Item 1.01 Entry into a Material Definitive Agreement.

On May 14, 2012, Delphi Financial Group, Inc. (“Delphi”), Tokio Marine Holdings, Inc. (“Tokio Marine”), Robert Rosenkranz and certain other members of Delphi’s management and Board of Directors entered into a Stipulation and Agreement of Compromise and Settlement (the “Stipulation”) with the other parties to the In re Delphi Financial Group Shareholder Litigation, Consolidated C.A. No. 7144-VCG (the “Action”), providing for the settlement of all claims brought against Delphi and the other defendants in the Action, which challenged the acquisition (the “Merger”) of Delphi by Tokio Marine. The Stipulation will be subject to the approval of the Court of Chancery of the State of Delaware (the “Court”).

Pursuant to the Stipulation, Delphi’s Class A stockholders and certain option holders, other than the defendants to the Action and their affiliates, will receive a settlement payment in the aggregate amount of \$49 million less plaintiffs’ counsel fees and expenses, which have not yet been determined, and less other administrative expenses such as the costs of providing notice to stockholders and option holders. The allocation of the settlement payment among the eligible Class A stockholders and option holders will be made pursuant to a plan of allocation after, and subject to, approval of the settlement and plan of allocation by the Court. A hearing before the Court to consider the settlement is expected to occur subsequent to the closing of the Merger. Plaintiffs’ counsel intend to seek from the Court a collective award of attorneys’ fees and expenses of up to \$12 million. The final amount of plaintiffs’ attorneys’ fees and expenses will be determined at or after the time the Court decides whether to approve the Stipulation.

The settlement is contingent upon, among other things, completion of the Merger and approval by the Court. In the event that any of the conditions to the settlement are not satisfied, the Delphi defendants will continue to vigorously defend all claims. The settlement payment described above is separate and distinct from the consideration payable to Delphi’s Class A stockholders and option holders in the Merger.

The Stipulation will release all claims that were or could have been asserted against Delphi, any other defendant in the Action and certain of their affiliates, or any holders of Class B shares as of the date of the Merger, as well as any other claims that relate in any way to the Merger or the other matters alleged in the Action. The terms of the Stipulation deny any liability or wrongdoing by Delphi, its Board of Directors, the Special Transaction Committee of Delphi’s Board of Directors or any of the other defendants. If the Stipulation is approved, the Action will be dismissed, on the merits, with prejudice.

The foregoing description of the Stipulation is qualified in its entirety by reference to the Stipulation, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.
