the date of the Special Meeting. Each of the Company, TechTronic, Acquiror, and Merger Sub has also agreed to correct any information provided by it for use in this proxy statement that has become false or misleading.

36

NON-SOLICITATION

The Merger Agreement provides that the Company will not, and will not authorize or permit any of its subsidiaries, officers, directors or employees, investment bankers, attorneys, accountants or other advisors or representatives, to directly or indirectly:

- solicit, initiate or encourage the submission of, any Company Takeover Proposal (as defined below), including by furnishing information; or
- participate in any discussions or negotiations regarding a Company Takeover Proposal.

For purposes of the Merger Agreement and this proxy statement, a "Company Takeover Proposal" means any inquiry, proposal or offer from any person relating to a:

- direct or indirect acquisition or purchase of a business that constitutes 20% or more of the net revenues, net income, or the assets of the Company and its subsidiaries, taken as a whole;
- direct or indirect acquisition or purchase of 20% or more of any class of equity securities of the Company or any of its subsidiaries whose business constitutes 20% or more of the net revenues, net income, or assets of the Company and its subsidiaries, taken as a whole;
- tender offer or exchange offer that if consummated would result in any person beneficially owning 20% or more of any class of equity securities of the Company or any of its subsidiaries whose business constitutes 20% or more of the net revenues, net income, or assets of the Company and its subsidiaries, taken as a whole; or
- merger, consolidation, business combination, recapitalization, liquidation, dissolution, or similar transaction involving the Company or any of its subsidiaries whose business constitutes 50% or more of the net revenues, net income, or assets of the Company and its subsidiaries, taken as a whole, other than the transactions contemplated by this

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

Agreement.

After the Royal Board consults with its legal, financial and other advisors to determine its fiduciary duties, the Company may, before the Special Meeting and in response to a Superior Proposal that was not solicited and did not result from a breach of the non-solicitation provision of the Merger Agreement:

- furnish information with respect to the Company and its subsidiaries to the person making a Superior Proposal and its representatives pursuant to a confidentiality agreement; and
- participate in discussions or negotiations with the person making a Superior Proposal and its representatives regarding the Superior Proposal.

"Superior Proposal" means any bona fide written offer for a Company Takeover Proposal by a third party that, the Board of Directors of the Company determines in good faith, has the good faith intent to proceed with negotiations and the financial and other capabilities to consummate the Company Takeover Proposal, taking into account, among other things, the legal, financial, regulatory, and other aspects of such Company Takeover Proposal, (i) on terms which the Board of Directors of the Company determines in its good faith judgment (based on the advice of its legal and financial advisors) is more favorable to the constituencies of the Company that may be considered by the directors of the Company under Section 1701.59(E) of the Ohio General Corporation Law, and (ii) that is reasonably capable of being completed.

Furthermore, the Merger Agreement provides that the Royal Board may not, unless the Merger Agreement is terminated in accordance with its terms:

- withdraw or adversely modify, or publicly propose to adversely withdraw or modify, its approval or recommendation of the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger;
- approve any letter of intent, agreement in principle, acquisition agreement or similar agreement providing for any Company Takeover Proposal; or
- approve or recommend, or publicly propose to approve or recommend, any Company Takeover Proposal.

In addition, in the event of an unsolicited bona fide Company Takeover Proposal as described above, the Merger Agreement provides that the Company must promptly notify TechTronic of any request for information or

37

Company Takeover Proposal and of the material terms of the request or Company Takeover Proposal. The Company also agreed to keep TechTronic reasonably informed of the status and details of any request for information or Company Takeover Proposal.

CONFIDENTIALITY; PUBLIC ANNOUNCEMENT

TechTronic and the Company have agreed that, except as provided in the non-solicitation provision, they will not make any additional public disclosures without the prior consent of the other (which consent may not be unreasonably withheld) as to the content and timing of this disclosure. However, either party may make these disclosures as may be required to comply with applicable law, regulations or New York or Hong Kong Stock Exchange requirements, as long as the other party is afforded (to the extent practicable) prior notice thereof.

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

ACCESS TO INFORMATION

The Company has agreed to give TechTronic and its authorized representatives full access to the offices and other facilities, and to all books and records, of the Company and its subsidiaries (including access to perform environmental studies, if deemed necessary or appropriate by Acquiror). This access is subject to the terms of a confidentiality agreement between Acquiror and the Company and can only occur after reasonable notice and at reasonable times without undue disruption to the Company's business. Any review will be limited to confirming the accuracy of the representations and warranties of the Company contained in the Merger Agreement.

AGREEMENT TO USE REASONABLE COMMERCIAL EFFORTS

Subject to the terms and conditions of the Merger Agreement (including the limitations provided in the Merger Agreement regarding the fiduciary duties of the Royal Board), the Company, TechTronic, Acquiror, and Merger Sub have agreed to use their respective reasonable commercial efforts to take, or cause to be taken, all actions, and to do, or cause to be done as promptly as practicable, all things necessary, proper and advisable under applicable laws and regulations to consummate and make effective as promptly as practicable the transactions contemplated by the Merger Agreement and to cause the conditions to the closing to be satisfied.

NOTIFICATION OF CERTAIN MATTERS

The Company, on the one hand, and TechTronic, Acquiror, and Merger Sub, on the other hand, have agreed to promptly notify in writing the other party of:

- the occurrence or non-occurrence of any fact or event that would be likely to cause:
 - any representation or warranty contained in the Merger Agreement to be untrue or inaccurate in any respect; or
 - a Material Adverse Change; and
- any failure of the Company, TechTronic, or Acquiror to comply with or satisfy any covenant or condition under the Merger Agreement.

It should be noted, however, that notification will not affect the representations or warranties of, or the remedies available to, any party to the Merger Agreement.

INDEMNIFICATION AND INSURANCE

TechTronic will, and will cause the surviving corporation to, indemnify and hold harmless the current or former employees, directors, or officers of the Company and its subsidiaries for all acts or omissions by them in their official capacities or taken at the request of the Company that occur before the Effective Time. This indemnity may be limited by Ohio law. Any indemnification arrangements or agreements of the Company or its subsidiary will survive the Merger and continue in full force and effect without amendment or modification except as required by law.

Furthermore, for a period of six years following the Effective Time the surviving corporation will maintain in effect the Company's current directors' and officers' liability insurance policy or enter into a policy providing at least comparable coverage. This coverage must apply to persons who are currently covered by the Company's policy. However, the surviving corporation is not required to expend in any one year an amount in excess of

200% of the estimated 2003 premium for this insurance. If the coverage can only be obtained at an annual premium that exceeds this amount, the surviving corporation will be obligated to obtain as much insurance as can be obtained for an annual premium not exceeding this amount. This obligation will pass to any successor of the surviving corporation.

SOURCE AND AMOUNT OF FUNDS

Based on the number of outstanding Shares on the Record Date, as well as anticipated payments to holders of options to purchase Royal shares and phantom stock rights, TechTronic will require approximately \$105.5 million in cash to pay Royal shareholders and certain employees the aggregate amount owed under the Merger Agreement. TechTronic intends to fund this payment through a combination of its own cash reserves and indebtedness drawn down on the existing credit facilities. The Company believes that the financing necessary is assured due to the fact that TechTronic has cash reserves greater than the purchase consideration.

AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER (this "Agreement"), dated as of December 16, 2002, among ROYAL APPLIANCE MFG. CO., an Ohio corporation (the "Company"), TechTronic Industries Co., Ltd., a corporation organized under the laws of Hong Kong ("Parent"), RAMC HOLDINGS, INC., a Delaware corporation ("Acquiror"), and TIC ACQUISITION CORP., an Ohio corporation and a wholly owned subsidiary of Acquiror ("Merger Sub").

RECITALS

A. The respective Boards of Directors of the Company, Acquiror, Parent, and Merger Sub have approved the merger of Merger Sub with and into the Company (the "Merger"), upon the terms and subject to the conditions set forth in this Agreement, whereby each issued and outstanding common share, without par value, of the Company ("Company Common Stock"), other than (i) Dissenting Shares, (ii) any shares owned by any direct or indirect subsidiary of the Company and any Company Common Stock held in the treasury of the Company, or (iii) owned by Acquiror or an Affiliate of Acquiror will be converted into the right to receive the Merger Consideration;

B. The respective Boards of Directors of the Company, Acquiror, Parent, and Merger Sub have each determined that the Merger and the other transactions contemplated hereby are consistent with, and in furtherance of, their respective business strategies and goals;

C. The Company, Acquiror, Parent, and Merger Sub desire to make certain representations, warranties, covenants and agreements in connection with the Merger and also to prescribe various conditions to the Merger;

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

D. The Board of Directors of the Company has resolved to recommend the Merger to the holders of the Company Common Stock, has determined that the consideration to be paid for each share of Company Common Stock in the Merger is fair to the holders of such Company Common Stock, and has resolved to recommend that the holders of such Company Common Stock accept the Merger Consideration and approve this Agreement and each of the transactions contemplated hereby upon the terms and subject to the conditions set forth herein;

E. Concurrently with the execution and delivery of this Agreement, as a condition and inducement to Acquiror's, Parent's and Merger Sub's willingness to enter into this Agreement, certain shareholders of the Company (the "Major Shareholders") have entered into Voting Agreements, dated as of the date of this Agreement, in the form attached hereto as EXHIBIT 1 (the "Voting Agreements") pursuant to which each such Major Shareholder has, among other things, agreed to vote the Company Common Stock held by such Major Shareholder for the Merger;

F. The Board of Directors of Parent has resolved to recommend the Merger to the holders of shares of Parent Common Stock and the executive members of the Board of Directors of Parent have expressed their respective intentions to vote their shares of Parent Common Stock in favor of the Merger; and

G. Currently with the execution and delivery of this Agreement, as a condition and inducement to Acquiror's, Merger Sub's and Parent's willingness to enter into this Agreement, the Company has entered into new employment agreements with each of the individuals listed on Section 6.3(d) of the Company Disclosure Schedule, which agreements are effective as of the Effective Time and which terminate each of those individuals' current employment and severance agreements. In exchange for the individuals' agreement to terminate their existing agreements and enter into the new agreements, such individuals will receive at the Effective Time, in the aggregate, \$2.4 million.

Accordingly, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows. Capitalized terms used herein shall have the meanings referred to or set forth in Appendix A hereto.

ARTICLE I

THE MERGER

SECTION 1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the Ohio Statutes, Merger Sub shall be merged with and into the Company at the Effective

1

Time and the separate corporate existence of Merger Sub shall thereupon cease. Following the Effective Time, the Company shall be the surviving corporation (the "Surviving Corporation").

SECTION 1.2 Closing. The closing of the Merger (the "Closing") will take place at 10:00 a.m. on a date to be specified by the parties, which shall be no later than the second business day after satisfaction or waiver (subject to applicable law) of the conditions (excluding conditions that, by their terms, cannot be satisfied until the Closing Date) set forth in ARTICLE VI, unless another time or date is agreed to by the parties hereto. The Closing will be held at the offices of Kahn Kleinman, a legal professional association, 2600 Erievue Tower, 1301 East Ninth Street, Cleveland, Ohio 44114, or such other location as the parties hereto shall agree to in writing. The date on which the Closing occurs is hereinafter referred to as the "Closing Date."

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

SECTION 1.3 Effective Time. Subject to the provisions of this Agreement, as soon as practicable or prior to the Closing Date, the parties shall (i) file a Certificate of Merger (the "Certificate of Merger") in such form as is required by and executed in accordance with the relevant provisions of the Ohio Statutes and (ii) make all other filings or recordings required under the Ohio Statutes. The Merger shall become effective at such time as the Certificate of Merger is duly filed with the Secretary of State of the State of Ohio, or at such later date or time as the Company and Acquiror shall agree and specify in the Certificate of Merger (the date and time the Merger becomes effective being the "Effective Time").

SECTION 1.4 Effects of the Merger. The Merger shall have the effects set forth in the Ohio Statutes. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time all the property, rights, privileges, powers and franchises of the Company and Merger Sub shall be vested in the Surviving Corporation, and all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation.

SECTION 1.5 Articles of Incorporation and Code of Regulations. Subject to Section 5.4, the articles of incorporation and code of regulations of Merger Sub shall be the articles of incorporation and code of regulations, respectively, of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable law; provided, however, that the name of the Surviving Corporation shall be "Royal Appliance Mfg. Co."

SECTION 1.6 Directors and Officers of the Surviving Corporation. The directors of Merger Sub immediately prior to the Effective Time shall be the directors of the Surviving Corporation and the officers of the Company immediately prior to the Effective Time shall be the officers of the Surviving Corporation, in each case, until the earlier of their death, resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

ARTICLE II

CANCELLATION AND CONVERSION OF SHARES; CONSIDERATION

SECTION 2.1 Effect on Capital Stock. As of the Effective Time, by virtue of the Merger and without any action on the part of the holder of any shares of capital stock of the Company or Merger Sub:

(a) Cancellation of Treasury Stock and Company-Owned Stock. Each share of Company Common Stock that is (i) owned by any direct or indirect subsidiary of the Company, (ii) owned by Acquiror or an Affiliate of Acquiror, or (iii) held in the treasury of the Company shall automatically be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(b) Conversion of Company Common Stock. Subject to SECTION 2.5 (Dissenters' Rights), each issued and outstanding share of Company Common Stock shall be converted into the right to receive \$7.37 in cash (the "Merger Consideration").

(c) Capital Stock of Merger Sub. At the Effective Time, each share of common stock, no par value, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Surviving Corporation.

(d) Cancellation and Retirement of Company Common Stock. As of the Effective Time, all shares of Company Common Stock (other than shares to be

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

canceled in accordance with SECTION 2.1(A) and Dissenting Shares) shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each holder of a certificate representing any such shares of Company Common Stock

2

shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration, without interest, upon surrender of such certificate in accordance with SECTION 2.3.

SECTION 2.2 Company Stock Option Plans. For purposes of this Agreement, the term "Option" means each unexercised option, warrant, phantom stock award or other security (including, without limitation, any "Company Stock Option," as hereafter defined). The Company shall take all actions necessary to ensure that, as of the Effective Time, each outstanding Company Stock Option, vested or unvested, exercisable or non-exercisable, shall be extinguished and converted into the right to receive a cash amount equal to the product of (x) the excess, if any, of the Merger Consideration minus the exercise price, if any, of each such Company Stock Option (the "Option Shares Merger Consideration"), multiplied by (y) the aggregate number of shares of the Company Common Stock issuable upon the exercise in full of such Option at the Effective Time. The Company Stock Option Plans shall terminate as of the Effective Time and the provisions in any other plan, program or arrangement providing for the issuance or grant of any other interest in respect of the capital stock of the Company or any Subsidiary shall be terminated as of the Effective Time. In addition, the Company shall take all action necessary to ensure that following the Effective Time no participant in the Company Stock Option Plans or other plans, programs or arrangements shall have any right thereunder to acquire or participate in changes in value of equity securities of the Company, the Surviving Corporation, Merger Sub or any of their respective subsidiaries and to terminate all such plans effective as of the Effective Time.

SECTION 2.3 Exchange of Certificates; Exchange Agent.

(a) The Parties agree that National City Bank, or such other bank or trust company which the Parties may designate, shall act as agent (the "Exchange Agent") of Acquiror for purposes of, among other things, mailing and receiving transmittal letters and distributing to the Company shareholders (or holders of Company Stock Options) the proceeds payable to such holders under SECTION 2.1(B) (Conversion of Company Common Stock) or SECTION 2.2 (Company Stock Option Plans) above. Immediately prior to the Effective Time, Merger Sub (or the Company, as the Surviving Corporation) shall deposit, or shall cause to be deposited, with or for the account of the Exchange Agent, for the benefit of the holders of Certificates (as defined herein) cash in an aggregate amount (the "Exchange Fund") equal to the sum of (x) the product of (A) the Merger Consideration multiplied by (B) the number of shares of Company Common Stock issued and outstanding at the Effective Time plus (y) the Option Shares Merger Consideration for all outstanding Options as of the Effective Time.

(b) Exchange Procedures. As soon as reasonably practicable after the Effective Time, the Exchange Agent shall mail or deliver to each holder of record of a certificate or certificates or Options grant which immediately prior to the Effective Time represented outstanding shares of Company Common Stock or Options (the "Certificates") whose shares or options were converted into the right to receive the Merger Consideration or Option Shares Merger Consideration pursuant to SECTION 2.1(B) (Conversion of Company Common Stock) or SECTION 2.2 (Company Stock Option Plans), as applicable, (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other provisions as the Company

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

and Acquiror may reasonably specify) and (ii) instructions for use in surrendering the Certificates in exchange for the Merger Consideration or Option Shares Merger Consideration, as applicable. Upon surrender of a Certificate for cancellation to the Exchange Agent, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor a check representing the amount of cash such holder has the right to receive pursuant to the provisions of this ARTICLE II, and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Company Common Stock which is not registered in the transfer records of the Company, a certificate representing the proper number of shares of Company Common Stock may be issued to a Person other than the Person in whose name the Certificate so surrendered is registered if such Certificate is properly endorsed or otherwise in proper form for transfer and the Person requesting such issuance pays any transfer or other taxes required by reason of the payment of the Merger Consideration or Option Shares Merger Consideration, as applicable, to a Person other than the registered holder of such Certificate or establishes to the satisfaction of Acquiror that such tax has been paid or is not applicable. Until surrendered as contemplated by this SECTION 2.3, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration or Option Shares Merger Consideration, as applicable, that the holder thereof has the right to receive in respect of such Certificate pursuant to the provisions of this ARTICLE II. No interest shall be paid or will accrue on any cash payable to holders of Certificates pursuant to the provisions of this ARTICLE II.

3

(c) No Further Ownership Rights in Company Common Stock. The Merger Consideration or Option Shares Merger Consideration, as applicable, shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Company Common Stock, theretofore represented by such Certificates, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Company Common Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation or the Exchange Agent for any reason, they shall be canceled and exchanged as provided in this ARTICLE II, except as otherwise provided by law.

(d) Termination of Exchange Fund. Any portion of the Exchange Fund which remains undistributed (including interest thereon) to the holders of the Certificates for six months after the Effective Time shall to the extent permitted by law, become the property of the Surviving Corporation. Any holders of the Certificates who have not theretofore complied with this ARTICLE II shall thereafter look only to the Surviving Corporation, and only as a general creditor, for payment of their claim for Merger Consideration or Option Shares Merger Consideration, as applicable, and without interest. If any certificates representing any Company Common Stock shall not have been surrendered prior to five years after the Effective Time (or immediately prior to such earlier date on which any payment in respect thereof would otherwise escheat to or become the property of any Governmental Entity), the payment in respect of such certificates shall, to the extent permitted by applicable law, become the property of the Surviving Corporation, free and clear of all claims or interest of any person previously entitled thereto.

(e) No Liability. None of the Parties shall be liable to any Person in respect of any Merger Consideration from the Exchange Fund, delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(f) Investment of Exchange Fund. The Exchange Agent shall invest the

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

Exchange Fund, as directed by the Surviving Corporation, in (i) direct obligations of the United States of America, (ii) obligations for which the full faith and credit of the United States of America is pledged to provide for the payment of principal and interest, (iii) commercial paper rated the highest quality by either Moody's Investors Services, Inc. or Standard & Poor's Corporation, or (iv) certificates of deposit, bank repurchase agreements or bankers acceptances, of commercial banks with capital exceeding \$500 million, and any net earnings with respect thereto shall be paid to the Surviving Corporation as and when requested by the Surviving Corporation; provided, that any such investment or any such payment of earnings shall not delay the receipt by holders of Certificates of the Merger Consideration or Option Shares Merger Consideration, as the case may be, or otherwise impair such holders' respective rights hereunder.

(g) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon (i) the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed, (ii) evidence that such Person is the beneficial owner of the Certificate claimed by such Person to be lost, stolen or destroyed, and (iii) if required by the Surviving Corporation, the posting by such Person of a bond in such reasonable amount as the Surviving Corporation may direct as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration or Option Shares Merger Consideration, as applicable.

(h) Withholding Rights. The Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of Company Common Stock or Company Stock Options such amounts (each a "Withholding Amount") as the Exchange Agent, Surviving Corporation, or Acquiror is required to deduct and withhold with respect to the making of such payment under the Code (as hereinafter defined), or any provision of state, local or foreign tax law, including, without limitation, withholdings required in connection with payments with respect to Company Stock Options held by employees of the Company. To the extent that amounts are so withheld by the Exchange Agent, Surviving Corporation, or Acquiror, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder in respect of which such deduction and withholding was made.

SECTION 2.4 Certain Adjustments. If after the date hereof and on or prior to the Effective Time, the outstanding shares of Company Common Stock shall be changed into a different number of shares by reason of any reclassification, recapitalization, split-up, combination or exchange of shares, or any dividend payable in stock or other securities shall be declared thereon with a record date within such period, or any similar event shall occur (any such action, an "Adjustment Event"), the Merger Consideration shall be adjusted accordingly to

4

provide to the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such reclassification, recapitalization, split-up, combination, exchange or dividend or similar event.

SECTION 2.5 Dissenters' Rights.

(a) Notwithstanding any provision of this Agreement to the contrary, any shares of Company Common Stock outstanding immediately prior to the Effective Time and held by persons who shall have properly demanded payment of the fair cash value of such shares of Company Common Stock in accordance with Section 1701.85 of the Ohio Statutes (collectively, the "Dissenting Shares") shall not be converted into or represent the right to receive the Merger Consideration as provided in SECTION 2.1(B). Such persons shall be entitled only to such rights

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

as are granted under Section 1701.85 of the Ohio Statutes, except that all Dissenting Shares held by persons who fail to perfect or who effectively withdraw or lose their rights as dissenting shareholders in respect of such shares under 1701.85 of the Ohio Statutes shall thereupon be deemed to have been converted into, as of the Effective Time, the right to receive the applicable portion of the Merger Consideration, without interest thereon, upon surrender of the certificate therefor in the manner provided in SECTION 2.3.

(b) The Surviving Corporation or the Company shall give Acquiror (i) prompt notice of any demands by dissenting shareholders received by the Company or the Surviving Corporation, withdrawals of such demands and any other instruments served on the Company or the Surviving Corporation and any material correspondence received by the Surviving Corporation or the Company in connection with such demands and (ii) the opportunity to participate in all negotiations and proceedings with respect to such demands. The Surviving Corporation shall not, except with the prior written consent of Acquiror, make any payment with respect to any demands for appraisal or offer to settle or settle any such demands. Any funds paid to dissenting shareholders shall be paid out of the Exchange Fund to the extent such payment is equal to or less than the Merger Consideration and, if greater, the excess shall be paid out of the assets of the Surviving Corporation.

SECTION 2.6 Further Assurances. At and after the Effective Time, the officers and directors of the Surviving Corporation will be authorized, to execute and deliver, in the name and on behalf of the Company or Merger Sub, any deeds, bills of sale, assignments or assurances and (ii) to take and do, in the name and on behalf of the Company or Merger Sub, any other actions and things to vest, perfect or confirm of record in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties or assets acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

SECTION 3.1 Representations and Warranties of the Company. Except as set forth in the disclosure schedule delivered by the Company to Acquiror simultaneously with the execution of this Agreement (the "Company Disclosure Schedule"), the Company hereby represents and warrants to Acquiror, Parent, and Merger Sub as follows:

(a) Organization, Standing and Corporate Power. SECTION 4.3 Advice of Changes. The Company and Acquiror shall give prompt oral and written notice to the other party of (i) the occurrence, or non-occurrence of any event whose occurrence, or non-occurrence would be likely to cause either (A) a Material Adverse Change, (B) any representation or warranty contained in this Agreement to be untrue or inaccurate in any respect at any time from the date hereof to the Effective Time or (C) any failure of the Company, Acquiror or Parent, or any of their respective officers, directors, employees, agents or subsidiaries, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; provided, however, that the delivery of any notice pursuant to this SECTION 4.3 shall not limit or otherwise affect the representations, warranties or remedies available hereunder to any party hereto.

(a) Proxy Statement. In connection with the Company Shareholders Meeting contemplated by SECTION 5.1(B) below, the Company will prepare and file (after consultations with Acquiror) a preliminary proxy statement relating to the transactions contemplated by this Agreement (the "Preliminary Proxy Statement") and will use its commercially reasonable efforts to respond to the comments of the SEC thereon, and to cause a final proxy statement (such proxy statement the "Definitive Proxy Statement") to be mailed to the Company's shareholders, in each case as soon as reasonably practicable after providing Acquiror with reasonable opportunity to comment thereon. Each party to this Agreement will notify the other parties promptly of the receipt of the comments of the SEC, if any, and of any request by the SEC for amendments or supplements to the Preliminary Proxy Statement or the Definitive Proxy Statement or for additional information, and will supply the others with copies of all correspondence between such party or its representatives, on the one hand, and the SEC or members of its staff, on the other hand, with respect to the Preliminary Proxy Statement, the Definitive Proxy Statement or the Merger. If at any time prior to the Company Shareholders Meeting, (i) any event should occur relating to the Company or any of the Subsidiaries which should be set forth in an amendment of, or a supplement to, the Definitive Proxy Statement, or (ii) any event should occur relating to Acquiror, Parent, or Merger Sub or any of their respective Affiliates, or relating to the plans of any such Persons for the Surviving Corporation after the Effective Time of the Merger, or relating to the Financing of the transaction, in either case that should be set forth in an amendment of, or a supplement to, the Definitive Proxy Statement, then the Company or Acquiror (as applicable), will, upon learning of such event, promptly inform the other of such event and the Company shall prepare, file and, if required, mail such amendment or supplement to the Company's shareholders; provided that, prior to such filing or mailing the Company shall consult with Acquiror with respect to such amendment or supplement and shall afford Acquiror reasonable opportunity to comment thereon. Acquiror will furnish to the Company the information relating to Acquiror, Parent, and Merger Sub, their respective Affiliates and the plans of such Persons for the Surviving Corporation after the Effective Time of the Merger, and relating to the Financing, which is required to be set forth in the Preliminary Proxy Statement or the Definitive Proxy Statement under the Exchange Act and the rules and regulations of the SEC thereunder.

The Board of Directors of the Company shall recommend such adoption and approval, and subject to fiduciary obligations under applicable law, shall not withdraw or modify such recommendation other than in compliance with SECTION 4.4(A) and SECTION 7.1(E), or if the Fairness Opinion is withdrawn by Financial Advisor and the Company terminates this Agreement under SECTION 7.1(F), and shall take all lawful action necessary to obtain such shareholder approval.

(c) Parent will take all action necessary in accordance with applicable law, including the rules and regulations of the Stock Exchange of Hong Kong, to obtain approval of the Merger by the shareholders of Parent. The disclosure statement or other communication sent by Parent to its shareholders shall contain (i) the recommendation of the Board of Directors of Parent that such shareholders vote in favor of the Merger and (ii) a statement that the executive members of the Board of Directors of Parent intend to vote their shares of Parent Common Stock in favor of the Merger.

To the extent permitted by applicable law and subject to the Agreement dated October 2, 2002 between Acquiror and the Company (the "Confidentiality Agreement"), the Company shall, and shall cause each of its Subsidiaries to afford to Acquiror and to the officers, employees, accountants, counsel, financial advisors and other representatives of Acquiror, reasonable access during normal business hours during the period prior to the Effective Time to all their respective properties (including access to perform environmental studies, if deemed necessary or appropriate by the Acquiror), books, contracts, commitments, personnel and records and, during such period, the Company shall, and shall cause each of its subsidiaries to furnish promptly to Acquiror (a) a copy of each report, schedule, registration statement and other document filed by it during such period pursuant to the requirements of federal or state securities laws and (b) all other information concerning its business, properties and Personnel as such other party may reasonably request. Any review pursuant to this SECTION 5.2 shall be for the purposes of confirming the accuracy of any representation or warranty contained in this Agreement given by the Company to Acquiror, Parent and Merger Sub. The Acquiror will hold, and will cause its respective officers, employees, accountants, counsel, financial advisors and other representatives and affiliates, any non-public information in accordance with the terms of the Confidentiality Agreement.

SECTION 5.3 Commercially Reasonable Efforts; Cooperation.

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the parties agrees to use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Merger and the other transactions contemplated by this Agreement, including (i) obtaining of all necessary actions or non-actions, waivers, consents and approvals from Governmental Entities and the making of all necessary registrations and filings and the taking of all steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Entity, (ii) obtaining of all necessary consents, approvals or waivers from third parties, (iii) defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated hereby, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Entity vacated or reversed, and (iv) executing and delivering of any additional instruments necessary to consummate the transactions contemplated by, and to fully carry out the purposes of, this Agreement. Nothing set forth in this SECTION 5.3(A) will limit or affect actions permitted to be taken pursuant to SECTION 4.2.

(b) Each of Acquiror and the Company shall use their best efforts to file as soon as practicable notifications under the HSR Act with respect to the Merger and the other transactions contemplated by this Agreement and to respond at the earliest practicable date with any request under the HSR Act for additional information, documents or other materials received by such party from the Federal Trade Commission or the Department of Justice or any other Governmental Entity in respect of such filings or the Merger and the other transactions contemplated by this Agreement. The parties to this Agreement will cooperate with the other party in connection with making any filing under the HSR Act and in connection with any filings, conferences or other submissions related to resolving any investigation or other inquiry by any Governmental Authority with respect to the Merger and the other transactions contemplated by this Agreement.

22

Such rights shall not be amended, or otherwise modified in any manner that would adversely affect the rights of the Indemnitees, unless such modification is required by law. In addition, the Surviving Corporation shall pay any expenses of any Indemnitee under this SECTION 5.4 as incurred to the fullest extent permitted under applicable law, provided that the Person to whom expenses are advanced provides an undertaking to repay such advances to the extent required by applicable law.

(b) In the event any action is asserted or made, any determination required to be made with respect to whether an Indemnitee's conduct complies with the standards set forth under the Ohio Statutes, the applicable organizational documents of the Company or its Subsidiaries or any indemnification agreements or arrangements of the Company or its Subsidiaries, as the case may be, shall be made by independent legal counsel selected by the Acquiror and reasonably acceptable to the Indemnitee; provided, however, that nothing in this SECTION 5.4 shall impair any rights of any current or former director or officer of the Company or its Subsidiaries, including pursuant to the respective articles of incorporation or bylaws of Surviving Corporation or the Company, or their respective subsidiaries, under Ohio law or otherwise.

(c) Each of Acquiror, the Surviving Corporation and the Indemnitee shall cooperate, and cause their respective affiliates to cooperate, in the defense of any action and shall provide access to properties and individuals as reasonably requested and furnish or cause to be furnished records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

(d) For the six-year period commencing immediately after the Effective Time, Surviving Corporation shall either (i) maintain in effect the Company's current directors' and officers' liability insurance policies providing coverage as respects acts or omissions occurring prior to the Effective Time with respect to those persons who are currently covered by the Company's directors' and officers' liability insurance policy ("D&O Insurance") on terms and at limits no less favorable to the Company's directors and officers currently covered by policies in effect on the date hereof or (ii) a directors' and officers' insurance policy for the exclusive benefit of those persons who are currently covered by the Company's directors' and officers' liability insurance policy from a financially sound and nationally reputable carrier which (1) is at least as favorable to the Persons currently covered by the Company's directors' and officers' liability insurance in effect as of the date hereof and (2) will at a minimum have the same terms and limits as the Company's directors' and officers' liability insurance policies in effect as of the date hereof; provided, however, that, if the Company's current directors' and officers' liability insurance expires, is terminated or is canceled during such six-year period, Acquiror shall, or shall cause the Surviving Corporation to, obtain directors' and officers' liability insurance covering such acts or omissions with respect to each such Person on terms and at limits no less favorable to the Company's directors and officers currently covered by policies in effect immediately prior to the date of such expiration, termination or cancellation, provided, however, that the Surviving Corporation shall not be required to pay an annual premium for the D&O Insurance in excess of 200% of the estimated premium for 2003. The Company and Acquiror shall cooperate to make any arrangements necessary to obtain or continue such directors' and officers' liability insurance for such six-year period, including the prepayment any fees or premiums to the applicable insurance providers of such amounts as necessary to provide the coverage contemplated by this SECTION 5.4.

23

(e) The provisions of this SECTION 5.4 are intended to be for the benefit of, and shall be enforceable by, each Indemnitee, such Indemnitee's heirs and representatives and (ii) are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise.

(f) In the event that the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of the Surviving Corporation shall assume all of the obligations thereof set forth in this SECTION 5.4.

(g) The obligations of Acquiror and the Surviving Corporation under this SECTION 5.4 shall not be terminated or modified in such a manner as to adversely affect any Indemnitee to whom this SECTION 5.4 applies without the consent of the affected Indemnitee (it being expressly agreed that the Indemnities to whom this SECTION 5.4 applies shall be third party beneficiaries of this SECTION 5.4).

SECTION 5.5 Public Announcements. Acquiror and the Company will consult with each other before issuing, and provide each other the opportunity to review, comment upon and concur with, any press release or other public statements with respect to the transactions contemplated by this Agreement, including the Merger, and, subject to SECTION 4.4(D), shall not issue any such press release or make any such public statement prior to such consultation, except as either party may determine is required by applicable law, court

SECTION 5.7 Delisting. Each of the parties hereto shall cooperate with each other in taking, or causing to be taken, all actions necessary to delist all of the Company Common Stock from the New York Stock Exchange and to terminate registration under the Exchange Act; provided, that such delisting and termination shall not be effective until after the Effective Time.

case as of such date), except where the failure of such representations and warranties to be so true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth therein) would not have, individually or in the aggregate, a Material Adverse Effect.

(b) Performance of Obligations of the Company. The Company shall have performed or complied in all material respects to all obligations required to be performed or complied by it under this Agreement at or prior to the Closing Date.

(c) No Material Adverse Change. At any time after the date of this Agreement there shall not have occurred any Material Adverse Change.

The representations and warranties of Acquiror set forth herein shall be true and correct both when made and at and as of the Closing Date, as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such date), except where the failure of such representations and warranties to be so true and correct (without giving effect to any limitation as to "materiality" or "Material Adverse Effect" set forth therein) would not have, individually or in the aggregate, a Material Adverse Effect on Acquiror.

(b) Performance of Obligations of Acquiror, Parent and Merger Sub. Acquiror, Parent and Merger Sub shall have performed or complied in all material respects to all obligations required to be performed or complied by them under this Agreement at or prior to the Closing Date.

ARTICLE VII

TERMINATION, AMENDMENT AND WAIVER

SECTION 7.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after the Company Shareholder Approval:

(a) By mutual written consent of Acquiror and the Company;

(b) By either Acquiror or the Company:

(i) if the Merger shall not have been consummated by April 15, 2003; provided, however, that the right to terminate this Agreement pursuant to this Section 7.1(b)(i) shall not be available to any party whose failure to perform any of its obligations under this Agreement solely is the basis for the failure of the Merger to be consummated by such time;

(ii) if the Company Shareholder Approval shall not have been obtained at a Company Shareholders Meeting duly convened therefor or at any adjournment or postponement thereof; or

(iii) if any Restraint having any of the effects set forth in SECTION 6.1(C) shall be in effect and shall have become final and nonappealable; provided, however, that the party seeking to terminate this Agreement pursuant to this SECTION 7.1(B)(III) shall have used commercially reasonable efforts to prevent the entry of and to remove such Restraint;

(c) By Acquiror, if the Company shall have breached or failed to

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

perform in any material respect any of its representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform would give rise to a Material Adverse Effect relating to the Company and (A) is not cured within 30 days after written notice thereof or (B) is incapable of being cured by the Company;

(d) By the Company, if Acquiror, Parent or Merger Sub shall have breached or failed to perform in any material respect any of their respective representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform includes failure to fully fund the Exchange Fund and (A) is not cured within 30 days after written notice thereof or (B) is incapable of being cured by Acquiror;

(e) By the Company upon the Company's execution of a binding agreement with a third party with respect to a Superior Proposal, provided that for any termination by the Company under this SECTION 7.1(E) to be effective, the Company must have complied with all provisions of this Agreement, including the notice provisions contained in SECTION 4.4(B) and paid the Termination Fee and expense reimbursement to Acquiror in accordance with SECTION 7.3;

(f) by the Company if any event, circumstance, condition, fact, effect or other matter has occurred or exists which (i) would, or would be reasonably likely to give rise to the failure of any of the conditions to the obligations of the Parent, Merger Sub or Acquiror set forth in SECTION 6.1 OR 6.3; and (ii) cannot be or has not been cured within 30 days after the giving of written notice to the Acquiror;

(g) by Acquiror if any event, circumstance, condition, fact, effect or other matter has occurred or exists which (i) would, or would be reasonably likely to give rise to the failure of any of the conditions of the

26

Company set forth in SECTION 6.1 OR 6.2; and (ii) cannot be or has not been cured within 30 days after the giving of written notice to the Company;

(h) by Acquiror if any of the following shall have occurred:

(i) any Person (other than Acquiror or any Subsidiary of Acquiror) shall have commenced (as such term is defined in Rule 14d-2 under the Exchange Act), a tender offer or exchange offer to purchase any Company Common Stock or securities convertible into such shares such that, upon consummation of such offer, such person would own or control 50% or more of the then outstanding Company Common Stock, and the Board of Directors of the Company, within ten Business Days after such tender or exchange offer shall have been so commenced, fails to recommend against acceptance of such tender or exchange offer by its shareholders;

(ii) the Company or any Subsidiary of the Company shall have authorized, recommended, proposed or publicly announced an intention to authorize, recommend or propose, or entered into, an agreement with any Person (other than Acquiror or any Subsidiary of Acquiror) to (A) effect a merger, consolidation or similar transaction involving the Company or any of its material Subsidiaries, (B) sell, lease or otherwise dispose of assets of the Company or its Subsidiaries representing 20% or more of the consolidated assets of the Company and its Subsidiaries or (C) issue, sell or otherwise dispose of (including by way of merger, consolidation, tender offer, share exchange or any similar transaction) securities (or options, rights or warrants to purchase, or securities

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

convertible into, such securities) representing 10% or more of the voting power of the Company;

(iii) any Person (other than Acquiror or any Subsidiary of Acquiror) shall have acquired beneficial ownership (as such term is defined in Rule 13d-3 under the Exchange Act) or the right to acquire beneficial ownership of, or any "group" (as such term is defined under the Exchange Act) shall have been formed which beneficially owns or has the right to acquire beneficial ownership of, 15% or more of the then outstanding Company Common Stock, except for any Person that beneficially owns more than 15% of the outstanding Company Common Stock as of the date of this Agreement, unless such Person's beneficial ownership increases by more than 1% of the outstanding Company Common Stock; or

(iv) the Company's Board of Directors shall have withdrawn or modified in a manner adverse to Acquiror the recommendation of the Company's Board of Directors that the shareholders approve this Agreement and the Merger (an "Adverse Recommendation") (it being understood and agreed that any communication by the Company or the Company's Board of Directors to the shareholders that indicates that the Company's Board of Directors had determined not to withdraw or modify such recommendation, in whole or in part, because such action would or might give rise to a right on the part of Acquiror to terminate this Agreement and/or obligate the Company to pay the fee set forth in SECTION 7.3(B) shall nevertheless be deemed to be an Adverse Recommendation).

SECTION 7.2 Effect of Termination. In the event of termination of this Agreement by either the Company or Acquiror as provided in SECTION 7.1, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of Acquiror or the Company, other than pursuant to the provisions of this SECTION 7.2, SECTION 7.3 and ARTICLE VIII, which provisions survive such termination; provided, however, that nothing herein shall relieve any party to this Agreement from any liability for any willful and material breach by such party of any of its representations, warranties, covenants or agreements set forth in this Agreement.

SECTION 7.3 Fees and Expenses.

(a) Expenses. If this Agreement is terminated in connection with any of the circumstances described in SECTION 7.3(B), the Company shall reimburse Acquiror and Merger Sub for all reasonable out-of-pocket expenses and fees payable by Acquiror or Merger Sub in connection with the Merger; provided, however, that the Company shall not be obligated to reimburse Acquiror and Merger Sub for expenses in excess of Seven Hundred Thousand Dollars (\$700,000) in the aggregate. Any such required reimbursement shall take place on the later of the termination of this Agreement or submission of evidence of such incurred expenses to the Company.

(b) Termination Fee. If this Agreement is terminated (i) pursuant to SECTION 7.1(H) within two (2) Business Days after such termination, or (ii) pursuant to SECTION 7.1(E) on the date of such termination, the Company

27

shall pay Acquiror a fee of Five Million Three Hundred Thousand Dollars (\$5,300,000), by wire transfer to an account specified by Parent (the "Termination Fee").

(c) Other Expenses. Except as provided otherwise in paragraph (a) above,

ANNEX B
December 9, 2002

PERSONAL & CONFIDENTIAL

Board of Directors
Royal Appliance Mfg. Co.
7005 Cochran Road
Glenwillow, Ohio 44139

Gentlemen:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of the issued and outstanding Common Shares, without par value (the "Common Shares"), of Royal Appliance Mfg. Co., an Ohio corporation (the "Company"), of the consideration to be received by such holders pursuant to the Agreement and Plan of Merger (the "Merger Agreement") to be entered into by the Company, RAMC Holdings, Inc., a Delaware corporation ("Acquiror"), Techtronic Industries Co., Ltd., a corporation organized under the laws of Hong Kong ("Parent"), and TIC Acquisition Corp., an Ohio corporation, and a wholly-owned subsidiary of Acquiror ("Merger Sub").

You have advised us that the Merger Agreement contemplates that at the closing of the transaction contemplated thereby, among other things, Merger Sub will be merged with and into the Company (the "Merger") and each Common Share of the Company issued and outstanding as of the closing date (other than shares owned by Parent or the Company and any of their respective parent entities and subsidiaries and any shares as to which appraisal rights have been perfected in

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

accordance with provisions of applicable law) will be converted into the right to receive the amount of \$7.37 per share in cash (the "Merger Consideration").

In connection with rendering this opinion, we have, among other things:

- (i) reviewed a draft of the Merger Agreement, dated December 6, 2002, which we understand to be in substantially final form;
- (ii) reviewed a draft of the form of Voting Agreement dated December 6, 2002 for certain shareholders of the Company, which we understand to be in substantially final form;
- (iii) reviewed a draft of the form of Employment Agreement dated December 7, 2002 for certain executives officers of the Company, which we understand to be in substantially final form;
- (iv) reviewed certain publicly available information concerning the Company, including the Company's Annual Reports on Form 10-K for each of the fiscal years ended December 31, 1997, December 31, 1998, December 31, 1999, December 31, 2000, and December 31, 2001, and the Company's Quarterly Reports on Form 10-Q for each of the periods ended March 31, 2002, June 30, 2002, and September 30, 2002;
- (v) analyzed certain unaudited internal information, primarily financial in nature and including projections for the fiscal years ended December 31, 2002 through 2007, prepared and furnished to us by the Company's management for purposes of our analysis;
- (vi) reviewed certain publicly available information concerning the trading of, and the trading market for, the Company's Common Shares;
- (vii) reviewed certain publicly available information with respect to certain other companies that we believe to be comparable to the Company and the trading markets for certain of such other companies' securities;
- (viii) compared the proposed financial terms of the Merger with certain publicly available information concerning the nature and terms of certain other transactions that we considered to be relevant;
- (ix) discussed past and current operations and financial condition and the prospects of the Company, as well as other matters we believe relevant to our inquiry, with certain officers and employees of the Company; and

7

Board of Directors
December 9, 2002

- (x) conducted such other financial studies, analyses and investigations, and considered such other information, as we deemed necessary or appropriate.

In our review and analysis and in arriving at our opinion, we have assumed and relied upon the accuracy and completeness of all of the financial and other information provided to us or publicly available and have assumed and relied upon the representations and warranties of the Company contained in the Merger Agreement. We have not been engaged to, and have not independently attempted to, verify any of such information. We have also relied upon the management of the Company as to the reasonableness and achievability of the financial and

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

operating projections (and the assumptions and bases therefor) provided to us and, with your consent, we have assumed that such projections reflect management's best currently available estimates and judgments. We have not been engaged to assess the reasonableness or achievability of such projections or the assumptions on which they were based and express no view as to such projections or assumptions. In addition, we have not evaluated or appraised any of the assets, properties or facilities of the Company nor have we been furnished with any such evaluation or appraisal.

At your direction, we have not been asked to, nor do we, offer any opinion as to the material terms of the Merger Agreement or the form of the transaction as a merger. We have also assumed, with your consent, that the final executed form of the Merger Agreement does not differ in any material respect from the draft we have examined and that the conditions to the Merger as set forth in the Merger Agreement would be satisfied and that the Merger would be consummated on a timely basis in the manner contemplated by the Merger Agreement.

It should be noted that this opinion is necessarily based on the economic, monetary, market and other conditions as in effect on, and the information made available to us, as of the date hereof and does not address any matters subsequent to such date. It should be noted that although subsequent developments may affect this opinion, we do not have any obligation to update, revise or reaffirm our opinion. We reserve, however, the right to withdraw, revise or modify our opinion based upon additional information which may be provided to or obtained by us after the issuance of the opinion which suggests, in our judgment, a material change in the assumptions upon which our opinion is based. Our opinion is limited to the fairness, as of the date hereof, from a financial point of view, of the Merger Consideration and does not address the Company's underlying business decision to effect the Merger or any other terms of the Merger.

We have acted as the Company's financial advisor in connection with the Merger and will receive a fee for our services, which is contingent upon completion of the Merger. We will also receive a fee for our services in rendering this opinion, and the Company has agreed to indemnify us under certain circumstances.

In the ordinary course of our business, we may actively trade the Company's Common Shares and other securities of the Company, as well as Parent's common stock and other securities of Parent, for our own account and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities.

It is understood that this letter was prepared at the request of the Board of Directors of the Company for its confidential use and may not be reproduced, disseminated, quoted or referred to at any time, in any manner or for any purpose without our prior written consent, except that the Company may use this letter in its entirety as part of any filing made by the Company in respect of the Merger with the Securities and Exchange Commission and except as otherwise required by law or any regulatory agency or commission. Our opinion is directed to the Board of Directors and does not constitute a recommendation to any shareholder of the Company as to how such shareholder should vote at the shareholders' meeting held in connection with the Merger.

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

Consideration is fair, from a financial point of view, to the holders of the Company's Common Shares.

Very Truly Yours,

/s/ NATCITY INVESTMENTS, INC.

ANNEX C

SECTIONS 1701.84 AND 1701.85 OF THE OHIO REVISED CODE RIGHTS OF DISSENTING SHAREHOLDERS

1701.84 DISSENTING SHAREHOLDERS ENTITLED TO RELIEF

The following are entitled to relief as dissenting shareholders under section 1701.85 of the Revised Code:

(A) Shareholders of a domestic corporation that is being merged or consolidated into a surviving or new entity, domestic or foreign, pursuant to section 1701.78, 1701.781, 1701.79, 1701.791, or 1701.801 of the Revised Code;

(B) In the case of a merger into a domestic corporation, shareholders of the surviving corporation who under section 1701.78 or 1701.781 of the Revised Code are entitled to vote on the adoption of an agreement of merger, but only as to the shares so entitling them to vote;

(C) Shareholders, other than the parent corporation, of a domestic subsidiary corporation that is being merged into the domestic or foreign parent corporation pursuant to section 1701.80 of the Revised Code;

(D) In the case of a combination or a majority share acquisition, shareholders of the acquiring corporation who under section 1701.83 of the Revised Code are entitled to vote on such transaction, but only as to the shares so entitling them to vote;

(E) Shareholders of a domestic subsidiary corporation into which one or more domestic or foreign corporations are being merged pursuant to section 1701.801 of the Revised Code.

1701.85 QUALIFICATIONS OF AND PROCEDURES FOR DISSENTING SHAREHOLDERS

(A) (1) A shareholder of a domestic corporation is entitled to relief as a dissenting shareholder in respect of the proposals described in sections 1701.74, 1701.76, and 1701.84 of the Revised Code, only in compliance with this section.

(2) If the proposal must be submitted to the shareholders of the corporation involved, the dissenting shareholder shall be a record holder of the shares of the corporation as to which he seeks relief as of the date fixed for the determination of shareholders entitled to notice of a meeting of the shareholders at which the proposal is to be submitted, and such shares shall not have been voted in favor of the proposal. Not later than ten days after the date on which the vote on the proposal was taken at the meeting of the shareholders, the dissenting shareholder shall deliver to the corporation a written demand for payment to him of the fair cash value of the shares as to which he seeks relief, which demand shall state his address, the number and class of such shares, and

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

the amount claimed by him as the fair cash value of the shares.

(3) The dissenting shareholder entitled to relief under division (C) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.80 of the Revised Code and a dissenting shareholder entitled to relief under division (E) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.801 of the Revised Code shall be a record holder of the shares of the corporation as to which he seeks relief as of the date on which the agreement of merger was adopted by the directors of that corporation. Within twenty days after he has been sent the notice provided in section 1701.80 or 1701.801 of the Revised Code, the dissenting shareholder shall deliver to the corporation a written demand for payment with the same information as that provided for in division (A) (2) of this section.

(4) In the case of a merger or consolidation, a demand served on the constituent corporation involved constitutes service on the surviving or the new entity, whether the demand is served before, on, or after the effective date of the merger or consolidation.

(5) If the corporation sends to the dissenting shareholder, at the address specified in his demand, a request for the certificates representing the shares as to which he seeks relief, the dissenting shareholder, within fifteen days from the date of the sending of such request, shall deliver to the corporation the certificates requested so that the corporation may forthwith endorse on them a legend to the effect that demand for the fair cash value of such shares has been made. The corporation promptly shall return such endorsed certificates to the dissenting shareholder. A dissenting shareholder's failure to deliver such certificates terminates his rights as a dissenting

1

shareholder, at the option of the corporation, exercised by written notice sent to the dissenting shareholder within twenty days after the lapse of the fifteen-day period, unless a court for good cause shown otherwise directs. If shares represented by a certificate on which such a legend has been endorsed are transferred, each new certificate issued for them shall bear a similar legend, together with the name of the original dissenting holder of such shares. Upon receiving a demand for payment from a dissenting shareholder who is the record holder of uncertificated securities, the corporation shall make an appropriate notation of the demand for payment in its shareholder records. If uncertificated shares for which payment has been demanded are to be transferred, any new certificate issued for the shares shall bear the legend required for certificated securities as provided in this paragraph. A transferee of the shares so endorsed, or of uncertificated securities where such notation has been made, acquires only such rights in the corporation as the original dissenting holder of such shares had immediately after the service of a demand for payment of the fair cash value of the shares. A request under this paragraph by the corporation is not an admission by the corporation that the shareholder is entitled to relief under this section.

(B) Unless the corporation and the dissenting shareholder have come to an agreement on the fair cash value per share of the shares as to which the dissenting shareholder seeks relief, the dissenting shareholder or the corporation, which in case of a merger or consolidation may be the surviving or new entity, within three months after the service of the demand by the dissenting shareholder, may file a complaint in the court of common pleas of the county in which the principal office of the corporation that issued the shares is located or was located when the proposal was adopted by the shareholders of the corporation, or, if the proposal was not required to be submitted to the shareholders, was approved by the directors. Other dissenting shareholders, within that three-month period, may join as plaintiffs or may be joined as

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

defendants in any such proceeding, and any two or more such proceedings may be consolidated. The complaint shall contain a brief statement of the facts, including the vote and the facts entitling the dissenting shareholder to the relief demanded. No answer to such a complaint is required. Upon the filing of such a complaint, the court, on motion of the petitioner, shall enter an order fixing a date for a hearing on the complaint and requiring that a copy of the complaint and a notice of the filing and of the date for hearing be given to the respondent or defendant in the manner in which summons is required to be served or substituted service is required to be made in other cases. On the day fixed for the hearing on the complaint or any adjournment of it, the court shall determine from the complaint and from such evidence as is submitted by either party whether the dissenting shareholder is entitled to be paid the fair cash value of any shares and, if so, the number and class of such shares. If the court finds that the dissenting shareholder is so entitled, the court may appoint one or more persons as appraisers to receive evidence and to recommend a decision on the amount of the fair cash value. The appraisers have such power and authority as is specified in the order of their appointment. The court thereupon shall make a finding as to the fair cash value of a share and shall render judgment against the corporation for the payment of it, with interest at such rate and from such date as the court considers equitable. The costs of the proceeding, including reasonable compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable. The proceeding is a special proceeding and final orders in it may be vacated, modified, or reversed on appeal pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505 of the Revised Code. If, during the pendency of any proceeding instituted under this section, a suit or proceeding is or has been instituted to enjoin or otherwise to prevent the carrying out of the action as to which the shareholder has dissented, the proceeding instituted under this section shall be stayed until the final determination of the other suit or proceeding. Unless any provision in division (D) of this section is applicable, the fair cash value of the shares that is agreed upon by the parties or fixed under this section shall be paid within thirty days after the date of final determination of such value under this division, the effective date of the amendment to the articles, or the consummation of the other action involved, whichever occurs last. Upon the occurrence of the last such event, payment shall be made immediately to a holder of uncertificated securities entitled to such payment. In the case of holders of shares represented by certificates, payment shall be made only upon and simultaneously with the surrender to the corporation of the certificates representing the shares for which the payment is made.

(C) If the proposal was required to be submitted to the shareholders of the corporation, fair cash value as to those shareholders shall be determined as of the day prior to the day on which the vote by the shareholders was taken and, in the case of a merger pursuant to section 1701.80 or 1701.801 of the Revised Code, fair cash value as to shareholders of a constituent subsidiary corporation shall be determined as of the day before the adoption of the agreement of merger by the directors of the particular subsidiary corporation. The fair cash value of a share for the purposes of this section is the amount that a willing seller who is under no compulsion to sell would be willing to accept and that a willing buyer who is under no compulsion to purchase would be willing to pay, but in

2

no event shall the fair cash value of a share exceed the amount specified in the demand of the particular shareholder. In computing such fair cash value, any appreciation or depreciation in market value resulting from the proposal submitted to the directors or to the shareholders shall be excluded.

(D) (1) The right and obligation of a dissenting shareholder to receive such fair cash value and to sell such shares as to which he seeks relief, and the right and obligation of the corporation to purchase such shares and to pay

Edgar Filing: ROYAL APPLIANCE MANUFACTURING CO - Form PRER14A

the fair cash value of them terminates if any of the following applies:

(a) The dissenting shareholder has not complied with this section, unless the corporation by its directors waives such failure;

(b) The corporation abandons the action involved or is finally enjoined or prevented from carrying it out, or the shareholders rescind their adoption of the action involved;

(c) The dissenting shareholder withdraws his demand, with the consent of the corporation by its directors;

(d) The corporation and the dissenting shareholder have not come to an agreement as to the fair cash value per share, and neither the shareholder nor the corporation has filed or joined in a complaint under division (B) of this section within the period provided in that division.

(2) For purposes of division (D)(1) of this section, if the merger or consolidation has become effective and the surviving or new entity is not a corporation, action required to be taken by the directors of the corporation shall be taken by the general partners of a surviving or new partnership or the comparable representatives of any other surviving or new entity.

(E) From the time of the dissenting shareholder's giving of the demand until either the termination of the rights and obligations arising from it or the purchase of the shares by the corporation, all other rights accruing from such shares, including voting and dividend or distribution rights, are suspended. If during the suspension, any dividend or distribution is paid in money upon shares of such class or any dividend, distribution, or interest is paid in money upon any securities issued in extinguishment of or in substitution for such shares, an amount equal to the dividend, distribution, or interest which, except for the suspension, would have been payable upon such shares or securities, shall be paid to the holder of record as a credit upon the fair cash value of the shares. If the right to receive fair cash value is terminated other than by the purchase of the shares by the corporation, all rights of the holder shall be restored and all distributions which, except for the suspension, would have been made shall be made to the holder of record of the shares at the time of termination.
