PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD MAY 20, 2015

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is being furnished in connection with the solicitation by the Board of Directors of Central Federal Corporation (the "Company") of proxies to be voted at the Annual Meeting of Stockholders of the Company (the "Meeting") to be held at the New Albany Country Club, 1 Club Lane, New Albany, Ohio 43054, at 10:00 a.m., local time, on May 20, 2015, and at any and all postponements or adjournments thereof. Your vote is very important. This Proxy Statement, the accompanying proxy card and the 2014 Annual Report to Stockholders are being first sent or given on or about April 20, 2015 to stockholders of record at the close of business on April 6, 2015. The Board of Directors encourages you to read this Proxy Statement thoroughly and to take this opportunity to vote on the matters to be decided at the Meeting.

This Proxy Statement, the form of proxy card and the Company's 2014 Annual Report to Stockholders are also available at <http://CFBankonline.com/secproxy>.

ATTENDING THE MEETING AND VOTING PROCEDURES

WHO MAY ATTEND THE MEETING?

If you are a stockholder of record as of the close of business on April 6, 2015 (the “Record Date”), you are entitled to attend the Meeting. Please note, however, that if you hold your shares in street name (i.e., you are a beneficial owner of shares of Company common stock that are held by a broker, bank or other nominee), you will need proof of ownership to be admitted to the Meeting. See “HOW DO I VOTE” and “Must I VOTE BY proxy or may I vote in person at the annual meeting?” for additional information.

WHO IS ENTITLED TO VOTE?

You are entitled to vote your shares of common stock if the Company’s records show that you held your shares as of the close of business on the Record Date. As of the close of business on the Record Date, a total of 15,823,710 shares of common stock of the Company were outstanding and entitled to vote. Each share of common stock is entitled to one vote on each matter presented at the Meeting, except as described below.

As provided in the Company’s Certificate of Incorporation, as amended, record holders of common stock that is beneficially owned, either directly or indirectly, by a person (either a natural person or an entity) who, as of the close of business on the Record Date, beneficially owned a total number of shares of common stock in excess of 10% of the outstanding shares of common stock (the “10% limit”) are not entitled to vote any of their shares that are in excess of the 10% limit, and those shares are not treated as outstanding for voting purposes. For purposes of calculating the 10% limit, a person is deemed to beneficially own shares owned by an affiliate of, as well as by persons acting in concert with, such person. The Company’s Certificate of Incorporation, as amended, authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the 10% limit, including determining whether persons are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the 10% limit supply information to the Company to enable the Board of Directors to implement and apply the 10% limit. As of the Record Date, the Company was not aware of any person who beneficially owned more than 10% of the Company’s outstanding common stock.

HOW DO I VOTE?

If you were a stockholder of record as of the Record Date, you may vote in person by attending the Meeting or you may vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage-paid envelope, or follow the procedures on the proxy card to vote your shares electronically. If you hold your shares through a broker, bank or other nominee, you are considered to hold your shares in “street name,” and you will receive separate instructions from the nominee describing how to vote your shares. Please note that if you hold your shares in street name and wish to vote those shares in person at the Meeting, you will need to obtain a legal proxy from the broker, bank or other nominee that holds those shares for you.

Must I VOTE BY proxy or may I vote in person at the annual meeting?

You may vote in person at the Meeting if you are a stockholder of record and you provide at the Meeting the identification required for admission. To be admitted at the Meeting, you may need to present personal photo identification. If your shares are held in street name (i.e., the shares are not registered in your name), you must (1) bring personal photo identification and proof of stock ownership to the Meeting to be admitted, and (2) obtain and bring with you to the Meeting a legal proxy from your broker, bank or other institution in whose name your shares are held in order to vote those shares at the Meeting. A copy of your account statement or a letter from your broker, bank or other institution reflecting the number of shares of common stock you owned as of the Record Date (April 6, 2015), will constitute adequate proof of stock ownership.

HOW WILL MY SHARES BE VOTED?

Shares of Company common stock which are represented by properly executed proxy cards that are received prior to the Meeting, and not subsequently revoked, will be voted by your proxies in accordance with your instructions. If you submit a valid proxy card prior to the Meeting but do not provide voting instructions, your proxies will vote your shares as recommended by the Board of Directors, except in the case of broker non-votes where applicable, as follows:

- “FOR” the election as Directors of the Company of the three (3) nominees listed below under the heading “PROPOSAL 1 – ELECTION OF DIRECTORS”;
- “FOR” the non-binding advisory resolution to approve the compensation of the Company’s named executive officers as disclosed in this Proxy Statement; and
- “FOR” the ratification of the appointment of BKD, LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2015.

If any other matters are properly presented for voting at the Meeting, the persons appointed as proxies will vote on those matters, to the extent permitted by applicable law, in accordance with their best judgment. No appraisal or dissenters’ rights exist for any action proposed to be taken at the Meeting.

CAN I REVOKE OR CHANGE MY VOTE AFTER I SUBMIT MY PROXY?

You may revoke your proxy at any time before the vote is taken at the Meeting. To revoke your proxy, you must either advise the Corporate Secretary of the Company in writing before your shares have been voted at the Meeting,

deliver to the Company another proxy that bears a later date, or attend the Meeting and vote your shares in person. Attendance at the Meeting will not, by itself, revoke your proxy. The last-dated proxy you submit (by any means) will supersede any previously submitted proxy. If you have instructed your broker, bank or nominee to vote your shares, you must follow directions received from your broker, bank or nominee to change your vote.

WHAT CONSTITUTES A QUORUM FOR THE MEETING?

A quorum exists if a majority of the outstanding shares of common stock entitled to vote (after subtracting any shares in excess of the 10% limit) at the Meeting is present in person or represented by proxy at the Meeting. The Meeting will be held if a quorum exists at the Meeting. If you return valid proxy instructions or attend the Meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining a quorum. If there are not sufficient shares present or represented by proxy at the Meeting to constitute a quorum or to approve or ratify any proposal at the time of the Meeting, the Meeting may be adjourned or postponed in order to permit the further solicitation of proxies.

WHAT VOTE IS REQUIRED FOR EACH PROPOSAL?

The rules of The NASDAQ Stock Market LLC (“NASDAQ”), the stock exchange on which the Company’s common stock is listed, determine whether proposals presented at stockholder meetings are routine or non-routine. If a proposal is routine, a broker holding common shares for a beneficial owner in street name may vote on the proposal without receiving instructions from the beneficial owner. If a proposal is non-routine, the broker may vote on the proposal only if the beneficial owner has provided voting instructions. A broker non-vote occurs when the broker is unable to vote on a proposal because the proposal is non-routine and the beneficial owner does not provide any instructions.

The ratification of the appointment of the Company’s independent registered public accounting firm (Proposal 3) is the only routine matter. Each of the other proposals is considered a non-routine matter and, therefore, your broker may vote on these matters only if you provide voting instructions. Accordingly, it is important that you provide instructions to your broker on these matters.

- Proposal 1 – Election of Directors

Under Delaware law and the Company’s Bylaws, Directors are elected by a plurality of the votes cast. This means that the three (3) nominees receiving the greatest number of votes “FOR” election will be elected Directors. Shares as to which the authority to vote is withheld and broker non-votes will be counted for quorum purposes but will not affect whether a nominee has received sufficient votes to be elected.

- Proposal 2 – Non-Binding Advisory Resolution to Approve the Compensation of the Company’s Named Executive Officers

Under the Company’s Bylaws, the affirmative vote of a majority of the votes cast is required to approve the non-binding advisory resolution to approve the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement. Abstentions and broker non-votes are not counted as votes cast and will not be counted in determining whether the proposal has been approved.

- Proposal 3 – Ratification of the Appointment of the Company’s Independent Registered Public Accounting firm

Under the Company’s Bylaws, the affirmative vote of a majority of the votes cast is required to ratify the appointment of BKD LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2015. Abstentions are not counted as votes cast and will not be counted in determining whether the

proposal has been approved.

WHO WILL COUNT THE VOTE?

The Company's transfer agent, Computershare, will tally the vote, which will be certified by an Inspector of Election. The Board of Directors has designated John W. Helmsdoerfer, Executive Vice President and Chief Financial Officer of the Company, to act as the Inspector of Election for the meeting. Mr. Helmsdoerfer is an officer of the Company and an officer and employee of the Company's wholly-owned operating subsidiary, CFBank, a federally chartered savings association.

IS THE BOARD OF DIRECTORS AWARE OF ANY OTHER MATTERS THAT WILL BE PRESENTED AT THE ANNUAL MEETING?

The Company's Board of Directors is not aware of any other matters to be presented at the Meeting. If any matters not described in this Proxy Statement are properly presented at the Meeting, the persons named in the proxy card will use his or her best judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the Meeting in order to solicit additional proxies.

WHO PAYS THE COST OF PROXY SOLICITATION?

The Company will pay the cost of this proxy solicitation. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Company's common stock. Directors, officers and regular employees of the Company may also solicit proxies personally or by telephone and will not receive additional compensation for these activities.

Delivery of Proxy Materials to Multiple Stockholders Sharing the Same Address

Unless we have received contrary instructions, we send a single copy of the annual report, proxy statement and notice of annual meeting to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. Each stockholder in the household will continue to receive a separate proxy card. This process, known as “householding,” reduces the volume of duplicate information received at those households and helps reduce our expenses.

If you would like to receive your own set of the annual report, proxy statement and notice of annual or special meetings this year or in future years, please follow the instructions described below:

If your shares are registered in your own name, please contact our transfer agent, Computershare, and inform them of your request to revoke householding by calling them at 1-800-368-5948 or writing to them at Computershare, 250 Royall Street, Canton, MA 02021. After receiving your revocation, we will promptly send individual documents to you.

If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly.

If two or more stockholders residing in the same household individually receive copies of the annual report, proxy statement and notice of annual or special meeting and as a household wish to receive only one copy, you may contact our transfer agent at the address and telephone number listed above in the case of registered holders, or your bank, broker or other nominee directly if such bank, broker or other nominee holds your shares, and request that householding commence as soon as practicable.

WHO SHOULD I CALL IF I HAVE QUESTIONS?

If you have questions concerning this proxy solicitation, or the proposals to be considered at the Meeting, please call Thad Perry, President, at (614) 334-7979.

CORPORATE GOVERNANCE

DIRECTOR INDEPENDENCE

The Board of Directors of the Company has determined that all of its directors, except Timothy O'Dell and Thad Perry, are "independent directors," as that term is defined by applicable listing standards of the NASDAQ Marketplace Rules and by the Securities and Exchange Commission (the "SEC"). The independent directors are Thomas P. Ash, Edward W. Cochran, James Frauenberg II, Robert E. Hoeweler and Robert H. Milbourne.

The NASDAQ independence definition includes a series of tests, such as that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. As required by the NASDAQ Marketplace Rules, the Board of Directors has made a subjective determination as to each independent director that no relationships exist that, in the opinion of the Board, would interfere with the exercise of his independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board of Directors reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and its management, including those described under the heading "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS" on page 9 of this Proxy Statement.

BOARD LEADERSHIP STRUCTURE

The Company's current Chairman, Robert E. Hoeweler, has served in this capacity since August 24, 2012. Mr. Hoeweler has extensive experience in the banking industry and intimate familiarity with the operations of financial institutions. As a result, he is able to provide unique insights as Chairman that are valuable to the Board in determining and overseeing the strategic direction of the Company.

Currently, the Board of Directors has placed the responsibilities of Chairman with an "independent" member of the Board, which we believe provides strong accountability between the Board and our management team. Our Chairman is responsible for providing leadership to the Board of Directors and facilitating communication among the directors, setting the Board meeting agendas in consultation with the Chief Executive Officer, and presiding at Board meetings. The Chairman also actively provides oversight to the activities and controls of the Company and CFBank. This delineation of duties allows the Chief Executive Officer to focus his attention on managing the day-to-day business of the Company and CFBank. We believe this structure provides strong leadership for our Board while positioning our Chief Executive Officer as the leader of the Company in the eyes of our customers, employees,

stockholders and other stakeholders.

The Board also believes that the Company and its shareholders are best served by a Board that has the flexibility to establish and change the Board's leadership structure from time to time to fit the needs of the Company. Pursuant to the Company's Corporate Governance Guidelines, the Board of Directors has the power and authority to combine or separate the positions of Chairman and Chief Executive Officer. Thus, from time to time, the Board may consider combining the roles of Chief Executive Officer and Chairman, and/or appointing a Lead Director. These decisions will be dependent upon the needs of the Company at that time, including the composition of the Board and the availability, willingness and qualifications of candidates to serve as Chairman and/or Lead Director, as well as other factors.

BOARD ROLE IN RISK OVERSIGHT

The Board of Directors is responsible for consideration and oversight of risks facing the Company and CFBank and is responsible for ensuring that material risks are identified and managed appropriately. The Audit Committee meets at least eight (8) times annually and with management for a portion of each meeting in order to review our major financial risk exposures and the steps management is taking to monitor and control such exposures. Directors also serve on committees that focus on major areas of risk in the Company and CFBank that include loans and compensation. Directors discuss risk and risk mitigation strategies with management within these committees. All risk oversight discussions are included in committee and other reports to the full Board of Directors.

BOARD MEETINGS AND COMMITTEES

The Board of Directors of the Company holds four (4) regular meetings annually and special meetings as called from time to time in accordance with the Bylaws of the Company. During fiscal 2014, the Company's Board of Directors held twelve (12) meetings. The Board of Directors of CFBank has the same composition as the Board of the Company and holds regular meetings monthly and special meetings as called from time to time in accordance with the Bylaws of CFBank. During fiscal 2014, CFBank's Board of Directors held twelve (12) meetings. No director during the period he served attended less than 75% of the Company's Board meetings and any committees on which he served.

The Board's principal standing committees during fiscal 2014 were the Audit Committee, the Compensation and Management Development Committee, and the Corporate Governance and Nominating Committee. Information regarding the functions of the Board's committees, their present membership and the number of meetings held by each committee during fiscal 2014 is set forth below. All committees operate under formal written charters adopted by the Board of Directors.

AUDIT COMMITTEE. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility relating to the integrity of our consolidated financial statements and the financial reporting processes, the systems of internal accounting and financial controls, compliance with legal and regulatory requirements, the annual independent audit of our consolidated financial statements, the qualifications and independence of our independent registered public accounting firm, the performance of our internal audit function and of our independent registered public accounting firm, and any other areas of potential financial risk to the Company as specified by the Board. The Audit Committee also is responsible for the appointment, retention and oversight of our independent registered public accounting firm, including pre-approval of all audit and non-audit services to be performed by the independent registered public accounting firm, and for the review and approval, on an ongoing basis, of all related-party transactions for potential conflict-of-interest situations. The Audit Committee Report appears on page 23 of this Proxy Statement.

During fiscal 2014, the Audit Committee held thirteen (13) meetings. The following directors served as members of the Audit Committee during fiscal 2014:

Audit Committee Members

Thomas P. Ash (Chair)
Robert E. Hoeweler
Edward W. Cochran
James H. Frauenberg II
Robert H. Milbourne

Each director who currently serves on the Audit Committee qualifies, and each director who served as a member of the Audit Committee during 2014 qualified, as an “independent director” under Rule 5605(a)(2) of the NASDAQ Marketplace Rules and under SEC Rule 10A-3(b)(1). None of such members of the Audit Committee has participated in the preparation of the financial statements of the Company or any of its current subsidiaries at any time during the past three years, and all of such members are able to read and understand fundamental financial statements, including our balance sheet, income statement and cash flow statement. The Board has also determined that Thomas P. Ash, the Chair of the Audit Committee, qualifies as an “audit committee financial expert” for purposes of Item 407(d)(5) of SEC Regulation S-K.

EXECUTIVE COMMITTEE. The Executive Committee is responsible for strategy formulation, the detailed development of the Company’s and CFBank’s Business and Capital Plan and for oversight of the detailed operations of the Company. The Executive Committee is also the working committee of the Board responsible for various activities including: identification, analysis, scenario development and action planning regarding issues and opportunities impacting CFBank’s current operations and future success. The Executive Committee also signs off on all information releases to outside parties. The Executive Committee is comprised of the Board Chairman, the CEO and the President of the Company, and meetings of the Executive Committee are also attended by the Company’s Chief Financial Officer. Executive Committee meetings are held bi-weekly and its activities are discussed with the Board at each Board meeting.

COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE. The Compensation and Management Development Committee (the “Compensation Committee”) has overall responsibility for reviewing, evaluating and

approving the director, officer and employee compensation plans, policies and programs of the Company and CFBank. The Compensation Committee is responsible for administering our equity compensation plans and for establishing, in consultation with executive management, the Company's general compensation philosophy and overseeing the development and implementation of executive compensation programs.

During fiscal 2014, the Compensation Committee held ten (10) meetings. All members of the Compensation Committee are independent as defined under the NASDAQ Marketplace Rules. The following directors served as members of the Compensation Committee during fiscal 2014:

Compensation Committee Members

Robert H. Milbourne (Chair)
Robert E. Hoeweler
James H. Frauenberg II

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE. The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to serve as Board members and recommending to the Board of Directors the director nominees for election or appointment to the Board. The Corporate Governance and Nominating Committee considers nominees in the context of standards codified in the Board's Corporate Governance Guidelines. The Committee periodically reviews the size and composition of the Board of Directors and determines whether to add or replace directors. The Corporate Governance and Nominating Committee may employ professional search firms, for which the Company would pay a fee to assist in identifying potential members of the Board of Directors with the desired skills and disciplines. However, no such firms were engaged or otherwise utilized during 2014. Final approval of director nominees is determined by the full Board of Directors, based on the recommendation of the Corporate Governance and Nominating Committee.

During fiscal 2014, the Corporate Governance and Nominating Committee held one (1) meeting. The following directors served as members of the Corporate Governance and Nominating Committee during 2014:

Corporate Governance and Nominating Committee Members

Thomas P. Ash
Robert E. Hoeweler
James H. Frauenburg II
Edward W. Cochran
Robert H. Milbourne

All members of the Corporate Governance and Nominating Committee during fiscal 2014 qualified as independent under the NASDAQ Marketplace Rules.

COMMITTEE CHARTERS. The authority and responsibilities of the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee are set forth in their charters, which are posted in the Investor Relations section of our website at <http://CFBankonline.com>.

NOMINATING PROCEDURE

The Corporate Governance and Nominating Committee recommends candidates, including incumbents, for election and appointment to the Board of Directors, subject to the provisions set forth in the Company's Certificate of Incorporation and Bylaws. Nominations are based on the criteria the Committee deems appropriate, which may include: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable obligations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to the Company's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations.

Nominations, other than those made by the Board of Directors after its review of the recommendations of the Corporate Governance and Nominating Committee, must be made by timely notice in writing to the Corporate Secretary as set forth in

Article I, Section 6(c) of the Company's Bylaws. In general, to be timely, a stockholder's notice must be received by the Company not less than ninety (90) days before the date of the scheduled annual meeting; however, if less than one hundred (100) days' notice or prior disclosure of the date of the scheduled annual meeting is given by the Company, the stockholder has until the close of business on the tenth (10th) day following the day on which notice or prior disclosure of the date of the scheduled annual meeting was made. The stockholder's notice must include all the information set forth in Article I, Section 6(c) of the Company's Bylaws, which includes the following:

(i) As to each person whom a stockholder proposes to nominate for election as a director:

- All information relating to the proposed nominee that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and

(ii) As to the stockholder giving the notice:

- The name and address of the stockholder as they appear on the Company's books; and
- The class and number of shares of the Company's capital stock that are beneficially owned by the stockholder.

The description above is a summary of the Company's nominating process. Any stockholder wishing to propose a director candidate to the Company must comply in full with the procedures set forth in the Company's Certificate of Incorporation and Bylaws, the SEC's proxy rules, and Delaware law.

QUALIFICATIONS OF DIRECTORS

The Board of Directors has codified certain standards for directors in the Board's Corporate Governance Guidelines. These guidelines provide that the Board of Directors should encompass, among other things, a diverse range of viewpoints, backgrounds, experiences and demographics sufficient to build a Board that is effective, collegial and responsive to the Company's operations and interests. The Corporate Governance Guidelines also provide that Board membership should be based on judgment, character, expertise, skills and knowledge useful to the oversight of the Company's business as well as on business or other relevant experience. Further, at all times a majority of the Board must be "independent directors," as defined from time to time by the listing requirements of NASDAQ and any specific requirements established by the Board. Each director also is expected to:

- provide loyalty, direction and oversight to the business and management of the Company;
- establish strategic direction of the Company;
- exercise business judgment in the best interests of the Company;
- review at least annually a management succession plan to ensure continuity in senior management;
- evaluate the principal executive officer;
- review and evaluate significant transactions;
- possess sufficient familiarity with the Company's principal operational and financial objectives and plans to ensure active and effective participation in the deliberations of the Board of Directors and each committee on which the director serves; and
- possess the capacity to obtain a basic understanding of the Company's results of operations and financial condition.

The Corporate Governance Guidelines are posted in the Investor Relations section of our website at <http://CFBankonline.com>.

CODE OF ETHICS AND BUSINESS CONDUCT

The Board of Directors has adopted a Code of Ethics and Business Conduct, which applies to all of our directors, officers and employees, including directors, officers and employees of our subsidiaries and other affiliates. Our Code of Ethics and Business Conduct is posted in the Investor Relations section of our website at <http://CFBankonline.com>.

BOARD MEMBER ATTENDANCE AT ANNUAL STOCKHOLDER MEETINGS

Although the Company does not have a formal policy regarding director attendance at annual stockholder meetings, directors are expected to attend these meetings absent extenuating circumstances. All of our directors attended last year's annual meeting of stockholders.

COMMUNICATIONS WITH DIRECTORS

The Board of Directors has adopted a process by which stockholders and other interested parties may communicate with the Board, any individual director or any committee chair by e-mail or regular mail. Communications by e-mail should be sent to roberthoeweler@CFBankmail.com. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

CFBank policy and Federal regulations related to insured financial institutions require that any and all loans or extensions of credit made by CFBank to related persons of the Company or CFBank, including executive officers, directors or their immediate family members, must (i) be made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to CFBank, (ii) not involve more than the normal risk of collectability and (iii) not present any other unfavorable features. All outstanding loans or extensions of credit made by CFBank to such related persons were made in compliance with these regulations and policies. In addition, loans made to a director or executive officer may not exceed an amount which, when aggregated with the amount of all other loans to such person and his or her related interests, is equal to 15 percent of the Bank's unimpaired capital and unimpaired surplus in the case of loans not fully secured, and an additional 10 percent of the Bank's unimpaired capital and unimpaired surplus with respect to loans that are fully secured. All loans outstanding to such related persons totaled \$682,000 at December 31, 2014, and were performing in accordance with their terms at that date.

On an annual basis, each director and each executive officer of the Company must complete a Directors' and Officers' questionnaire which requires disclosure of any transaction, arrangement or relationship with the Company and/or any of our subsidiaries since the beginning of the last fiscal year in which the director or executive officer, or any member of his or her immediate family, has or had a direct or indirect interest. As a part of its review process, CFBank

compares information to track originations of any new loans for a director or an executive officer, or any member of his or her immediate family, and reconciles all then current account information to ensure the data has been gathered and recorded accurately.

The Audit Committee is responsible for reviewing and overseeing policies designed to identify related person transactions that are material to the Company's consolidated financial statements or otherwise require disclosure under applicable rules adopted by the SEC, including those transactions required to be disclosed under Item 404 of SEC Regulation S-K, or the rules of any other appropriate regulatory agency or body. All such transactions must be approved in advance by the Audit Committee. Further, under the terms of the Company's Code of Business Conduct and Ethics, the Audit Committee is responsible for reviewing and overseeing all actions and transactions which involve the personal interest of a director or executive officer of the Company and determining in advance whether any such action or transaction represents a potential conflict of interest. In addition, under the terms of CFBank's Insider and Affiliate Credit and Regulation O Policy, all loans made to directors or executive officers of the Company or one of our subsidiaries must be reported to the Senior Credit Officer and the Compliance Officer. All such related party loans must conform to the Company's credit policy. To the extent any transaction represents an ongoing business relationship with the Company or any of our subsidiaries, such transaction must be reviewed annually and be on terms no more favorable than those which would be usual and customary in similar transactions between unrelated persons dealing at arm's length.

Shareholders may withhold authority to vote for the entire slate as nominated or may withhold the authority to vote for an individual nominee. Shares as to which the authority to vote is withheld and broker non-votes will be counted for quorum purposes but will not be counted toward the election of directors, or toward the election of the individual nominees specified on the proxy card.

The Board of Directors recommends that you vote "FOR" the re-election of each of the nominees listed above.

2014 COMPENSATION OF DIRECTORS

At the September 2012 meeting of the Company's Board of Directors, the Board voted to suspend director fees until the Company and CFBank were able to achieve positive cash flow from operations. On April 23, 2014, the Board voted to reinstate director fees in view of the fact that the Company was consistently achieving positive cash flow from operations. As a result, Board fees were paid beginning July 1, 2014.

Members of the Board of Directors who are not also officers or employees of the Company or CFBank ("non-employee directors") receive certain fees for their service on the Board of the Directors of the Company and CFBank. For 2014, each non-employee director received a monthly retainer in the amount of \$2,000, except that Mr. Hoeweler received an annual retainer in the amount of \$100,000 for his service as Chairman of the Board in recognition of the significant additional time and effort expended by Mr. Hoeweler as an outside director in connection with his duties as Chairman and as a member of the Executive Committee. Each non-employee director also receives a \$250 fee for each committee meeting attended, except that the chair of each committee received a \$500 fee for each committee meeting attended.

For 2014, each non-employee director received an additional \$7,500 fee (\$15,000 for Mr. Hoeweler as Chairman), payable in December, in recognition of the significant time and effort expended by the non-employee directors in assisting the Company to achieve profitability and to address and balance relevant risk metrics, and in view of the fact that no directors' fees had been paid since September of 2012.

Members of the Board of Directors are also eligible to receive stock options and other equity awards under the Company's 2009 Equity Compensation Plan. No stock options or other equity awards were granted to any of the directors during 2014.

COMPENSATION OF EXECUTIVE OFFICERS

OVERVIEW OF COMPENSATION PROGRAMS

The Compensation Committee of the Board has overall responsibility for reviewing, evaluating and approving the director, officer and employee compensation plans, policies and programs of the Company and CFBank. The Compensation Committee is responsible for administering our equity compensation plans and for establishing, in consultation with executive management, the Company's general compensation philosophy and overseeing the development and implementation of executive compensation programs. The responsibilities of the Compensation Committee include, but are not limited to: evaluation and approving goals and objectives relevant to compensation of the chief executive officer and other executives; evaluating the performance of those executive officers in light of those goals and objectives; and, recommending to the Board compensation policies for outside directors.

The compensation programs include a base salary as the primary source of compensation. However, other forms of compensation are utilized including: bonus incentive; stock options; retirement plans; health and life insurance benefits; and other perquisites including car and travel allowance.

The Compensation Committee regularly reviews the Company's compensation programs to ensure that controls are in place to ensure that employees are not presented with the opportunity to take unnecessary or excessive risks that could threaten the value of Central Federal Corporation. The committee reviews and approves both the company-wide and individual performance objectives that are used to determine how incentive payments are determined. The performance metrics are based on customary banking metrics as well as peer comparisons and trend analysis.

No compensation consultants were engaged by the Compensation Committee or the Board in 2014 or 2013.

COMPENSATION PHILOSOPHY AND OBJECTIVES

The Company's compensation program is designed to provide market relevant incentives and rewards to those leadership employees who are largely responsible for the success and growth of the Company and CFBank, and to assist the Company and CFBank in attracting executives and other key employees with experience and ability. Our compensation objectives begin with the premise that our success depends on the dedication and commitment of the employees in key management positions, and the incentives we provide those employees to successfully implement our business strategy and corporate goals. We base our compensation practices on meeting the demands of the employment market, aligning employees with our stockholders' interest, and driving superior performance.

Our compensation programs are designed to reward employees based upon their management responsibilities, performance levels, and their ability to create long-term value. Other considerations in the design of our compensation programs include: safe and sound operation of the bank; management of business risk; experience levels to operate in a complex business environment; and, and the retention and development of incumbent executive management. The Company's compensation program includes an annual review and adjustment to base salary based on corporate related objectives by which each employee's contribution to the Company's success is measured.

The Company believes that its' incentive compensation arrangements appropriately balance risk and financial results in a manner that does not expose the Company to imprudent risk taking. As such, the Company's incentive compensation arrangements take into account the risks, as well as the financial benefits, from the employee's activities and the impact of those activities on the Company's safety and soundness. In addition to the compensation programs being balanced in design, the implementation is such that actual payments may vary based on risks or risk outcomes. Management has risk-management processes and internal control processes in place that reinforce and support the development and maintenance of balanced incentive arrangements. Appropriate personnel have input into the process to assess the effectiveness of these processes in discouraging imprudent risk-taking. In addition, the Company monitors performance against key measurements and reserves the flexibility to revise the payments as needed if payments do not appropriately reflect risks.

COMPONENTS OF COMPENSATION

Compensation paid to executive officers in 2014 and 2013 consisted of base salary, , stock option awards granted under the Central Federal Corporation 2009 Equity Compensation Plan, 401(k) plan matching contributions and car allowances for certain executive officers.

In addition, the Board of Directors, upon the recommendation of the Compensation Committee, awarded discretionary bonuses to executive officers in 2014. The discretionary bonuses were awarded in recognition of the Company's performance in achieving certain financial and risk management objectives, as well as each employee's relative contribution and impact on these results and objectives. Key considerations included such items as: (a) the Company's and CFBank's significant improvement in financial performance, with the Company and CFBank returning to profitability in 2014; (b) CFBank's improved capital strength through the successful private placement of its Series B Preferred Stock in the aggregate of \$12.0 million, coupled with growth in capital from improved earnings; (c) CFBank's improved credit quality, including the reduction in special mention/classified loans and non-performing loans and increase in the allowance for loan losses and coverage ratios, and (d) management and improvement of various other risk management metrics and objectives based on customary banking metrics as well as peer comparisons and trend analysis.

The Company does not currently have any employment agreements, change of control agreements, or "golden parachute" arrangements in place with any of its executive officers or other employees.

PROPOSAL 2 – NON-BINDING ADVISORY VOTE ON
NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and corresponding SEC rules enable the Company’s stockholders to vote to approve, on an advisory and non-binding basis, the compensation of the Company’s named executive officers as disclosed in this Proxy Statement in accordance with SEC rules. At the Company’s 2013 annual meeting, the Company’s stockholders voted to recommend holding an advisory vote for the approval of the compensation of the Company’s named executive officers every year. Consistent with this recommendation, the Board of Directors is submitting the following resolution for stockholder approval at the Meeting:

“RESOLVED, that the stockholders of Central Federal Corporation (the “Company”) hereby approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Company’s Proxy Statement for its 2015 Annual Meeting of Stockholders pursuant to Item 402 of SEC Regulation S-K, including the compensation tables, notes and narrative disclosures contained under the heading “COMPENSATION OF EXECUTIVE OFFICERS” in the Company’s Proxy Statement.

The Board of Directors believes that the Company’s compensation policies and procedures, which are reviewed and approved by the Compensation Committee, are effective in aligning the compensation of the Company’s named executive officers with the Company’s short-term goals and long-term success and that such compensation and incentives are designed to attract, retain and motivate the Company’s key executives who are directly responsible for the Company’s continued success. The Board of Directors believes that the Company’s compensation policies and practices do not threaten the value of the Company or the investments of the Company’s stockholders or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on the Company. The Board of Directors further believes that the Company’s compensation policies and procedures are reasonable in comparison both to the Company’s peer bank holding companies and to the Company’s performance during the past year.

Stockholders are encouraged to carefully review the information provided in this Proxy Statement regarding the compensation of the Company’s named executive officers in the section captioned “COMPENSATION OF EXECUTIVE OFFICERS” beginning on page 14 of this Proxy Statement.

Because your vote is advisory, the outcome of the vote will not: (i) be binding upon the Company's Board of Directors or the Compensation Committee with respect to future executive compensation decisions, including those relating to the Company's named executive officers, or otherwise; (ii) overrule any decision made by the Company's Board of Directors or the Compensation Committee; or (iii) create or imply any additional fiduciary duty by the Company's Board of Directors or the Compensation Committee. However, the Compensation Committee expects to take into account the outcome of the advisory vote when considering future executive compensation arrangements.

Recommendation and Vote

Under the Company's Bylaws, the affirmative vote of a majority of the votes cast is required to approve Proposal 2. Abstentions and broker non-votes are not counted as votes cast and will not be counted in determining whether the proposal has been approved.

The Board of Directors recommends that you vote "FOR" Proposal 2.

PROPOSAL 3 – RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The appointment of the Company’s independent registered public accounting firm is made annually by the Audit Committee. The Audit Committee, with the approval of the Board of Directors, has appointed BKD, LLP to serve as the Company’s independent registered public accounting firm for 2015, subject to ratification by stockholders. BKD, LLP audited the Company’s consolidated financial statements for the fiscal year ended December 31, 2014.

A representative of BKD, LLP is expected to be present at the Meeting to respond to appropriate questions from stockholders and will have the opportunity to make a statement should he or she desire to do so.

Recommendation and Vote

The affirmative vote of a majority of the shares of common stock represented at the Meeting, in person or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of BKD, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015. The effect of an abstention is the same as a vote “AGAINST” Proposal 3. Even if the appointment of BKD, LLP is ratified by the shareholders, the Audit Committee, in its discretion, could decide to engage another firm if the Audit Committee determines such action is necessary or desirable. If the appointment of BKD, LLP is not ratified, the Audit Committee will reconsider the appointment (but may decide to maintain the appointment).

The Board of Directors recommends that you vote “FOR” Proposal 3.

AUDIT COMMITTEE MATTERS

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Effective as of April 17, 2014, the Board of Directors of Central Federal Corporation (the “Company”), upon the recommendation of the Audit Committee (the “Audit Committee”) of the Board of Directors, approved the engagement of BKD, LLP (“BKD”) to serve as the Company’s independent registered public accounting firm for the year ending December 31, 2014. The engagement of BKD resulted from a competitive request for proposal process undertaken by the Audit Committee pursuant to which the Audit Committee received proposals from BKD, Crowe Horwath LLP (“Crowe”) and one other independent registered public accounting firm.

During the Company’s fiscal years ended December 31, 2013 and 2012, and the subsequent interim period through April 17, 2014, neither the Company nor anyone on its behalf consulted with BKD regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report nor oral advice was provided that BKD concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a “disagreement” or a “reportable event,” as those terms are defined in Item 304 of Regulation S-K and the related instructions.

On April 17, 2014, the Company, at the direction of the Audit Committee, notified Crowe that it had been dismissed as the Company’s independent registered public accounting firm effective as of the completion of the audit of the Company’s consolidated financial statements for the year ending December 31, 2013. Crowe’s reports on the Company’s consolidated financial statements for each of the years ended December 31, 2013 and 2012, did not contain any adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company’s two years ended December 31, 2013 and 2012, and the subsequent interim period through April 17, 2014, (i) there were no disagreements between the Company and Crowe on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Crowe, would have caused Crowe to make reference to the subject matter of the disagreements in its report on the consolidated financial statements for such years, and (ii) there were no “reportable events” as that term is defined in Item 304 of Regulation S-K.

PRE-APPROVAL OF SERVICES

The Company's Audit Committee must pre-approve all engagements of the independent registered public accounting firm by the Company and its subsidiaries, including CFBank, as required by the Audit Committee's charter and the rules of the Securities and Exchange Commission. Prior to the beginning of each fiscal year, the Audit Committee approves an annual estimate of fees for engagements, taking into account whether the services are permissible under applicable law and the possible impact of each non-audit service on the independent registered public accounting firm's independence from management. In addition, the Audit Committee evaluates known potential engagements of the independent registered public accounting firm, including the scope of the proposed work to be performed and the proposed fees, and approves or rejects each service. Management may present additional services for approval at subsequent Committee meetings. The Audit Committee has delegated to the Audit Committee Chairman the authority to evaluate and approve engagements on behalf of the Audit Committee in the event a need arises for pre-approval between Committee meetings and in the event the engagement for services was within the annual estimate but not specifically approved. If the Chairman so approves any such engagements, he reports that approval to the full Committee at the next Committee meeting.

FEES OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BKD served as the Company's independent registered public accounting for the 2014 fiscal year, while Crowe served as the Company's independent registered public accounting firm for the 2013 fiscal year. The Audit Committee pre-approved all services rendered by BKD and Crowe for 2014 and 2013. BKD and Crowe billed the aggregate fees shown below for audit services, audit related services, tax services and other services rendered to the Company and its subsidiaries for the 2014 and 2013 fiscal years.

	2014	2013
Audit Fees (1)	\$ 112,500	\$ 99,000
Audit-Related Fees (2)	5,735	39,335
Tax Fees	-	12,000
All Other Fees (3)	2,691	2,594
Total	\$ 120,926	\$ 152,929

(1) Audit fees for 2014 include BKD audit fees of \$105,000 and fees in the amount of \$7,500 for Crowe's consent work.

(2) Includes fees related to the Company's 2014 private placement of Series B Preferred Stock and Warrants, and fees for additional audited related work performed for 2013.

(3) Includes fees related to accounting research products.

AUDIT COMMITTEE REPORT

The Company's Audit Committee has reviewed and discussed with management and with BKD, the Company's independent registered public accounting firm for 2014, the audited financial statements of the Company for the year ended December 31, 2014. In addition, the Audit Committee has discussed with BKD the matters required to be

discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee also has received the written disclosures and the letter from BKD required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communication with the Audit Committee concerning independence and has discussed with BDK its independence from the Company.

Based on the foregoing discussions and reviews, the Audit Committee has recommended to the Company's Board of Directors that the audited financial statements for the year ended December 31, 2014 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014, for filing with the SEC.
