DXP ENTERPRISES ANNOUNCES FIRST QUARTER RESULTS

NET INCOME INCREASES 26%

Houston, TX, -- April 27, 2005- DXP Enterprises, Inc. (NASDAQ: DXPE)

today announced net income of \$854,000 for the first quarter ending March 31, 2005, with diluted earnings per share of \$.15 compared to net income of \$678,000 and diluted earnings per share of \$.12 for the first quarter of 2004. Sales increased 10.2% to \$41.8 million from \$37.9 million for the first quarter of last year.

David R. Little, Chairman and Chief Executive Officer said, "The first quarter sales increase was broad based with increased sales of pumps, bearings, safety products and mill supplies to oil field service, oil and gas production, mining, electricity generation and petrochemical processing customers. We are enthusiastic about the current level of business opportunities and our strategic abilities to take market share from the competition."

DXP Enterprises, Inc. is a leading products and service distributor that adds value and total cost savings solutions to MRO and OEM customers in virtually every industry since 1908. DXP provides innovative pumping solutions, integrated supply and MROP (maintenance, repair, operating and production) services that emphasize and utilize DXP's vast product knowledge and technical expertise in pumps, bearings, power transmission, seals, hose, safety, fluid power, electrical and industrial supplies. DXP's breadth of MROP products and service solutions allows DXP to be flexible and customer driven creating competitive advantages for our customers.

DXP's innovative pumping solutions provide engineering, fabrication and technical design to meet the capital equipment needs of its global customer base. DXP provides solutions by utilizing manufacturer authorized equipment and certified personnel. Pump packages require MRO and OEM equipment such as pumps, motors and valves, and consumable products. DXP leverages its MROP inventories and technical knowledge to lower the total cost and maintain the quality of the pump package.

SmartSource, a DXP integrated supply program, allows a more efficient way to manage the customer's supply chain needs for MROP products. The program allows the customer to transfer all or part of their supply chain needs to DXP, so the customer can focus on his core business. SmartSource effectively lowers costs by outsourcing purchasing, accounting, and on-site supply management to DXP, which reduces the duplication of effort by the customer and supplier. DXP's broad range of first-tier products provides an efficient measurable solution to reduce cost and

streamline procurement and sourcing operations.
