DISTRIBUTOR AGREEMENT

Effective Date: January 13, 2009

Expiration Date: The Fifth Anniversary of the Effective Date

This Distributor Agreement (**Agreement**) is between Mirencos, Inc., 206 May Street, Radcliffe, Iowa, 50230 and Wayne Supply Company, having a place of business at 1400 Cecil Avenue, Louisville, Kentucky, 40211-1626.

Throughout this agreement Mirencos, Inc. will be referred to as (**Mirencos**) and Wayne Supply Company will be referred to as (**Wayne** or **Distributor**). Mirencos and Wayne are referred to in this Agreement from time to time individually as a **Party** and together as the **Parties**.

A.

Mirencos manufactures, markets and sells Vehicle Throttle Controls, Mirencos Diesel Evaluation Procedure (MDEP), Fuel Tracker, data base management and related services for off-road, heavy equipment and on-highway vehicles and equipment markets (collectively, including future developments related thereto, the **Products** and **Services**), all focused on minimizing fuel consumption and reducing emissions, Mirencos desires to expand sales through an independent distributor. Mirencos seeks a distributor who is committed to building the value of the brands owned by Mirencos and who is committed to meeting goals and objectives established by Mirencos as set forth in this Agreement.

B.

Distributor owns and operates a distribution business, is the exclusive distributor for all equipment to and trainer of the Caterpillar dealers in the United States and Canada identified on Exhibit A attached hereto (**CAT Dealers**), and desires to distribute Vehicle Throttle Controls and related services, using Distributor s distribution facilities, equipment, and personnel.

C.

The Parties desire to establish effective communication between Mirencos and Wayne to develop a strong relationship, in the spirit of cooperation and trust, between representatives of their respective organizations.

D.

The Parties desire to build and maintain a lasting relationship with customers based on the quality of Mirencos Products and Services and the strength of Wayne s distribution network.

E.

Mirencos and Wayne Supply Company desire to enter into this Agreement with the terms and conditions it contains for the distribution and sale of Products and Services bearing brands owned by Mirencos.

F.

Capitalized terms used in this Agreement and not defined in the body of this Agreement are defined in Exhibit B to this Agreement.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

ARTICLE I APPOINTMENT

1.1

Appointment. Effective as of the Effective Date, Mirencos appoints Wayne as a distributor of Mirencos Products and Services in accordance with the terms of this Agreement.

1.2

Nature of Agreement. This Agreement governs the distributor relationship between the Parties. Mirencos and Wayne are separate business entities, and shall not be considered as joint ventures, partners, agents, servants, employees or fiduciaries of each other and neither shall have the power to bind or obligate the other, except as may be expressly set forth in this Agreement. This Agreement shall not be construed in any way to deem Wayne a franchisee of Mirencos for any purpose whatsoever. Under this Agreement Wayne agrees to handle a line of Products and Services identified by the Licensed Trademarks. Wayne and Mirencos acknowledge that Mirencos exercises no control over Wayne's operations, management, appearance, hours of operation, accounting practices, or promotional campaigns, Wayne acknowledges that it is experienced and well established in the distribution business, in Kentucky and Indiana only, that is the subject of this Agreement, and that as such, Wayne has not relied, and will not rely, significantly on Mirencos's experience or assistance in the establishment, management, or operation of its distribution business in Kentucky and Indiana. The Parties specifically agree that any obligation to act in good faith and to deal fairly with each other which may be implied by law shall be deemed satisfied by the Parties' compliance with the express terms of this Agreement.

1.3

Service Area. Subject to Section 2.1(b) below, Mirencos hereby grants to Wayne the exclusive right to sell the Products and Services, throughout the United States and Canada (the **Territory**) and the Distributor hereby accepts such appointment. The Distributor acknowledges that it may sell, deliver or otherwise distribute the Products and Services only in the Territory. Notwithstanding the above, Mirencos reserves the right to sell directly prototypes of new products and test Products and Services within the Territory, but in each case only as part of its research and development efforts.

ARTICLE II PURCHASE AND SALE OF PRODUCTS AND SERVICES

2.1

Purchase Obligation

(a)

Wayne shall use good faith efforts to promote the sale of the Products and Services in the Territory and shall immediately pass to Mirencos details of any complaints received from customers or others relating to the Products and Services.

(b)

In the event the Distributor should fail to meet its Minimum Purchase Obligation as of any anniversary date of the Effective Date, and the cause of such failure is reasonably within Wayne's control, the exclusive nature of this Agreement shall terminate and Wayne shall retain only the non-exclusive right to sell the Products and Services in the Territory. All other terms of this Agreement shall remain in full force and effect.

2.2

Prices for Products and Services. Prices Mirencos shall charge Wayne, and the payment terms for Products and Services, will be those established by Mirencos from time to time.

2.3

Payment. Shipment of Products to Wayne shall be F.O.B. Radcliffe, Iowa. Wayne shall pay, or cause to be paid all taxes, and other similar charges imposed or based on the sales and use of Mirencos Products and Services. Wayne agrees to pay Mirencos invoices within the specified terms, as the same are detailed on the form of invoice attached hereto as Exhibit C, as the same may be modified by Mirencos from time to time. Invoices not paid within the specified terms will be subject to service charges.

2.4

Competing Products and Services. If the Distributor intends to market or sell Competing Products or Services, the Distributor will provide Mirencos with fourteen days written notice in advance of any agreement to market and/or distribute such Competing Products or Services including, a statement of Wayne's strategy to market both the Products and Services and the Competing Products or Services; provided, however, that Mirencos agrees to enter into any applicable confidentiality covenants with Wayne and/or other parties as needed.

2.5

Distributor Marketing and Operation Obligations. Wayne shall perform the following at its expense:

(a)

Sale of Mirencos Products and Services. Wayne shall use good faith and best efforts to promote and maximize the sale of the Products and Services. For the purposes of this Agreement, "good faith and best efforts" shall mean that (i) Wayne shall market and sell the Products and Services to CAT Dealers; (ii) Wayne shall create an initial sales team specifically trained in marketing and selling the Products and Services; and (iii) Wayne shall market and sell the Products and Services to other dealers of heavy equipment should CAT Dealers decline to purchase.

(b)

Support Programs. The Parties may individually develop and implement their own sales, advertising, promotional, and technical programs for the Products and Services; however, the Parties agree to reasonably collaborate regarding such programs upon request. Any such program shall be the property of the Party who developed the same.

(c)

Customer Service. Whyne shall deliver the same level of customer service it currently provides to its own customers and take appropriate corrective measures in response to any customer complaints relating to the distributorship of Mirencos Products and Services.

(d)

Maintain Inventory. Whyne shall maintain adequate inventories to provide timely delivery of the Products and Services to customers.

(e)

Effective Market Coverage. Whyne shall maintain equipment and capabilities to provide a proper level of service, and maintain an adequately sized and properly trained sales force, including, if necessary, the use of agents, dealers or sub-distributors (together, the **Dealers**), to promote and maximize the sale of the Mirencos Products and Services, as described in (a) of this subsection.

(f)

Active Management. Mirencos may, from time to time, request that Whyne participate in planning and enhancement programs such as developing marketing, sales and strategic business development plans and participating in analytical studies to assist Mirencos in the development and measurement of its success, through, e.g., distributor customer satisfaction surveys. Whyne agrees (i) to cooperate with such requests as it is able and (ii) to cause its management to take an active, personal role in effectuating this Agreement.

(g)

Market Conditions. Each Party shall inform the other of any condition about which it has actual knowledge, in the Territory or external to the Territory, that may or does adversely affect the promotion and sale of the Products and Services pursuant to this Agreement.

2.6

Inspections and Reports

(a)

The Distributor will permit and enable Mirencos authorized representatives to have access to the premises of the Distributor for the purpose of inspecting the equipment and facilities and the work carried out there in connection with the sale and servicing of Products and inspecting and checking inventory of the Products, and the inventory records applicable thereto.

(b)

The Distributor shall provide Mirencos with monthly reports regarding sales and use of the Products and Services. Subject to prior review by Mirencos, Distributor may issue periodic press releases relating to the Products and Services.

(c)

The Distributor will report immediately to Mirencos in writing of any actual Change of Control, provided, however, that Mirencos agrees to enter into applicable confidentiality covenants with other parties and/or Whayne to the extent required.

2.7

Standards of Performance. The Distributor will comply with procedures and policies set by Mirencos regarding standards of performance for the promotion of the Products and Services, as the same are detailed in Exhibit D attached hereto, as the same may be modified by agreement by Mirencos and Whayne from time to time.

2.8

Sales and Service Performance.

(a)

If the Distributor is not, as determined in good faith by Mirencos, at any time providing sales or service coverage for the Products and Services (including at its own facility(ies) or at customer locations) in a manner consistent with this Agreement (including with respect to regular maintenance and repairs, warranty service, factory-authorized startup procedures, maintaining service parts inventories, liaison with Mirencos's suppliers, and, if applicable, oversight of the Dealers), then Mirencos will have the right notwithstanding anything to the contrary in this Agreement and without prejudice to any other of its rights under this Agreement, to serve notice on the Distributor requiring the Distributor at its sole expense to remedy the defects or omissions in the sales or service coverage, as applicable, specified in the notice within sixty (60) days of the date of the notice; provided, however, that such right shall only be available if the cause of Distributor's failure to so provide the sales and service coverage is reasonably within Whayne's control.

(b)

If the Distributor fails to remedy all or any of the specified defects or omissions within the sixty (60) day period, then Mirencos will have the option, in its sole discretion, to (i) terminate this Agreement, or (ii) exclude from this Agreement such one or more of the Products or Services and/or geographic regions and/or market segments in respect of which the specified defects or omissions have not been remedied by the Distributor within such sixty day period. Mirencos will also have the option, in its sole discretion, to extend such sixty (60) day period if the Distributor has defined a corrective action plan which is satisfactory to Mirencos and is making satisfactory progress in implementing that plan.

2.9

Indemnification. The Distributor will indemnify and save harmless Mirencos from and against any and all actions, suits, investigations, proceedings or claims of every kind and any and all expenses, losses, damages or liabilities (collectively, the **Liabilities**) as and when incurred, insofar as such claims or Liabilities arise out of (i) representations or statements that Mirencos did not authorize explicitly; (ii) the actions or inactions of the Distributor; or (iii) any breach by the Distributor of the provisions of this Agreement.

2.10

Insurance.

(a)

The Distributor shall maintain in force at all times during the term of this Agreement commercial general liability insurance in commercially reasonable amounts. Such policies shall provide coverage for the negligent or other wrongful acts of the Distributor as well as any agents or resellers associated with Distributor,

(b)

Upon request, the Distributor shall provide to Mirencos a certificate of insurance reasonably acceptable to Mirencos showing the amount of coverage, policy number and date of expiration of the policy. Except in instances in which Liability arises out of defects in Products that exist at the time of the shipment by Mirencos, the Distributor, on behalf of itself and its insurers, hereby waives any right of subrogation against Mirencos for Liabilities imposed on the Distributor or its insurers.

2.11

Compliance With Laws: USA Export Controls

(a)

Distributor shall comply with, all applicable laws, including but not limited to export control laws, anti boycott laws and the Foreign Corrupt Practices Act, which prohibits certain payments to third parties, in connection with its marketing, distribution and sale of the Products, including obtaining (at its own expense) any and all governmental approvals and authorizations that may be required. Further, Distributor shall, at its own expense, take any measure required within the Territory to declare, record, file, notify, authenticate, or otherwise render valid this Agreement.

(b)

Without limiting the foregoing, Distributor agrees not to export, re-export, or permit the re-exportation of the Products to any country now or hereafter included in the US Department of Commerce's list of countries to which exportation of the Products is or may be restricted or prohibited, unless that exportation or re-exportation is specifically authorized by a special license issued by the U.S. Office of Export Administration. This provision shall not be interpreted to expand the definition of Territory set forth in Section 1.3 of this Agreement in any way.

2.12

Miscellaneous Covenants.

(a)

The Distributor will not alter, secure, remove, conceal or otherwise) interfere with any markings or nameplates or other indication of the source of origin of the Products.

(b)

Mirencos recognizes that the Distributor may use the Dealers to assist it with its sales of the Distributor's products containing Mirencos's Products. Mirencos acknowledges that Distributor intends to utilize CAT Dealers to promote the Products and Services within their Market Area, which for the purposes of this Agreement shall mean that geographic area defined by and within the current sales and service agreement by and between the respective CAT Dealer and

Distributor. Further, Mirencos recognizes that Distributor intends to engage no more than one Dealer per geographic area, which area may be a subset or overlap sections of Market Areas, and Mirencos hereby consents to such arrangement within the Territory. Should Distributor wish to increase its use of Dealers, Distributor will secure Mirencos prior written consent, which consent will not be unreasonably withheld.

The Parties acknowledge that entering into such a Dealer arrangement will not release the Distributor from any of its obligations under this Agreement. The Distributor shall be responsible for monitoring and ensuring that the Dealers comply with all of the terms and conditions of this Agreement which apply to the Distributor.

ARTICLE III OBLIGATIONS OF MIRENCO

3.1

Inventory and Training.

(a)

Maintain Reasonable Inventory. Based on historical and projected demand data for Products and Services, Mirencos shall maintain reasonable inventory levels at its facilities to support Wayne purchases of the Products and Services and at all times it shall exercise commercially reasonable efforts to have quantities sufficient for Wayne to meet its Minimum Purchase Requirements; provided, however, that the failure of Mirencos to provide such sufficient quantities shall in no way trigger the termination of exclusivity as provided for in Section 2.1(b) of this Agreement.

(b)

Training. Make available training concerning the Products and Services and related matters at Mirencos facilities or mutually agreed upon location, field training, and training materials to Wayne and its employees. Wayne will reimburse Mirencos for Mirencos reasonable costs, including but not limited to travel, salaries, meal and lodging, for any such training attended by Wayne and its employees.

3.2

Warranty.

(a)

Mirencos warrants to the Distributor that, subject to the limitations in Section 3.3 below, at the time of delivery by Mirencos to the Distributor, (i) the Products will be in conformance with Mirencos specifications; (ii) the Products will be substantially free of defects in material and workmanship; (iii) the Products will be fit for use in off-road, heavy equipment and on-highway vehicles and equipment to provide adjustable throttle control for electronic-injected diesel engines (and other engines as designated by Mirencos in the future); (iv) Mirencos is the true and lawful owner of the Products and Services and has a good and perfect right to sell and transfer good and marketable title thereto, free and clear of all liens, encumbrances, claims, pledges, security interests, or other restrictions on transfer; and (v) no other party holds any right, title or interest in or to the Products and Services, including intellectual property interests and the transfer of the Products and Services contemplated by this Agreement shall not infringe on the rights of any other party (the **Warranty**). The Warranty will be effective for the period of 1 year from the date of purchase by the first user (the **Warranty Period**). Subject to Section 3.3, if the Distributor, any Dealer, or any customer of Distributor or

Dealer discovers any such defect within the Warranty Period, then Mirencos shall reimburse any reasonable labor cost (set annually) and dealer net cost of parts associated with warrantable failures of Products.

(b)

Mirencos disclaims all warranties to the first user of the Products and Services except as provided in Schedule 3.2(b), as modified by Mirencos from time to time. Any and all warranties issued by Mirencos prior to the Effective Date shall remain in full force and effect and unmodified by any provision of this Agreement. Anything to the contrary in this Agreement, including Schedule 3.2(b), notwithstanding, it is the intention and understanding of the Parties that Distributor and its Dealers and redistributors, and not Mirencos, shall be the first user point of contact for the Products, including any servicing, reporting or evaluation required under the Warranty or the First User Warranty.

(c)

In the event the Distributor issues a warranty to the first user of the Products and Services, such warranty shall be no less favorable to the first user than the warranty given to the Distributor by Mirencos.

3.3

Warranty Exclusion and Limitations

(a)

THE WARRANTY IS THE SOLE WARRANTY MADE BY MIRENCO WITH RESPECT TO THE ENGINES, IS EXCLUSIVE, AND IS GIVEN AND ACCEPTED IN LIEU OF (I) ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND (II) ANY OBLIGATION, LIABILITY, RIGHT, CLAIM OR REMEDY IN CONTRACT OR TORT, WHETHER OR NOT ARISING FROM THE NEGLIGENCE, ACTUAL OR IMPUTED OF MIRENCO.

(b)

The Warranty shall not apply to any Product if a Product or any part of a Product:

(i)

is damaged by misuse, accident, negligence or failure to maintain the Products as specified by Mirencos;

(ii)

has been altered, modified or in any way changed after delivery of the Product by Mirencos, unless such alteration, modification, or change has been authorized in writing by Mirencos;

(iii)

is installed, modified, operated or disassembled contrary to the procedures specified by Mirencos; or

(iv)

is used in combination with items, articles or materials not authorized by Mirencos.

(c)

In addition, except as provided on Schedule 3.2(b), the Warranty is subject to the following limitations:

(i)

Mirencos responsibility, and the Distributors exclusive remedy, under the Warranty is limited to the repair or replacement of defects in materials and workmanship as set forth below.

(ii)

THE WARRANTY IS THE ONLY WARRANTY APPLICABLE TO THE PRODUCTS. THE WARRANTY EXCLUDES ALL OTHER EXPRESS ORAL OR WRITTEN WARRANTIES AND ALL WARRANTIES IMPLIED BY LAW WITH RESPECT TO THE PRODUCTS, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

(iii)

The Warranty is for the benefit of, and shall be enforceable by or on behalf of, the Distributor only.

(iv)

Every claim under the Warranty for a particular Product shall be deemed waived by the Distributor unless such claim is made in writing to Mirencos within sixty days after the expiration of the Warranty Period.

(d)

MIRENCO IS NOT RESPONSIBLE FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE BREACH OF THIS OR ANY OTHER EXPRESS OR IMPLIED WARRANTY WITH RESPECT TO THE PRODUCTS. MIRENCO AGREES TO REIMBURSE ANY REASONABLE LABOR COST (SET ANNUALLY) AND DEALER NET COST OF PARTS ASSOCIATED WITH WARRANTABLE FAILURES OF MIRENCO PRODUCT.

3.4

Modification of Warranty. No agreement varying or extending the Warranty or the remedies set forth in this article will be binding upon Mirencos unless in writing and signed by a duly authorized officer of Mirencos.

3.5

Future Considerations. Mirencos will consider Wayne for distribution on future ventures of Mirencos, up to and including investment in Mirencos by Wayne.

ARTICLE IV TERMS AND CONDITIONS OF ORDERING AND PURCHASE

4.1

Notice of Requirements. The Distributor will give to Mirencos at least thirty (30) days notice of its requirements for Products in every month of this Agreement.

4.2

Orders. All orders for Products required by the Distributor must be dispatched by the Distributor to Mirencos in writing or by electronic data transmission.

4.3

Acceptance of Orders. No order placed will be deemed accepted until a formal acceptance has been dispatched to the Distributor by Mirencos in writing or by electronic data transmission.

4.4

Conditions of Sale. Each order placed by the Distributor for the purchase of Products or Services and accepted by Mirencos will (whether or not expressly stated in the order or acceptance) be deemed to have been so accepted upon and subject to the terms and conditions of this Agreement, including Mirencos standard terms and conditions of sale as such terms and conditions are detailed on Exhibit E attached hereto, as the same may be modified by agreement by Wayne and Mirencos from time to time. The Distributor shall take delivery of the Products at Mirencos facility, title to the Products shall pass upon delivery, and the Distributor will be responsible for all transportation costs and expenses from Mirencos facility.

4.5

Payment. All payments, including charges for the purchase price, taxes, shipping, and other costs that are payable by Distributor shall be (i) prepaid or (ii) paid upon such other payment terms as may be agreed to in writing by Mirencos.

4.6

Modifications by Mirencos. Mirencos may make modifications to the design of, or fitments to, any of the Products or make improvements to them at any time, but shall be under no obligation to apply the same to any Product previously purchased by the Distributor. Any products made to special specifications requested by the Distributor, which specifications require substantial alterations to Mirencos production facilities, may, at the mutual agreement of the Parties, be subject to the terms and conditions of a separate agreement governing the same.

4.7

No Modifications by the Distributor. The Distributor will not make any modifications to, or in any way vary, the Mirencos specifications of any of the Products or Services.

4.8

Right to Discontinue. Mirencos reserves for itself the right to discontinue the manufacture of any Product, or the provision of any of the Services. However, Mirencos acknowledges that Distributor will be relying on Mirencos

supplying Products and Services as Distributor develops a market for the same. Because of that reliance, Mirencos agrees to use commercially reasonable efforts to provide, in a timely manner, replacement products and services of quality at least equal to that of the Products and Services.

4.9

Taxes

(a)

Distributor will pay, or reimburse Mirencos for any taxes, duties and tariffs, however designated, arising from or based upon Mirencos sale of the Product to Distributor, this Agreement, the licenses granted pursuant to the Agreement, or Distributors use or sale of the Products, but not including any income or corporate excise tax assessed against, or levied on, Mirencos.

(b)

If applicable, Distributor shall furnish Mirencos with whatever certificates or other instruments may be necessary or appropriate to evidence that Mirencos sales of the Products or Services to Distributor are not subject to tax under applicable law.

ARTICLE V LICENSED TRADEMARKS

5.1

License Grant. Effective on the Effective Date and ending on the date of the termination or expiration of this Agreement, Mirencos grants to the Distributor a non-transferable, non-exclusive license (the **License**) to use the Licensed Trademarks solely in the Territory for promoting the sale of Products and Services and for no other purpose whatsoever.

5.2

License Terms. The remaining terms governing the granting of the License are as follows.

(a)

The Distributor shall only use the Licensed Trademarks in accordance with the instructions, standards of quality and specifications set by and approved by Mirencos from time to time.

(b)

The Distributor acknowledges and agrees that, Mirencos is the sole and lawful owner of the Licensed Trademarks and the Distributor has no right, title or interest in or to the Licensed Trademark, or any part thereof; except the right to use the same as set out in this article and that nothing in this Agreement will be construed as an assignment or grant to the Distributor of any right, title or interest in or to the Licensed Trademarks other than by way of the License granted in this Agreement.

(c)

The Distributor will not challenge, directly or indirectly, Mirencos right, title or interest in the Licensed Trademarks or any one or more of them during or after the term of this Agreement or adopt or use any trademark, symbol, name, word or other mark which includes, or is confusingly similar to, any of the Licensed Trademarks or any part of the Licensed Trademark.

(d)

Upon termination of this Agreement, the Distributor will immediately cease to use the Licensed Trademarks and will remove and discontinue the use of all signs, stationery, advertising and other material that would make it appear to the public that the Distributor is still in any way associated with Mirencos or the rights granted under this Agreement.

(e)

ARTICLE VI TERM AND TERMINATION

6.1

Assuming that the Minimum Purchase Obligation has been met by the Distributor, this Agreement shall be extended for additional one-year terms, expiring on the next anniversary of the Effective Date, unless written notice of termination is delivered by either Party no less than 30 days prior to the expiration of the Term.

6.2

Termination. Notwithstanding Section 6.1, this Agreement may be terminated as follows:

(a)

if an Event of Default has occurred and is not cured within thirty days of receiving written notice of such event by the non-defaulting Party to the other Party; provided, however, that such cure period shall not apply to (i) any Event of Default described in (d), (e), (f) or (g) of the definition of Event of Default, or (ii) any breach of Article VII;

(b)

(d)

6.3

Force Majeure

(a)

Upon giving written notice to the other Party, a Party affected by an event of Force Majeure (as defined in Section 6.3(c)) shall be released without any liability on its part from the performance of its obligations under this Agreement, except for the obligation to pay any amounts due and owing under this Agreement, but only to the extent and only for the period that its performance of such obligations is prevented by the event of Force Majeure. Such notice shall include a description of the nature of the event of Force Majeure, and its cause and possible consequences. The Party claiming Force Majeure shall promptly notify the other Party of the termination of such event. The Party invoking Force Majeure shall also provide to the other Party confirmation of the circumstances constituting Force Majeure. Such evidence may consist of a statement of an appropriate governmental department or agency where available, or a statement describing in detail the facts claimed to constitute Force Majeure.

(b)

(a)

All unfulfilled orders for Products or Services from the Distributor to Mirencos will automatically be cancelled except those which Mirencos agrees to fulfill.

(b)

All rights granted by Mirencos to the Distributor under this Agreement will immediately be relinquished by the Distributor with no further action required by either Party.

(c)

The Distributor will:

(i)

immediately discontinue all use of the Licensed Trademarks or any other trade marks, trade names, designations, and slogans owned or used by Mirencos, including on signs and in stationery and advertising as well as in websites and other electronic formats; and

(ii)

take no action that would make it appear to the public that the Distributor is still servicing or supplying the Products.

(d)

Any indebtedness of the Distributor to Mirencos will become due and payable on the date of termination of this Agreement.

(e)

Mirencos will have the option to repurchase from the Distributor, free from all liens and encumbrances, any new and unused Products which are unsold and in the Distributor's possession upon refund of the purchase price actually paid by the Distributor to Mirencos for such Products, less costs of reconditioning assessed by Mirencos at its sole discretion.

If Mirencos exercises that option, then Mirencos shall take delivery of the Products at the Distributor's facility, title to the Products shall pass upon delivery, and Mirencos will be responsible for all transportation costs and expenses from the Distributor's facility. Such option will extend for a period of ninety days from the date of termination and the Distributor will ensure that delivery of each such repurchased Product is in accordance with Mirencos's directions; provided, however, that nothing in this subsection will be construed so as to oblige Mirencos to purchase all or any part of the Distributor's inventory of Products. However, should Mirencos decline to repurchase all or any part of the Distributor's inventory of Products, Distributor shall, without penalty of any kind, be permitted to sell such Product to any willing buyer.

(f)

The Distributor will deliver to Mirencos all price lists, bulletins, manuals, catalogues and other literature and publications relating to sales and Product information, servicing and repair parts, together with a copy of all sales and

service record cards pertaining to the Products. For this purpose, the Distributor will give Mirencos or its nominee access at all reasonable times to all customer and service records, of the Distributor relating to the Products and permit copies to be taken of such records.

(g)

The Distributor will, at its expense, promptly, and in any event within ten days after the termination of this Agreement, at Mirencos option:

(i)

destroy all the Mirencos Confidential Information (in whatever form) and all reproductions of such information and all samples of materials provided by Mirencos to the Distributor in its possession or control and confirm such destruction to Mirencos in writing, or

(ii)

deliver to Mirencos all the Mirencos Confidential Information, including all such information that is electronically stored, all reproductions thereof and all samples of materials provided by Mirencos to the Distributor in its possession or control.

6.5

Surviving Covenants. Upon the termination of this Agreement, subject as otherwise provided in this Agreement and to any rights or obligations which may have accrued before such termination, no Party will have any further obligations to the other Party under this Agreement.

ARTICLE VII CONFIDENTIALITY

7.1

Confidentiality Obligations. The Distributor:

(a)

will, and will ensure that each of its directors, officers, employees, agents, Affiliates, and any Dealers (collectively, the **Distributor Agents**) will, hold in confidence and keep confidential the Mirencos Confidential Information;

(b)

(d)

which is required to be disclosed pursuant to law or a rule, regulation, policy or order of a governmental authority having jurisdiction or pursuant to a final order or judgment of a court of competent jurisdiction, and in such case the Parties will cooperate with one another to obtain an appropriate protective order or other reliable assurance that confidential treatment will be afforded to the Mirenc Confidential Information.

7.3

Reasonable Restriction. The Distributor agrees that the restrictions contained in this article are reasonable for the protection of the legitimate business interests of Mirenc.

7.4

Injunctive Relief. The Distributor acknowledges that a breach by it of any covenant contained in this article could result in damages to Mirengo which may not adequately be compensated for by monetary award alone. Accordingly, if any such breach by the Distributor occurs (either directly or through the actions of the Distributor Agents), then, in addition to all other remedies available to Mirengo at law or in equity, Mirengo will be entitled as a matter of right to apply to a court of competent jurisdiction for relief by way of restraining order, injunction, decree or otherwise, as may be appropriate, to ensure compliance with the provisions of this article.

7.5

This agreement to arbitrate shall be specifically enforceable against each Party.

8.2

At no time, however, may an arbitrator be selected by the AAA.

8.3

Enforcement. The Parties agree that an action to compel arbitration pursuant to this Agreement may be brought in any court of competent jurisdiction in the United States. Application may also be made to any such court for confirmation of any decision or award of the arbitrators, for an order of enforcement and for other remedies that may be necessary to effectuate such decision or award. The Parties consent to the jurisdiction of the arbitrators and of such court and waive any objection to the jurisdiction of such arbitrator and court.

8.4

Costs and Expenses. Each Party shall pay its or their own costs and expenses incurred as a result of arbitration under this article and each Party shall pay one-half of the costs and expenses of the arbitrator.

Mirencos, Inc. Enters Into An Exclusive North American Sales And Marketing Agreement With Whayne Supply Co., Inc.

For Immediate Release

RADCLIFFE, Iowa/EWORLDWIRE/Jan 16, 2009 --- Mirencos Inc. (OTCBB: MREO) is pleased and privileged to announce that it has entered into a distributor agreement with Whayne Supply Company, Inc., one of the oldest and largest Caterpillar equipment dealerships in North America. The agreement encompasses all of the United States and Canada. This business relationship arose after Whayne Supply and its customers documented significant fuel savings and reduced vehicle operation costs while using Mirencos products. The agreement gives Whayne Supply exclusive rights to market all of Mirencos products and services through a network of professional vehicle service centers with operations in the United States and Canada. Initially, the primary marketing focus for Mirencos products and services will be concentrated towards heavy duty diesel equipment throughout the Caterpillar network.

The agreement with Whayne Supply is viewed as an important step in the promotion of Mirencos testing and consulting business and it is expected to result in an increase in Mirencos product sales. Mirencos is responding by increasing its product inventory. Whayne Supply is in the process of expanding the marketing of Mirencos products and training through Caterpillar dealers.

The agreement with Whayne Supply culminated after several years of development work which demonstrated the benefit that Mirencos technology offered over other available fuel saving options.
