CONSENT STATEMENT OF LEDER HOLDINGS, LLC

February 24, 2016

To the Fellow Shareholders of PICO Holdings, Inc.:

This Consent Statement, the enclosed Special Meeting Request Form attached as Exhibit A-1, the accompanying WHITE Request Card attached as Exhibit A-2 and the Additional Information Form attached as Exhibit A-3 are being furnished to you as a shareholder of PICO Holdings, Inc., a California corporation (which we refer to as the “Company” or “PICO”), by Leder Holdings, LLC, a Delaware limited liability company. The purpose of our sending you these materials is to solicit your revocable proxy in the form of the accompanying WHITE Request Card to authorize us to deliver to the Company the Special Meeting Request Form on your behalf in order to call a Special Meeting of the Company’s shareholders in order to remove and replace the current directors of the Company. We are mailing a printed copy of this Consent Statement, the enclosed Special Meeting Request Form attached as Exhibit A-1, the accompanying WHITE Request Card attached as Exhibit A-2 and the Additional Information Form attached as Exhibit A-3 beginning on or about February 25, 2016.

Under the California Corporations Code and the Company’s Amended and Restated Bylaws, holders of shares of the Company’s common stock entitled to cast not less than 10% of the votes at a special meeting are entitled to call a special meeting, subject to certain requirements set forth in Article II of the Bylaws.

We are seeking your support to call the Special Meeting to consider and vote upon the following proposals:

Proposal 1: to amend the Bylaws to allow for the election of directors at a special meeting of shareholders without the prior authorization of the Board of Directors

Proposal 2: if Proposal 1 prevails, to remove four of the Company’s seven current directors and

Proposal 3: if Proposals 1 and 2 prevail, to elect directors to fill the vacancies on the Board created by the removal of directors under Proposal 2.

If we succeed in calling the Special Meeting, we expect to solicit proxies to vote in support of each the Proposals at the Special Meeting, and the proxy materials that we distribute will identify the candidates that we propose to fill the vacancies created by the removal of directors, if Proposal 2 is approved. We expect that one of those candidates will be Sean M. Leder, the principal of Leder Holdings.

As discussed in more detail in this Consent Statement, and as we expect to discuss with greater particularity in the proxy materials in connection with the Special Meeting, we believe that the directors we propose to remove and replace, whom we refer to as the “Legacy Directors,” presided over enormous destruction in shareholder value. We believe that these directors must be replaced if shareholders are to realize value on their investment in the Company. Because the PICO Board is staggered, shareholders will have the ability to elect at most three directors at the 2016 annual meeting, which would be insufficient to effect a change in the control of the Board. The Special Meeting would give shareholders the opportunity to remove and replace the Legacy Directors, and thereby, in our view, to improve the prospects for change and for the creation of shareholder value. While we are not seeking to replace and remove the other three directors, we note that these directors were selected and appointed to the Board by the Legacy Directors, whom we believe have otherwise not acted in the best interests of shareholders, and that given their short tenure, these directors are as yet unproven.

In accordance with the Company’s Bylaws, if a special meeting is duly requested by shareholders, the Company is required to cause notice to be given that a meeting will be held at the time requested by the shareholders, not less than

35 nor more than 60 days after the receipt of the shareholders request. It is our intention to submit the request for the Special Meeting promptly after receiving WHITE Request Cards authorizing us to request the Special Meeting from shareholders holding the required percentage of shares. By executing a WHITE Request Card authorizing us to request the Special Meeting, shareholders will also be authorizing us to select the date for the Special Meeting, within the time period set forth in the Bylaws.

Executing and returning the WHITE Request Card will authorize Leder Holdings Opportunity Fund LLC, an affiliate of Leder Holdings, to execute the Special Meeting Request Form to request the Special Meeting on your behalf, it will also authorize Leder Holdings Opportunity Fund to withdraw the request for the Special Meeting. Under California law, the proxy you provide by executing a WHITE Request Card is valid for 11 months from the date it is signed unless you revoke it sooner than that. However, we do not intend to use your WHITE Request Card to call the Special Meeting unless we have received WHITE Request Cards from a sufficient number of shareholders prior to March 25, 2016.

By completing and returning the WHITE Request Card, you will be agreeing to inform us if you dispose of any of the shares of common stock with respect to which you are furnishing the WHITE Request Card prior to March 25, 2016, which is the outside date by which we intend to submit the Special Meeting Request Form to the Company, assuming that we have received the WHITE Request Card from holders of a sufficient number of shares to satisfy the requirements of the Company's Bylaws in order to call the meeting. By completing and returning the WHITE Request Card you will not be entering into any agreement with us to hold or dispose of your shares, which you are free to do in your sole discretion. However, if you do dispose of your shares prior to March 25, 2016, you will be deemed to have revoked your WHITE Request Card to the extent of the shares that you dispose of. If you do not inform us that you have disposed of any shares with respect to which you have furnished the WHITE Request Card, we will assume that you continue to own those shares at least through March 25, 2016.

In addition to completing and returning to us the WHITE Request Card authorizing us to submit the Special Meeting Request Form on your behalf, we are also asking you to complete and return to us the Additional Information Form. This form asks for certain additional information that the Company could maintain is necessary in order to validly submit a request for the Special Meeting. Although we do not believe this information is necessary, we intend to submit it to the Company in order to avoid any possible challenge to our request for the Special Meeting. Even if you hold your shares in street name — that is through a bank, broker or other nominee — you must submit the Additional Information Form directly to our Information Agent, identified below.

At this time, we are soliciting your revocable proxy in the form of the accompanying WHITE Request Card to empower us to deliver the valid, executed and completed Special Meeting Request Form on your behalf to a designated officer of the Company to call the Special Meeting. We are not currently seeking your proxy, consent, authorization or agent designation for approval of any proposals or any other actions that would be considered at the Special Meeting. In the event the Special Meeting is called, we will send you proxy materials relating to a vote on the applicable Proposals.

This solicitation is being made by Leder Holdings, and not on behalf of the Company or the Board of Directors of the Company. You may receive a revocation Consent Statement from the Company together with an accompanying revocation card. We urge you not to return any revocation card you may receive from the Company, since only the last dated card that you execute will count.

We thank you in advance for your support in calling the Special Meeting, which we believe is an important first step to restoring shareholder value.

Sincerely,

/s/ Sean M. Leder

WHY WE ARE SEEKING TO CALL THE SPECIAL MEETING

Over the past 10 years, the Company's share price is down nearly 75% from its closing price of \$32.94 on February 23, 2006 to \$8.10 on February 23, 2016 and down by 83% from its high of \$48.29 on May 11, 2007. While PICO's share price has precipitously declined, even after accounting for the recent volatility in the equity markets, the broader market indices have increased over this same 10-year period, with the S&P Total Return Index growing by 84% and the Russell 2000 Index growing by 58% during this period.

We believe it is not difficult to see why the financial markets have dramatically soured on the Company. During the past 10 years, the Company has posted cumulative net losses of \$212 million, and its book value per share has gone from \$22.67 to \$15.08, a decline of 33.5% (through September 30, 2015). As an example of the value destroying choices made by management of the Company, PICO invested \$108 million in the Northstar Canola business. It sold that business on July 31, 2015 and netted approximately \$18.4 million, a loss of 83%. See the following table.

* Compensation data for 2015 not yet available.

The directors on the incumbent Board, with an average tenure of over twelve years, whom we are seeking to remove and replace, and whom we refer to as the "Legacy Directors," bear responsibility for the destruction of shareholder value and the substantial compensation paid to the Company's chief executive officer despite the Company's escalating cumulative losses.

We believe the only way to restore shareholder value is to substantially change the existing composition of the Company's Board. The Board is staggered, however, so that at the 2016 annual meeting, shareholders will be given the opportunity to vote upon the election of at most three directors. This would leave a majority of the Board intact, including Mr. Hart and one other Legacy Director, even if shareholders were successful in replacing all three directors. If the Special Meeting is called as we propose, shareholders will be given the opportunity to remove and replace four directors, which would constitute a change in a majority of the Board, including all of the Legacy Directors. While we are not seeking to replace and remove the other three directors, we note that these directors were selected and appointed to the Board by the Legacy Directors whom we believe have otherwise not acted in the best interests of shareholders, and that given their short tenure, these directors are as yet unproven.

We therefore believe that the first step in turning around the fortunes of the Company and restoring market confidence and shareholder value is to call the Special Meeting at which shareholders can vote to remove and replace the Legacy Directors.

The Special Meeting Request Form calls upon the Company to call the Special Meeting in accordance with the California Corporations Code and the Company's Bylaws, at which three proposals would be considered:

Proposal 1 is to amend the Company's Bylaws to permit shareholders to elect directors at a special meeting without the prior authorization of the Board. The Company's current Bylaws prohibit shareholders from doing so. While not conceding that the Bylaws are effective for this purpose, we are seeking to remove all doubt by amending the Bylaws.

Proposal 2 is to remove four of the incumbent members of the Board, including Carlos C. Campbell, John R. Hart, Michael J. Machado and Kenneth J. Slepicka. We would be seeking to remove only the four directors who are the Legacy Directors. We are not seeking to remove Howard Brownstein, Raymond V. Marino or Eric Speron, who were appointed to the Board in 2016. Removal of four of seven directors will give shareholders the opportunity to elect a majority of the Board and will also make it more difficult to block the removal. This is because, under the California Corporations Code, a director on a staggered board cannot be removed if the vote against removal were sufficient to elect the director were the shares voted on a cumulative basis. If we were to seek the removal of all seven current directors, a smaller percentage of the outstanding shares could vote to block removal than if we seek to remove only four directors.

Proposal 3 is to elect four directors to the Board to replace the directors removed at the Special Meeting, assuming Proposal 2 is carried. The candidates whom we propose to nominate for election will be disclosed in the proxy materials that we will circulate for the Special Meeting. We anticipate, however, that one of the candidates will be Sean M. Leder, who is the principal of Leder Holdings.

If you complete and return the WHITE Request Card authorizing Leder Holdings Opportunity Fund LLC, an affiliate of Leder Holdings, to deliver the Special Meeting Request Card, you will also be authorizing Leder Holdings Opportunity Fund to withdraw the request for the Special Meeting after it has been submitted. We are asking for this authority because we can envision circumstances in which it would not be in the best interests of shareholders to proceed with the Special Meeting. Specifically, we may decide to withdraw the request for the Special Meeting if the Board takes meaningful steps to respond to shareholder concerns, including the appointment of nominees to the Board of directors acceptable to Leder Holdings.

BACKGROUND TO THE SOLICITATION

The following is a description of the events and circumstances, including contacts that we have had with representatives of the Company, that have preceded our decision to request that shareholders join us in requesting the Special Meeting.

Leder Holdings and affiliates currently own approximately 322,899 shares of the Company's common stock, or approximately 1.4% of the outstanding shares, based on 23,037,587 shares outstanding as of February 12, 2016, as reported in the Company's Preliminary Revocation Solicitation Statement filed February 16, 2016. We intend to continue building our position if we find attractive opportunities to do so. It is our belief that our interests are aligned directly with those of all other shareholders. Affiliates of Leder Holdings have substantial experience in real estate investment and management, and investing in undervalued situations, like the Company, that would benefit from greater management accountability or change. Over the past twenty years, through various controlled entities, Sean Leder has been involved in transactions involving over 2 million square feet of commercial real estate in Florida, and has also engaged in investing privately in undervalued publicly traded companies with a real estate focus.

On May 13, 2015, Mr. Leder met Stephen Hartman, Executive Vice President of the Company's subsidiary Vidler Water Company in Vidler's corporate office located in Carson City, NV to discuss the Company's water rights development business, including business prospects in the locations where Vidler is developing its water assets.

On May 14, 2015, Mr. Leder met with Max Webb, the Company's Chief Financial Officer, at the Company's corporate headquarters located in La Jolla, CA to discuss the Company's investments. The discussion focused on the history and rationales for the Company's investments, and the reasons why they had performed poorly.

The Company's proxy statement for its 2015 annual meeting included a Board proposal to reincorporate the Company from California to Delaware. We believed that a reincorporation in the manner proposed by management would have deprived shareholders of significant corporate governance rights.

On June 25, 2015, we issued a letter to shareholders strongly urging them to oppose the proposal for reincorporation. We also urged shareholders to vote in favor of a proposal presented at the Company's 2015 annual meeting recommending that the Board take action to destagger the Board, so that all directors would be elected annually. Under California law, both the Board and the holders of a majority of the shares of the Company's common stock would need to approve an amendment to the Company's Articles of Incorporation to destagger the Board. In our letter we presented arguments, similar to the points regarding the precipitous decline in shareholder value above, of why we believed that it was particularly egregious for the Board to be asking shareholders to cut back on their rights, and why the Board needed to be held to a higher standard of accountability with annual elections for the full Board.

On July 8, 2015, the Company withdrew from consideration at the 2015 annual meeting the proposal to reincorporate in Delaware.

The proposal to recommend elimination of the staggered board carried by a vote of 80% in favor to 7% against.

On July 21, 2015, we issued a second letter to shareholders reviewing the significance of the vote outcomes at the July 9, 2015 annual meeting. We also set forth concrete actions management and the Board should take to build value for shareholders. The actions that we proposed included ceasing to make positive pronouncements regarding poorly performing investments, as was the case with respect to the Company's investment in Northstar Agri Industries; selling UCP, Inc., the Company's homebuilding and land developing majority owned subsidiary; developing a clear, realistic program and timetable for extracting value from the Company's water business; engaging in a share repurchase program; and implementing the shareholder proposal, approved by a substantial margin at the 2015 annual shareholders meeting, to de-stagger the Company's Board.

On August 17, 2015, Mr. Leder exchanged emails with Mr. Webb regarding certain items in the Company's June 30, 2015 Quarterly Report on Form 10-Q. The topics addressed in these emails included allocation of cash between UCP, Vidler and the Company's deferred compensation plan; allocation of debt and equity investments between the Company's parent level entity and the deferred compensation plan; tying various numbers in the Company's segment reporting; and the carrying value for the Company's investment in Mendell Energy, LLC.

On October 6, 2015, Mr. Leder visited the Vidler offices, in Carson City, NV, and met with Dorothy Timian-Palmer, President and Chief Operating Officer of Vidler Water Company, to discuss the Company's public filings regarding the Vidler water assets and water markets in which Vidler is invested. The conversation specifically addressed the supply of water to the rebounding North Valley region of Reno, Nevada, where the Company has constructed infrastructure for water supply.

On November 17, 2015, Mr. Leder attended the Company's Investor Day held in Reno, NV, at which Mr. Leder asked certain questions of John Hart, the Company's Chief Executive Officer. Mr. Leder queried Mr. Hart concerning declassification of the Company's Board in response to the advisory vote of shareholders to this effect at the 2015 annual meeting; the nature of the "Parallax Trading Model" referred to in Section 8 of Mr. Hart's employment agreement, on which Mr. Hart was said to be a co-licensee, and whether the Company was paying licensing fees in this regard to an entity affiliated with Mr. Hart; the timing for hiring an investment banker to sell UCP; a Company employee who Mr. Leder understood was managing the investment of the Company's deferred compensation plan of which over 77%, as of December 31, 2014, is for the benefit of Mr. Hart (and whose employment was terminated subsequent to the Investor Day); the legal costs incurred by the Company in connection with the proposal to reincorporate from California to Delaware, which was proposed by the Company and then withdrawn from consideration in connection with the 2015 annual meeting; and any agreements with outside consultants engaged by the Company in connection with its investment activities.

Mr. Leder's communications with Company personnel (other than as regards purely factual matters or clarification of the Company's financial reporting), and in particular the interaction with Mr. Hart at the Investor Day, did not instill confidence that the management of the Company was responsive to the concerns of Leder Holdings regarding the Company's performance, which we believe are shared by other shareholders. We do not believe that waiting to take action until the 2016 annual meeting is advisable. Only a minority of directors, including only two Legacy Directors, will be elected at the 2016 Annual Meeting, the date of which has not been set to our knowledge. Also, we do not believe it is in the interest of the shareholders to delay a change in management. We therefore determined to solicit consents to call the Special Meeting. On January 27, 2016, we filed our preliminary consent solicitation materials with the Securities and Exchange Commission for this solicitation of consents to call the Special Meeting.

We filed revised preliminary consent solicitation materials with the SEC on February 8 and February 18, 2016.

On December 17, 2015, the Board appointed Eric Speron to serve as a director of the Company with a term expiring 2018, to replace Julie H. Sullivan who had served on the Board since 2009. The appointment was effective as of January 16, 2016.

On February 2, 2016, the Company filed a preliminary revocation solicitation statement with the SEC.

On February 3, 2016, Robert G. Deuster and Kristina M. Leslie each independently notified the Company of their resignations as members of the Board. Ms. Leslie had served as the non-executive chairman of the Board.

On February 8, 2016, the Board appointed Howard B. Brownstein and Raymond V. Marino to serve as directors of the Company. Mr. Brownstein was appointed to fill the vacancy created by the resignation of Ms. Leslie, with a term expiring in 2016. Mr. Marino was elected to fill the vacancy created by the resignation of Mr. Deuster, with a term expiring in 2018.

On February 16, 2016, the Company filed a revised preliminary revocation solicitation statement with the SEC. For the first time, in these materials, the Company disclosed that it intends to bring before the 2016 annual meeting of shareholders a binding proposal to amend PICO's Articles of Incorporation to eliminate the classified structure of the Board. The materials do not disclose the process by which the Board would be declassified if this proposal were approved, and specifically how many directors would be elected at the 2016, 2017 and 2018 annual meetings.

THE PROPOSALS TO BE INTRODUCED AT THE
SPECIAL MEETING

We are soliciting your support and consent to request a Special Meeting, the purpose of which would be to give shareholders the opportunity to vote on the removal and replacement of a majority of the current members of the Company's Board. The three Proposals that we believe are required to accomplish this result, and for which we are calling upon the Company to convene the Special Meeting, are described below.

Proposal 1

Section 2.13 of Article II of the Company's current Bylaws provide that directors may be elected at the Company's annual meeting of shareholders or, upon determination of the Board or a duly authorized committee thereof, at a special meeting of shareholders. Under Section 9.1 of the Bylaws and Section 211 of the California Corporations Code, shareholders have the authority to amend the Bylaws without action by the Board. Proposal 1 would amend the Bylaws to make it clear that directors may also be elected at a special meeting called by shareholders. The following is the text of Proposal 1:

RESOLVED that Section 2.13(b) of Article II of the Bylaws be amended and restated as follows:

(b) Special Meetings of Shareholders. Only such business shall be conducted at a special meeting of shareholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of shareholders at which Directors are to be elected pursuant to the Corporation's notice of meeting (1) by or at the direction of the Board of Directors or any duly authorized committee thereof or (2) provided that a request for a special meeting has been delivered by one or more shareholders in accordance with Section 2.3 of these bylaws, by any shareholder of the Corporation who is a shareholder of record at the time the notice provided for in this Section 2.13 is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and upon such election, and who complies with the notice procedures set forth in this Section 2.13. In the event the Corporation calls a special meeting of shareholders for the purpose of electing one or more Directors to the Board of Directors, or a special meeting is called by a shareholder or shareholders pursuant to Section 2.3 of these bylaws, any such shareholder entitled to vote in such election of Directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the shareholder's notice in the same form as required by paragraph (a)(ii) of this Section 2.13 shall be delivered to the Secretary at the principal executive office of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

A vote of the holders of a majority of the Company's outstanding shares would be required to approve Proposal 1.

Proposal 2 (to be presented to the Special Meeting only if Proposal 1 is approved)

Under Proposal 2, which will be presented to the Special Meeting only if Proposal 1 to amend the Bylaws as described above is approved, the shareholders would be asked to vote at the Special Meeting to remove the following four directors from the Board: John R. Hart (in office 19 years), Carlos C. Campbell (in office 18 years), Kenneth J. Slepicka (in office 11 years) and Michael J. Machado (in office 3 years). We have selected Mr. Hart for removal because, as Chief Executive Officer and the longest serving director, we believe he was primarily responsible for the Company's exceptionally poor performance referred to above. The other three directors selected for removal are also

Legacy Directors whom we believe bear responsibility for the Company's failure to perform. Should any of these directors retire or be removed from office prior to the Special Meeting, Proposal 2 would provide for the removal of persons appointed to the Board as their replacements. The following is the text of Proposal 2:

RESOLVED that John R. Hart, Carlos C. Campbell, Kenneth J. Slepicka and Michael J. Machado, and the successors of any of them appointed or elected to the Board of Directors of the Company since February 24, 2016, are hereby removed from their positions as directors of the Company.

Removal of the directors requires the vote of the holders of a majority of the outstanding shares of common stock. Moreover, under Section 303(a)(3) of the California Corporations Code, if a board is staggered, as is the Company's Board, a director cannot be removed if the vote against removal would be sufficient to elect the director if the shares were voted using cumulative voting.

Proposal 3 (to be presented to the Special Meeting only if Proposals 1 and 2 are approved)

If Proposals 1 and 2 prevail, the shareholders will be requested to vote on a proposal to elect four directors to the Board, specifically in order to fill the vacancies created by a successful vote on Proposal 2.

To fill the vacancies created by a successful vote on Proposal 2, we expect to nominate for election four candidates to serve until their successors shall have been duly elected and qualified. We will identify the names and qualifications of our candidates in the proxy materials that we will distribute in advance of the Special Meeting. We anticipate, however, that Sean M. Leder, the principal of Leder Holdings, will be among our nominees.

In the event that the Board reduces the number of directors at or prior to the Special Meeting so that less than four vacancies exist on the Board following approval of Proposal 2, we will determine at the time which of our candidates to withdraw from nomination. In any event, however, we intend to nominate a number of directors so as to constitute a majority of the Board, one of whom we expect to be Mr. Leder.

If the Board were to appoint additional directors prior to the Special Meeting, such that four directors would constitute less than a majority of the Board, we intend to evaluate legal remedies that may be available to us to invalidate such appointment.

Election of directors at the Special Meeting, assuming approval by shareholders of Proposals 1 and 2, will be by plurality vote. This means that if more than one candidate is nominated to fill a vacancy, the candidate receiving the greatest number of votes will be selected.

LEDER HOLDINGS STRONGLY RECOMMENDS THAT YOU MARK THE ENCLOSED WHITE REQUEST CARD FOR THE REQUEST FOR A SPECIAL MEETING OF SHAREHOLDERS.

THE SPECIAL MEETING

For the Special Meeting to be properly requested in accordance with the Company's Bylaws, a written request in favor of calling the Special Meeting must be executed and delivered to the Company by shareholders representing at least 10% of the outstanding shares of the Company's common stock entitled to vote at the Special Meeting.

Leder Holdings together with its affiliates is the record holder of 1,000 shares of common stock and the beneficial owner of 321,899 shares of common stock, constituting approximately 1.4% of the common stock outstanding. This percentage is based on 23,037,587 shares of the common stock reported outstanding on February 12, 2016 according to the Company's Preliminary Revocation Statement filed February 16, 2016. Accordingly, based on this number of shares outstanding, WHITE Request Cards representing an aggregate of at least 2,303,759 shares of common stock will be required to demand the call of the Special Meeting, or at least 1,980,860 shares of common stock in addition to the 322,899 shares beneficially owned by Leder Holdings and its affiliates.

According to Section 2.3 of the Company's Bylaws, after a request for a meeting has been delivered to the chairman, the president, any vice president, or the secretary of the Company by holders of the required percentage of the outstanding shares, the officer receiving the request is required to cause notice to be given to the shareholders that a meeting will be held at the time requested by the shareholders calling the meeting, which must be at a time no less than 35 nor more than 60 days after the receipt of such request. If the notice is not given within 20 days after receipt of the request, the person or persons entitled to call the meeting may give the notice.

It is our intention to submit the request for the Special Meeting promptly after receiving WHITE Request Cards from shareholders holding the requisite percentage of shares of common stock authorizing us to submit the request. Under California law, the proxy you grant us by delivering a WHITE Request Card is valid for 11 months from the date it is signed (unless you revoke it before then), but we do not intend to request the Special Meeting unless we receive WHITE Request Cards from a sufficient number of shareholders prior to March 25, 2016. It is our further intention to request that the Special Meeting be held approximately 50 days after submission of the request, which we believe will provide adequate time to prepare, file and disseminate proxy materials for the Special Meeting, in compliance with the rules of the SEC. By executing a WHITE Request Card authorizing us to request the Special Meeting, shareholders will also be authorizing us to select the date for the Special Meeting, within the time period set forth in the Bylaws.

While we are currently only soliciting WHITE Request Cards in support of the calling of the Special Meeting, if the Special Meeting is called, our current intention is to solicit votes in favor of the Proposals described above under "The Proposals to be Introduced at the Special Meeting." We also expect to request, in our proxy solicitation relating to the Special Meeting, authority (i) to initiate and vote for proposals to recess or adjourn the Special Meeting for any reason, (ii) to oppose and vote against any other proposal to recess or adjourn the Special Meetings, and (iii) to vote in our discretion on any other matters that may be brought before the Special Meeting, if there is inadequate time to obtain instruction from the persons furnishing their proxies to us for the Special Meeting.

We do not currently anticipate additional proposals on any substantive matters. Nevertheless, we reserve the right to either modify the Proposals or cause additional proposals to be identified in the notice of, and in, the proxy materials for the Special Meeting. We are not currently aware of any other proposals that might be brought before the Special Meeting.

Except as otherwise noted in this Consent Statement, the information in this Consent Statement concerning the Company has been taken from or is based upon documents and records on file with the SEC and other publicly available information. We do not take responsibility, except to the extent imposed by law, for the accuracy or completeness of statements in public documents and records that were not prepared by or on behalf of the Participants, or for any failure of the Company to disclose in its public documents and records any events that may affect the significance or accuracy of the information contained herein. CONSENT PROCEDURES

Leder Holdings is soliciting from the Company's shareholders to request that the Company call the Special Meeting in accordance with the Company's Bylaws and as described in this Consent Statement. By executing a WHITE Request Card and authorizing Leder Holdings Opportunity Fund to request that the Company call the Special Meeting, shareholders will be authorizing us (i) to submit the Special Meeting Request Form on their behalf, (ii) to withdraw the request for the Special Meeting after it has been submitted to the Company, and (iii) to determine the date of the Special Meeting to be specified in the Special Meeting Request Form, in accordance with the Bylaws.

A failure to return a WHITE Request Card authorizing us to call the Special Meeting will have the same effect as opposing the call of a Special Meeting.

If your shares of Company common stock are registered in your own name, please sign, date and mail the enclosed WHITE Request Card to Okapi Partners in the postage-paid envelope provided.

If any of your shares of common stock are held in the name of a brokerage firm, bank, bank nominee or other institution, only the brokerage firm, bank, bank nominee or other institution can execute a WHITE Request Card for your shares and will do so only upon receipt of specific instructions from you. Accordingly, please contact the person responsible for your account and give instructions for a written request to be signed representing your shares of common stock or follow the instructions on the voting instruction form that may have been sent to you by your brokerage firm, bank, nominee or other institution together with this Consent Statement.

The WHITE Request Cards to call the Special Meeting will not grant us the power to vote your shares of common stock at the Special Meeting and will not commit you to cast any vote in favor or against any proposal to be brought before the Special Meeting. To vote on the matters to be brought before the Special Meeting, you must vote by proxy or in person at the Special Meeting.

Revocation

You may revoke your WHITE Request Card at any time prior to the date on which we deliver the Special Meeting Request Form to the Company by delivering a written revocation to us, care of Okapi, at the address set forth on the back cover of this Consent Statement or by submitting a later-dated consent authorization to the Company. Such a revocation must clearly state that your WHITE Request Card is no longer effective. Any revocation of a WHITE Request Card will not affect any action taken by us pursuant to the WHITE Request Card prior to such revocation.

Although a revocation is also effective if delivered to the Secretary of the Company or to such other recipient as the Company may designate as its agent, we request that either the original or a copy of all revocations be mailed, faxed or e-mailed to us, care of Okapi, so that we will be aware of all revocations and can more accurately determine if and when enough WHITE Request Cards have been received from shareholders.

By completing and returning the WHITE Request Card, you will be agreeing to inform us if you dispose of any of the shares of common stock with respect to which you are furnishing the WHITE Request Card prior to March 25, 2016, which is the outside date by which we intend to submit the Special Meeting Request Form to the Company, assuming that we have received the WHITE Request Card from holders of a sufficient number of shares to satisfy the requirements of the Company's Bylaws in order to call the meeting. By completing and returning the WHITE Request Card you will not be entering into any agreement with us to hold or dispose of your shares, which you are free to do in your sole discretion. However, if you do dispose of your shares prior to March 25, 2016, you will be deemed to have revoked your WHITE Request Card to the extent of the shares that you dispose of. If you do not inform us that you have disposed of any shares with respect to which you furnished the WHITE Request Card, we will assume that you continue to own those shares at least through March 25, 2016.

Additional Information Form

In addition to the WHITE Request Card, we are asking you to complete and return the Additional Information Form attached as Exhibit A-3 to this Consent Statement. The Additional Information Form calls for certain information that is specified in Section 2.13(a)(ii)(C) of the Company's Bylaws which we will be submitting to the Company on behalf of each shareholder that authorizes us to complete the Special Meeting Request Form on its behalf. We do not concede that this information is required to be submitted to the Company in order to validly require the Company to call the Special Meeting, and we believe that it is not required. However, we intend to submit this information to the Company in order to avoid any possible challenge by the Company to our request for the Special Meeting, even though we believe that such a challenge would be frivolous. The information specified in Section 2.13(a)(ii)(C) of the Bylaws includes the following:

- (i) the name and address of the holder of the shares with respect to which the WHITE Request Form is being submitted
- (ii) the number of shares of the Company's common stock that such holder owns beneficially and of record and any derivative positions with respect to shares of the Company's capital stock held beneficially or of record, by you or on your behalf, the extent to which any hedging or other transaction or series of transactions has been entered into with respect to the shares of the Company's capital stock by you or on your behalf, and the extent to which any other agreement, arrangement or understanding has been made, the effect or intent of which is to increase or decrease your voting power with respect to shares of the Company's capital stock.

We intend to use this information solely for the purposes of submitting it to the Company pursuant to Section 2.13(a)(ii)(C) of the Company's Bylaws along with the Special Meeting Request Form, even though we believe it is not required. To the extent that the Special Meeting Request Form is not submitted to the Company, we will destroy the information.

If you own your shares of common stock of record, you should submit the Additional Information Form together with your WHITE Request Card by mailing it to the Information Agent in the envelope provided to you together with this Consent Statement. If you own your shares of common stock in street name — that is through a bank, broker or other nominee — you must submit the information directly to our Information Agent at the following address:

No Intention to Form a Group

We are soliciting your authorization to submit the Special Meeting Request Form in accordance with Regulation 14A under the Securities Exchange Act of 1934 and your authorization will be revocable until the Special Meeting Request Form is submitted to the Company in accordance with the Company's Bylaws. The Securities and Exchange Commission has expressed the belief that a shareholder who is a passive recipient of soliciting activities, without more, would not be deemed a member of a group under Rule 13d-5(b)(1) with persons conducting the solicitation, even where the soliciting activities result in the shareholder granting a revocable proxy. SEC Release No. 34-39538. We have not sought the guidance of the SEC or its staff on the application of this position to our solicitation pursuant to this Consent Statement. However, we believe that our solicitation is of the type contemplated in the SEC Release.

EXPENSES

Leder Holdings has retained Okapi Partners LLC to act as our Information Agent in connection with this consent solicitation. Okapi has agreed in that capacity to provide consulting and analytical services and solicitation services with respect to banks, brokers, institutional investors and individual shareholders. Leder Holdings has agreed to pay Okapi an initial fee for its services estimated to be not more than \$4,000 and to reimburse Okapi for its reasonable out-of-pocket expenses. Leder Holdings also has agreed to indemnify Okapi against certain liabilities and expenses in connection with this consent solicitation, including liabilities under the federal securities laws. Approximately 12 employees of Okapi will engage in the solicitation. Consents may be solicited by mail, advertisement, telephone, facsimile or in person. Solicitations may also be made by persons employed by or affiliated with Leder Holdings. However, no such person will receive additional compensation for such solicitation.

Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward the solicitation materials to the beneficial owners of PICO shares which they hold of record, and Leder Holdings will reimburse them for their reasonable out-of-pocket expenses.

The expenses related directly to this consent solicitation are expected to be approximately \$85,000 in the aggregate and will be borne by Leder Holdings. These expenses include fees and expenses for attorneys, proxy solicitors, printing, postage, filing expenses and other costs incidental to the solicitation. Of this estimated amount, approximately \$50,000 has been spent to date. The actual costs and expenses could be materially different than the estimated amounts.

The purpose of the proposals in this Consent Statement is to advance the interests of all the Company's shareholders. Therefore, Leder Holdings believes that its expenses related to this consent solicitation should be borne by the Company and it intends to seek reimbursement of such expenses from the Company whether or not this consent solicitation is successful. The question of reimbursement of the expenses of Leder Holdings by the Company will not be submitted to a shareholder vote.

INFORMATION CONCERNING SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

The following information concerning shareholder proposals and director nominations is contained in the Company's revised preliminary revocation solicitation statement filed on February 16, 2016:

Requirements for Shareholder Proposals to be Considered for Inclusion in Proxy Materials. Shareholder proposals that are intended for inclusion in our 2016 proxy statement and acted upon at our Annual Meeting of Shareholders in 2016 must be received no later than January 28, 2016. In addition, all proposals will need to comply with Rule 14a-8 of the Exchange Act, which lists the requirements for the inclusion of shareholder proposals in Company-sponsored proxy materials. Shareholder proposals must be delivered to our Corporate Secretary by mail at 7979 Ivanhoe Avenue, Suite 300, La Jolla, California 92037, Attention: Corporate Secretary, or by facsimile at (858) 456-6480. As the rules of the United States Securities and Exchange Commission make clear, simply submitting a proposal does not guarantee that it will be included in our proxy materials.

Requirements for Shareholder Proposals and Director Nominations to be Brought Before the 2016 Annual Meeting of Shareholders. Notice of any proposal or director nomination that you intend to present at the 2016 Annual Meeting of Shareholders, but do not intend to have included in the proxy statement and form of proxy relating to the 2016 Annual Meeting of Shareholders, must be delivered to our Corporate Secretary by mail at 7979 Ivanhoe Avenue, Suite 300, La Jolla, California 92037, Attention: Corporate Secretary, or by facsimile at (858) 456-6480 not earlier than the close of business on March 11, 2016 and not later than the close of business on April 10, 2016. In addition, your notice must set forth the information required by our bylaws.

In order for shareholder proposals that are submitted outside of SEC Rule 14a-8 and are intended to be considered by the shareholders at the 2016 Annual Meeting of Shareholders to be considered “timely” for purposes of SEC Rule 14a-4(c) under the Exchange Act, the proposal must be received by mail at 7979 Ivanhoe Avenue, Suite 300, La Jolla, California 92037, Attention: Corporate Secretary, or by facsimile at (858) 456-6480 no later than April 10, 2016. If a shareholder fails to provide such timely notice of a proposal to be presented at the 2016 Annual Meeting of Shareholders, the proxies designated by the Board will have discretionary authority to vote on any such proposal. In this regard, the proxy solicited by us for the 2016 Annual Meeting of Shareholders will confer discretionary authority on our proxies to vote on any proposal presented by a shareholder at that meeting for which PICO has not been provided with notice on or prior to April 10, 2016.

If the date of our 2016 Annual Meeting is a date that is not within 30 days before or 60 days after July 9, 2016, the anniversary date of our 2015 Annual Meeting, notice by the shareholder of a proposal must be received no earlier than the close of business on the 120th day before the 2016 Annual Meeting and not later than the close of business of (i) the 90th day prior to the 2016 Annual Meeting or (ii) the 10th day following the day on which public announcement of the date of the 2016 Annual Meeting is first made by us.

CONCLUSION

After years of losses and declining share value, we hope you share our view that change at the Board level is required if shareholders are to realize value from their investments in the Company. Calling the Special Meeting is the first step in effecting what we believe is a long overdue change.

Your support is important. Please sign, date and mail the enclosed WHITE request card and the Additional Information Form as soon as possible in the enclosed postage-paid envelope. If your shares of common stock are held in the name of a brokerage firm, bank, bank nominee or other institution, only it can sign a written request with respect to your common stock. Accordingly, please contact the person responsible for your account and give instructions for a written request to be signed representing your shares of common stock.

ANNEX II

The following table and related explanatory text and footnotes are reprinted from the Company's proxy statement filed with the Securities and Exchange Commission on February 16, 2016

The following table sets forth information, as of February 12, 2016, with respect to the beneficial ownership of our common stock by (i) each person whom we know to be the beneficial owner of more than 5% of our common stock based upon Schedule 13G and Schedule 13D reports filed with the Securities and Exchange Commission, (ii) each of our directors, (iii) each "named executive officer" and (iv) all of our current executive officers and directors as a group.

Unless otherwise indicated, the business address for each person is 7979 Ivanhoe Avenue, Suite 300, La Jolla, CA 92037. The amounts and percentages of common stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of such security, or "investment power," which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he has no economic interest.

Except as otherwise noted, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of common stock reflected as beneficially owned, subject to applicable community property laws. As of February 12, 2016, 23,037,587 shares of our common stock were outstanding.
