At the meeting, you and the other stockholders will be asked to vote on the proposals described in detail in the notice of meeting on the following page and the accompanying proxy statement.

We have elected to take advantage of Securities and Exchange Commission rules that allow us to provide access to our proxy materials over the Internet. We believe that these rules will allow us to provide our stockholders with the information they need at a lower cost to the Company and with a reduced environmental impact. Accordingly, on or about April 24, 2015, we will mail a Notice of Internet Availability of Proxy Materials (the **Notice**) to our stockholders of record and beneficial owners at the close of business on April 8, 2015. On the date of the mailing of the Notice, all stockholders will have the ability to access all of the proxy materials on a website referred to in the Notice. These proxy materials will be available free of charge.

It is important that your shares be represented and voted at the Annual Meeting regardless of the size of your holdings.

Whether or not you plan to attend the meeting, please vote electronically via the Internet, by telephone or by completing, signing, dating and returning the proxy card included with a paper copy of the proxy statement as promptly as possible. See *Voting* in the proxy statement for more details. Voting electronically or returning your proxy does NOT deprive you of your right to attend the meeting and to vote your shares in person for the matters acted upon at the meeting.

Thank you for your continued interest in the Company. We look forward to seeing you at the meeting.

Sincerely,

James Kirsch
Chairman and Chief Executive Officer

PROXY STATEMENT

**Professional Diversity Network, Inc.
801 W. Adams Street, Suite 600
Chicago, Illinois 60607**

**ANNUAL MEETING
To Be Held on June 3, 2015**

THE ANNUAL MEETING

The enclosed proxy is solicited by and on behalf of the board of directors (the **Board**) of Professional Diversity Network, Inc., a Delaware corporation (**Professional Diversity Network** or the **Company**), for use at Professional Diversity Network's 2015 Annual Meeting of Stockholders (the **Annual Meeting**) to be held on June 3, 2015 at 11:00 a.m., Central Time, at the offices of the Company, 801 W. Adams Street, Chicago, Illinois 60607, and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

In accordance with rules and regulations adopted by the Securities and Exchange Commission (the **SEC**), instead of mailing a printed copy of our proxy materials to each of our stockholders, we are furnishing proxy materials on the Internet. If you received a Notice of Internet Availability of Proxy Materials (the **Notice**) by mail, you will not receive a printed copy of the proxy materials other than as described herein. Instead, the Notice will instruct you as to how you may submit your vote over the Internet. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting proxy materials included in the Notice.

We anticipate that the Notice will be sent to stockholders on or about April 24, 2015. This proxy statement and the form of proxy relating to the Annual Meeting will be made available on the Internet to stockholders on the date that the Notice is first sent.

Record Date and Outstanding Shares

The Board has fixed the close of business on April 8, 2015 as the record date for the Annual Meeting (the **Record**

Date). Only holders of record of the Company's common stock, \$0.01 par value per share (**Common Stock**), at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on all matters to be voted upon at the Annual Meeting. As of the close of business on the Record Date, there were 12,928,072 shares of Common Stock outstanding and entitled to vote.

Quorum and Vote Required

Quorum. The holders of record of a majority of the aggregate voting power of the Common Stock issued and outstanding and entitled to be voted, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment or postponement thereof. In the event there are not sufficient shares present to establish a quorum or to approve proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

Vote Required. Holders of Common Stock are entitled to one vote for each share held as of the Record Date on all matters to be voted on. The Company's Bylaws provide that, except as otherwise provided by applicable law, the rules of the Nasdaq Stock Market, the Company's Certificate of Incorporation or the Bylaws, all matters will be decided by the vote of a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on the matter. In the election of directors (Proposal 1), the Board will be elected by a plurality of the voting power of the Common Stock represented in person or by proxy and entitled to vote at the Annual Meeting. Each stockholder is entitled to vote in favor or withhold his, her or its vote with respect to each individual nominee. The affirmative vote of a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on such proposal is required to approve Proposal 2 (Amendment of the Professional Diversity Network, Inc. 2013

TABLE OF CONTENTS

Equity Compensation Plan) and Proposal 3 (Accounting Firm Ratification Proposal). None of the proposals are contingent upon the approval of any other proposal.

Abstentions. Abstentions will be counted for purposes of determining a quorum at the Annual Meeting. Abstentions are not considered votes cast and therefore will have no effect on the outcome of Proposal 1 (Election of Directors).

Abstentions with respect to Proposal 2 (Amendment of the Professional Diversity Network, Inc. 2013 Equity Compensation Plan) and Proposal 3 (Ratifying the Selection of Marcum LLP) will have the same effect as a vote against such proposals.

Broker Discretionary Voting. If your shares are held in a brokerage account, by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and the Notice is being sent to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote. If you do not give instructions to your brokerage firm or bank, it will still be able to vote your shares with respect to discretionary proposals, but will not be allowed to vote your shares with respect to non-discretionary proposals. The Company expects that Proposal 3 (Ratifying the Selection of Marcum LLP) will be considered to be a discretionary proposal on which banks and brokerage firms may vote. The Company expects that all other proposals being presented to stockholders at the Annual Meeting will be considered to be non-discretionary items on which banks and brokerage firms may not vote. Therefore, if you do not instruct your broker or bank regarding how you would like your shares to be voted, your bank or brokerage firm will not be able to vote on your behalf with respect to these proposals. In the case of these non-discretionary items, the shares will be treated as broker non-votes. Broker non-votes are shares that are held in street name by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter. Your failure to give instructions to your bank or broker will not affect the outcome of Proposal 1, because broker non-votes are not considered votes cast, nor the outcome of Proposal 2 or Proposal 3 because Proposal 2 and Proposal 3 require the affirmative vote of a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on these proposals and broker non-votes will not be deemed entitled to vote on the proposal and therefore broker non-votes are not counted in the vote for these proposals.

Shares Not Present in Person or by Proxy at the Annual Meeting. Shares not present in person or by proxy at the Annual Meeting will not be counted for purposes of determining a quorum at the Annual Meeting.

Expenses of Proxy Solicitation

Officers, directors and other employees of the Company may solicit proxies in person or by regular mail, electronic mail, facsimile transmission or personal calls. These persons will receive no additional compensation for solicitation of proxies, but may be reimbursed for reasonable out-of-pocket expenses.

The Company will pay all of the expenses of soliciting proxies to be voted at the Annual Meeting. Banks, brokerage firms and other custodians, nominees or fiduciaries will be requested to forward soliciting material to their principals and to obtain authorization for the execution of proxies. They will be reimbursed for their reasonable out-of-pocket expenses incurred in that regard.

Voting

Your vote is important. You may vote on the Internet, by telephone, by mail or by attending the Annual Meeting and voting by ballot, all as described below. If you vote by telephone or on the Internet, you do not need to return your Notice, proxy card or voting instruction card. Telephone and Internet voting facilities are available now and will be

Edgar Filing: Professional Diversity Network, Inc. - Form DEF 14A

Vote by Telephone

You can also vote by telephone by calling 1-800-690-6903. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. If you vote on by telephone, you do not have to mail in a proxy card.

Vote by Mail

If you choose to vote by mail, complete, sign and date the proxy card included with a paper copy of this proxy statement, and return it to the Company's Secretary. Please allow sufficient time for mailing if you decide to vote by mail.

Vote at the Annual Meeting

The method or timing of your vote will not limit your right to vote at the Annual Meeting if you attend the Annual Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, you must obtain a legal proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

Street name holders may submit a proxy by telephone or the Internet if their bank or broker makes these methods available, in which case the bank or broker will enclose related instructions with this proxy statement. If you submit a proxy by telephone or via the Internet you should not return the proxy card included with a paper copy of this proxy statement. If you hold your shares through a bank, broker or other nominee you should follow the voting instructions you receive from your bank, broker or other nominee.

Revocability of Proxy

If you are the holder of record for your shares, you may revoke your proxy at any time before it is exercised at the Annual Meeting by taking either of the following actions: (i) delivering to the Company's Secretary a revocation of the proxy or a proxy relating to the same shares and bearing a later date prior to the vote at the Annual Meeting; or (ii) attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, by itself, revoke a proxy. Stockholders may also revoke a prior proxy by providing later voting instructions for voting of a later proxy prior to 11:59 P.M. Eastern Time the night of the last business day, June 2, 2015, before the date of the Annual Meeting.

Appraisal Rights

Stockholders have no appraisal rights with respect to any of the matters to be voted upon at the Annual Meeting.

Recommendation of the Board of Directors

The Board recommends that Professional Diversity Network stockholders vote **FOR** the election of each nominee for director (Proposal 1), **FOR** the amendment to the Professional Diversity Network, Inc. 2013 Equity Compensation Plan (Proposal 2) and **FOR** the ratification of the Company's selection of Marcum LLP as the Company's independent registered public accounting firm (Proposal 3).

As the National Volunteer for the American Heart Association, Ms. Jones led NAPW in its efforts to help raise awareness of heart disease during Heart Month, helping to raise millions of dollars

for much needed research and community outreach. Ms. Jones is well qualified to serve as a director on the Company's Board due to her substantial leadership and networking abilities, as well as her in-depth knowledge of the business of NAPW, now a part of the Company.

In 2012, she was the executive producer for a TV docu-series on Bravo about Silicon Valley's startup culture, and she regularly appears as a contributor for *The Today Show* and *The Katie Couric Show* to discuss life in the digital age. From 2005 to 2011, Ms. Zuckerberg served as Director of Market Development and Spokeswoman for Facebook, Inc., one of the largest social media companies.

Ms. Zuckerberg's experience in creative marketing, past role at a public company in a growth industry and participation in NAPW conferences makes her well qualified to serve on the Board.

Required Vote

In order to be elected to the Board, each nominee must receive a plurality of the voting power of the Common Stock present in person or represented by proxy at the Annual Meeting. Stockholders may only vote for or withhold their votes for the election of the nominees to the Board. Votes that are withheld and broker non-votes, if any, will be counted for purposes of determining the presence or absence of a quorum. Votes that are withheld will be considered votes cast but abstentions and broker non-votes will have no effect on the election of directors. Unless instructions to the contrary are specified, as permitted by applicable law and the rules of the Nasdaq Stock Market, the proxy holders will vote the proxies received by them FOR each of the director nominees.

Recommendation of the Board of Directors

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF ALL OF THE NOMINEES AS DIRECTORS.

CORPORATE GOVERNANCE

Meetings and Committees of the Board of Directors

The Board has constituted an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee. The Audit Committee was established for the purpose of overseeing the Company's accounting and financial reporting processes and audits of the Company's financial statements. The Audit Committee met on five occasions in 2014 and operates under a charter approved by the Board. The Audit Committee's primary functions are:

to assist the Board with the oversight of the Company's financial reporting process, accounting functions and internal controls; and

the appointment, compensation, retention and oversight of the work of any registered public accounting firm employed by the Company for the purpose of preparing or issuing an audit report or related work.

The Audit Committee currently consists of Barry Feierstein, Daniel Marovitz and Stephen Pemberton. The Audit Committee meets periodically with the Company's independent registered public accounting firm, both with and without management present. The Board has determined that Mr. Marovitz is an audit committee financial expert within the meaning of Item 407 of Regulation S-K under the Exchange Act. A copy of the Audit Committee charter is posted and available on the Corporate Governance link of the Investor Relations section of the Company's website, www.prodivnet.com. Information on the Company's website is not incorporated by reference in this proxy statement.

Compensation Committee. The Compensation Committee, which met on two occasions in 2014 and operates under a charter approved by the Board, is responsible for, among other things:

annually reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and recommending to the Board the Chief Executive Officer's overall compensation levels based on this evaluation;

annually reviewing and approving the annual base salaries and annual incentive opportunities of the Chief Executive Officer and the other executive officers;

reviewing and approving the following as they affect the Chief Executive Officer and the other executive officers: (a) all other incentive awards and opportunities, including both cash-based and equity-based awards and opportunities;

(b) any employment agreements and severance arrangements; and (c) any change-in-control agreements and change-in-control provisions affecting any elements of compensation and benefits; and

monitoring and evaluating matters relating to the compensation and benefits structure of the Company as the Compensation Committee deems appropriate, including: (a) providing guidance to senior management on significant issues affecting compensation philosophy or policy and (b) evaluating whether the risks arising from the Company's compensation policies and practices for its employees would be reasonably likely to have a material adverse effect on the Company.

The Compensation Committee currently consists of Barry Feierstein, Daniel Marovitz and Stephen Pemberton. The Compensation Committee also has authority to delegate its responsibilities to a subcommittee. The Company and the Compensation Committee may, from time to time, directly retain the services of consultants or other experts to assist the Company or the Compensation Committee, as the case may be, in connection with executive compensation matters. However, during the fiscal year ended December 31, 2014, neither the Company nor the Compensation Committee engaged a compensation consultant.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, which met on two occasions in 2014 and operates under a charter approved by the Board, is responsible for, among other things:

leading the search for individuals qualified to serve as members of the Board and conducting the appropriate inquiries with respect to such persons;
evaluating the size and composition of the Board and its committees and recommending any changes to the Board;
reviewing the qualifications of, and making recommendations regarding, director nominations submitted to the Company by shareholders;
reviewing the Board's committee structure and recommending to the Board for its approval directors to serve as members of each committee; and
reviewing and recommending committee slates annually and recommending additional committee members to fill vacancies as needed.

The Nominating and Corporate Governance Committee currently consists of Barry Feierstein, Daniel Marovitz and Stephen Pemberton. A copy of the charter of the Nominating and Corporate Governance Committee is posted and available on the Corporate Governance link of the Investor Relations section of the Company's website, www.prodivnet.com. Information on the Company's website is not incorporated by reference in this proxy statement.

Attendance at Board and Committee Meetings

During the fiscal year ended December 31, 2014, the Board held a total of 10 meetings. Each member of the Board, other than Stephen Pemberton, attended 80% or more of the meetings of the Board and of the committees of which the director was a member. The Company does not have a policy regarding director attendance at Annual Meetings of stockholders, however, all directors are strongly encouraged to attend.

Director Independence

Our Board has reviewed the materiality of any relationship that each of our directors has with us, either directly or indirectly. Based on this review, our board has determined that Messrs. Marovitz, Pemberton and Feierstein and Ms. Brazile, Ms. Sáenz and Ms. Zuckerberg are independent directors as defined by Rule 5605(a)(2) of the Marketplace Rules of the Nasdaq Stock Market. We do not have any oral or written agreement with any company for representatives from any company to serve on our Board.

Compensation Committee Interlocks and Insider Participation

Barry Feierstein, Daniel Marovitz and Stephen Pemberton served as the members of the Compensation Committee during the Company's last completed fiscal year. None of the Company's executive officers served as a member of the compensation committee or board of directors of any other entity that has an executive officer serving as a member of the Company's Board or Compensation Committee.

Board Leadership Structure

The Board does not have a policy requiring that the roles of Chief Executive Officer and Chairman of the Board be separate. The Board believes that the Company and its stockholders benefit when the Board is free to determine the most appropriate leadership structure in light of the experience, skills and availability of directors and the Chief Executive Officer as well as other circumstances. Currently, Mr. Kirsch serves as the Chairman of the Board and the

Chief Executive Officer. The Board believes this is the most appropriate structure for the Company at this time because it makes the best use of the experience, skills and availability of Mr. Kirsch. Additionally, because six of the Company's nine Board members have been determined by the Board to be independent, the Board believes that its current structure provides sufficient independent oversight of management given the Company's current size and relative lack of complexity, and therefore, the Board has not designated a lead independent director.

TABLE OF CONTENTS

Board's Role in Management of Risk

The Company faces numerous risks more fully described in the Company's annual and quarterly reports filed with the SEC. The Company's management bears responsibility for the day-to-day management of risks the Company faces and for communicating the most material risks to the Board and its committees. The Board, as a whole and through its committees, is responsible for company-wide oversight of risk management. The Board and its committees perform their risk management function principally through the receipt of regular reports from management and discussions with management regarding risk assessment and risk management. In its risk oversight role, the Board is responsible for satisfying itself that the risk management processes described and implemented by management are adequate and functioning as designed.

Board Nominee Process

The Board has adopted a Nominating and Corporate Governance Committee Charter, which includes the Company's general director nomination policies.

The Nominating and Corporate Governance Committee (the **Nominating Committee**) believes that it is in the best interest of the Company and its stockholders to obtain highly-qualified candidates to serve as members of the Board. In addition to any past or future policies adopted by the Board, with respect to director nominations, the Nominating Committee will consider any additional factors as it deems appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable size, experience as an executive with a publicly traded company and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

The Nominating Committee Charter specifically requires the Nominating Committee to develop a Board that reflects diversity among its members. The Nominating Committee is able to assess the effectiveness of the Company's policy regarding diversity through its regular, required monitoring of the composition of the Board and its committees.

Further, in connection with such regular monitoring, the Nominating Committee Charter specifically requires the Nominating Committee to determine whether it may be appropriate to add individuals with different backgrounds or skills to the Board.

The Nominating and Corporate Governance Committee may use multiple sources for identifying director candidates, including its own contacts and referrals from other directors, members of management, the Company's advisors and executive search firms. The Nominating and Corporate Governance Committee will also consider director candidates recommended by stockholders in accordance with the procedures governing such recommendations in the Company's bylaws and will evaluate such director candidates in the same manner in which it evaluates candidates recommended by other sources.

Stockholder Communication with the Board of Directors

Stockholders may communicate with one or more directors or the Board as a whole by sending written communications addressed to such person or persons to the Secretary, Professional Diversity Network, Inc., 801 W. Adams Street, Suite 600, Chicago, Illinois 60607. All communications will be compiled by the Secretary and relayed to the applicable director or directors.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. The code of business conduct and ethics is available on our corporate website at *www.prodivnet.com*. Any amendment to, or waiver from, a provision of such code of ethics will be posted on our website. Information on the Company's website is not incorporated by reference in this proxy statement.

TABLE OF CONTENTS

Certain Relationships and Related Party Transactions

The following is a summary of transactions, since January 1, 2014, to which we have been a party in which the amount involved exceeded the lesser of \$120,000 or 1% of the average of our total assets at December 31, 2013 and December 31, 2014, and in which any of our directors, executive officers, beneficial holders of more than 5% of our capital stock or certain other related persons had or will have a direct or indirect material interest, other than compensation arrangements that are described under the section of this proxy statement entitled *Executive Compensation*.

Equity Issuances to Directors, Executive Officers and 5% Stockholders

We did not issue any equity securities during the fiscal year ended December 31, 2014 to our directors, executive officers or holders of more than 5% of our capital stock, except (i) in connection with the merger with NAPW and (ii) as compensation described under the section of this proxy statement entitled *Executive Compensation*.

Agreements with Directors and Executive Officers

Please see *Executive Compensation* for information regarding the employment agreements with, and compensation of, our executive officers.

Merger with NAPW

On September 24, 2014 (the **Closing Date**), the Company closed its merger transaction with NAPW Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Company (**Merger Sub**), NAPW, Inc., a New York corporation (**Old NAPW**), and Mr. Proman, then the sole shareholder of Old NAPW, pursuant to an Agreement and Plan of Merger, dated as of July 11, 2014 (the **Merger Agreement**). Mr. Proman is now an executive officer and member of the Company's Board. In accordance with the terms of the Merger Agreement, on the Closing Date, all shares of Old NAPW common stock issued and outstanding immediately prior to the effective time of the Merger were converted into and became the right to receive 5,110,975 shares of our Common Stock, which were issued to Proman as sole shareholder of Old NAPW. In addition, pursuant to separate subscription agreements, 959,096 shares of our Common Stock were issued to Ms. Jones, then Old NAPW's President and National Spokeswoman, and 239,774 shares were issued to Mr. Wesser, then Old NAPW's General Counsel. Ms. Jones is now an executive officer of the Company and on the Board, and Mr. Wesser is also now an executive officer of the Company.

Additionally, at the effective time of the merger, the Company, as additional consideration, paid to Proman, in cash, \$3,555,000 and issued to Proman (i) a promissory note in the original principal amount of \$445,000, (ii) an option to purchase 183,000 shares of the Company's Common Stock at a price of \$3.45 per share, (iii) a warrant to purchase 50,000 shares of the Company's Common Stock at a price of \$4.00 per share and (iv) a warrant to purchase 131,250 shares of the Company's Common Stock at a price of \$10.00 per share.

The promissory note for \$445,000 issued by the Company to Mr. Proman (the **Promissory Note**) on the Closing Date will mature on August 15, 2015 and accrues interest at a fixed rate of 0.35% per annum payable quarterly with remaining payments due on each of May 15, 2015 and August 15, 2015. However, if NAPW (on a stand-alone basis) on any payment date fails to meet certain performance criteria as of the end of the fiscal quarter then most recently ended with respect to gross revenue and net cash from operations, then the Company's obligation to make payment of principal and accrued interest on that date will be deferred to the next payment date that follows the next fiscal quarter end during which NAPW is able to meet such performance criteria, and the maturity date shall be correspondingly

extended until such time as the note may be repaid in full. If NAPW (on a stand-alone basis) on any payment date, as of the end of the fiscal quarter then most recently ended, satisfies the gross revenue performance criteria, but fails to satisfy the cash flow performance criteria, then the Company will only be required to make payments of interest and principal to the extent the Company's excess cash flow permits. The Promissory Note is not convertible or exchangeable for shares of the Common Stock, is unsecured and may be prepaid, in full or in part, at any time by the Company without premium or penalty. The amounts owing under the Promissory Note may be accelerated upon the occurrence of an event of default.

TABLE OF CONTENTS

Also, at the effective time of the merger, as a condition to the closing of the merger, Messrs. Proman and Wesser, Ms. Jones and the Company entered into a registration rights agreement (the **Registration Rights Agreement**), pursuant to which the Company, on March 31, 2015, filed an amended universal shelf registration on Form S-3 (File No. 333-201341) with the SEC providing for, among other things, the resale of the shares by the holders of shares of Common Stock issued to them in connection with the Merger. The Company is further required to use its best efforts to keep such registration statement effective until the earlier of three years thereafter or when each of the parties to the Registration Rights Agreement (other than the Company) can sell all of his or her shares without the need for current public information or other restriction pursuant to Rule 144 under the Securities Act of 1933, as amended (the **Securities Act**). Once sold by the holders under the registration statement, the shares will be freely tradeable without restriction or further registrations under the Securities Act.

Additionally, under the terms of the Registration Rights Agreement, each of Messrs. Proman and Wesser and Ms. Jones (collectively, the **NAPW Affiliates**) has agreed not, without the consent of the Company, to offer to sell, sell or otherwise dispose of, or encumber any shares of the Company's Common Stock received by such person in connection with the merger during the 12 months following the Closing Date, except under certain circumstances.

Under the terms of the Registration Rights Agreement, the Company will bear all SEC registration and filing fees, printing and mailing expenses, fees and disbursements of counsel and accountants for the Company and all expenses related to listing the shares on the NASDAQ Capital Market, while the NAPW Affiliates will bear all fees and disbursements of counsel for all underwriters, brokers and dealers engaged in connection with the distribution of such shares and any discounts, commissions and fees of such underwriters, brokers and dealers, FINRA filing fees and expenses, legal fees and disbursements and other expenses of complying with state securities or blue sky laws and the fees and disbursements of legal counsel for the NAPW Affiliates. The Registration Rights Agreement also places indemnity obligations on each of the Company, to indemnify the NAPW Affiliates under certain circumstances, and the NAPW Affiliates, to indemnify the Company under certain circumstances.

Agreements with 5% Stockholders

Other than as disclosed in the sections above entitled *Equity Issuances to Directors, Executive Officers and 5% Stockholders*, *Agreements with Directors and Executive Officers* and *Merger with NAPW* there are no agreements between or among the Company and any holder of more than 5% of our capital stock.

Policy Regarding Review, Approval or Ratification of Related Party Transactions

The charter of the Company's Audit Committee sets forth the Company's policies and procedures for the review, approval or ratification of transactions in which the Company is a participant and the amount exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest. The Audit Committee charter expressly states that the review and approval of such transactions is among the responsibilities of the Audit Committee, unless otherwise delegated to another committee of the Board consisting solely of independent directors. The Audit Committee is authorized to engage independent counsel and other advisers as it determines is necessary to carry out its duties, including with respect to its review of related party transactions. There are no additional policies stating the standards required to be met for such transactions to be approved; accordingly, the Audit Committee will act within its discretion, subject to its fiduciary and other duties, in deciding whether to approve any related party transaction.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

In this section, we describe our compensation programs and policies and the material elements of compensation for the year ended December 31, 2014 for our Chairman and Chief Executive Officer, and our two most highly compensated executive officers, other than our Chief Executive Officer, whose total compensation was in excess of \$100,000. Other than as disclosed below, we did not have any other employee whose compensation was such that executive compensation disclosure would be required but for the fact that they were not executive officers as of the end of the last fiscal year. We refer to all individuals whose executive compensation is disclosed in this proxy statement as our **named executive officers**.

Our Compensation Committee is responsible for reviewing and evaluating the components of our compensation programs, including employee base salaries and benefit plans. The Compensation Committee will provide advice and recommendations to the Board on such matters. See *Corporate Governance Meetings and Committees of the Board of Directors* for further details on the role of the compensation committee.

Compensation Consultants

The Company and the Compensation Committee may, from time to time, directly retain the services of consultants and other experts to assist the Company or the Compensation Committee in connection with executive compensation matters. During the fiscal year ended December 31, 2014, the Company did not engage the services of a compensation consultant.

Summary Compensation Table

The following table provides information regarding the compensation earned during the years ended December 31, 2014 and December 31, 2013 by our Chairman and Chief Executive Officer, and our two most highly compensated executive officers, other than our Chief Executive Officer, whose total compensation was in excess of \$100,000. Ms. Jones and Mr. Wesser became executive officers of the Company in September 2014, so fiscal 2014 reflects a partial year for them.

The amounts shown in the Stock Awards column reflect unique restricted stock awards granted to Ms. Jones and Mr. Wesser in connection with our merger with NAPW. These awards represent a portion of the total amount of merger consideration that Mr. Proman requested be paid to Ms. Jones and Mr. Wesser in recognition of the considerable services they provided to NAPW. Due to the fact that neither Ms. Jones nor Mr. Wesser were shareholders in NAPW, these restricted stock awards are considered compensatory and are shown in the table below. As these awards relate to the Company's merger with NAPW, the Company does not anticipate making similar sized equity awards to its executive officers in the future.

TABLE OF CONTENTS

In 2010, Mr. Kirsch purchased a condominium apartment in Miami, Florida, which was primarily used by the Company and was financed by obtaining a bank loan providing initially for interest only payments. Following the closing, the Company made payments of interest on the mortgage, condominium association dues, real estate taxes, (2) maintenance and upkeep, purchased furniture and other related expenses on the apartment (collectively,

Condominium Costs) in the amount of \$7,411 in 2013. The Company recorded these payments as additional compensation payments to Mr. Kirsch for 2013. The Company discontinued these payments during the fiscal year ended December 31, 2013.

Amounts reflect the total grant date fair value of awards recognized for financial statement reporting purposes for the fiscal year ended December 31, 2014, in accordance with FASB ASC Topic 718 (disregarding any forfeiture (3) assumptions). Assumptions used in the calculation of these amounts are included for 2014, in footnote 13 to the audited financial statements for the fiscal year ended December 31, 2014, included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 31, 2015.

This stock award consisted of 959,096 shares of restricted stock issued to Ms. Jones in connection with the (4) Company's acquisition of NAPW, Inc., of which Ms. Jones served as President and National Spokeswoman, on September 24, 2014.

(5) This stock award consisted of 239,774 shares of restricted stock issued to Mr. Wesser in connection with the Company's acquisition of NAPW, Inc., of which Mr. Wesser served as General Counsel, on September 24, 2014.

Employment Agreements

Effective September 24, 2014, we entered into new employment agreements with James Kirsch, the Company's Chairman and Chief Executive Officer, Star Jones, the Company's President, and Christopher Wesser, the Company's Executive Vice President and General Counsel (each such agreement, an **Employment Agreement**, and collectively, the **Employment Agreements**).

The Employment Agreement with Mr. Kirsch provides that he will serve as the Company's Chief Executive Officer and may be designated to serve as Executive Chairman of the Board and receive an annual base salary of \$275,000.

Ms. Jones's Employment Agreement provides that she will serve as the Company's President and receive an annual base salary of \$300,000, and that she shall have the opportunity to discuss her duties and responsibilities with the Chief Executive Officer. Mr. Wesser's Employment Agreement provides that he will serve as the Company's Executive Vice President and General Counsel and receive an annual base salary of \$250,000. Since the end of the fiscal year ended December 31, 2014, the Compensation Committee recommended, and the Board approved, an increase in the annual base salary payable to Mr. Kirsch from \$250,000 to \$325,000, effective January 1, 2015.

Each Employment Agreement provides the named executive officer with an initial term of three years that automatically renews for successive one year terms unless either party provides advance written notice of its intention to terminate the Employment Agreement. Mr. Kirsch's base salary will be automatically increased annually by the greater of 3% of his then current base salary or the annual percentage increase in the Consumer Price Index. If Mr. Kirsch's role changes such that he is no longer the Chief Executive Officer, his three year term will automatically be renewed and continue for another three years after the date of the change in role. Should such a change in role occur, his base salary cannot be reduced below his then current base salary immediately prior to the change in role.

The Employment Agreements provide that each named executive officer will be eligible for an annual bonus and have his or her salary reviewed each year by the Board. In addition, the named executive officers will be reimbursed for all reasonable business expenses incurred in the ordinary course of business and taking into consideration each such Executive's unique responsibilities within the Company. The Employment Agreements also generally permit the Executives to participate in all benefit plans and programs offered by the Company.

Under the terms of the Employment Agreements, each named executive officer is subject to a non-competition, non-interference and non-raiding restrictive covenant during their employment and 18 months following the named executive officer's last day of employment with the Company. In the event that a named executive officer's employment is terminated without Cause or the named executive officer resigns for Good Reason (as those terms are defined by the Employment Agreements), the post-employment

TABLE OF CONTENTS

restrictive covenant period may not extend past the severance period (as described below). The Employment Agreements also contain customary confidentiality, work product and return of Company property covenants.

The Employment Agreements provide each named executive officer with severance pay in the event that such named executive officer is terminated without Cause or resigns for Good Reason. Upon such a termination of employment, such named executive officer is entitled to continue to receive such named executive officer's monthly salary at his or her then current rate for the greater of six months or the number of remaining whole months in such named executive officer's term (whether the initial term or an extension). Finally, the Employment Agreements between the Company and each of Ms. Jones and Mr. Wesser also provide that such named executive officers will become immediately fully vested in any unvested shares of restricted stock granted in connection with the merger with NAPW, Inc. upon their termination without Cause or their resignation for Good Reason.

We were formerly parties to an employment agreement with Mr. Kirsch that expired on March 5, 2014. This former employment agreement, which was entered into prior to the commencement of our initial public offering in March 2013, provided that Mr. Kirsch would serve as our Chief Executive Officer and receive a base salary of \$200,000 and discretionary annual bonuses. Prior to its expiration, Mr. Kirsch's former employment agreement also provided him six months of base salary continuation as severance protection in the event his employment was terminated without cause (as defined in that agreement).

Restricted Stock Awards

On December 30, 2014, Ms. Jones and Mr. Wesser each entered into a restricted stock agreement (together, the **Restricted Stock Agreements**) with the Company with an effective date of September 24, 2014, the closing date of the Company's merger transaction with NAPW, Inc. As discussed above, the shares of Common Stock of the Company awarded to Ms. Jones and Mr. Wesser pursuant to the Restricted Stock Agreements that are subject to certain vesting conditions (such shares, the **Restricted Stock**), represent a portion of the total amount of merger consideration that Mr. Proman requested be paid to Ms. Jones and Mr. Wesser in recognition of the considerable services they provided to NAPW. Due to the fact that neither Ms. Jones nor Mr. Wesser were shareholders in NAPW, these restricted stock awards are considered compensatory.

The Restricted Stock Agreements are substantially similar to one another and govern the grant to Ms. Jones of 959,096 shares of the Company's Common Stock and to Mr. Wesser of 239,774 shares of the Company's Common Stock. Each Restricted Stock Agreement provides that the applicable named executive officer may become vested in his or her shares of Restricted Stock according to the following schedule, contingent upon such named executive officer's continued employment with the Company (or a subsidiary) from the grant date through the following vesting dates: (i) 33 1/3% of the shares of the Restricted Stock will vest on September 24, 2015; (ii) 33 1/3% of the shares of the Restricted Stock will vest on September 24, 2016; and (iii) 33 1/3% of the shares of the Restricted Stock will vest on September 24, 2017. The Restricted Stock Agreements also provide that any unvested shares of Restricted Stock will become fully vested upon the Executive's termination without Cause, resignation for Good Reason, death or Disability (as such terms are defined by the Employment Agreements between the Company and each named executive officer, dated as of September 24, 2014). Any unvested shares of Restricted Stock will also become fully vested upon the occurrence of a Change in Control (as such term is defined by the Restricted Stock Agreements). In the event that Ms. Jones's or Mr. Wesser's employment is terminated for Cause or the named executive officer resigns without Good Reason, then such named executive officer shall automatically and immediately forfeit all unvested shares of Restricted Stock subject to the Restricted Stock Agreements.

- (1) Represents restricted stock awards granted to Ms. Jones and Mr. Wesser pursuant to the Restricted Stock Agreements described above. Each Restricted Stock Agreement provides that the applicable named executive officer may become vested in his or her shares of Restricted Stock according to the following schedule, contingent upon such named executive officer's continued employment with the Company (or a subsidiary) from the grant date through the following vesting dates: (i) 33 1/3% of the shares of the Restricted Stock will vest on September 24, 2015; (ii) 33 1/3% of the shares of the Restricted Stock will vest on September 24, 2016; and (iii) 33 1/3% of the shares of the Restricted Stock will vest on September 24, 2017.

For a description of the material terms of each named executive officer's employment agreement please refer to the section entitled *Employment Agreements* beginning on page 14.

The following table provides information regarding the compensation earned by the directors who served on our Board during the year ended December 31, 2014. Mr. Kirsch is our Chief Executive Officer and Chairman of our Board and Ms. Jones is our President. As executive officers, these individuals are not compensated for their service as directors. The following table details the total compensation earned by the Company's non-employee directors in 2014:

(1) This amount was paid to Mr. Feierstein by the Company as consideration for consulting services he rendered to the Company in connection with integration efforts related to its 2014 acquisitions.

The general policy of our Board is that compensation for non-employee directors should be a mix of cash and equity-based compensation. We do not pay management directors for Board service in addition to their regular employee compensation. Our directors are also reimbursed for travel expenses associated with attendance at Board meetings. There were no reimbursements for travel expenses for the fiscal year ended December 31, 2014.

APPROVAL OF AMENDMENT TO PROFESSIONAL DIVERSITY NETWORK, INC. 2013 EQUITY COMPENSATION PLAN

The Professional Diversity Network, Inc. 2013 Equity Compensation Plan (the **Plan**) has authorized for issuance 500,000 shares of Common Stock of the Company, of which 141,143 shares remain available for future grants as of April 24, 2015. You are being asked to approve Amendment No. 1 to the Plan (the **2015 Amendment**), which amends the Plan to increase the total number of shares reserved for grants of awards under the Plan by 1.3 million shares to a total of 1.8 million shares. A copy of the Plan and the 2015 Amendment are attached as Appendix A and Appendix B hereto, respectively. Our Board believes that the approval of the 2015 Amendment to the Plan is in the best interests of the Company and its stockholders because it will provide the Company an adequate number of shares reserved for issuance under the Plan to grant as awards designed to attract, motivate and retain qualified individuals who are essential to our success.

Key Component of Compensation

The Plan is a key component of our incentive compensation program. The Company put the Plan in place for such purposes in 2013 and has previously been approved by the stockholders. The Plan is designed to further our long term stability and financial success by attracting, retaining and motivating our directors, officers, employees and consultants through the use of incentives and to further align the interests of such persons with those of the stockholders of the Company by providing for or increasing the proprietary interest of such persons in the Company.

The Plan includes a mechanism to provide incentive awards to Participants through the use of stock options (both incentive stock options and nonqualified stock options), stock appreciation rights, restricted stock, restricted stock units, other stock-based awards and annual incentive awards. Those persons who receive incentive awards under the Plan are referred to as **Participants**. The key purpose of the Company's equity compensation program is to incentivize our key employees with stock options because we believe they are an effective tool to motivate such employees to focus on shareholder value.

Requested Shares Authorization

The 2015 Amendment authorizes an additional 1.3 million shares be added to the Plan's share reserve to be available for awards under the Plan.

As a relatively newly publicly-traded company, the Company does not have a long history of grant practices on which to rely upon. Based on awards granted during our prior fiscal year and our anticipated incentive compensation program, the Company estimates that this request should be sufficient to grant equity as a portion of compensation for the next five years.

When determining the number of additional shares to request, the Company also considered its significant recent growth and corresponding increase in key individuals and directors that will likely participate in the Plan.

This following summary is subject to the more complete description of the terms and conditions of the Plan contained the full text of the Plan and the 2015 Amendment, which are attached hereto as Appendix A and Appendix B, respectively.

Effective Date of the Plan and the 2015 Amendment

The Plan was originally effective March 8, 2013. The 2015 Amendment was adopted in April 2015, subject to and effective upon the approval of our stockholders. If not sooner terminated, the Plan will terminate on March 8, 2023. Any awards made prior to the date the Plan is terminated will continue in effect pursuant to the terms of the award and the Plan.

Eligibility

Any person who is an employee of the Company or any affiliate, a member of the Board of Directors of the Company, or a consultant, advisor or independent contractor who provides services to the Company or any affiliate, can be considered by the Committee for grants of awards under the Plan. The Committee has sole and complete discretion to determine the Participants who receive awards pursuant to the Plan and to determine the type and terms and conditions of any award.

TABLE OF CONTENTS

Administration

The Plan is administered and interpreted by the Compensation Committee of the Board of Directors (the **Committee**). The Committee has the authority to take any and all actions necessary or desirable in its sole discretion, in connection with the administration of the Plan. In connection with the administration, the Committee may:

prescribe, amend and rescind rules and regulations relating to the Plan;
determine who is eligible to participate in the Plan and, if eligible, to which eligible persons awards may be granted and the timing, price, vesting and other terms and conditions of the awards;
to establish, verify, adjust, reduce and/or waive any performance goals relating to any award;
prescribe and amend the terms and conditions of any document relating to any award; and
interpret and construe the Plan, any rules and regulations under the Plan and the terms and conditions of any award granted under the Plan.

All decisions, determinations and interpretations made by the Committee are final and binding on all eligible persons and Participants in the Plan.

Common Shares Available for Incentive Awards

If this Proposal No. 2 is approved, the number of common shares of the Company available for issuance under the Plan will be 1.3 million shares plus the total number of shares remaining available for issuance under the Plan as of the effective date of the 2015 Amendment (the **Previously Reserved Shares**) and subject to the share utilization provisions for forfeited awards described below. The Previously Reserved Shares were authorized by the Company's stockholders for reservation under the Plan.

As of April 24, 2015:

141,143 shares remained available for issuance under the Plan;
There were no restricted shares of the Company, granted under the Plan that are issued and outstanding, but which have not yet vested and are subject to forfeiture;

There were 358,857 options of the Company granted under the Plan that are outstanding; and
There were no restricted shares, stock appreciation rights or other stock incentive awards outstanding under the Plan. Shares of Common Stock covered by an incentive award shall only be counted as used to the extent shares are actually delivered. If the outstanding shares of Common Stock shall be changed or exchanged by declaration of a stock dividend, stock split, combination of shares, recapitalization, reorganization, or other corporate event, the Committee may, appropriately and equitably adjust the number and kind of shares which are subject to the Plan or any awards so as to maintain the proportionate number of shares without changing the aggregate exercise or settlement price.

The Company's Common Stock is traded on the NASDAQ Global Market. The last reported sales price of the Company's Common Stock on April 22, 2015 was \$3.00 per share.

Types of Incentive Awards That May Be Granted Under the Plan

Any award will be governed by the terms of the Plan and an award agreement or other documents, if any, between the Company and the Participant receiving the award.

Incentive Stock Options.

The Committee may grant an incentive stock option at its discretion at any time or from time to time or automatically upon the occurrence of an event. Any incentive stock option shall be granted pursuant to one or more award documents which will contain provisions determined by the Committee including the number of shares, the purchase price (not less than fair market value on the grant date, though greater for certain shareholders (see below)), the term of the option, any vesting and restrictions on transfer, among other

TABLE OF CONTENTS

restrictions. An incentive stock option granted to a Participant under this Plan is a right to purchase shares of the Company's Common Stock. Incentive stock options may be granted only to employees. If certain terms and conditions are met by the Company and the Participant, an incentive stock option is given favorable tax treatment to the Participant under the Internal Revenue Code of 1986, as amended (the **Code**). See the *Federal Income Tax Consequences* section below for a discussion of the difference in tax treatment.

In order to receive the favorable tax treatment, the exercise provisions for an incentive stock option must be no more favorable than the following terms and conditions:

The incentive stock option cannot be exercised later than the first to occur of 10 years after the grant date, three months after the Participant's retirement or termination of employment with the Company and its affiliates and one year after the Participant's termination of employment with the Company and its affiliates due to death or disability. Only the first \$100,000 in fair market value (determined at the time of grant of the incentive stock option) of incentive stock options that first become exercisable in any calendar year will be treated as incentive stock options and the excess will be treated as nonqualified stock options.

If an incentive stock option is granted to a person who owns more than 10% of the total combined voting power of all classes of capital stock of the Company (or any subsidiary), then the exercise price will not be less than 110% of the fair market value on the grant date and the incentive stock option will not be exercisable more than 5 years after the grant date.

Nonqualified Stock Options.

The Committee may grant a nonqualified stock option at its discretion at any time or from time to time or automatically upon the occurrence of an event. Any nonqualified stock option shall be granted pursuant to one or more award documents which will contain provisions determined by the Committee including without limitation, the number of shares, the purchase price (not less than fair market value on the grant date), the term of the option, any vesting and restrictions on transfer. A nonqualified stock option granted to a Participant under this Plan is a right to purchase shares of the Company's Common Stock. Nonqualified stock options may be granted to employees, members of the Board of Directors, consultants and other service providers to the Company or any affiliates. Unlike an incentive stock option, a nonqualified stock option is not given favorable tax treatment under the Code. See the *Federal Income Tax Consequences* section below for a discussion of the difference in tax treatment.

Stock Appreciation Rights.

The Committee may grant an award of stock appreciation rights (**SARs**) at its discretion at any time or from time to time. SARs under the Plan may be freestanding or tandem SARs, or any combination of the two. Each SAR award shall be evidenced by an award agreement and shall specify the grant price, the term of the SAR, and other provisions, including restrictions, determined by the Committee. The Committee shall have discretion in determining the number of SARs to be granted to each Participant, and determining the terms and conditions of the SARs. The grant price for a freestanding SAR shall be determined by the Committee, but shall not be less than the fair market value of a share of the Company's Common Stock on the grant date. The grant price of a tandem SAR shall be equal to the option price of the option to which it relates. Freestanding SARs may be exercised upon whatever terms and conditions the Committee imposes, while tandem SARs may only be exercised with respect to shares for which their related options are then exercisable. At the discretion of the Committee, payment upon SAR exercise may be in cash, shares or any combination of the two, or in another manner approved by the Committee.

Restricted Stock and Restricted Stock Units.

The Committee may grant restricted stock or Restricted Stock Units (**RSUs**) to Participants in such amounts as it determines from time to time. RSUs are similar to restricted stock, except no shares are actually awarded to the Participant on the grant date. Each restricted stock or RSU grant shall be evidenced by an award agreement that specifies the restriction periods, the number of shares or restricted stock or the number of RSUs granted, and other provisions and restrictions determined by the Committee, including, a requirement that Participants pay a purchase price for each share of restricted stock or RSU, restrictions based upon the

TABLE OF CONTENTS

achievement of specific performance goals, time-based restrictions on vesting after the attainment of performance goals and time based restrictions alone, among other restrictions.

The Company may retain certificates representing shares of restricted stock until all restrictions applicable to the shares lapse. RSUs shall be paid in shares, unless otherwise provided in an award agreement. Unless otherwise determined by the Committee, to the extent permitted or required by law, Participants holding restricted stock may be granted voting rights even though the shares are subject to restrictions. Participants shall have no voting rights with respect to RSUs.

Other Stock-Based Awards.

The Committee may grant other equity-based awards in such amounts and subject to such terms and conditions determined by the Committee. Such awards might be paid in cash, based on share value, or they may involve the transfer of shares to Participants. The Committee may establish performance goals for such awards.

Annual Incentive Award

The Committee may designate employees who are eligible to receive a monetary payment in any Plan year based on a percentage of an incentive pool determined by reference to one or more performance measures. The Committee shall allocate an incentive pool percentage to each designated employee for each Plan year, and the sum of the incentive pool percentages for all employees cannot exceed 100% of the total pool. An employee's allocated portion of the incentive pool is subject to adjustment downward in the sole discretion of the Committee, though the allocated portion may not be increased, including as a result of any reduction in another employee's allocated portion.

In the event the Committee desires for the incentive award to satisfy the requirements of Section 162(m) of the Code in order to guarantee that the Company may deduct such payments, then the performance criteria shall be measured based on one or more of the performance goals described in the Plan. Examples of performance goals described in the plan include earnings per share, return on equity and total shareholder return, among others.

Applicable Withholding Taxes

The Company shall have the power and right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan.

With respect to withholding required as the result of a taxable event arising as a result of an incentive award granted under the Plan, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement in whole or in part, by having the Company withhold shares of Common Stock having a fair market value on the date of withholding equal to the minimum statutory total tax that could be imposed on the transaction.

Change in Control

Upon a dissolution of the Company, a merger or consolidation involving the Company, a sale of substantially all of the assets of the Company, a change in majority ownership of the Company or another transaction or event resulting in a change in control of the Company, the Committee may take such actions with respect to the Plan and awards granted under the Plan as it deems appropriate and the documentation regarding such a transaction may mandate the treatment of such awards.

If provided in an award agreement or otherwise determined by the Committee, upon a Change in Control, all then-outstanding options and stock appreciation rights shall become fully vested and exercisable, and all other then-outstanding awards shall vest in full and be free of restrictions. The Committee will not be required to treat all awards similarly in a Change in Control.

Termination of the Plan

The Committee may terminate the Plan and any incentive award in whole or in part at any time subject to certain restrictions. If not sooner terminated, the Plan will terminate on March 8, 2023. Any awards made prior to the date the Plan is terminated will continue in effect pursuant to the terms of the award and the Plan.

TABLE OF CONTENTS

Amendment of the Plan or Incentive Awards

The Board of Directors may amend the Plan and any document governing any award at any time. The Company's stockholders must approve any amendment by the Board which increases the maximum number of shares of Common Stock for which awards may be granted under the Plan or other material changes that require stockholder approval under the law, regulations or applicable stock exchange rules. Any amendment of the Plan or any document governing any award by the Board shall not impair the rights of any award holder without such award holder's consent, unless the amendment is in connection with compliance with Section 409A of the Code, or otherwise required to satisfy any law or regulation or to meet the requirements of applicable stock exchange rules.

Transferability of Incentive Awards

Rights under the Plan are not transferable, except by will or the laws of descent and distribution, and during the Participant's life are exercisable only by the Participant.

New Plan Benefits

It is not possible at this time to determine the benefits that will be received by executive officers or other employees, directors or consultants of the Company under the Plan if it is approved by our stockholders. Such benefits will depend on future actions of the Committee and on the fair market value of the shares of Common Stock of the Company at various future dates and the extent to which performance goals set by the Compensation Committee are met.

Federal Income Tax Consequences

The following is a brief description of the federal income tax treatment that will generally apply to awards granted under the Plan, based on federal income tax laws in effect on the date hereof. The exact federal income tax treatment of awards will depend on the specific nature of the award. Such an award may, depending on the conditions applicable to the award, be taxable as an option, as restricted or unrestricted stock, as a cash payment or otherwise. Recipients of options or other awards should not rely on this discussion for individual tax advice, as each recipient's situation and the tax consequences of any particular award will vary depending on the specific facts and circumstances involved. Each recipient is advised to consult his or her own tax advisor for particular federal, as well as state and local, income and any other tax advice.

Grant of Option

As the holder of an option, a Participant will not recognize any taxable income at the time an option is granted to him or her and the Company will not be entitled to a federal income tax deduction at that time unless an option is granted at an exercise price below fair market value. If an option is granted below fair market value, the grant may be treated as a deferral of income pursuant to Section 409A of the Code and the difference between fair market value and the option exercise price would be treated as deferred income which would be taxed as current income for income tax purposes as well as be subject to a 20% excise tax. Currently the Plan does not permit the grant of an option at below fair market value of the underlying share on the grant date.

Exercise of Incentive Stock Options

No ordinary income will be recognized by the holder of an incentive stock option at the time of exercise. The excess of the fair market value of the shares of Common Stock at the time of exercise over the aggregate option exercise price will be an adjustment to alternative minimum taxable income for purposes of the federal alternative minimum tax at the date of exercise. If the option holder holds the shares of Common Stock purchased for not less than two years after the date the incentive stock option was granted and not less than one year after the acquisition of such shares of Common Stock, the difference between the aggregate option price and the amount realized upon disposition of the shares of Common Stock will constitute a long term capital gain or loss, as the case may be, and the Company will not be entitled to a federal income tax deduction.

TABLE OF CONTENTS

If the shares of Common Stock acquired upon exercise of an incentive stock option are disposed of in a sale, exchange or other disqualifying disposition within two years after the date of grant or within one year after the date of exercise, the option holder will realize taxable ordinary income in an amount equal to the lesser of (i) the excess of the fair market value of the shares of Common Stock purchased at the time of exercise over the aggregate option exercise price or (ii) the excess of the amount realized upon disposition of such shares of Common Stock over the option exercise price the Company will be entitled to a federal income tax deduction equal to the amount of ordinary income recognized by the option holder. The excess, if any, of the amount realized upon disposition of the shares of Common Stock in a disqualifying disposition over the fair market value of the shares of Common Stock at the time of exercise will constitute capital gain.

Exercise of Nonqualified Stock Options

Taxable ordinary income will be recognized by the holder of an option that does not qualify as an incentive stock option and is therefore a nonqualified stock option at the time of exercise, in an amount equal to the excess of the fair market value of the shares of Common Stock purchased at the time of such exercise over the aggregate option exercise price the Company will be entitled to a federal income tax deduction equal to that amount. The option holder will generally recognize a taxable capital gain or loss based upon the difference between the per share fair market value at the time of exercise and the per share selling price at the time of a subsequent sale of the shares. The capital gain or loss will be short term or long term depending on the period of time the shares are held by the option holder following exercise.

Stock Appreciation Rights

SARs will not be subject to taxation upon the date of grant or vesting. Upon exercise of the SARs, the full value of the difference between fair market value of the shares of Common Stock on the date of exercise and the fair market value of the shares of Common Stock on the grant date, or the spread, will be taxed at ordinary income tax rates the Company will be entitled to a federal income tax deduction equal to the amount of ordinary income recognized by the holder of SARs. To avoid potential excise taxes under Section 409A of the Code, the SARs must be limited to the increase in the fair market value of a share of Common Stock between the date of grant and the date of exercise, and should not contain any feature for the deferral of compensation.

Restricted Stock

Restricted stock grants under the Plan will generally result in ordinary income to the recipient at the time of payment except in the case of grants subject to a vesting requirement. The amount of ordinary income the recipient will be required to recognize from restricted stock grants other than those subject to a vesting requirement is equal to the amount by which the fair market value of any shares received by the recipient exceeds the purchase price, if any, paid by the recipient for such shares.

A recipient of shares pursuant to a restricted stock grant which is not substantially vested, may elect in accordance with Section 83(b) of the Code, within 30 days of the date the shares are transferred, to recognize ordinary income at the time of transfer of the shares equal to the amount by which the fair market value on the date of transfer of the shares exceeds the purchase price, if any, paid by the recipient for such shares.

A recipient of shares pursuant to a restricted stock grant which is not substantially vested who does not make an election under Section 83(b) of the Code will recognize ordinary income at the time the shares become substantially vested in an amount equal to the difference between the fair market value on the date of substantial vesting of the shares and the purchase price, if any, paid by the recipient for such shares.

Edgar Filing: Professional Diversity Network, Inc. - Form DEF 14A

The recipient's tax basis for purposes of determining the amount of gain or loss realized in a taxable disposition of restricted stock grant shares will be equal to the amount, if any, paid for the shares plus the amount of ordinary income recognized by the recipient upon transfer or vesting, as the case may be. Any gain or loss realized by the recipient from a taxable disposition of the shares of common stock in excess of such basis generally will be taxed as short-term capital gain or loss if the disposition occurs within 12 months of the event giving rise to ordinary income (i.e., transfer or vesting) and long-term capital gain or loss if the disposition occurs 12 months or more after such event.

Subject to the application of Section 162(m) of the Code, the Company will receive a tax deduction in the amount of the ordinary income recognized by a recipient.

22

TABLE OF CONTENTS

Restricted Stock Units

A recipient of restricted stock units will not have taxable income at the time of grant. Instead, the recipient will recognize ordinary income when he or she receives payment for such units in cash or Common Stock. The Company generally will be entitled to a deduction equal in amount to the ordinary income realized by the recipient in the year paid.

Any gain or loss the recipient recognizes upon the same or exchange of shares acquired through a grant of restricted stock units generally will be treated as capital gain or loss and will be long-term or short-term depending upon whether the recipient held the shares for more than one year.

Subject to the application of Section 162(m) of the Code, the Company will receive a tax deduction in the amount of the ordinary income recognized by a recipient.

Annual Incentive Award

An eligible person receiving an incentive award will not recognize income, and the Company will not be allowed a deduction at the time the award is granted. When the recipient receives payment in cash, the amount of cash received will be ordinary income to the recipient. Subject to the application of Section 162(m) of the Code, the Company will receive a tax deduction in the amount of the ordinary income recognized by a recipient.

Miscellaneous Rules

Special rules will apply in cases where a recipient of an award pays the exercise or purchase price of the award or any applicable withholding tax obligations under the Plan by delivering previously owned shares of Common Stock or by reducing the number of shares of Common Stock otherwise issuable pursuant to the award. The surrender or withholding of such shares of Common Stock will in certain circumstances result in the recognition of income with respect to such shares of Common Stock or a carry-over basis in the shares of Common Stock acquired, and may constitute a disqualifying disposition with respect to incentive stock option shares.

In the event of a change in control and depending on the individual circumstances of the recipient, certain amounts with respect to such awards may constitute excess parachute payments under the golden parachute provisions of the Code. Pursuant to these provisions, a recipient will be subject to a 20% excise tax on any excess parachute payments and the Company will be denied any deduction with respect to such payments. Participants in the Plan should consult their tax advisors as to whether accelerated vesting of an award in connection with a change in control would give rise to an excess parachute payment.

Section 409A of the Code sets forth the rules for deferral of compensation and describes situations where compensation is deemed deferred. It is possible that certain awards made under the Plan, in particular when the award is not subject to a substantial risk of forfeiture, will be deemed deferred compensation under Code Section 409A. If that is the result, then the recipient of the award may be subject to income tax and a 20% excise tax upon the grant of the award.

Withholding Taxes

No withholding taxes are payable in connection with the grant of any stock option or the exercise of an incentive stock option. However, withholding taxes must be paid at the time of exercise of any nonqualified stock option. In respect of all other awards, withholding taxes must be paid whenever the participant recognizes income for tax purposes.

The Audit Committee of the Board is composed of three directors, each of whom is an independent director as defined by applicable law and Rule 5605(a)(2) of the Marketplace Rules of the Nasdaq Stock Market. The Audit Committee operates under a written charter adopted by the Board.

Management is responsible for the Company's internal controls and the financial reporting process. Marcum LLP, the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report on those financial statements. The Audit Committee, among other things, is responsible for monitoring and overseeing these processes and is directly responsible for the appointment, compensation, retention and oversight of the Company's independent auditors.

The Audit Committee has met and held discussions with management and Marcum LLP regarding the Company's audited financial statements, the adequacy of the Company's internal controls, the results of the audit, the overall quality of the Company's financial reporting and any other matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board. The Company's independent auditors also provided to the Audit Committee the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014.

The Audit Committee of the Board furnished the foregoing report on its activities during the fiscal year ended December 31, 2014. The report is not deemed to be soliciting material or filed with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed incorporated by reference into any prior or subsequent filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates the report by reference.

copies of the forms received by us and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that, during the year ended December 31, 2014, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements.

TRANSACTION OF OTHER BUSINESS AT ANNUAL MEETING

As of the date of this proxy statement, the Board is not aware of any matters other than those set forth herein and in the Notice of Annual Meeting of Stockholders that will come before the Annual Meeting. Should any other matters arise requiring the vote of stockholders, it is intended that proxies will be voted in respect thereto in accordance with the best judgment of the person or persons voting the proxies.

FUTURE STOCKHOLDER NOMINATIONS AND PROPOSALS

In order to be included in Professional Diversity Network's proxy materials for the 2016 annual meeting of stockholders, any proposal must be received by December 28, 2015 and otherwise comply with the requirements of Rule 14a-8 of the Exchange Act.

In addition, Professional Diversity Network's bylaws establish advance notice procedures with regard to stockholder nominations for the election of directors or other business to be properly brought before an annual meeting. For nominations or other business to be properly brought before the meeting by a stockholder, a stockholder must provide written notice delivered to the Secretary of Professional Diversity Network not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the immediately preceding annual meeting.

However, in the event that the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after the one year anniversary date of the prior year's meeting, a stockholder must provide written notice of any stockholder nominations for the election of directors or other business to the Secretary of Professional Diversity Network not earlier than the close of business on the 120th day before the date of the annual meeting and not later than the close of business on the later of (i) the 90th day prior to the annual meeting or (ii) the tenth day following the day on which a Public Announcement (as defined in Professional Diversity Network's bylaws) of the annual meeting was first made.

The notice must contain specified information and representations concerning the stockholder (and the beneficial owner, if any, on whose behalf the nomination or proposal is made), the nominee(s) or other business.

All notices of nominations or proposals by stockholders, whether or not to be included in the Company's proxy materials, should be sent to Professional Diversity Network, Inc., 801 W. Adams Street, Suite 600, Chicago, Illinois 60607, Attention: Secretary. A copy of the full text of the bylaw provision discussed above may be obtained by writing to the Secretary of Professional Diversity Network.

The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any nominations or proposals that do not comply with these and other applicable requirements.

Because the Company did not have timely notice of any other matters to be brought before the Annual Meeting, the enclosed proxy card confers discretionary authority to vote on any other matters that may be presented at the meeting.

TABLE OF CONTENTS

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

SEC rules permit registrants to send a single Notice to any household at which two or more shareholders reside if the registrant believes they are members of the same family. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and reduces the expense to the registrant. The Company has not implemented these householding rules with respect to its record holders; however, a number of brokerage firms have instituted householding which may impact certain beneficial owners of Common Stock. If your family has multiple accounts by which you hold Common Stock, you may have previously received a householding notification from your broker. Please contact your broker directly if you have any questions, require additional copies of the Notice, or wish to revoke your decision to household, and thereby receive multiple Notices. Those options are available to you at any time.

GENERAL INFORMATION

Voting Procedures

All matters specified in this proxy statement that are to be voted on at the Annual Meeting will be by written ballot.

One or more inspectors of election will be appointed, among other things, to determine the number of shares outstanding and the voting power of each, the shares represented at the Annual Meeting, the existence of a quorum and the authenticity, validity and effect of proxies, to receive votes or ballots, to hear and determine all challenges and questions in any way arising in connection with the right to vote, to count and tabulate all votes and to determine the result.

Admission to Annual Meeting

Attendance at the Annual Meeting is limited to stockholders. Admission to the meeting will be on a first-come, first-served basis. Registration will begin at 10:30 a. m. and each stockholder may be asked to present valid picture identification such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

6.4 Duration of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, no Option shall be exercisable later than the tenth (10th) anniversary of its grant date other than an Option granted to a Participant outside the United States.

6.5 Exercise of Options. Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which terms and restrictions need not be the same for each grant or for each Participant.

6.6 Payment. Options shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

A condition of the issuance of the Shares as to which an Option shall be exercised shall be the payment of the Option Price. The Option Price of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b)

by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the aggregate Option Price (provided that the Committee may require that the Shares that are tendered must have been held by the Participant for specified period prior to their tender to satisfy the aggregate Option Price if acquired under this Plan or any other compensation plan mentioned by the Company, or have been purchased on the open market); (c) by a combination of (a) and (b); or (d) any other method approved or accepted by the Committee in its sole discretion, including, without limitation, if the Committee so determines, a cashless (broker-assisted) exercise.

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of book entry Shares, or upon the Participant's request, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

6.7 ISO. To the extent that an Option is an Incentive Stock Option, the following provisions shall apply:

Subject to the limit set forth in Section 4.1 on the number of Shares that may be issued in the aggregate under the Plan, the maximum number of Shares that may be issued pursuant to ISOs shall be 500,000. ISOs may be granted only to eligible Employees of the Company or of any parent or subsidiary corporation (as permitted by Section 422 of the Code and the treasury regulations thereunder). If any Participant shall make any disposition of Shares issued pursuant to the exercise of an ISO under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof and such Option shall be considered to be an NQSO.

Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (a) the Tandem SAR will expire no later than the expiration of the underlying ISO; (b) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the excess of the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised over the Option Price of the underlying ISO; and (c) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO. Notwithstanding the foregoing, no Incentive Stock Options may be granted more than ten (10) years after the earlier of (a) adoption of the Plan by the Board, or (b) the Effective Date.

To the extent that the aggregate Fair Market Value (determined as of the date of grant) of Shares with respect to which options designated as ISOs are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company, or any subsidiary as defined in Section 424 of the Code) exceeds \$100,000, such options shall constitute NQSOs. If an ISO is granted to any person who, at the time such option is granted, owns capital stock possessing more than ten percent (10%) of the total combined voting power of all classes of capital stock of the Company (or of any subsidiary), the purchase price per Share shall be 110% of Fair Market Value and the ISO may not be exercised more than 5 years from the date of grant, otherwise the grant shall be considered to be an NQSO.

Article 7. Stock Appreciation Rights

7.1 Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SARs.

Subject to the terms and conditions of the Plan, the Committee shall have complete discretion in determining the number of SARs granted to each Participant and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs.

The Grant Price for each grant of a Freestanding SAR shall be determined by the Committee and shall be specified in the Award, but shall be no less than the Fair Market Value of a Share on the date of grant. The Grant Price of Tandem SARs shall be equal to the Option Price of the related Option.

7.2 SAR Agreement. Each SAR Award shall be evidenced by an Award Agreement that shall specify the Grant Price, the term of the SAR, and such other provisions as the Committee shall determine.

7.3 Term of SAR. The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion, and except as determined otherwise by the Committee and specified in the SAR Award Agreement, no SAR shall be exercisable later than the tenth (10th) anniversary of its grant date.

7.4 Exercise of Freestanding SARs. Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes.

A-6

TABLE OF CONTENTS

7.5 Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

7.6 Payment of SAR Amount. Upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The excess of the Fair Market Value of a Share on the date of exercise over the Grant Price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, Shares, or any combination thereof, or in any other manner approved by the Committee in its sole discretion. The Committee's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

7.7 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares received upon exercise of an SAR granted pursuant to the Plan as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Participant hold the Shares received upon exercise of an SAR for a specified period of time.

Article 8. Restricted Stock and Restricted Stock Units

8.1 Grant of Restricted Stock or Restricted Stock Units. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee shall determine. Restricted Stock Units shall be similar to Restricted Stock except that no Shares are actually awarded to the Participant on the date of grant.

8.2 Restricted Stock or Restricted Stock Unit Agreement. Each Restricted Stock and/or Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the period(s) of restriction, the number of Shares of Restricted Stock or the number of Restricted Stock Units granted, and such other provisions as the Committee shall determine.

8.3 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, or holding requirements or sale restrictions placed on the Shares by the Company upon vesting of such Restricted Stock or Restricted Stock Units.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any applicable tax withholding obligations), and except as expressly provided by the Committee in the Award Agreement, Restricted Stock Units shall be paid in Shares.

TABLE OF CONTENTS

8.4 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 20.3, each certificate representing Shares of Restricted Stock granted pursuant to the Plan may bear a legend such as the following or as otherwise determined by the Committee in its sole discretion:

The sale or transfer of Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Professional Diversity Network, Inc. 2013 Equity Compensation Plan, and in the associated Award Agreement. A copy of the Plan and such Award Agreement may be obtained from Professional Diversity Network, Inc.

8.5 Voting Rights. Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the time such shares are subject to restrictions under Section 8.2 or 8.3. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

8.6 Section 83(b) Election. If a Participant makes an election pursuant to Section 83(b) of the Code concerning a Restricted Stock Award, the Participant shall be required to promptly file copy of such election with the Company.

Article 9. Other Stock-Based Awards

9.1 Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares.

9.2 Value of Other Stock-Based Awards. Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

9.3 Payment of Other Stock-Based Awards. Payment, if any, with respect to an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

Article 10. Annual Incentive Award

10.1 Establishment of Annual Incentive Pool. The Committee may designate Employees who are eligible to receive a monetary payment in any Plan Year based on a percentage of an incentive pool determined by reference to one or more Performance Measures set forth in Section 10.3. The Committee shall allocate an incentive pool percentage to each designated Employee for each Plan Year, provided the sum of the incentive pool percentages for all Employees cannot exceed one hundred percent (100%) of the total pool.

10.2 Determination of Employees' Portions. As soon as possible after the determination of the incentive pool for a Plan Year, the Committee shall calculate each Employee's allocated portion of the incentive pool based upon the percentage established at the beginning of the Plan Year. Each Employee's incentive award then shall be determined by the Committee based on the Employee's allocated portion of the incentive pool subject to adjustment in the sole discretion of the Committee. In no event may the portion of the incentive pool allocated to a Employee be increased in

any way, including as a result of the reduction of any other Employee's allocated portion. The Committee shall retain the discretion to adjust such Awards downward.

10.3 Performance Measures. The performance measures applicable to the payment or vesting of an Award intended to qualify as performance-based compensation under section 162(m) of the Code to a person determined by the Committee to be reasonably likely to be a covered employee under section 162(m) of the Code shall be chosen from among the following performance measures (**Performance Measures**): net earnings or net income (before or after taxes); earnings per Share; net sales or revenue growth; net operating profit; return measures (including, but not limited to, return on assets, capital, invested capital, equity, revenue,

A-8

or sales); cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on equity); earnings before or after taxes, interest, depreciation, and/or amortization; gross or operating margins; productivity ratios; Share price (including, but not limited to, growth measures and total shareholder return); expense targets; margins; operating efficiency; market share; customer satisfaction; and balance sheet and statement of cash flow measures (including but not limited to, working capital amounts and levels of short and long-term debt). In addition, the Committee may make grants without satisfying the requirements of Code Section 162(m) and provide for vesting to be determined based on Performance Measures other than those set forth herein.

For Awards intended to qualify as performance-based compensation under section 162(m) of the Code, the Committee shall establish the applicable Performance Measure(s) within the time prescribed under section 162(m) of the Code.

All determinations by the Committee as to the achievement of the applicable Performance Measure(s) shall be in writing prior to the payment of the Award.

Article 11. Dividend Equivalents

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is earned or vested and the date the Award is exercised or expires, as determined by the Committee. Such dividend equivalents shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee. Notwithstanding the foregoing, the receipt of dividend equivalents on Options or SARs shall not be made contingent on the exercise of any Award.

Article 12. Beneficiary Designation

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries to whom any benefit under the Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

Article 13. Transferability

Unless otherwise determined by the Committee, Awards by their terms shall not be transferable by the Participant other than by will or by the laws of descent and distribution, and the Shares granted pursuant to Awards shall be distributable, during the lifetime of the Participant, only to the Participant.

Article 14. Rights of Participants

14.1 Employment. Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company and/or its Affiliates to terminate any Participant's employment or service on the Board or to the Company at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment or service as a Director or Consultant for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company and/or its Affiliates and, accordingly, subject to Article 16 of this Plan, the benefits hereunder may be terminated at

any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company and/or its Affiliates.

14.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

14.3 Rights as a Stockholder. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 15. Change in Control

If provided in an Award Agreement or otherwise determined by the Committee, upon a Change in Control, all then-outstanding Options and Stock Appreciation Rights shall become fully vested and

A-9

exercisable, and all other then-outstanding Awards shall vest in full and be free of restrictions. The Committee will not be required to treat all Awards similarly in a Change in Control.

Article 16. Shareholder Approval; Amendment, Modification, Suspension, and Termination

16.1 Shareholder Approval; Amendment, Modification, Suspension, and Termination. The Plan shall be subject to approval of shareholders of the Company. Subject to Section 16.4, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders and except as provided in Sections 4.4 and 16, Options or SARs issued under the Plan will not be repriced, replaced, or regranted through cancellation, or cash out, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no amendment of the Plan or grant of Award under the Plan shall be made without stockholder approval if stockholder approval is required by law, regulation, or stock exchange rule; including, but not limited to, the Exchange Act, the Code, and, if applicable, the New York Stock Exchange Listed Company Manual/the Nasdaq Stock Market Rules.

16.2 Termination of the Plan. Unless sooner terminated as provided herein, the Plan shall terminate ten (10) years from the Effective Date. After the Plan is terminated, no Awards may be granted but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and the Plan's terms and conditions.

16.3 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan.

16.4 Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary, except as set forth in Section 17.1, no termination, amendment, suspension, or modification of the Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award.

Article 17. Section 409A.

17.1 To the extent that the Plan and/or any Awards granted or awarded under the Plan are construed to be non-qualified deferred compensation plans described in section 409A of the Code, the Plan and any Award Agreements shall be operated, administered and construed so as to comply with the requirements of section 409A of the Code. The Plan and any Award Agreements shall be subject to amendment, with or without advance notice to Employees, Directors and other interested parties, and on a prospective or retroactive basis, including, but not limited to, amendment in a manner that adversely affects the rights of Employees, Directors and other interested parties, to the extent necessary to effect compliance with section 409A of the Code. This Plan does not permit the acceleration of the time or schedule of any distribution of an Award subject to section 409A of the Code, except as provided by Section 409A of the Code.

Article 18. Withholding

18.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

18.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the

A-10

TABLE OF CONTENTS

date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 19. Successors

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 20. General Provisions

20.1 Forfeiture Events. The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for Cause, termination of the Participant's provision of services to the Company and/or its Affiliates, violation of material Company and/or Affiliate policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates.

20.2 Recapture. If the grant of an Award or a payment under this Plan is subject to recapture under any securities law or rule or other applicable provision or in accordance with any recapture or clawback policy of the Company, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued subject to such recapture or clawback provision.

20.3 Legend. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

20.4 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

20.5 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

20.6 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

20.7 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under the Plan prior to the earlier of (a) obtaining any approvals from governmental or regulatory body or agencies that the Company determines are necessary or advisable; and (b) completion of any registration or other qualification of the Shares under any applicable national, local or foreign law or ruling of any governmental or regulatory body or agency that the Company determines to be necessary or advisable. The inability of the Company to obtain authority from any governmental or regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

20.9 Uncertificated Shares. To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be affected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

A-11

TABLE OF CONTENTS

20.10 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company and/or its Affiliates may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other Person. To the extent that any individual acquires a right to receive payments from the Company and/or its Affiliates under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company and/or its Affiliates.

20.11 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

20.12 Retirement and Welfare Plans. Neither Awards made under the Plan nor Shares or cash paid pursuant to such Awards, except pursuant to Annual Incentive Awards, may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's, and/or its Affiliates' retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

20.13 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or its Affiliates' right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or (ii) limit the right or power of the Company and/or its Affiliates to take any action which such entity deems to be necessary or appropriate.

20.14 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction.
