CRYPTOLOGIC ANNOUNCES CONTRACT WITH THE LARGEST INDEPENDENT  
ONLINE SPORTS CONTENT PROVIDER IN THE UNITED KINGDOM

ukbetting plc chooses CryptoLogic's proven technology to offer online poker and casino to millions of international sport enthusiasts

April 2, 2003 (Toronto, ON) - CryptoLogic Inc., a leading software developer to the Internet gaming and e-commerce industries, announced today that the company is extending its global reach with a leading European customer: ukbetting plc, a licensed and regulated online sports book and the largest independent Internet sports content provider in the United Kingdom.

Through an exclusive license agreement with CryptoLogic's wholly-owned subsidiary, WagerLogic Inc., ukbetting will expand its interactive wagering services by using WagerLogic's Internet poker and casino solutions, targeting ukbetting's monthly user base of 3.5 million European sports fans.

"ukbetting is a great opportunity that continues CryptoLogic's positive momentum in the key growth areas of its business," said Lewis Rose, CryptoLogic's President and CEO. "Poker continues to be the big growth market on the Internet, and we are aggressively seizing this opportunity. ukbetting marks the second brand name poker customer announced in recent weeks, and confirms the increasing market appeal of our exciting online poker technology. By also leveraging our proven casino solution, ukbetting's sizeable international user community will add favourably to our global reach."

A U.K. publicly listed company, ukbetting plc operates two major U.K. sports content brands on the Internet, namely Sportinglife.com and Teamtalk.com, that reaches 3.5 million unique users each month. Its two sports betting sites, namely ukbetting.com and totalbet.com, have 145,000 registered betting customers. By adding casino and poker gaming to its online sports book offering, ukbetting is expanding its interactive betting services to its fast-growing international customer base. ukbetting is also attracting wagering customers through its comprehensive branded sports content web sites.

"CryptoLogic has a proven track record of delivering technology that is innovative and results-oriented," said Eric Semel, Chief Executive Officer, ukbetting plc. "They are the obvious choice to bring online casino and poker play to our large user base that will drive cross marketing opportunities and increase revenue from our sports content and betting business. I found their multi-player games enjoyable and realistic, and we are excited to offer their comprehensive, multi-currency gaming suite that gives players an easy, safe and fun online betting experience."
