Item 4.02. Non-reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On March 22, 2006, our board of directors determined that the previously-issued audited financial statements for the year ended July 31, 2005 and interim financial statements for the three months ended October 31, 2005 should not be relied upon because they do not reflect a net gain or benefit from certain embedded derivative securities issued by ATSI. The board of directors has reviewed the accounting treatment of the Company's convertible securities with the Company's independent accountants and intends to promptly amend and restate any affected financial statements previously filed with the Securities and Exchange Commission.
