**SUITE101.COM, INC.**

**PROXY STATEMENT**

**ANNUAL MEETING OF SHAREHOLDERS**

The enclosed proxy is solicited by the Board of Directors of Suite101.com, Inc., a Delaware corporation, from the holders of shares of its Common Stock, \$.001 par value ("Common Stock") to be voted at the Annual Meeting of Shareholders (the "Meeting") to be held at the Calgary Petroleum Club, 319 - 5 Avenue SW, Calgary, Alberta T2P 0L5 at 2:30 p.m., local time, on Thursday, January 8, 2004, and at any adjournments thereof.

The only business which the Board of Directors intends to present or knows that others will present at the Meeting is: (i) to elect five (5) directors of the Company to hold office until our next Annual Meeting of Shareholders or until their respective successors are elected and qualified; (ii) to consider and vote on a proposal to amend our Certificate of Incorporation to change our corporate name from Suite101.com, Inc. to GeoGlobal Resources Inc.; and (iii) to transact such other business as may properly come before the meeting, or any adjournments thereof.

Our management does not know of any other business to be brought before the Meeting but it is intended that as to any other business, a vote may be cast pursuant to the proxy in accordance with the judgment of the person or persons acting thereunder. If proxies in the enclosed form are properly executed and returned, the Common Stock represented thereby will be voted at the Meeting in accordance with the shareholder's direction. Unless otherwise specified, proxies in the enclosed form will be voted for the election of the five (5) Directors named as nominees and voted in favor of the amendment to our Certificate of Incorporation to change our corporate name. Any shareholder giving a proxy has the power to revoke it at any time before the proxy is voted by revoking it in writing, by executing a later dated proxy or appearing at the Meeting and voting in person. Any writing revoking a proxy should be addressed to Patti Price, Secretary of the Company, at the address set forth below.

The Directors to be elected at the Meeting will be elected by a plurality of the votes cast by the holders of Common Stock present in person or by proxy and entitled to vote. The amendment of the Certificate of Incorporation will require the affirmative vote of the holders of a majority of the outstanding shares of Common Stock. With regard to the election of Directors, votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because Directors will be elected by a plurality of votes cast.

Abstentions may be specified on the proposal submitted to a stockholder vote other than the election of Directors. Abstentions will be counted as present for purposes of determining the existence of a quorum regarding the proposal on which the abstention is noted. However, abstentions on the proposal will have the effect of a negative vote on the proposal to amend the Certificate of Incorporation because the proposal requires the affirmative vote of a majority of the outstanding shares of Common Stock.

Under the rules of the New York Stock Exchange, brokers who hold shares in street name have the authority to vote on certain routine matters on which they have not received instructions from beneficial owners. Brokers holding shares of our Common Stock in street name who do not receive instructions are entitled to vote on the election of Directors and the amendment to the Certificate of Incorporation. Under applicable Delaware law, "broker non-votes" on any proposal (where a broker submits a proxy but does not vote a customer's shares on such proposal) will be considered not entitled to vote on that proposal and thus will not be counted in determining the outcome of such vote.

Likewise, where authority to vote for the election of Directors is withheld by a stockholder, such shares will not be counted in determining the outcome of such vote. Therefore, broker non-votes with respect to the election of Directors and stockholders who mark their proxies to withhold authority to vote their shares will have no effect on the outcome of such proposal, although broker non-votes and proxies submitted where the vote for the election of Directors is withheld are counted in determining the existence of a quorum.

---

Only holders of record of Common Stock as of the close of business on December 8, 2003 are entitled to vote at the Meeting or any adjournments thereof. On such date, we had outstanding voting securities consisting of 49,053,355 shares of Common Stock, each of which share is entitled to one (1) vote on all proposals submitted to a vote of shareholders at the Meeting.

Our principal executive office address is Suite 200, 630 4 Avenue SW, Calgary, Alberta, Canada, T2P 0J9, and our telephone number is (403) 777-9250 and our facsimile number is (403) 777-9199. This Proxy Statement and the enclosed Form of Proxy will be mailed to our shareholders on or about December 9, 2003.

## 1. ELECTION OF DIRECTORS

At the Meeting, it is proposed to elect five (5) Directors to hold office until the next Annual Meeting of Shareholders or until their respective successors are elected and qualified. It is intended that, unless otherwise indicated, the shares of Common Stock represented by proxies solicited by the Board of Directors will be voted for the election as Directors of the five nominees hereinafter named. If, for any reason, any of said nominees shall become unavailable for election, which is not now anticipated, the proxies will be voted for the other nominees and may be voted for a substitute nominee designated by the Board of Directors. Each nominee has indicated that he is willing and able to serve as a Director if elected, and, accordingly, the Board of Directors does not have in mind any substitute.

## DIRECTORS COMPENSATION

Our Directors do not receive any cash compensation for serving in that capacity; however, they are reimbursed for their out-of-pocket expenses in attending meetings. Pursuant to the terms of our 1998 Stock Incentive Plan, each non-employee Director automatically receives an option grant for 50,000 shares on the date such person joins the Board. Accordingly, effective February 25, 2002, each of Messrs. Douglas F. Loblaw, Campbell and Peters, all of whom were first elected Directors on that date, were granted an option to purchase 50,000 shares exercisable at \$0.27 per share. As employee directors, Messrs. Roy and Kent are not eligible for these options under this part of the Plan. Mr. Loblaw subsequently resigned as a Director on August 29, 2003. Mr. Smith will be granted an option to purchase 50,000 shares as of the date of this Annual Meeting. In addition, on the date of each annual stockholder meeting following their initial election as a Director, each non-employee Board member who is to continue to serve as a non-employee Board member will automatically be granted an option to purchase 5,000 shares provided such person has served as a non-employee Board member for at least six months. Each of Messrs. Peters and Campbell will be automatically granted an option to purchase 5,000 shares on the date of this Annual Meeting. Each such option has an exercise price equal to the fair market value of the Company's shares on the date of grant, has a term of ten years, subject to earlier termination following such person's cessation of Board service, and is subject to certain vesting provisions.

## RECENT CHANGE IN CONTROL OF OUR COMPANY

On August 29, 2003, pursuant to an agreement dated April 4, 2003, and amended August 29, 2003, we completed a transaction with Mr. Roy and GeoGlobal Resources (India) Inc. ( GeoGlobal ), a corporation wholly owned by Mr. Roy, whereby we acquired from Mr. Roy all of the outstanding capital stock of GeoGlobal. In exchange for the outstanding capital stock of GeoGlobal held by Mr. Roy, we issued 34.0 million shares of our Common Stock. Of the 34.0 million shares, 14.5 million shares were issued and delivered to Mr. Roy at the closing of the transaction and an aggregate of 19.5 million shares are held in escrow by an escrow agent. The terms of the escrow provide for the release of the shares upon the occurrence of certain developments relating to the outcome of oil and natural gas exploration and development activities conducted on an exploration block off the east coast of India in which GeoGlobal holds a net 5% interest. In addition to our shares of Common Stock, we delivered to Mr. Roy a \$2.0 million promissory note, of which \$500,000 was paid on the closing of the transaction, \$500,000 was paid on October 15, 2003, \$500,000 is to be paid on January 15, 2004 and \$500,000 is to be paid on June 30, 2004. The note does not accrue interest. The note is secured by the carried interest of GeoGlobal.

On the closing of the transaction, Mr. Roy and Mr. Kent were elected Directors and Mitchell G. Blumberg and Douglas F. Loblaw resigned as Directors. Messrs. John Campbell and Brent Peters continued in office as Directors. Mr. Roy was elected our President and Chief Executive Officer and Mr. Kent was elected Executive Vice President and Chief Financial Officer. As a consequence of the transaction, Mr. Roy holds an aggregate of 34.0 million shares of our outstanding Common Stock or approximately 69.3% of the shares outstanding, assuming all shares held in escrow are released to him. The terms of the transaction provide that Mr. Roy is to have the right to vote all 34.0 million shares following the closing, including the shares during the period they are held in escrow. The election of Messrs. Roy and Kent as Directors and officers were conditions to the closing of the transaction. Except for the

foregoing, there are no understandings or arrangements among Mr. Roy and Mr. Kent and their associates or our other current Directors with respect to the election of Directors or other matters in the future. As a consequence of his acquisition of shares of the Company, Mr. Roy may be deemed to be in control of our company.

#### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On March 27, 2003, GeoGlobal entered into a Participating Interest Agreement ( PIA ) with Roy Group (Mauritius) Inc. ( RGM ) a company organized under the laws of Mauritius and wholly owned by Mr. Roy whereby, subject to Government of India consent, GeoGlobal assigned to RGM, one-half of its original 10% interest in the venture and its rights under the Carried Interest Agreement with GSPC. Under the terms of the PIA, until the Government of India consent is obtained, GeoGlobal retains the exclusive right to deal with the other parties to the Production Sharing Contract ( PSC ) and the Carried Interest Agreement and is entitled to make all decisions regarding the interest assigned to RGM and RGM agreed to be bound by and responsible for the actions taken by, obligations undertaken and costs incurred by GeoGlobal in regard to the RGM interest and to be liable to GeoGlobal for its share of all costs, interests, liabilities and obligations arising out of or relating to the RGM interest. RGM agreed to indemnify GeoGlobal against any and all costs, expenses, losses, damages or liabilities incurred by reason of RGM's failure to pay the same. Subject to obtaining the government consent to the assignment, RGM is entitled to all income, receipts, credits, reimbursements, monies receivable, rebates and other benefits in respect of its 5% interest which relate to the PSC. GeoGlobal has a right of set-off against sums owing to RGM any sums owing to GeoGlobal by RGM. In the event that the Indian government consent is delayed or denied resulting in either RGM or GeoGlobal being denied an economic benefit it would have realized under the PIA, the parties agreed to amend the PIA or take other reasonable steps to assure that an equitable result is achieved consistent with the parties intentions contained in the PIA. In the event the consent is denied, neither party is entitled to assert any claim against the other except as is specifically set forth in the PIA.

RGM further agreed in the PIA that it would not dispose of any interest in the agreement, its 5% interest, or the shares of RGM without first giving notice to GeoGlobal of the transaction, its terms, including price, and the identity of the intended assignee and any other material information, and GeoGlobal has the first right to purchase the interest proposed to be sold on the terms contained in the notice to GeoGlobal.

On August 29, 2003, we entered into a Technical Services Agreement with Roy Group (Barbados) Inc. ( RGB ), a company organized under the laws of Barbados and wholly owned by Mr. Roy. Under the agreement, RGB agreed to perform such geologic and geophysical duties as are assigned to it by us. The term of the agreement extends through August 29, 2006 and continues for successive periods of one year thereafter unless otherwise agreed by the parties or either party has given notice that the agreement will terminate at the end of the term. RGB receives a fee of \$250,000 per year under the agreement and is reimbursed for authorized travel and other out-of-pocket expenses. The agreement prohibits RGB from disclosing any of our confidential information and from competing directly or indirectly with us for a period of three years from August 29, 2003 with respect to any acquisition, exploration, or development of any crude oil, natural gas or related hydrocarbon interests within the area of the country of India. The agreement may be terminated by either party on 30 days prior written notice, provided, however, the confidentiality and non-competition provisions will survive the termination.

## FUTURE OF THE COMPANY

Following the acquisition of GeoGlobal, we, through GeoGlobal or other entities to be organized by us, intend to seek opportunities to enter into joint venture and other similar arrangements whereby we, through one or more subsidiaries, can acquire leasehold or other oil and natural gas interests in geographic areas where potential oil and natural gas reserves are considered by Mr. Roy, and possibly other persons as may be employed by us, to have significant development potential. These interests may be acquired through entering into joint ventures of which we are a member or through other contractual arrangements with various foreign governments and governmental or other entities. GeoGlobal is a party to the PSC entered into on February 4, 2003 with the Government of India, Gujarat State Petroleum Corporation Limited ( GSPC ) and Jubilant Enpro Limited ( Enpro ) with respect to an approximately 1,850 square kilometre area (457,000 acres) off the east coast of India, designated as Block KG-OSN 2001/3 under National Exploration Licensing Policy III. GeoGlobal and Roy Group (Mauritius) Inc. each have a net 5% interest in the venture and GSPC and Enpro have 80% and 10% interests in the venture, respectively. It is considered to be a highly speculative exploration venture. Currently, this is GeoGlobal's only interest in oil and natural gas properties. The parties to the PSC conducted seismic studies on the exploration area during March through June 2003 and are now evaluating those studies. Under the terms of a Carried Interest Agreement, GeoGlobal is carried by GSPC for 100% of all its share of any costs during the exploration phase prior to the start date of initial commercial production. However all of GeoGlobal's share of any capital costs for the development phase will be paid back to GSPC without interest over the projected production life or ten years whichever is less. GeoGlobal is not entitled to any share of production until GSPC has recovered GeoGlobal's share of the costs and expenses that were paid by GSPC.

## **2. AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO CHANGE OUR NAME TO GEOGLOBAL RESOURCES INC.**

You are being asked to vote upon a proposed amendment to our Certificate of Incorporation for the purpose of changing the name of our corporation to GeoGlobal Resources Inc. If the proposal is approved, it will become effective upon the filing of a certificate of amendment with the State of Delaware.

Our management is seeking stockholder approval to change our corporate name so as to have a name more easily associated with our intended business activities. Subsequent to Mr. Roy's acquisition of a controlling stockholder interest, our principal activities are intended to be focused on the exploration, development, and exploitation of oil and gas properties. Our management believes that our operations and identity will be enhanced by this change in our corporate name. Except for the change in our corporate name, the adoption of the proposal will not effect any other change in our Certificate of Incorporation.

Adoption of the Proposal requires the affirmative vote of the holders of a majority of our outstanding shares of Common Stock. Mr. Roy has advised us that he intends to vote in favor of the proposal.

***OUR BOARD RECOMMENDS THAT OUR STOCKHOLDERS VOTE IN FAVOR OF PROPOSAL 2***

RELATIONSHIP WITH PUBLIC ACCOUNTANTS

On October 6, 2003, we retained Grant Thornton LLP ("GT") as our principal accountants. A representative of GT or of N.I. Cameron is not expected to be present at the Meeting. However, if such a representative is present, he or she will be offered the opportunity to make a statement if such representative desires to do so and will be available to respond to appropriate questions.

N.I. Cameron Inc., Chartered Accountants ("Cameron") reported on our financial statements for the year ended December 31, 2002. On October 6, 2003, we replaced Cameron as our principal accountant. During the two fiscal years ended December 31, 2002, we have not filed any Current Report on Form 8-K reporting any change in accountants in which there was a reported disagreement on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

---

Our board of directors approved the change of accountants from Cameron to GT. GT has been retained to audit our consolidated financial statements for the fiscal year ended December 31, 2003.

The audit reports of Cameron on our financial statements for the two fiscal years ended December 31, 2002 and December 31, 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except the reports were modified to include an explanatory paragraph for a going concern uncertainty because of our accumulated losses, because it has had no material revenue producing operations and because of its need to raise additional capital or merge with a revenue producing venture partner which raise substantial doubt as to our ability to continue as a going concern.

In connection with the audits of the fiscal years ended December 31, 2002 and December 31, 2001 including the subsequent fiscal year and interim periods through October 6, 2003, the date of replacement, we had no disagreements with Cameron with respect to accounting or auditing issues of the type discussed in Item 304(a)(iv) of Regulation S-B under the US Securities Exchange Act of 1934, as amended, which, if not resolved to its satisfaction, would have caused Cameron to make reference in connection with its opinion to the subject matter of the disagreement in connection with its report. In addition, during that time we did not receive from Cameron any advice of the type described in Item 304(a)(1)(iv)(B) of Regulation S-B.

Edgar Filing: SUITE 101 COM INC - Form DEF 14A

During the fiscal years ended December 31, 2002 and December 31, 2001, including the subsequent fiscal year and interim periods through October 6, 2003, the date of Cameron's replacement, and prior to the appointment of GT, we (nor anyone on our behalf) did not consult with GT regarding any of the accounting or auditing issues stated in Item 304(a)(2) of Regulation S-B.

## COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

### *Board of Directors*

Our Board of Directors held ten meetings during the year ended December 31, 2002. Except for Mr. Peters who was unable to attend one meeting, each of our Directors participated in all of the meetings of the Board and of each committee of the board of which he or she is a member.

### *Audit Committee*

Our Audit Committee, among other things, meets with our independent accountants to review our accounting policies, internal controls and other accounting and auditing matters; makes recommendations to the Board of Directors as to the engagement of independent accountants; and reviews the letter of engagement and statement of fees relating to the scope of the annual audit and special audit work which may be recommended or required by the independent accountants.

Our Audit Committee Charter was included as Appendix A to our Proxy Statement dated May 2, 2001. The Charter describes the nature and scope of the duties and responsibilities of the Audit Committee.

As of the date of this proxy statement, the members of our Audit Committee are Messrs. Jean Paul Roy, Brent Peters and John Campbell. Our Board of Directors appointed these members to the Audit Committee on August 29, 2003. Our Board of Directors has reviewed Section 121 of the American Stock Exchange Company Guide and has determined that, except for Mr. Roy, our Audit Committee members are independent as defined under that Section.

Between February 2002 and August 2003, we did not have an Audit Committee and our Audit Committee held no meetings in 2002.

Our Board of Directors in March 2003 discussed with management our audited financial statements and with Cameron the matters required to be discussed by Statement of Auditing Standards No. 61 and received the written disclosures and the letter from Cameron as required by Independence Standards Board Standard No. 1. We also discussed with Cameron, its independence as auditor. Based on that review and those discussions, our Board in March 2003 recommended that our audited financial statements be included in our Annual Report on Form 10-KSB for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

Messrs. Brent J. Peters and John K. Campbell, Directors of our company in March 2003, remain Directors of our company in October 2003. Messrs. Blumberg and Loblaw, Directors of our company in March 2003, are no longer Directors of our company and our remaining Directors, Messrs. Roy and Kent, were elected as Directors in August 2003.

Brent J. Peters

John K. Campbell

Jean Paul Roy

*Other Committees*

Our Board of Directors has not appointed either a compensation committee or a nominating committee.
