Edgar Filing: CYCLE COUNTRY ACCESSORIES CORP - Form DEF 14A

Unless otherwise directed by the giver of the proxy, the persons named in the enclosed form of proxy, that is, Mr. Jeffrey M. Tetzlaff, will vote:

- 1) For the re-election of each of the persons named herein as a nominee for Class I Director of the Company, for a term expiring at the 2012 Annual Meeting of Shareholders or until his successor has been duly elected and qualified;
  
- 2) For the ratification of the engagement of Boulay, Heutmaker, Zibell & Co. P.L.L.P. as the Company's independent registered public accounting firm; and
  
- 3) According to such person's judgment on the transaction of such other business as may properly come before the meeting or any adjournment thereof.

Should the nominees named herein for election as directors become unavailable for any reason, it is intended that the persons named in the proxy will vote for the election of such other person in his stead as may be designated by the Board of Directors. The Board of Directors is not aware of any reason that might cause a nominee to be unavailable to serve.

### VOTING SECURITIES AND VOTING RIGHTS

On August 6, 2009, there were outstanding 5,328,666 shares of Common Stock, par value \$0.0001 per share, each of which is entitled to one vote on all matters submitted, including the election of directors. There are no cumulative voting rights.

A majority of the outstanding shares present or represented by proxy will constitute a quorum at the meeting. The affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote is required to elect a person nominated for director. Shares present at the meeting but which abstain or are represented by proxies which are marked **WITHHOLD AUTHORITY** with respect to the election of a person to serve on the Board of Directors will be considered in determining whether the requisite number of affirmative votes are cast on such matter. Accordingly, such proxies will have the same effect as a vote against the nominee as to which such abstention or direction applies. Shares not present at the meeting will not affect the election of a director.

The vote required for the approval of Proposal 2 Ratification of Appointment of Independent Registered Public Accounting Firm and for any other matter properly brought before the meeting, will be the affirmative vote of the majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Shares present at the meeting that abstain (including proxies which deny discretionary authority on any matters properly brought before the meeting) will be counted as shares present and entitled to vote and will have the same effect as a vote against any such matter. Shares not present at the meeting will not affect the outcome as to any such matter.

While counted for quorum purposes, shares represented by a proxy as to which there is a broker non-vote (for example, where a broker does not have discretionary authority to vote the shares) as to one or more matters to be voted on shall not be deemed represented at the meeting as to such matter or matters and, therefore, will have no effect thereon.

Votes will be counted by duly appointed inspectors of election, whose responsibilities are to ascertain the number of shares outstanding and the voting power of each, determine the number of shares represented at the meeting and the validity of proxies and ballots, count all votes and report the results to the Company.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS**

The following table sets forth information regarding the beneficial ownership of our Common Stock as of August 6, 2009 by each stockholder known by us to own beneficially more than 5% of our Common Stock.

As of August 6, 2009, we had 5,328,666 shares of Common Stock outstanding and 988 stockholders of record. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options or warrants held by that person that are currently exercisable or will become exercisable within 60 days after August 6, 2009 are deemed outstanding, while such shares are not deemed outstanding for purposes of computing the ownership percentage of any other person. Unless otherwise indicated in the footnotes below, the persons and entities named in the table have sole voting and investment power with respect to all shares beneficially owned, subject to community property laws where applicable.

**PROPOSAL 1 - ELECTION OF DIRECTORS**

**INFORMATION ABOUT THE NOMINEES AND CURRENT DIRECTORS**

The Company's ByLaws currently specify that the number of directors shall be not less than three, nor more than nine, subject to amendment by the Board of Directors. The number of directors currently authorized is five. The Company's ByLaws provide that vacancies on the Board of Directors may be filled by the remaining members of the Board of Directors. Proxies solicited by the Company for the election of directors cannot be voted for a greater number of persons than the number of nominees named in the proxy.

The Company's Articles of Incorporation, as amended, and ByLaws provide for a division of the Board of Directors into three classes. One of the classes is elected each year to serve a three-year term. The term of the current Class I Directors expire at the Annual Meeting.

The company recently accepted the early resignation of Messrs. F.L. Miller and Rod Simonsen, whose Class I Director terms would have otherwise come to an end next month at the September 22, 2009 Annual Shareholder Meeting. (Please see SEC Form 8-K dated Friday, August 14, 2009). As such directors were not planning to stand for re-election, management requested these early resignations to make room early for two new directors.

Subsequently, Mr. Daniel Thralow and Mr. Robert Davis were nominated and elected unanimously by the remaining Members of the Board of Directors, in accordance with the Company's ByLaws, to serve the balance of the terms of such directorships.

The full Board of Directors has nominated, as recommended and approved by all of the independent board members, each of Mr. Thralow and Mr. Davis for election as Class I directors for a term expiring at the 2012 annual meeting of stockholders and until their successors have been qualified, or until their earlier death, resignation or removal. Neither Mr. Thralow nor Mr. Davis have served on the Board of Directors prior to their recent appointment. Each of the nominees has agreed to serve if elected, and the Board of Directors has no reason to believe they will be unable to serve. If any nominee for director is unable to serve, the persons named in the proxy may vote for a substitute nominee.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF MR. THRALOW AND MR. DAVIS AS DIRECTORS TO HOLD OFFICE UNTIL THE 2012 ANNUAL MEETING OF STOCKHOLDERS.**

The following table sets forth for each director nominee and for the incumbent directors, such director's age, principal occupation for at least the last five years, present position with the Company, the year in which such director was first elected or appointed a director (each serving continuously since first elected or appointed), directorships with other companies whose securities are registered with the Securities and Exchange Commission, and the class of such director.

## CORPORATE GOVERNANCE

### Determination of Director Independence

Rules of The American Stock Exchange ( Amex ) require that a majority of the Board of Directors be independent, as defined in American Stock Exchange Company Guide Section 121(f). Under the Amex rules, the Board of Directors must make an affirmative determination that a director is independent by determining that the director has no relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board of Directors has reviewed the independence of its directors under the Amex rules. During this review, the Board of Directors considered transactions and relationships between each director or any member of his family and the Company. With the resignations from the Board of Mr. Miller and Mr. Simonsen, as noted above, the Company is currently out of compliance with the rules of the Amex. As such, we have notified the Amex of this condition and are working on a plan to get back in compliance as soon as possible.

The Board of Directors has determined that Messrs. L.G. Hancher, Jr. and Daniel Thralow are independent under Amex Rule Section 121(f).

### Board of Directors Committees and Meetings

The Board of Directors conducts its business through meetings and actions by unanimous written consent of the full board and through an Audit Committee of the board. The Board of Directors has adopted a charter for the Audit Committee that has been attached to this Proxy Statement as Attachment A.

During the fiscal year ended September 30, 2008, the Board of Directors held five regular meetings and the Audit Committee held two regular meetings. During the fiscal year ended September 30, 2008, each member of our Board of Directors attended all of the meetings of the Board of Directors and of the committees on which he or she served that were held during the period for which he or she was a director or committee member.

We have not adopted a formal policy regarding board member attendance at our annual meetings; however, we strongly encourage all board members to attend the annual meeting.

*The Audit Committee.* For fiscal year 2008, and until August 10, 2009, the Audit Committee of our Board of Directors was comprised of three directors, L.G. Hancher, Jr., F.L. Miller, and Rod Simonsen. Each of these individuals was an independent director as defined by the American Stock Exchange rules.

In addition, our Board of Directors has determined that L.G. Hancher, Jr., as defined by the SEC rules, is both independent and an audit committee financial expert. Mr. Hancher has extensive experience reading, analyzing, and preparing GAAP financial statements and SEC reports and filings. Mr. Hancher is the Chair of the Audit Committee.

As of August 11, 2009, our Audit Committee is made of Mr. L.G. Hancher and Mr. Daniel Thralow. We anticipate adding one or more of the independent directors currently sought by the company to be appointed to the Audit Committee.

The Audit Committee is responsible for, among other things:

- directly appointing our independent registered public accountants;
- discussing with our independent registered public accountants their independence from management;
- reviewing with our independent registered public accountants the scope and results of their audit;
- approving all audit services and pre-approving all permissible non-audit services to be performed by the independent registered public accountants;
- overseeing the financial reporting process and discussing with management and our independent registered public accountants the interim and annual financial statements that we file with the SEC; and
- reviewing and monitoring our accounting principles, policies and financial and accounting controls.

### **Selection of Director Nominees**

The Board of Directors does not currently have a standing Nominating Committee or a charter regarding the nominating process. The Board of Directors believes that it is appropriate for it to not have such a committee because it has delegated to the independent members of the Board of Directors the authority to identify, evaluate and recommend qualified nominees for election or appointment to the Company's Board of Directors. The vote of a majority of the independent directors of the Board of Directors is required to approve a nominee for recommendation to the Board of Directors.

***Stockholder Nominations.*** Stockholders who wish to recommend nominees for consideration by the independent members of the Board of Directors must submit their nominations in writing to our Corporate Secretary. Submissions must include sufficient biographical information concerning the recommended individual for the committee to consider, including age, five-year employment history with employer names and a description of the employer's business, whether such individual can read and comprehend basic financial statements, and other board memberships (if any) held by the recommended individual. The submission must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. The independent members of the Board of Directors may consider such stockholder recommendations when it evaluates and recommends nominees to the Board of Directors for submission to the stockholders at each annual meeting. Stockholder nominations made in accordance with these procedures and requirements must be addressed to our Corporate Secretary, at 1701 38th Ave. W., Spencer, Iowa 51301.

In addition, stockholders may nominate directors for election without consideration by the Board of Directors. Any stockholder of record may nominate an individual by following the procedures and deadlines set forth in the Stockholders' Proposals for 2009 Annual Meeting section of this proxy statement and by complying with the eligibility, advance notice and other provisions of our bylaws. Under our bylaws, a stockholder is eligible to submit a stockholder proposal if the stockholder is of record and entitled to vote at the annual meeting. The stockholder also must provide timely notice of the proposal to us. To be timely, the stockholder must provide advance notice not less than 120 calendar days before the date of the Company's proxy statement released to shareholders in connection with the previous year's meeting.

The Board of Directors did not receive any recommended nominee from any stockholder or group of stockholders that beneficially owned more than 5% of our common stock for at least one year as of the date of the recommendation.

### **Compensation Committee**

The Board of Directors does not currently have a standing Compensation Committee. The Board of Directors believes it is appropriate for the Company to not have such a committee because it has delegated to the independent members of the Board of Directors the authority to establish executive officer compensation.

### **Compensation Committee Report**

The independent members of the Board of Directors are, among other things, responsible for:

- making recommendations to the Board and to the boards of subsidiaries on all matters of policy and procedures relating to executive compensation;
- reviewing and approving corporate goals and objectives relevant to the chief executive officer's compensation, and determining and approving the chief executive officer's compensation level based on the Board's performance evaluation of the chief executive officer;
- determining and approving the compensation of the other executive officers;
- reviewing, recommending, and discussing with management the compensation discussion and analysis section included in the Company's annual proxy statement; and
- evaluating its performance on an annual basis.

The independent members of the Board of Directors seek input from the CEO on compensation decisions and performance appraisals for all other officers. However, all officer compensation matters are approved by the independent members of the Board of Directors.

The independent members of the Board of Directors are given the opportunity to meet in executive session at each meeting of the Board of Directors. When possible, the independent members of the Board of Directors preview and discuss significant compensation decisions at one meeting before giving formal approval at a subsequent meeting.

### **Code of Business Conduct and Ethics**

**The Company has adopted a code of business conduct and ethics applicable to the Company's directors, officers (including the Company's principal executive officer, principal financial officer and principal accounting officer), and employees, known as the Code of Ethics and Standards of Conduct. The Code of Ethics and Standards of Conduct is available on the Company's website. In the event that we amend or waive any of the provisions of the Code of Ethics and Standards of Conduct applicable to our principal executive officer, principal financial officer, or principal accounting officer, we intend to disclose the same on the Company website at [www.cyclecountry.com](http://www.cyclecountry.com).**

**Director s Compensation**

Outside, non-management directors receive \$500 in common shares as compensation for each board meeting that they attend. Pursuant to our 2007 Incentive Compensation Plan, for the fiscal year ended September 30, 2008, the non-management directors were issued a total of 3,609 shares of common stock under such Plan in February, 2009. ### **CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS**

From time to time, the Company has engaged in various transactions with certain of its directors, executive officers and other affiliated parties. The following paragraphs summarize certain information concerning certain transactions and relationships that have occurred during the past fiscal year or are currently proposed.

In fiscal 2008, we provided contract manufacturing services to AERO Race Wheels, Inc. which generated approximately \$292,964 in revenue. There was approximately \$45,743 in accounts receivable at September 30, 2008. AERO Race Wheels is owned by Mr. F.L. Miller who was a Director since 2001, as well as the Chairman of our Board of Directors for the fiscal year ended September 30, 2008 and for the period ended August 10, 2009.

All future transactions between the Company and its officers, directors, principal shareholders and affiliates must be approved by a majority of the independent and disinterested outside directors.

### **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers, the Company's directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Such individuals are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms furnished to the Company or written representations that no reports were required to be filed, the Company believes that all such persons complied with all Section 16(a) filing requirements applicable to them with respect to transactions during the 2008 fiscal year except as set forth below.

The Company is aware of the following individual directors, officers or beneficial owners of more than ten percent of the Company's Common Stock that, during the fiscal year 2008 or for the fiscal year 2008, failed to file on a timely basis reports required by Section 16(a) of the Securities Exchange Act of 1934:

**PROPOSAL 2 - RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**The Audit Committee of the Board of Directors has recently appointed Boulay, Heutmaker, Zibell & Co. P.L.L.P. ( Boulay ), effective May 20, 2009 as the Company s new independent accountants to audit the consolidated financial statements of the Company for the fiscal years ending September 30, 2009 and 2008.**

The firm of Henjes, Conner, & Williams, P.C. ( Henjes), acted as the Company s independent accountants to audit the consolidated financial statements of the Company for the fiscal years ending September 30, 2008 and 2007. Henjes was appointed by the Audit Committee of the Board of Directors and served as Cycle Country s independent accountants from January 16, 2004 until May 20, 2009. They were dismissed so that the firm could engage a larger, more full-service audit firm.

Henjes reports on the financial statements of the Company for the past three fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the Company s audit for each of the three most recent fiscal years, there were no disagreements with Henjes on any matter of accounting principles or practices, financial statement disclosures or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Henjes, would have caused Henjes to make reference thereto in their report in the financial statements for such years. (See the Company s SEC 8-K filing dated May 27, 2009 and the attached letter from Henjes marked as Exhibit 16.1 to the 8-K.)

A proposal will be presented at the Annual Meeting to ratify the appointment of Boulay Heutmaker, Zibell, & Co. P.L.L.P. ( Boulay ) as the Company s new independent registered public accounting firm. One or more of the representatives of that firm are expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so. Neither the Company s ByLaws nor its other governing documents or law require shareholder ratification of the selection of Boulay as the Company s independent registered public accounting firm. However, the Audit Committee is submitting the selection of Boulay to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF BOULAY,  
HEUTMAKER, ZIBELL & CO. P.L.L.P. AS THE COMPANY S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

In addition, the Policy prohibits the Audit Committee from pre-approving certain non-audit services that are prohibited from being performed by the Company's independent auditor by applicable securities laws. With respect to each such service, the independent auditor provides detailed back-up documentation to the Audit Committee and the Chief Financial Officer.
