ITEM 5. OTHER EVENTS

On July 19, 2001, CirTran Corporation filed a Current Report on Form 8-K with the Securities and Exchange Commission to report the approval by its board of directors of an increase in the number of its authorized shares and an increase in the number of its outstanding shares to be effected through a stock distribution. CirTran hereby amends that Report to clarify the actions of its board of directors and to correct the numbers of its issued and outstanding shares of common stock preceding and following these actions, which numbers were inadvertently incorrectly reported in the original Form 8-K.

Edgar Filing: CIRTRAN CORP - Form 8-K/A

On July 19, 2001, the board of directors of CirTran Corporation approved, pursuant to Section 78.207 of the Nevada Revised Statutes, an increase in the number of its authorized shares of common stock from 500,000,000 shares to 750,000,000 shares, par value \$0.001, and a corresponding increase in the number of its issued and outstanding shares. In conjunction with this increase, the board of directors also approved a 9-for-1 share distribution to its shareholders. The cumulative effect of the increase in capital and share distribution resulted in (i) each shareholder of record as of the close of business on August 3, 2001 receiving, for no additional consideration to CirTran, 14 additional shares of common stock for each share held prior to the effectiveness of these actions, and (ii) the number of CirTran's issued and outstanding shares of common stock increasing from 10,420,067 shares to 156,301,005 shares.
