Item 1. Security and Issuer.

The class of equity securities to which this Statement on Schedule 13D (the "Statement"), relates is the common stock, par value \$0.001 per share (the "Common Stock"), of Soligenix, Inc., a Delaware corporation (the "Company"), whose principal executive offices are located at 29 Emmons Drive, Suite C-10, Princeton, New Jersey 08540.

Item 2. Identity and Background.

This Statement is being filed on behalf of Mr. Randal J. Kirk ("Mr. Kirk") and Intrexon Corporation, a Virginia corporation that is controlled by Mr. Kirk ("Intrexon" and, together with Mr. Kirk, the "Reporting Persons").

(a)-(c) The address of the principal business office of Mr. Kirk is 2875 South Ocean Boulevard, Suite 214, Palm Beach, Florida 33480. The address of the principal business office of Intrexon is 20358 Seneca Meadows Parkway, Germantown, Maryland 20876. The present principal occupation/employment of Mr. Kirk is Senior Managing Director of Third Security, an investment management firm founded by Mr. Kirk. Mr. Kirk also serves as the Chairman and CEO of Intrexon. The principal business of Intrexon is employing its suite of synthetic biology technologies to design, build and regulate gene programs and cellular systems to enable the development of new and improved products and manufacturing processes across a variety of end markets, including healthcare, food, energy and environmental sciences.

(d)-(e) During the last five years, none of the Reporting Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding is or was subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Mr. Kirk is a citizen of the United States. Intrexon is a corporation organized under the laws of the Commonwealth of Virginia.

Item 3. Source and Amount of Funds or Other Consideration.

On April 27, 2013, Soligenix, Inc. (the "Company") entered into an Exclusive Channel Collaboration Agreement (the "Channel Agreement") with Intrexon, pursuant to which the Company will use Intrexon's advanced human antibody discovery, isolation and production technologies for the development and commercialization of human monoclonal antibody therapies for a new biodefense and infectious disease application.

Subject to certain expense allocations and other offsets provided in the Channel Agreement, the Company will pay Intrexon royalties on quarterly net sales of the products developed under the Channel Agreement. The Company has agreed to pay Intrexon a percentage of upfront or milestone payments received by the Company in consideration for an allowance of a sublicensing arrangement. Upon the attainment of certain regulatory and commercialization milestones, the Company has agreed to make payments to Intrexon that could reach up to \$7 million and may be paid in cash or common stock, par value \$0.001 per share ("Common Stock"), of the Company. In addition, in partial consideration for each party's execution and delivery of the Channel Agreement, the Company entered into the Stock Issuance Agreement (as defined below).

CUSIP No. 258094101

Page 5 of 10

The Company may terminate the Channel Agreement upon 90 days written notice to Intrexon. Additionally, either party may terminate the Channel Agreement if the other party fails to cure their breach of the agreement within the applicable cure period.

On April 27, 2013, the Company entered into a Stock Issuance Agreement (the "Stock Issuance Agreement") with Intrexon, pursuant to which the Company has issued to Intrexon 1,034,483 shares of Common Stock in consideration for the execution and delivery of the Channel Agreement. The shares issued to Intrexon represent approximately 8.5% of the issued and outstanding shares of Common Stock, after considering the issuance of such shares, as of the date of this report.

As long as Intrexon owns more than 5% of the aggregate number of issued and outstanding shares of Common Stock, Intrexon is entitled, at its election, to participate in future securities offerings of the Company that constitute "Qualified Financings" (as defined below) and purchase a portion of the securities issued and sold by the Company in a Qualified Financing equal to the percentage of the Company's outstanding securities held by Intrexon as of the date of such Qualified Financing. For this purpose, a "Qualified Financing" means a sale of common stock or equity securities convertible into common stock in a public or private offering, raising gross proceeds of at least \$1,000,000, where the sale of shares is either registered under the Securities Act of 1933, as amended (the "Securities Act"), at the time of issuance or the Company agrees to register the resale of such shares.

If at any time the Company proposes to file a registration statement under the Securities Act with respect to an underwritten offering for its own account of any class of securities of the Company (a "Registration Statement"), with certain exceptions, then the Company will be required to offer Intrexon the opportunity to register shares held by Intrexon pursuant to such Registration Statement. The registration rights will be subject ratably to potential underwriter's limitations. The Company will be required to take all reasonable steps to include the shares which Intrexon has requested be registered in the Registration Statement.

The foregoing references to and description of the Channel Agreement and the Stock Issuance Agreement do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the Channel Agreement and the Issuance Agreement, which are included as Exhibits 1 and 2 hereto, respectively, and are incorporated by reference to this Item 3.

Item 4. Purpose of Transaction.

The information set forth in Items 3 and 6 is incorporated herein by reference.

The Reporting Persons acquired the shares disclosed hereunder for investment purposes. The Reporting Persons may, from time to time, depending upon market conditions and other factors deemed relevant by the Reporting Persons, acquire shares of Common Stock or other capital stock of the Company outside of those contemplated by the Purchase Agreement. The Reporting Persons reserve the right to, and may in the future choose to, change their purpose with respect to the investment and take such actions as they deem appropriate in light of the circumstances including, without limitation, to dispose of, in the open market, in a privately negotiated transaction, by transfer, by exchange or by gift, all or a portion of the shares of Common Stock or other securities of the Company that they now own or may hereafter acquire. Any decision of the Reporting Persons to increase their holdings in Common Stock or securities convertible into Common Stock, will depend, however, on numerous factors including, without limitation, the price of shares of Common Stock, the terms and conditions related to their purchase and sale, the prospects and profitability of the Company, other business and investment alternatives of the Reporting Persons, tax considerations and general economic and market conditions. At any time, the Reporting Persons, or any of them, may determine to dispose of

some or all of their holdings of Common Stock depending on those and other considerations.
