This amendment is being filed to report that, subsequent to that filing, FormFactor determined to record an additional \$1.0 million charge to its operating expenses for potential exposure relating to an inquiry that was received on July 26, 2011 from a foreign jurisdiction tax authority regarding certain indirect tax matters. FormFactor plans to cooperate with the inquiry, which concerns its prior shipping processes for new product qualifications and for products for certain of its repair center activities. A copy of the revised financial statements for the second quarter ended June 25, 2011 reflecting the additional charge has been furnished as Exhibit 99.01 to this report and is incorporated herein by reference.
