**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On February 17, 2009, the Board of Directors (the Board) of Medicis Pharmaceutical Corporation (the Company) adopted and approved, effective February 17, 2009, the Amended and Restated By-Laws of the Company (the

By-Laws). The By-Laws amend the advance notice provisions for stockholder proposals and nominations and actions by written consent and were made to ensure such provisions are clear and unambiguous in light of recent Delaware case law developments. Specifically, the By-Laws include the following revisions:

revised procedures for stockholders to act by written consent under Section 8. Stockholders who wish to act by written consent must first request that the Board fix a record date to determine the stockholders entitled to take such action. The By-Laws provide that such request must contain certain information about the stockholder, including the stockholder's ownership interests in the Company, a description of the action to be taken, including the stockholder's interest in such action, and a description of any agreements, arrangements and understandings between the stockholder, any beneficial owner and any other person or entity in connection with the request or such action. The By-Laws require the stockholder requesting to act by written consent to update and supplement the information provided to the Company in the request and demand; and

revised advance notice requirements for stockholder proposals of business and nominations for the Board under Section 11. The revisions clarify that the requirements set forth in Section 11 of the By-Laws apply to all stockholder proposals and director nominations by stockholders and are the exclusive means for stockholders to submit such matters, other than proposals and nominations governed by Rule 14a-8 under the Securities Exchange Act of 1934, as amended (which provides certain procedural requirements). The revised Section 11 requires stockholders to disclose all ownership interests in the Company in light of increased use by investors of derivative instruments that are not reflected in an investor's beneficial ownership of the Company's securities. In addition, a stockholder proponent must disclose all agreements, arrangements and understandings between such stockholder and any other person with respect to business being proposed or nominations for election to the Board. The stockholder proponent is further required to update and supplement the information provided to the Company in the notice.

The foregoing description of the By-Laws is qualified in its entirety by reference to the full text of the By-Laws, a copy of which is attached as Exhibit 3.2 hereto and incorporated herein by reference.
