1. Summary of Accounting Policies

Basis of Presentation

On November 29, 2011 (the "Petition Date"), AMR Corporation ("AMR" or the "Company"), its principal subsidiary, American Airlines, Inc. ("American") and certain of the Company's other direct and indirect domestic subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief (the "Chapter 11 Cases") under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The Chapter 11 Cases are being jointly administered under the caption "In re AMR Corporation, et al., Case No. 11-15463-SHL."

The Company and the other Debtors are operating as "debtors in possession" under the jurisdiction of the Bankruptcy Court and the applicable provisions of the Bankruptcy Code. In general, as debtors in possession under the Bankruptcy Code, we are authorized to continue to operate as an ongoing business but may not engage in transactions outside the ordinary course of business without the prior approval of the Bankruptcy Court. The Bankruptcy Code enables the Company to continue to operate its business without interruption, and the Bankruptcy Court has granted additional relief covering, among other things, obligations to (i) employees, (ii) taxing authorities, (iii) insurance providers, (iv) independent contractors for improvement projects, (v) foreign vendors, (vi) other airlines pursuant to certain interline agreements, and (vii) certain vendors deemed critical to the Debtors' operations.

While operating as debtors in possession under Chapter 11 of the Bankruptcy Code, the Debtors may sell or otherwise dispose of or liquidate assets or settle liabilities, subject to the approval of the Bankruptcy Court or otherwise as permitted in the ordinary course of business. On June 5, 2013, the Debtors filed their Second Amended Joint Chapter 11 Plan (as may be amended or supplemented, the "Plan") and Disclosure Statement for the Plan (as may be amended or supplemented, the "Disclosure Statement"). On August 14, 2013, the Debtors filed technical amendments to the Plan. The Plan contains provisions for the treatment of equity interests in and prepetition claims against the Company and the other Debtors. See Note 2 to the Condensed Consolidated Financial Statements for further information on the Plan.

On October 21, 2013, the Bankruptcy Court entered an order (the "Confirmation Order") confirming the Plan. A condition precedent to the Plan becoming effective, however, is a satisfactory resolution of the lawsuit filed by the Department of Justice ("DOJ") and certain states against the Company and US Airways Group, Inc., in the United States District Court for the District of Columbia, Case 1:13-cv-01236 (the "DOJ Action") (see "Merger Agreement" under Note 2) and consummation of the Merger (as defined in Note 2 under "Merger Agreement"). The ultimate resolution of the DOJ Action is uncertain and accordingly whether or not the Merger and the effectiveness of the Plan will occur cannot be predicted at this time.

In the event that a settlement is reached in the DOJ Action, the Company would be required to seek the Bankruptcy Court's approval of such settlement, which may involve a determination of whether any additional notice or re-solicitation of previous acceptances or rejections of the Plan are necessary.

There can be no assurance that the Plan will be implemented successfully.

This Monthly Operating Report ("MOR") was prepared on a consolidated basis for the Company and its direct and indirect subsidiaries, including the subsidiary Debtors and other subsidiaries that did not file voluntary petitions for relief under Chapter 11. This MOR is unaudited, is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements for Chapter 11 debtors as required by the Office of the United States Trustee for the Southern District of New York (the "U.S. Trustee") and the Bankruptcy Court. This MOR does not include all the information and footnotes required by generally accepted

accounting principles ("GAAP") for complete financial statements. Therefore, there can be no assurance that the consolidated financial information presented herein is complete and readers are strongly cautioned not to place undue reliance on this MOR. This MOR should be read in conjunction with the Debtors' previously filed MORs and the financial statements and accompanying notes in the Company's and American's annual and quarterly reports, as amended, that are filed with the United States Securities and Exchange Commission (the "SEC").

In accordance with GAAP, the Debtors have applied ASC 852 "Reorganizations" ("ASC 852") in preparing the Condensed Consolidated Financial Statements. ASC 852 requires that the financial statements, for periods subsequent to the Chapter 11 Cases, distinguish transactions and events that are directly associated with the reorganization from

(Unaudited)

the ongoing operations of the business. Accordingly, certain revenues, expenses (including professional fees), realized gains and losses and provisions for losses that are realized or incurred in the Chapter 11 Cases are recorded in reorganization items, net on the accompanying Consolidated Statement of Operations. In addition, prepetition obligations that may be impacted by the Chapter 11 reorganization process have been classified on the Condensed Consolidated Balance Sheet in liabilities subject to compromise. These liabilities are reported at the amounts expected to be allowed by the Bankruptcy Court, even if they may be settled for lesser amounts (see Note 2). These Condensed Consolidated Financial Statements have also been prepared on a going concern basis, which contemplates continuity of operations, realization of assets and satisfaction of liabilities in the ordinary course of business. Accordingly, the Condensed Consolidated Financial Statements do not include any adjustments relating to the recoverability of assets and classification of liabilities that might be necessary should the Debtors be unable to continue as a going concern. The accompanying Condensed Consolidated Financial Statements do not purport to reflect or provide for the consequences of the Chapter 11 Cases, other than as set forth under "liabilities subject to compromise" on the accompanying Condensed Consolidated Balance Sheet and "income (loss) before reorganization items" and "reorganization items, net" on the accompanying Consolidated Statement of Operations (see Note 2). In particular, the financial statements do not purport to show (1) as to assets, their realizable value on a liquidation basis or their availability to satisfy liabilities; (2) as to prepetition liabilities, the amounts that may be allowed for claims or contingencies, or the status and priority thereof; (3) as to shareowners' equity accounts, the effect of any changes that may be made to the Debtors' capitalization; or (4) as to operations, the effect of any changes that may be made to the Debtors' business, including, without limitation, as a result of the Merger.

Results of operations for the periods presented herein are not necessarily indicative of results of operations for the entire year. The Condensed Consolidated Financial Statements include the accounts of the Company and its direct and indirect wholly owned subsidiaries (both Debtor and non-Debtor), including (i) its principal subsidiary American and (ii) its regional airline subsidiary, AMR Eagle Holding Corporation and its primary subsidiaries, American Eagle Airlines, Inc. and Executive Airlines, Inc. (collectively, "AMR Eagle"). The Condensed Consolidated Financial Statements also include the accounts of variable interest entities for which the Company is the primary beneficiary. For further information, refer to the consolidated financial statements and footnotes included in the Company's Annual Report on Form 10-K filed with the SEC on February 20, 2013, as amended by the Form 10-K/A filed on April 16, 2013 ("2012 Form 10-K"), including the Summary of Significant Accounting Policies which appears as Note 2 in the 2012 Form 10-K. Notwithstanding any indications of value that may be contained in the Plan, no assurance can be given as to the ultimate value that may be ascribed to the Debtors' various prepetition liabilities and other securities. The Company cannot predict what the ultimate value of any of its or the other Debtors' securities may be. Trading in the Company's common stock and certain debt securities on the New York Stock Exchange ("NYSE") was suspended on January 5, 2012, and the Company's common stock and such debt securities were delisted by the SEC from the NYSE on January 30, 2012. On January 5, 2012, the Company's common stock began trading under the symbol "AAMRQ" on the OTCQB marketplace, operated by OTC Markets Group (www.otcmartets.com). Additional information about the Chapter 11 Cases is available on the Internet at aa.com/restructuring. Court filings and claims information are available at amrcaseinfo.com.

2. Chapter 11 Proceedings and Reorganization Update for the Reporting Period General Information

Notices to Creditors; Effect of Automatic Stay. The Debtors have notified all known current or potential creditors that the Chapter 11 Cases were filed. Subject to certain exceptions under the Bankruptcy Code, the filing of the Debtors'

Chapter 11 Cases automatically enjoined, or stayed, the continuation of most judicial or administrative proceedings or filing of other actions against the Debtors or their property to recover on, collect or secure a claim arising prior to the Petition Date. Thus, for example, most creditor actions to obtain possession of property from the Debtors, or to create, perfect or enforce any lien against the property of the Debtors, or to collect on monies owed or otherwise exercise rights or remedies with respect to a prepetition claim, are enjoined unless and until the Bankruptcy Court lifts the automatic stay as to any such claim. Vendors are being paid for goods furnished and services provided after the Petition Date in the ordinary course of business.

Appointment of Creditors' Committee. On December 5, 2011, the U.S. Trustee appointed the Official Committee of Unsecured Creditors ("Creditors' Committee") for the Chapter 11 Cases.

AMR CORPORATION, ET AL.
DEBTORS AND DEBTORS IN POSSESSION
Notes to Condensed Consolidated Financial Statements
(Unaudited)

Rejection of Executory Contracts. Under section 365 and other relevant sections of the Bankruptcy Code, the Debtors may assume, assume and assign, or reject certain executory contracts and unexpired leases, including, without limitation, agreements relating to aircraft and aircraft engines (collectively, "Aircraft Property") and leases of real property, subject to the approval of the Bankruptcy Court and certain other conditions. As of September 30, 2013, the Bankruptcy Court had entered orders granting the Debtors' motions to assume 554, assume and assign one, terminate one, and reject 12 unexpired leases of non-residential real property and had entered various orders extending, by the Debtors' agreement with certain landlords, the date by which the Debtors must assume or reject an additional three unexpired leases of non-residential real property. With respect to certain agreements between American and the City of Chicago, American and the City of Chicago entered into a stipulated order, which provided for the assumption of such agreements as of the effective date of the Plan. The stipulated order also provides that if the effective date of the Plan has not occurred by January 31, 2014, the parties are free to extend such deadline with the approval of the Bankruptcy Court or to renegotiate the terms of the order assuming such agreements.

In general, rejection of an executory contract or unexpired lease is treated as a prepetition breach of the executory contract or unexpired lease in question and, subject to certain exceptions, relieves the Debtors from performing their future obligations under such executory contract or unexpired lease but entitles the contract counterparty or lessor to a prepetition general unsecured claim for damages caused by such deemed breach. Counterparties to such rejected contracts or leases have the right to file claims against the Debtors' estate for such damages. Generally, the assumption of an executory contract or unexpired lease requires the Debtors to cure existing defaults under such executory contract or unexpired lease.

Any description of an executory contract or unexpired lease elsewhere in these Notes or in the report to which these Notes are attached, including where applicable the Debtors' express termination rights or a quantification of their obligations, must be read in conjunction with, and is qualified by, any rights the Debtors or counterparties have under section 365 of the Bankruptcy Code.

The Debtors expect that liabilities subject to compromise and resolution in the Chapter 11 Cases will arise in the future as a result of damage claims created by the Debtors' rejection of various executory contracts and unexpired leases. Due to the uncertain nature of many of the potential rejection claims, the magnitude of such claims is not reasonably estimable at this time. Such claims may be material (see "Liabilities Subject to Compromise" below).

Special Protection Applicable to Leases and Secured Financing of Aircraft and Aircraft Equipment. Notwithstanding the general discussion above of the impact of the automatic stay, under section 1110 of the Bankruptcy Code, beginning 60 days after filing a petition under Chapter 11, certain secured parties, lessors and conditional sales vendors may have a right to take possession of certain qualifying Aircraft Property that is leased or subject to a security interest or conditional sale contract, unless the Debtors, subject to approval by the Bankruptcy Court, agree to perform under the applicable agreement, and cure any defaults as provided in section 1110 (other than defaults of a kind specified in section 365(b)(2) of the Bankruptcy Code). Taking such action does not preclude the Debtors from later rejecting the applicable lease or abandoning the Aircraft Property subject to the related security agreement, or from later seeking to renegotiate the terms of the related financing.

The Debtors may extend the 60-day period by agreement of the relevant financing party, with Bankruptcy Court approval. In the absence of an agreement or cure as described above or such an extension, the financing party may take possession of the Aircraft Property and enforce its contractual rights or remedies to sell, lease or otherwise retain or dispose of such equipment.

The 60-day period under section 1110 in the Chapter 11 Cases expired on January 27, 2012. In accordance with the Bankruptcy Court's Order Authorizing the Debtors to (i) Enter into Agreements Under Section 1110(a) of the

Bankruptcy Code, (ii) Enter into Stipulations to Extend the Time to Comply with Section 1110 of the Bankruptcy Code and (iii) File Redacted Section 1110(b) Stipulations, dated December 23, 2011, the Debtors have entered into agreements to extend the automatic stay or agreed to perform and cure defaults under financing agreements with respect to certain aircraft in their fleet and other Aircraft Property. The Debtors have reached agreement on revised terms with respect to substantially all of the aircraft for which the Debtors expect to negotiate revised terms.

Magnitude of Potential Claims. On February 27, 2012, the Debtors filed with the Bankruptcy Court schedules and statements of financial affairs setting forth, among other things, the assets and liabilities of the Debtors, subject to the assumptions filed in connection therewith. All of the schedules are subject to further amendment or modification. Bankruptcy Rule 3003(c)(3) requires the Bankruptcy Court to fix the time within which proofs of claim must be filed in a Chapter 11 case pursuant to section 501 of the Bankruptcy Code. This Bankruptcy Rule also provides that any creditor who asserts a claim against the Debtors that arose prior to the Petition Date and whose claim (i) is not listed on the Debtors' schedules or (ii) is listed on the schedules as disputed, contingent, or unliquidated, must file a proof of claim. On May 4, 2012, the Bankruptcy Court entered an order that established July 16, 2012 at 5:00 p.m. (Eastern Time) as the deadline to file proofs of claim against any Debtor. More information regarding the filing of proofs of claim can be obtained at www.amrcaseinfo.com. Information on this website is not incorporated into or otherwise made a part of this report.

Differences between amounts scheduled by the Debtors and claims by creditors will be investigated and resolved in connection with the claims resolution process. In light of the expected number of creditors, the claims resolution process may take considerable time to complete. Accordingly, the ultimate number and amount of allowed claims is not presently known, nor can the ultimate recovery with respect to allowed claims be presently ascertained.

Collective Bargaining Agreements. Section 1113(c) of the Bankruptcy Code provides a process for the modification and/or rejection of collective bargaining agreements ("CBAs"). Through this process, American was able to achieve new CBAs with each of its unions ("TWU", "APFA" and "APA"), covering nine unionized work groups.

In September 2012, the Bankruptcy Court authorized American to reject its pilot CBA, and thereafter American began implementing certain terms and conditions of employment for pilots. American and the APA continued to negotiate in good faith toward a new pilot agreement, and those negotiations resulted in a new pilot CBA that was approved by the Bankruptcy Court on December 19, 2012. A small group of American pilots is appealing the Bankruptcy Court's decisions granting American's request to reject the pilot CBA and approving the new pilot CBA, and those appeals are pending in the U.S. District Court for the Southern District of New York.

American Eagle Airlines, Inc. ("AMR Eagle") also engaged in the Section 1113(c) process with its unions, and ultimately achieved new CBAs with its unions, including AFA, ALPA and all four TWU-represented work groups. In addition, American's pilots, flight attendants, and ground employee unions and the US Airways, Inc. pilots union have agreed to new terms for CBAs, effective upon the closing of the Merger (see below for further information in the section entitled "Merger Agreement"). Separately, US Airways entered into a new CBA with the Association of Flight Attendants-CWA (the "AFA") that includes support for the Merger. American's unions representing pilots and flight attendants are working with their counterparts at US Airways, Inc. to determine representation and single agreement protocols to be used to integrate the pilots and flight attendants workforces after the Merger. The TWU reached agreement with its counterpart at US Airways (the International Association of Machinists and Aerospace Workers ("IAM")) to jointly represent three groups of ground employees (Mechanic and Related, Fleet Service and Stores) following the Merger (subject to certification by the National Mediation Board), and on a process for integrating these workgroups, and one other, following the Merger.

Filing of Plan of Reorganization, Disclosure Statement and Form S-4

On April 15, 2013, the Company and other Debtors initially filed with the Bankruptcy Court the Plan and related Disclosure Statement, which contemplate that the Debtors will emerge from Chapter 11 and AMR and AMR Merger Sub, Inc. will engage in the Merger (see the section entitled "Merger Agreement" below). The Plan addresses various subjects with respect to the Debtors, including the resolution of pre-petition obligations as well as the capital structure and corporate governance after exit from the Chapter 11 Cases. The Plan further provides that, upon the effectiveness

of the Plan and the Merger, which is anticipated to occur contemporaneously, all shares of existing AMR common stock and other equity interests in AMR will be canceled and any rights with respect thereto will cease to exist, subject to the right to receive distributions pursuant to the Plan.

Generally, for purposes of the Plan, all 20 Debtors will be "substantively consolidated" into three nodes, consisting of: (i) AMR Debtors, (ii) American Debtors, and (iii) Eagle Debtors. As among the AMR Debtors, the American Debtors, and the Eagle Debtors, the Plan will separately classify creditor claims. However, pursuant to the compromises

AMR CORPORATION, ET AL.
DEBTORS AND DEBTORS IN POSSESSION
Notes to Condensed Consolidated Financial Statements
(Unaudited)

incorporated into the Plan relating to certain inter-creditor issues and the treatment of intercompany claims among the Debtors, general unsecured claims of similar rank and priority will be treated the same under the Plan regardless of the Debtor against which such claim was filed.

The Plan contains provisions related to the treatment of prepetition unsecured claims against the Debtors and equity interests in AMR as described below under "Description of Plan of Reorganization."

On April 15, 2013, the Company filed a Form S-4 registration statement (the "Form S-4 Registration Statement") with the SEC to register the shares of common stock of AMR, which following the Merger will be renamed American Airlines Group Inc. (herein, the "AAG Common Stock"), to be issued to stockholders of US Airways Group, Inc. ("US Airways Group") as consideration in the Merger in exchange for their US Airways Group common stock. The SEC declared the Form S-4 Registration Statement, as amended, effective on June 10, 2013. The stockholders of US Airways Group voted to approve the Merger on July 12, 2013. The AAG Common Stock cannot be issued to US Airways Group stockholders until the Plan and Merger are consummated.

On June 7, 2013, the Bankruptcy Court entered the order approving the Disclosure Statement and authorized the Debtors to solicit votes on the Plan from eligible creditors and stockholders. On July 19, 2013, the Company and the other Debtors filed the "Plan Supplement", which contains certain documents that are part of the Plan. On August 1, 2013, the Plan was accepted by each class of creditors and AMR equity interest holders entitled to vote on the Plan. On October 21, 2013, the Bankruptcy Court entered the Confirmation Order. A condition precedent to the Plan becoming effective, however, is a satisfactory resolution of the DOJ Action and consummation of the Merger. The ultimate resolution of the DOJ Action is uncertain and accordingly whether or not the Merger and the effectiveness of the Plan will occur cannot be predicted at this time.

In the event that a settlement is reached in the DOJ Action, the Company would be required to seek the Bankruptcy Court's approval of such settlement, which may involve a determination of whether any additional notice or re-solicitation of previous acceptances or rejections of the Plan are necessary.

There can be no assurance that the Plan will be implemented successfully.

Availability and Utilization of Net Operating Losses. A discussion of the potential impact of the Plan on the availability and utilization of net operating losses (and alternative minimum tax credits) after the Debtors' emergence from Chapter 11 is contained in the Disclosure Statement. As described therein, the Debtors reasonably anticipate taking advantage of the special bankruptcy rule in section 382(l)(5) of the U.S. Internal Revenue Code, which generally applies to an ownership change in bankruptcy that involves the retention or receipt of at least half of the stock of the reorganized debtor by its shareholders and/or qualified creditors.

On April 11, 2013, the Bankruptcy Court issued a Revised Final Order Establishing Notification Procedures for Substantial Claimholders and Equity Security Holders and Approving Restrictions on Certain Transfers of Interests in the Debtors' Estates (the "Revised Order"), which restricts trading in the Company's common stock and establishes certain procedures and potential restrictions with respect to the transfer of claims (the "Revised Procedures"). The order is intended to prevent, or otherwise institute procedures and notification requirements with respect to, certain transfers of AMR common stock and unsecured claims against the Debtors that could impair the ability of the Debtors to use their net operating loss carryovers and certain other tax attributes on a reorganized basis.

In accordance with the Revised Procedures, an initial date was established by which holders of unsecured claims (or in certain cases, group of holders) that beneficially owned in excess of a threshold amount as of May 24, 2013 were required to file a Notice of Substantial Claim Ownership. The reporting deadline was May 31, 2013, and the threshold amount was \$190 million of unsecured claims or such lesser amount as set forth in the proposed Disclosure Statement. The Disclosure Statement established in accordance with the Revised Procedures a second (final) date by which

holders of unsecured claims (or in certain cases, group of holders) that beneficially owned in excess of a threshold amount as of July 1, 2013 were required to file a Notice of Substantial Claim Ownership (regardless of whether such holder(s) filed a Notice as of the first reporting deadline). The final reporting deadline was July 8, 2013. The threshold amount was \$190 million of unsecured claims or such lesser amount as set forth in the approved Disclosure Statement, namely such lesser amount which, when added to certain specified interests, including stock, in AMR or US Airways Group, would result in such holder holding the "Applicable Percentage," generally 4.5 percent, of the reorganized Debtors. In

AMR CORPORATION, ET AL.
 DEBTORS AND DEBTORS IN POSSESSION
 Notes to Condensed Consolidated Financial Statements
 (Unaudited)

connection with the filing of a Notice of Substantial Claim Ownership, a holder was required to indicate if it agreed to refrain from acquiring additional AMR and US Airways Group common stock and such other specified interests until after the effective date of the Debtors' Chapter 11 plan of reorganization, and to dispose of any such interests acquired since February 22, 2013 if directed to do so pursuant to the Revised Order. Based, in part, on the Notices of Substantial Claim Ownership received, the Debtors evaluated whether it will be necessary for them to seek an order in accordance with the "sell-down" procedures of the Revised Order, potentially requiring any "Substantial Claimholder" to sell down a portion of its unsecured claims to reasonably ensure that the requirements of section 382(l)(5) will be satisfied. No such order has been sought.

After July 1, 2013, any acquisition of unsecured claims by a Substantial Claimholder or a person (or in certain cases, group of persons) that would become a Substantial Claimholder as a result of the contemplated transaction is not permitted unless the potential transferee files a Claims Acquisition Request at least 10 business days prior to the proposed transfer date and receives written approval from the Debtors.

The Revised Procedures did not alter the procedures applicable with respect to "Substantial Equityholders," namely persons who are, or as a result of a transaction would become, the beneficial owner of approximately 4.5 percent of the outstanding shares of the Company's common stock.

Any acquisition, disposition, or other transfer of equity or claims in violation of the restrictions set forth in the Revised Order will be null and void ab initio and/or subject to sanctions as an act in violation of the automatic stay under sections 105(a) and 362 of the Bankruptcy Code. A further explanation of the Revised Procedures is contained in the Disclosure Statement.

Liabilities Subject to Compromise

The following table summarizes the components of liabilities subject to compromise included on the Consolidated Balance Sheet as of September 30, 2013 (in millions):

Long-term debt	\$ 1,130	
Estimated allowed claims on aircraft lease and debt obligations and facility lease and bond obligations	4,151	
Pension and postretirement benefits	1,201	
Accounts payable and other accrued liabilities	419	
Other	(12)
Total liabilities subject to compromise	\$6,889	

Liabilities subject to compromise refers to prepetition obligations which may be impacted by the Chapter 11 reorganization process. These amounts represent the Debtors' current estimate of known or potential prepetition obligations to be resolved in connection with the Chapter 11 Cases.

In accordance with ASC 852, substantially all of the Company's unsecured debt has been classified as liabilities subject to compromise. Additionally, certain of the Company's undersecured debt instruments have also been classified as liabilities subject to compromise.

As a result of the modifications to retirement benefits as discussed below, a portion of the pension and postretirement benefits liability, primarily relating to retiree medical and other benefits, was classified as liabilities subject to compromise.

Differences between liabilities the Debtors have estimated and the claims filed, or to be filed, will be investigated and resolved in connection with the claims resolution process. The Company will continue to evaluate these liabilities throughout the Chapter 11 Cases and adjust amounts as necessary. Such adjustments may be material. In light of the expected number of creditors, the claims resolution process may take considerable time to complete. Accordingly, the

ultimate number and amount of allowed claims is not presently known.

Reorganization Items, net

Reorganization items refer to revenues, expenses (including professional fees), realized gains and losses and provisions for losses that are realized or incurred in the Chapter 11 Cases. The following table summarizes the components included in reorganization items, net on the Consolidated Statement of Operations for the month ended September 30, 2013 (in millions):

Aircraft and facility financing renegotiations and rejections ⁽¹⁾ ⁽²⁾	\$ 15
Professional fees	11
Other	27
Total reorganization items, net	\$53

Amounts include allowed claims (claims approved by the Bankruptcy Court) and estimated allowed claims relating to the rejection or modification of financings related to aircraft. The Debtors record an estimated claim associated with the rejection or modification of a financing when the applicable motion is filed with the Bankruptcy Court to (1) reject or modify such financing and the Debtors believe that it is probable the motion will be approved, and there is sufficient information to estimate the claim. See above, "Special Protection Applicable to Leases and Secured Financing of Aircraft and Aircraft Equipment," for further information.

Amounts include allowed claims (claims approved by the Bankruptcy Court) and estimated allowed claims relating to entry of orders treating as unsecured claims with respect to facility agreements supporting certain issuances of (2) special facility revenue bonds. The Debtors record an estimated claim associated with the treatment of claims with respect to facility agreements when the applicable motion is filed with the Bankruptcy Court and the Debtors believe that it is probable that the motion will be approved, and there is sufficient information to estimate the claim. See above, "Rejection of Executory Contracts," for further information.

Claims related to reorganization items are reflected in liabilities subject to compromise on the Condensed Consolidated Balance Sheet as of September 30, 2013.

Interest Expense

In accordance with ASC 852, the Debtors record interest expense only to the extent (1) interest will be paid during the Chapter 11 Cases or (2) it is probable that the Bankruptcy Court will allow a claim in respect of such interest. Interest expense recorded on the Consolidated Statements of Operations totaled \$60 million for the month ended September 30, 2013. Contractual interest expense (including interest expense that is associated with obligations in liabilities subject to compromise) during this period totaled \$62 million.

Insurance

Premiums to date for all insurance policies, including workers' compensation and disability insurance, have been paid in accordance with each respective policy's payment terms. No payments are past due.

Restricted Cash and Short-term Investments

The Company has restricted cash and short-term investments related primarily to collateral held to support projected workers' compensation obligations and funds held for certain tax obligations.

Recent Modifications to Pension and Other Post-Employment Benefits

The Company's defined benefit pension plans were frozen effective November 1, 2012. Eligible employees began to receive a replacement benefit under the Super Saver 401(k) Plan on November 1, 2012.

In December 2012, the Pilot A Plan, a defined benefit plan, was amended to remove the lump-sum option and the installment option forms of benefit effective December 31, 2012. A small group of American pilots is appealing the Bankruptcy Court's decision authorizing American to eliminate the lump sum option and installment option forms of

benefit. This is the same group of pilots that is appealing the Bankruptcy Court's decisions authorizing American to reject the pilot CBA and approving the new pilot CBA. All of these appeals have been consolidated, and are pending in the U.S. District Court for the Southern District of New York.

The Pilot B Plan, a defined contribution plan, was terminated on November 30, 2012. More than 99% of Plan B assets have been distributed and, with the exception a small residual balance to cover final plan expenses, we expect the remaining funds to be distributed by end of fourth quarter 2013.

On July 6, 2012, the Company commenced an adversary proceeding in the Bankruptcy Court seeking a determination on the issue of vesting for former employees who retired before November 1, 2012 and were eligible for certain retiree medical coverage. The Court held a hearing on January 23, 2013 and has not ruled on this matter as of the date of this report. The Company has been negotiating with the Retiree Committee since July 2012, seeking a consensual agreement to terminate subsidized retiree medical coverage and life insurance coverage.

Merger Agreement

Description of Agreement and Plan of Merger

On February 13, 2013, AMR, US Airways Group and AMR Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of AMR ("Merger Sub"), entered into an Agreement and Plan of Merger (as subsequently amended, the "Merger Agreement"), providing that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into US Airways Group, with US Airways Group surviving as a wholly owned subsidiary of AMR (the "Merger"). It is anticipated that immediately following the Merger closing, AMR will change its name to American Airlines Group Inc. ("AAG"). Following the Merger, AAG will own, directly or indirectly, all of the equity interests of American, US Airways Group and their direct and indirect subsidiaries. The Bankruptcy Court entered the Confirmation Order, confirming the Plan, which includes the Merger Agreement and the transactions contemplated thereby, including the Merger.

Subject to the terms and conditions of the Merger Agreement, which was approved by the boards of directors of the respective parties and the stockholders of US Airways Group, upon completion of the Merger, US Airways Group stockholders will receive one share of AAG Common Stock for each share of US Airways Group common stock. The aggregate number of shares of AAG Common Stock issuable to holders of US Airways Group equity instruments (including stockholders and holders of convertible notes, options, stock appreciation rights and restricted stock units) will represent 28% of the diluted equity of AAG after giving effect to the Plan. The remaining 72% diluted equity ownership of AAG will be distributable, pursuant to the Plan, to the Debtors' stakeholders, labor unions and certain employees. All of the equity interests in AAG will be issued initially solely pursuant to the Merger Agreement or the Plan. Pursuant to the Plan, holders of AMR equity interests are expected to receive a recovery on such interests in the form of a distribution of AAG Common Stock.

On August 13, 2013, the DOJ Action was commenced to enjoin the Merger. The Company and US Airways Group have indicated that they intend to defend the proposed Merger. The trial is scheduled to commence on November 25, 2013. The Merger Agreement contains certain termination rights, giving the parties the right to terminate the Merger Agreement by the earlier of (A) the later of (i) January 18, 2014 and (ii) the fifteenth (15) day after the United States District Court for the District of Columbia (the "District Court") enters an order in the trial in the DOJ Action in favor of American and US Airways, provided that such order is entered on or prior to January 17, 2014, and (B) five (5) days after the District Court enters a final, but appealable, order permanently restraining, enjoining or otherwise prohibiting consummation of the Merger following the trial in the DOJ Action.

On October 21, 2013, the Bankruptcy Court entered the Confirmation Order. A condition precedent to the Plan becoming effective, however, is a satisfactory resolution of the DOJ Action and consummation of the Merger. The

ultimate resolution of the DOJ Action is uncertain and accordingly whether or not the Merger and the effectiveness of the Plan will occur cannot be predicted at this time.

The Merger, in conjunction with the Plan, is intended to qualify, for federal income tax purposes, as a reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended.

Description of Plan of Reorganization

The Plan implements the Merger, incorporates a compromise and settlement of certain intercreditor and intercompany claim issues, and contains the following provisions relating to the treatment of prepetition unsecured claims against the Debtors and equity interests in AMR:

all creditors holding general unsecured claims against American that are guaranteed by AMR and general unsecured claims against AMR that are guaranteed by American ("Double-Dip Unsecured Claims") will be treated the same under the Plan;

all creditors asserting Single-Dip Unsecured Claims will be treated the same regardless of whether the claim is asserted against the AMR Debtors, the American Debtors, or other Debtors. As used herein, "Single-Dip Unsecured Claims" means the general unsecured claims against the Debtors that are not guaranteed by any other Debtor, other than the claims of the Debtors' labor unions and convenience claims (the Plan also provides for the distribution of shares of AAG Common Stock to certain of the Debtors non-union employees);

- unless they elect treatment as holders of Single-Dip Unsecured Claims, holders of Double-Dip Unsecured Claims will receive their recovery in shares of AAG convertible preferred stock (the "AAG Convertible Preferred Stock") with a face amount equal to the allowed amount of their claims, including post-petition interest at the non-default rate;

holders of Single-Dip Unsecured Claims, and holders of Double-Dip Unsecured Claims that elect to receive such treatment, will receive a portion of their recovery in shares of AAG Convertible Preferred Stock and a portion in shares of AAG Common Stock;

up to one quarter of the shares of AAG Convertible Preferred Stock will be mandatorily convertible into shares of AAG Common Stock on each of the 30th, 60th, 90th, and 120th day after the Plan Effective Date. In addition, subject to certain limitations, holders of AAG Convertible Preferred Stock may elect to convert up to \$250 million of the AAG Convertible Preferred Stock during each 30-day period following the Plan Effective Date. Upon the conversion of the remaining AAG Convertible Preferred Stock on the 120th day after the Plan Effective Date, all AAG Convertible Preferred Stock will have been converted to AAG Common Stock and no AAG Convertible Preferred Stock will then remain outstanding (the conversion price of the AAG Convertible Preferred Stock will vary on each conversion date, based on the volume weighted average price of the shares of AAG Common Stock on the five trading days immediately preceding each conversion date, at a 3.5% discount, subject to a cap and a floor price);

holders of existing equity securities in AMR will receive an initial distribution of shares of AAG Common Stock representing 3.5% of the total number of shares of AAG Common Stock (on an as-converted basis) in addition to the potential to receive additional shares of AAG Common Stock on each conversion date if the conversion formula provides holders of unsecured claims with shares having a value equal to the allowed amount of their claims;

the satisfaction of certain labor-related claims and the distribution to certain non-management, non-union employees through the allocation of shares of AAG Common Stock representing 23.6% of the total number of shares of AAG Common Stock ultimately distributed to holders of prepetition general unsecured creditors against the Debtors; and the satisfaction in full of all secured, priority, and administrative claims against the Debtors in accordance with the requirements of the Bankruptcy Code.

The distributions made to each of the foregoing stakeholders of the Debtors will be adjusted to take into account any reserves made for disputed claims under the Plan. In addition, as a result of the conversion mechanics of the AAG Convertible Preferred Stock, not all shares of AAG Common Stock to be distributed to the foregoing stakeholders can be distributed on the effective date of the Plan. However, the number of shares of AAG Common Stock issued on the effective date of the Plan on account of the labor claims and the existing equity interests in AMR is intended to be the

maximum amount possible consistent with their unconditional entitlement to a fixed number of shares under the distribution scheme contemplated by the Plan.
