Explanatory Note

General Finance Corporation (the “Company”) is filing this amendment No. 1 to Form 10-K for the year ended December 31, 2006 to correct the cover page item “Securities Registered Pursuant to Section 12(b) of the Act.”

ITEM 9A. CONTROLS AND PROCEDURES

Ronald F. Valenta (our principal executive officer) and Charles E. Barrantes (our principal financial officer) carried out an evaluation of the effectiveness of our disclosure controls and procedures as of December 31, 2006. Based upon that evaluation, they concluded that our disclosure controls and procedures were effective to ensure that information required to be disclosed by us in reports that we file or submit under the Securities Exchange Act of 1934 (the “Exchange Act”) is recorded, processed, summarized and reported, within the time periods specified under the rules and forms of the Securities and Exchange Commission. Disclosure controls and procedures, no matter how well designed and implemented, can provide only reasonable assurance of achieving an entity’s disclosure objectives. The likelihood of achieving such objectives is affected by limitations inherent in disclosure controls and procedures. These include the fact that human judgment in decision-making can be faulty and that breakdowns in internal control can occur because of human failures such as simple errors or mistakes or intentional circumvention of the established process.

There has not been any change in our internal control over financial reporting in connection with the evaluation required by Rule 13a-15(d) under the Exchange Act that occurred during the quarter ended December 31, 2006 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.
