**Item 3.02 Unregistered Sales of Equity Securities.**

On October 19, 2007 the Company sold 1,667,596 unregistered securities units to accredited investors at \$5.03 per unit. Each unit consisted of one share of PURE Bioscience common stock and one quarter of a five-year warrant to purchase PURE Bioscience common stock at \$7.17 per share. A total of 419,394 such five-year warrants were issued to the investors. The offering purchase price represented an approximate 11% discount to the average closing price of the trailing ten days ending October 18, 2007. The aggregate of shares sold represent approximately 6.7% of the prior outstanding shares. The net proceeds to the Company were approximately \$7.72 million. A five-year warrant to purchase 167,776 shares of common stock at \$8.60 per share was issued to Taglich Brothers, Inc. as the placement agent. The net proceeds will be allocated to business development, research and development, working capital and other general corporate purposes.

The Company has agreed to file a registration statement with the Securities and Exchange Commission within ninety days of the closing for purposes of registering the resale of the common stock issued and sold in the private placement and the shares underlying the warrants issued to both the investors and the placement agent.

With respect to the unregistered sales made, the Company relied on Regulation D and Section 4(2) of the Securities Act of 1933, as amended. No advertising or general solicitation was employed in offering the securities. The securities were offered to sophisticated, accredited investors who were provided all of the current public information available on the Company.

The above description, which summarizes the material terms of the Placement Agreement and Warrant, is not complete. Please read the full text of the Placement Agreement and Warrant, which have been filed with the Securities and Exchange Commission as Exhibits to this Current Report.
