RE: Demand with respect to Submitting a Shareholder Proposal and Advanced Notice of Auction Rate Cumulative Preferred Stock Nominations for Election as Directors of Western Asset Municipal Partners Fund Inc. ("MNP" or the "Fund"), CUSIP 95766P207

Mr. Frenkel: Cede & Co., the nominee of The Depository Trust Company ("Cede & Co."), is a holder of record of shares of auction rate cumulative preferred stock, \$50,000 par value per share (The "Auction Rate Preferred Shares"), of Western Asset Municipal Partners Fund Inc. (the "Company", "Fund" or "MNP"). These shares are registered on the stock transfer books of the Company in the name of Cede & Co. Cede & Co. is informed by its Participant U.S. Bank N.A. (the "Participant"), that on the date hereof 2 shares of the Auction Rate Cumulative Preferred Stock, CUSIP 95766P207, which are credited to the Participant's account are beneficially owned by Karpus Management, Inc., d/b/a Karpus Investment Management ("Karpus"). Cede & Co.'s address is: c/o The Depository Trust Company, 55 Water Street, New York, NY 10041-0099. Participant U.S. Bank N.A.'s address is: U.S. Bank, c/o Megan Condon, 1555 N. RiverCenter Dr., Milwaukee, Wisconsin 53212. Beneficial owner Karpus' address is: 183 Sully's Trail, Pittsford, New York 14534. At the request of Participant, on behalf of Karpus, Cede & Co., as holder of record of shares of Auction Rate Cumulative Preferred Stock, is hereby submitting this notice (the "Notice") to the Company to submit the attached 14a-8 proposal and following director nomination of Robert N. Gordon ("Mr. Gordon") to shareholders at the Company's 2015 Annual Meeting of Shareholders, and any postponement or adjournment thereof (the "Annual Meeting"), anticipated to be held in February 2015. The proposal is attached as Exhibit 1. Cede & Co. has been informed by Karpus that Karpus is seeking at the Annual Meeting to elect Robert N. Gordon as a member of the Board of Directors of the Fund, to be elected by the vote of the Auction Rate Cumulative Preferred Stock, voting separately as a class to elect one board member at the Annual Meeting, and in that regard Cede & Co. hereby nominates Mr. Gordon (a "Nominee") as nominee for election as a director of the Fund, to be elected by the vote of the Auction Rate Cumulative Preferred Stock, voting separately as a class to elect one board member at the Annual Meeting. Mr. Gordon's consent to be named as a nominee for election as a director of the Fund, to be elected by the vote of the Auction Rate Cumulative Preferred Stock, voting separately as a class to elect one board member at the Annual Meeting, and his consent to serve if elected is attached hereto as Exhibit 2. To the best of Karpus' knowledge, it does not believe that Mr. Gordon is an "interested person" of MNP as defined in the Investment Company Act of 1940. Mr. Gordon's biographical information is as follows:

Robert N. Gordon; Age: 61; Address: c/o Twenty-First Securities Corporation, 780 Third Avenue, 24th Floor, New York, New York 10017; Nationality: U.S. Citizen; Professional Experience: Mr. Gordon is the president of Twenty-First Securities Corporation, which he founded in 1983. Since 1991, Mr. Gordon has served as an adjunct professor at New York University's Graduate School of Business. He has also been involved with the Wharton School's Securities Industry Institute since 1979, starting as a student, becoming a lecturer in 1983, and serving as chairman in 1994 and 1995. Mr. Gordon has had many roles at the Securities Industry Association, having served as an SIA director, as treasurer, as chairman of the Tax Policy Committee and chairman of the New York District. He is a member of the Wall Street Tax Association and the New York State CPA Society. Mr. Gordon writes a monthly column for InvestmentNews; is the author (with Jan Rosen) of *Wall Street Secrets for Tax Efficient Investing* and author or coauthor of chapters in *Tax Planning for the Affluent*, *Market Shock* and Harold Evensky's *The Investment Think Tank*. He has published many articles on tax, arbitrage and hedging strategies. He serves on the editorial advisory boards of *Derivatives Report*, *The Journal of Taxation and Investments* and *The Journal of Wealth Management*. Before founding Twenty-First Securities, Mr. Gordon was a partner at Oppenheimer & Company. Prior to that, he worked at Laidlaw, Adams & Peck, where he became a regional manager and senior vice president. He has been involved with investment industry since 1976. Cede & Co. has been informed by Karpus that Karpus believes the nomination and proposal included in this Notice, and all exhibits hereto, are proper matters for shareholder action. Further, Karpus deems the Nominee to be an appropriate candidate for election by the vote of the Auction Rate Cumulative Preferred Stock, voting separately as a class to elect one board member at the Annual Meeting, and also believes that the Nominee's presence on the Board of Directors of the Fund, as a director elected by the Auction Rate Cumulative Preferred Stock voting separately as a class to elect one board member, will help to enhance shareholder value, although there can be no assurance that the election of the Nominee will improve the Fund's business or otherwise enhance shareholder value. As an Auction Rate Cumulative Preferred Stock shareholder, Karpus does not feel that it is receiving adequate representation from the existing Auction Rate Cumulative Preferred Stock directors and therefore submits the Nominee and 14a-8 shareholder proposal listed in this Notice. Cede & Co. has been informed by Karpus that Karpus intends to appear at the Meeting in person or by proxy to submit the business specified in this Notice. Cede & Co. has further been informed by Karpus that Karpus is submitting the attached proposal and director nomination at the Meeting and in that regard Cede & Co. hereby submits the attached proposal and director nomination for presentation by Karpus at the Meeting. Please advise both Karpus and Cede & Co. immediately if this Notice with respect to nominating Mr. Gordon and submitting the attached proposal is deficient in any way or if any additional information is required so that we may promptly provide that information or cure any deficiency in a timely fashion. While Cede & Co. is furnishing this Notice as the stockholder of record of the referenced shares of Auction Rate Cumulative Preferred Stock nominating Robert N. Gordon and submitting the attached proposal at the Meeting, it does so at the request of Participant and Karpus and only as a nominal party for the true party in interest, Karpus. Cede & Co. has no interest in this matter other than to take those steps which are necessary to ensure that Karpus is not denied its rights as the owner of Auction Rate Cumulative Preferred Stock, and Cede & Co. assumes no further responsibility in this matter.

Sincerely yours,
Cede & Co.

Shareholder Proposal

BE IT RESOLVED, that the Board of Trustees of the Western Asset Municipal Partners Fund Inc. ("MNP" or the "Fund") consider taking all steps necessary to cause MNP to redeem all outstanding auction rate cumulative preferred stock ("ARCPS") at par including, but not limited to, consideration of eliminating all leverage or replacing such shares with alternate form(s) of leverage. When MNP holds its 2015 Annual Shareholder meeting, it will have been just over 7 years since the last auction for MNP's auction market preferred shares took place. ARCPS holders' investments remain frozen, with no liquidity at par value. **We feel that it is time for the Fund to emulate the actions of the many responsible closed-end funds which have redeemed and refinanced their frozen preferred shares, and act in a proactive fashion by redeeming all remaining outstanding ARCPS at par and eliminate all leverage or replace such shares with alternate form(s) of leverage.** If the Fund takes steps to complete the redemption of all outstanding ARCPS, this will benefit existing ARCPS' shareholders by providing liquidity at par value. It may also benefit common shareholders by taking advantage of historically low interest rates available through alternative financing vehicles, while simultaneously mitigating the risk of a significant increase in the cost of leverage should short-term interest rates rise. ARCPS holders must be afforded liquidity for their shares at full value and common shareholders must be protected from a potentially higher cost of leverage should short-term interest rates rise. Karpus strongly urges your support for its proposal. Thank you.
