### **Item 6. Indemnification of Directors and Officers.**

## Edgar Filing: INTELLISYNC CORP - Form S-8

As permitted by the General Corporation Law of the State of Delaware, we have included in our certificate of incorporation a provision to eliminate the personal liability of our directors for monetary damages for breach or alleged breach of their fiduciary duties as directors, subject to certain exceptions. In addition, our bylaws provide that we are required to indemnify our officers and directors under certain circumstances, including the circumstances in which indemnification would otherwise be discretionary, and we are required to advance expenses to our officers and directors as incurred in connection with proceedings against them for which they may be indemnified. We have entered into indemnification agreements with our officers and directors containing provisions that are in some respects broader than the specific indemnification provisions contained in the General Corporation Law of the State of Delaware. The indemnification agreements may require us, among other things, to indemnify such officers and directors against certain liabilities that may arise by reason of their status or service as directors or officers (other than liabilities arising from willful misconduct of a culpable nature), to advance expenses incurred as a result of any

proceeding against them as to which they could be indemnified, and to obtain directors' and officers' insurance if available on reasonable terms. We believe that our charter provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We understand that the staff of the Securities and Exchange Commission is of the opinion that statutory charter and contractual provisions as are described above have no effect on claims arising under the federal securities law.
