**EVERGREEN RESOURCES, INC.**

**PROXY STATEMENT  
 SPECIAL MEETING OF SHAREHOLDERS  
 GENERAL INFORMATION**

The enclosed proxy is solicited by and on behalf of the Board of Directors of Evergreen Resources, Inc., a Colorado corporation (the "Company" or "Evergreen"), for use at the Company's Special Meeting of Shareholders to be held at 1401 17<sup>th</sup> Street, Suite 1200, Denver, Colorado 80202, on November 20, 2003, at 10:00 a.m., Mountain Daylight Time, and at any adjournment thereof (the "Meeting"). This proxy statement and the accompanying proxy are being mailed to the shareholders of the Company on or about October 17, 2003.

Any person signing and returning the enclosed proxy may revoke it at any time before it is voted by giving written notice of revocation to the Company's stock transfer agent or by voting in person at the Meeting. Any written notice revoking a proxy should be sent to: Computershare Trust Company, Inc., P.O. Box 1596, Denver, Colorado 80201. The expense of soliciting proxies, including the cost of preparing, assembling and mailing these proxy materials, will be borne by the Company. It is anticipated that solicitations of proxies for the Meeting will be made by use of mail, telephone, fax or the Internet, or by the services of the Company's directors, officers and employees, without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of the Company's shares held of record by such persons, and the Company will reimburse such persons for their reasonable out-of-pocket expenses for that purpose.

All shares represented by valid proxies will be voted in accordance therewith at the Meeting. If no direction is made, validly executed and returned proxies will be voted for the proposal to amend the Company's amended and restated articles of incorporation and in the discretion of the proxy holders with respect to any other matters properly brought before the Meeting.

**SHARES OUTSTANDING AND VOTING RIGHTS**

All voting rights are vested exclusively in the holders of the Company's no par value common stock (the "Common Stock"), with each share entitled to one vote. Only shareholders of record at the close of business on September 26, 2003, the record date, are entitled to notice of and to vote at the Meeting. On September 26, 2003, the Company had 39,190,021 shares of Common Stock outstanding, each of which is entitled to one vote on all matters to be voted upon at the Meeting. No fractional shares are presently outstanding.

A majority of the outstanding shares of Common Stock represented in person or by proxy will constitute a quorum at the Meeting. The proposal to amend the Company's amended and restated articles of incorporation will be approved if the votes cast in favor of the proposal exceed the votes cast against it, again provided that a quorum is present. Abstentions and broker non-votes will have no effect on the proposal to amend the Company's amended and restated articles of incorporation, but will be counted for purposes of determining whether a quorum is present.

**SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS**

The following table sets forth certain information as of September 30, 2003, regarding the Common Stock beneficially owned by (i) each director of the Company; (ii) the Company's chief executive officer and each of the Company's three other most highly compensated executive officers; and (iii) all directors and executive officers as a group. No shareholder was known to the Company to be the beneficial owner of more than five percent of the outstanding Common Stock as of September 30, 2003. Beneficial ownership is determined in accordance with rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares subject to options or warrants held by that person that are currently exercisable or that are or may become exercisable within 60 days of September 30, 2003 are deemed outstanding. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Except as indicated in the footnotes to this table and under applicable community property laws, each shareholder named in the table has sole voting and dispositive power with respect to the shares set forth opposite the shareholder's name.

**PROPOSAL I APPROVAL OF AMENDMENT TO AMENDED  
AND RESTATED ARTICLES OF INCORPORATION TO  
INCREASE AUTHORIZED COMMON STOCK**

The Board of Directors has adopted and recommended that the shareholders approve an amendment to the Company's Amended and Restated Articles of Incorporation, as amended (the "Articles"), to increase the number of authorized shares of Common Stock from 50,000,000

## Edgar Filing: EVERGREEN RESOURCES INC - Form DEF 14A

shares to 100,000,000 shares. The amendment would revise Article 4.1 of the Articles to read as follows:

4.1 *Common Stock.* The aggregate number of shares which this Corporation shall have authority to issue is 100 Million (100,000,000) shares with no par value each, which shares shall be designated "Common Stock."

If adopted, the amendment would become effective upon the filing of articles of amendment with the Colorado Secretary of State, which would occur as soon as practicable following the meeting. The remainder of the Company's Articles will not change.

On September 30, 2003, the Company had 39,215,052 shares of Common Stock outstanding. On that date, an additional 2,749,782 shares of Common Stock were reserved for issuance pursuant to the Company's equity compensation plans and an additional 4,000,000 shares of Common Stock were reserved for issuance pursuant to conversion of the Company's 4.75% senior convertible notes due 2021. The Company has also reserved 3,688,968 shares of Common Stock for the acquisition of Carbon Energy which is scheduled to close on or about October 29, 2003. The additional authorized shares of Common Stock would be available for future issuance by the Company.

Because the aggregate number of shares issued and reserved for future issuance (49.7 million) currently approaches the maximum number of shares the Company is authorized to issue under the Articles (50,000,000), approval of the proposed amendment to the Articles is necessary to enable the Company to respond to future business requiring the issuance of shares, including consummation of common stock-based financings, acquisition transactions involving the issuance of Common Stock, issuances of Common Stock under the Company's equity compensation plans, stock splits or dividends and issuances of Common Stock for other general corporate purposes. Although the Company has no present plans to issue additional shares of Common Stock, except for shares reserved for future issuance as noted in the preceding paragraph, approval of the proposed amendment to the Articles will allow the Company to act promptly in the event opportunities requiring the issuance of additional shares arise. Failure of the shareholders to approve the proposed amendment would adversely affect the Company's ability to pursue such opportunities.

Issuance of additional shares of Common Stock would dilute the voting rights and could dilute equity and earnings per share of existing shareholders. The proposed increase in authorized but unissued shares of Common Stock could be used by the Board of Directors to make a change in control of the Company more difficult. However, the Board of Directors' purpose in recommending this proposal is not as an anti-takeover measure, but for the reasons discussed above.

Authorized shares of Common Stock may be issued by the Board of Directors from time to time without further shareholder approval, except in situations where shareholder approval is required by state law or the rules of the New York Stock Exchange. Shareholders of the Company have no preemptive right to acquire additional shares of Common Stock, which means that current shareholders do not have a right to purchase any new issue of shares of Common Stock in order to maintain their proportionate ownership interests in the Company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE PROPOSAL TO AMEND THE CORPORATION'S ARTICLES TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK.
