Edgar Filing: TIVO INC - Form SC 13D

NBC and the Company entered into a Note and Warrant Purchase Agreement whereby NBC acquired the (1) \$10,000,000 aggregate principal amount Note convertible into shares of Common Stock, (2) 490,196 Five-Year Warrants to purchase one share of Common Stock and (3) 742,721 Units, each consisting of (a) 742,721 One-Year Warrants to purchase one share of Common Stock and 245,098 Five-Year Terminable Warrants to purchase .33 of a share of Common Stock. This description is not complete and is subject to the terms of the Note and Warrant Purchase Agreement which is attached as an exhibit hereto.

The Notes are convertible at any time prior to maturity (August 15, 2006) into Common Stock, initially at a conversion price of \$6.73 per share, subject to certain conversion price adjustments. The Company may redeem some or all of the Notes, at any time before maturity, at a redemption price, in cash, of \$1,000 per \$1,000 principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. The holder of the Notes may require the Company to repurchase the Notes, in cash at 110% of the principal amount of the Notes plus accrued and unpaid interest, upon certain changes of control and the delisting of the Common Stock.

Each Five Year Warrant represents the right to purchase one share of Common Stock and is exercisable at any time on or before August 28, 2006. The exercise price of the Five Year Warrants is \$7.85 per share of Common Stock, subject to certain antidilution adjustments.

Each Unit consists of one One Year Warrant to purchase one share of Common Stock and one Five Year Terminable Warrant to purchase .33 of a share of Common Stock. The One Year Warrant and the Five Year Terminable Warrant that comprise each Unit are not separately transferable, except that upon the exercise of the One Year Warrant, the corresponding Five Year Terminable Warrant may thereafter be separately transferred.

Each One Year Warrant represents the right to purchase one share of Common Stock and is exercisable at any time on or before August 28, 2002, subject to early termination as described below. The exercise price of the One Year Warrants is \$6.73 per share of Common Stock, subject to certain antidilution adjustments. The One Year Warrants are terminable by the Company at any time if the closing price per share of the Common Stock exceeds 150% of the then effective exercise price for any 20 out of 30 consecutive trading days (referred to as the "Determination Period") and the shelf registration statement is effective and available for use at all times during the period beginning 60 days prior to the date on which the Company mails notice of the termination of the One Year Warrant and ending on the 60th day after the mailing date of the notice of termination, and is expected to remain effective and available for use for at least 30 days following the 60th day. If the Company elects to terminate the One Year Warrant, it may do so only if, within 30 days after the end of the Determination Period, it provides notice of termination to the holders. The One Year Warrants will expire 60 days after the mailing date of the notice of termination.

Each Five Year Terminable Warrant represents the right to purchase .33 of a share of Common Stock. The Five Year Terminable Warrants are exercisable at any time on or after the separation date for such warrant and on or before August 28, 2006, subject to early termination as described below. The exercise price of the Five Year Terminable Warrants is \$7.85 per share of Common Stock, subject to certain antidilution adjustments. In the event that the One Year Warrant included in such Unit terminates or expires without having been exercised, the corresponding Five Year Terminable Warrant will also terminate. The termination of the Five Year Terminable

Edgar Filing: TIVO INC - Form SC 13D

Warrant will be effective as of the date of the termination or expiration of the One Year Warrant.

The Registration Rights Agreement provides that the Company will file a shelf registration statement for the resale of the Notes, the Common Stock issuable upon conversion of the Notes, the Warrants and the Common Stock issuable upon exercise of the Warrants and maintain the effectiveness of such shelf registration statement until the earlier of the sale of all of the registrable securities under the registration statement and August 28, 2003.

The Letter Agreement provides that during the first 45 days after any conversion of Notes or exercise of Warrants by NBC, NBC shall not sell or transfer the Common Stock issued upon conversion of such Notes or upon the exercise of such Warrants.

The above description of the Preferred Shares and the Securities is not complete and is subject to the terms of the applicable agreements and documents attached hereto as exhibits and incorporated herein by reference.

Although the foregoing represents the range of activities currently contemplated by the Reporting Persons with respect to the Company, it should be noted that the possible activities of the Reporting Persons are subject to change at any time.

Except as set forth above, none of the Reporting Persons has any present plans or proposals which relate to or would result in any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) The responses of the Reporting Persons to Rows (11) through (13) of the cover pages of this statement on Schedule 13D are incorporated herein by reference. As of February 6, 2002, NBC beneficially owned in the aggregate 3,976,971 shares of the Common Stock of the Company (assuming the conversion of all of its Notes and the exercise of its Warrants), representing approximately 8.3% of the outstanding shares of the Company (based on the number of shares outstanding as of December 10, 2001 as reported in the Company's Quarterly Report on Form 10Q for the quarterly period ended October 31, 2001), after giving effect to the issuance of Common Stock by the Company to NBC pursuant to the Note and Warrant Purchase Agreement and assuming NBC's conversion of all of its Notes and Warrants.

Except as disclosed in this Item 5(a), none of the Reporting Persons, nor, to the best of their knowledge, any of their directors, or executive officers, beneficially owns any shares of Common Stock of the Company.

(b) The responses of the Reporting Persons to (i) Rows (7) through (10) of the cover pages of this statement on Schedule 13D and (ii) Item 5(a) hereof are incorporated herein by reference. As further described in Item 6, NBC has entered into an arrangement with respect to the disposition of the Common Stock acquired pursuant to the Note and Warrant Purchase Agreement.

Edgar Filing: TIVO INC - Form SC 13D

of the Company which they may be deemed to beneficially own.

(c) Except as disclosed in Item 3 hereof, none of the Reporting Persons, nor, to the best of their knowledge, any of their directors or executive officers, has effected any transaction in the Common Stock of the Company during the past 60 days.

(d) Not applicable.

(e) Not applicable.

Neither the filing of this Schedule 13D or any amendment thereto, nor anything contained herein is intended as, or should be construed as, an admission that GE or NBC Holding is the "beneficial owner" of any shares of Common Stock.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The response to Items 3, 4 and 5 hereof is incorporated herein by reference. Except as set forth in this Schedule 13D, to the best knowledge of the Reporting Persons, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities of the Issuer, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency the occurrence of which would give another person voting power or investment power over the securities of the Company.

A joint filing agreement among the Reporting Persons with respect to the filing of this Schedule 13D and any amendments thereto is attached hereto as Exhibit 1.
