Report of Independent Registered Public Accounting Firm

Edgar Filing: XL CAPITAL LTD - Form 11-K

To the Participants and Administrator of X.L. America, Inc. Employee Savings Plan:

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of X.L. America, Inc. Employee Savings Plan (the "Plan") at December 31, 2003 and 2002, and the changes in net assets available for benefits for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. DESCRIPTION OF PLAN

The following description of the X.L. America, Inc. Employee Savings Plan (the "Plan") provides general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of X.L. America, Inc., its subsidiaries and affiliates (collectively referred to as the "Company"), who are scheduled to work a minimum of 20 hours per week.

INVESCO Retirement, Inc. is the Plan record keeper. AMVESCAP National Trust Company ("AMVESCAP", formerly Institutional Trust Company) is the Trustee of the Plan. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees as defined in the Plan document are eligible to participate in the Plan on the first day of employment. Employees participating in the Plan ("Participants") must select investment choices on the basis of their individual goals and objectives. Participants may invest in one or more investments, each offering different opportunities and elements of risk.

As of January 1, 2002, new contributions are no longer permitted to be invested in XL Capital Ltd Class A Ordinary Shares.

Plan Mergers

Effective January 1, 2002, the Plan was amended to allow the following subsidiaries of the Company to become participating employers:

Brockbank Insurance Services, Inc., XL Financial Administrative Services, Inc., and XL Insurance America, Inc. (formerly Winterthur International America Insurance Company).

Edgar Filing: XL CAPITAL LTD - Form 11-K

The above amendment resulted in the Plan receiving assets of \$5,706,651 from the following plans:

Brockbank Insurance Services, Inc. Profit Sharing Plan.....	\$ 472,993
Brockbank Insurance Services, Inc. Money Purchase Plan.....	372,882
X.L. America, Inc. 401(k) Savings and Profit Sharing Plan...	2,450,358
General Casualty 401(k) Plan.....	2,410,418

X.L. America, Inc. Employee Savings Plan Notes to Financial Statements As of and for the year ended December 31, 2003

Effective April 1, 2003, the Plan was amended to include XL Specialty Insurance Company as a participating employer in the Plan. It was further resolved that upon receipt of a favorable determination letter from the Internal Revenue Service under the Employee Plans Compliance Resolution System, the XL Specialty Insurance Company 401(k) Plan shall be merged with and into the Plan. As of December 31, 2003, the XL Specialty plan has not yet been merged into the Plan.

Effective April 1, 2003, the Plan was amended to include XL Capital Ltd as a participating employer in the Plan and merge the assets of the XL Capital Ltd US Qualified (401(k)) Plan of \$3,913,354 into the Plan.

Effective April 1, 2003, the Plan was amended to include ECS, Inc. as a participating employer in the Plan and merge the assets of the ECS, Inc. Retirement Savings Plan of \$20,673,129 into the Plan.

All of the assets merged and transferred became assets of the Plan and are in compliance with the requirements of Section 414(l) of the Internal Revenue Code ("IRC").

Contributions

Contributions are deposited directly into the investment funds as designated by the Participants. Contributions to the Plan consist of employee and Company ("Employer") contributions as described below:

Participant Contributions

Each year, Participants may contribute up to 15% of pre-tax annual compensation, as defined in the Plan, subject to certain limitations. A Participant may also elect to make supplemental contributions of up to 10% of after-tax annual compensation. The combination of pre-tax and after-tax Participant contributions to the Plan may not exceed 15% of the Participants' annual compensation.

Employer Contributions

The Company contributes 140% of the first 5% of pre-tax Participant contributions to the Plan. After-tax contributions are not eligible for Employer matching contributions. Employer matching contributions are funded to the Plan semi-monthly. At the discretion of the Company, an additional

Edgar Filing: XL CAPITAL LTD - Form 11-K

discretionary matching contribution may be made up to 100% of the first 3% of the annual compensation to match contributions made by the Participants in the Plan. (See Note 9, Subsequent Events).

Participant Accounts

Each Participant's account is credited with the Participant's contribution and allocations of the Company's contribution and earnings thereon. Investment options chosen by each Participant govern the allocation and distribution of investment income and realized gains or losses. Any dividends and capital gains are deposited to the Trust and reinvested in the appropriate Participant accounts. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

7

X.L. America, Inc. Employee Savings Plan
Notes to Financial Statements
As of and for the year ended December 31, 2003

Vesting

Participants are fully vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer contribution portion of their accounts is based on years of service with the Company. Participants vest 25% per year of service and are 100% vested after four years of service. Participants become 100% vested in the Employer contributions upon disability, death or retirement.

The Employer contributions and investment returns thereon are not taxed to the Participant until the Participant receives a distribution from the Plan.

Participant Loans

Participants may borrow from their vested account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The \$50,000 maximum will be reduced, however, by the highest outstanding loan balance during the prior 12 months. General-purpose loans must be repaid within 5 years. Loans used to acquire a primary residence must be repaid within 15 years. Participants may have only one loan outstanding at a time.

Loan balances outstanding are recorded as an asset in a separate loan account. Payments of principal and interest are made by payroll deductions of an amount sufficient to amortize the loan over the repayment period. Assets in the loan account are evidenced by promissory notes secured by a security interest in the Participant's account. Loan interest rates are established based on the prime rate plus one percentage point on the first day of the month in which the loan is made. Principal and interest received on Participants' loans is reinvested in accordance with Participant investment instructions.

Upon termination of employment, the Participant has 3 months to pay off the unpaid balance on the loan; otherwise it is offset from the distribution to the Participant, as required by ERISA, and is taxable to the Participant.

Edgar Filing: XL CAPITAL LTD - Form 11-K

Payment of Benefits

Withdrawals

Participants may withdraw supplemental after-tax contributions and related investment earnings prior to the age of 59 1/2. Participants are limited to 2 withdrawals in a calendar year. After the age of 59 1/2, all vested accounts may be withdrawn at any time upon request. Participants are able to withdraw after-tax, pre-tax and rollover contributions for financial hardship withdrawals. Participants' pre-tax contributions will be suspended for 6 months following a financial hardship withdrawal. Any amounts withdrawn will be made in cash.

X.L. America, Inc. Employee Savings Plan
Notes to Financial Statements
As of and for the year ended December 31, 2003

Terminations

A Participant whose employment has terminated with a vested account balance that does not exceed \$5,000 receives a lump sum distribution of their vested balance. If the vested account balance exceeds \$5,000 the terminated Participant may elect to either remain in the Plan or receive a lump sum.

Forfeitures

A Participant whose employment terminates forfeits the amount of his or her unvested account balance. The Plan administrator allocates forfeitures in the Plan year in which the forfeiture occurs and reduces the Plan's ordinary and necessary administrative expenses that would ordinarily be paid by the Company. During the year ended December 31, 2003, forfeitures of \$108,110 were recorded by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on an accrual basis.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States ("GAAP") requires Company management to make estimates and assumptions that affect the reported amounts in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. The XL Capital Ltd Class A Ordinary Shares are valued at fair value at year-end as determined by quoted market prices. Shares of registered investment companies (mutual funds) are valued at net asset value ("NAV"). Shares of collective trust

Edgar Filing: XL CAPITAL LTD - Form 11-K

funds are valued at NAV as determined by annual audited financial statements of the trusts. Participants' outstanding loans are recorded at their unpaid principal amount.

The net appreciation/depreciation in the fair value of investments consists of the net realized gains and losses on the disposal of investments and the unrealized appreciation/depreciation of the market value for the investments remaining in the Plan. Realized gains and losses are calculated using the historical cost of the asset. Historical cost is the original cost of an asset.

Purchases and sales of securities are recorded on a trade-date basis. Investment earnings are allocated upon receipt to each Participant's account. Dividends are recognized and accrued on the ex-dividend date.

9

X.L. America, Inc. Employee Savings Plan Notes to Financial Statements As of and for the year ended December 31, 2003

Contributions

Participant and Employer contributions are recorded in the period in which the payroll deductions are made from Plan Participants. Any discretionary matching contributions are recorded by the Plan in the year in which the discretionary match is declared. (See Note 9, Subsequent Events.)

Payment of Benefits

Benefit payments comprise termination or hardship distributions, in-service distributions and retirement benefit payments. Benefits are recorded when paid.

Fees and Expenses

All administrative fees and expenses are paid by the Company except for investment, management and fund level operating expenses, which are paid by the Plan.

3. RISK AND UNCERTAINTIES

The Plan provides for various investment options, including the option to invest in any combination of equity securities, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risks in the near term would materially affect Participants' account balances and the amounts reported in the Statement of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

During 2004, certain operational defects in plan administration were noted by the Company. The Plan has since been amended to correct the operational defects and the Company is in the process of resolving the matter within the guidelines of the IRC's voluntary correction procedures. It is

Edgar Filing: XL CAPITAL LTD - Form 11-K

anticipated that retroactive adjustments will be made to certain participant accounts and that such adjustments will not be significant.

4. INVESTMENTS

The following investments represent 5 percent or more of the fair value of the Plan's net assets as of December 31:

	\$14,667,142
	=====

5. RELATED-PARTY TRANSACTIONS

Certain Plan investments are collective trusts managed by INVESCO Funds Group, Inc., a subsidiary of AMVESCAP. AMVESCAP is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Company for the investment management services related to the Invesco Collective Trusts amounted to \$5,865 for the year ended December 31, 2003. XL Capital Ltd Class A Ordinary Shares are considered a party-in-interest.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants would become 100% vested in their Employer contributions.

Edgar Filing: XL CAPITAL LTD - Form 11-K

7. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated August 30, 2001, that the prototype plan document used by the Plan and related trust are designed in accordance with applicable sections of the IRC and therefore is exempt from taxation. The Plan has been amended since receiving this determination letter. However, Company management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is tax exempt.
