**NOTES TO FINANCIAL STATEMENTS**

(Unaudited)

**Note 1 Basis of presentation**

The interim financial statements included herein, presented in accordance with United States generally accepted accounting principles and stated in US dollars, have been prepared by the Company, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission (SEC). Certain information and footnote disclosures normally included in financial statements prepared in accordance with US generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations, although the Company believes that the disclosures are adequate to make the information presented not misleading.

These statements reflect all adjustments, consisting of normal recurring adjustments, which, in the opinion of management, are necessary for fair presentation of the information contained therein. It is suggested that these interim financial statements be read in conjunction with the financial statements of the Company for the year ended December 31, 2010 and notes thereto included in the Company's Form 10-K annual report. The Company follows the same accounting policies in the preparation of interim reports.

Results of operations for the interim periods are not indicative of annual results.

**Note 2 History and organization of the company**

The Company was originally organized September 17, 2004 (Date of Inception) under the laws of the State of Nevada, as Teacher s Pet, Inc. On August 20, 2010, the Company filed an amendment to its articles of incorporation to change its name to Giggles N Hugs, Inc. The Company is authorized to issue 1,125,000,000 shares of its \$0.001 par value common stock.

The Company has had minimal operations. In accordance with FASB ASC 915-10, Development Stage Entities, the Company is considered a development stage company.

**Note 3 Going concern**

The Company's financial statements are prepared using generally accepted accounting principles in the United States of America applicable to a going concern which contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not yet established an ongoing source of revenues sufficient to cover its operating costs and allow it to continue as a going concern. As of June 30, 2011, the Company had an accumulated deficit of \$220,554. The ability of the Company to continue as a going concern is dependent on the Company obtaining adequate capital to fund operating losses until it becomes profitable. If the Company is unable to obtain adequate capital, it could be forced to cease operations.

The Company is currently contemplating an offering of its equity or debt securities to finance continuing operations. There are no agreements or arrangements currently in place or under negotiation to obtain such financing, and there are no assurances that the Company will be successful and without sufficient financing it would be unlikely for the Company to continue as a going concern.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraph and eventually secure other sources of financing and attain profitable operations. These financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts, or amounts and classification of liabilities that might result from this uncertainty.

**Note 7 Stockholders equity**

On July 15, 2010, the Company amended its articles of incorporation to increase the authorized capital from 75,000,000 common shares to 1,125,000,000 common shares. Additionally, the Company's board of directors approved a 15:1 forward stock split with a record date of July 30, 2010. **Note 9 Agreements**

On September 23, 2010, the Company entered into a reverse triangular merger by and among Giggles N' Hugs Sub Co., a Nevada corporation and wholly owned subsidiary of the Company, and GNH, Inc. ( GNH ), a Nevada corporation, SUB CO and GNH being the constituent entities in the merger, whereby the Company intends to issue 14,000,000 shares of its common stock in exchange for 100% of GNH 's outstanding common stock. Pursuant to the terms of the merger, SUB CO will be merged with GNH wherein SUB CO shall cease to exist and GNH will become a wholly owned subsidiary of the Company. The Merger was anticipated to become effective on June 30, 2011. On June 30, 2011, the parties had not completed all of the conditions to the merger and decided to extend the effective date to a later date in order to complete all the terms and conditions of the merger.

We are focused exclusively on successfully consummating the Merger with GNH. If we are unable to effect the proposed transaction, we will have limited capital resources and no saleable inventory with which to operate. Additionally, our ability to fund our operating expenses and debt service requirements are in doubt, and we cannot guarantee that we will be able to satisfy such. As such, we would require a significant infusion of cash through sales of our debt or equity securities. There are no formal or informal agreements to attain such financing. We cannot assure you that any financing can be obtained or, if obtained, that it will be on reasonable terms. Without realization of additional capital, it would be unlikely for us to continue as a going concern.

The Merger with GNH, upon closing, will provide us with the ownership of a Giggles N' Hugs Restaurant located in the Westfield Century City shopping complex.

**Note 10 Related party transactions**

From our inception to June 30, 2011, an officer and director of the Company contributed cash in the amount of \$18,800. The entire amount was contributed, is not expected to be repaid and has been recorded as additional paid-in capital.

The Company does not lease or rent any property. Office services are provided without charge by an officer and director of the Company. Such costs are immaterial to the financial statements and, accordingly, have not been reflected therein. The officers and directors of the Company are involved in other business activities and may, in the future, become involved in other business opportunities. If a specific business opportunity becomes available, such persons may face a conflict in selecting between the Company and their other business interests. The Company has not formulated a policy for the resolution of such conflicts.

**Note 11 Subsequent Events**

On August 12, 2011, we issued 10,000 shares of our restricted common stock to an accredited investor for a total purchase price of \$35,000 all which was paid in cash. The shares were purchased in August 2011.

## OVERVIEW AND OUTLOOK

### Background

Giggles N' Hugs, Inc., formerly Teacher's Pet, Inc., is a development stage company incorporated in the State of Nevada on September 17, 2004. Our prior stated business objective was to sell products and provide services to assist teachers and parents further the education of children aged between kindergarten through sixth grade. As of the date of this report, we generated minimal revenues from that line of business. Due to our lack of sufficient financial resources and inability to establish our educational supply business, we sought business opportunities with established companies and financing from third party sources. In August, 2010, we identified an opportunity to enter into a relationship with a child-friendly restaurant in Los Angeles, California.

On September 23, 2010, we entered into a reverse triangular merger by and among Giggles N' Hugs Sub Co., a Nevada corporation and wholly owned subsidiary of the Company, and GNH, Inc. (GNH), a Nevada corporation, SUB CO and GNH being the constituent entities in the merger, whereby we intend to issue 14,000,000 shares of our common stock in exchange for 100% of GNH's outstanding common stock. Pursuant to the terms of the merger, SUB CO will be merged with GNH wherein SUB CO shall cease to exist and GNH will become a wholly owned subsidiary of the Company. The Merger was anticipated to become effective on March 31, 2011. As of June 30, 2011, the parties had not completed all of the conditions to the merger and decided to extend the effective date to a later date in order to complete all the terms and conditions of the merger.

We are focused exclusively on successfully consummating the Merger with GNH. If we are unable to effect the proposed transaction, we have limited capital resources and no saleable inventory with which to operate our educational supply business. Additionally, our ability to fund our operating expenses and debt service requirements are in doubt, and we cannot guarantee that we will be able to satisfy such. As such, we would require a significant infusion of cash through sales of our debt or equity securities. There are no formal or informal agreements to attain such financing. We cannot assure you that any financing can be obtained or, if obtained, that it will be on reasonable terms. Without realization of additional capital, it would be unlikely for us to continue as a going concern.

The Merger with GNH, upon closing, will provide us with the ownership of a Giggles N' Hugs Restaurant located in the Westfield Century City shopping complex.

### Going Concern

The Company's financial statements are prepared using generally accepted accounting principles in the United States of America applicable to a going concern which contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not yet established an ongoing source of revenues sufficient to cover its operating costs and allow it to continue as a going concern. As of June 30, 2011, the Company had an accumulated deficit of \$220,554. The ability of the Company to continue as a going concern is dependent on the Company obtaining adequate capital to fund operating losses until it becomes profitable. If the Company is unable to obtain adequate capital, it could be forced to cease operations.

11

The Company is currently contemplating an offering of its equity or debt securities to finance continuing operations. There are no agreements or arrangements currently in place or under negotiation to obtain such financing, and there are no assurances that the Company will be successful and without sufficient financing it would be unlikely for the Company to continue as a going concern.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraph and eventually secure other sources of financing and attain profitable operations.

## **RESULTS OF OPERATIONS**

During the three months ended June 30, 2011, we did not generate revenue and during the three months ended June 30, 2010, we generated \$50 in revenue.

Operating expenses during the three months ended June 30, 2011 were \$52,527, all of which consisted of general and administrative expenses such as accounting, professional and miscellaneous office expenditures. In comparison, operating expenses in the three months ended June 30, 2010 were \$2,038, of which \$163 is attributable to depreciation expense and \$1,875 in general and administrative costs. The increase in total expenses from 2010 to 2011 is primarily attributable to an increase in legal fees, as well as an increase in accounting fees.

During the six months ended June 30, 2011, we did not generate revenue and during the six months ended June 30, 2010, we generated \$200 in revenue.

Edgar Filing: Giggles N' Hugs, Inc. - Form 10-Q

Operating expenses during the six months ended June 30, 2011 were \$73,436, all of which consisted of general and administrative expenses such as accounting, professional and miscellaneous office expenditures. In comparison, operating expenses in the six months ended June 30, 2010 were \$10,290, of which \$375 is attributable to depreciation expense and \$9,915 in general and administrative costs. The increase in total expenses from 2010 to 2011 is primarily attributable to an increase in legal fees, as well as an increase in accounting fees.

We have not been profitable from our inception in 2004 through June 30, 2011, and our accumulated deficit amounts to \$220,554. There is significant uncertainty projecting future profitability due to our history of losses and lack of revenues. We are materially dependent upon the successful closing of the September 23, 2010 Merger Agreement to be able to continue to operate as a going concern. In our current state, without merging with GNH, we have no recurring or guaranteed source of revenues and cannot predict when, if ever, we will become profitable. There is significant uncertainty projecting future profitability due to our minimal operating history and lack of guaranteed ongoing revenue streams.

*Liquidity and Capital Resources*

As of June 30, 2011, we had \$913,498 in cash and did not have any other cash equivalents. The following table provides detailed information about our net cash flow for all financial statement periods presented in this Quarterly Report. To date, we have financed our operations through the issuance of stock and borrowings.

The following table sets forth a summary of our cash flows for the six months ended June 30, 2011 and 2010:

Net cash used in investing activities was \$1,050,727 for the period ended June 30, 2011, as compared to \$0 used in investing activities for the same period in 2010. The increase in net cash used in investing activities was primarily due to an increase in related party note receivables.

***Financing activities***

Net cash provided by financing activities for the period ended June 30, 2011 was \$2,066,990, as compared to \$9,540 for the same period of 2010. The increase of net cash provided by financing activities was mainly attributable to proceeds from the sale of common stock in addition to proceeds from related party notes.

We believe that cash flow from operations will meet only a part of our present and near-term cash needs and thus we will require additional cash resources, including the sale of equity or debt securities, to meet our planned capital expenditures and working capital requirements for the next 12 months. We will require additional cash resources due to changed business conditions, implementation of our strategy to expand our sales and marketing initiatives as well as our current research and development programs, increase brand awareness, or acquisitions we may decide to pursue. If our own financial resources and then current cash-flows from operations are insufficient to satisfy our capital requirements, we may seek to sell additional equity or debt securities or obtain additional credit facilities. The sale of additional equity securities will result in dilution to our stockholders. The incurrence of indebtedness will result in increased debt service obligations and could require us to agree to operating and financial covenants that could restrict our operations or modify our plans to grow the business. Financing may not be available in amounts or on terms acceptable to us, if at all. Any failure by us to raise additional funds on terms favorable to us, or at all, will limit our ability to expand our business operations and could harm our overall business prospects.

**Off-Balance Sheet Arrangements**

We did not have any off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is material to investors.

### **Item 3. Quantitative and Qualitative Disclosure About Market Risk**

This item is not applicable as we are currently considered a smaller reporting company.

### **Item 4T. Controls and Procedures**

#### *Evaluation of Disclosure Controls and Procedures*

Our Principal Executive Officer and Principal Financial Officer, Tracie Hadama, has evaluated the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended) as of the end of the period covered by this Report. Based on that evaluation and assessment, Mrs. Hadama concluded that our disclosure controls and procedures are designed at a reasonable assurance level and are effective to provide reasonable assurance that information we are required to disclose in the reports that we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified by the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our principal executive and principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

#### *Changes in Internal Control Over Financial Reporting*

There were no changes in our internal control over financial reporting that occurred during our most recent fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

#### *Limitations on Effectiveness of Controls and Procedures*

In designing and evaluating the disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply its judgment in evaluating the benefits of possible controls and procedures relative to their costs.
