**Item 7.01. Regulation FD Disclosure.**

Force Protection, Inc. (the "Company") previously announced that it was unable to file its Annual Report on Form 10-K for the year-ended December 31, 2007 by the prescribed due date, and filed an extension on Form 12b-25 with the SEC on February 29, 2008. The Company has also announced that its previously filed interim financial statements for the three and nine month periods ended September 30, 2007 and all public communications of such financial statements should no longer be relied and that the Company plans to restate its historical financial statements for the quarter ended September 30, 2007.

The Company intends to file its Annual Report on Form 10-K for the year ended December 31, 2007 with the SEC promptly upon the completion of the audit of the consolidated financial statements for the year ended December 31, 2007. However, the Company will be unable to file the Annual Report on Form 10-K on or prior to March 17, 2008, the prescribed due date as allowed by the extension on Form 12b-25. As a result of the scope of the work to be performed to complete its analysis and to identify the material weaknesses in the Company's internal control over financial reporting, including the need to restate its financial statements, it is not practicable for the Company to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2007 by the prescribed due date. The Company is working as expeditiously as possible to finalize the financial statements for the fiscal year ended December 31, 2007 and to file amendments to its previously filed Quarterly Report on Form 10-Q for the quarter ended September 30, 2007.
