2. **Date of Material Change:**

August 24, 2008.

3. **News Release:**

A press release disclosing the material change, a copy of which is attached hereto, was issued on August 25, 2008 through the facilities of MarketWire and was filed with the applicable securities regulatory authorities via SEDAR on the same date.

4. **Summary of Material Change:**

The Trust has entered into an agreement and plan of merger dated August 24, 2008 (the **Merger Agreement**) with Grey Wolf, Inc. (**Grey Wolf**), Precision Drilling Corporation (the **Corporation**) and Precision Lobos Corporation (**Lobos**), pursuant to which the Trust will indirectly acquire Grey Wolf.

5. **Full Description of the Material Change:**

The Trust has entered into the **Merger Agreement** with Grey Wolf, the Corporation and Lobos, pursuant to which the Trust will indirectly acquire Grey Wolf (the **Acquisition**).

The Acquisition will be completed by way of a merger under the applicable laws of the State of Texas. Pursuant to the Acquisition, Grey Wolf will be merged with and into Lobos pursuant to the *Texas Business Corporations Act* and the *Texas Corporation Law*. Lobos is a direct, wholly-owned subsidiary of the Trust. Following the completion of the Acquisition, the separate legal existence of Grey Wolf shall cease and Lobos shall be the surviving corporation.

Under the terms of the Merger Agreement, shareholders of Grey Wolf may elect to receive either cash or trust units of the Trust (the **Trust Units**) in exchange for their shares of Grey Wolf common stock. Each share of Grey Wolf common stock will be convertible, at the option of the holder, into U.S.\$9.02 in cash or 0.4225 Trust Units, subject to proration. The maximum amount of cash to be paid by the Trust will be approximately U.S.\$1.12 billion and the maximum number of Trust Units to be issued will be approximately 42 million. and the consummation of the Acquisition and covenants not to engage in certain kinds of transactions during that period.

Completion of the Acquisition is subject to customary conditions, including, among others, (i) approval of the Merger Agreement by shareholders of Grey Wolf, (ii) the receipt of required regulatory approvals, (iii) the effectiveness of the registration statement that will be filed by the Trust for the issuance of the Trust Units as consideration in the Acquisition and the approval of the listing of the Trust Units on the New York Stock Exchange and Toronto Stock Exchange and (iv) the absence of any material adverse effect with respect to Grey Wolf's and the Trust's business, as applicable.

Financing is not a condition to consummation of the Acquisition. The Trust has received commitments from Deutsche Bank Securities, Royal Bank of Canada, HSBC Bank and The Toronto Dominion Bank to finance the cash portion of the merger consideration.

The Merger Agreement contains certain termination rights for the Trust. Upon termination of the Merger Agreement under certain specified circumstances, Grey Wolf would be required to pay the Trust a termination fee of up to U.S.\$64.0 million.

It is anticipated that a proxy statement will be mailed to Grey Wolf shareholders by the end of the third quarter with the special meeting of Grey Wolf shareholders to consider the Merger Agreement to be held before the end of 2008. No vote of holders of Trust Units is required in connection with the Acquisition.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement which has been filed on SEDAR and is available at www.sedar.com.

(A) each Unit Election Share and each No Election Share shall be converted into the right to receive the Per Share Unit Consideration; and

(B) each Cash Election Share shall be converted into the right to receive (i) an amount of cash (without interest) equal to the product of (w) the Per Share Cash Consideration multiplied by (x) a fraction, the numerator of which shall be the difference between the Available Cash Consideration and the Dissenting Cash Consideration and the denominator of which shall be the Elected Cash Consideration (the fraction described in this clause (x) being referred to as the *Cash Fraction*) and (ii) a number of Precision Trust Units equal to the product of (y) the Exchange Ratio multiplied by (z) one (1) minus the Cash Fraction; or

(C) if the No Election Value is less than the No Election Available Cash, then (i) each No Election Share shall be converted into the right to receive the Per Share Cash Consideration and (ii) each Unit Election Share shall be converted into the right to receive (a) an amount of cash (without interest) equal to (x) the difference between the No Election Available Cash and the No Election Value divided by (y) the number of Unit Election Shares and (b) a number of Precision Trust Units equal to the product of (x) the Exchange Ratio and (y) one (1) minus the fraction determined by dividing the amount of cash determined pursuant to the preceding clause (a) by the Per Share Cash Consideration.

(3) the sum of the Elected Cash Consideration and the Dissenting Cash Consideration equals the Available Cash Consideration, then:

(A) each Cash Election Share shall be converted into the right to receive the Per Share Cash Consideration; and

(B) each Unit Election Share and No Election Share shall be converted into the right to receive the Per Share Unit Consideration; and

(v) notwithstanding the definition of Available Cash Consideration, Precision shall have the option, in its sole discretion, to increase the amount of the Available Cash Consideration to any amount up to and including the amount of the sum of the Elected Cash Consideration and the Dissenting Cash Consideration plus the product of (1) the No Election Shares and (2) the Per Share Cash Consideration; provided that Precision may not increase the Available Cash Consideration to an amount that, in the reasonable opinion of counsel to Precision and counsel to Grey Wolf, would cause such counsel to be unable to render the opinions described in Section 6.2(d) and Section 6.3(d), respectively.

(b) From and after the Effective Time, the Grey Wolf Common Stock converted into the Merger Consideration pursuant to this Article II shall no longer remain outstanding and shall automatically be cancelled and shall cease to exist, and each holder of a Certificate previously representing any such Grey Wolf Common Stock or Uncertificated Shares shall thereafter cease to have any rights with respect to such securities, except the right to receive (i) the Merger Consideration to which such holder may be entitled pursuant to this Section 2.6, (ii) any dividends and other distributions in accordance with Section 2.9(c) and (iii) any cash to be paid in lieu of any fractional Precision Trust Units in accordance with Section 2.9(e).

Each Precision Unit Appreciation Right into which an

outstanding Grey Wolf 2003 Option is converted (A) shall be subject to the same term and vesting schedule as applied to the corresponding Grey Wolf 2003 Option; (B) shall be settled in cash; (C) shall have an exercise price per unit equal to the exercise price per share of Grey Wolf Common Stock applicable under the corresponding Grey Wolf 2003 Option immediately prior to the Effective Time divided by the Exchange Ratio (the exercise price per unit determined by the foregoing being rounded up to the nearest whole cent); and (D) shall apply to that number of Precision Trust Units equal to the number of shares of Grey Wolf Common Stock subject to the corresponding Grey Wolf 2003 Option as of the Effective Time multiplied by the Exchange Ratio (rounded down to the nearest whole unit). Precision shall establish a plan pursuant to which the Precision Unit Appreciation Rights will be issued, which plan shall include terms and conditions that are substantially similar in all material respects to the terms and conditions of the Grey Wolf 2003 Stock Plan as applied to the Grey Wolf 2003 Options taking into account the provisions of this Section 2.6(d)(iii) and the difference in the nature of the awards. Precision shall take all necessary actions to ensure that the plan is effective as of the Effective Time. It is intended that the conversion of Grey Wolf 2003 Options into Precision Unit Appreciation Rights shall be effected in a manner which is consistent with sections 424(a) and 409A of the Code and such conversion shall be effected in such manner, including a reasonable good faith interpretation by Precision of guidance under section 409A that the Precision Trust Units constitute service recipient stock within the meaning of section 409A and applicable guidance, and the provisions of this Section 2.6(d) shall be interpreted accordingly.

- (iv) As soon as practicable following the Effective Time, Precision shall deliver to the holders of Grey Wolf 2003 Options to be converted into Precision Unit Appreciation Rights pursuant to this Section 2.6(d) appropriate notices setting forth such holders' rights with respect to such Precision Unit Appreciation Rights and the agreements evidencing the grants of such Precision Unit Appreciation Rights effective as of the Effective Time.
- (v) From and after the date of this Agreement, Grey Wolf and the Grey Wolf Subsidiaries shall not take any action to provide for (A) the acceleration of the exercisability of any Grey Wolf Option in connection with the Merger or otherwise, unless such acceleration is already provided for under the terms of such Grey Wolf Options or change in control agreements in existence on the date of this Agreement, or (B) the extension of the term or period of exercise of any Grey Wolf Option.

(vi) The holders of outstanding Grey Wolf Options (each an *Optionholder*) shall be given the ability to elect to exercise Grey Wolf Options contingent on the transactions contemplated by this Agreement. If an Optionholder elects to exercise a Grey Wolf Option contingent on the transactions contemplated by this Agreement, at the Optionholder's election, any Merger Consideration to which such Optionholder is otherwise entitled under this Agreement shall be reduced by the sum of (A) the aggregate exercise price of the Grey Wolf Options that are so exercised, and (B) the amount of any withholding taxes attributable to the such exercise, with any such reduction first being made from any Merger Consideration payable in cash and, if such cash Merger Consideration is not sufficient to satisfy the obligations, from any Merger Consideration payable in Precision Trust Units. Grey Wolf shall use commercially reasonable best efforts to encourage each holder of Grey Wolf Options who intends to exercise Grey Wolf Options prior to the Effective Time to deliver a notice of option exercise to Grey Wolf at least two Business Days prior to the Effective Time.

(e) *Grey Wolf Restricted Stock*. At the Effective Time, each share of Grey Wolf Restricted Stock that is outstanding immediately prior to the Effective Time shall vest in full and the restrictions thereon shall lapse, and, as of the Effective Time, each share of Grey Wolf Common Stock that was formerly Grey Wolf Restricted Stock shall be entitled to receive the Merger Consideration determined in accordance with Section 2.6 based on the holder's election in accordance with Section 2.7; provided, however, that, upon the lapsing of restrictions with respect to each share of Grey Wolf Restricted Stock, Grey Wolf shall be entitled to deduct and withhold such amounts as may be required to be deducted and withheld under the Code and any applicable state or local Tax Law with respect to the lapsing of such restrictions.

(f) *Grey Wolf Dissenting Shares*. Grey Wolf Dissenting Shares shall not be converted into or represent the right to receive any Merger Consideration, but instead shall represent only the right to receive the amount determined pursuant to the provisions of Article 5.12 of the TBCA. At the Effective Time, any Grey Wolf Dissenting Shareholder shall not thereafter be entitled to vote or exercise any other rights of a shareholder except the right to receive payment for such Grey Wolf Dissenting Shareholder's Grey Wolf Dissenting Shares in accordance with Article 5.12 of the TBCA. If a Grey Wolf Dissenting Shareholder has so failed to perfect or lost his right to receive, or has effectively withdrawn his demand for, the amount determined under Article 5.12 of the TBCA, the shares of Grey Wolf Common Stock held by such holder shall cease to be Grey Wolf Dissenting Shares and shall entitle such holder to receive the Merger Consideration in respect of such shares as received by the No Election Shares pursuant to Section 2.6(a), and promptly following the occurrence of such event and upon the surrender of the Certificate(s) representing such shares, the Exchange Agent and the Surviving Corporation shall deliver to such holder the Merger Consideration in respect of such shares. Grey Wolf shall comply with those provisions of Article 5.12 of the TBCA

which are required to be performed by Grey Wolf prior to the Effective Time to the reasonable satisfaction of Precision. Grey Wolf shall give Precision (i) prompt notice of any written demands to exercise dissenter's rights and (ii) an opportunity to participate at its own expense in all negotiations and proceedings with respect to demands for fair value under the TBCA. Grey Wolf shall not, except with the prior written consent of Precision (such consent not to be unreasonably withheld, conditioned or delayed), voluntarily make any payment with respect to demands for fair value under the TBCA or offer to settle or settle any such claims.

Section 2.7 Election Procedures.

(a) Not less than thirty (30) days prior to the anticipated Effective Time (the *Mailing Date*), an election form in such form as Precision shall specify and as shall be reasonably acceptable to Grey Wolf (the *Election Form*) shall be mailed to each holder of record of shares of Grey Wolf Common Stock as of five (5) Business Days prior to the Mailing Date (the *Election Form Record Date*) and Grey Wolf Derivative Security Holders with respect to Grey Wolf Derivative Securities that have not been exercised or converted, as applicable, as of the Election Form Record Date and which are exercisable prior to the Effective Time.

(b) Each Election Form shall permit the holder (or the Beneficial Owner through appropriate and customary documentation and instructions) of Grey Wolf Common Stock and each Grey Wolf Derivative Security Holder to specify (i) the number of shares of such holder's Grey Wolf Common Stock with respect to which such holder elects to receive the Per Share Unit Consideration (the *Unit Election Shares*), (ii) the number of shares of such holder's Grey Wolf Common Stock with respect to which such holder elects to receive the Per Share Cash Consideration (the *Cash Election Shares*) or (iii) that such holder makes no election with respect to such holder's Grey Wolf Common Stock (the *No Election Shares*). Any Grey Wolf Common Stock with respect to which the Exchange Agent does not receive an effective, properly completed Election Form during the period from the Mailing Date to the Election Deadline (the *Election Period*) shall be deemed to be No Election Shares. Precision and Grey Wolf shall publicly announce the anticipated Election Deadline at least five (5) Business Days prior to the anticipated Effective Time. If the Effective Time is delayed to a subsequent date, the Election Deadline shall be similarly delayed to a subsequent date, and Precision shall promptly announce any such delay and, when determined, the rescheduled Election Deadline.

(c) Precision shall make available one or more Election Forms as may reasonably be requested from time to time by all Persons who become holders (or Beneficial Owners) of Grey Wolf Common Stock or Grey Wolf Stock Options during the Election Period, and Grey Wolf shall provide to the Exchange Agent all information reasonably necessary for it to perform as specified herein.

(d) Any election made pursuant to this Section 2.7 shall have been properly made only if the Exchange Agent shall have actually received a properly completed Election Form during the Election Period. Any Election Form may be revoked or

changed by the Person submitting such Election Form, by written notice received by the Exchange Agent during the Election Period. In the event an Election Form is revoked during the Election Period, the shares of Grey Wolf Common Stock represented by such Election Form shall become No Election Shares, except to the extent (if any) a subsequent election is properly made during the Election Period with respect to any or all of such shares of Grey Wolf Common Stock. Subject to the terms of this Agreement and of the Election Form, the Exchange Agent shall have reasonable discretion to determine whether any election, revocation or change has been properly or timely made and to disregard immaterial defects in the Election Forms, and any good faith decisions of the Exchange Agent regarding such matters shall be binding and conclusive. None of Precision or Grey Wolf or the Exchange Agent shall be under any obligation to notify any Person of any defect in an Election Form.

Section 2.8 Effect on Grey Wolf Debt Securities. Effective as of the Effective Time, Surviving Corporation shall execute and deliver supplemental indentures whereby it shall agree to be bound by the conversion provisions of each of the Grey Wolf Senior Notes Indentures and take all other action necessary, such that following the Effective Time, each outstanding Grey Wolf Convertible Note will be convertible into the kind and amount of Merger Consideration, in accordance with Section 2.6 and Section 2.7, that a holder of such Grey Wolf Convertible Note would have had the right to receive had such Grey Wolf Convertible Note been converted into Grey Wolf Common Stock immediately prior to the Effective Time as No Election Shares. At or before the Effective Time, Grey Wolf shall comply with all other provisions of the Grey Wolf Senior Notes Indentures relating to the Merger and the assumption by the Surviving Corporation of the obligations under the Grey Wolf Senior Notes Indentures in connection with the Merger.

Section 2.9 Exchange of Certificates.

(a) Prior to the Effective Time, Precision shall appoint a bank or trust company reasonably satisfactory to Precision and Grey Wolf to act as exchange agent (the *Exchange Agent*). Precision shall deposit, or cause to be deposited with the Exchange Agent, for the benefit of the holders of shares of Grey Wolf Common Stock for exchange in accordance with this Article II, (i) Certificates representing the aggregate number of Precision Trust Units to be issued as Merger Consideration pursuant to Section 2.6(a) and Section 2.8 and delivered pursuant to this Section 2.9 in exchange for outstanding shares of Grey Wolf Common Stock (including shares of Grey Wolf Common Stock issued as a result of the exercise of Grey Wolf Stock Options prior to the Effective Time), the Grey Wolf Restricted Stock and the Grey Wolf Convertible Notes, (ii) cash in the aggregate amount of the cash portion of the Merger Consideration pursuant to Section 2.6(a) and Section 2.8, and (iii) when and as needed, Precision shall provide the Exchange Agent cash sufficient to pay cash in lieu of fractional Precision Trust Units (such cash and Certificates for Precision Trust Units, together with any dividends or distributions with respect thereto, being hereinafter referred to as the *Exchange Fund*).

(b) Promptly after the Effective Time, Precision shall cause the Exchange Agent to mail to each holder of shares of Grey Wolf Common Stock (including holders of shares of Grey Wolf Common Stock acquired as a result of the exercise of Grey Wolf

Stock Options prior to the Effective Time) and the Grey Wolf Restricted Stock: (i) a letter of transmittal (the *Letter of Transmittal*), which shall specify that delivery shall be effected, and risk of loss and title shall pass, only upon delivery of the Certificates or transfer of the Uncertificated Shares to the Exchange Agent and shall be in such form and have such other provisions as Precision may reasonably specify, and (ii) instructions for use in effecting the surrender of the Certificates or transfer of the Uncertificated Shares in exchange for Precision Trust Units, the cash portion of the Merger Consideration, any unpaid dividends and distributions on Precision Trust Units in accordance with this [Section 2.9](#) and cash in lieu of fractional Precision Trust Units in accordance with this [Section 2.9](#). Upon surrender of a Certificate or transfer of the Uncertificated Shares for cancellation to the Exchange Agent together with such Letter of Transmittal, duly executed and completed in accordance with the instructions thereto, the holder of such Grey Wolf Common Stock or Grey Wolf Restricted Stock shall be entitled to receive in exchange therefor (A) Precision Trust Units, and (B) a check representing the amount of cash (including the cash portion of the Merger Consideration and cash in lieu of fractional units, if any), and unpaid dividends and distributions (if any), which such holder has the right to receive pursuant to the provisions of this [Article II](#), after giving effect to any required withholding tax and other reductions, and, if applicable, the Certificate so surrendered shall forthwith be cancelled. No interest will be paid or accrued on the cash portion of the Merger Consideration, cash in lieu of fractional shares and unpaid dividends and distributions, if any, payable to holders of Grey Wolf Common Stock. In the event of a transfer of ownership of Grey Wolf Common Stock that is not registered in the transfer records of Grey Wolf, the proper number of Precision Trust Units, together with a check for the cash portion of the Merger Consideration, as the case may be, and cash to be paid in lieu of fractional units and unpaid dividends and distributions (if any), may be issued to such a transferee if the Certificate or Uncertificated Share representing such Grey Wolf Common Stock is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable stock transfer taxes have been paid. The Precision Trust Units constituting part of the Merger Consideration shall be certificated.

(c) Notwithstanding any other provisions of this Agreement, no dividends or other distributions declared or made after the Effective Time with respect to Precision Trust Units with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate or any Uncertificated Shares not transferred with respect to the Precision Trust Units issuable upon surrender of such Certificate or transfer of such Uncertificated Share as a result of the conversion provided in this [Article II](#) until such Certificate is surrendered or Uncertificated Share is transferred as provided herein. Following such surrender or transfer, there shall be paid, without interest, to the Person in whose name such Precision Trust Units have been registered, (i) promptly after the time of such surrender or transfer, the amount of any cash payable in lieu of fractional Precision Trust Units to which such Person is entitled pursuant to this [Section 2.9](#) and the amount of all dividends or other distributions with a record date after the Effective Time and paid prior to the time of such surrender or transfer with respect to such Precision Trust Units, and (ii) at the appropriate payment date, the amount of all dividends or other distributions with a record date after the Effective Time and prior to the time of such

surrender or transfer and with a payment date subsequent to the time of such surrender or transfer payable with respect to such Precision Trust Units.

(d) After the Effective Time there shall be no transfers on the stock transfer books of Grey Wolf of the shares of Grey Wolf Common Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates or Uncertificated Shares are presented to Precision, the presented Certificates or Uncertificated Shares shall be cancelled and exchanged for Precision Trust Units, the cash portion of the Merger Consideration, and cash in lieu of fractional units and unpaid dividends or distributions, if any, deliverable in respect thereof pursuant to this Agreement in accordance with the procedures set forth in this Article II.

(e) No fractional Precision Trust Units shall be issued pursuant to this Agreement. All fractional Precision Trust Units that a holder of shares of Grey Wolf Common Stock would otherwise be entitled to receive as a result of the Merger shall be aggregated and if a fractional share results from such aggregation, such holder shall be entitled to receive, in lieu thereof, an amount in cash without interest equal to such fraction of a Precision Trust Unit multiplied by the closing sale price of a Precision Trust Unit on the NYSE on the trading day immediately preceding the Effective Time.

(f) Any portion of the Exchange Fund (including the proceeds of any investments thereof and any Certificates for Precision Trust Units) that remains undistributed to the former shareholders of Grey Wolf one year after the Effective Time shall be delivered to Precision. Any former shareholders of Grey Wolf who have not theretofore complied with this Section 2.9 shall thereafter look only to Precision for their Precision Trust Units, their cash portion of the Merger Consideration, and cash in lieu of fractional Precision Trust Units and for any unpaid dividends and distributions, if any, on the Precision Trust Units deliverable to such former shareholder pursuant to this Agreement.

(g) None of Precision, Grey Wolf, the Exchange Agent or any other Person shall be liable to any Person for any portion of the Exchange Fund properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

(h) In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Precision, the posting by such Person of a bond in such reasonable amount as Precision may direct as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate, Precision Trust Units, the cash portion of the Merger Consideration, and cash in lieu of fractional Precision Trust Units and unpaid dividends and distributions, if any, on the Precision Trust Units, as provided in this Section 2.9, deliverable in respect thereof pursuant to this Agreement.

(i) If any portion of the cash portion of the Merger Consideration is to be paid to a Person other than the Person in whose name the surrendered Certificate is registered, it shall be a condition to such payment that (i) either such Certificate shall be properly

endorsed or shall otherwise be in proper form for transfer and (ii) the Person requesting such payment shall pay to the Exchange Agent any transfer or other Taxes required as a result of such payment to a Person other than the registered holder of such Certificate or establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

Section 2.10 Adjustment of Exchange Ratio. If, between the date of this Agreement and the Effective Time (and in each case, only as permitted by Section 5.2), the outstanding shares of Grey Wolf Common Stock or the outstanding Precision Trust Units shall have been increased, decreased, changed into or exchanged for a different number of shares or units or different class, in each case, by reason of any reclassification, recapitalization, stock or unit split, split-up, combination or exchange of shares or units or a stock or unit dividend or distribution or dividend or distribution payable in other securities shall be declared with a record date within such period, or any similar event shall have occurred, the Merger Consideration (and as a result, the Exchange Ratio, the Per Share Unit Consideration, the Per Share Cash Consideration and any other similarly depending items) shall be appropriately adjusted to provide to the holders of Grey Wolf Common Stock the same economic effect as contemplated by this Agreement prior to such event.

Section 2.11 Withholding. Each of Precision and the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any Person pursuant to this Article II such amounts as are required to be deducted or withheld under the Code, the Income Tax Act or any provision of state, local or foreign Tax Law with respect to the making of such payment (including withholding Precision Trust Units). Any such withheld amounts shall be treated for all purposes of this Agreement as having been paid to such Person in respect of whom such deduction and withholding was made.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF GREY WOLF

As an inducement for Precision, PDC and Lobos to enter into this Agreement, Grey Wolf hereby makes the following representations and warranties to Precision, PDC and Lobos; provided, however, that such representations and warranties shall be subject to and qualified by: (a) the disclosure letter delivered by Grey Wolf to Precision as of the date hereof (each section of which qualifies the correspondingly numbered representation and warranty or covenant to the extent specified therein) (the *Grey Wolf Disclosure Letter*) (it being understood that (i) the disclosure of any fact or item in any section of the Grey Wolf Disclosure Letter shall, should the existence of such fact or item be relevant to any other section, be deemed to be disclosed with respect to that other section to the extent that such disclosure is made in a manner that makes its relevance to the other section reasonably apparent and (ii) the disclosure of any matter or item in the Grey Wolf Disclosure Letter shall not be deemed to constitute an acknowledgement that such matter or item is required to be disclosed therein or is material to a representation or warranty set forth in this Agreement and shall not be used as a basis for interpreting the terms *material*, *materially*, *materiality*, *Grey Wolf Material Adverse Effect* or any word or phrase of similar import and does not mean that such matter or item, alone or together with any other matter or item, would constitute a Grey Wolf Material Adverse Effect); and (b) information

contained in the Grey Wolf Reports (excluding any exhibits thereto and excluding disclosures under *Risk Factors* and other forward-looking or predictive statements) filed with the SEC prior to the date hereof (but only to the extent that such disclosure on its face appears to constitute information that would reasonably be deemed a qualification or exception to the following representations and warranties).

Section 3.1 Corporate Existence; Good Standing; Corporate Authority. Grey Wolf is a corporation duly incorporated, validly existing and in good standing under the Applicable Laws of the State of Texas. Grey Wolf is duly qualified to conduct business and is in good standing (to the extent such concept exists in the relevant jurisdiction) in each jurisdiction in which the ownership, operation or lease of its property or the nature of Grey Wolf's business requires such qualification, except for jurisdictions in which any failures to be so qualified or to be in good standing, individually or in the aggregate, have not had or caused and would not reasonably be expected to have or cause a Grey Wolf Material Adverse Effect. Grey Wolf has all requisite corporate power and authority to own or lease and operate its properties and assets and to carry on its business as it is currently being conducted. Grey Wolf has delivered to Precision true, accurate and complete copies of the Amended and Restated Articles of Incorporation (including any and all Certificates of Designations), as amended to date (the *Grey Wolf Charter*), and the Amended and Restated Bylaws of Grey Wolf, as amended to date (the *Grey Wolf Bylaws*, and together with the Grey Wolf Charter, the *Grey Wolf Charter Documents*), and each Grey Wolf Charter Document is in full force and effect, has not been amended or modified and has not been terminated, superseded or revoked. Grey Wolf is not in violation of the Grey Wolf Charter Documents.

Section 3.2 Authorization, Validity and Effect of Agreements.

(a) Grey Wolf has the requisite corporate power and authority to execute and deliver this Agreement and all other agreements, instruments, certificates and documents contemplated hereunder (collectively, the *Related Documents*) to which it is, or will become, a party, to perform its obligations hereunder and thereunder and to consummate the Merger and all other transactions contemplated hereunder and thereunder, subject to the approval of the Grey Wolf Proposal by Grey Wolf's shareholders. The execution, delivery and performance of this Agreement and the Related Documents and the consummation of the Merger and the other transactions contemplated hereunder and thereunder have been duly authorized by all requisite corporate action on behalf of Grey Wolf, and no other corporate proceedings by Grey Wolf are necessary to authorize the execution and delivery of this Agreement or the Related Documents or to consummate the Merger and the other transactions contemplated hereunder or under the Related Documents, except for the approval of the Grey Wolf Proposal by Grey Wolf's shareholders, the filing of the Certificate of Merger pursuant to the TBCA and the TCL and the Governmental Authority applications and approvals described in Section 3.6(b).

(b) This Agreement and each of the Related Documents to which Grey Wolf is a party have been or will be duly executed by Grey Wolf and, assuming the due authorization, execution and delivery hereof and thereof by Precision and Lobos to the extent a party hereof and thereof, constitute the valid and legally binding obligations of Grey Wolf, enforceable against Grey Wolf in accordance with their terms, subject to

applicable bankruptcy, insolvency, reorganization, moratorium or other Applicable Laws relating to or affecting the rights and remedies of creditors generally and to general principles of equity (regardless of whether considered in a proceeding in equity or at law). Grey Wolf has taken all action necessary to render the restrictions set forth in Article 13.03 of the TBCA inapplicable to this Agreement and the transactions contemplated hereby.

Each Grey Wolf Subsidiary has all requisite corporate, limited liability company, partnership or other business power and authority to own or lease and operate its properties and assets and to carry on its business as currently conducted, except (with respect to foreign Grey Wolf Subsidiaries only) as would have an immaterial effect on Grey Wolf and the Grey Wolf Subsidiaries, taken as a whole. Each Grey Wolf Subsidiary is duly qualified to conduct business and is in good standing (to the extent such concept exists in the relevant jurisdiction) in each jurisdiction in which the ownership or lease and operation of its property or the nature of its business requires such qualification, except for jurisdictions in which any failures to be so qualified or to be in good standing, individually or in the aggregate, have not had or caused and would not reasonably be expected to have or cause a Grey Wolf Material Adverse Effect. No Governmental Authority has given, or to the knowledge of Grey Wolf, threatened to give, notice of any action to terminate, cancel or reform any Grey Wolf Permits; and

As used in this Section 3.7, the term file shall include any reports on Form 8-K furnished to the SEC. As of its respective date or, if amended by a subsequent filing prior to the date hereof, on the date of such filing, each Grey Wolf Report complied in all material respects with the applicable requirements of the Exchange Act, SOX and the rules and regulations thereunder and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading. Each of the consolidated balance sheets included in or incorporated by reference into the Grey Wolf Reports (including the related notes and schedules) fairly presents in all material respects the consolidated financial position of Grey Wolf and the Grey Wolf Subsidiaries as of its date, and each of the consolidated statements of operations, cash flows and changes in shareholders equity included in or incorporated by reference into the Grey Wolf Reports (including any related notes and schedules) fairly presents in all material respects the results of operations, cash flows or changes in shareholders equity, as the case may be, of Grey Wolf and the Grey Wolf Subsidiaries for the periods set forth therein (such consolidated balance sheets and consolidated statements of operations, cash flows and changes in shareholders equity, each including the notes and schedules thereto, the *Grey Wolf Financial Statements*). The management of Grey Wolf has completed its assessment of the effectiveness of Grey Wolf's internal

controls over financial reporting in compliance with the requirements of Section 404 of SOX for the year ended December 31, 2007, and such assessment concluded that such controls were effective. To the knowledge of Grey Wolf, it has disclosed, based on its most recent evaluations, to Grey Wolf's outside auditors and the audit committee of the Grey Wolf Board (i) all significant deficiencies in the design or operation of internal controls over financial reporting and any material weaknesses, which have more than a remote chance to materially adversely affect Grey Wolf's ability to record, process, summarize and report financial data (as defined in Rule 13a-15(f) of the Exchange Act) and (ii) any fraud, regardless of whether material, that involves management or other employees who have a significant role in Grey Wolf's internal controls over financial reporting.

As used in this Section 4.7, the term *file* shall include any reports on Form 6-K. As of its respective date or, if amended by a subsequent filing prior to the date hereof, on the date of such filing, each Precision Report complied in all material respects with the applicable requirements of the Exchange Act, SOX, Applicable Canadian Securities Laws, and the rules and regulations thereunder and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading. Each of the consolidated balance sheets included in or incorporated by reference into the Precision Reports (including the related notes and schedules) fairly presents in all material respects the consolidated financial position of Precision and the Precision Subsidiaries as of its date, and each of the consolidated statements of operations, cash flows and changes in unitholders' equity included in or incorporated by reference into the Precision Reports (including any related notes and schedules) fairly presents in all material respects the results of operations, cash flows or changes in unitholders' equity, as the case may be, of Precision and the Precision Subsidiaries for the periods set forth therein (such consolidated balance sheets and consolidated statements of operations, cash flows and changes in unitholders' equity, each including the notes and schedules thereto, the *Precision Financial Statements*). The management of PDC, on behalf of Precision, has completed its assessment of the effectiveness of Precision's internal controls over financial reporting in compliance with the requirements of Section 404 of SOX and the Applicable Canadian Securities Laws for the year ended December 31, 2007, and such assessment concluded that such controls were effective. To the knowledge of Precision or PDC, Precision has disclosed, based on its most recent evaluations, to Precision's outside auditors and the audit committee of the PDC Board (i) all significant deficiencies in the design or operation of internal controls over financial reporting and any material weaknesses, which have more than a remote chance to materially adversely affect Precision's ability to record, process, summarize and report financial data (as defined in Rule 13a-15(f) of the Exchange Act and the Applicable Canadian Securities Laws) and (ii) any fraud, regardless of whether material, that involves management or other employees who have a significant role in Precision's internal controls over financial reporting.

pending against Precision or any of the Precision Subsidiaries or, to Precision's or PDC's knowledge, threatened against Precision or any of the Precision Subsidiaries or any of their respective assets, properties or operations, at Applicable Law or in equity, before or by any Governmental Authority or any Order of any Governmental Authority that, individually or in the aggregate, and taking into consideration the aggregate amounts reserved for any such matters in Precision's consolidated balance sheet at December 31, 2007, has had or caused or would reasonably be expected to have or cause a Precision Material Adverse Effect.

(d) Grey Wolf will not (and will cause Grey Wolf Subsidiaries and Grey Wolf Representatives not to), and Precision will not (and will cause the Precision Subsidiaries and the Precision Representatives not to), use any information obtained pursuant to this Section 5.4 for any purpose unrelated to the consummation of the transactions contemplated by this Agreement. Any information obtained by the Grey Wolf Companies or the Precision Companies or their respective Representatives under this Section 5.4 shall be subject to the confidentiality and use restrictions set forth in the Confidentiality Agreement.

(e) Notwithstanding anything in this Section 5.4 to the contrary: (i) Grey Wolf shall not be obligated under the terms of this Section 5.4 to disclose to Precision or the Precision Representatives, or grant Precision or the Precision Representatives access to, information that is within the possession or control of any of the Grey Wolf Companies but subject to a valid and binding confidentiality agreement with a Third Party without first obtaining the consent of such Third Party, and Grey Wolf, to the extent requested by Precision, will use its reasonable commercial efforts to obtain any such consent; and (ii) Precision shall not be obligated under the terms of this Section 5.4 to disclose to Grey Wolf or Grey Wolf Representatives, or grant Grey Wolf or Grey Wolf Representatives access to, information that is within the possession or control of any of the Precision Companies but subject to a valid and binding confidentiality agreement with a Third Party without first obtaining the consent of such Third Party, and Precision, to the extent requested by Grey Wolf, will use reasonable commercial efforts to obtain any such consent.

(f) No investigation by Precision or Grey Wolf or their respective Representatives shall affect the representations, warranties, covenants or agreements of the other set forth in this Agreement, and no Party shall be deemed to have made any representation or warranty to the other Party except as expressly set forth in this Agreement.

Section 5.5 No Solicitation by Grey Wolf.

(a) From the date of this Agreement until the first to occur of the Effective Time and the termination of this Agreement in accordance with Article VII, except as specifically permitted in Section 5.5(c), Section 5.5(d) or Section 5.5(e), Grey Wolf agrees that neither it nor any of the Grey Wolf Subsidiaries or Representatives will, directly or indirectly: (i) solicit, initiate, encourage or facilitate (including by way of furnishing or disclosing non-public information) any inquiries, offers or proposals that constitute, or are reasonably likely to lead to, an Acquisition Proposal, and upon becoming aware of any violation of this Section 5.5(a)(i), Grey Wolf shall, and shall cause the Grey Wolf Subsidiaries and Representatives to, stop soliciting, initiating,

encouraging, facilitating (including by way of furnishing or disclosing non-public information) or taking any action designed to facilitate, directly or indirectly, any inquiry, offer or proposal that constitutes, or is reasonably likely to lead to, an Acquisition Proposal; (ii) engage in discussions or negotiations with, furnish or disclose any non-public information or data relating to the Grey Wolf Companies to, or in response to a request therefor, give access to the properties, assets or books and records of the Grey Wolf Companies to, any Person who has made or may be considering making an Acquisition Proposal or take any action which may otherwise lead to an Acquisition Proposal; (iii) approve, endorse or recommend any Acquisition Proposal; or (iv) enter into any agreement in principle, letter of intent, arrangement, understanding or other Contract relating to any Acquisition Proposal.

(b) Except as specifically permitted in Section 5.5(c) and Section 5.5(d), Grey Wolf shall, and shall cause each of the Grey Wolf Subsidiaries and Representatives to, immediately cease and terminate any existing solicitations, discussions, negotiations or other activity with any Person with respect to any Acquisition Proposal or which could reasonably be expected to lead to an Acquisition Proposal, and shall inform the Grey Wolf Subsidiaries and Representatives which are engaged in any such solicitations, discussions, negotiations or other activity of Grey Wolf's obligations under this Section 5.5. Grey Wolf shall promptly inform its Representatives who have been involved with or otherwise providing assistance in connection with the negotiation of this Agreement and the transactions contemplated by this Agreement of Grey Wolf's obligations under this Section 5.5. Grey Wolf shall promptly demand that any Person (and the Representatives of any such Person) who has heretofore executed a confidentiality agreement with or for the benefit of any of the Grey Wolf Companies with respect to such Person's consideration of a possible Acquisition Proposal promptly return or destroy (and Grey Wolf shall use commercially reasonable best efforts to cause any such destruction to be certified in writing by any such Person to Grey Wolf) all confidential information heretofore furnished by the Grey Wolf Companies or any of their Representatives to such Person or any of its Representatives in accordance with the terms of the confidentiality agreement with such Person.

(c) Notwithstanding anything in this Agreement to the contrary, prior to obtaining the Required Grey Wolf Vote, nothing in this Agreement shall prevent Grey Wolf or the Grey Wolf Board from:

- (i) after the date of this Agreement, engaging in discussions or negotiations with, furnishing or disclosing any information or data relating to the Grey Wolf Companies to, or in response to a request therefor, giving access to the properties, assets or books and records of the Grey Wolf Companies to, any Person who has made an unsolicited, bona fide, written Acquisition Proposal after the date hereof that did not result from a violation by the Grey Wolf Companies of this Section 5.5; provided, however, that prior to engaging in discussions or negotiations with, furnishing or disclosing any information or data relating to the Grey Wolf Companies to, or giving access to the properties, assets or books

and records of the Grey Wolf Companies to, such Person, (A) the Grey Wolf Board, acting in good faith, has determined (I) after consultation with its outside legal counsel and financial advisors and based on such other matters as it deems relevant, that such Acquisition Proposal is reasonably likely to result in a Superior Proposal and (II) that such Person has the financial and legal capacity to consummate such Superior Proposal and (B) Grey Wolf (I) enters into a confidentiality agreement with such Person with use and disclosure limitations and other material terms that are no more favorable to such Person than those contained in the Confidentiality Agreement; provided that such confidentiality agreement shall not contain any provision preventing Grey Wolf from complying with its required disclosure to Precision pursuant to this Section 5.5 and (II) has complied with Section 5.5(d); and

- (ii) subject to compliance by Grey Wolf with Section 5.5(e), (A) withdrawing (or amending or modifying in a manner adverse to Precision), or publicly proposing to withdraw (or to amend or modify in a manner adverse to Precision), the approval, recommendation or declaration of advisability by the Grey Wolf Board or any committee thereof (as the case may be) of this Agreement, the Merger or the transactions contemplated hereby (the actions referred to in this clause (A) being collectively referred to herein as an *Adverse Recommendation Change*), (B) recommending, adopting or approving, or proposing publicly to recommend, adopt or approve, any Acquisition Proposal (the actions referred to in this clause (B) being collectively referred to as an *Acquisition Proposal Recommendation*), or (C) entering into any agreement, including any agreement in principle, letter of intent or understanding, acquisition or merger agreement, option agreement, joint venture agreement, partnership agreement or similar agreement, arrangement or understanding which constitutes, relates to, is intended to lead to or could reasonably be expected to lead to an Acquisition Proposal (other than a confidentiality agreement contemplated by Section 5.5(c)(i)(B)(I)) (each an *Acquisition Agreement*); provided, however, that (X) in the case of an Adverse Recommendation Change not involving an Acquisition Proposal, the Grey Wolf Board, acting in good faith, has previously determined, after consultation with its outside legal counsel, that the failure to take such action is reasonably likely to be inconsistent with its fiduciary obligations to the shareholders of Grey Wolf under Applicable Law, (Y) in the case of an Adverse Recommendation Change involving an Acquisition Proposal, an Acquisition Proposal Recommendation or an entry into an Acquisition Agreement, the Grey Wolf Board, acting in good faith, has previously determined, after consultation with its outside legal counsel and financial advisors and based on such other matters as

it deems relevant, that such Acquisition Proposal or Acquisition Agreement constitutes a Superior Proposal and (Z) in the case of entry into an Acquisition Agreement, Grey Wolf concurrently terminates this Agreement pursuant to and after complying with the provisions of Section 7.1(d)(iii) and Section 5.5(e)(ii). Grey Wolf acknowledges and agrees that the taking of any action inconsistent with any of the restrictions set forth in this Section 5.5 by any of the Grey Wolf Companies or their Representatives shall be deemed a breach of this Section 5.5 by Grey Wolf. For the avoidance of doubt, the Parties acknowledge and agree that an Adverse Recommendation Change may or may not involve an Acquisition Proposal.

(d) If Grey Wolf or any Grey Wolf Representative receives a request for information from a Person who has made an unsolicited, bona fide, written Acquisition Proposal, and Grey Wolf is permitted to provide such Person with information pursuant to this Section 5.5, Grey Wolf will provide to Precision a copy of the confidentiality agreement with such Person promptly upon its execution and provide to Precision a list of, and copies of, all information provided to such Person as promptly as practicable after its delivery to such Person and promptly provide Precision with access to all information to which such Person was provided access, in each case only to the extent not previously provided to Precision. Grey Wolf shall promptly provide notice to Precision, in writing, of the receipt of any Acquisition Proposal or any inquiry with respect to or that is likely to lead to an Acquisition Proposal (but in no event more than twenty-four hours after the receipt thereof), which notice shall include the identity of the Person or group requesting such information or making such inquiry or Acquisition Proposal and the material terms and conditions of any such Acquisition Proposal. Grey Wolf shall promptly provide Precision with copies of any written changes to any Acquisition Proposal and shall promptly provide Precision written notice of any changes (whether oral or in writing) in the price or form of consideration or other material changes in the status or terms of such Acquisition Proposal.

(e) Notwithstanding anything herein to the contrary, the Grey Wolf Board shall not (i) make an Adverse Recommendation Change, (ii) make an Acquisition Proposal Recommendation or (iii) enter into any Acquisition Agreement relating to an Acquisition Proposal, unless:

(i) Grey Wolf complies with the terms of Section 5.5(c)(ii) and Section 5.5(d); and

(ii) In the case of an Acquisition Proposal, promptly upon a determination by the Grey Wolf Board that an Acquisition Proposal constitutes a Superior Proposal, Grey Wolf immediately notifies, in writing, Precision of such determination and describes in reasonable detail the material terms and conditions of such Superior Proposal and the identity of the Person making such Superior Proposal and provides Precision with a copy of the

Acquisition Agreement, if any, associated with such Superior Proposal. Precision shall have five Business Days after delivery of such written notice to submit an offer to engage in an alternative transaction or to modify the terms and conditions of this Agreement such that Grey Wolf may proceed with this Agreement (a *Precision Revised Offer*). During such five Business Day period, Grey Wolf and its financial and legal advisors shall negotiate in good faith exclusively with Precision to enable Precision to submit a Precision Revised Offer. Any amendment to the price or any other material term of a Superior Proposal shall require a new notice from Grey Wolf and an additional three Business Day period within which Precision may negotiate a Precision Revised Offer.

(f) Nothing contained in this Section 5.5 shall prohibit Grey Wolf or the Grey Wolf Board from taking and disclosing to the shareholders of Grey Wolf a position with respect to an Acquisition Proposal pursuant to Rule 14d-9 and 14e-2(a) promulgated under the Exchange Act or from making any similar disclosure, in either case to the extent required by Applicable Law.

(g) All notices to be given by the Parties under this Section 5.5 shall be given by facsimile transmission in accordance with Section 8.3 (which notice shall be considered delivered effective as of the day of transmission if transmitted on or before 5:00 p.m. U.S. Central Standard Time on the date of transmission, otherwise the next day after transmission).

Section 5.6 Shareholders Meeting. Promptly after the Registration Statement is declared effective under the Securities Act, Grey Wolf shall take all necessary action, in accordance with Applicable Law, the rules and regulations of the AMEX and Grey Wolf Charter Documents, to properly give notice of and hold a meeting of its shareholders for the purpose of voting on the Merger. Subject to Section 5.5 and Article VII, the Grey Wolf Board shall unanimously recommend approval of the Merger. Grey Wolf, through its board of directors, shall use its commercially reasonable best efforts to take all lawful actions to solicit approval by its shareholders of the Merger, including timely mailing the Proxy Statement/Prospectus to the shareholders of Grey Wolf. Grey Wolf shall use commercially reasonable best efforts to hold its shareholders meeting within 45 days after the date the Registration Statement is declared effective.

Section 5.7 Registration Statement and Proxy Statement/Prospectus.

(a) Precision and Grey Wolf shall cooperate and promptly prepare the Registration Statement and the Proxy Statement/Prospectus and Precision shall file the Registration Statement in which the Proxy Statement/Prospectus will be included as a prospectus with the SEC as soon as practicable after the date hereof, and Precision and Grey Wolf shall cooperate to promptly respond to any comments made by the SEC and otherwise use their respective commercially reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as

practicable after filing. Precision and Grey Wolf will provide each other with any information which may be required to prepare and file the Proxy Statement/Prospectus and the Registration Statement. Grey Wolf will cause the Proxy Statement/Prospectus to be mailed to its shareholders at the earliest practicable time after the Registration Statement is declared effective by the SEC. If at any time prior to the Effective Time any event occurs which is required to be set forth in an amendment or supplement to the Proxy Statement/Prospectus or the Registration Statement, Precision or Grey Wolf, as applicable, will promptly inform the other of such occurrence, and Precision and Grey Wolf will cooperate in filing such amendment or supplement with the SEC, use their respective commercially reasonable best efforts to cause such amendment to become effective as promptly as possible and, if required, mail such amendment or supplement to the shareholders of Grey Wolf. Precision shall use its commercially reasonable best efforts, and Grey Wolf shall cooperate with Precision, to obtain any and all necessary state securities laws or blue sky permits, approvals and registrations in connection with the issuance of the Precision Trust Units pursuant to the Merger.

(b) Precision will cause the Registration Statement (and to the extent Grey Wolf is to provide information to be contained in the Proxy Statement/Prospectus, Grey Wolf will cause the Proxy Statement/Prospectus), at the time it becomes effective under the Securities Act, to comply as to form in all material respects with the applicable provisions of the Securities Act, the Exchange Act and the rules and regulations of the SEC thereunder. Precision and Grey Wolf shall be responsible for furnishing to each other true, accurate and complete information regarding themselves and their respective shareholders or unitholders, as the case may be, for inclusion in the Proxy Statement/Prospectus.

(c) Precision hereby covenants and agrees with Grey Wolf that: (i) the Registration Statement (at the time it becomes effective under the Securities Act through the Effective Time) will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (provided, however, that this clause (i) shall apply only to information included or incorporated by reference in the Registration Statement that was supplied by Precision for inclusion therein); and (ii) the Proxy Statement/Prospectus (at the time it is first mailed to shareholders of Grey Wolf, through the time of Grey Wolf Meeting, and until the Effective Time) will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading (provided, however, that this clause (ii) shall apply only to information included or incorporated by reference in the Proxy Statement/Prospectus that was supplied by Precision for inclusion therein). If, at any time prior to the Effective Time, any event with respect to Precision, or with respect to other information supplied by Precision for inclusion in the Registration Statement or the Proxy Statement/Prospectus, occurs and such event is required to be described in an amendment or supplement to the Registration Statement or the Proxy Statement/Prospectus, Precision shall promptly notify Grey Wolf of such occurrence and Precision shall cooperate with Grey Wolf in the preparation, filing and dissemination of such amendment or supplement.

(d) Grey Wolf hereby covenants and agrees with Precision that: (i) the Registration Statement (at the time it becomes effective under the Securities Act and until the Effective Time) will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (provided, however, that this clause (i) shall apply only to any information included or incorporated by reference in the Registration Statement that was supplied by Grey Wolf for inclusion therein); and (ii) the Proxy Statement/Prospectus (at the time it is first mailed to shareholders of Grey Wolf, through the time of the Grey Wolf Meeting, and until the Effective Time) will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading (provided, however, that this clause (ii) shall apply only to any information included or incorporated by reference in the Proxy Statement/Prospectus that was supplied by Grey Wolf for inclusion therein). If, at any time prior to the Effective Time, any event with respect to Grey Wolf, or with respect to other information included in the Registration Statement with respect to Grey Wolf, occurs and such event is required to be described in an amendment or supplement to the Registration Statement or the Proxy Statement/Prospectus, Grey Wolf shall promptly notify Precision of such occurrence and Grey Wolf shall cooperate with Precision in the preparation, filing and dissemination of such supplement.

(e) None of the Registration Statement, the Proxy Statement/Prospectus or any amendment or supplement thereto will be filed or disseminated to the shareholders of Grey Wolf without the approval of both Precision and Grey Wolf, such approval not to be unreasonably withheld, conditioned or delayed. Each Party shall advise the other Parties promptly after it receives notice thereof, of the time when the Registration Statement has become effective under the Securities Act, the issuance of any stop order with respect to the Registration Statement, the suspension of the qualification of the Precision Trust Units issuable in connection with the Merger for offering or sale in any jurisdiction, or any comments or requests for additional information by the SEC with respect to the Registration Statement.

(f) Precision shall use its commercially reasonable best efforts to cause to be delivered to Grey Wolf two comfort letters from KPMG LLP, Precision's independent auditors, one dated on the date on which the Registration Statement shall become effective, and one bring-down letter dated on the Closing Date, each addressed to Grey Wolf and customary in scope and substance for letters delivered by independent auditors in connection with public offerings.

(g) Grey Wolf shall use its commercially reasonable best efforts to cause to be delivered to Precision two comfort letters from KPMG LLP, Grey Wolf's independent auditors, one dated on the date on which the Registration Statement shall become effective, and one bring-down letter dated on the Closing Date, each addressed to Precision and customary in scope and substance for letters delivered by independent auditors in connection with public offerings.

Section 5.8 NYSE and TSX Listing. Precision shall prepare and submit to the NYSE and TSX listing applications covering the Precision Trust Units issued or issuable (a) in the Merger, and (b) upon conversion of the Grey Wolf Convertible Notes. Grey Wolf will promptly cooperate with Precision in preparing and submitting such NYSE and TSX listing applications and in responding to comments and inquiries from the NYSE and TSX with respect thereto. Each of Precision and Grey Wolf shall use their respective commercially reasonable best efforts to enable Precision to obtain, prior to the Effective Time, approval of the NYSE and TSX for the listing of all Precision Trust Units covered by such application, subject to official notice of issuance, under the trading symbol PDS on the NYSE and PD.UN on the TSX.

Section 5.9 Regulatory Filings.

(a) Subject to the terms and conditions herein provided, each of Grey Wolf and Precision shall take, or cause to be taken, all action and shall do, or cause to be done, all things necessary, appropriate or desirable under any Applicable Law (including the HSR Act) or under applicable Contracts so as to enable the Closing to occur as soon as reasonably practicable, including using its commercially reasonable best efforts to obtain all necessary waivers, consents and approvals, remove all impediments to the Closing, and to identify and make all Precision Regulatory Filings and Grey Wolf Regulatory Filings (the *Regulatory Filings*). Precision and Grey Wolf each will cause all documents it is responsible for filing with any Governmental Authority under this Section 5.9 to comply with all Applicable Laws. For the avoidance of doubt, the Parties agree that their respective obligations and rights with respect to filings with the SEC or the Canadian Securities Regulatory Authorities and the application of securities laws in connection with the transactions contemplated hereby shall be governed only by Section 5.7 and not this Section 5.9(a).

(b) Each of Precision and Grey Wolf shall furnish the other Party with such information and reasonable assistance as such other Party and its respective affiliates may reasonably request in connection with their preparation of any Regulatory Filings with any Governmental Authorities; provided, however, that if the provisions of the HSR Act would prevent a Party from disclosing such information to the other Party, then such information may be disclosed to such Party's counsel.

(c) Each of Precision and Grey Wolf shall promptly give voluntary notice to CFIUS under the Exon-Florio Amendment of the transactions contemplated by this Agreement, and, in connection therewith, provide CFIUS with such information concerning the transactions contemplated by this Agreement as is reasonably necessary or desirable.

(d) Each of Precision and Grey Wolf shall take, or cause to be taken, all action or shall do, or cause to be done, all things necessary, appropriate or desirable to cause the covenants and conditions applicable to the transactions contemplated hereby to be performed or satisfied as soon as practicable, including responding promptly to requests for additional information made by the DOJ or the FTC, and to cause the waiting periods under the HSR Act to terminate or expire at the earliest possible date after the date of filing.

(e) Each of Precision and Grey Wolf shall use its commercially reasonable best efforts to avoid the entry of, or to have vacated or terminated, any Order or injunction that would restrain, prevent or delay the Closing. Furthermore, if any Governmental Authority shall have issued any Order or injunction, or taken any other action, that would have the effect of restraining, enjoining or otherwise prohibiting, delaying or preventing the consummation of the transactions contemplated hereby, each of Precision and Grey Wolf shall use its commercially reasonable best efforts to have such Order or injunction or other action declared ineffective as soon as practicable.

(f) Precision and Grey Wolf shall promptly notify each other of any communication concerning this Agreement or the Merger from any Governmental Authority and, subject to Applicable Law, permit the other Party to review in advance any proposed communication to any Governmental Authority concerning this Agreement or the Merger. In addition, Precision and Grey Wolf shall not agree to participate in any substantive meeting or discussion with any Governmental Authority in respect of any filings, investigation or another inquiry concerning this Agreement or the Merger, or enter into any agreements with any Governmental Authority, including, without limitation, extending any antitrust waiting periods, unless it consults with the other Party in advance and, to the extent permitted by such Governmental Authority, gives the other Party the opportunity to attend and participate thereat. Precision and Grey Wolf shall furnish counsel to the other Party with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between them and their affiliates and their respective representatives on the one hand, and any Governmental Authorities or members of their respective staffs on the other hand, relating to this Agreement and the Merger.

(g) Notwithstanding the foregoing, nothing contained in this Agreement shall be construed to require Precision or Grey Wolf or their respective Subsidiaries or Affiliates to dispose of any of its assets or to limit its freedom of action with respect to any of their businesses, or to consent to any disposition of their assets or limits on their freedom of action with respect to any of their businesses, whether prior to or after the Effective Time, or to commit or agree to any of the foregoing, to obtain any consents, approvals, permits or authorizations or to remove any impediments to the Merger relating to the HSR Act, or other antitrust, competition, pre-merger notification, trade regulation or similar Applicable Laws (collectively, *Antitrust Laws*) or to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other Order in any suit or proceeding relating to Antitrust Laws or non-U.S. Antitrust Laws, other than such dispositions, limitations or consents, commitments or agreements that in each such case may be conditioned upon the consummation of the Merger and the transactions contemplated hereby and that in each such case, individually or in the aggregate, do not have or cause and would not be reasonably be expected to have or cause a Precision Material Adverse Effect after the Merger; provided, however, that neither Precision on the one hand or Grey Wolf on the other hand shall take or agree to any action required or permitted by this Section 5.9(g) without the prior written consent of the other Party (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 5.10 Rule 16b-3 Approval. Prior to the Closing, Precision and Grey Wolf, and their respective board of trustees and board of directors, as applicable and required, or committees thereof, shall use their commercially reasonable best efforts to take all actions to cause any dispositions of Grey Wolf Common Stock (including derivative securities with respect to Grey Wolf Common Stock) resulting from the transactions contemplated hereby by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act to be exempt from Section 16(b) of the Exchange Act under Rule 16b-3 promulgated under the Exchange Act in accordance with the terms and conditions set forth in no-action letters issued by the SEC in similar transactions.

Section 5.11 Taking of Necessary Action; Further Action. Subject to the terms and conditions of this Agreement, each of the Parties shall use its commercially reasonable best efforts to take all actions as may be necessary or appropriate in order to effectuate the Merger under the TBCA and the TCL as promptly as commercially practicable. In addition, the Parties agree to execute and deliver any additional instruments necessary to consummate the transactions contemplated by this Agreement.

Section 5.12 Public Announcements. On the date this Agreement is executed (or if executed after the close of business, no later than the first to occur of the opening of the NYSE, TSX or AMEX on the next day), Precision and Grey Wolf shall issue a joint press release with respect to the execution hereof and the transactions contemplated hereby. Except in respect of a public announcement as may be required by Applicable Law or any listing agreement with or rule of any Governmental Authority, Precision and Grey Wolf shall consult with each other before issuing any press release, making any other public statement or scheduling any press conference or conference call with investors or analysts with respect to this Agreement or the transactions contemplated by this Agreement.

Section 5.13 Notification of Certain Matters. Each Party shall give prompt notice to the other Parties of any of the following for which it becomes aware: (i) any representation or warranty made by it becoming untrue or inaccurate if such untruth or inaccuracy would reasonably be expected to cause any condition set forth in Article VI not to be satisfied, (ii) the occurrence of any event or development that would cause (or would reasonably be expected to cause) any representation or warranty by it herein to be untrue or inaccurate if such untruth or inaccuracy would reasonably be expected to cause any condition set forth in Article VI not to be satisfied, or (iii) any failure by it to comply with or satisfy in all material respects any covenant, condition, or agreement to be complied with or satisfied by it hereunder; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of any Party hereto.

Section 5.14 Payment of Expenses. Whether or not the Merger is consummated, and except as provided in Section 7.3, each Party shall pay its own expenses incident to preparing for, entering into and carrying out this Agreement and the consummation of the transactions contemplated hereby, regardless of whether the Merger is consummated, except that Precision and Grey Wolf shall equally share the following: (a) all fees and expenses, other than attorneys , accountants , financial advisers and consultants fees and expenses (which shall be paid by the Party incurring same), incurred in relation to the filing with the SEC and printing of the Proxy Statement/Prospectus, including preliminary materials related thereto, and the Registration

Statement, including financial statements and exhibits and any amendments and supplements thereto, (b) the filing fees for the Registration Statement and the Notification and Report Forms filed with the FTC and DOJ under the HSR Act and (c) the fees and expenses (other than attorneys' fees) associated with the NYSE and TSX listing applications referred to in Section 5.8 above.

Section 5.15 Indemnification and Insurance.

(a) From and after the Effective Time, Precision and PDC shall cause the Surviving Corporation to, and the Surviving Corporation shall, subject to Applicable Law; honor all indemnification, advancement and expenses and exculpation agreements or other obligations of Grey Wolf with respect to their respective current or former officers and directors including those agreements or obligations included in the Grey Wolf Charter Documents, and any Contract of Grey Wolf with its current or former officers or directors, or arising under Applicable Law.

(b) From and for a period of six years after the Effective Time, Precision and PDC shall cause the Surviving Corporation to, and the Surviving Corporation shall, indemnify, defend, hold harmless and advance expenses to each Person who is now, has been at any time prior to the date of this Agreement, or becomes prior to the Effective Time, an officer, director, employee or agent of any of the Grey Wolf Companies (collectively, the *Indemnified Parties*) to the fullest extent permitted by Applicable Law against all losses, expenses (including reasonable outside attorneys' fees), claims, damages, fines, costs, liabilities or amounts that are paid in settlement with the approval of the indemnifying Party (which approval shall not be unreasonably withheld, conditioned or delayed) resulting from, or otherwise arising in connection with, any threatened or actual claim, action, suit, proceeding or investigation (a *Claim*), based in whole or in part on, or arising in whole or in part out of, the fact that the Indemnified Party (or the Person controlled by the Indemnified Party) is or was a director, officer, employee or agent of any of the Grey Wolf Companies and pertaining to any matter existing, or arising out of actions or omissions or alleged actions or omissions occurring, at or prior to the Effective Time (including any Claim arising out of this Agreement or any of the transactions contemplated hereby), whether asserted or claimed prior to, at or after the Effective Time. Precision and PDC shall cause the Surviving Corporation to, and the Surviving Corporation shall, pay any expenses to each Indemnified Party, as incurred, in advance of the final disposition of any such Claim to the fullest extent permitted under Applicable Law. Each Indemnified Party will be entitled to receive such advances from the Surviving Corporation within ten Business Days of receipt by the Surviving Corporation from the Indemnified Party of a request therefor; provided that any Person to whom expenses are advanced provides an undertaking, if and only to the extent required by Applicable Law, to repay such advances if it is ultimately determined that such Person is not entitled to indemnification. Without limiting the foregoing, in the event any such Claim is brought against any Indemnified Party (whether arising before or after the Effective Time): (i) the Surviving Corporation shall have the right to control the defense of such matter with the Surviving Corporation's regularly engaged legal counsel or other counsel selected by the Surviving Corporation and reasonably satisfactory to the Indemnified Party, and Precision and PDC shall cause the Surviving Corporation to, and

the Surviving Corporation shall, pay all reasonable fees and expenses of such counsel; and (ii) the Indemnified Party will cooperate with the Surviving Corporation, at the Surviving Corporation's expense, in the defense of any such matter. Neither Precision, PDC nor the Surviving Corporation shall settle, compromise or consent to the entry of any judgment in any Claim for which indemnification could be sought by any Indemnified Party hereunder, unless such settlement, compromise or consent includes an unconditional release of such Indemnified Party from all liability arising out of such Claim and does not include any finding of fact admission or stipulation with respect to fault, intent or culpability of the Indemnified Party, or such Indemnified Party otherwise consents. In the event of any Claim, any Indemnified Party wishing to claim indemnification shall promptly notify the Surviving Corporation thereof (provided that failure to so notify the Surviving Corporation will not affect the obligations of Precision or the Surviving Corporation except to the extent that the Surviving Corporation shall have been materially prejudiced as a result of such failure) and shall deliver to the Surviving Corporation any undertaking required by Applicable Law, but without any requirement for the posting of a bond. Without limiting the foregoing, in the event any Claim is brought against any of the Indemnified Parties, Precision and PDC shall cause the Surviving Corporation to, and the Surviving Corporation shall, be required to retain only one counsel (plus one local counsel, if necessary) to represent all such Indemnified Parties with respect to each such matter unless the use of one counsel to represent the Indemnified Parties would present such counsel with a conflict of interest, or the representation of all of the Indemnified Parties by the same counsel would be inappropriate due to actual or apparent differing interests between them, in which case such additional counsel as may be required (as shall be reasonably determined by the Indemnified Parties and the Surviving Corporation) may be retained by the Indemnified Parties at the cost and expense of Precision or the Surviving Corporation and Precision and PDC shall cause the Surviving Corporation to, and the Surviving Corporation shall, pay all reasonable fees and expenses of such counsel for such Indemnified Parties. Notwithstanding the foregoing, nothing contained in this Section 5.15 shall be deemed to grant any right to any Indemnified Party which is not permitted to be granted to an officer, director, employee, controlling shareholder or agent of Grey Wolf under a non-waivable provision of Applicable Law.

(c) From and for not less than six years after the Effective Time, Precision shall cause the Surviving Corporation to, and the Surviving Corporation shall use its commercially reasonable best efforts to maintain in effect directors' and officers' liability insurance policies covering those persons who are covered by Grey Wolf's directors' and officers' liability insurance policies as of the Effective Time on terms substantially no less advantageous to such Persons than such existing insurance with respect to Claims arising from facts or events that occurred on or prior to the Effective Time; provided, however, that (i) the Surviving Corporation may substitute therefor policies, issued by an insurance carrier with the same or better credit rating as the Surviving Corporation's current insurance carrier, of at least the same coverage containing terms and conditions which are no less advantageous than Grey Wolf's current policy, provided that such substitution shall not result in gaps or lapses in coverage with respect to matters occurring prior to the Effective Time; and (ii) the Surviving Corporation shall not be required to pay an annual premium in excess of 250% of the last annual premium paid by Grey Wolf

(whichever premium was higher) prior to the date hereof. In the event that the annual premium for such insurance exceeds such maximum amount, the Surviving Corporation shall purchase as much coverage per policy year as reasonably obtainable for such maximum amount.

(d) This covenant is intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties and their respective heirs and legal representatives. The indemnification and advancement of expenses provided for herein shall not be deemed exclusive of any other rights to which an Indemnified Party is entitled, whether pursuant to Applicable Law, Contract or otherwise.

(e) In the event that the Surviving Corporation, or any of its respective successors or assigns, (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its and its subsidiaries' properties and assets (taken as a whole) to any Person, then, and in each such case, proper provision shall be made by the Surviving Corporation so that the successors and assigns of the Surviving Corporation, as the case may be, shall succeed to the obligations set forth in this Section 5.15.

Section 5.16 Surviving Corporation Employee Matters.

(a) At the Effective Time, the Surviving Corporation shall, or shall cause its Subsidiaries to, continue employment of all the employees who are employed by Grey Wolf or any of the Grey Wolf Subsidiaries as of the day immediately prior to the Effective Time. The Grey Wolf Employees so employed are collectively referred to herein as the *Continuing Employees*.

(b) During the period from the Effective Time to and including December 31, 2009 the Surviving Corporation and its Subsidiaries shall provide each Continuing Employee with an annual salary rate, bonus opportunity and hourly wage rate, as applicable, that is not less favorable to such Continuing Employee than the annual salary rate, bonus opportunity or hourly wage rate provided to such Continuing Employee by Grey Wolf or the applicable Grey Wolf Subsidiary immediately prior to the Effective Time.

(c) During the period from the Effective Time to and including December 31, 2009, the Surviving Corporation and its Subsidiaries shall provide medical, dental, pharmaceutical and vision benefits and other employee benefits that with respect to Continuing Employees shall be, no less favorable, in the aggregate, than those provided by Grey Wolf or the Grey Wolf Subsidiaries immediately prior to the Effective Time. Notwithstanding anything herein to the contrary, nothing herein shall require the Surviving Corporation to provide or continue any stock option plans, restricted stock grant plans or other equity award or purchase plans of Grey Wolf, except as otherwise provided in Article II hereof, or to assume or provide retiree medical benefits to any Continuing Employee, except as described in Section 5.16 of the Grey Wolf Disclosure Letter.

(d) With respect to each Continuing Employee, the Surviving Corporation shall credit, or cause its Subsidiaries to credit, the period of employment and service recognized by Grey Wolf or the applicable Grey Wolf Subsidiary (including their respective affiliates and their predecessors if applicable) for such Continuing Employee immediately prior to the Effective Time under the Grey Wolf Benefit Plans for purposes of determining the Continuing Employee's eligibility to join (subject to satisfaction of all non-service related eligibility criteria), vesting and benefit accrual (but not benefit accrual for any purpose other than vacation pay, severance and termination pay and sick leave, and vesting in employer contributions under a 401(k) or profit sharing arrangement that is tax qualified under Code Section 401) under the corresponding employee benefit plans, programs, policies or similar employment-related arrangements of the Surviving Corporation and its Subsidiaries in which the Continuing Employee is eligible to participate as if such period of employment and service had been employment and service with the Surviving Corporation and its Subsidiaries. No such period of employment and service credit shall be provided to the extent that it will result in a duplication of credit or employment benefits.

(e) The Surviving Corporation and its Subsidiaries shall waive, and the extent necessary to effect the terms hereof, shall use their commercially reasonable best efforts to cause the relevant insurance carriers and other third parties to waive, any pre-existing condition limitations for medical conditions existing as of the Effective Time of each Continuing Employee and the Continuing Employee's dependents who are covered immediately prior to the Effective Time under a group health plan maintained by Grey Wolf, but only to the extent such pre-existing medical condition would have been covered by the Surviving Corporation's group health plan if it were not a pre-existing medical condition and only to the extent that such pre-existing medical condition limitations would not have applied to such Continuing Employee or the Continuing Employee's dependents (as the case may be) under Grey Wolf's group health plan, as applicable, immediately prior to the Effective Time. Additionally, the Surviving Corporation shall use its commercially reasonable best efforts to offer, or cause its Subsidiaries to offer, at the Effective Time to each Continuing Employee coverage under a group health plan (as defined in Section 5000(b)(1) of the Code) which credits such Continuing Employee towards the deductibles, co-insurance and maximum out of pocket provisions imposed under such group health plan, for the year during which the Effective Time occurs, with any applicable expenses already incurred during such year under Grey Wolf's group health plan.

(f) Nothing in this Agreement shall be considered a contract between Precision, PDC, Grey Wolf, the Surviving Corporation, or any of their respective Subsidiaries and any Continuing Employee or consideration for, or inducement with respect to, any such Continuing Employees' continued employment with the Surviving Corporation and, without limitation, all such Continuing Employees are and will continue to be considered employees at will pursuant to the applicable employment at will laws or doctrine, subject to any express written agreement to the contrary with such Continuing Employee. For the avoidance of doubt and without limiting the generality of Section 8.6, nothing in this Section 5.16 is intended to make any Person a third-party beneficiary of

the agreements contained in this Section 5.16, and nothing in this Section 5.16 shall constitute an amendment of any Grey Wolf Benefit Plan.

(g) Each of the Parties agrees to cooperate in good faith prior to the Effective Time to establish a process to integrate the Grey Wolf Benefit Plans following the Effective Time.

(h) The Parties agree that Precision and Surviving Corporation shall administer and perform the Grey Wolf, Inc. Employee Severance Plan established on August 8, 2008, in accordance with its terms and shall not amend or terminate such plan prior to its expiration in accordance with its terms in any way that negatively impacts the beneficiaries thereof prior to the first anniversary of the Closing Date.

Section 5.17 Tax Matters.

(a) Precision, PDC, Grey Wolf and Lobos shall each use its commercially reasonable best efforts to cause the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code and to obtain the Tax opinions set forth in Section 6.2(d) and Section 6.3(d). Precision, Grey Wolf and Lobos agree to file all Tax Returns consistent with the treatment of the Merger as a reorganization, with Precision, Lobos and Grey Wolf as parties to the reorganization, within the meaning of Section 368(a) of the Code. This Agreement is intended to constitute a plan of reorganization within the meaning of Treasury Regulation Sec. 1.368-2(g).

(b) Each of PDC, in its capacity as administrator of Precision, and Grey Wolf shall deliver to Porter & Hedges, L.L.P. and Mayer Brown LLP an officers' certificate dated as of the Closing Date and signed by the Chief Executive Officers or the Chief Financial Officers of each of PDC and Grey Wolf, containing representations on behalf of Precision and Grey Wolf, in each case as shall be reasonably necessary or appropriate to enable Porter & Hedges, L.L.P. to render the opinion described in Section 6.3(d) of this Agreement and Mayer Brown LLP to render the opinion described in Section 6.2(d) of this Agreement. Each of Precision and Grey Wolf shall use its commercially reasonable best efforts not to take or cause to be taken any action that would cause to be untrue (or fail to take or cause not to be taken any action which would cause to be untrue) any of the certifications and representations included in the officers' certificates described in this Section 5.17.

(c) Grey Wolf and Precision shall provide each other with a certification in accordance with the requirements of Treasury Regulation Section 1.1445-2(c)(3) that it is not a United States real property holding corporation.

(d) The Parties intend and believe that this Agreement constitutes a binding Contract for fixed consideration pursuant to Treasury Regulation Section 1.368-1T(e)(2).

(e) After the Merger, Precision shall use its commercially reasonable best efforts to remain a qualified foreign corporation under Code Section 1(h) and the applicable Treasury Regulations.

Section 5.18 Continuing Obligation to Call, Hold and Convene Shareholders Meeting; No Other Vote.

Notwithstanding anything herein to the contrary, the obligations of Grey Wolf to call, give notice of, convene and hold the Grey Wolf Meeting shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission to it of any Acquisition Proposal with respect to it, or by any determination by the Grey Wolf Board to modify, withdraw, amend or modify its recommendation in favor of the Merger. Prior to the earlier of the Effective Time or the termination of this Agreement in accordance with Section 7.1, Grey Wolf shall not submit to the vote of its shareholders any Acquisition Proposal, or propose to do so. For the avoidance of doubt, nothing in this Section 5.18 shall in any way limit the ability of Grey Wolf to terminate this Agreement pursuant to Section 7.1(d)(iii).

Section 5.19 Control of Other Party's Business. Nothing contained in this Agreement shall give Grey Wolf, directly or indirectly, the right to control or direct Precision's operations prior to the Effective Time or give Precision, directly or indirectly, the right to control or direct Grey Wolf's operations prior to the Effective Time. Prior to the Effective Time, each of Precision and Grey Wolf shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its respective operations.

Section 5.20 Financing. Grey Wolf shall, and shall cause its Subsidiaries and its and its Subsidiaries Representatives to, use commercially reasonable best efforts to cooperate in connection with Precision's efforts to complete the Financing as may be requested by Precision, including, without limitation: (i) participating on a timely basis in meetings, drafting sessions, due diligence sessions and other presentations, including presentations with potential lenders, agents or underwriters and with rating agencies; (ii) furnishing to the Joint Lead Arrangers and to Precision as promptly as reasonably practicable all financial statements, pro forma statements, financial projections, business plans, budgets and other reasonably pertinent data and information as may be available (or obtainable without unreasonable expense) and reasonably requested by any of the Joint Lead Arrangers or Precision; (iii) participating in the marketing presentations and other marketing efforts of the Joint Lead Arrangers or Precision for any portion of the Financing and assisting the Joint Lead Arrangers in the timely preparation of bank information memoranda, presentations and similar documents and of material for rating agency presentations; (iv) assisting Precision in securing the cooperation of the independent accountants of Grey Wolf, including with respect to the delivery of accountants' comfort letters (v) obtaining legal opinions from Precision's counsel, ratings and other documentation and items relating to such financing as are reasonably requested by either of the Joint Lead Arrangers; (vi) executing and delivering in connection with the Financing any guarantees, mortgages, pledges and security documents, other definitive financing documents or other certificates or documents, conditioned on the completion of the Merger as may be reasonably requested by either of the Joint Lead Arrangers; and (vii) taking such actions and providing such information and assistance as either of the Joint Lead Arrangers or Precision may reasonably request in connection with creating Liens upon or pledging collateral to secure the Financing. Precision shall have provided a copy of the final executed commitment letter relating to the Financing, including all attachments thereto, to Grey Wolf prior to the execution of this Agreement.

Section 5.21 Rights Agreement; State Takeover Laws.

(a) Prior to the Effective Time, Grey Wolf shall not redeem the Grey Wolf Rights or amend, modify (other than to render the Grey Wolf Rights inapplicable to the Merger or any action permitted under this Agreement) or terminate the Grey Wolf Rights Agreement unless required to do so by order of a court of competent jurisdiction.

(b) Prior to the Effective Time, Grey Wolf shall not take any action to render inapplicable or to exempt any third Person from, any state takeover law or state law that purports to limit or restrict business combinations or the ability to acquire or vote shares of capital stock unless (i) required to do so by order of a court of competent jurisdiction or (ii) the Grey Wolf Board has concluded in good faith, after consultation with its outside legal counsel, that, in light of a Superior Proposal with respect to Grey Wolf, the failure to take such action would be reasonably likely to result in a breach of its fiduciary duties under Applicable Law.

ARTICLE VI CONDITIONS

Section 6.1 Conditions to Each Party's Obligation to Effect the Merger. The respective obligations of each Party to effect the Merger shall be subject to the satisfaction, at or prior to the Closing Date, of each of the following conditions, any or all of which may be waived in writing in whole or in part only by both Precision and Grey Wolf (to the extent permitted by Applicable Law):

(a) *Shareholder Approval.* The Merger shall have been duly and validly approved and adopted by the requisite vote of the shareholders of Grey Wolf.

(b) *CFIUS Approval.* Precision shall have received written notice from CFIUS of its determination pursuant to the Exon-Florio Amendment not to undertake an investigation of the transaction contemplated by this Agreement.

(c) *Other Approvals.* Any applicable waiting period under the HSR Act (including extensions thereof) shall have expired or been terminated and all filings required to be made by the Parties prior to the Effective Time with, and all consents, approvals, permits and authorizations required to be obtained by the Parties prior to the Effective Time from, any Governmental Authority in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby shall have been made or obtained (as the case may be), except for any failures to make such filings or obtain such consents, approvals, permits and authorizations that, individually or in the aggregate, would not reasonably be expected to have or cause a Material Adverse Effect on or with respect to Precision (assuming the Merger has taken place).

(d) *Securities Law Matters.* The Registration Statement shall have been declared effective by the SEC under the Securities Act and shall be effective at the Effective Time, and no stop order suspending such effectiveness shall have been issued, no action, suit, proceeding or investigation by the SEC to suspend such effectiveness

shall have been initiated and be continuing (and no similar action shall have been taken by any Canadian Securities Regulatory Authority with respect to Precision or the Precision Trust Units), and any and all necessary approvals under state securities laws or Applicable Canadian Securities Laws relating to the issuance or trading of the Precision Trust Units to be issued in the Merger shall have been received.

(f) *NYSE and TSX Listing*. The Precision Trust Units required to be included in the NYSE and TSX listing applications referred to in Section 5.8 above shall have been authorized for listing on the NYSE and the TSX, subject to official notice of issuance.

Section 6.2 Conditions to Obligations of Precision, PDC and Lobos. The obligations of Precision, PDC and Lobos to effect the Merger are subject to the satisfaction of each of the following conditions, any or all of which may be waived in writing in whole or in part by Precision, PDC and Lobos:

(b) *Performance of Covenants and Agreements by Grey Wolf*. Grey Wolf shall have performed in all material respects all covenants and agreements required to be performed by it under this Agreement at or prior to the Closing Date, and Precision and

PDC shall have received a certificate signed by a Responsible Officer of Grey Wolf to such effect.

(c) *No Material Adverse Change*. From the date of this Agreement through the Closing, there shall not have occurred any event, occurrence or development that has had or caused or would reasonably be expected to have or cause a Grey Wolf Material Adverse Effect.

(d) *Tax Opinion*. Precision and PDC shall have received an opinion (reasonably acceptable in form and substance to Precision and PDC) from Mayer Brown LLP, dated as of the Closing Date, and based on a reasonable assumption as to the amount of cash consideration ultimately paid to Grey Wolf Dissenting Shareholders, to the effect that for federal income Tax purposes (i) the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Code, and (ii) each of Precision, Grey Wolf and Lobos will be a party to such reorganization within the meaning of Section 368(b) of the Code, and such opinion shall not have been withdrawn, revoked or modified. Such opinion will be based upon representations of the Parties contained in this Agreement and in the officers' certificates described in Section 5.17(b).

Section 6.3 Conditions to Obligation of Grey Wolf. The obligation of Grey Wolf to effect the Merger is subject to the satisfaction of each of the following conditions, any or all of which may be waived in writing in whole or in part by Grey Wolf:

(a) *Representations and Warranties*. (i) The representations and warranties of Precision, PDC and Lobos set forth in Section 4.2 (Authorization, Validity and Effect of Agreement), Section 4.3 (Capitalization) and Section 4.13 (No Brokers) shall be true, accurate and complete in all material respects as of the date of this Agreement and (except to the extent such representation or warranty speaks as of an earlier date, in which case the representation or warranty shall be true and correct in all material respects as of such date) as of the Closing Date as though made on and as of that time and (ii) the representations and warranties of Precision set forth in Article IV (other than the representations and warranties set forth in Section 4.2, Section 4.3 and Section 4.13) shall be true, accurate and complete (disregarding any qualifications as to materiality or Material Adverse Effect) as of the date of this Agreement and (except to the extent such representation or warranty speaks as of an earlier date, in which case the representation or warranty shall be true and correct as of such date) as of the Closing Date as though made on and as of that time, except in each case for any failures of such representations and warranties to be so true, accurate and complete that, individually or in the aggregate, do not have or cause and would not reasonably be expected to have or cause a Precision Material Adverse Effect, and Grey Wolf shall have received a certificate signed by the Responsible Officers of Precision to such effect.

(b) *Performance of Covenants and Agreements by Precision, Lobos and PDC*. Each of Precision, Lobos and PDC shall have performed in all material respects all covenants and agreements required to be performed by it under this Agreement at or prior to the Closing Date, and Grey Wolf shall have received a certificate signed by a Responsible Officer of Precision to such effect.

(c) *No Material Adverse Change*. From the date of this Agreement through the Closing, there shall not have occurred any event, occurrence or development that has had or caused or would reasonably be expected to have or cause a Precision Material Adverse Effect.

(d) *U.S. Tax Opinion*. Grey Wolf shall have received an opinion (reasonably acceptable in form and substance to Grey Wolf) from Porter & Hedges L.L.P., dated as of the Closing Date, and based on a reasonable assumption as to the amount of cash consideration ultimately to be paid to Grey Wolf Dissenting Shareholders, to the effect that for federal income Tax purposes (i) the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Code, and (ii) each of Precision, Grey Wolf and Lobos will be a party to such reorganization within the meaning of Section 368(b) of the Code, and such opinion shall not have been withdrawn, revoked or modified. Such opinion will be based upon representations of the Parties contained in this Agreement and in the officers' certificates described in Section 5.17(b).

ARTICLE VII TERMINATION

Section 7.1 Termination Rights. This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after approval of the Grey Wolf Proposal by the shareholders of Grey Wolf (except as provided below), by action taken by the board of directors or the board of trustees, as applicable, of the terminating Party or Parties upon the occurrence of any of the following:

- (a) By mutual written consent duly authorized by the Precision Board and the Grey Wolf Board.
- (b) By either Grey Wolf or Precision if:
 - (i) the Merger has not been consummated by February 28, 2009 (the *Termination Date*) (provided, however, that the right to terminate this Agreement pursuant to this clause (i) shall not be available to any Party whose breach of any representation or warranty or failure to perform or satisfy any covenant or agreement under this Agreement has been the principal cause of or resulted in the failure of the Merger to occur on or before such date);
 - (ii) any Governmental Authority shall have issued an Order or taken any other action permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger or making consummation of the Merger illegal, and such Order or other action shall have become final and nonappealable (provided, however, that the right to terminate this Agreement pursuant to this clause (ii) shall not be available to any Party whose failure to fulfill

any material obligation under this Agreement has been the principal cause of or resulted in such Order or other action); or

- (iii) the Grey Wolf Proposal shall not have been approved by the Required Grey Wolf Vote at the Grey Wolf Meeting or at any adjournment or postponement thereof; provided, however, that the right to terminate this Agreement pursuant to this clause (iii) shall not be available to Grey Wolf if the failure to obtain approval of the Grey Wolf Proposal is caused by the action or failure to act of Grey Wolf and such action or failure to act constitutes a material breach of this Agreement.

(c) By Precision if:

- (i) there has been a material breach of the representations and warranties made by Grey Wolf in Article III of this Agreement, which breach (A) would cause a failure of the condition described in Section 6.2(a) and (B) is incapable of being cured by Grey Wolf within 30 days following receipt of written notice from Precision of such breach (but not later than the Termination Date);
- (ii) Grey Wolf has failed to comply in any material respect with any of its covenants or agreements contained in this Agreement, which failure to comply (A) would cause a failure of the condition described in Section 6.2(b) and (B) is incapable of being cured by Grey Wolf within 30 days following written notice from Precision of such failure (but not later than the Termination Date); or
- (iii) (A) Grey Wolf shall have breached in any material respect any of its obligations under Section 5.5, (B) the Grey Wolf Board (or any committee thereof) shall have made an Adverse Recommendation Change or an Acquisition Proposal Recommendation, (C) any Grey Wolf Company shall have entered into an Acquisition Agreement or (D) Grey Wolf or the Grey Wolf Board (or any committee thereof) publicly shall have announced its intention to do any of the foregoing.

(d) By Grey Wolf if:

- (i) there has been a material breach of the representations and warranties made by Precision in Article IV of this Agreement, which breach (A) would cause a failure of the condition described in Section 6.3(a), and (B) is incapable of being cured by Precision within 30 days following receipt of written notice from Grey Wolf of such breach (but not later than the Termination Date);
- (ii) Precision has failed to comply in any material respect with any of its covenants or agreements contained in this Agreement, which

failure to comply (A) would cause a failure of the condition described in Section 6.3(b) and (B) is incapable of being cured by Precision within 30 days following receipt of written notice from Grey Wolf of such failure (but not later than the Termination Date); or

- (iii) prior to the approval of Grey Wolf Proposal by the Required Grey Wolf Vote, Grey Wolf elects to enter into an Acquisition Agreement as permitted by (and not in violation of) Section 5.5; provided, however, that Grey Wolf may not terminate this Agreement pursuant to this Section 7.1(d)(iii) unless Grey Wolf shall have complied with the provisions of Section 5.5(e)(ii) and shall not have otherwise breached any other term of Section 5.5 in any material respect. No termination pursuant to this Section 7.1(d)(iii) shall be effective unless Grey Wolf simultaneously pays in full the payment required by Section 7.3(a) and provides Precision with a written acknowledgment from each other party to the Acquisition Agreement that such party is aware of the amounts due Precision under Section 7.3(a) and that such party irrevocably waives any right it may have to litigate, sue or bring any Claim to contest such amounts.

Section 7.2 Effect of Termination. If this Agreement is terminated by either Grey Wolf or Precision pursuant to the provisions of Section 7.1, this Agreement shall forthwith become void, and there shall be no further obligation on the part of any Party or its Affiliates or Representatives except pursuant to the provisions of Section 5.4(d), Section 5.7(c), Section 5.7(d), Section 5.14, this Section 7.2, Section 7.3, Article VIII and the Confidentiality Agreement (which shall continue pursuant to its terms); provided, however, that a termination of this Agreement shall not relieve any Party from any liability for damages incurred as a result of a willful or intentional breach by such Party of its representations, warranties, covenants, agreements or other obligations hereunder occurring prior to such termination.

Section 7.3 Fees and Expenses. Notwithstanding the provisions of Section 5.14:

(a) Grey Wolf will, immediately upon termination of this Agreement pursuant to Section 7.1(b)(iii), Section 7.1(c)(iii) or Section 7.1(d)(iii) (but in the case of Section 7.1(b)(iii) only if prior to such Grey Wolf Meeting an Adverse Recommendation Change or an Acquisition Proposal Recommendation has been made), pay, or cause to be paid, to Precision by wire transfer of immediately available funds to an account designated by Precision a termination fee in the amount of \$64 million.

(b) Grey Wolf will, immediately upon termination of this Agreement pursuant to Section 7.1(b)(iii), pay, or cause to be paid, to Precision by wire transfer of immediately available funds to an account designated by Precision \$7.5 million as a reasonable estimate of Precision's expenses; provided that no amount shall be payable under this Section 7.3(b) if the termination fee is paid pursuant to Section 7.3(a).

(c) Grey Wolf will pay, or cause to be paid, to Precision a termination fee in the amount of \$64 million less the amount of the payment, if any, previously made by Grey Wolf pursuant to Section 7.3(b) if: (i) this Agreement is terminated pursuant to Section 7.1(b)(i) or Section 7.1(b)(iii); (ii) prior to such termination, there has been publicly announced an Acquisition Proposal; and (iii) within 365 days of such termination, any Grey Wolf Company enters into any definitive agreement with respect to or consummates any Acquisition Proposal (regardless of whether such Acquisition Proposal is the same Acquisition Proposal referred to in clause (ii) above); provided that no amount shall be payable under this Section 7.3(c) if the termination fee is paid pursuant to Section 7.3(a). Such termination fee shall be paid on the day such Grey Wolf Company consummates such Acquisition Proposal, by wire transfer of immediately available funds to an account designated by Precision. Notwithstanding the foregoing, Grey Wolf shall not be required to pay, or cause to be paid, to Precision any amounts pursuant to this Section 7.3(c) if the reason the Merger has not been timely consummated is as the result of a failure to satisfy the conditions set forth in Section 6.1(b), Section 6.1(c), Section 6.1(d), Section 6.1(e) or Section 6.1(f).

(d) Grey Wolf acknowledges that the agreements contained in this Section 7.3 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Precision would not have entered into this Agreement. Accordingly, if Grey Wolf fails to pay promptly any amounts due pursuant to this Section 7.3, Grey Wolf shall pay to Precision its costs and expenses (including attorneys' fees and expenses) in connection with collecting these amounts, together with interest on the amounts so owed, at the rate of interest per annum specified as the Prime Rate in the Wall Street Journal as of the date of termination plus 2.0%, from the date of termination of this Agreement until the date all such amounts are paid to Precision.

Section 8.4 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become

effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart.

Section 8.5 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be deemed modified to the minimum extent necessary to make such term or provision valid and enforceable, provided that if such term or provision is incapable of being so modified, then such term or provision shall be deemed ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

Section 8.6 Entire Agreement; No Third Party Beneficiaries. This Agreement (together with the Confidentiality Agreement and the documents and instruments delivered by the Parties in connection with this Agreement): (a) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof; and (b) except as provided in Section 5.15 and Section 5.16(h) (which are intended to be for the benefit of the Persons covered thereby) is solely for the benefit of the Parties and their respective successors, legal representatives and assigns and does not confer on any Person other than the Parties any rights or remedies hereunder. The representations and warranties in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties. Any inaccuracies in such representations and warranties are subject to waiver by the Party for whose benefit such representation and warranty was made in accordance with Section 8.12 without notice of liability to any other Person. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 8.7 Applicable Law. THIS AGREEMENT SHALL BE GOVERNED IN ALL RESPECTS, INCLUDING VALIDITY, INTERPRETATION AND EFFECT, BY THE LAWS OF THE STATE OF TEXAS (INCLUDING THE LAWS OF TEXAS WITH RESPECT TO STATUTES OF LIMITATION AND STATUTES OF REPOSE) WITHOUT REGARD TO THE CONFLICTS OF LAWS PROVISIONS THEREOF THAT WOULD CAUSE THE LAWS OF ANY OTHER JURISDICTION TO APPLY.

Section 8.8 Jurisdiction. The Parties agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be exclusively brought in any federal court sitting in Harris County, Texas or any Texas state court sitting in Harris County, Texas, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. This Agreement is executed and is to be performed in Harris County, Texas. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in Section 8.3 shall be deemed effective service of process on such party.

Section 8.9 Specific Performance. The Parties hereto agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity. No Party shall object to the other Parties' right to specific performance as a remedy for breach of this Agreement.

Section 8.10 No Remedy in Certain Circumstances. Each Party agrees that should any Governmental Authority hold any provision of this Agreement or part hereof to be null, void or unenforceable, or order any Party to take any action inconsistent herewith or not to take an action consistent herewith or required hereby, the validity, legality and enforceability of the remaining provisions and obligations contained or set forth herein shall not in any way be affected or impaired thereby, unless the foregoing inconsistent action or the failure to take any action constitutes a material breach of this Agreement or makes this Agreement impossible to perform, in which case this Agreement shall terminate pursuant to Article VII. Except as otherwise contemplated by this Agreement, to the extent that a Party took an action inconsistent herewith or failed to take action consistent herewith or required hereby pursuant to an Order or judgment of a court or other competent Governmental Authority, such Party shall not incur any liability or obligation unless such Party breached its obligations under Section 5.9 or did not in good faith seek to resist or object to the imposition or entering of such Order or judgment.

Section 8.11 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned or delegated or otherwise transferred by any of the Parties (whether by operation of Applicable Law or otherwise) without the prior written consent of the other Parties, and any such attempted assignment without such consent shall be immediately null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and assigns.

Section 8.12 Waivers. At any time prior to the Effective Time, to the extent legally allowed: (a) any Party may extend the time for the performance of any of the obligations or other acts of the other Parties, (b) any Party for whose benefit a representation or warranty was made may waive any inaccuracies in the representations and warranties of the other Parties contained herein or in any document delivered pursuant hereto, and (c) any Party may waive performance of any of the covenants or agreements of the other Parties, or satisfaction of any of the conditions to its obligations to effect the Merger, contained herein. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in a written instrument signed by an authorized representative of such Party. Except as provided in this Agreement, no action taken pursuant to this Agreement, including any investigation by or on behalf of any Party, shall be deemed to constitute a waiver by the Party taking such action of compliance with any

representations, warranties, covenants or agreements contained in this Agreement. The waiver by any Party of a breach of any provision hereof shall not operate or be construed as a waiver of any prior or subsequent breach of the same or any other provisions hereof.

Section 8.13 Confidentiality Agreement. The Confidentiality Agreement shall remain in full force and effect following the execution of this Agreement is hereby incorporated herein by reference, and shall constitute a part of this Agreement for all purposes; provided, however, that any standstill provisions contained therein will, effective as of the Closing, be deemed to have been waived to the extent necessary for the Parties to consummate the Merger in accordance with the terms of this Agreement. Any and all information received by Precision and Grey Wolf pursuant to the terms and provisions of this Agreement shall be governed by the applicable terms and provisions of the Confidentiality Agreement.

Section 8.14 Incorporation. Exhibits and Schedules referred to herein are attached to and by this reference are incorporated herein for all purposes.
