QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

WHEN AND WHERE IS THE ANNUAL MEETING?

The annual meeting will be held on December 10, 2004, beginning at 10:00 a.m., local time, in the Concorde Room, 3rd floor, at the Dylan Hotel, 52 East 41st Street, New York, New York 10017.

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the annual meeting, we will ask you to consider and approve the matters set forth in the accompanying notice of meeting and described in this proxy statement, including the election of directors and ratification of our independent public accountants.

WHY DID I RECEIVE THIS PROXY STATEMENT?

We sent you this proxy statement and the enclosed proxy card or voting instruction card because our board of directors is soliciting your proxy to vote at the annual meeting of stockholders.

This proxy statement summarizes the information you need to know to vote on an informed basis at the annual meeting; however, you do not need to attend the annual meeting to vote your shares (see "How Do I Vote?"). We began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card on or about November 12, 2004, to all stockholders entitled to vote.

HOW MANY SHARES OF VOTING STOCK ARE OUTSTANDING?

On October 29, 2004, the record date, there were 6,089,809 shares of our voting common stock outstanding. In addition to this voting common stock, there were 8,990,212 shares of our non-voting common stock and 1,199,007 shares of preferred stock outstanding, all of which are owned by Apollo Investment Fund IV, L.P.; Apollo Overseas Partners IV, L.P.; and AIF IV/RRRR LLC (collectively, the "Apollo Stockholders").

WHO IS ENTITLED TO VOTE?

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

If our records show that you are a holder of our common stock or our preferred stock as of the close of business on October 29, 2004, you are entitled to receive notice of the annual meeting and to vote such shares of common stock or preferred stock that you held on the record date. The voting common stockholders and the preferred stockholders will vote together as a single class on the ratification of KPMG as our accountants for 2004 and the election of three director nominees. Only the preferred stockholders are entitled to vote on the election of the other two director nominees. The holders of our non-voting common stock are not entitled to vote such shares on any matters at the annual meeting.

HOW MANY VOTES IS THE COMMON STOCK ENTITLED TO?

Each share of outstanding voting common stock owned as of the record date entitles the holder to one vote for each matter to be voted upon. Accordingly, the holders of common stock are entitled to an aggregate of 6,089,809 votes.

2

HOW MANY VOTES IS THE PREFERRED STOCK ENTITLED TO?

When voting with the holders of common stock, the holders of preferred stock are entitled to an aggregate of 975,000 votes, or 0.813 votes per share of preferred stock.

HOW MANY VOTES ARE THE HOLDERS OF PREFERRED STOCK ENTITLED TO, BASED ON THEIR AGGREGATE HOLDINGS?

In addition to being entitled to 975,000 votes with respect to the preferred stock, the Apollo Stockholders and an affiliate of theirs that acquired shares of common stock of the company as a result of a tender offer in 2002, also own 1,745,375 shares of our voting common stock and 8,990,212 shares of our non-voting common stock. Although the Apollo Stockholders and the affiliate beneficially own 71.2% of our common stock and 38.6% of our outstanding voting power, they have agreed to cause their affiliate to vote 474,427 common shares pro-rata with all other votes cast by the holders of voting common stock.

CAN I ATTEND THE ANNUAL MEETING?

If you owned common stock or preferred stock on the record date, you can attend the annual meeting. You should be prepared to present photo identification for admittance. In addition, if your shares are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you are the beneficial owner of the shares on the record date.

WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A STOCKHOLDER OF RECORD AND HOLDING SHARES AS A BENEFICIAL OWNER?

Most of our stockholders hold their shares through a broker or other nominee, rather than directly in their own name. The following are some distinctions between shares held of record and those owned beneficially.

- o Stockholder of Record: If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Co., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the transfer agent. As a stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

annual meeting. The transfer agent has enclosed or sent a proxy card for you to use.

- o Beneficial Owner: If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of the shares held in "street name," and these proxy materials are being forwarded to you by your broker or nominee, together with a voting instruction card. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares and are also invited to attend the annual meeting.

IF I PLAN TO ATTEND THE ANNUAL MEETING, SHOULD I STILL VOTE BY PROXY?

Whether you plan to attend the annual meeting or not, we urge you to vote by returning the enclosed proxy card or voting instruction card. Returning the proxy card or voting instruction card will not affect your right to attend the annual meeting and vote.

HOW DO I VOTE?

- o If you are a stockholder of record, you may instruct the proxy holders named in the enclosed proxy card how to vote your shares of common stock or shares of preferred stock by signing, dating and mailing the proxy card in the postage-paid envelope that has been provided to you. If you are a stockholder of record and attend the annual meeting, you may deliver your completed proxy card in person.
- o If you are a beneficial owner, you will receive a voting instruction card from your nominee which you must properly execute in order to have your shares voted by proxy by the nominee. Beneficial owner stockholders who wish to vote at the meeting will need to obtain a proxy form from the broker, bank or other nominee that holds their shares of record.

3

CAN I CHANGE MY VOTE OR REVOKE MY PROXY?

Any stockholder who executes and returns a proxy may revoke such proxy or change his or her vote at any time before it is voted at the annual meeting by:

- (1) filing with the Secretary of the Company, at 19 West 44th Street, Suite 507, New York, New York 10036, written notice of revocation bearing a later date than the proxy; or
- (2) filing a duly executed proxy bearing a later date; or (3) appearing in person and voting by ballot at the annual meeting.

Any stockholder of record as of the record date attending the annual meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the annual meeting will not constitute revocation of a previously given proxy. If you are a beneficial owner who has properly executed and returned a voting instruction card to your broker or nominee, you may change your vote by submitting new voting instructions to your broker or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the annual meeting and voting in person.

WHAT DOES IT MEAN IF I GET MORE THAN ONE PROXY CARD?

If your shares are registered differently and are in more than one account, you will receive more than one proxy card or voting instruction card, each of which will indicate the number of shares you are entitled to vote on

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

that particular card. Sign and return all proxy cards or voting instruction cards to ensure that all your shares are voted.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND I VOTE ON THE PROPOSALS?

The board of directors recommends that you vote in favor of the election of the director nominees and in favor of the ratification of the appointment of the independent auditors.

WHAT CONSTITUTES A QUORUM AND WHY IS IT NECESSARY?

In order to carry on the business of the annual meeting, we must have a quorum. The holders of a majority of the total number of votes of our capital stock, present in person or represented by proxy, will constitute a quorum for the transaction of business at the annual meeting. Abstentions and broker non-votes, if any, will count for quorum purposes. If you submit a properly executed proxy card or voting instruction card, even if you abstain from voting, you will be considered part of the quorum.

WHAT IS A BROKER NON-VOTE?

A broker non-vote occurs with respect to any proposal when a broker holds your shares in its name and is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction is given.

WHAT VOTE IS REQUIRED FOR APPROVAL OF THE PROPOSALS?

Our directors will be elected by a plurality of the votes cast at the annual meeting. In the election of directors, votes to withhold authority, abstentions from voting and broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote.

Ratification of the appointment of the independent auditors requires the affirmative vote of the holders of a majority of the total number of votes of our capital stock, present in person or represented by proxy. With respect to the ratification of the appointment of auditors, abstentions from voting will have the same effect as voting against such matter and broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote.

4

As of October 29, 2004, our directors, executive officers and affiliates had the right to vote 1,762,175 shares of our common stock and all of the shares of our preferred stock (with 975,000 votes). The Apollo Stockholders have indicated that they will vote, or cause to be voted, 2,245,948 votes that they control, 31.8% of the votes entitled to be cast at the meeting, in favor of the election of the director nominees and in favor of the ratification of the appointment of the independent auditors. As the Apollo Stockholders control over 29.9% of the vote at the annual meeting, in accordance with an investment agreement signed in April 2002, the Apollo Stockholders will cause an affiliate to vote 474,427 shares of common stock pro-rata with all other votes cast by holders of voting common stock.

WILL OTHER MATTERS BE VOTED ON AT THE ANNUAL MEETING?

We are not aware of any other matters to be presented at the annual meeting other than those described in this proxy statement. If any other matters not described in the proxy statement are properly presented at the meeting, proxies will be voted in accordance with the best judgment of the proxy holders.

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

WHAT ARE THE COSTS OF SOLICITING THESE PROXIES AND WHO PAYS THEM?

All expenses of soliciting proxies, including clerical work, printing and postage, will be paid by us. Our directors, officers and other employees may solicit proxies in person, by mail, by telephone, by facsimile, through the Internet or by other means of communication, but such persons will not be specifically compensated for such services. We will reimburse American Stock Transfer & Trust Company for forwarding proxy materials to stockholders of record and serving as inspectors of election and will pay the expenses associated with forwarding proxy materials to beneficial owners by a third party agent and various banks and brokers.

5

PROPOSAL 1 ELECTION OF DIRECTORS

INFORMATION WITH RESPECT TO DIRECTOR NOMINEES

Listed below are the nominees for director, with information showing the principal occupation, business experience and current public directorships, if any, of each, the age of each as of the date of this proxy statement and the year each was first elected a director of the Company.

Unless authority is withheld, proxies in the accompanying form will be voted in favor of electing the individuals identified in the table below as directors of the Company. If the proxy is executed in such a manner as to withhold authority to vote for one or more nominees for director, such instructions will be followed by the persons named as proxies.

All nominees for director to be elected at the annual meeting are currently members of the board of directors. The Company has no reason to believe that any of the nominees will be unable to serve. In the event that any nominee should not be available, the persons named in the proxy will vote for the others and may vote for a substitute for such nominee.

In accordance with the Amended and Restated Securities Purchase Agreement, dated June 4, 1999, by and among the Company and Apollo Investment Fund IV, L.P., Apollo Overseas Partners IV, L.P. and AIF IV/RRRR LLC (the "Securities Purchase Agreement"), our preferred stockholders are entitled to elect two of our directors. Michael Gross and Andrew Africk currently are elected by the preferred stockholders. Marc Rowan is affiliated with our preferred stockholders but is elected by the common stockholders, voting together with preferred stockholders on an as converted basis. Because the Company's common stock was delisted from the NASDAQ National Market in December 2002, an "Event of Non-Compliance," as defined in our Amended and Restated Certificate of Incorporation, has occurred. Accordingly, the Company's preferred stockholders have the right to vote separately as a class to elect a majority of our directors. In light of the current composition of our Board, which includes a majority of directors affiliated with our preferred stockholders, the preferred stockholders have waived their right solely for the purposes of this meeting to vote separately as a class on Mr. Rowan's reelection to the Board.

Each of the directors will serve a one year term.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR"
THE DIRECTOR NOMINEES.

BOARD MEETINGS AND COMMITTEES

The Board of Directors held four meetings during the year ended December 31, 2003. Messrs. Africk, Killeen, and Stasior attended all of the meetings of the Board of Directors and meetings of committees on which he serves. Mr. Rowan was unable to attend three of the meetings of the Board of Directors. Mr. Gross was unable to attend two of the meetings. We do not require members of our Board of Directors to attend our annual stockholders meeting. None of our Directors attended our 2003 Annual Meeting of Stockholders.

The Board of Directors has an Audit Committee and a Compensation Committee which meet as the need arises. In light of, among other things, the size of the Board of Directors, the Company does not have a nominating committee, and all nominations are considered by the entire Board. The Audit Committee reviews and makes recommendations with respect to the Company's internal controls and financial reports and in connection with such reviews and recommendations, communicates with and receives information independently from appropriate Company personnel regarding the Company's financial condition. The Audit Committee also reviews the scope and results of the annual audit with the Company's auditors and other activities the auditors perform with the Company. The Audit Committee met four times during the year ended December 31, 2003. The Audit Committee met on March 18, 2004, with the Company's auditors to discuss the results of the 2003 audit. The Audit Committee is currently composed of two outside directors, Mr. Killeen and Mr. Stasior, both of whom are independent under Rule 4200(a)(14) of the National Association of Securities Dealers' ("NASD") listing standards, and Mr. Africk, who continues to serve on the Audit Committee as the Board of Directors determined that exceptional and limited circumstances exist pursuant to Rule 4350(d)(2)(B) of the NASD listing standards.

7

The Compensation Committee met twice formally meet during the year ended December 31, 2003. The Compensation Committee periodically reviews and evaluates the compensation of the Company's officers and administers grants of options from the Company's 1998 Long-Term Incentive Plan (the "1998 Plan") and the Amended and Restated Equity Plan for Directors. The Compensation Committee is currently composed of Mr. Killeen and Mr. Africk.

COMMUNICATIONS FROM STOCKHOLDERS AND OTHER INTERESTED PARTIES

The Board of Directors will give appropriate attention to written communications submitted by stockholders and other interested parties, and will respond if and as appropriate. Absent unusual circumstances the Audit Committee will, with the assistance of the Company's General Counsel, (1) be primarily responsible for monitoring communications from stockholders and (2) provide copies or summaries of such communications to the other directors as he or she considers appropriate. Communications will be forwarded to all directors if

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

they relate to substantive matters and include suggestions or comments that any member of the Audit Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters covered by repetitive or duplicative communications.

Stockholders and other interested parties who wish to send communications on any topic to the Board of Directors should address such communications to Audit Committee, c/o General Counsel, SkyTerra Communications, Inc., 19 West 44th Street, Suite 507, New York, New York 10036.

COMPENSATION OF DIRECTORS

Each non-employee director receives a per meeting fee of \$1,000 for each meeting of the Board of Directors and \$500 for each committee meeting attended, along with expenses incurred in connection with each meeting attended.

The Compensation Committee has authority under the Company's 1998 Plan to make stock option awards to non-employee directors of the Company. Historically, the Compensation Committee has awarded non-employee directors a stock option for 7,500 shares, vesting ratably over three years in lieu of an automatic grant of an option to purchase 2,500 shares of common stock as of the effective date of the non-employee director's initial election to the Board of Directors, vesting in one year, and thereafter, at the close of business on the date of final adjournment of each annual meeting of stockholders as provided in the 1998 Plan. In general, the exercise price per share of common stock purchasable upon exercise of a non-employee director's options will be equal to 100% of the fair market value of a share of common stock on the date of grant of the option.

Upon becoming a director of the Company in 1998, Mr. Killeen was granted an option to purchase 7,500 shares of common stock on October 28, 1998 under the Amended and Restated Equity Plan for Directors, exercisable at \$19.375 per share, the fair market value of the common stock on the date of grant. Subsequently, on December 21, 2001, the exercise price of this option was repriced at \$6.00, the fair market value of the common stock on that date. The option vested ratably over three years and has expired as of the date hereof. On October 15, 2002, Mr. Killeen was granted an option to purchase 35,000 shares of common stock under the 1998 Plan, exercisable at \$0.85 per share, the fair market value on the date of grant. This option vests ratably over three years beginning on the anniversary of Mr. Killeen's service with the Company to the extent that Mr. Killeen was fully vested in the previously granted option.

Upon becoming directors of the Company on June 4, 1999, each of Mr. Africk and Mr. Rowan was granted an option to purchase 7,500 shares of common stock under the 1998 Plan, exercisable at \$70.00 per share, both of which vested ratably over three years and have fully vested as of the date hereof. Upon becoming a director of the Company as of August 19, 1999, Mr. Gross was granted an option to purchase 7,500 shares of common stock under the 1998 Plan, exercisable at \$70.00 per share, which vested ratably over three years and has fully vested as of the date hereof. On December 21, 2001, the exercise prices of the options granted to Messrs. Africk, Rowan, and Gross were repriced at \$6.00, the fair market value of the common stock on that date. On October 15, 2002, each of Messrs. Africk, Rowan, and Gross was granted an option to purchase 35,000 shares of common under the 1998 Plan, exercisable at \$0.85 per share, the fair market value on the date of grant. Each of these options vests ratably over three years beginning on the anniversary of each director's service with the Company to the extent that the director was fully vested in previously granted options.

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

Upon becoming a director of the Company in April, 2000, Mr. Stasior was granted an option to purchase 7,500 shares of common stock on April 26, 2000 under the 1998 Plan exercisable at \$210.625 per share, the fair market value of the common stock on the date of grant. This option vested ratably over three years and has fully vested as of the date hereof. During the year 2000, Mr. Stasior served as a consultant to the Company's Internet professional services subsidiary, Rare Medium, Inc., and pursuant to a consulting agreement Mr. Stasior received compensation of \$10,000 per month for his consulting services. This consulting agreement was terminated in the spring of 2001. In addition, as compensation for his consulting services Mr. Stasior received an option to purchase an additional 7,500 shares of common stock on April 26, 2000 under the 1998 Plan exercisable at \$210.625 per share, the fair market value of the common stock on the date of grant. This option was to vest ratably over three years; however, upon the termination of Mr. Stasior's consulting agreement with Rare Medium, Inc. as of July 2, 2001, the unvested portion of the option, covering 5,000 shares, related to the remaining term of this agreement were cancelled. The remaining portion of the option, covering 2,500 shares, has vested as of the date hereof. On December 21, 2001, the exercise prices of these options were repriced at \$6.00, the fair market value of the common stock on that date. On October 15, 2002, Mr. Stasior was granted an option to purchase 35,000 shares of common under the 1998 Plan, exercisable at \$0.85 per share, the fair market value on the date of grant. This option vests ratably over three years beginning on the anniversary of Mr. Stasior's service with the Company to the extent that Mr. Stasior was fully vested in the previously granted option.

It is anticipated that future grants of stock options to directors will principally be made under the Company's 1998 Plan.

EMPLOYMENT CONTRACTS AND CHANGE IN CONTROL ARRANGEMENTS

Expired Meyers Employment Agreement

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

In connection with the transactions consummated pursuant to the 1998 acquisition by the Company of Rare Medium, Inc., the Company entered into an Employment Agreement effective April 15, 1998 with Mr. Meyers, as amended (the "Meyers Employment Agreement"). Pursuant to the Meyers Employment Agreement, Mr. Meyers was engaged as Chairman, President and Chief Executive Officer of the Company to serve for a term of five years, expiring April 15, 2003. Pursuant to the Meyers Employment Agreement, during its last year, Mr. Meyer received an annual base salary of \$292,465, with a minimum annual increase during the term of not less than 4% per annum. The Meyers Employment Agreement also contains a covenant not to compete with the Company or any of its affiliates for the term of the agreement, plus one additional year. Concurrently with the execution of the Meyers Employment Agreement, Mr. Meyers was granted options to acquire an aggregate of 200,000 shares of common stock at exercise prices equal to \$23.75 per share (the fair market value at the time of issuance), which options become exercisable ratably on a monthly basis over a period of 60 months from the date of grant and expire ten years from the date of grant. On October 15, 2002, in recognition of Mr. Meyers' contribution to the Company, among other things, the Compensation Committee approved the repricing of the exercise prices of Mr. Meyers' outstanding options to purchase an aggregate of 140,000 shares of common stock to \$0.85 per share, the fair market value at the date of the repricing. Additionally, on that date, Mr. Meyers received an additional option to purchase 155,000 shares of common stock at \$0.85 per share. On April 15, 2003, the Meyers Employment Agreement expired, and Mr. Meyers ceased to be employed by the Company and resigned from the Board of Directors.

Leddy Employment Agreement

The Company is a party to an amended and restated employment agreement with Mr. Leddy. The term of the agreement is from January 1, 2004 to December 31, 2005 and calls for a base salary of \$300,000 per year. Annual increases are at the sole discretion of the Compensation Committee of the Board of Directors. In addition, Mr. Leddy is eligible, based upon the achievement of certain subjective goals established by the Compensation Committee, to receive a bonus of up to 75% of his base salary following the end of each calendar year during the term of the agreement. Under this agreement, if Mr. Leddy is terminated for other than "cause" as such term is defined in the agreement, then Mr. Leddy is entitled to receive compensation in a lump sum payment consisting of one year of his then current salary and the right to exercise all vested stock options and unvested stock options through the option expiration date for such options.

Other Executive Employment Agreements

The Company has or had employment agreements with each of Mr. Chesser, Mr. Hultberg, and Mr. Lewis, each of who is or was an executive officer. Under these agreements, if, either (i) after 90 days following a change in control, the executive terminates his employment or (ii) the executive is terminated for other than "cause" as such term is defined in his respective agreement, then the executive is entitled to receive severance compensation and benefits in a lump sum payment consisting of one year of his then current salary and the right to exercise all vested stock options and unvested stock options through the option expiration date for such options. For purposes of these agreements, a change in control occurs when, among other things, our stockholders approve a merger.

As part of the Company's efforts to reduce costs, the Company reached agreements with each of Mr. Hultberg and Mr. Chesser pursuant to which his employment ceased as of April 15, 2003. At that time, Mr. Hultberg was paid severance and benefits in accordance with his employment agreement. In September 2003, Mr. Chesser was paid severance and benefits in accordance with his employment agreement, concurrent with the resolution of an outstanding

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

matter between Mr. Chesser and the Company.

The Company is a party to an employment agreement with Mr. Kammer. Under the agreement, if Mr. Kammer is terminated for other than "cause" as such term is defined in the agreement, then Mr. Kammer is entitled to receive compensation in a lump sum payment consisting of six months of his then current salary.

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

objectives, and (2) to directly link compensation to improvements in Company performance and increases in stockholder value as measured principally by the trading price of the common stock.

The 2003 compensation levels for the Company's executive officers generally were determined on an individual basis, including consideration of employment agreements entered into between the Company and such individuals.

Members of the Compensation Committee approve the material terms of any employment agreement, and any amendments thereto, entered into between the Company and an executive officer, as well as any stock option grants to an executive officer. In determining compensation levels for 2003, the Compensation Committee primarily relied upon factors relating to responsibilities of the executive officer and both his current and expected future contributions to the Company. The Compensation Committee did not determine it necessary to, and did not attempt to, specifically analyze compensation levels at companies included in the indexes under the caption, "Performance Graph."

ELEMENTS OF EXECUTIVE OFFICER COMPENSATION

The Company's executive compensation consists primarily of salary, bonus and awards of stock options. The Company emphasizes the award of stock options and makes use of cash incentive bonuses to reward performance and retain its executive officers. The Compensation Committee believes that in the highly competitive, emerging markets in which the Company has historically operated, equity-based compensation provides the greatest incentive for outstanding executive performance and the greatest alignment of management and stockholder long-term interests.

17

Officer Salaries. The Compensation Committee reviews each executive officer's salary annually. Except to the extent that salary increases are prescribed by written employment agreements, in determining the appropriate salary levels, the Compensation Committee considers, among other factors, the officer's scope of responsibility, prior experience and past accomplishments.

Stock Option Grants. As noted above, the Company has relied substantially on long-term equity compensation as the principal means of providing long-term incentives for its executive officers and key employees. The Company's practice has been to set option exercise prices at not less than 100% of fair market value on the date of grant. Options are generally granted for a term of five to ten years. Options granted to executive officers and key employees become exercisable over time and are typically dependent on continuing employment with the Company or one of its subsidiaries, thus providing incentive to remain in the Company's employ.

In determining the size of the stock option grants, the Compensation Committee considers various subjective factors primarily relating to the responsibilities of the individual officers and key employees, and also their current and expected future contributions to the Company, as well as the number of shares owned by the officer or key employee or which remain unvested under outstanding options. In addition, the Compensation Committee examines the level of equity incentives held by each officer and key employee relative to the other officers' and key employees' equity positions and their tenure, responsibilities, experience and value to the Company.

POLICY OF DEDUCTIBILITY OF COMPENSATION

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form DEF 14A

Section 162(m) of the U.S. Internal Revenue Code limits the tax deductibility of a corporation of compensation in excess of \$1,000,000 paid to any of its five most highly compensated executive officers. However, compensation that qualifies as "performance-based" is excluded from the \$1,000,000 limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by shareholders.

Total cash compensation paid for salaries and bonuses during 2003 did not exceed the \$1,000,000 limit for any individual executive. In addition, the Compensation Committee does not anticipate that total cash compensation paid for salaries and bonuses during 2004 will exceed the \$1,000,000 limit for any individual executive. Stock option grants to date do not meet the requirement that such grants be "performance based" and are, therefore, not exempt from the limitations on deductibility. The Compensation Committee will continue to monitor the compensation levels potentially payable under the Company's cash and stock option compensation programs, but intends to retain the flexibility necessary to provide total cash and stock option compensation in line with competitive practice, the Company's compensation philosophy and the Company's best interests.

In conclusion, the Compensation Committees believes that the policies and programs described in this report are competitive and effectively align executive compensation with the Company's goal of maximizing the return to stockholders.
