#### Item 1.01 Entry into a Material Definitive Agreement

On April 20, 2009, we, along with our subsidiary Xenical Financial Services, Corp. (“XFS”), entered into a Loan and Securities Purchase Agreement (the “Loan Agreement”) with Vical Capital Master Fund (“Vical”), dated April 15, 2009 pursuant to which Vical will lend the Company up to \$3,200,000, subject to a deduction for an original issue discount of 2%. The proceeds from the loan from Vical will be used for our corporate operations.

Pursuant to the Loan Agreement, we issued a Senior Secured Promissory Note, dated April 15, 2009, to Vical in the original principal amount of \$3,851,375 (the “Vical Note”) comprised of the current loan of \$3,200,000, and prior advances, accrued interest, and professional and other fees of \$651,375 relative to prior loans and commitments. The Vical Note bears interest at the rate of 13% per annum and is payable monthly, in arrears on the first day of each month, commencing on October 15, 2009. Principal payments in the monthly amount of \$40,000 commence on October 15, 2009 and, subject to events of default specified in the Loan Agreement, the entire amount of principal and accrued but unpaid interest due under the note becomes due and payable on October 15, 2011.

In connection with the Loan Agreement and the financing provided under the Loan Agreement, we, XFS and each of our other subsidiaries, and Vical entered into security agreements, dated April 15, 2009, pursuant to which we, XFS and our other subsidiaries granted a security interest to Vical in substantially all of our assets. Each of our subsidiaries (other than XFS) also entered into a guaranty agreement to guaranty all obligations under the Loan Agreement and documents entered into in connection with the Loan Agreement.

As partial consideration for the loan provided by Vical we issued to Vical a ten-year Series K Warrant to purchase 2,550,000 shares of our common stock at a price of \$.35 per share (the “Series K Warrant”). We also adjusted the Series J Warrant held by Vical to reflect a decrease in the exercise price to \$.35 per share and a reduction in the number of shares underlying the Series J warrant to 493,142.

In connection with the issuance of the Series K Warrant, we and Vical entered into a registration rights agreement, dated April 15, 2009, pursuant to which, among other things, we granted “piggyback” registration rights to Vical for the Series K Warrant.

In addition, we also entered into an agreement with Vical pursuant to which Vical agreed to defer the principal and interest installment amounts with respect to the loans in the original aggregate principal amount of \$5,000,000 issued by us in favor of Vical as assignee of Gottbetter Capital Master Fund Ltd.

The following summary description of the material agreements and instruments entered into in connection with the transaction described above is qualified in its entirety by reference to the copies of such material agreements and instruments filed as exhibits to this Current Report on Form 8-K.

#### Loan and Securities Purchase Agreement

The Loan Agreement provides for the loan to us by Vical of up to \$3,200,000, subject to a deduction for an original issuance discount of 2%.

The Loan Agreement also contains certain restrictions on our ability to: (i) declare dividends; (ii) reclassify, combine or reverse split our common stock; (iii) incur liens; (iii) incur certain types of indebtedness; (iv) liquidate or sell a substantial portion of our assets; (v) enter into transactions that would result in a Change of Control (as defined in the Loan Agreement); (vi) amend our charter documents in a way that adversely affects the rights of Vicis; (vii) except through XFS, make loans to, or advances or guarantee the obligations of, third parties; (viii) make intercompany transfers; (ix) engage in transactions with officers, directors, employees or affiliates; (x) divert business to other business entities; (xi) make investments in securities or evidences of indebtedness (excluding of loans made by XFS) in excess of \$250,000 in a calendar year; and (xii) file registration statements, until the earlier of: (x) 60 Trading Days following the date that a registration statement or registration statements registering all the shares of Common stock for which the Series J Warrant is exercisable is declared effective by the Commission; and (y) the date the shares of Common stock for which the Series K Warrant is exercisable are saleable by Vicis under Rule 144 under the Securities Act without limitation as to volume or manner of sale.

Events of default under the Loan Agreement include: (i) default in the payments due under the Vicis Note; (ii) failure to perform the covenants contained in the Securities Purchase Agreement or the related transaction documents; (iii) suspension from listing on the OTC Bulletin Board or other exchange for 10 consecutive trading days; (iv) the failure to timely deliver shares of common stock upon conversion of the Common Stock or exercise of the Series K Warrant ; (v) default in the payment of indebtedness in excess of \$250,000; (vi) a judgment entered against us in excess of \$250,000 that continues undischarged or unstayed for thirty-five (35) days after entry thereof; and (vii) insolvency, bankruptcy and similar circumstances.

The Loan Agreement also contains customary representations, warranties, covenants and indemnification provisions for transactions of the type entered into between the Company and Vicis.

#### Vicis Note

The Vicis Note bears interest at the rate of 13% per annum and is payable monthly, in arrears on the first day of each month, commencing on October 15, 2009. Principal payments in the monthly amount of \$40,000 commence on October 15, 2009 and, subject to events of default specified in the Loan Agreement, the entire amount of principal and accrued but unpaid interest due under the note becomes due and payable on October 15, 2011. In the case of an Event of Default (as defined in the Loan Agreement), the interest rate will be adjusted to 18% per annum. The Vicis Note may be prepaid at anytime, in whole or in part, without any penalty or premium.

#### Series K Warrant

On April 15, 2009, we issued to Vicis the Series K Warrant. The Series K Warrant is exercisable for an aggregate of 2,550,000 shares of our common stock at a price of \$.35 per share for a period of ten years from the date of issuance. The Series K Warrant may be exercised on a cashless basis to the extent that the resale of shares of common stock underlying the Series K Warrant is not covered by an effective registration statement. The exercise price will be subject to adjustment in the event of subdivision or combination of shares of our common stock and similar transactions, distributions of assets, issuances of shares of common stock with a purchase price below the exercise price of the Series K Warrant, issuances of any rights, warrants or options to purchase shares of our common stock with an exercise price below the exercise price of the Series K Warrant, issuances of convertible securities with a conversion price below the exercise price of the Series K Warrant. We also adjusted the Series J Warrant held by Vicis to reflect a decrease in the exercise price to \$.35 per share and a reduction in the number of shares underlying the Series J warrant to 493,142.

#### Borrower Security Agreements

Pursuant to the terms of the Loan Agreement, we and XFS each entered into a Security Agreement, dated April 15, 2009 with Vicis (collectively, the "Borrower Security Agreements"). The Borrower Security Agreements secure our and XFS' obligations in connection with the Loan Agreement, the Vicis Note and the Transaction Documents (as defined in the Loan Agreement). The Borrower Security Agreements provide for a lien in favor of Vicis on all of our assets and all of the assets of XFS.

#### Guaranty Agreements

Pursuant to the terms of the Loan Agreement, each of our subsidiaries (other than XFS) entered into a Guaranty Agreement, dated April 15, 2009, with Vicis (collectively, the "Guaranty Agreements"). The Guaranty Agreements provide for unconditional guaranties of our and XFS' obligations in connection with the Loan Agreement and the Transaction Documents.

#### Guarantor Security Agreements

Pursuant to the terms of the Loan Agreement, each of our subsidiaries entered into a Guarantor Security Agreement, dated April 15, 2009, with Vicis (collectively, the "Guarantor Security Agreements"). The Guarantor Security Agreements provide for liens in favor of Vicis on all of the assets of each of our subsidiaries (other than XFS, which entered into one of the borrower Security Agreements described above).

#### Registration Rights Agreement

Pursuant to the terms of the Loan Agreement, we entered into a Registration Rights Agreement, dated April 15, 2009, with Vicis (the "Registration Rights Agreement"). The Registration Rights Agreement requires us, subject to certain exceptions, to include shares of common stock that may be purchased upon exercise of the Series K Warrant in any registration statement that we file until such time as such shares (i) have been sold pursuant to Rule 144 promulgated under the Securities Act of 1933, as amended ("Rule 144") or an effective registration statement or (ii) are eligible for immediate resale under Rule 144.

#### Deferral Agreement

We entered into an agreement with Vicis pursuant to which Vicis agreed to defer the principal and interest installment amounts with respect to the loans in the original aggregate principal amount of \$5,000,000 issued by us in favor of Vicis as assignee of Gottbetter Capital Master Fund Ltd. Vicis agreed to defer the payment of each installment amount commencing with the installment due April 1, 2009 and ending with the installment amount due January 1, 2010. On January 1, 2010, in addition to the regular installment amount due on January 1, 2010, we shall pay all deferred amounts in full, in one lump sum.

Item 3.02 Unregistered sales of Equity Securities.

Item 1.01 above is incorporated into this Item 3.02 by reference.

Vicis is an “accredited investor,” as defined under the Securities Act of 1933, as amended, or the Securities Act. None of the Vicis Note, the Series K Warrant, or the shares of our common stock underlying the Series K Warrant were registered under the Securities Act, or the securities laws of any state and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) under the Securities Act and corresponding provisions of state securities laws, which exempts transactions by an issuer not involving any public offering.

We made this determination based on the representations of Vicis, which included, in pertinent part, that Vicis is an “accredited investor” under the Securities Act, and that Vicis was acquiring the securities it was acquiring for investment purposes for its own account and not as nominee or agent, and not with a view to the resale or distribution, and that Vicis understood such securities may not be sold or otherwise disposed of without registration under the Securities Act or an applicable exemption therefrom. Thus, the Vicis Note, the Series K Warrant, and shares of common stock underlying the Series K Warrant may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such shares contain a legend stating the same.
