STOCKHOLDER ACTION BY WRITTEN CONSENT

GENERAL INFORMATION

PRIOR REVIEW

Although copies of these solicitation materials have been filed with and examined by the Securities and Exchange Commission (the “Commission”), such filing and examination by the Commission does not represent and shall not be deemed to be a finding that the materials are accurate or complete or not false and misleading or that the Commission has passed upon the merits of or approved any statement contained in these materials or any matter to be acted upon by the stockholders. PROCEDURE

Under Section 78.390 of the Nevada Corporations Code, stockholders of the Corporation must approve an amendment to the Corporation’s Articles of Incorporation to change the name of the Corporation. Under Section 78.320 of the Nevada Corporations Code, as well as the Corporation’s bylaws, any action that may be taken at an annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a majority of the holders of outstanding stock entitled to vote consent in writing to such action and if written notice of such action is delivered to the stockholders who fail to provide consent. To eliminate the cost and time associated with holding a special meeting of stockholders and to effect the amendment to the Corporation’s Articles of Incorporation to change the name of the Corporation as early as possible, the Board of Directors voted to proceed with the amendment by obtaining the written consent of the holders of a majority of shares of the Corporation’s outstanding Common Stock.

In this solicitation of consents, written and unrevoked consents from holders of record of a majority of the issued and outstanding shares of Common Stock as of the Record Date (as hereinafter defined) must be delivered to the Corporation to approve the amendment to the Articles of Incorporation to change the name of the Corporation.

RECORD DATE AND VOTING RIGHTS

The Board of Directors of the Corporation has fixed the close of business on January 18, 2011 (the “Record Date”) as the date for the determination of stockholders entitled to approve the proposed amendment to the Corporation’s Articles of Incorporation to change the name of the Corporation to Digerati Technologies, Inc. As of the Record Date, the Corporation had 53,302,887 shares of Common Stock issued and outstanding.

Each share of Common Stock is entitled to one vote per share in connection with the matters described above. Pursuant to applicable Nevada law, there are no dissenter’s or appraisal rights relating to the amendment to the Corporation’s Articles of Incorporation to change the name of the Corporation to Digerati Technologies, Inc.

DELIVERY OF CONSENTS

The Board of Directors requests that each stockholder complete, date and sign the consent enclosed with this solicitation statement and deliver the consent in the return envelope provided. The consent should be returned as soon as possible and, in any event, not later than March 9, 2011. Any consent received by the Corporation after March 9, 2011 will not be counted and will be treated as votes against the amendment to the Articles of Incorporation to change the name of the Corporation to Digerati Technologies, Inc.

REVOCABILITY OF CONSENTS

Any consent executed and delivered by a stockholder may be revoked at any time by marking, dating, signing and delivering to the Secretary of the Corporation a written revocation before March 9, 2011. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective. The delivery of a subsequently dated consent which is received before March 9, 2011 and is properly marked, dated, signed and delivered to the Corporation will constitute a revocation of an earlier consent.

VOTING PROCEDURES

The amendment to the Articles of Incorporation to change the name of the Corporation to Digerati Technologies, Inc. will be adopted when properly completed and unrevoked consents are signed and submitted to the Corporation by stockholders of record holding a majority of the voting power of the outstanding shares of Common Stock. Because a consent to corporate action is effective only if expressed by stockholders of record holding a majority of the voting power of the outstanding shares of Common Stock, the failure to deliver a consent before March 9, 2011, or the revocation of a previously delivered consent before March 9, 2011 will have the same effect as withholding consent.

Abstentions and “broker non-votes” (shares held of record by brokers or nominees which are not voted on a particular matter because the broker or nominee has not received voting instructions from the beneficial owner of such shares and does not have discretionary voting power with respect to that matter) have the same effect as not delivering a consent to the amendment to the Articles of Incorporation to change the name of the Corporation to Digerati Technologies, Inc.

If the amendment to the Articles of Incorporation to change the name of the Corporation to Digerati Technologies, Inc. is approved by stockholders, the Corporation will promptly give written notice thereof to all stockholders who have not consented.

COSTS OF SOLICITATION

The Corporation will pay the expenses of printing, assembling and mailing this solicitation statement. The Corporation will also reimburse brokerage firms and nominees for out-of-pocket expenses incurred in sending these solicitation materials to, and obtaining instructions from, beneficial owners.

RECOMMENDATION OF THE BOARD OF DIRECTORS

We believe that the new name will increase the brand recognition of our products and services and will be more recognizable. The name change will not affect the rights of our stockholders.
