Page - 1

Joseph Gallo (51 years old) has been a director and the President of Madison since June 2007. Mr. Gallo developed his managerial skills while moving up the store managerial ranks with Canada Safeway, Ltd., starting as a clerk in 1977, through service as a Team Leader and becoming an Assistant Store Manager and Store Closer, a position which he held until his resignation in 2006. Since 2006, he has devoted his time to developing his residential construction and rehabilitation business (d/b/a "Solid Construction") that he founded and has run since 1992. In 1986, Mr. Gallo founded Jovic Plasticfactory, to which he assigned the patent for the bicycle brake light that he had invented that incorporated microprocessor technology ("speed indicating light mechanism"). The product was voted the most innovative product of the year by the Vancouver Design Group, was awarded two governmental grants, and the company commercialized the product until 1991. Mr. Gallo's past experience includes the staking of mineral exploration properties for companies such as US Diamonds Corporation and Atlas Corporation.

Mr. Gallo does not hold a directorship in any other reporting company

There is no family relationship among the directors or officers.

During the last two years, there has been no transaction or proposed transaction that Madison was or is a party to in which Mr. Gallo had or is to have a direct or indirect material interest.
