Votes Required to Adopt Proposals

Each share of our common stock outstanding on the record date is entitled to one vote on each of the four director nominees and one vote on each other matter. The election of directors is determined by the plurality of votes. Approval of each of the other matters on the agenda is determined by a majority of votes cast affirmatively or negatively.

Effect of Abstentions and Broker Non-Votes

Shares voting withhold have no effect on the election of directors. In the ratification of the appointment of KPMG (Taiwan) as our independent registered public accounting firm for fiscal year 2015, abstentions have the same effect as negative votes. Broker non-votes (shares held by brokers that do not have discretionary authority to vote on a matter and have not received voting instructions from their clients) have no effect. If you are a beneficial holder and do not provide specific voting instructions to your broker, the organization that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to vote promptly, even if you plan to attend the annual meeting.

Voting Instructions

If you complete and submit your proxy voting instructions, the persons named as proxies will follow your instructions. If you are a stockholder of record and you submit proxy voting instructions but do not direct how to vote on each proposal, the persons named as proxies will vote as the Board recommends on each proposal. The persons named as proxies will vote on any other matters properly presented at the annual meeting in accordance with their best judgment. Our Bylaws set forth requirements for advance notice of nominations and agenda items for the annual meeting, and we have not received timely notice of any such matters that may be properly presented for voting at the annual meeting, other than the items from the Board described in this Proxy Statement.

Voting Results

We will announce preliminary results at the annual meeting. We will report final results in a filing with the U.S. Securities and Exchange Commission (SEC) on Form 8-K.

PROPOSAL 1: ELECTION OF DIRECTORS

Upon the recommendation of our Nominating and Corporate Governance Committee, our Board has nominated the four persons listed below to serve as directors. Each director's term runs from the date of his election until our next annual stockholders' meeting, or until his successor is elected or appointed. If any director nominee is unable or unwilling to serve as a nominee at the time of the annual meeting, the persons named as proxies may vote for a substitute nominee chosen by the present Board to fill the vacancy. We have no reason to believe that any of the nominees will be unwilling or unable to serve if elected as a director.

Board Composition

Our Nominating and Corporate Governance Committee is charged with identifying and evaluating individuals qualified to serve as members of the Board and recommending to the full Board nominees for election as directors. We seek directors with experience in areas relevant to the strategy and operations of the Company. We seek a Board that collectively has a range and diversity of skills, experience, age, industry knowledge and other factors in the context of the needs of the Board. The biographies of each of the nominees below contains information regarding the person's service as a director, business experience, director positions held currently or at any time during the last five years and the experiences, qualifications, attributes or skills that caused the Nominating and Corporate Governance Committee to determine that the person should serve as a director of our Company. In addition to the information presented below regarding each director's specific experience, qualifications, attributes and skills that led our Nominating and Corporate Governance Committee and Board to the conclusion that he should serve as a director, we also believe that each of our directors has a reputation for integrity, honesty and adherence to high ethical standards. Each of our directors has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to our Company and our Board. Each of our director nominees is currently serving on the Board.

Our nominees for election as directors at the annual meeting include our President and Chief Executive Officer (CEO) and three independent directors, as defined in the applicable rules for companies traded on The NASDAQ Stock Market (NASDAQ), Arthur H. del Prado, Dr. Edward Kuan Hsiung Hsieh and Scott R. Simplot. See Corporate Governance Director Independence below.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE FOLLOWING NOMINEES.

Nominees

Trung T. Doan, 56, has served as a director, Chairman of our Board and as our CEO since January 2005, and as our President since August 2012. Prior to joining us, Mr. Doan served as Corporate Vice President of Applied Global Services (AGS) Product Group at Applied Materials, Inc. and also served as President and Chief Executive Officer of Jusung Engineering, Inc., a semiconductor/LCD equipment company in Korea. In addition, Mr. Doan served as Vice President of Process Development at Micron Technology Inc. Mr. Doan also previously served as a director of Nu Tool Inc., a semiconductor technology company, and as a director of EMCO, a publicly traded manufacturer of advanced flow control devices and systems. Mr. Doan holds a bachelor of science degree in nuclear engineering from the University of California, Santa Barbara, where he graduated with honors, and a master of science degree in chemical engineering from the University of California, Santa Barbara. Our Board has determined that Mr. Doan should serve on our Board and as our Chairman based on his in-depth knowledge of our business and industry and his experience serving on the boards of directors of several major technology companies, as well as in management roles in the technology industry.

Arthur H. del Prado, 83, has served as a director since February 2013. He is Chairman of the Board of ASM Pacific Technology, Ltd., a company which he co-founded in 1975. He was appointed Honorary Chairman by the General Meeting of Shareholders in May 2008 and continues to serve ASM International as an advisor. For many years, Mr. del Prado served as a director of JESSI, the Joint European Submicron Silicon Initiative and currently serves as a director of its successor, MEDEA, the Micro Electronics Development for European Applications, a non-profit project. He has been appointed a member of the board of directors of various European companies and serves on the board of Dujat, the Netherlands-Japanese Trade Federation. Mr. del Prado is a past board member of: Oce van der Grinten Nederland B.V., a manufacturer of copiers and printers; G.T.I. Holding N.V., and electronic equipment and installation company; Delft Instruments N.V., a manufacturer of high-technology industrial and defense products; and Breevast N.V., a project development and management company. He was also on the advisory council of ABN-AMRO Bank. Our Board has determined that Mr. del Prado should serve on our Board based on his experience as a Chairman and as a director of several companies, and his management role at a semiconductor equipment company.

Dr. Edward Kuan Hsiung Hsieh, 62, has served as a director since February 2012. Dr. Hsieh has been Chairman, Chief Executive Officer and a director of Eton Intelligent Technologies, a media and publications company, since April 2000 and Chairman, Chief Executive Officer and a director of VR Networks, a VoIP and Internet networks company, since January 2000. He also studied accounting at the University of California, Los Angeles. Our Board has determined that Dr. Hsieh should serve as a director based on his experience teaching master of business administration classes at National Taiwan University, his service as an International Financial Adviser with Merrill Lynch, Pierce, Fenner & Smith and his management roles at several start-up companies.

Scott R. Simplot, 68, has served as a director since March 2005. Mr. Simplot has been Chairman of the board of directors and a director of J.R. Simplot Company since May 2001 and August 1970, respectively. Mr. Simplot holds a bachelor of science degree in business from the University of Idaho and a master of business administration degree from the University of Pennsylvania. Mr. Simplot became a director on our Board as part of his duties as the Chairman of the board of J.R. Simplot Company, the 100% owner of Simplot Taiwan, Inc., which was entitled to designate two members of our board of directors in connection with J.R. Simplot Company's investment in our Series A convertible preferred stock. Our Board has determined that Mr. Simplot should serve as a director based on the extensive knowledge and insight he brings to our Board from his experience serving as Chairman and holding a variety of management positions at a large private company and serving on the boards of directors of companies in a variety of industries.

Executive Officers

In addition to Mr. Doan, our CEO, who also serves as a director, our executive officers as of March 1, 2015 consisted of the following:

CORPORATE GOVERNANCE

Board Responsibilities and Structure

The Board oversees, counsels, and directs management in the long-term interests of the Company and our stockholders. The Board's responsibilities include:

- selecting, evaluating the performance of, and determining the compensation of the CEO and other executive officers;
- overseeing the risks that the Company faces;
- reviewing and approving our major financial objectives and strategic and operating plans, and other significant actions;
- overseeing the conduct of our business and the assessment of our business and other enterprise risks to evaluate whether the business is being properly managed; and

- overseeing the processes for maintaining our integrity with regard to our financial statements and other public disclosures, and compliance with law and ethics.

The Board and its committees met throughout the year on a set schedule, held special meetings, and acted by written consent from time to time as appropriate. During fiscal year 2014, the Board held executive sessions for the independent directors to meet without Mr. Doan present at the end of every Board meeting.

Our Bylaws do not dictate a particular Board structure and the Board is free to determine whether or not to have a Chairman and, if so, to select that Chairman and our CEO in the manner it considers our best interest. Currently, the Board has selected Mr. Doan to hold the position of both Chairman of the Board and CEO. Mr. Doan's experience at the Company has afforded him intimate knowledge of the issues, challenges and opportunities facing each of the Company's businesses. Accordingly, he is well positioned to focus the Board's attention on the most pressing issues facing the Company. The Board has not appointed a lead independent director. The Board believes its administration of its risk oversight function has not affected the Board's leadership structure.

Director Independence

The published listing requirements of NASDAQ dictate that a majority of the Board be comprised of independent directors whom our Board has determined have no material relationship with our Company and who are otherwise independent directors under those listing requirements. Our current Board consists of the five persons, the four nominees listed above, and one other not standing for reelection Jack Laund whose term will therefore end at the Annual Meeting. The Board has determined that each of our current directors, other than Mr. Doan, our CEO, qualifies as an independent director, such that more than a majority of our directors are independent directors under the NASDAQ rules.

Edgar Filing: SemiLEDs Corp - Form DEF 14A

The NASDAQ rules have objective tests and a subjective test for determining who is an independent director. Under the objective tests, a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of \$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceeded 5% of the recipient's consolidated gross revenue for that year or \$200,000, whichever was greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company's outside auditor, or at any time during the past three years was a partner or employee of the company's outside auditor, and who worked on the company's audit.

The subjective test states that an independent director must be a person who lacks a relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has not established categorical standards or guidelines to make these subjective determinations but considers all relevant facts and circumstances.

In addition to the Board-level standards for director independence, the NASDAQ rules provide that directors, of whom there must be three, who serve on the Audit Committee must each satisfy standards established by the SEC that require that members of audit committees must not be affiliated persons of the issuer and may not accept directly or indirectly any consulting, advisory, or other compensatory fee from the issuer other than their director compensation.

Transactions Considered in Independence Determinations

Edgar Filing: SemiLEDs Corp - Form DEF 14A

In making its independence determinations, the Board considered transactions that occurred since the beginning of fiscal year 2012 between the Company and entities associated with the independent directors or members of their immediate family. All identified transactions that appeared to relate to the Company and a family member of, or entity with a known connection to, a director were presented to the Board for consideration.

None of the non-employee directors was disqualified from independent status under the objective tests. In making its subjective determination that each of our Company's non-employee director is independent, the Board reviewed and discussed additional information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and the Company's management. The Board considered the transactions in the context of the NASDAQ objective standards, the special standards established by the SEC for members of audit committees, and the SEC and U.S. Internal Revenue Service (IRS) standards for compensation committee members. Based on all of the foregoing, as required by the NASDAQ rules, the Board made a subjective determination that, because of the nature of the director's relationship with the entity and/or the amount involved, no relationships exist that, in the opinion of the Board, would impair the director's independence.

Board Committees and Charters

The Board delegates various responsibilities and authority to different Board committees. Committees regularly report on their activities and actions to the full Board. The Board currently has, and appoints the members of, a standing Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. Each of the Board committees has a written charter approved by the Board, and we post each charter on our web site at <http://investors.semileds.com/governance.cfm>. Each committee can engage outside experts, advisors and counsel to assist the committee in its work. The following table identifies the current committee members.

Name	Audit	Compensation	Nominating and Corporate Governance
Arthur H. del Prado	ü		
Dr. Edward Kuan Hsiung Hsieh	Chair	ü	
Dr. Jack Lau	ü		ü
Scott R. Simplot		Chair	Chair
Number of Committee Meetings Held in Fiscal Year 2014	5	5	4

Audit Committee

Our Audit Committee is responsible for, among other things:

- reviewing and approving the selection of our independent auditors, and approving the audit and non-audit services to be performed by our independent auditors;
- monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- reviewing the adequacy and effectiveness of our internal control policies and procedures;
- discussing the scope and results of the audit with the independent auditors and reviewing with management and the independent auditors our interim and year-end operating results; and
- preparing the Audit Committee Report that the SEC requires in our annual proxy statement.

Edgar Filing: SemiLEDs Corp - Form DEF 14A

The Board believes that each current member of our Audit Committee is an independent director under the NASDAQ rules and meets the additional SEC independence requirements for audit committee members. It has also determined that Dr. Hsieh meets the requirements of an audit committee financial expert, as defined in Regulation S-K.

Compensation Committee

Our Compensation Committee is responsible for, among other things:

- overseeing our compensation policies, plans and benefit programs;
- reviewing and approving for our executive officers: the annual base salary, the annual incentive bonus, including the specific goals and amount, equity compensation, employment agreements, severance arrangements and change in control arrangements, and any other benefits, compensation or arrangements;
- reviewing and determining our equity-based compensation plans; and
- administering our equity-based compensation plans.

Although the Compensation Committee has the authority to determine the compensation paid to executive officers, other officers, employees, consultants and advisors, it can delegate its responsibility for setting compensation for individuals other than the CEO to a subcommittee, in the case of other officers, or to officers, in the case of employees and consultants. It may also delegate to officers the authority to grant options or other equity or equity-based awards to employees who are not executive officers or members of the Board. It may also generally take into account the recommendations of the CEO, other than with respect to his own compensation. As further described under Compensation of the Named Executive Officers and Directors below, the Compensation Committee has engaged Radford, an independent compensation consultant, to assist it in various respects. The Compensation Committee has assessed Radford's independence pursuant to SEC rules and concluded that no conflict of interest exists that would prevent Radford from independently representing the Compensation Committee.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for, among other things:

- identifying prospective director nominees and recommending nominees for each annual meeting of stockholders to the Board;
- reviewing developments in corporate governance practices and developing and recommending governance principles applicable to our Board;

Edgar Filing: SemiLEDs Corp - Form DEF 14A

- overseeing the evaluation of our Board and management; and
- recommending members for each Board committee to our Board.

Our Nominating and Corporate Governance Committee has not established any minimum qualifications for directors although in assessing the skills and characteristics of individual members, it must give due regard for independence and financial literacy considerations dictated by the NASDAQ rules. The Nominating and Corporate Governance Committee does not at this time have a policy regarding its consideration of director candidates recommended by stockholders, as it has not yet received any such recommendations. It may adopt a policy if such recommendations are received.

Attendance at Board, Committee and Annual Stockholders Meetings

The Board held eight meetings in fiscal year 2014. We expect each director to attend every meeting of the Board and the committees on which he or she serves, and encourage them to attend the annual stockholders meeting. All directors attended at least 75% of the aggregate meetings of the Board and the committees on which they served in fiscal year 2014 and all continuing directors attended the 2014 annual meeting of stockholders.

Risk Management

The Board is involved in the oversight of risks that could affect the Company. This oversight is conducted primarily through the Audit Committee which, on behalf of the Board, is charged with overseeing the principal risk exposures we face and our mitigation efforts in respect of these risks. The Audit Committee is responsible for interfacing with management and discussing with management the Company's principal risk exposures and the steps management has taken to monitor and control risk exposures, including risk assessment and risk management policies. The Compensation Committee also plays a role in that it is charged, in overseeing the Company's overall compensation structure, with assessing whether that compensation structure creates risks that are reasonably likely to have a material adverse effect on us.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. These standards are designed to deter wrongdoing and to promote honest and ethical conduct. The Code of Business Conduct and Ethics is available at our website at <http://investors.semileds.com/governance.cfm>. Any amendments to the Code, or any waivers of its requirements required to be disclosed pursuant to SEC or NASDAQ requirements, will be disclosed on the website.

Communications from Stockholders and Other Interested Parties to Directors

The Board recommends that stockholders and other interested parties initiate communications with the Board, any committee of the Board or any individual director in writing to the attention of our Corporate Secretary at our principal executive office at 3F, No. 11 Ke Jung Rd., Chu-Nan Site, Hsinchu Science Park, Chu-Nan 350, Miao-Li County, Taiwan, R.O.C. This process will assist the Board in reviewing and responding to stockholder communications in an appropriate manner. The Board has instructed our Corporate Secretary to review such correspondence and, at his discretion, not to forward items if he deems them to be of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration.

OF OUR NAMED EXECUTIVE OFFICERS**

Background to the Advisory Vote

Under an amendment to the Securities Exchange Act of 1934, as amended (the Exchange Act), adopted by Congress as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act), stockholders are able to vote to approve, on an advisory (non-binding) basis no less frequently than once every three calendar years, the compensation of the named executive officers (a say-on-pay vote).

Reason for the Board Recommendation

As described below in the Compensation Discussion and Analysis section of this Proxy Statement, we have structured our executive compensation program to reward our executive officers with compensation that is affordable and sufficient to retain such officers while concurrently aligning the officers' interests with the achievement of our financial and business goals as well as the goals of our stockholders.

Our current compensation programs consist primarily of salary and long-term equity incentives for our executive officers that are designed to support our business goals and promote short- and long-term profitable growth. Our equity incentive plan is intended to align the interests of our employees, including our named executive officers, with the interests of our stockholders and to provide our employees an incentive to support our long-term success and growth.

We urge stockholders to read the discussion in the Compensation Discussion and Analysis section of this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative discussion that follows, which provide detailed information on the compensation of our named executive officers. Our Compensation Committee and Board believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in achieving our goals and that the compensation of our named executive officers reported in this Proxy Statement will support and contribute to the Company's success.

Based on the above, we request that you indicate your support for our executive compensation philosophy and practices, by voting in favor of the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers as disclosed pursuant to Item 402 of Regulation S-K in this Proxy Statement, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion, is hereby approved.

The opportunity to vote on Proposal 2 is required pursuant to Section 14A of the Exchange Act. However, as an advisory vote, the vote on Proposal 2 is not binding upon us. Nonetheless, the Compensation Committee, which is responsible for designing and administering our

executive compensation program, and the Board value the opinions expressed by stockholders, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT.

**PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2015**

KPMG (Taiwan) served as our independent registered public accounting firm for fiscal years 2013 and 2014. The Audit Committee has once again selected KPMG (Taiwan) as our independent registered public accounting firm for the fiscal year ending August 31, 2015. As a matter of good corporate governance, the Audit Committee is submitting its appointment to our stockholders for ratification. If the appointment of KPMG (Taiwan) is not ratified by the majority of the shares of common stock present or represented at the annual meeting and entitled to vote on the proposal, the Audit Committee will review its future appointment of an independent registered public accounting firm in light of that vote result.

The Audit Committee pre-approves and reviews audit and non-audit services performed by our independent registered public accounting firm, as well as the fees charged for such services. In its pre-approval and review of non-audit service fees, the Audit Committee considers, among other factors, the possible effect of the performance of such services on the auditor's independence. For additional information concerning the Audit Committee and its activities with the independent registered public accounting firm, see Corporate Governance and Audit Committee Report in this Proxy Statement.

We expect that a representative of KPMG (Taiwan) will attend the annual meeting, and the representative will have an opportunity to make a statement if he or she so chooses. The representative will also be available to respond to appropriate questions from stockholders.

Fees Billed by Independent Registered Public Accounting Firm

The following table shows the fees and related expenses for audit and other services provided by KPMG (Taiwan) billed for fiscal years 2014 and 2013. The services described in the following fee table were approved in conformity with the Audit Committee's pre-approval process.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board consists of the three directors whose names appear below.

The Audit Committee's general role is to assist the Board in monitoring the Company's financial reporting process and related matters. Its specific responsibilities are set forth in its charter.

The Audit Committee has reviewed the Company's financial statements for fiscal year 2014 and met with management, as well as with representatives of KPMG (Taiwan), the Company's independent registered public accounting firm, to discuss the financial statements. The Audit Committee also discussed with members of KPMG (Taiwan) the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA *Performance Standards* Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

In addition, the Audit Committee received the written disclosures and the letter from KPMG (Taiwan) required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and discussed with members of KPMG (Taiwan) its independence.

Based on these discussions, the financial statement review and other matters it deemed relevant, the Audit Committee recommended to the Board that the Company's audited financial statements for fiscal year 2014 be included in the Company's Annual Report on Form 10-K for fiscal year 2014.

Severance and Change in Control Benefits

Edgar Filing: SemiLEDs Corp - Form DEF 14A

Mr. Doan entered into an employment agreement in 2005, which provides that if he is terminated by us without cause or resigns due to a constructive termination, he will receive as severance an amount equal to six months of his then-current salary plus his current medical insurance for six months following his termination date. We offered such severance to motivate Mr. Doan to continue as our executive officer by providing severance protection in the event that he is terminated by us without having committed any egregious act constituting cause or if we adversely change his position such that he resigns. Cause is defined as (a) the conviction of a felony or of any criminal offense involving moral turpitude; (b) the repeated failure to satisfactorily perform duties reasonably required by us; (c) material breach of the proprietary information and invention agreement, our written policies established by our Board or any term of his employment agreement; or (d) misappropriation of our property or unlawful appropriation of our corporate opportunity or our business. If we determine cause exists, we will provide Mr. Doan with written notice alleging cause and his failure to remedy the alleged cause within 30 days may result in a termination for cause. Constructive termination is defined as one of the following events when we have not received Mr. Doan's written consent for such event: (a) a significant reduction of his duties, position or responsibilities relative to his duties, position or responsibilities in effect immediately prior to such reduction or his removal from such position, duties and responsibilities, provided that a reduction in duties, position or responsibilities solely by virtue of us being acquired and made part of a larger entity will not constitute a constructive termination; (b) a substantial reduction, without good business reasons, of the facilities and perquisites available to him immediately prior to such reduction; (c) a reduction of his base salary unless such reduction is a part of a Company-wide reduction for similarly situated persons; or (d) a material reduction in the kind or level of employee benefits to which he is entitled immediately prior to such reduction, with the result that his overall benefits package is significantly reduced, unless such reductions are part of a Company-wide reduction for similarly situated persons.

Certain of the equity granted to our named executive officers will fully vest upon a change in control. In addition, the RSUs granted to our named executive officers in fiscal years 2013 and 2014 will fully vest if we are subject to a change in control while they remain employed.

Employment Agreements

We entered into employment agreements with each of our named executive officers which set forth the terms of their employment, including base salary and, to the extent applicable, bonus opportunities, stock options and severance benefits. The payments made in fiscal years 2013 and 2014 are set forth in the Summary Compensation Table above.

Mr. Doan entered into an employment agreement in 2005, which provides for the severance payments and benefits described under Severance and Change in Control Benefits above.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Since September 1, 2013, there has not been any transaction or series of similar transactions to which we were or are a party in which the amount involved exceeded or exceeds and in which any of our directors or executive officers, any holder of more than 5% of any class of our voting securities or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than the transactions described below, some of which represent continuing transactions from prior periods.

Investors' Rights Agreement

We have entered into an investors' rights agreement with certain holders of our common stock, including Trung T. Doan, The Trung Doan 2010 GRAT, Dr. Anh Chuong Tran, The Anh Chuong Tran 2010 GRAT, Simplot Taiwan, Inc. and JRS Properties III L.P., as well as certain other investors, which were more than 5% stockholders at the time. This agreement provides for certain rights relating to the registration of their shares of common stock.

Demand Registration Rights

The holders of at least 40% of the shares of our common stock subject to this agreement (originally 13,718,852 shares) can, on not more than three occasions, request that we register all or a portion of their shares if the aggregate price to the public of the shares offered would exceed \$7,500,000. Under these demand registration rights, we are required to cause the shares requested to be included in the registration statement as soon as practicable, subject to customary conditions and limitations.

Piggyback Registration Rights

In the event that we propose to register any of our securities under the Securities Act of 1933, as amended (the "Securities Act"), either for our own account or for the account of other security holders, the parties to this agreement will be entitled to certain "piggyback" registration rights allowing the holder to include their shares in such registration, subject to certain marketing and other limitations. As a result, whenever we propose to file a registration statement under the Securities Act, other than with respect to a registration related to employee benefit plans, debt securities or corporate reorganizations, the holders of these shares are entitled to notice of the registration and have the right, subject to limitations that the underwriters may impose on the number of shares included in the registration, to include their shares in the registration.

Form S-3 Registration Rights

The parties are also entitled to certain Form S-3 registration rights. Holders of at least 30% of the shares subject to the agreement can make a written request that we register their shares on Form S-3 if we are eligible to file a registration statement on Form S-3 and if the aggregate price to the public of the shares offered is at least \$3,000,000. These stockholders may make an unlimited number of requests for registration on Form S-3. However, we will not be required to effect a registration on Form S-3 if we have effected two such registrations in a given 12-month period.

Registration Expenses

We will pay the registration expenses of the holders of the shares registered pursuant to the demand, piggyback and Form S-3 registrations described above. In an underwritten offering, the managing underwriter, if any, has the right, subject to specified conditions, to limit the number of shares such holders may include.

Expiration of Registration Rights

The demand, piggyback and Form S-3 registration rights described above will expire, with respect to any particular stockholder, when that stockholder can sell all of the shares that the stockholder proposes to sell under Rule 144 of the Securities Act or a similar exemption during any three-month period. In any event, all such registration rights shall expire in December 2015.

This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we are a participant, the aggregate amount involved will or may be expected to exceed \$120,000 in any year and a related person has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity), including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness or employment by us of a related person.

The Audit Committee has determined that a related person does not have a direct or indirect material interest in the following categories of transactions and that each will be deemed to be preapproved:

- any transaction with another company at which a related person's only relationship is as an employee (other than an executive officer), director, or beneficial owner of less than 10% of that company's shares, if the aggregate amount involved does not exceed the greater of \$1 million or 2% of that company's total annual revenue.

Section 16(a) of the Exchange Act requires our directors and executive officers, among others, to file with the SEC an initial report of ownership of our stock on Form 3 and reports of changes in ownership on Form 4 or Form 5. As a matter of practice, our administrative staff assists our executive officers and directors in preparing initial ownership reports and reporting ownership changes, and typically files those reports on their behalf. Based solely on a review of the copies of such forms in our possession and on written representations from reporting persons, we believe that during fiscal year 2014 all of our executive officers and directors filed the required reports on a timely basis under Section 16(a).

2016 Stockholder Proposals or Nominations. Pursuant to Rule 14a-8 under the Exchange Act, some stockholder proposals may be eligible for inclusion in the proxy statement for our 2016 Annual Meeting of Stockholders. These stockholder proposals must be submitted, along with proof of ownership of our stock in accordance with Rule 14a-8(b)(2), to our principal executive office (3F, No. 11 Ke Jung Rd., Chu-Nan Site, Hsinchu Science Park, Chu-Nan 350, Miao-Li County, Taiwan, R.O.C.) in care of our Corporate Secretary. Failure to deliver a proposal in accordance with this procedure may result in it not being deemed timely received. We must receive all submissions no later than the close of business (5:00 p.m. Taiwan Time) on November 21, 2015.

In addition, under our Bylaws, any stockholder intending to nominate a candidate for election to the Board or to propose any business at our 2016 Annual Meeting of Stockholders, other than precatory (non-binding) proposals presented under Rule 14a-8, must give notice to our Corporate Secretary between January 8, 2016 and February 7, 2016, unless the notice also is made pursuant to Rule 14a-8. The notice must include information specified in our Bylaws, including information concerning the nominee or proposal, as the case may be, and information about the stockholder's ownership of and agreements related to our stock. If the 2016 Annual Meeting of Stockholders is held more than 30 days from the anniversary of the 2015 Annual Meeting of Stockholders, the stockholder must submit notice of any such nomination and of any such proposal that is not made pursuant to Rule 14a-8 by the later of the 90th day before the 2016 Annual Meeting of Stockholders or the 10th day following the day on which public announcement of the date of such meeting is first made. We will not entertain any proposals or nominations at the 2016 Annual Meeting of Stockholders that do not meet the requirements set forth in our Bylaws. If the stockholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Exchange Act, we may exercise discretionary voting authority under proxies that we solicit to vote in accordance with our best judgment on any such stockholder proposal or nomination.

By Order of the Board of Directors,

Christopher Lee
Corporate Secretary
