PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. *Incorporation of Certain Documents by Reference.*

We hereby incorporate, or will be deemed to have incorporated, herein by reference the following documents filed (File No. 1-6028) with the Securities and Exchange Commission (the "SEC") in accordance with the Securities Exchange Act of 1934, as amended (the "Exchange Act"):

- Our Annual Report on Form 10-K, for the fiscal year ended December 31, 2004;
- Our Quarterly Report on Form 10-Q for the quarter ended March 31, 2005;
- Our Current Reports on Form 8-K filed with the SEC on January 20, February 16, March 4, and May 12, 2005, except that Item 7.01 in the Current Report on Form 8-K dated May 12, 2005 shall not be incorporated herein by reference;
- The description of our common stock contained in Form 10 filed with the SEC on April 28, 1969, including any amendments or reports filed for the purpose of updating that description; and
- The description of our common stock purchase rights contained in our Registration Statement on Form 8-A/A, Amendment No. 1, filed with the SEC on December 2, 1996, including any amendments or reports filed for the purpose of updating that description.

Each document filed subsequent to the date of this Registration Statement pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of the filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated herein by reference shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein (or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein) modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute part of this Registration Statement.

Item 4. *Description of Securities.*

In addition to shares of our Common Stock, this Registration Statement covers our Deferred Compensation Obligations issued under the Plan. The following is a summary of the Plan as it relates to the Deferred Compensation Obligations. The summary is qualified in its entirety by reference to the Plan document, a copy of which has been filed as an exhibit to this Registration Statement.

The Deferred Compensation Obligations represent our obligations to pay deferred compensation amounts in the future to Plan participants. Compensation deferred for a participant under the Plan is notionally credited to various investment options (phantom investments) which are used to value the Plan account we establish for the participant. Each account is credited with earnings, gains, and losses based on these notional investment measures.

The portion of a participant's account balance under the Plan that is not credited to the LNC Common Stock unit investment option is payable in cash. The portion of a participant's account balance that is credited to the LNC Common Stock unit investment option is payable only in shares of our Common Stock, with fractional shares paid in cash. Payments may be made in a lump sum or in annual installments over a period of up to 20 years, at the election of the participant. Payments are made at a participants' death, retirement, disability, termination of employment or in years selected by the participant at the time of deferral. Participant accounts are valued on the February 5th of the calendar year following the calendar year in which a distribution event has occurred (death, retirement, disability, termination of employment or elected distribution).

The Deferred Compensation Obligations are our unsecured and unsubordinated general obligations and rank *pari passu* with our other unsecured and unsubordinated indebtedness. The Deferred Compensation Obligations are not subject in any manner to hypothecation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Any attempt by any person to transfer or assign benefits under the Plan, other than a claim for benefits by a participant or his or her beneficiary(ies), will be null and void. The Deferred Compensation Obligations are not convertible into any other security except that account balances treated as invested in our Common Stock are distributed in shares of our Common Stock.

No trustee has been appointed to take action with respect to the Deferred Compensation Obligations and each participant in the Plan will be responsible for enforcing his or her own rights with respect to the Deferred Compensation Obligations. The Plan is an unfunded, non-qualified plan. We may establish a "rabbi trust" to serve as a source of funds from which we can satisfy the obligations. Participants in the Plan will have no rights to any assets held by any rabbi trust, except as our general creditors. Assets of any rabbi trust will at all times be subject to the claims of our general creditors.

We have the ability to amend the Plan prospectively at any time. We also have the ability to terminate the Plan provided participants receive advance notice.

Item 5. *Interests of Named Experts and Counsel.*

The validity of the securities offered hereby will be passed upon for us by Dennis L. Schoff, Esq., Senior Vice President and General Counsel of Lincoln National Corporation. As of the date of this Registration Statement, Mr. Schoff beneficially owns approximately 33,734 shares of our Common Stock including options exercisable within sixty (60) days of the date of the Registration Statement.

Item 6. Indemnification of Officers and Directors.

Our by-laws, pursuant to authority contained in the Indiana Business Corporation Law (the "Law") and the Indiana Insurance Law, respectively, provide for the indemnification of our officers, directors and employees against reasonable expenses (including attorneys' fees) incurred by them in connection with the defense of any action, suit, or proceeding to which they are made or threatened to be made parties (including those brought by, or on behalf of us) if they are successful on the merits or otherwise in the defense of such proceeding except with respect to matters as to which they are adjudged liable for negligence or misconduct in the performance of duties to their respective corporations. We will also reimburse such officers, directors, and employees for reasonable costs of judgment settlement, penalties, fines and reasonable expenses (including attorneys' fees) incurred with respect to, any such action, suit, or proceeding where such person is not wholly successful on the merits or otherwise in the defense of such proceeding, if such person's conduct was in good faith, and such person reasonably believed that his/her conduct was in our best interest. In the case of a criminal proceeding, such person must also have reasonable cause to believe his/her conduct was lawful.

In the case of directors, a determination as to whether indemnification or reimbursement is proper shall be made by a majority of the disinterested directors or a committee thereof or by special legal counsel. In the case of individuals who are not directors, such determination shall be made by the chief executive officer of the respective corporation, or, if he so directs, in the manner it would be made if the individual were a director of the corporation. The Law provides that we may indemnify our present and past directors, officers, employees and agents, who serve, at our request, in such capacities of other entities, including partnerships, trusts and employee benefit plans against obligations to pay as the result of threatened, pending or completed actions, suits or proceedings, whether criminal, civil, administrative or investigations to which they are parties, if it is determined by a majority of disinterested directors, a committee of the board of directors, or special counsel selected by the board of directors, that they acted in good faith and they reasonably believed their conduct in their official capacity was in our best interests or if such conduct was not in their official capacity, that the same was at least not opposed to our best interests, and that in criminal proceedings they had reasonable cause to believe their conduct was lawful or no reasonable cause to believe that it was unlawful.

Such indemnification may apply to claims arising under the Securities Act. Insofar as indemnification for liabilities arising under the Securities Act may be permitted for our directors, officers or controlling persons pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of Lincoln National Corporation in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

We maintain a program of insurance under which our directors and officers are insured, subject to specified exclusions and deductible and maximum amounts, against actual or alleged errors, misstatements, misleading statements, acts or omissions, or neglect or breach of duty while acting in their respective capacities for us.

Item 7. Exemption from Registration Claimed.

Item 9. *Undertakings.*

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

provided, however, that paragraphs (a)(i) and (a)(ii) of this Item 9 do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
