Explanatory Note

This Form 8-K/A is being filed as an amendment to the Current Report on Form 8-K filed on May 3, 2013 (the “Original 8-K”) by Republic First Bancorp, Inc. (the “Company”) solely for the purpose of disclosing the determination of the Company’s board of directors (the “Board of Directors”) with respect to the frequency of future shareholder advisory votes on executive compensation. This Form 8-K/A does not amend or modify the Original 8-K in any other respect.

Item 5.07 Submission of Matters to a Vote of Security Holders.

(d) At the 2013 annual meeting of shareholders held on April 30, 2013, an advisory vote of shareholders was held on the frequency of future advisory votes of shareholders on the compensation of executive officers. At the annual meeting, shareholders cast approximately 9.9 million votes for holding future advisory votes on executive compensation every year, 676 thousand votes for every two years, and 6.4 million votes for every three years. In light of the substantial number of votes cast for holding the advisory vote on executive compensation either every year or every three years, the Board of Directors has determined that the advisory vote on executive compensation will be included in the Company’s proxy materials once every two years. The Board of Directors believes that this result appropriately balances the views of the large number of shareholders who favored either a vote every year or every three years, and will reduce the expense of conducting the advisory vote annually.
