BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors is composed of five non-employee directors and one employee director. By Company guidelines and the listing requirements of The Nasdaq Stock Market, at least a majority of the Company's Board of Directors must be independent. The Board of Directors has determined that all five of its non-employee directors meet the requirement of independence. The only non-independent director is Mr. Hatcher, the Company's Chief Executive Officer.

The Board of Directors has adopted a Code of Business Conduct applicable to all employees, including the Chief Executive Officer, the Chief Financial Officer and other senior management. The code covers such topics as financial reporting, conflicts of interest, compliance with laws, fair dealing and use of Company assets. The code satisfies the requirements of a code of ethics under Section 406(c) of the Sarbanes-Oxley Act of 2002, and requires that any waiver of those provisions by executive officers or directors may be made only by the Board of Directors and must be promptly disclosed to shareholders along with the reason for the waiver.

The Board of Directors held five meetings in fiscal 2005. The Board of Directors has four standing committees, an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and an Executive Committee. The Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committees are composed entirely of non-employee directors whom the Board has determined are independent. Each of the Audit, Compensation and Governance Committees have adopted charters that have been approved by the Board of Directors. All Board members are encouraged to attend the Annual Meeting and last year they all did attend.

The Code of Business Conduct and the charters of the Audit, Compensation and Governance Committees are available on the Company's website at kmgchemicals.com or by writing to Corporate Secretary, KMG Chemicals, Inc. 10611 Harwin, Suite 402, Houston, Texas 77036. These documents will be provided free of charge. Material contained on our website is not incorporated by reference in, or considered to be part of, this Proxy Statement.

Audit Committee.

The Audit Committee advises the Board and management from time to time with respect to internal controls, systems and procedures, accounting policies and other significant aspects of the accounting, auditing and financial reporting practices of the Company. The Audit Committee also monitors the preparation of the Company's quarterly and annual reports and supervises the relationship between the Company and its external auditors. The committee met six times during fiscal 2005.

The Audit Committee operates under a charter approved by the Board of Directors. The Audit Committee's function under its written charter is to appoint the independent registered public accounting firm and auditors to audit the Company's financial statements and perform other services related to the audit; review the scope and results of the audit with the independent accountants; review with management and the independent accountants the Company's interim and year-end operating results; oversee the external reporting by the Company; consider the adequacy of the internal accounting and auditing procedures of the Company; evaluate the independence of the internal and external auditors; and approve and review any non-audit services to be performed by the independent accountants. The charter of the Audit Committee is available on the Company's website at kmgchemicals.com.

The Audit Committee consists of three non-employee directors, George W. Gilman, Charles M. Neff and Fred C. Leonard. Mr. Gilman is the current chairman. The Board has determined that all of the members of the Audit Committee are independent and financially sophisticated within the meaning of the listing standards of The Nasdaq Stock Market. The Board of Directors made the determination that Mr. Leonard is independent even though he is indirectly the beneficial owner of 11.9% of the issued and outstanding Common Stock of the Company. The Board has determined that, notwithstanding that stock ownership, Mr. Leonard is not an affiliate of the Company for purposes of the listing standard in that he does not control, is not controlled by, and is not under common control with the Company. The Board of Directors has also determined that Mr. Gilman is an audit committee financial expert within the meaning of that term under the rules of the SEC. He has served on the Company's Board of Directors since 1996, and he is a certified public accountant. In the course of his career, Mr. Gilman has acquired (i) an understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions.

Compensation Committee.

The Compensation Committee establishes compensation for the Company's Chief Executive Officer and other executives and makes recommendations to the Board of Directors regarding compensation of directors. The committee also administers the Company's incentive compensation, stock option and other equity based compensation plans, including the Company's 1996 Stock Option Plan and the Company's 2004 Long-Term Incentive Plan. The Compensation Committee is composed of three non-employee director, Fred C. Leonard, Charles M. Neff, and Richard L. Urbanowski. Mr. Leonard is the current chairman. The Board has determined that each of the members of the committee are independent within the meaning of the listing standards of The Nasdaq Stock Market. During fiscal 2005, the Compensation Committee held six meetings. The charter of the Compensation Committee is available on the Company's website at kmgchemicals.com.

Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including establishing and monitoring implementation of corporate governance guidelines. The committee also plans for the succession of the Chief Executive Officer and other executives. The committee is responsible for identifying and assessing candidates for the Board of Directors, including making recommendations to the Board regarding candidates. In fulfilling its duties, the Governance Committee, among other things,

Identifies individuals qualified to be Board members consistent with criteria established by the committee;

Recommends to the Board nominees for the next annual meeting of shareholders; and

Evaluates individuals suggested by shareholders

In recommending director candidates to the Board, the Governance Committee charter requires the Committee to select individuals who possess the highest personal and professional integrity.

The Governance Committee is comprised solely of non-employee directors who are independent within the meaning of listing standards of The Nasdaq Stock Market. Members of the Governance Committee are Messrs. Urbanowski, Neff and Mears. Mr. Urbanowski is the chairman. During fiscal 2005, the Governance Committee held two meetings. The charter of the Governance Committee is available on our website at kmgchemicals.com.

The Governance Committee will consider recommendations for director made by shareholders for fiscal 2007, if such recommendations are received in writing, addressed to the chairman of the Committee, Mr. Urbanowski, in care of the Company, at 10611 Harwin, Suite 402, Houston, Texas 77036 by May 31, 2006. Recommendations by shareholders that are made in accordance with these procedures will receive equal consideration by the Governance Committee. Directors and members of management may also suggest candidates for director. In some cases, the committee may engage, for a fee, the services of a third party executive search firm to assist it in identifying and evaluating candidates for director.

COMPENSATION OF DIRECTORS

Each director was paid a fee of \$1,500 for each meeting of the Board of Directors attended in fiscal 2005. Beginning in the second quarter of fiscal 2005, non-employee directors were paid a retainer of \$2,500 per quarter, members of Board committees were paid \$500 for each committee meeting attended, and chairmen of committees were paid \$500 per quarter. Non-employee directors who attend additional meetings at the request of the Company were paid \$500 for each meeting attended. Directors are reimbursed for out-of-pocket expenses incurred in attending meetings and for other expenses incurred in performing in their capacity as directors. During fiscal 2005 the Board of Directors of the Company held five meetings.

Edgar Filing: KMG CHEMICALS INC - Form DEF 14A

In fiscal 2005, each of the five non-employee directors was granted fully vested options to purchase 10,000 shares of Common Stock (50,000 shares total) under the Company's 1996 Stock Option Plan at an exercise price of \$3.84 per share.

CHANGE OF CONTROL EMPLOYMENT AGREEMENTS

The Company entered into employment agreements with Thomas H. Mitchell and John V. Sobchak in fiscal 2001, Roger C. Jackson in fiscal 2003 and Neal Butler in fiscal 2004. Mr. Mitchell's and Mr. Jackson's agreements have an initial three-year term and Mr. Sobchak's and Mr. Butler's agreements have an initial one-year term. Each agreement automatically extends for additional one-year periods at the end of the initial term or any renewal term unless the Company gives at least 60 days prior notice of nonrenewal. If the Company terminates the executive's employment (other than for cause or due to death or disability) or if the executive voluntarily terminates his employment for good reason, the Company must pay the executive a termination payment equal to a multiple of his then annual base salary. For Mr. Mitchell and Mr. Jackson the multiple is three times his then annual base salary and for Mr. Sobchak and Mr. Butler it is two times. In addition, Mr. Mitchell also would be paid the benefit provided under the Company's supplemental executive retirement plan. If the termination by the Company or the voluntary resignation for good reason was within one year of a change of control, options to acquire Common Stock held by each executive fully vest and the benefit payable to Mr. Mitchell under the supplemental executive retirement plan would be paid in a lump sum. If Mr. Mitchell dies while employed by the Company, his beneficiary will be paid a lump sum payment of \$500,000. A "good reason" includes demotion, relocation or an uncured breach of the employment agreement by the Company and a "change of control" includes the acquisition by any individual or group of beneficial ownership of more than 50% of the then outstanding Common Stock or certain business combination transactions.

In fiscal 2001 the Company adopted a supplemental executive retirement plan. Only persons specifically designated by the Company may be participants in the plan, and Thomas H. Mitchell is currently the only participant. The estimated annual benefit payable under the plan to Mr. Mitchell at normal retirement is \$75,000. The plan is unfunded and amounts payable to participants are general obligations of the Company. The plan provides that a participant will be paid a supplemental retirement benefit for 10 years equal to a percentage of the participant's three-year average base salary at normal retirement. Mr. Mitchell's benefit percentage was established under the plan to pay 56% of his three-year average base salary at normal retirement prior to reductions. The benefit payable to participants is reduced by the equivalent actuarial value of Company's other pension plan payments to the participant, if any, the Company's 401(k) plan and one-half of social security benefits. Normal retirement is the earlier of age 65 and completion of 10 years credited service or age 60 with 30 years credited service.

The 1996 Plan is intended to encourage ownership of the Common Stock of the Company by certain of the Company's directors, consultants and key employees and the directors, consultants and key employees of any subsidiary or parent corporation, to create an increased interest in and a greater concern for the welfare of the Company. Under the 1996 Plan, the Company initially reserved 700,000 shares of Common Stock for issuance pursuant to the exercise of options and that amount was increased by 70,000 shares to adjust for a fiscal 2001 10% stock dividend. At the 2003 Annual Meeting, the shareholders approved an increase in the number of shares that may be purchased on the exercise of options granted under the 1996 Plan to 1,070,000. Unless extended or earlier terminated, the 1996 Plan will terminate on August 31, 2007. The 1996 Plan is intended to qualify for favorable treatment under Section 16 of the Exchange Act, as amended, pursuant to Rule 16b-3 promulgated thereunder ("Rule 16b-3"). The 1996 Plan provides for the grant of incentive stock options, as defined in Section 422 of the Internal Revenue Code ("Code") and nonqualified stock options. The Board has designated the Compensation Committee as the administrator of the 1996 Plan. The committee has the authority to grant options under the 1996 Plan, to amend, construe and interpret it, and to make all other determinations and take any and all actions necessary or advisable for its administration. The directors, consultants and key employees of the Company or any subsidiary or parent corporation are eligible to receive options under the 1996 Plan, but only salaried employees of the Company or its subsidiaries or parent are eligible to receive incentive stock options.

The LTI Plan permits the granting of incentive stock options, non-qualified stock options, stock

appreciation rights, restricted stock, restricted stock units, performance awards, dividend equivalent rights, and other awards. It is administered by the Board of Directors or a committee appointed by the Board of Directors. The Board has designated the Compensation Committee as the administrator of the LTI Plan. Subject to the terms of the LTI Plan, the committee has the sole discretion to select the persons eligible to receive awards under the LTI Plan, the type and amount of incentives to be awarded, and the terms and conditions of awards. The committee also has the authority to interpret the LTI Plan, and establish and amend regulations necessary or appropriate for its administration. Any employee of the Company or a subsidiary of the Company or a director of the Company whose judgment, initiative, and efforts contributed or may be expected to contribute to the successful performance of the Company is eligible to participate. The maximum number of shares of the Company's common stock that may be delivered pursuant to awards granted under the Plan is 375,000 shares. No executive officer may receive in any calendar year stock options or stock appreciation rights relating to more than 250,000 shares of common stock, or awards that are subject to the attainment of performance goals relating to more than 100,000 shares of common stock.

PROPOSAL 2:

TO RATIFY THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has appointed UHY Mann Frankfort Stein & Lipp CPAs, LLP as independent registered public accounting firm and auditors to conduct the annual audit of the Company's accounts for fiscal 2006. Although action by the shareholders in this matter is not required, the Board of Directors believes that it is appropriate to seek shareholder ratification of this appointment in light of the important role played by the independent auditors in maintaining the integrity of the Company's financial controls and reporting. If ratification of the appointment is not approved, the Board of Directors will reconsider the appointment.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee establishes the compensation levels for all senior executives of the Company, including the Chief Executive Officer (CEO) and the other executive officers identified in the Summary Compensation Table. Under the direction of the Committee, the Company has developed and implemented performance-based compensation policies that are intended to enhance the profitability of the Company and shareholder value by aligning closely the financial interests of the Company's executives with those of its shareholders.

The Committee determines the amount and type of compensation that supports its objective of providing competitive compensation that:

reflects the performance of both the Company and each executive;

performance of the Company as measured by specific financial measures.

Compensation for the executives of the Company is comprised of three components:

base salary;

annual short-term cash incentive; and

long-term equity-based incentive.

Edgar Filing: KMG CHEMICALS INC - Form DEF 14A

The Committee, with the periodic assistance of an outside consultant, reviews the compensation of each executive in relation to salaries, and annual short term and long term incentives programs established for the executive's position from selected peer companies and general industry surveys. Compensation may be adjusted to reflect individual performance, increased responsibilities, and changes in the targeted compensation derived from that information.

Compensation Committee:

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviewed the audited financial statements of the Company for the fiscal year ended July 31, 2005, with the independent auditors. Management has the responsibility for the preparation, presentation and integrity of the Company's financial statements and the independent registered public accounting firm and auditors have the responsibility for auditing the Company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

The Audit Committee discussed and reviewed with the independent auditors all communications required by accounting principles generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees and discussed and reviewed the results of the independent auditors' audit of the financial statements.

In discharging its oversight responsibility with respect to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee also discussed with the auditors any relationship that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's responsibilities, budget and staffing.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its report on Form 10-K for the fiscal year ended July 31, 2005, for filing with the Securities and Exchange Commission.

Audit Committee:

George W. Gilman, Chairman

Fred C. Leonard III

Charles M. Neff, Jr.

This report by the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

PRINCIPAL ACCOUNTING FIRM FEES

The Company changed its independent registered public accounting firm and auditors during fiscal 2005 from Deloitte & Touche LLP to UHY Mann Frankfort Stein & Lipp CPAs, LLP. The aggregate fees billed by the Company's independent registered public accounting firm and auditors, UHY Mann Frankfort Stein & Lipp CPAs, LLP and Deloitte & Touche LLP, for professional services rendered to the Company for the two fiscal years ended July 31, 2005 were as follows:

	2005		2004	
Audit Fees	\$	110,087	\$	104,342
Tax Fees				45,280
All Other Fees		21,305		10,854
Total	\$	131,392	\$	160,476

The policy of the Audit Committee is to pre-approve all audit and non-audit services conducted by the Company's independent registered public accounting firm and auditors. Under the policy, pre-approval is required before the independent accountants are engaged for the particular services. The amount set forth in the above table for Tax Fees was for tax return preparation and consulting and the amount described as All Other Fees was for services rendered in connection with the Company's acquisition efforts, including certain due diligence assistance, and to respond to comments from the SEC on a prior report. The Audit Committee has considered whether the provision of the services included in other fees is compatible with maintaining the independence of the Company's independent registered accounting firm and auditors.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE
