AMENDMENT TO THE ARTICLES OF INCORPORATION
TO CHANGE THE NAME OF THE COMPANY

The Board of Directors has unanimously adopted and the Consenting Shareholders have approved an amendment to the Articles of Incorporation, as amended, of ART (the "Name Amendment") to change the name of the Company from "Advanced Refrigeration Technologies, Inc." to "Joystar, Inc." The text of the Name Amendment is attached as Exhibit A and is incorporated herein by reference.

Reasons for the Name Change

In the judgment of the Board of Directors, the change of ART's corporate name is desirable in view of the acquisition by ART pursuant to the Agreement and Plan of Reorganization dated as of June 10, 2003 (the "Agreement") by and between ART and Joystar, Inc. ("Joystar"). Pursuant to the Agreement, as of June 11, 2003, the Company acquired from the shareholders of Joystar all of the shares of Joystar (the "Acquisition") and Joystar became a wholly owned subsidiary of the Company. Joystar is a provider of online travel services. Following the Acquisition, the Company discontinued its operations relating to refrigeration fan controllers business and concentrated on the business conducted by Joystar. Accordingly, the directors of the Company believe that the Name Amendment will result in the Company having a name which more accurately reflects its business and the focus of its operations.

Description of the Acquisition of Joystar

1. Summary Term Sheet as of June 11, 2003 (the Closing of the Acquisition):

- exchange of all of the outstanding shares of Joystar for 13,880,599 newly issued shares of ART to Joystar shareholders;
- total outstanding shares of Joystar: 13,880,599 shares of common stock;
- total outstanding shares of ART: 3,322,840 shares of common stock;
- outstanding shares of ART after the Acquisition: 17,203,439 shares of common stock;
- appointment of William A. Alverson to the Board of Directors of the Company and as the President, CEO and CFO of the Company; resignation of the then current officers and directors;
- payment of debts of ART by Joystar in the amount of \$60,000;
- assumption of additional liabilities of ART by Joystar in the approximate amount of \$50,000;
- concurrent with the Closing of the Acquisition, the sale of certain assets of ART valued at approximately \$98,000 to Advanced Refrigeration Controls, Inc., a California corporation controlled by Allen and Clare Schrum in consideration for assumption of certain liabilities of ART in the approximate amount of \$118,000.

2. Contact Information

The contact information for the Company is William A. Alverson, President. The Company's address is 5 Whitney, Irvine, California 92618. The Company's previous address was at 9309 Narnia Drive, Riverside, California 92503.

3. Business Conducted.

ART was in the business of designing, manufacturing and marketing an energy

Edgar Filing: ADVANCED REFRIGERATION TECHNOLOGIES INC - Form PRER14C

efficiency evaporator fan motor controller for walk-in refrigerators and freezers that can save the customers in refrigeration energy costs. The Company has not been able to successfully sell enough units to be profitable and has sustained losses every year since inception. The Company has not been successful in obtaining necessary funding to continue the business. Since August, 2002, the Company has been actively engaged in finding a potential investor to acquire the Company and bring in a new business.

Joystar is a provider of online and offline travel services for the leisure and small business traveler. Joystar offers reliable, real time access to research and reservation services for over 400 airlines, 50,000 lodging properties, all major cruise lines, tour operators, and car rental companies. By accessing Joystar's website, both Joystar's agents and customers enter a one stop shopping environment for their travel purchases 24 hours a day, 7 days a week.

The Company also develops and markets its Independent Travel Agent Program- a business opportunity targeted to two main groups: (1) affluent leisure travelers and small business owners who are looking to save money on their travel; and (2) the growing population of people who wish to supplement their primary income working part-time as well as full-time home-based entrepreneurs.

Joystar's travel agent program, is designed for individuals from all walks of life who desire to earn a part-time or full-time income from the comfort of their home or office. The simplicity of the program allows people to receive commissions on their travel as well as travel purchases made by people they refer to the agency. The travel agent program centers more on loyalty marketing than any special skills required by the independent agent as the actual bookings, payment processing, and fulfillment are handled by Joystar or the travel supplier (airline, hotel, cruise line, etc.).

The benefits of being an independent travel agent include access to "agent only" specials and deeply discounted travel offered by travel suppliers, cash incentives and the possibility of upgrades when the agent is traveling. Booking tools, exclusive specials, on-line training and educational opportunities, important news and comprehensive information for initiating and increasing sales are all available to Joystar travel agents. Essential to this is building meaningful preferred supplier relationships to the ultimate benefit of the traveler. With the buying power of tens of thousands of travel agents, Joystar can strive to provide exceptional value to its consumers and agents alike.

Joystar blends the best of the online model (instant access to vast amounts of information) with personal service from experience travel agents. Joystar provides its "outside" travel agents and their customers reliable, real-time access to one of the largest databases of "published" travel products, including over 400 airlines, 65,000 lodging properties, and all major car rental companies. In addition, Joystar provides access to "unpublished" fares. These products, in particular, offer our agents dramatically enhanced commissions while still providing significantly lower costs to their retail customers. Joystar's most basic assumption is that Joystar has two key customers: the consumer and the independent travel agent. Joystar's success depends on the loyalty and growth of both groups.

The Company maintains its corporate offices in Irvine, California. The Company occupies 6,200 square feet pursuant to the lease agreement entered in June, 2003. The Company pays \$1.10 per square foot. The lease agreement is for a term of one year with three one year options to extend the lease.

4. Terms of the Transaction

As of June 11, 2003, Advanced Refrigeration Technologies, Inc., a California corporation ("ART" or the "Company") consummated a transaction, whereby the Company acquired all of the issued and outstanding shares of Joystar, Inc., a

Edgar Filing: ADVANCED REFRIGERATION TECHNOLOGIES INC - Form PRER14C

Nevada corporation ("Joystar") in exchange for the issuance by the Company of a total of 13,880,599 newly issued restricted shares of common voting stock to the Joystar shareholders pursuant to the Agreement and Plan of Reorganization (the "Agreement"), dated as of June 10, 2003, by and between the Company and Joystar (the "Closing"). Pursuant to the terms of the Agreement, Joystar provided the payment of debts of ART in the amount of \$60,000 and assumed additional liabilities of ART in the approximate amount of \$50,000. Immediately prior to the share exchange, there were approximately 3,322,840 shares of the Company's common stock issued and outstanding. As a result of the acquisition, there were approximately 17,203,439 shares of common stock issued and outstanding. Concurrent with the Closing of the Acquisition, the Company sold certain assets of ART valued at approximately \$98,000 to Advanced Refrigeration Controls, Inc., a California corporation controlled by Allen and Clare Schrum in consideration for assumption of certain liabilities of ART in the approximate amount of \$118,000, pursuant to the Asset Sale and Purchase Contract by and between ART and Advanced Refrigeration Controls, Inc. Upon the Closing, William M. Alverson was appointed to the Board of Directors of the Company. The present officers of the Company resigned and William M. Alverson was appointed as the Company's President, Chief Financial Officer and Secretary. Subsequently to the Closing, Rick McEwan resigned as a director of the Company on June 18, 2003, and Katherine T. West was appointed as a new director.

Since ART has not been able to successfully sell enough units to be profitable and has sustained losses every year since inception and it has not been successful in obtaining necessary funding to continue the business, the Company has been actively engaged in finding a potential investor to acquire the Company and bring in a new business. At the time of the Acquisition, ART did not have any operations, did not have any funding to pay off its liabilities and did not have any funds to maintain its filing requirements with the Securities and Exchange Commission. The Company approved the Acquisition because it was in the best interest of the Company and it was the only viable option for the Company and its shareholders to bring in a new business, have its liabilities paid off and to continue operations.

The approval of shareholders for the Acquisition of Joystar was not required by the California law. The Board of Directors of the Company approved the Acquisition. The majority shareholders and the board of directors of Joystar approved the Acquisition.

There are no differences in the rights of security holders of ART following the Acquisition of Joystar.

The Acquisition of Joystar by the Company as of June 11, 2003 has been accounted for as a purchase and treated as a reverse acquisition since the former owners of Joystar controlled 81% of the total shares of common stock of the Company outstanding immediately following the Acquisition. On this basis, the historical financial statements prior to June 11, 2003 have been restated to be those of the accounting acquirer Joystar. The historical stockholders' equity prior to the reverse acquisition has been retroactively restated (a recapitalization) for the equivalent number of shares received in the acquisition after giving effect to any difference in par value of the issuer's and acquirer's stock. The original 3,322,840 shares of common stock outstanding prior to the reorganization have been reflected as an addition in the stockholders' equity account of the Company on June 11, 2003.

The management of the Company believes that the Acquisition was exempt from any federal income taxes and there are no federal tax consequences to the Company.

5. Regulatory Approvals.

The Board of Directors of ART and the Board of Directors and the majority shareholders of Joystar approved the Acquisition. No other approvals were

Edgar Filing: ADVANCED REFRIGERATION TECHNOLOGIES INC - Form PRER14C

required.

6. Reports, opinions, appraisals.

No report, opinion or appraisal was obtained with respect to the Acquisition.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Joystar, Inc.

We have audited the accompanying balance sheets of Joystar, Inc. (formerly known as Solutions Resource, Inc. and a development stage company) as of December 31, 2002 and 2001 and the related statements of operations, changes in stockholders' equity (deficit) and cash flows for the year ended December 31, 2002, for the period from inception (May 23, 2001) through December 31, 2001 and for the period from inception (May 23, 2001) through December 31, 2002. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in

Edgar Filing: ADVANCED REFRIGERATION TECHNOLOGIES INC - Form PRER14C

all material respects, the financial position of Joystar, Inc. as of December 31, 2002 and 2001, and the results of its operations and cash flows for the year ended December 31, 2002, for the period from inception (May 23, 2001) through December 31, 2001 and for the period from inception (May 23, 2001) through December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. As discussed further in Note 3, the Company has been in the development stage since its inception (May 23, 2001) and continues to incur significant losses. The Company's viability is dependent upon its ability to obtain future financing and the success of its future operations. These factor raise substantial doubt about the Company's ability to continue as a going concern. Management's plan in regard to these matters is also described in Note 3. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

1. ORGANIZATION AND HISTORY

Joystar, Inc. (the Company), a Nevada Corporation, was incorporated on May 23, 2001. The Company is a provider of online and offline travel services for the leisure and small business traveler.

The Company has been in the development stage since its inception, May 23, 2001. It is primarily engaged in raising capital to increase sales and marketing activity, licensing and product development, acquisitions and infrastructure development.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

PROPERTY AND EQUIPMENT

Property and equipment is stated at cost and depreciated using the straight-line method over the estimated useful life of the assets, which is seven years for furniture and equipment and three years for computer equipment. No property and equipment has been depreciated.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INCOME TAXES

Deferred income taxes are reported using the liability method. Deferred tax assets are recognized for deductible temporary differences and

deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

NET LOSS PER SHARE

In February 1997, the Financial Accounting Standards Board (FASB) issued SFAS No. 128 "Earnings Per Share" which requires the Company to present basic and diluted earnings per share, for all periods presented. The computation of loss per common share (basic and diluted) is based on the weighted average number of shares actually outstanding during the period. The Company has no common stock equivalents, which would dilute earnings per share.

FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial instruments consist principally of cash and various current liabilities. The estimated fair value of these instruments approximates their carrying value.

3. GOING CONCERN

The accompanying financial statements, which have been prepared in conformity with accounting principles generally accepted in the United States of America, contemplates the continuation of the Company as a going concern. However, the Company has been in the development stage since its inception (May 23, 2001), sustained significant losses and has used capital raised through the issuance of stock and debt to fund activities. Continuation of the Company as a going concern is contingent upon establishing and achieving profitable operations. Such operations will require management to secure additional financing for the Company in the form of debt or equity.

Management believes that actions currently being taken to revise the Company's funding requirements will allow the Company to continue its development stage operations. However, there is no assurance that the necessary funds will be realized by securing debt or through stock offerings.

through 2022 for Federal purposes. There is no assurance that the Company will realize the benefit of the net operating loss carryforwards.

SFAS No. 109 requires a valuation allowance to be recorded when it is more likely than not that some or all of the deferred tax assets will not be realized. At December 31, 2002 and 2001, valuations for the full amount of the net deferred tax asset were established due to the uncertainties as to the amount of the taxable income that would be generated in future years.

Reconciliation of the differences between the statutory tax rate and the effective income tax rate is as follows:

	DECEMBER 31, 2002	DECEMBER 31, 2001
Statutory federal tax (benefit) rate	(34.00)%	(34.00)%

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE SIX MONTHS ENDED JUNE 30, 2003 AND 2002
AND CUMULATIVE FROM INCEPTION MAY 23, 2001 TO JUNE 30, 2003
(UN-AUDITED)

1. BASIS OF PRESENTATION

On June 11, 2003, Advanced Refrigeration Technologies, Inc. a California corporation (" the Company") acquired all of the issued and outstanding common stock of Joystar, Inc., a Nevada corporation ("Joystar") in exchange for the issuance by the Company of a total of 13,880,599 newly issued restricted shares of common voting stock to the Joystar shareholders pursuant the Agreement an Plan of Reorganization dated as if June 10, 2003. Prior to the issuance of the shares, the Company had 3,322,840 shares of common stock issued and outstanding. Subsequent to the exchange there were 17,203,439 shares issued and outstanding. The shareholders of Joystar own 81% of the common stock outstanding of the Company after the issuance of the 13,880,599 shares.

The acquisition of Joystar by the Company on June 11, 2003 has been accounted for as a purchase and treated as a reverse acquisition since the former owners of Joystar controlled 81% of the total shares of Common Stock of the Company outstanding immediately following the acquisition.

On this basis, the historical financial statements prior to June 11, 2003 have been restated to be those of the accounting acquirer Joystar. The historical stockholders' equity prior to the reverse acquisition has been retroactively restated (a recapitalization) for the equivalent number of shares received in the acquisition after giving effect to any difference in par value of the issuer's and acquirer's stock. The original 3,322,840 shares of common stock outstanding prior to the exchange reorganization have been reflected as an addition in the stockholders' equity account of the Company on June 11, 2003.

The Company has been in the development stage since its inception May 23, 2001.

2. INTERIM FINANCIAL INFORMATION

The financial statements of Advanced Refrigeration Technologies, Inc. (the Company) as of June 30, 2003 and for the six months ended June 30, 2003 and 2002 and related footnote information are un-audited. All adjustments (consisting only of normal recurring adjustments) have been made which, in the opinion of management, are necessary for a fair presentation. Results of operations for the six months and three months ended June 30, 2003 and 2002 are not necessarily indicative of the results that may be expected for any future period. The balance sheet at December 31, 2002 was derived from audited financial statements.

Certain information and footnote disclosures, normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America, have been omitted. These financial statements should be read in conjunction with the financial statements and notes for the year ended December 31, 2002 included in an 8-K filed with the Securities and Exchange Commission on August 26, 2003.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

PROPERTY AND EQUIPMENT

Property and equipment is stated at cost and depreciated using the straight-line method over the estimated useful life of the assets, which is seven years for furniture and equipment and three years for computer equipment. No property and equipment has been depreciated.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INCOME TAXES

Deferred income taxes are reported using the liability method. Deferred tax assets are recognized for deductible temporary differences and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

8

NET LOSS PER SHARE

In February 1997, the Financial Accounting Standards Board (FASB) issued SFAS No. 128 "Earnings Per Share" which requires the Company to present basic and diluted earnings per share, for all periods presented. The computation of loss per common share (basic and diluted) is based on the weighted average number of shares actually outstanding during the period. The Company has no common stock equivalents, which would dilute earnings per share.

FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial instruments consist principally of cash and various current liabilities. The estimated fair value of these instruments approximates their carrying value.

4. GOING CONCERN

The accompanying financial statements, which have been prepared in conformity with accounting principles generally accepted in the United States of America, contemplates the continuation of the Company as a going concern. However, the Company has been in the development stage since its inception (May 23, 2001), sustained significant losses and has used capital raised through the issuance of stock and debt to fund activities. Continuation of the Company as a going concern is contingent upon establishing and achieving profitable operations. Such operations will require management to secure additional financing for the Company in the form of debt or equity.

Management believes that actions currently being taken to revise the Company's funding requirements will allow the Company to continue its development stage operations. However, there is no assurance that the necessary funds will be realized by securing debt or through stock offerings.

5. CAPITAL STOCK

On November 2, 2001, the Company issued 16,715,000 restricted shares of common stock at \$0.001 per share totaling \$16,715 for services rendered in connection with the start up of the Company.

COMMON STOCK SPLIT

On November 1, 2001, the Board of Directors of the Company approved a stock split of the Company's common stock at a ratio of 1,000 for 1. All references in the accompanying financial statements to the number of common stock and per share amounts reflect the stock split.

1. BASIS OF PRESENTATION

On June 11, 2003, Advanced Refrigeration Technologies, Inc. a California corporation ("the Company") acquired all of the issued and outstanding common stock of Joystar, Inc., a Nevada corporation ("Joystar") in exchange for the issuance by the Company of a total of 13,880,599 newly issued restricted shares of common voting stock to the Joystar shareholders pursuant to the Agreement and Plan of Reorganization dated as if June 10, 2003. Prior to the issuance of the shares, the Company had 3,322,840 shares of common stock issued and outstanding. Subsequent to the exchange there were 17,203,439 shares issued and outstanding. The shareholders of Joystar own 81% of the common stock outstanding of the Company after the issuance of the 13,880,599 shares.

The acquisition of Joystar by the Company on June 11, 2003 has been accounted for as a purchase and treated as a reverse acquisition since the former owners of Joystar controlled 81% of the total shares of Common Stock of the Company outstanding immediately following the acquisition.

On this basis, the historical financial statements prior to June 11, 2003 have been restated to be those of the accounting acquirer Joystar. The historical stockholders' equity prior to the reverse acquisition has been retroactively restated (a recapitalization) for the equivalent number of shares received in the acquisition after giving effect to any difference in par value of the issuer's and acquirer's stock. The original 3,322,840 shares of common stock outstanding prior to the exchange reorganization have been reflected as an addition in the stockholders' equity account of the Company on June 11, 2003.

The Company has been in the development stage since its inception May 23, 2001.

2. INTERIM FINANCIAL INFORMATION

The financial statements of Advanced Refrigeration Technologies, Inc. (the Company) as of September 30, 2003 and for the nine months ended September 30, 2003 and 2002 and related footnote information are un-audited. All adjustments (consisting only of normal recurring adjustments) have been made which, in the opinion of management, are necessary for a fair presentation. Results of operations for the nine months and three months ended September 30, 2003 and 2002 are not necessarily indicative of the results that may be expected for any future period. The balance sheet at December 31, 2002 was derived from audited financial statements.

Certain information and footnote disclosures, normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America, have been omitted. These financial statements should be read in conjunction with the financial statements and notes for the year ended December 31, 2002 included in an 8-K filed with the Securities and Exchange Commission on August 26, 2003.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

PROPERTY AND EQUIPMENT

Property and equipment is stated at cost and depreciated using the straight-line method over the estimated useful life of the assets, which is seven years for furniture and equipment and three years for computer equipment. No property and equipment has been depreciated.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INCOME TAXES

Deferred income taxes are reported using the liability method. Deferred tax assets are recognized for deductible temporary differences and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

NET LOSS PER SHARE

In February 1997, the Financial Accounting Standards Board (FASB) issued SFAS No. 128 "Earnings Per Share" which requires the Company to present basic and diluted earnings per share, for all periods presented. The computation of loss per common share (basic and diluted) is based on the weighted average number of shares actually outstanding during the period. The Company has no common stock equivalents, which would dilute earnings per share.

FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial instruments consist principally of cash and various current liabilities. The estimated fair value of these instruments approximates their carrying value.

4. GOING CONCERN

The accompanying financial statements, which have been prepared in conformity with accounting principles generally accepted in the United States of America, contemplates the continuation of the Company as a going concern. However, the Company has been in the development stage since its inception (May 23, 2001), sustained significant losses and has used capital raised through the issuance of stock and debt to fund activities. Continuation of the Company as a going concern is contingent upon establishing and achieving profitable operations. Such operations will require management to secure additional financing for the Company in the form of debt or equity.

Management believes that actions currently being taken to revise the Company's funding requirements will allow the Company to continue its development stage operations. However, there is no assurance that the necessary funds will be realized by securing debt or through stock offerings.

II. PROPOSAL NUMBER TWO. ADOPTION OF AMENDED 2002 EQUITY AND STOCK OPTION PLAN

In April, 2003, the Company's Board of Directors unanimously approved the Company's 2002 Stock Option Plan, which the Company's Board of Directors amended as of June 30, 2003 (collectively, the "2002 Plan"). The Consenting Shareholders approved the 2002 Plan in July, 2003. The purpose of the 2002 Plan is to enable the Company to attract and retain top-quality employees, officers, directors and consultants and to provide such employees, officers, directors and consultants with an incentive to enhance stockholder returns. The full text of the 2002 Plan appears as Exhibit B to this Information Statement and the description of the 2002 Plan herein is qualified by reference to Exhibit B.

DESCRIPTION OF THE 2002 PLAN

Administration and Participation. The Company's 2002 Plan is administered by the Company's Board of Directors, which may delegate its duties in whole or in part to any subcommittee solely consisting of at least two individuals who are non-employee directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and outside directors within the meaning of

Edgar Filing: ADVANCED REFRIGERATION TECHNOLOGIES INC - Form PRER14C

Section 162(m) of the Internal Revenue Code of 1986, as amended. 2002 Plan allows the Compensation Committee to make awards of stock options and stock based awards to any individual who is selected by the Compensation Committee to participate in 2002 Plan.

The Compensation Committee has the authority to interpret our stock incentive plan, to establish, amend and rescind any rules and regulations relating to our 2002 Plan and to make any other determinations that the Compensation Committee deems necessary or desirable for the administration of our 2002 Plan. The Compensation Committee may also correct any defect or supply any omission or reconcile any inconsistency in our stock incentive plan in the manner and to the extent the Compensation Committee deems necessary or desirable. Any decision of the Compensation Committee in the interpretation and administration of our 2002 Plan lies within its sole and absolute discretion and is final, conclusive and binding on all parties concerned, including participants in our 2002 Plan and their beneficiaries or successors.

Limitations. An aggregate of 480,000 shares of the Company's common stock has been authorized and issued under the Company's 2002 Plan.

Stock options. Stock options granted under our 2002 Plan may be non-qualified or incentive stock options for federal income tax purposes. The Compensation Committee will set option exercise prices and terms and will determine the time at which stock options will be exercisable. However, the term of a stock option may not exceed 10 years.

The Compensation Committee may also grant options that are intended to be incentive stock options, which comply with Section 422 of the Internal Revenue Code of 1986, as amended. Fair market value is defined as the closing price of the shares as reported on the grant date as quoted on the NASD's Bulletin Board.

Stock-based awards. The Compensation Committee has the authority to grant stock-based awards, which may consist of awards of common stock, restricted stock and awards that are valued in whole or in part by reference to, or are otherwise based on the fair market value of, shares of common stock. Stock-based awards may be granted on a stand-alone basis or in addition to any other awards granted under our 2002 Plan. The Compensation Committee will determine the form of stock-based awards and the conditions on which they may be dependent. The conditions may include the right to receive one or more shares of common stock or the equivalent value in cash upon the completion of a specified period of service or the occurrence of an event or the attainment of performance objectives. The Compensation Committee will also determine the participants to whom stock-based awards may be made, the timing of those awards, the number of shares to be awarded, whether those other stock-based awards will be settled in cash, stock or a combination of cash and stock and all other terms of those awards.

General. Stock options and restricted stock awards are not transferable or assignable, except for estate planning purposes. The Company may deduct sufficient sums to pay withholding required for federal, state and local taxes or other taxes as a result of the exercise of a stock award.

In the event of any stock dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of stock or other corporate exchange or any distribution to shareholders other than regular cash dividends, the Compensation Committee may, in its sole discretion, make a substitution or adjustment, as the Compensation Committee deems to be equitable, to the number or kind of stock issued or reserved for issuance under our 2002 Plan under outstanding awards and the term, including option price, of those awards.

Except as otherwise provided in a stock award agreement, in the event of

Edgar Filing: ADVANCED REFRIGERATION TECHNOLOGIES INC - Form PRER14C

our change in control or a change of control of the Company, the Compensation Committee may, in its sole discretion, accelerate a stock award, cause us to make a cash payment in exchange for a stock award or require the issuance of a substitute stock award.

4

Certain income tax consequences. The Company has been advised by counsel that the material federal income tax consequences to the Company and the participants in the 2002 Plan of the grant and exercise of options under existing and applicable provisions of the Internal Revenue Code of 1986, as amended, and regulations will generally be as follows:

Incentive stock options. A participant will not realize any taxable income at the time an incentive stock option is granted or exercised, and the Company will not receive an income tax deduction at the time of grant or exercise. If a participant does not sell stock acquired upon the exercise of an incentive stock option within (1) two years after the date of the grant or (2) one year after the date of exercise, then a subsequent sale of such stock generally will be taxed as capital gain or loss. If a participant disposes of shares acquired upon the exercise of an incentive stock option within the period set forth in clause (1) or (2) above, then that participant will generally realize ordinary income in an amount equal to the lesser of (a) the gain realized by that participant upon such disposition and (b) the excess of the fair market value of the stock on the date of exercise over the exercise price. In that event, the Company would generally be entitled to an income tax deduction equal to the amount recognized as ordinary income by the applicable participant. Any gain in excess of the amount recognized by the participant as ordinary income would be taxed as short-term or long-term capital gain, depending on the holding period.

Non-qualified stock options. A participant will not realize taxable income upon the grant of a non-qualified stock option, and the Company will not receive an income tax deduction at such time. Upon exercise of a non-qualified stock option, the applicable participant will realize ordinary income in an amount equal to the excess of the fair market value of the stock on the date of exercise over the exercise price. Upon a subsequent sale of such stock, the participant will recognize short-term or long-term capital gain depending on his or her holding period for the shares. The Company is generally allowed an income tax deduction at the same time and in the same amount recognized as ordinary income by the participant.

Stock-based awards. Amounts received by the participant upon the grant of other stock-based awards are ordinarily taxed as ordinary income when received. However, if such other stock-based awards consist of property subject to restrictions, the amounts generally will not be taxed until the restrictions lapse or until the participant makes an election under Section 83(b) of the Internal Revenue Code. The Company is generally allowed an income tax deduction at the same time and in the same amount recognized as ordinary income by the participant.

Compliance with Section 162(m). Our 2002 Plan should allow certain stock options and other stock-based awards to be treated as qualified performance-based compensation under Section 162(m) of the Internal Revenue Code. However, the Compensation Committee may, from time to time, award compensation that is not deductible under Section 162(m).

III. PROPOSAL NUMBER THREE. ADOPTION OF 2003 EQUITY COMPENSATION PLAN

In July, 2003, the Company's Board of Directors unanimously approved the Company's 2003 Equity Compensation Plan, (the "2003 Plan"). The Consenting Shareholders approved the 2003 Plan in July, 2003. The purpose of the 2003 Plan is to enable the Company to attract and retain top-quality employees, officers, directors and consultants and to provide such employees, officers, directors and consultants with an incentive to enhance stockholder returns. The full text of the 2003 Plan appears as Exhibit C to this Information Statement and the description of the 2003 Plan herein is qualified by reference to Exhibit C.

DESCRIPTION OF THE 2003 PLAN

The 2002 Plan provides for the grant to directors, officers, employees and consultants of the Company (including its subsidiaries) of stock based awards and options to purchase up to an aggregate of 2,500,000 shares of Common Stock.

All of the Company's executive officers, directors and employees of the Company and its subsidiary will be eligible to participate in the 2003 Plan. The Company has not granted any options yet nor other stock awards under the 2003 Plan.

Administration and Participation. The Company's 2003 Plan is administered by the Company's Board of Directors, which may delegate its duties in whole or in part to any subcommittee solely consisting of at least two individuals who are non-employee directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. 2003 Plan allows the Compensation Committee to make awards of stock options and stock based awards to any individual who is selected by the Compensation Committee to participate in 2003 Plan.

The Compensation Committee has the authority to interpret our stock incentive plan, to establish, amend and rescind any rules and regulations relating to our 2003 Plan and to make any other determinations that the Compensation Committee deems necessary or desirable for the administration of our 2003 Plan. The Compensation Committee may also correct any defect or supply any omission or reconcile any inconsistency in our stock incentive plan in the manner and to the extent the Compensation Committee deems necessary or desirable. Any decision of the Compensation Committee in the interpretation and administration of our 2003 Plan lies within its sole and absolute discretion and is final, conclusive and binding on all parties concerned, including participants in our 2003 Plan and their beneficiaries or successors.

Limitations. An aggregate of 2,500,000 shares of the Company's common stock has been authorized for issuance under the Company's 2003 Plan. No options to purchase common stock nor other stock awards has been issued by the Company.

Stock options. Stock options granted under our 2003 Plan may be non-qualified or incentive stock options for federal income tax purposes. The Compensation Committee will set option exercise prices and terms and will determine the time at which stock options will be exercisable. However, the term of a stock option may not exceed 10 years.

The Compensation Committee may also grant options that are intended to be incentive stock options, which comply with Section 422 of the Internal Revenue Code of 1986, as amended. Fair market value is defined as the closing price of the shares as reported on the grant date as quoted on the NASD's Bulletin Board.

Stock-based awards. The Compensation Committee has the authority to grant stock-based awards, which may consist of awards of common stock, restricted stock and awards that are valued in whole or in part by reference to, or are otherwise based on the fair market value of, shares of common stock.

6

Stock-based awards may be granted on a stand-alone basis or in addition to any other awards granted under our 2003 Plan. The Compensation Committee will determine the form of stock-based awards and the conditions on which they may be dependent. The conditions may include the right to receive one or more shares of common stock or the equivalent value in cash upon the completion of a specified period of service or the occurrence of an event or the attainment of performance objectives. The Compensation Committee will also determine the participants to whom stock-based awards may be made, the timing of those awards, the number of shares to be awarded, whether those other stock-based awards will be settled in cash, stock or a combination of cash and stock and all other terms of those awards.

General. Stock options and restricted stock awards are not transferable or assignable, except for estate planning purposes. The Company may deduct sufficient sums to pay withholding required for federal, state and local taxes or other taxes as a result of the exercise of a stock award.

In the event of any stock dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of stock or other corporate exchange or any distribution to shareholders other than regular cash dividends, the Compensation Committee may, in its sole discretion, make a substitution or adjustment, as the Compensation Committee deems to be equitable, to the number or kind of stock issued or reserved for issuance under our 2003 Plan under outstanding awards and the term, including option price, of those awards.

Except as otherwise provided in a stock award agreement, in the event of our change in control or a change of control of the Company, the Compensation Committee may, in its sole discretion, accelerate a stock award, cause us to make a cash payment in exchange for a stock award or require the issuance of a substitute stock award.

Certain income tax consequences. The Company has been advised by counsel that the material federal income tax consequences to the Company and the participants in the 2003 Plan of the grant and exercise of options under existing and applicable provisions of the Internal Revenue Code of 1986, as amended, and regulations will generally be as follows:

Incentive stock options. A participant will not realize any taxable income at the time an incentive stock option is granted or exercised, and the Company will not receive an income tax deduction at the time of grant or exercise. If a participant does not sell stock acquired upon the exercise of an incentive stock option within (1) two years after the date of the grant or (2) one year after the date of exercise, then a subsequent sale of such stock generally will be taxed as capital gain or loss. If a participant disposes of shares acquired upon the exercise of an incentive stock option within the period set forth in clause (1) or (2) above, then that participant will generally realize ordinary income in an amount equal to the lesser of (a) the gain realized by that participant upon such disposition and (b) the excess of the fair market value of the stock on the date of exercise over the exercise price. In that event, the Company would generally be entitled to an income tax deduction equal to the amount

recognized as ordinary income by the applicable participant. Any gain in excess of the amount recognized by the participant as ordinary income would be taxed as short-term or long-term capital gain, depending on the holding period.

7

Non-qualified stock options. A participant will not realize taxable income upon the grant of a non-qualified stock option, and the Company will not receive an income tax deduction at such time. Upon exercise of a non-qualified stock option, the applicable participant will realize ordinary income in an amount equal to the excess of the fair market value of the stock on the date of exercise over the exercise price. Upon a subsequent sale of such stock, the participant will recognize short-term or long-term capital gain depending on his or her holding period for the shares. The Company is generally allowed an income tax deduction at the same time and in the same amount recognized as ordinary income by the participant.

Stock-based awards. Amounts received by the participant upon the grant of other stock-based awards are ordinarily taxed as ordinary income when received. However, if such other stock-based awards consist of property subject to restrictions, the amounts generally will not be taxed until the restrictions lapse or until the participant makes an election under Section 83(b) of the Internal Revenue Code. The Company is generally allowed an income tax deduction at the same time and in the same amount recognized as ordinary income by the participant.

Compliance with Section 162(m). Our 2003 Plan should allow certain stock options and other stock-based awards to be treated as qualified performance-based compensation under Section 162(m) of the Internal Revenue Code. However, the Compensation Committee may, from time to time, award compensation that is not deductible under Section 162(m).

3. SHARES SUBJECT TO THE PLAN

The total number of Shares which may be issued under the Plan is less than 15% of the total Shares outstanding, which shall not exceed 480,000 Shares. The Shares may consist, in whole or in part, of unissued Shares or treasury Shares. The issuance of Shares or the payment of cash upon the exercise of an Award shall reduce the total number of Shares available under the Plan, as applicable. Shares which are subject to Awards which terminate or lapse may be granted again under the Plan.

4. ADMINISTRATION

The Plan shall be administered by the Board of Directors or the Committee, which may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are intended to qualify as "non-employee directors" within the meaning of Rule 16b-3 under the Act (or any successor rule thereto) and "outside directors" within the meaning

of Section 162(m) of the Code (or any successor section thereto). Awards may, in the discretion of the Committee, be made under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or its affiliates or a company acquired by the Company or with which the Company combines. The number of Shares underlying such substitute awards shall be counted against the aggregate number of Shares available for Awards under the Plan. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to, Participants and their beneficiaries or successors). The Committee shall have the full power and authority to establish the terms and conditions of any Award consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The Committee shall require payment of any amount it may determine to be necessary to withhold for federal, state, local or other taxes as a result of the exercise of an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such withholding taxes by (a) delivery in Shares or (b) having Shares withheld by the Company from any Shares that would have otherwise been received by the Participant.

5. LIMITATIONS

No Award may be granted under the Plan after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

6. TERMS AND CONDITIONS OF OPTIONS

Options granted under the Plan shall be, as determined by the Committee, nonqualified or incentive stock options for federal income tax purposes, as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine:

- (a) Option Price. The Option Price per Share shall be determined by the Committee.
- (b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted.
- (c) Exercise of Options. Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii) or (iii) in the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to

the Company in full at the time of exercise at the election of the Participant (i) in cash or its equivalent (e.g., by check); (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee or generally accepted accounting principles); (iii) partly in cash and partly in such Shares; or (iv) through the delivery of irrevocable instruments to a broker to deliver promptly to the Company an amount equal to the aggregate Option price for the shares being purchased. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan.

- (d) ISOs. The Committee may grant to employees Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto), including, without limitation the requirement that the Option Price per Share subject to an ISO shall not be less than 100% of the Fair Market Value of the Shares on the date an ISO is granted.. No ISO may be granted to any Participant who at the time of such grant, owns more than ten percent of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition.
- (e) Attestation. Wherever in this Plan or any agreement evidencing an Award a Participant is permitted to pay the exercise price of an Option or taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and shall withhold such number of Shares from the Shares acquired by the exercise of the Option.

7. STOCK-BASED AWARDS

- (a) Generally. The Committee, in its sole discretion, may grant Awards of Shares, Awards of restricted Shares and Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares ("Stock-Based Awards"). Such Stock-Based Awards shall

be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Stock-Based Awards may be granted alone or in addition to any

B-6

other Awards granted under the Plan. Subject to the provisions of the Plan, the Committee shall determine to whom and when other Stock-Based Awards will be made, the number of Shares to be awarded under (or otherwise related to) such Stock-Based Awards; whether such Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable).

- (b) Performance-Based Awards. Notwithstanding anything to the contrary herein, certain Stock-Based Awards granted under this Section 8 may be granted in a manner which is deductible by the Company under Section 162(m) of the Code (or any successor section thereto) ("Performance-Based Awards"). A Participant's Performance-Based Award shall be determined based on the attainment of written performance goals approved by the Committee for a performance period established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period. The performance goals, which must be objective, shall be based upon one or more of the following criteria: (i) consolidated earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per Share; (v) book value per Share; (vi) return on shareholders' equity; (vii) expense management; (viii) return on investment; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital and (xviii) return on assets. The foregoing criteria may relate to the Company, one or more of its Subsidiaries or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code (or any successor section thereto), the performance goals may be calculated without regard to extraordinary items. The Committee shall determine whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, to so certify and ascertain the amount of the applicable Performance Based Award. No Performance-Based Awards will be paid for such performance period until such certification is made by the Committee. The amount of the Performance-Based Award actually paid

to a given Participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Committee. The amount of the Performance-Based Award determined by the Committee for a performance period shall be paid to the Participant at such time as determined by the Committee in its sole discretion after the end of such performance period; provided, however, that a Participant may, if and to the extent permitted by the Committee and consistent with the provisions of Section 162(m) of the Code, elect to defer payment of a Performance-Based Award.

B-7

8. ADJUSTMENTS UPON CERTAIN EVENTS

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

- (a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares other than regular cash dividends or any transactions similar to the foregoing, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the Option Price and/or (iii) any other affected terms of such Awards.
- (b) Change in Control. Except as otherwise provided in an Award agreement or an employment, severance or change in control agreement, in the event of a Change in Control or a Parent Triggering Event, the Committee in its sole discretion and without liability to any person may take such actions, if any, as it deems necessary or desirable with respect to any Award (including, without limitation, (i) the acceleration of an Award, (ii) the payment of a cash amount in exchange for the cancellation of an Award and/or (iii) the requiring of the issuance of substitute Awards that will substantially preserve the value, rights and benefits of any affected Awards previously granted hereunder) as of the date of the consummation of the Change in Control.

9. NO RIGHT TO EMPLOYMENT OR AWARDS

The granting of an Award under the Plan shall impose no obligation on the Company or any Subsidiary to continue the employment or service or consulting relationship of a Participant and shall not lessen or affect the Company's or Subsidiary's right to terminate the employment or service or consulting relationship of such Participant. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

10. SUCCESSORS AND ASSIGNS

The Plan shall be binding on all successors and assigns of the Company and a Participant, including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

11. NONTRANSFERABILITY AWARDS

Unless otherwise determined by the Committee or as hereinafter provided, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant. However, unless the Award agreement provides otherwise, a Participant may transfer his or her rights under a nonqualified Option agreement, by assignment, satisfactory in form and substance to the Committee, to a trust or similar entity established solely for the benefit of the Participant's lineal descendants; provided, that such assignee must first agree to be bound by the same terms and conditions as the Participant with respect to such Option; and provided, further, that the rights of such assignee shall not themselves be transferable.

B-8

12. AMENDMENTS OR TERMINATION

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which, (a) without the approval of the shareholders of the Company, would (except as is provided in Section 9 of the Plan), increase the total number of Shares reserved for the purposes of the Plan or change the maximum number of Shares for which Awards may be granted to any Participant or (b) without the consent of a Participant, would impair any of the rights or obligations under any Award theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws. Notwithstanding anything to the contrary herein, the Board may not amend, alter or discontinue the provisions relating to Section 8(b) of the Plan after the occurrence of a Change in Control.

13. INTERNATIONAL PARTICIPANTS

With respect to Participants who reside or work outside the United States of America and who are not (and who are not expected to be) "covered employees" within the meaning of Section 162(m) of the Code, the Committee may, in its sole discretion, amend the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the requirements of local law.

14. CHOICE OF LAW

The Plan shall be governed by and construed in accordance with the laws of the State of California, without regard to conflicts of laws.

15. EFFECTIVENESS OF THE PLAN

The Plan shall be effective as of the Effective Date.

qualify as "non-employee directors" within the meaning of Rule 16b-3 under the Act (or any successor rule thereto) and "outside directors" within the meaning of Section 162(m) of the Code (or any successor section thereto). Awards may, in the discretion of the Committee, be made under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or its affiliates or a company acquired by the Company or with which the Company combines. The number of Shares underlying such substitute awards shall be counted against the aggregate number of Shares available for Awards under the Plan. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the interpretation and administration of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to, Participants and their beneficiaries or successors). The Committee shall have the full power and authority to establish the terms and conditions of any Award consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The Committee shall require payment of any amount it may determine

to be necessary to withhold for federal, state, local or other taxes as a result of the exercise of an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such withholding taxes by (a) delivery in Shares or (b) having Shares withheld by the Company from any Shares that would have otherwise been received by the Participant.

5. LIMITATIONS

No Award may be granted under the Plan after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

6. TERMS AND CONDITIONS OF OPTIONS

Options granted under the Plan shall be, as determined by the Committee, nonqualified or incentive stock options for federal income tax purposes, as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine:

- (a) Option Price. The Option Price per Share shall be determined by the Committee.
- (b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted.
- (c) Exercise of Options. Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii) or (iii) in the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to

C-5

the Company in full at the time of exercise at the election of the Participant (i) in cash or its equivalent (e.g., by check); (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee or generally accepted accounting principles); (iii) partly in cash and partly in such Shares; or (iv) through the delivery of irrevocable instruments to a broker to deliver promptly to the Company an amount equal to the aggregate Option price for the shares being purchased. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions

imposed by the Committee pursuant to the Plan.

- (d) ISOs. The Committee may grant to employees Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto), including, without limitation the requirement that the Option Price per Share subject to an ISO shall not be less than 100% of the Fair Market Value of the Shares on the date an ISO is granted.. No ISO may be granted to any Participant who at the time of such grant, owns more than ten percent of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition.

- (e) Attestation. Wherever in this Plan or any agreement evidencing an Award a Participant is permitted to pay the exercise price of an Option or taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and shall withhold such number of Shares from the Shares acquired by the exercise of the Option.

7. STOCK-BASED AWARDS

- (a) Generally. The Committee, in its sole discretion, may grant Awards of Shares, Awards of restricted Shares and Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares ("Stock-Based Awards"). Such Stock-Based Awards shall be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Stock-Based Awards may be granted alone or in addition to any

C-6

other Awards granted under the Plan. Subject to the provisions of the Plan, the Committee shall determine to whom and when other Stock-Based Awards will be made, the number of Shares to be awarded under (or otherwise related to) such Stock-Based Awards; whether such Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and

non-assessable).

- (b) Performance-Based Awards. Notwithstanding anything to the contrary herein, certain Stock-Based Awards granted under this Section 8 may be granted in a manner which is deductible by the Company under Section 162(m) of the Code (or any successor section thereto) ("Performance-Based Awards"). A Participant's Performance-Based Award shall be determined based on the attainment of written performance goals approved by the Committee for a performance period established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period. The performance goals, which must be objective, shall be based upon one or more of the following criteria: (i) consolidated earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per Share; (v) book value per Share; (vi) return on shareholders' equity; (vii) expense management; (viii) return on investment; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital and (xviii) return on assets. The foregoing criteria may relate to the Company, one or more of its Subsidiaries or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code (or any successor section thereto), the performance goals may be calculated without regard to extraordinary items. The Committee shall determine whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, to so certify and ascertain the amount of the applicable Performance Based Award. No Performance-Based Awards will be paid for such performance period until such certification is made by the Committee. The amount of the Performance-Based Award actually paid to a given Participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Committee. The amount of the Performance-Based Award determined by the Committee for a performance period shall be paid to the Participant at such time as determined by the Committee in its sole discretion after the end of such performance period; provided, however, that a Participant may, if and to the extent permitted by the Committee and consistent with the provisions of Section 162(m) of the Code, elect to defer payment of a Performance-Based Award.

8. ADJUSTMENTS UPON CERTAIN EVENTS

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

Edgar Filing: ADVANCED REFRIGERATION TECHNOLOGIES INC - Form PRER14C

- (a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares other than regular cash dividends or any transactions similar to the foregoing, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the Option Price and/or (iii) any other affected terms of such Awards.
- (b) Change in Control. Except as otherwise provided in an Award agreement or an employment, severance or change in control agreement, in the event of a Change in Control or a Parent Triggering Event, the Committee in its sole discretion and without liability to any person may take such actions, if any, as it deems necessary or desirable with respect to any Award (including, without limitation, (i) the acceleration of an Award, (ii) the payment of a cash amount in exchange for the cancellation of an Award and/or (iii) the requiring of the issuance of substitute Awards that will substantially preserve the value, rights and benefits of any affected Awards previously granted hereunder) as of the date of the consummation of the Change in Control.

9. NO RIGHT TO EMPLOYMENT OR AWARDS

The granting of an Award under the Plan shall impose no obligation on the Company or any Subsidiary to continue the employment or service or consulting relationship of a Participant and shall not lessen or affect the Company's or Subsidiary's right to terminate the employment or service or consulting relationship of such Participant. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

10. SUCCESSORS AND ASSIGNS

The Plan shall be binding on all successors and assigns of the Company and a Participant, including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

11. NONTRANSFERABILITY AWARDS

Unless otherwise determined by the Committee or as hereinafter provided, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant. However, unless the Award agreement provides otherwise, a Participant may transfer his or her rights under a nonqualified Option agreement, by assignment, satisfactory in form and substance to the Committee, to a trust or similar entity established solely for

the benefit of the Participant's lineal descendants; provided, that such assignee must first agree to be bound by the same terms and conditions as the Participant with respect to such Option; and provided, further, that the rights of such assignee shall not themselves be transferable.

12. AMENDMENTS OR TERMINATION

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which, (a) without the approval of the shareholders of the Company, would (except as is provided in Section 9 of the Plan), increase the total number of Shares reserved for the purposes of the Plan or change the maximum number of Shares for which Awards may be granted to any Participant or (b) without the consent of a Participant, would impair any of the rights or obligations under any Award theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws. Notwithstanding anything to the contrary herein, the Board may not amend, alter or discontinue the provisions relating to Section 8(b) of the Plan after the occurrence of a Change in Control.

13. INTERNATIONAL PARTICIPANTS

With respect to Participants who reside or work outside the United States of America and who are not (and who are not expected to be) "covered employees" within the meaning of Section 162(m) of the Code, the Committee may, in its sole discretion, amend the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the requirements of local law.

14. CHOICE OF LAW

The Plan shall be governed by and construed in accordance with the laws of the State of California, without regard to conflicts of laws.

15. EFFECTIVENESS OF THE PLAN

The Plan shall be effective as of the Effective Date.
