**Item 5.02 Departure of Directors of Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.**

As PURE Bioscience continues to grow and accelerate the commercialization of its products, the Compensation Committee's goal is to bring target total cash compensation in closer alignment with that of other similarly sized life science companies in its geographic marketplace. Since the Company's historic executive base salaries have been significantly below the market 50th percentile, it is the Compensation Committee's intent to bring base salaries in the range of the market 50th percentile. Therefore, on November 20, 2008, the Compensation Committee approved salary increases for certain of the Company's executive officers, effective December 1, 2008, in order to bring base salaries closer to the 50th percentile, although the base salaries remain below the 50th percentile. Salary for Michael L. Krall, Chief Executive Officer, will increase from \$200,000 to \$300,000; salary for Andrew J. Buckland, Chief Financial Officer, will increase from \$175,000 to \$225,000; and salary for Donna Singer, Executive Vice President, will increase from \$150,000 to \$200,000.

No other changes have been made to executive compensation or employment agreements.
