**ITEM 1.01. Entry into a Material Definitive Agreement.**

On June 23, 2006, United Dominion Realty Trust, Inc. (the Company) awarded to Mark M. Culwell, Jr., Senior Vice President, Development, a grant of 44,510 shares of the Company's restricted common stock and 2,350 shares of performance contingent restricted stock, or PARS. Subject to Mr. Culwell's continued employment by the Company, 7,418 of the 44,510 restricted shares will vest pro rata over a four-year period and 37,092 shares will vest on June 12, 2009. The PARS will vest, depending upon the performance of the Company, on the determination date as set forth in the award. This grant of restricted stock and PARS was approved by the Compensation Committee of the Board of Directors of the Company without stockholder approval as an inducement grant, as such term is defined by the New York Stock Exchange.

A copy of the Notice of Performance Contingent Restricted Stock Award, including the Restricted Stock Award Agreement for the 2,350 shares, is attached to this report as Exhibit 10.1 and is incorporated herein by reference. A copy of the Restricted Stock Award Agreement for the 7,418 shares of restricted stock is attached to this report as Exhibit 10.2 and is incorporated herein by reference. A copy of the Restricted Stock Award Agreement for the 37,092 shares of restricted stock is attached to this report as Exhibit 10.3 and is incorporated herein by reference.

**ITEM 3.02. Unregistered Sales of Equity Securities.**

In 2005, the stockholders of the Company approved the issuance of the Company's Series F Preferred Stock to give voting rights to holders of limited partnership interests, or OP Units, in the Company's two operating partnerships, United Dominion Realty, L.P. and Heritage Communities, L.P. The Series F Preferred Stock, which is offered only to holders of OP Units, entitles its holders to one vote per share on each matter upon which the Company's common stockholders are entitled to vote at stockholder meetings. The Series F Preferred Stock votes together as a single class with the Company's common stock and other capital stock eligible to vote. The Series F Preferred Stock is not convertible or exchangeable into any other equity securities, and it does not entitle its holders to any other rights, privileges or preferences.

On June 21, 2006, the Company sold a total of 150,671 shares of its Series F Preferred Stock, without par value, to certain holders of OP Units who are accredited investors, at a purchase price of \$0.0001 per share, for an aggregate purchase price of \$15.07. Because the shares of Series F Preferred Stock were sold to accredited investors in transactions not involving a public offering, the transactions are exempt from registration under the Securities Act of 1933 in accordance with Section 4(2) of the Securities Act.
