PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On November 10, 2008, all of the direct and indirect wholly-owned subsidiaries (collectively, the Debtors) of Storm Cat Energy Corporation (the Company) filed a voluntary petition for reorganization (the Reorganization Cases) under Chapter 11 of the United States Bankruptcy Code (the Code) in the United States Bankruptcy Court for the District of Colorado (the Bankruptcy Court). The Reorganization Cases do not include the Company. The Debtors will continue to operate their businesses as debtors-in-possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Code and orders of the Bankruptcy Court.

The Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2008 could not be filed within the prescribed time period, as the closing of the books and the process of preparing the Company's financial statements for the period ended September 30, 2008 is taking longer than expected due to the focus of the Company's resources on the preparation of documents and schedules for submittal to the Bankruptcy Court related to the Reorganization Cases and the length of time needed to complete updated impairment analyses on the Company's assets. The Company expects, based on current facts and circumstances, to complete its review and file the registrant's Form 10-Q by November 17, 2008.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

For the reasons set forth above regarding the Reorganization Cases and limited resources, the Company is unable to provide a reasonable estimate of its results of operations for the quarter ended September 30, 2008. Accordingly, the Company cannot at this time estimate what significant changes would be reflected in its results of operations for such period compared to prior periods. The Company is performing an impairment analysis related to certain of its tangible and intangible assets, which is not yet complete. As a result, at this time the Company cannot predict the outcome of the impairment analysis, which could result in the subject report reflecting a significant change in results of operations from the corresponding period for the last fiscal year.
