**RMR F.I.R.E. Fund Completes Reorganization**

**with RMR Real Estate Income Fund and Declares Final Dividend**

Newton, MA (June 19, 2009): After the close of business on Thursday, June 18, 2009, RMR F.I.R.E. Fund (NYSE Amex: RFR) was reorganized into RMR Real Estate Income Fund (NYSE Amex: RIF).

On Thursday, June 18, 2009, the closing net asset value per share ( NAV ) of common stock for RFR was \$2.082 and for RIF was \$16.990. Since the reorganization was based on the relative NAVs of these funds, the reorganization conversion ratio resulted in RFR common shareholders receiving 0.123 shares of RIF common stock for each share of RFR common stock they previously held. Common shareholders of RFR may receive fractional shares in connection with the reorganization.

RMR Real Estate Income Fund trades on the NYSE Amex using the ticker symbol RIF . RIF 's NAV will be reported under the ticker XRMRX until further notice.

As a result of the reorganization, preferred shareholders of RFR received an equivalent number of shares of a new series of RIF preferred stock, Series W . preferred shareholders in the reorganization is the same as the RFR preferred stock, Series W, that RFR preferred shareholders exchanged in the reorganization.

The CUSIP numbers of the RIF common stock and preferred stock are different from the CUSIP numbers of the RFR common stock and preferred stock, respectively. RIF's common stock CUSIP number is 74964K609 and RIF's preferred stock, Series W, CUSIP number is 74964K401.

As previously announced, common shareholders of record of RFR will receive the following final cash distribution consisting of the fund's estimated undistributed federal investment company taxable income and net capital gains:

Record Date	Pay Date*	Amount Per Share
June 17, 2009	June 30, 2009	\$ 0.01

---

\*On or about.

RFR has substantial investments in real estate investment trusts. Because real estate investment trusts generally classify distributions to RFR subsequent to the end of each calendar year as ordinary income, net capital gain or return of capital, it is expected that some portion of the distribution declared by RFR may be similarly characterized for tax purposes subsequent to this year end.

The existing common shares and preferred shares of RFR will be cancelled and the fund will be dissolved under applicable state law as soon as practicable.

Also, as previously announced, subject to the satisfaction of certain conditions set forth in each Agreement and Plan of Reorganization, the reorganization of each of RMR Hospitality and Real Estate Fund (NYSE Amex: RHR), RMR Preferred Dividend Fund (NYSE Amex: RDR) and RMR Dividend Capture Fund (NYSE Amex: RCR) with RIF are currently expected to close after the end of business on the following dates:

- RHR: Friday, June 19, 2009
- RCR: Monday, June 22, 2009
- RDR: Tuesday, June 23, 2009

Details of the common share conversions and dividend payment amounts, if any, will be determined after the end of business on each of the aforementioned closing dates and will be announced by press release prior to the beginning of trading on the NYSE Amex on the first business day following each closing date.
