PART III -- NARRATIVE

State below in reasonable detail why Form 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, and restatement of the audited financial statements could not be filed within the prescribed time period.

RF Industries Ltd. (the "Company") is unable to file its Quarterly Report on Form 10-QSB for the fiscal quarter ended January 31, 2007 by the scheduled filing deadline as a result of its further review and assessment under SFAS 123R and the resulting impact to our income tax provision. SFAS 123R became effective for the Company on November 1, 2006, and this is the first fiscal quarter in which the Company has had to apply SFAS 123R to its stock option grants.

The matters under review by the Company do not involve recently publicized concerns regarding the timing of the award of stock options and related accounting issues that have come to light at other companies.

PART IV-- OTHER INFORMATION

(Name)	(Area Code)	(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Net sales for the fiscal quarter ended January 31, 2007 decreased by approximately 7% from net sales for the fiscal quarter year ended January 31, 2006, decreasing to \$3,152,128 from \$3,374,912. For the January 31, 2007 fiscal

quarter, gross profit was \$1,261,707, compared to gross profit for the January 31, 2006 fiscal quarter of \$1,560,569. Because the impact of SFAS 123R is not precisely known, the Company is unable to quantify its net income for the fiscal quarter ended January 31, 2007. However, based on its current estimates, net income in the fiscal quarter ended January 31, 2007 is expected to decrease primarily as a result of option expensing issues to approximately \$33,000 from \$265,000 during the same fiscal quarter in 2006.
